Legislative Ethics Commission  
c/o Laurie Eby, Executive Director  
420 Stratton Building  
Springfield, IL 62706

Dear Members of the Legislative Ethic Commission:

Pursuant to Section 5-10.5 of the State Officials and Employees Ethics Act, I am providing the following report regarding the Sexual Harassment and Discrimination Prevention training program for the Senate Republican caucus members and staff in calendar year 2021.

1. Due to COVID 19, training for 2021 was completed using a video prepared by the Legislative Reference Bureau (<https://www.ilga.gov/commission/lrbvideo.html>).
2. All Republican Senators completed the required training. Regarding Senate Republican staff, every employee who began employment in calendar year 2021 or who was employed by the office at the close of calendar year 2021 completed the required training. Regarding district office staff, to the best of our knowledge, every district office at the close of calendar year 2021 completed the required training. Regarding interns with Senate Republican staff, to the best of our knowledge all interns with staff and district offices completed the required training before completing their internship.
3. For 2022, this office will continue to use the training video prepared by the Legislative Reference Bureau. If the Legislative Ethics Commission develops a new training program, we will transition to using that program.

Sincerely,

A handwritten signature in black ink that reads "Dan McConchie".
