Amends the Criminal Code of 2012. Provides that the Public Act may be referred to as the Safe Firearm Storage Act. Provides that it is unlawful for any person to store or leave a firearm outside of that person's immediate possession or control (rather than within premises under his or her control if the person knows or has reason to believe that a minor under the age of 14 years who does not have a Firearm Owners Identification Card is likely to gain access to the firearm without the lawful permission of the minor's parent, guardian, or person having charge of the minor, and the minor causes death or great bodily harm with the firearm) unless the firearm is secured in a manner that renders it inaccessible to anyone but the owner or another lawfully authorized user: (1) by a device or mechanism, other than the firearm safety, designed to render a firearm temporarily inoperable; or (2) locked box or container. Deletes provisions that the law does not apply: (1) if a minor under 14 years of age gains access to a firearm and uses it in a lawful act of self-defense or defense of another; or (2) to any firearm obtained by a minor under the age of 14 because of an unlawful entry of the premises by the minor or another person. Deletes a provision that the firearm may be placed in some other location that a reasonable person would believe to be secure from a minor under the age of 14 years. Effective January 1, 2025.

Amends the Department of Human Services Act. In provisions concerning the Women, Infants, and Children (WIC) Nutrition Program, removes a provision requiring the Department of Human Services to report quarterly to the Governor and the General Assembly on the status of obligations and expenditures of the WIC nutrition program appropriation and make recommendations on actions necessary to expend all available federal funds. Amends the Administration Article of the Illinois Public Aid Code. In provisions requiring the Department of Human Services to enter into intergovernmental agreements with the Illinois Department of Corrections, the Cook County Department of Corrections, and the office of the sheriff of every other county, removes a requirement that the Department conduct monthly exchanges of information with the specified agencies in order to determine if an assistance unit receiving public aid includes an individual who is an inmate of a correctional institution, facility, or jail. Removes a requirement that the Department of Human Services exchange information with the office of the sheriff of every county and instead requires the Department to exchange information with the office of the sheriff to the extent available. Requires the Department to review each individual prior to authorizing benefits at application and redetermination to verify eligibility for benefits under the Code (rather than requiring the Department to review each month the entire list of individuals generated by the monthly exchange and verify the eligibility for benefits under the Code for each individual on the list).

**HOUSE COMMITTEE AMENDMENT NO. 1**

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes language providing that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

HOUSE COMMITTEE AMENDMENT NO. 2

Adds reference to:  
215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

FISCAL NOTE (Dept. on Insurance)

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls (complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

HOUSE FLOOR AMENDMENT NO. 5

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with changes. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation, except to the extent that the coverage would disqualify a high-deductible health plan from eligibility for a health savings account (rather than coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the

cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes other changes. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

Amends the State Officials and Employees Money Disposition Act. Provides that examiners of unclaimed property which is reported and remitted to the State Treasurer and custodians contracted by the State of Illinois to hold presumptively abandoned securities or virtual currency may deduct fees prior to remittance in accordance with the Revised Uniform Unclaimed Property Act. Amends the Revised Uniform Unclaimed Property Act. Changes the definition of property presumed to be abandoned to a corporate bond (rather than a state or municipal bond.) The administrator may direct the holder to either (1) transfer the virtual currency that cannot be liquidated to a custodian selected by the administrator, or (2) continue to hold the virtual currency until the administrator or the holder determines that the virtual currency can be liquidated pursuant to this Act or there is an indication of apparent owner interest. Provides that the sole administrative and legal procedure for claiming property is under this Act. Requires compliance with this Act before exercising the exclusive judicial remedy. Any appeal from the administrator's decision under the Illinois Administrative Procedure Act must be taken under the provisions of the Administrative Review Law. Creates the Tenants' Right to Organize Act. Provides that tenants receiving tenant-based rental assistance in the form of partial rent subsidy from any county, municipal, State, or federal source have the right to establish, operate, and participate in a resident organization for the purpose of addressing issues related to their living environment, which includes the terms and conditions of their tenancy as well as activities related to housing and community development. Provides that tenants may not be retaliated against for asserting these rights. Requires housing authorities to: (i) recognize legitimate tenant organizations; (ii) solicit comments from all legitimate tenant organizations not less than once each year; and (iii) meaningfully respond in writing no later than 60 days after receiving a comment from a legitimate tenant organization. Requires each owner of a rental housing development that receives federal low-income housing tax credits (LIHTC) to: (1) recognize legitimate resident organizations; and (2) not retaliate against any tenant because of his or her association with a legitimate resident organization. Requires housing authorities and owners of LIHTC rental housing developments to allow tenants and tenant organizers to conduct, without having to obtain prior permission, certain activities related to the establishment or operation of a tenant organization, including distributing leaflets, convening regularly scheduled tenant organization meetings in a space on-site and accessible to tenants, and other activities. Provides that if a housing authority or owner of a LIHTC rental housing development takes adverse action against a tenant who is a member of a tenant organization, there shall be a rebuttable presumption that such adverse action is an act of retaliation. Requires the Illinois Housing Development Authority to establish enforcement protocols and annually submit reports to the General Assembly with data summarizing the number of outstanding tenant complaints and the average close time for tenant complaints. Provides that implementation of the Act is contingent on the enactment of the federal Tenants' Right to Organize Act.

Amends the Code of Civil Procedure. Changes the notice requirements in the Eviction Article for terminating tenancy. Deletes the current requirement that a notice to terminate tenancy from year to year may be given at any time within the last 4 months preceding the last 60 days of the year. Deletes the provisions that the tenant is required to surrender possession and no notice to quit or demand of possession is necessary if the tenancy is for a certain period and the term expires by the terms of the lease. Creates requirements for notice of termination of a residential lease. For any residential tenancy of less than 6 months, the landlord shall notify the tenant in writing at least 30 days before the stated termination date of the rental agreement of the landlord's intent to terminate a periodic tenancy, not renew a fixed-term rental agreement, or increase the rental rate. Provides that, if the landlord fails to give the required written notice, the tenant may remain in the dwelling unit for up to 60 days after the date on which written notice is given to the tenant. Provides that during this occupancy, the terms and conditions of the tenancy remain the same unless rent was waived or abated in the preceding month or months as part of the original rental agreement; if so, the rental amount during this 60-day period shall be at the rate established on the last date that a full rent payment was made. Makes similar changes to a tenancy of longer duration. Provides that the changes for notice of termination of a residential lease do not apply to any existing rental agreement that expires less than 90 days after the effective date of the amendatory Act. Amends the Landlord and Tenant Act. Provides that a tenant of a residential property may not be charged a nonrefundable fee as a condition for lawfully possessing a rental property. Requires a landlord of residential property to provide electronic or wire transfer as an option to a tenant for the return of the tenant's security deposit or the portion of the security deposit to which the tenant is entitled.

5 ILCS 100/10-70 from Ch. 127, par. 1010-70

Amends the Illinois Administrative Procedure Act. Specifies that the notice in contested case hearings must include an enclosure that notifies the recipient of the ability to request interpretive assistance for the hearing and to receive language assistance in translating the contents of the notice. Provides that an administrative law judge has the duty to inquire and determine whether a self-represented litigant or witness in a hearing needs interpretive assistance to participate in or understand the hearing. Authorizes any self-represented litigant, witness, or indigent person to request, at any time during the course of a hearing, interpretive assistance needed to participate in or understand the hearing. Provides that, if interpretive assistance is requested by a self-represented litigant, a witness, or an indigent person or if interpretive assistance is determined to be necessary by the administrative law judge, the administrative agency must appoint a foreign language interpreter at no cost to the person in need of the assistance for use in a substantive hearing. Authorizes an administrative agency to provide interpretive assistance during a nonsubstantive hearing through use of an interpreter who is not a foreign language interpreter, provided the administrative law judge examines the interpreter for competency for the purposes of the nonsubstantive hearing. Requires all persons appointed to provide interpretive assistance in substantive and nonsubstantive hearings to make certain affirmations. Contains provisions concerning waiver of these language assistance provisions.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes references to person in need of interpretive assistance to references to limited English proficient person. In a provision regarding rules establishing procedures for administrative hearings, provides that rules may include procedures for requesting and receiving language access services (rather than language assistance). Provides that notice for a hearing shall include an enclosure written in several specified languages which notifies the recipient of the ability for a party or their agent to request interpretive

assistance to participate in or understand the hearing and to receive language access services for translating the contents of the notice (rather than which notifies the recipient of the ability to request interpretive assistance for the hearing and to receive language assistance in translating the contents of the notice). Defines "language access services" and "limited English proficient person". Removes a provision that any self-represented litigant, witness, or indigent person has the right to request interpretive assistance. Provides that a self-represented litigant, a witness, or a litigant who is an indigent person has the right to request interpretive assistance to participate in or understand a hearing at any time during the course of the hearing. Provides that an administrative law judge shall inquire if an individual is in need of interpretive assistance to participate in or understand the hearing if the judge reasonably believes the person is a limited English proficient person (rather than an administrative law judge has the duty to inquire and determine if a self-represented litigant or witness in a hearing needs interpretive assistance to participate in or understand the hearing). Effective July 1, 2025.

HOUSE COMMITTEE AMENDMENT NO. 2

In provisions regarding contested cases, notice requirements, and administrative hearings, provides that language access services and interpretive assistance shall be, at a minimum, in accordance with the Illinois Administrative Procedure Act, and as otherwise provided for in any law or rule governing an agency's contested hearings.

Creates the Highway Work Zone Safety Act. Establishes the Highway Work Zone Speed Control Pilot Program. Requires the Department of Transportation to install and operate an automated traffic control system only when highway construction and maintenance is occurring and when workers are present. Requires the Department to conduct a public safety campaign and post signage to inform drivers about the use of an automated traffic control system that detects speeds in excess of a work zone speed limit. Requires an automated traffic control system used in the Program to undergo an annual calibration check performed by an independent calibration laboratory. Provides that the

Department shall employ automated traffic control system operators to operate an automated traffic control system at a construction or maintenance speed zone. Enumerates the duties and training requirements of an automated traffic control system operator. Limits the use of a photograph or recorded image captured by an automated traffic control system. Creates a presumption that the owner of a motor vehicle that is the subject of a photograph or recorded image was operating the motor vehicle when the photograph or recorded image was obtained through an automated traffic control system. Allows the presumption to be rebutted if specified conditions are met. Grants rulemaking authority to the Department. Defines terms. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Makes conforming changes.

Provides that the Illinois State Police (rather than the Department of Transportation) shall establish and administer the Highway Work Zone Speed Control Pilot Program. Provides that the Illinois State Police (rather than the Department of Transportation) shall install and operate automated traffic control systems in highway construction and maintenance speed zones to detect violations of posted work zone speed limits (rather than when highway construction or maintenance is occurring and when workers are present). Provides that a person found to have committed a third or subsequent violation, and found to have failed to pay all fines and costs within 30 days, is guilty of a separate civil law violation. Removes provisions regarding administrative reporting requirements. Provides that the Illinois State Police may conduct procurement and adopt rules to implement and administer the Act (rather than the Department of Transportation shall adopt rules including rules establishing procedures for notices, hearings, and appeals). Removes the definitions of "Authority" and "Department". Makes technical and other changes. Provides that the Illinois Department of Transportation (rather than the Illinois State Police) shall

employ automated traffic control system operators and may adopt rules necessary to establish requirements, duties, or restrictions concerning automated traffic control system operators. In a provision regarding a civil law violation and subsequent fine, provides that moneys designated for the Illinois Department of Transportation shall be remitted by the circuit court clerk within one month after receipt for deposit into the Transportation Safety Highway Hire-back Fund. Provides that a civil law violation under this Act to a motor vehicle rental or leasing company shall be dismissed if the company responds to the civil law violation within 30 days of the mailing with an affidavit of non-liability and a copy of the driver's license number, name, and address of the renter or lessee.

705 ILCS 405/5-401.7 new

725 ILCS 5/103-2.3 new

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than elicited from the defendant; and (4) whether a court has found evidence of coercion in making a prior determination about whether the statement is voluntary. Provides that the question of the statement's admissibility is solely for the trial court.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide or Class X felony. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior

to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and its reliability. Provides that before trial, a defendant may move to exclude a statement that is unreliable. Provides that if, in that motion, the defendant alleges that the statement is unreliable, then a hearing shall be held. Provides that the reliability of a statement is to be considered separately from the voluntariness of a statement, although the 2 issues may be considered during the same proceeding in court. Provides that nothing in this provision shall be construed to relieve the State of its burden to demonstrate voluntariness of a custodial statement by a preponderance of the evidence. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement. Provides that the question of the statement's admissibility is solely for the trial court.

New Act

Adds reference to:

20 ILCS 2310/2310-730 new

Removes all of the provisions of the Nonopioid Alternatives for Pain Act except for the provisions requiring the Department of Public Health to develop and publish on its website an educational pamphlet regarding the use of nonopioid alternatives for the treatment of acute nonoperative, acute perioperative, subacute, or chronic pain. Moves those provisions to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. In provisions amending the Illinois Insurance Code and the Illinois Public Aid Code, removes language providing that the provisions apply to a nonopioid drug immediately upon its approval by the U.S. Food and Drug Administration. Provides that the Department of Healthcare and Family Services shall ensure that nonopioid drugs preferred on the Department's preferred drug list, and approved by the U.S. Food and Drug Administration, for the treatment or management of pain shall not be disadvantaged or discouraged with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain (instead of with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain on the Illinois Medicaid Preferred Drug List, where impermissible disadvantaging or discouragement includes, without limitation: designating any such nonopioid drug as a nonpreferred drug if any opioid or narcotic drug is designated as a preferred drug; or establishing more restrictive or more extensive utilization). Removes language concerning the applicability of the provisions to drugs provided under a contract between the Department and a managed care organization. Provides that the changes to the Illinois Insurance Code and the Illinois Public Aid Code are effective January 1, 2026.

**BALANCED BUDGET NOTE (Office of Management and Budget)**

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

**FISCAL NOTE (Dept. of Healthcare & Family Services)**

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Sets forth requirements for any State entity or hospital that receives funding from the National Institutes of Health to conduct clinical trials of drugs or medical devices. Provides that the Department of Public Health, in consultation with relevant research organizations, shall analyze and provide recommendations on: (i) the demographic groups and populations that are currently represented and underrepresented in clinical trials in the State, including representation of groups based on their geographic location; (ii) the barriers that prevent persons who are members of underrepresented demographic groups from participating in clinical trials in the State, including barriers related to transportation; and (iii) approaches for how clinical trials can successfully partner with others to provide outreach to underrepresented communities. Provides that the Department shall report to the General Assembly on the results of the study by July 1, 2025. Sets forth definitions of underrepresented community and underrepresented demographic group. Provides that the Department shall review guidance published by the United States Food and Drug Administration and use existing infrastructure to encourage participation in clinical trials of drugs and medical devices by persons who are members of underrepresented demographic groups. Requires the Department of Public Health to consult with the University of Illinois Cancer Center in making recommendations.

Provides that the Department shall analyze and provide recommendations on specified information through voluntary reporting from research institutions and in consultation with community-based organizations and other stakeholders as appropriate and available (rather than in consultation with the Illinois Cancer Center, community-based organizations, and other research organizations). Provides that the Department shall issue its report and post the report on its website by July 1, 2026 (rather than reporting to the General Assembly by July 1, 2025). Provides that the Department shall establish an Internet website that provides information concerning methods for identifying and recruiting persons who are members of underrepresented demographic groups to participate in clinical trials and contains links to websites maintained by entities that are performing research relating to drugs or medical devices in the State (rather than establish a program to encourage participation in clinical trials of drugs and medical devices by persons who are members of demographic groups that are underrepresented in clinical trials).

Deletes reference to:

20 ILCS 2305/6.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Deletes references to the role of HIV Treatment Innovation Coordinator. Amends the Illinois Insurance Code. Provides that an individual or group policy of accident and health insurance amended, delivered, issued, or renewed in the State after January 1, 2026 (instead of January 1, 2025) shall provide coverage for home test kits for sexually transmitted infections, including any laboratory costs of processing the kit, that are deemed medically necessary or appropriate and ordered directly by a clinician (instead of a clinician or furnished through a standing order) for patient use. Amends the AIDS Confidentiality Act. Defines "conditional approval" to mean Illinois ADAP approval within one business day after submission of documentation of Illinois residency, Program Agreement form, and attestation of remaining eligibility requirements (instead of approval within 24 hours after submission of the materials). Deletes requirement that an applicant seeking conditional approval must document resident in the State. Provides that the Department of Public Health shall establish one Rapid Start for HIV Treatment pilot site per HIV Care Connect Region (instead of 8 pilot sites throughout the State). Provides that the Department may implement the pilot program in accordance with industry standards informed by the most current Health Resources and Services Administration guidance on HIV care and treatment (in addition to the most current Centers for Disease Control and Prevention guidance). Provides that the Department shall compile reports from each of the pilot sites on the operation of the pilot program upon completion of the pilot period (instead of publishing a report on the operation of the program 15 months after the pilot sites have launched). Makes other changes. Amends the County Jail Act. Removes a provision that required a report by the Department of Corrections to include whether the warden of the jail had sought certain information from the Department of Public Health or community-based organizations certified to provide HIV/AIDS testing.

Makes changes concerning applicability of the Code to public institutions of higher education, independent chief procurement officers, duration of contracts, electronic procurement systems, job order contracting, curing a violation or deficiency during an active procurement, procurement communications reporting requirements, method of source selection, bid preferences for Illinois businesses, and prohibited bidders. Amends the State Property Control Act. Makes changes concerning new furniture purchases. Amends the Counties Code. #### SENATE FLOOR AMENDMENT NO. 2

Deletes reference to:

30 ILCS 500/45-45

Removes changes to provisions of the Illinois Procurement Code concerning small business set-asides. In a provision of the Illinois Procurement Code concerning mid-size business set-asides, provides that "mid-size business" includes a construction business with annual sales and receipts in excess of \$14,000,000 but not over \$45,000,000 (instead of in excess of \$45,000,000 but not over \$67,500,000). Provides that the provisions concerning mid-size business applies only to construction-related procurements for the Illinois State Toll Highway Authority (instead of applying only to procurements by the Illinois State Toll Highway Authority for construction contracts, construction-related contracts, and construction support contracts). Repeals the provisions 5 years after the effective date of the amendatory Act (instead of January 1, 2029).

#### SENATE FLOOR AMENDMENT NO. 3

In the Progressive Design-Build Pilot Program Act, removes language that provides that the State construction agency will retain ownership of any design documents completed by the progressive design-build entity. In a provision of the Metropolitan Pier and Exposition Authority Act concerning requirements for contracts for professional services entered into by the Metropolitan Pier and Exposition Authority, specifies that the provisions apply to contracts in excess of \$25,000 for architectural, engineering, or land surveying services provided to the Authority and contracts in excess of \$100,000 (instead of \$25,000) for certain other services.

New Act  
775 ILCS 5/6-102

Creates the Prevention of Gender-Based Discrimination in Service Industries Act. Prohibits a service business from discriminating on the basis of gender. Defines "service business" as a commercial enterprise that focuses on providing various services to customers and has no tangible, physical characteristics or products. This includes, but is not limited to, hairstylists, barbers, tailors, dry cleaners, and laundries. Provides that nothing in the Act prohibits price differences based specifically upon the amount of time, difficulty, or cost of providing the services. Requires these service businesses (tailors or businesses providing aftermarket clothing alterations, barbershops or hair salons, dry cleaners and laundries providing services to individuals) to post a notice that states they don't discriminate on prices charged for services of similar or like kind on the basis of the person's gender and that a complete price list is available upon request. Amends the Illinois Human Rights Act to provide that a person who violates the Prevention of Gender-Based Discrimination in Service Industries Act commits a civil rights violation within the meaning of the Illinois Human Rights Act, except as otherwise specified.

Amends the Illinois Health Facilities Planning Act. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

HOUSE COMMITTEE AMENDMENT NO. 1

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.

Amends the Illinois Marriage and Dissolution of Marriage Act. Excludes from the definition of "abuse" obtaining, seeking, or facilitating lawful health care for a minor child by a parent or person in loco parentis. Requires the court to consider in determining parental responsibilities and parenting time a parent's affirmation of the child's gender identity or gender expression in a way that promotes the child's overall health and well-being, including accessing lawful health care. Allows a court to modify an order restricting parental responsibilities if it finds persistent, continuing interference with the child's ability to access lawful health care. Declares it to be against the public policy of this State and shall not be enforced if a law of another state authorizes the removal of a child from the parent or acting as a parent for allowing a child to receive lawful health care. Amends the Uniform Child-Custody Jurisdiction and Enforcement Act. Provides that the presence of a child in this State for the purpose of obtaining lawful health care is sufficient to meet the jurisdiction of this State for an initial child custody determination for temporary emergency matters. Provides that this State is not an inconvenient forum if lawful health care to the child is at issue in which the law or policy of the other state that may take jurisdiction limits the ability of a parent or person acting as a parent to obtain lawful health care for the child. Effective immediately.

New Act

Creates the Powering Up Illinois Act. Provides that an electrical corporation which operates in the State shall upgrade the State's electrical distribution systems in order to achieve the State's decarbonization standards. Provides that an electrical corporation shall be adequately staffed and recruit, train, and retain further staff as needed. Provides that the Illinois Commerce Commission shall establish reasonable average and maximum target energization time periods. Provides that the Commission shall establish requirements for an electrical corporation to report to the Commission, at least annually, to track and improve electrical corporation performance. Provides that the Commission shall require an electrical corporation to establish a dedicated electrification team. Sets forth requirements for an electrical corporation to consider when engaging in the annual distribution planning process. Provides that, in its site evaluation and design process, the Commission shall require an electrical corporation to consider flexible interconnection to defer or mitigate energization-related grid upgrades, but, if the solutions cannot defer or mitigate an upgrade, the corporation may evaluate traditional system upgrades. Provides that an electrical corporation may recover costs. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes all instances of "electric corporation" to "electric utility". Provides that an electric utility that operates within the State shall allow customers seeking energization to elect an optional flexible connection agreement, meaning a tariffed, voluntary utility offering that requires customers to agree to specified service levels as a requirement of energization or interconnection, through the use of load management technology that limits the net import and export of electricity at the point of common coupling to remain within the rated capacity limits of a customer's existing service connection or distribution circuit, either on a permanent basis or to allow for immediate project operations before service or distribution system upgrades are completed. Describes considerations the Illinois Commerce Commission shall require an electric utility to include in its internal distribution planning process and in the development of the Multi-Year Integrated Grid Plans required under the Public Utilities Act

(rather than considerations the electric utility shall be required to include in its distribution planning process only). Requires the load and electrification forecasts of electric utilities to include scenarios that are consistent with achieving the various laws, standards, plans, and regulations referenced in the Act. Provides that, if the solutions set forth in the Act cannot defer or mitigate an upgrade, then the electric utility shall evaluate traditional system upgrades (rather than may evaluate traditional system upgrades). Sets forth requirements to ensure the safety and reliability of electrical infrastructure associated with charging electric vehicles. Effective immediately.

Calls upon elected officials at local, state, and federal levels to stand with the UPS Teamsters in their efforts to collectively bargain for fair wages, safe working conditions, affordable healthcare, and the dignified retirement that they rightfully have earned while working for UPS. Calls on the federal government to respect the UPS Teamsters rights to collectively bargain, including the right to withhold their labor. Calls on elected officials at local, state, and federal levels to demonstrate their support by signing on to an open letter to rank-and-file Teamsters at UPS expressing that government has no role to play in collective bargaining between workers and their employer and therefore no elected individual or government entity should attempt to insert themselves into the collective bargaining process or participate in any attempted resolution of a new contract that is not first voted upon and ratified by rank-and-file UPS Teamsters prior to such government-related intervention.

Urges all stakeholders and policymakers to collaborate and consider how to best upgrade public works law in 2024 from retention's across-the-board, capital-draining policy of taking money from all contractors on all projects to a more efficient, nuanced, and tailored approach that protects agencies without forcing cash-strapped contractors to go into debt by providing no interest loans to their government. clients

Calls upon elected officials at local, state, and federal levels to stand with the UPS Teamsters in their efforts to collectively bargain for fair wages, safe working conditions, affordable healthcare, and the dignified retirement that they rightfully have earned while working for UPS. Calls on the federal government to respect the UPS Teamsters rights to collectively bargain, including the right to withhold their labor. Calls on elected officials at local, state, and federal levels to demonstrate their support by signing on to an open letter to rank-and-file Teamsters at UPS expressing that government has no role to play in collective bargaining between workers and their employer and therefore no elected individual or government entity should attempt to insert themselves into the collective bargaining process or participate in any attempted resolution of a new contract that is not first voted upon and ratified by rank-and-file UPS Teamsters prior to such government-related intervention.

Calls for the highest and best use of state-owned land. Urges the Illinois Sports Facilities Authority to proactively request proposals from developers for building housing and attractions on all of its land, including, but not limited to, the stadium and the parking lots for the benefit of the public and taxpayers with a goal of moving as much of the land into the property tax rolls as possible. Urges the Illinois Sports Facilities Authority to report on how much of the outstanding debt could be paid off by selling its existing assets to a private developer. Urges all professional sports teams seeking a new stadium to collaborate on finding one stadium solution that can serve more than one team in a private-sector led development to share the cost and keep the stadium filled for more of the year. Calls on the revenues from the 2% hotel tax to be considered as a source for all of the budget challenges. Expresses that it would be a loss to Chicago and the rest of Illinois for any professional sports team to relocate to another state. Urges the Sports Facilities Authority, the State of Illinois, the City of Chicago, Cook County, Friends of the Park, stakeholders, and the general public to join together to evaluate the highest and best use of resources for the benefits of businesses and taxpayers. Expresses confidence in our state's ability to dream big, think big, and collaboratively find the highest and best use of our land and taxes to grow our economy and keep all of our professional sports teams winning championships in Chicago.
