70 ILCS 2005/11.5

Amends the Rescue Squad Districts Act, which is becoming the Emergency Services District Act on January 1, 2024. Increases the amount of the levy that a district may initially levy upon formation of the district from .20% to .40%. Provides that districts organized before January 1, 2024 may, by ordinance or resolution, increase the tax rate authorized by their organizational proposition by up to .20% (but no more than a .40% tax rate in the aggregate, including the amount levied under the organization proposition). Provides that the aggregate amount of all district tax levies may not exceed .80% (with no more than .40% authorized by the organizational referendum and .40% authorized by an ambulance service tax referendum). Provides that the board of trustees of a district may fix, charge, and collect fees not exceeding the reasonable cost of the service for ambulance services rendered by the district within or outside of the district (rather than fix, charge, and collect fees against persons who are not residents of the district and against businesses and other entities that are not located within the district). Removes a provision setting fee amounts at a rate not to exceed \$250 per hour and not to exceed \$70 per hour per ambulance worker responding to a call for assistance. Provides that the fee that may be charged to reimburse the district for extraordinary expenses of materials used in rendering ambulance services may be up to the reasonable cost of the materials. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that a rescue squad district organized before January 1, 2024 may increase, by referendum (rather than by ordinance or resolution), the tax rate authorized by its organizational proposition by up to an additional .20%.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Updates the text of the underlying bill. In provisions about charges for ambulance service, restores language requiring a fee charged to be computed at a rate not to exceed \$250 per hour and not to exceed \$70 per hour per ambulance worker responding to a call for assistance, but limits the provisions to apply to an individual patient and not to a third-party payer. Provides that a third-party payer shall pay the reasonable cost of the services rendered by the district. Defines "third-party payer". Provides that an additional fee may be charged to reimburse the district for documented extraordinary expenses (rather than for extraordinary expenses of materials used) in rendering ambulance services up to the reasonable cost of the materials, personnel, and operating costs. Limits some of the changes to apply only to counties outside of Cook County, DuPage County, Kane County, Lake County, McHenry County, and Will County. Effective immediately.

Requires the Environmental Protection Agency to establish a Fleet Electrification Incentive Program to provide fleet owners and operators in the State grants to promote the use of eligible electric vehicles. Provides that the Program shall offer qualifying purchasers a grant up to specified base amounts toward the purchase of eligible electric vehicles based on the Class of vehicle. Requires the Agency to award grants under the Program on a competitive basis according to the availability of funding. Provides that to be eligible to receive a grant under the Program a purchaser must satisfy all of the required criteria. Provides that the Agency shall give weight to an application based upon the potential impact of the geographic location and route of the purchaser's fleet on pollution affecting an equity investment eligible community. Requires the Agency to ensure that resale of a vehicle serving a public school or located within an equity investment eligible community shall result in the vehicle servicing a similarly situated community. Provides that grants under the Program may be combined with other public incentives but the total of governmental incentives shall not exceed a maximum of 80% of the purchase price of the vehicle. Requires the Agency to set aside 20% of the appropriated funds under the Program for grants to the purchaser of electric school buses. Provides that all awards granted are subject to appropriation by the General Assembly. Defines terms.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes a provision that the Environmental Protection Agency shall

offer increased grant incentives of an additional 15% of the base amount for the purchase of eligible electric vehicles that will be located within an equity investment eligible community. Provides that the Agency shall use a points-based evaluation and shall award additional points to an application from an eligible purchaser whose eligible electric vehicles are to be domiciled in an equity investment eligible community (rather than give weight to an application based on the potential impact of the location and route of the purchaser's fleet on pollution affecting an equity investment eligible community). Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources may lease land on property of which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project. Provides that the lease shall be for a period not longer than 25 years. Provides that, if practical, the Department shall require that any land or property over which the Department has jurisdiction and that is used for the purpose of creating, operating, or maintaining a commercial solar energy system shall have implemented on it and maintained management practices that would qualify the land or property as a beneficial habitat under the Pollinator-Friendly Solar Site Act. Amends the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois. Defines "clean energy". Provides that the Department may provide for at least one electric vehicle charging station, as defined in the Electric Vehicle Act, at any State park or other real property that is owned by the Department where electrical service will reasonably permit. Provides that the Department is authorized to charge user fees for the use of an electric vehicle charging station. Amends the State Parks Act to make conforming changes. Amends the Illinois Procurement Code. Exempts certain expenditures by the Department of Natural Resources from the Code.

FISCAL NOTE (Dept. of Natural Resources)

The Office of Law Enforcement is currently working with Procurement regarding the purchase of body cameras for all sworn OLE personnel. This is a mandate that must be in place by January 2025. Current figures show a total cost of \$2.6 million for a contract covering 5 years with the first expense of approximately \$680,000 hopefully still occurring prior to the end of fiscal year 2024. This expense of \$680,000 includes Cloud data storage as well as the cost of acquiring the actual equipment (body cameras and in-car cameras). Thereafter, there will be an annual cost of approximately \$500,000 for each of 4 years to cover data storage and maintenance. This contract will also allow the Office of Law Enforcement to upgrade its equipment after 3 years to take advantage of the newest technology. This upgrade would occur at no additional charge. For the purchase of technology and software, the Office of Law Enforcement is in the process of procuring a records management system that will replace obsolete databases and allow officers to input some of their own data (ie tickets, etc.) to minimize errors,

repetitive handling, lost files, etc. This procurement is being worked on at this moment, but it is a very complex procurement and will likely not occur until FY25 at the earliest. Initial estimates were that the system OLE is wanting to acquire would/could cost approximately \$500,000 the first year depending on options and features available and requested. Initial estimates were that 50% of the total cost would be required at contract signing, 40% once the system was implemented and operational without errors and 10% once all applicable staff had been thoroughly trained. Once the system is in place and staff have been trained, it estimated that there would be a \$60,000 annual maintenance cost for each of the next 4 years which would include upgrades. For a 5-year contract the total cost over 5 years could approach \$750,000.

#### HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources has the power to lease, from time to time, any land or property, with or without appurtenances, of which the Department has jurisdiction, and which are not immediately to be used or developed by the State; provided that no such lease be for a longer period of time than that in which it can reasonably be expected the State will not have use for such property, and further provided that no such lease be for a longer period of time than 10 years (rather than provided that no such lease be for a longer period of time than 5 years). Makes a conforming change in the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois.

#### HOUSE FLOOR AMENDMENT NO. 4

In provisions in House Amendment No. 2, after providing that the Department of Natural Resources shall prioritize commercial solar energy system sites based on their suitability and economic feasibility for solar use, provides that the Department shall then (rather than shall or may also) prioritize commercial solar energy system sites with a significant history of disturbance.

210 ILCS 40/5.2 new

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with the following changes. Clarifies that the pre-sale disclosure requirements apply only to life care contracts that are subject to refund. Provides that, upon request, current residents, former residents awaiting refunds, and the estates of former residents awaiting refunds shall be provided with the most recent entry fee refund disclosures. Provides that, if a payee for an entry fee refund cannot be determined, for purposes of calculating the data required in the pre-sale disclosure, a refund shall be considered complete when a new resident occupies the living unit.

**SENATE COMMITTEE AMENDMENT NO. 1**

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes. Provides that, for the purpose of determining the time a refund is due, the start time of the refund begins after the unit has been permanently vacated, returned to resalable condition, and the outgoing resident has a zero balance due, excluding outstanding balances to be payable by outside payors, including, but not limited to, Medicare, Medicaid, Managed Medicare, or within 30 days of the unit being permanently vacated and the outgoing resident has a zero balance due, whichever is shorter. Provides that refund delays due to estate factors outside of the community's control are not included in the outstanding refunds to be disclosed.

**SENATE FLOOR AMENDMENT NO. 2**

Provides that failure to provide the pre-sale disclosure may result in a minimum monetary

penalty of \$500 at the discretion of the Department of Public Health. Allows the Department to adopt rules to enforce the provisions and provide for factors to be considered when imposing monetary penalties and for repeat violations of the provisions.

735 ILCS 5/2-202 from Ch. 110, par. 2-202

Amends the Code of Civil Procedure. Provides that process may (rather than shall) be served by a sheriff, or if the sheriff is disqualified, by a coroner of some county of the State. Removes language providing that process may be served by a person who is licensed or registered as a private detective or by a registered employee of a private detective agency in counties with a population of less than 2,000,000 (and instead allows process to be served in such a manner statewide). Removes language providing that upon motion and in its discretion, the court may appoint as a special process server a private detective agency and, under the appointment, any employee of the private detective agency may serve the process.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Removes language providing that process may be served by a person who is licensed or registered as a private detective or by a registered employee of a private detective agency in counties with a population of less than 2,000,000 (and instead allows process to be served in such a manner statewide). Provides that, in a county of 3,000,000 or more, any person who is licensed or registered as a private detective under the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004 or by a registered employee of a private detective agency certified under that Act and hired to serve process shall remit \$5 of each service fee to the county sheriff.

HOUSE FLOOR AMENDMENT NO. 2

Provides that the \$5 of each service fee to be paid to the sheriff in a county of more than 3,000,000 shall be paid by a person hired to serve summons (instead of process).

Amends the Property Tax Code. Provides that, beginning in taxable year 2024, no taxing district, other than a home rule unit, may levy a tax on any parcel of real property that is more than 105% of the base amount unless (i) the increase is attributable to substantial improvements to the property, (ii) the taxing district did not levy a tax against the property in the previous taxable year, or (iii) the increase is attributable to a special service area. Provides that "base amount" means the tax levied by the taxing district on the subject property in the immediately preceding taxable year, except that, if the property received a homestead exemption in the immediately preceding taxable year and is not eligible for that exemption in the current taxable year, then the base amount shall be the tax that would have been levied by

the taxing district on the subject property in the immediately preceding taxable year if the homestead exemption had not been applied. Provides that a taxing district may elect to be exempt from those provisions for one or more taxable years if the exemption is approved by referendum. Effective immediately.

Amends the Illinois Vehicle Code. Establishes that a municipality that operates an automated speed enforcement system shall set aside 10% of the net proceeds from each system that generates more than \$500,000 in revenue for the respective school district or park district in which the automated speed enforcement system is located. Provides that the set aside proceeds may be allocated for any purpose designated by the school district or park district. Set forth home rule provisions.

HOUSE FLOOR AMENDMENT NO. 1

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

5 ILCS 100/5-45.55 new

Adds reference to:

215 ILCS 125/5-3

from Ch. 111 1/2, par. 1411.2

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and

health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. Effective immediately.

#### HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

Provides that subject to appropriation and any necessary federal waivers or approvals, the Department of Human Services shall develop and implement a transitional benefits program for Temporary Assistance for Needy Families (TANF) and the Supplemental Nutrition Assistance Program (SNAP) that is designed in such a way that a TANF or SNAP beneficiary will not experience an immediate loss of benefits should the beneficiary's income exceed the maximum allowable income under the TANF or SNAP program. Sets forth monthly benefits amounts based on monthly household income. Requires beneficiaries to comply with TANF and SNAP work requirements. Provides that, subject to appropriation, the Department shall implement, by July 1, 2025, a program to allow recipients to receive transitional child care benefits without the requirement that such recipients first be eligible for full child care benefits. Sets forth the sliding benefit schedule for the program. Requires the Department to track the number of participants in the program and issue an annual report to the General Assembly by September 1, 2026 and by September 1 each year thereafter, detailing the effectiveness of the program in encouraging recipients to secure employment earning an income greater than the maximum wage eligible for the full child care benefit. Requires the Department to pursue all necessary waivers from the federal government to implement the program. Provides that upon federal approval, the Department shall limit any initial application for the SNAP, TANF, or the Child Care Assistance Program to a one-page form that is easily accessible on the Department's website. Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that "rebate aggregator" means a person or entity that negotiates rebates, discounts, or other fees attributable to usage by covered individuals (instead of negotiates rebates) with drug manufacturers on behalf of pharmacy benefit managers or their clients and may also be involved in contracts that entitle the rebate aggregator or its client to receive rebates, discounts, or other fees attributable to usage (instead of receive rebates) by covered individuals from drug manufacturers based on drug utilization or administration. Provides that the annual report by a pharmacy benefit manager that provides services for a health benefit plan must include the net cost of the drugs covered by the health benefit plan. Excludes Medicaid managed care organizations and employee welfare benefit plans subject to the federal Employee Retirement Income Security Act of 1974 from the definitions of "health benefit plan", "pharmacy benefit manager", and "third-party payer". Amends the Environmental Protection Act. Provides that the filing fees for specified petitions shall be \$250 (rather than \$75).

FISCAL NOTE (IL Pollution Control Board)

House Bill 4651 will have no impact on state expenditures but does have the potential to increase revenue. Since the per filing fee will increase from \$75 to \$250 each, this will increase the revenue collected per filing. Based on the current trend of ten(10) filings per year, the increase in the per filing fee would collect an additional \$1,750 in state revenue per fiscal year.

 220 ILCS 5/16-108.5

Amends the Public Utilities Act. Provides that no electric utility shall establish or maintain any unreasonable difference as to rates or other charges, services, contractual terms, or facilities for access to or the use of its utility infrastructure by another person or for any other purpose. Amends the Electric Service Customer Choice and Rate Relief Law of 1997. Prohibits an electric utility in a county with a population of 3,000,000 or more from authorizing any other person or granting any other person the right, by agreement, lease, license, or otherwise, to access, control, use, or operate any electric utility's infrastructure, facilities, or assets of any kind or to deliver or provide to the electric utility's retail customers or any other person's customers, broadband services, Voice over Internet Protocol (VoIP) services, telecommunications services, or cable or video programming services. Specifies, however, that an electric utility in a county with a population of 3,000,000 or more may authorize or grant another person the right to access or use the electric utility's infrastructure, facilities, or assets, including, but not limited to, middle mile infrastructure, to facilitate the delivery of broadband services to Illinois residential and commercial customers on the condition that the access to and use of that electric utility's infrastructure, facilities, and assets (A) be granted on a non-discriminatory, non-exclusive, and competitively neutral basis; and (B) comply with all other State and federal laws, rules, and regulations, including, but not limited to, all applicable safety codes and requirements. Provides that, if there is any dispute regarding the terms, rates, or conditions of access to or use of the electric utility's infrastructure, facilities, and assets to facilitate the

delivery of broadband services to Illinois residential and commercial customers, then the Commission shall hear and decide the dispute upon petition of any party. Provides that nothing in the amendatory Act shall be construed to alter or diminish the rights or obligations of any person nor shall it be deemed to conflict with the federal Pole Attachment Act. Specifies that these prohibitions become inoperative after December 31, 2027. Defines terms. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Provides that an electric utility in a county with a population of 3,000,000 or more (rather than any electric utility) shall not establish or maintain any unreasonable difference as to rates or other charges, services, contractual terms, or facilities for access to, or the use of, its utility infrastructure by another person or for any other purpose. Provides that nothing in the amendatory Act shall be construed to authorize any electric utility in a county with a population of 3,000,000 or more to consent to, or grant to, any other person by agreement, lease, license, or otherwise, the right to access, occupy, or use any infrastructure, facility, easement, or asset of any kind not owned by the electric utility.

215 ILCS 5/355d new

Amends the Illinois Insurance Code. Provides that no insurer, dental service plan corporation, insurance network leasing company, or any company that amends, delivers, issues, or renews an individual or group policy of accident and health insurance that provides dental insurance on or after the effective date of the amendatory Act shall deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Provides that a dental service contractor shall not recoup a claim solely due to a loss of coverage for a patient or ineligibility if, at the time of treatment, the dental service contractor erroneously confirmed coverage and eligibility, but had sufficient information available to the dental service contractor indicating that the patient was no longer covered or was ineligible for coverage. Prohibits waiver of the provisions by contract.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Adds reference to:

- 215 ILCS 5/355.4
- 215 ILCS 130/4003 from Ch. 73, par. 1504-3
- 215 ILCS 165/10 from Ch. 32, par. 604

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes a change in the definition of "prior authorization". Defines "dental carrier" as an insurer, dental service corporation, insurance network leasing company, or any company that offers individual or group policies of accident and health insurance that provide coverage for dental services. Changes references from "dental service contractor" and "insurer" to "dental carrier". Provides that beginning on the effective date of the amendatory Act, a dental carrier shall not deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Removes language providing that no insurer, dental service plan corporation, insurance network leasing company, or any company that amends, delivers, issues, or renews an individual or group policy of accident and health insurance that provides dental insurance on or after the effective date of the amendatory Act shall deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Further amends the Illinois Insurance Code. In a provision requiring contracting entities to provide notification before any scheduled assignment or lease of the network to which the provider is a contracted provider, requires the notification to provide the specific URL address where the following are located: all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access (instead of the notification including all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access). Requires the notification to provide instructions for how the provider may obtain a copy of those materials. Amends the Limited Health Service Organization Act and Voluntary Health Services Plans Act to make conforming changes.

**SENATE COMMITTEE AMENDMENT NO. 1**

Provides that any contractual agreement entered into or amended, delivered, issued, or renewed on or after the effective date of the amendatory Act that is in conflict with the provisions (instead of any contractual agreement that is in conflict with the provisions) or that purports to waive any requirement of the provisions is null and void.

Amends the Landlord and Tenant Act. Provides that a landlord, lessor, sublessor, or grantor may charge a fee or fees to reimburse costs associated with conducting a background check and credit check if the cumulative fee or fees for such checks are no more than the actual cost of the background check and credit check or \$20, whichever is less. Allows this fee or fees if the potential tenant provides a copy of a background check or credit check conducted within the past 30 days. Prohibits a landlord from imposing a move-in fee that is in excess of the reasonable cost to the landlord of obtaining or providing the product or service for which the fee is imposed. Unless provided by law elsewhere, a landlord may not demand any charge for the processing, reviewing, or accepting of an application, or demand any other payment, fee, or charge before or at the beginning of the tenancy. Exempts entrance fees charged by nursing homes as defined by Nursing Home Care Act or similar institutions. Prohibits a landlord from renaming a fee or charge to avoid application of these provisions. Limits fees

for the late payment of rent in certain situations. Any provision of a lease, rental agreement, contract, or any similar document purporting to waive or limit these provisions is void and unenforceable as against public policy.

765 ILCS 1075/5  
765 ILCS 1075/20  
765 ILCS 1075/30

Amends the Right of Publicity Act. Grants additional enforcement rights and remedies to recording artists. Provides for the liability of any person who materially contributes to, induces, or otherwise facilitates a violation of a specified provision of the Act by another party after having reason to know that the other party is in violation. Defines "artificial intelligence" and "generative artificial intelligence". Changes the definition of "commercial purpose" and "identity".

HOUSE COMMITTEE AMENDMENT NO. 1

In a subsection concerning enforcement of rights and remedies by recording artists, limits reference to "enforcement of rights and remedies" (rather than "exercise and enforcement of rights and remedies").

HOUSE FLOOR AMENDMENT NO. 2

Adds reference to:  
765 ILCS 1075/35

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial Intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

SENATE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause with the engrossed bill, with these changes. Restores the definition of "commercial purpose" to current law. Defines "digital replica" to mean a newly created, electronic representation of the voice, image or likeness of an actual individual created using a computer algorithm, software tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear, and which a reasonable person would believe is the individual's voice, image or likeness of the person being imitated. Defines "service provider" to mean any entity offering broadband services as used in the Broadband Advisory Council Act, a wireless carrier as defined by a specified federal law, or a telecommunications carrier as defined in the Public Utilities Act. Defines "person" to mean a natural or juristic person and a service provider may only constitute a person under this Act if the service provider created the unauthorized digital replica. Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that this liability does not apply to the use of identity or digital replica in the following: (1) news, public affairs, or a sports broadcast or account, or any political campaign; (2) for a purpose that has political, public interest, educational, or newsworthy value, unless use of the audiovisual digital replica is intended to create, and does create, the false impression that the work is an authentic recording in which the individual participated; (3) use of a digital replica to depict the individual in a documentary, docudrama, or historical or biographical audiovisual work, or any other representation of the individual as such individual, regardless of the degree of fictionalization, unless the use of the audiovisual digital replica creates the false impression to a reasonable viewer or listener that the digital replica is an authentic recording or that the individual participated in the work; (4) use of digital replica for the purposes of comment, criticism, scholarship, satire, or parody; or (5) certain promotional materials, advertisements, or commercial announcements for certain use. Provides that the provisions of the amendatory Act do not apply to any action filed before, nor to any action pending on, its effective date.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause with the engrossed bill with these changes, and makes the following changes. Restores the definition of "commercial purpose" to current law. Changes the definitions of "digital replica" and "person". Defines "service provider" and "unauthorized digital replica". Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that this liability does not apply to the use of identity or digital replica in the following: (1) news, public affairs, or a sports broadcast or account, or any political campaign; (2) for a purpose that has political, public interest, educational, or newsworthy value, unless use of the audiovisual digital replica is intended to create, and does create, the false impression that the work is an authentic recording in which the individual participated; (3) use of a digital replica to depict the individual in a documentary, docudrama, or historical or biographical audiovisual work, or any other representation of the individual as such individual, regardless of the degree of fictionalization, unless the use of the audiovisual digital replica creates the false impression to a reasonable viewer or listener that the digital replica is an authentic recording or that the individual participated in the work; (4) use of digital replica for the purposes of comment, criticism, scholarship, satire, or parody; or (5) certain promotional materials, advertisements, or commercial announcements for certain use. Provides that the provisions of the amendatory Act do not apply to any action filed before, nor to any action pending on, its effective date. Makes other changes.

Provides that the Treasurer may receive funds paid into the pool for the purpose of holding and investing those funds. Provides that each State agency shall make available on the Internet, and update at least monthly, no later than the end of each month (rather than by the 15th of the month), sufficient information concerning the investment of any public funds held by that State agency to identify specified information. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the State Treasurer may establish and administer a non-profit investment pool and an electronic payments processing program (rather than a non-profit investment pool). Provides that the Treasurer may receive funds paid into the non-profit investment pool by a not-for-profit corporation that is exempt from taxation under Section 501(c)(3) or 501(c)(12) of the Internal Revenue Code (rather than Section 501(c) of the Internal Revenue Code). Corrects a grammatical error.

FISCAL NOTE (Office of the Treasurer)

The Treasurer’s Office does not anticipate the need for additional staff for the investment pool for 501(c) non-profit organizations. The costs for the investment pool will be paid for entirely by fees. Start-up costs will be absorbed by the existing budget. No dollar amount estimate is possible but is believed to be minimal.
