AMENDMENT TO SENATE BILL 390

AMENDMENT NO. ____. Amend Senate Bill 390 on page 1, line 22, after the period, by inserting the following: "No person shall be liable for civil damages or subject to professional discipline based on a claim of violating a patient's right to confidentiality as a result of making a reasonable inquiry as to the availability of a patient's family member or health care agent, except for willful or wanton misconduct.".
