17 adoption and passage of the resolution, elect or appoint its
18 own school treasurer as provided in Section 8-1 of this Code.
19 Upon the adoption and passage of the resolution and the

8 common school lands, buildings, or sites shall be deemed
9 transferred by operation of law to and shall vest in the school

11 (c) Notwithstanding the provisions of subsection (a), the
12 offices of township treasurer and trustee of schools of any
13 township located in a Class II county school unit shall be
14 abolished as provided in this subsection if all of the
15 following conditions are met:

16 (1) During the same 30 day period, each school board
17 of each elementary and unit school district that is
18 subject to the jurisdiction and authority of the township
19 treasurer and trustees of schools of the township in which
20 those offices are sought to be abolished gives written
21 notice by certified mail, return receipt requested to the
22 township treasurer and trustees of schools of that
23 township of the date of a meeting of the school board, to
24 be held not more than 90 nor less than 60 days after the
25 date when the notice is given, at which meeting the school
26 board is to consider and vote upon the question of whether

1 there shall be submitted to the electors of the school
2 district a proposition to abolish the offices of township
3 treasurer and trustee of schools of that township. None of
4 the notices given under this paragraph to the township
5 treasurer and trustees of schools of a township shall be
6 deemed sufficient or in compliance with the requirements
7 of this paragraph unless all of those notices are given
8 within the same 30 day period.

9 (2) Each school board of each elementary and unit
10 school district that is subject to the jurisdiction and
11 authority of the township treasurer and trustees of
12 schools of the township in which those offices are sought
13 to be abolished, by the affirmative vote of at least 5
14 members of the school board at a school board meeting of
15 which notice is given as required by paragraph (1) of this
16 subsection, adopts a resolution requiring the secretary of
17 the school board to certify to the proper election
18 authorities for submission to the electors of the school
19 district at the next consolidated election in accordance
20 with the general election law a proposition to abolish the
21 offices of township treasurer and trustee of schools of
22 that township. None of the resolutions adopted under this
23 paragraph by any elementary or unit school districts that
24 are subject to the jurisdiction and authority of the
25 township treasurer and trustees of schools of the township
26 in which those offices are sought to be abolished shall be

1 deemed in compliance with the requirements of this
 2 paragraph or sufficient to authorize submission of the
 3 proposition to abolish those offices to a referendum of
 4 the electors in any such school district unless all of the
 5 school boards of all of the elementary and unit school
 6 districts that are subject to the jurisdiction and
 7 authority of the township treasurer and trustees of
 8 schools of that township adopt such a resolution in
 9 accordance with the provisions of this paragraph.

10 (3) The school boards of all of the elementary and
 11 unit school districts that are subject to the jurisdiction
 12 and authority of the township treasurer and trustees of
 13 schools of the township in which those offices are sought
 14 to be abolished submit a proposition to abolish the
 15 offices of township treasurer and trustee of schools of
 16 that township to the electors of their respective school
 17 districts at the same consolidated election in accordance
 18 with the general election law, the ballot in each such
 19 district to be in substantially the following form:

20 -----
 21 OFFICIAL BALLOT
 22 Shall the offices of township
 23 treasurer and YES
 24 trustee of -----
 25 schools of Township NO
 26 Range be abolished?

1 -----
2 (4) At the consolidated election at which the
3 proposition to abolish the offices of township treasurer
4 and trustee of schools of a township is submitted to the
5 electors of each elementary and unit school district that
6 is subject to the jurisdiction and authority of the
7 township treasurer and trustee of schools of that
8 township, a majority of the electors voting on the
9 proposition in each such elementary and unit school
10 district votes in favor of the proposition as submitted to
11 them.

12 If in each elementary and unit school district that is
13 subject to the jurisdiction and authority of the township
14 treasurer and trustees of schools of the township in which
15 those offices are sought to be abolished a majority of the
16 electors in each such district voting at the consolidated
17 election on the proposition to abolish the offices of township
18 treasurer and trustee of schools of that township votes in
19 favor of the proposition as submitted to them, the proposition
20 shall be deemed to have passed; but if in any such elementary
21 or unit school district a majority of the electors voting on
22 that proposition in that district fails to vote in favor of the
23 proposition as submitted to them, then notwithstanding the
24 vote of the electors in any other such elementary or unit
25 school district on that proposition the proposition shall not
26 be deemed to have passed in any of those elementary or unit

1 school districts, and the offices of township treasurer and
2 trustee of schools of the township in which those offices were
3 sought to be abolished shall not be abolished, unless in each
4 of those elementary and unit school districts remaining
5 subject to the jurisdiction and authority of the township
6 treasurer and trustees of schools of that township proceedings
7 are again initiated to abolish those offices and all of the
8 proceedings and conditions prescribed in paragraphs (1)
9 through (4) of this subsection are repeated and met in each of
10 those elementary and unit school districts.

11 Notwithstanding the foregoing provisions of this Section
12 or any other provision of the School Code, the offices of
13 township treasurer and trustee of schools of a township that
14 has a population of less than 200,000 and that contains a unit
15 school district and is located in a Class II county school unit
16 shall also be abolished as provided in this subsection if all
17 of the conditions set forth in paragraphs (1), (2), and (3) of
18 this subsection are met and if the following additional
19 condition is met:

20 The electors in all of the school districts subject to
21 the jurisdiction and authority of the township treasurer
22 and trustees of schools of the township in which those
23 offices are sought to be abolished shall vote at the
24 consolidated election on the proposition to abolish the
25 offices of township treasurer and trustee of schools of
26 that township. If a majority of the electors in all of the

1 school districts combined voting on the proposition vote
2 in favor of the proposition, then the proposition shall be
3 deemed to have passed; but if a majority of the electors
4 voting on the proposition in all of the school district
5 fails to vote in favor of the proposition as submitted to
6 them, then the proposition shall not be deemed to have
7 passed and the offices of township treasurer and trustee
8 of schools of the township in which those offices were
9 sought to be abolished shall not be abolished, unless and
10 until the proceedings detailed in paragraphs (1) through
11 (3) of this subsection and the conditions set forth in
12 this paragraph are met.

13 If the proposition to abolish the offices of township
14 treasurer and trustee of schools of a township is deemed to
15 have passed at the consolidated election as provided in this
16 subsection, those offices shall be deemed abolished by
17 operation of law effective on January 1 of the calendar year
18 immediately following the calendar year in which that
19 consolidated election is held, provided that if after the
20 election, the trustees of schools by resolution elect to
21 abolish the offices of township treasurer and trustee of
22 schools effective on July 1 immediately following the
23 election, then the offices shall be abolished on July 1
24 immediately following the election. On the date that the
25 offices of township treasurer and trustee of schools of a
26 township are deemed abolished by operation of law, the school

1 board of each elementary and unit school district and the
2 school board of each high school district that is subject to
3 the jurisdiction and authority of the township treasurer and
4 trustees of schools of that township at the time those offices
5 are abolished: (i) shall appoint its own school treasurer as
6 provided in Section 8-1; and (ii) unless the term of the
7 contract of a township treasurer expires on the date that the
8 office of township treasurer is abolished, shall pay to the
9 former township treasurer its proportionate share of any
10 aggregate compensation that, were the office of township
11 treasurer not abolished at that time, would have been payable
12 to the former township treasurer after that date over the
13 remainder of the term of the contract of the former township
14 treasurer that began prior to but ends after that date. In
15 addition, on the date that the offices of township treasurer
16 and trustee of schools of a township are deemed abolished as
17 provided in this subsection, the school board of each
18 elementary school, high school and unit school district that
19 until that date is subject to the jurisdiction and authority
20 of the township treasurer and trustees of schools of that
21 township shall be deemed by operation of law to have agreed and
22 assumed to pay and, when determined, shall pay to the Illinois
23 Municipal Retirement Fund a proportionate share of the
24 unfunded liability existing in that Fund at the time these
25 offices are abolished in that calendar year for all annuities
26 or other benefits then or thereafter to become payable from

1 that Fund with respect to all periods of service performed
2 prior to that date as a participating employee in that Fund by
3 persons serving during those periods of service as a trustee
4 of schools, township treasurer or regular employee in the
5 office of the township treasurer of that township. That
6 unfunded liability shall be actuarially determined by the
7 board of trustees of the Illinois Municipal Retirement Fund,
8 and the board of trustees shall thereupon notify each school
9 board required to pay a proportionate share of that unfunded
10 liability of the aggregate amount of the unfunded liability so
11 determined. The amount so paid to the Illinois Municipal
12 Retirement Fund by each of those school districts shall be
13 credited to the account of the township in that Fund. For each
14 elementary school, high school and unit school district under
15 the jurisdiction and authority of a township treasurer and
16 trustees of schools of a township in which those offices are
17 abolished as provided in this subsection, each such district's
18 proportionate share of the aggregate compensation payable to
19 the former township treasurer as provided in this paragraph
20 and each such district's proportionate share of the aggregate
21 amount of the unfunded liability payable to the Illinois
22 Municipal Retirement Fund as provided in this paragraph shall
23 be computed in accordance with the ratio that the number of
24 pupils in average daily attendance in each such district for
25 the school year last ending prior to the date on which the
26 offices of township treasurer and trustee of schools of that

1 township are abolished bears to the aggregate number of pupils
2 in average daily attendance in all of those districts as so
3 reported for that school year.

4 Upon abolition of the offices of township treasurer and
5 trustee of schools of a township as provided in this
6 subsection: (i) the regional board of school trustees, in its
7 corporate capacity, shall be deemed the successor in interest
8 to the former trustees of schools of that township with
9 respect to the common school lands and township loanable funds
10 of the township; (ii) all right, title and interest existing
11 or vested in the former trustees of schools of that township in
12 the common school lands and township loanable funds of the
13 township, and all records, moneys, securities and other
14 assets, rights of property and causes of action pertaining to
15 or constituting a part of those common school lands or
16 township loanable funds, shall be transferred to and deemed
17 vested by operation of law in the regional board of school
18 trustees, which shall hold legal title to, manage and operate
19 all common school lands and township loanable funds of the
20 township, receive the rents, issues and profits therefrom, and
21 have and exercise with respect thereto the same powers and
22 duties as are provided by this Code to be exercised by regional
23 boards of school trustees when acting as township land
24 commissioners in counties having at least 220,000 but fewer
25 than 2,000,000 inhabitants; (iii) the regional board of school
26 trustees shall select to serve as its treasurer with respect

1 to the common school lands and township loanable funds of the
2 township a person from time to time also serving as the
3 appointed school treasurer of any school district that was
4 subject to the jurisdiction and authority of the township
5 treasurer and trustees of schools of that township at the time
6 those offices were abolished, and the person selected to also
7 serve as treasurer of the regional board of school trustees
8 shall have his compensation for services in that capacity
9 fixed by the regional board of school trustees, to be paid from
10 the township loanable funds, and shall make to the regional
11 board of school trustees the reports required to be made by
12 treasurers of township land commissioners, give bond as
13 required by treasurers of township land commissioners, and
14 perform the duties and exercise the powers of treasurers of
15 township land commissioners; (iv) the regional board of school
16 trustees shall designate in the manner provided by Section
17 8-7, insofar as applicable, a depository for its treasurer,
18 and the proceeds of all rents, issues and profits from the
19 common school lands and township loanable funds of that
20 township shall be deposited and held in the account maintained
21 for those purposes with that depository and shall be expended
22 and distributed therefrom as provided in Section 15-24 and
23 other applicable provisions of this Code; and (v) whenever
24 there is vested in the trustees of schools of a township at the
25 time that office is abolished under this subsection the legal
26 title to any school buildings or school sites used or occupied

1 for school purposes by any elementary school, high school or
2 unit school district subject to the jurisdiction and authority
3 of those trustees of school at the time that office is
4 abolished, the legal title to those school buildings and
5 school sites shall be deemed transferred by operation of law
6 to and invested in the school board of that school district, in
7 its corporate capacity under Section 10-22.35B of this Code,
8 the same to be held, sold, exchanged leased or otherwise
9 transferred in accordance with applicable provisions of this
10 Code.

11 Notwithstanding Section 2-3.25g of this Code, a waiver of
12 a mandate established under this Section may not be requested.

13 (d) Notwithstanding any other provision of law, any school
14 district that forms a part of a Class II county school unit
15 may, by a resolution adopted by at least two-thirds of the
16 members of the school board of a school district, withdraw a
17 school district from the jurisdiction and authority of the
18 trustees of schools of the township in which such school
19 district is located and from the jurisdiction and authority of
20 the township treasurer of the township in which such school
21 district is located, provided that the school board of the
22 school district shall, upon the adoption and passage of such
23 resolution, thereupon elect or appoint its own school
24 treasurer as provided in Section 8-1 of this Code. The
25 appointed school treasurer may include a township treasurer.
26 The school board may enter into a contractual or

1 intergovernmental agreement with an appointed school treasurer
2 for school treasurer services.

3 Upon adoption and passage of the resolution and the
4 election or appointment by the school board of its own school
5 treasurer commencing with the first day of the succeeding
6 fiscal year, but not prior to July 1, 2025: (1) the trustees of
7 schools in the township or townships shall no longer have or
8 exercise any powers or duties with respect to the school
9 district or with respect to the school business, operations,
10 or assets of the school district; (2) all books and records of
11 the trustees of schools and all moneys, securities, loanable
12 funds, and other assets relating to the school business and
13 affairs of the school district shall be transferred and
14 delivered to the school board; and (3) all legal title to and
15 all right, title, and interest formerly held by the trustees
16 of schools in any common school lands, school buildings, or
17 school sites used and occupied by the school board and all
18 rights of property and causes of action pertaining to or
19 constituting a part of the common school lands, buildings, or
20 sites shall be deemed transferred by operation of law to and
21 shall vest in the school board.

5 School District 107 shall collectively appoint one school
6 board member as a trustee through a nomination process and
7 by a majority vote or by consensus among the school

11 term of the trustee expires, the school boards shall
12 appoint a successor trustee pursuant to this paragraph
13 (2).

14 (3) Each year, among the school board presidents of
15 the school districts within the township, one school board

11 Article persons who are qualified to vote in school elections
12 shall be eligible to vote for the trustees of schools who have
13 jurisdiction over the elementary school district or unit

17 reside because the elementary or unit school district crosses
18 township boundaries and has been assigned to the jurisdiction
19 of the trustees of an adjoining township, that elector shall

21 within which he resides. Moreover, an elector who resides in a
22 high school district that crosses township boundaries and has

25 trustees of the township in which he or she resides and the

15 school directors of each of the elementary and high school
16 districts that are subject to the jurisdiction of Township 36
17 North, Range 13 East shall appoint one of the members to serve
18 as trustee of schools. The trustees of schools shall be

1 of the board of education or board of school directors
2 appointing them, but in no event longer than 2 years unless

8 succeeded by election. Each school board of each school
9 district that is a part of a Class II county school unit shall
10 appoint one member of the school board or one school employee
11 to serve as trustee of schools of the township in which such

17 after the effective date of this amendatory Act of the 103rd
18 General Assembly, whichever is sooner. A trustee of schools
19 shall serve at the pleasure of the school board that appointed

21 schools for longer than 2 years unless reappointed by the
22 school board.

23 A majority of members of the trustees of schools shall
24 constitute a quorum for the transaction of business. The
25 trustees shall organize by appointing one of their number
26 president, who shall hold the office for 2 years. If the

1 president is absent from any meeting, or refuses to perform
2 any of the duties of the office, a president pro-tempore may be
3 appointed. Trustees who serve on the board as a result of
4 appointment or election at the time of the reorganization
5 shall continue to serve as a member of the trustees of schools,
6 with no greater or lesser authority than any other trustee,
7 until such time as their elected term expires.

10 indemnification and protection against claims and suits by the
11 board that appointed that trustee of schools for acts or
12 omissions as a trustee of schools in the same manner and to the
13 same extent as the trustee of schools is entitled to
14 indemnification and protection for acts or omissions as a
15 member of the board of education or board of school directors
16 under Section 10-20.20 of this Code.

23 to the jurisdiction of the trustees of schools of that
24 township, no 2 trustees shall reside, when elected, in the
25 same school district; except that in townships in which at

3 that township, this restriction shall not apply. No person

18 of trustees of schools shall be held at the same time.

19 No person shall be nominated for the office of trustee of
20 schools, in townships containing 20,000 inhabitants or over,
21 except by petition signed by at least 5% or 500 of the voters
22 of the school township in which the person is seeking
23 nomination and election who last cast votes in the most recent
24 election, whichever is less, filed with the township

23 Sec. 8-1. Treasurers.

24 (a) Except as otherwise provided in subsections (b) and

1 (c), in Class II county school units the trustees of schools
2 shall appoint a treasurer who shall be ex-officio clerk of the
3 board. The term of the township treasurer shall be for a 2 year
4 period beginning and ending on the first of July. The
5 treasurer shall ~~be a resident of the township, but~~ not be a
6 trustee, or school board member. He shall attend all meetings
7 and keep a record of the official proceedings of the trustees
8 of schools. Such record shall be open to public inspection.
9 All proceedings, when recorded, shall be signed by the
10 president and the clerk. If the clerk is absent, or refuses to
11 perform any of his duties, a clerk pro tempore may be
12 appointed. For sufficient cause the treasurer may be removed
13 from office by the trustees of schools. In case of a vacancy
14 the trustees of schools shall elect a treasurer for the
15 unexpired term.

16 (b) In Class I county school units, and in each school
17 district which forms a part of a Class II county school unit
18 but which has withdrawn from the jurisdiction and authority of
19 the trustees of schools of the township in which such school
20 district is located and from the jurisdiction and authority of
21 the township treasurer in such Class II county school unit as
22 provided in subsection (b) of Section 5-1, each school board
23 shall either elect one of its members to serve as treasurer
24 without salary for a period of one year or appoint someone, not
25 a member of the school board, as its treasurer, and, except as
26 provided in this Section the board shall fix his compensation.

1 An appointed treasurer shall serve at the pleasure of the
2 board. An appointed treasurer shall be at least 21 years of
3 age, of approved integrity, but not a member of the county
4 board of school trustees. The records of the treasurer shall
5 be open to public inspection. Two or more such districts may
6 appoint the same treasurer. In case of a vacancy caused by the
7 death, resignation or the removal from office of the school
8 treasurer the school board shall appoint a treasurer. The
9 school board may determine the temporary incapacity of its
10 treasurer occasioned by illness, absence from the district or
11 any other cause which prevents the prompt performance of his
12 duties and appoint an acting treasurer to serve until the
13 board determines such temporary incapacity no longer exists.

14 (c) The school board of each elementary school, high
15 school and unit school district that forms a part of a Class II
16 county school unit and that was under the jurisdiction and
17 authority of the township treasurer and trustees of schools of
18 a township at the time those offices were abolished in that
19 township as provided in subsection (c) of Section 5-1 shall
20 appoint a person to serve as treasurer of the school board. The
21 term of each school treasurer appointed under this subsection
22 shall be for a 2 year period beginning and ending on the first
23 day of July. A person appointed under this subsection to serve
24 as treasurer of a school board shall not be the superintendent
25 of schools of the school district. A person appointed and
26 serving under this subsection as treasurer of a school board

1 may concurrently serve as the treasurer of the regional board
2 of school trustees, if selected to serve in that capacity by
3 the regional board of school trustees, as provided in
4 subsection (c) of Section 5-1. The school board shall fix the
5 compensation of its school treasurer, and for sufficient cause
6 may remove the school treasurer from office. However, if a
7 member of the school board is also school treasurer, he or she
8 shall perform his or her duties as school treasurer without
9 compensation. In the case of a vacancy, the school board shall
10 appoint a school treasurer for the unexpired term. The school
11 board may determine the temporary incapacity of its treasurer
12 due to illness, absence from the district, or other cause that
13 prevents the prompt performance of his duties and may appoint
14 an acting treasurer to serve until the school board determines
15 that the temporary incapacity of its treasurer no longer
16 exists.

17 (d) After October 1, 1977, each treasurer in a Class I
18 county school unit appointed under this Section for his first
19 term shall have a financial background or related experience
20 or 12 semester hours of credit of college level accounting.

21 (e) After August 14, 1989, any treasurer appointed under
22 this Section for his first term in Class II county school
23 units, including any person appointed by a school board to
24 serve as its treasurer as provided in subsection (c) of this
25 Section, shall be a certified public accountant or a certified
26 chief school business official as defined in part (3) of

1 Section 21-7.3 of this Act. Experience as a township treasurer
2 in a Class II county school unit prior to July 1, 1989 shall be
3 deemed the equivalent of certification.

4 (f) Concurrently with the election or appointment of its
5 own school treasurer by the school board of a school district
6 which forms a part of a Class II county school unit but which
7 no longer is subject to the jurisdiction and authority of a
8 township treasurer or trustees of schools of a township
9 because the district has withdrawn from the jurisdiction and
10 authority of the township treasurer and trustees of schools of
11 the township or because those offices have been abolished as
12 provided in subsection (b) or (c) of Section 5-1, all funds,
13 accounts, moneys, notes, bonds, mortgages and effects then
14 held by such township treasurer on behalf or for the use and
15 benefit of, or then credited by such township treasurer to any
16 fund or account of such school district shall thereupon be
17 transferred and paid over by such township treasurer to the
18 school treasurer elected or appointed by the school board of
19 such school district. In addition the school treasurer of such
20 school district shall have the right, at all reasonable times,
21 to inspect all cash books, loan books, district account books
22 and journals kept by such township treasurer as provided in
23 Section 8-5 and to copy or otherwise reproduce such portions
24 thereof as such school treasurer deems necessary for the
25 performance of his duties.

26 (g) Upon the abolition of the offices of the township

1 treasurer and trustee of schools of a township as provided in
2 subsection (c) of Section 5-1, and subject to the limitation
3 of subsection (b) of Section 8-5 with respect to certain
4 records to be surrendered to the regional board of school
5 trustees, and except as otherwise provided in subsection (c)
6 of Section 5-1 with respect to the common school lands and
7 township loanable funds of that township and with respect to
8 the records, books and accounts relating to those common
9 school lands and township loanable funds, all school funds and
10 accounts, moneys, notes, bonds, securities, district account
11 books and other documents, records and effects then held by
12 the former township treasurer on behalf or for the use and
13 benefit of, or then credited by the former township treasurer
14 to any fund or account of any school district that was under
15 the jurisdiction and authority of the township treasurer at
16 the time the office of that township treasurer was abolished
17 shall thereupon be transferred and paid over by the former
18 township treasurer to the appropriate school treasurer
19 appointed by the school board of each such district under
20 subsection (c) of this Section 8-1.

21 (h) If the school district of a school treasurer elected
22 or appointed under this Section is receiving emergency State
23 financial assistance under Article 1B, that school treasurer
24 is subject to the provisions of Article 1B.
