18 that are distinguished by whether a
19 veterinarian-client-patient relationship has been
20 established, including:

16 patient's condition electronically, the assessor determines
17 urgency and the need for immediate referral to a veterinarian
18 based on the owner's or responsible party's report of history
19 and clinical signs, which is sometimes supplemented by visual
20 information, such as photographs or video. During teletriage,
21 a diagnosis is not rendered.

22 "Therapeutic" means the treatment, control, and prevention
23 of disease.

24 "Veterinarian" means a person who is validly and currently
25 licensed to practice veterinary medicine in this State.

3 for making clinical judgments regarding the health of an
4 animal and the need for medical treatment and the client,
5 owner, or other caretaker has agreed to follow the
6 instructions of the veterinarian;

7 (2) There is sufficient knowledge of an animal by the
8 veterinarian to initiate at least a general or preliminary
9 diagnosis of the medical condition of the animal. This
10 means that the veterinarian has recently seen and is
11 personally acquainted with the keeping and care of the
12 animal by virtue of an examination of the animal or by
13 medically appropriate and timely visits to the premises
14 where the animal is kept, or the veterinarian has access
15 to the ~~animal~~ patient's records and has been designated by
16 the veterinarian with the prior relationship to provide
17 reasonable and appropriate medical care if the
18 veterinarian with the prior relationship ~~he or she~~ is
19 unavailable; and

20 (3) The practicing veterinarian is readily available
21 for follow-up in case of adverse reactions or failure of
22 the treatment regimen or, if unavailable, has designated
23 another available veterinarian who has access to the
24 ~~animal~~ patient's records to provide reasonable and
25 appropriate medical care.

26 "Veterinarian-client-patient relationship" does not mean a

1 relationship solely based on telephonic or other electronic
2 communications.

3 "Veterinary medicine" means all branches and specialties
4 included within the practice of veterinary medicine.

5 "Veterinary premises" means any premises or facility where
6 the practice of veterinary medicine occurs, including, but not

13 restricted to use by or on the order of a licensed veterinarian

22 veterinarian to perform duties that require an understanding
23 of veterinary medicine necessary to carry out the orders of
24 the veterinarian. Those services, however, shall not include
25 diagnosing, prognosing, writing prescriptions, or surgery.

5 deemed necessary to complete any examination or evaluation
6 process, including, but not limited to, blood testing,
7 urinalysis, psychological testing, or neuropsychological
8 testing.

9 The Department may order the examining physician or any
10 member of the multidisciplinary team to provide to the
11 Department any and all records, including business records,
12 that relate to the examination and evaluation, including any

21 common law or statutory privilege relating to communication
22 between the licensee or applicant and the examining physician
23 or any member of the multidisciplinary team. No authorization
24 is necessary from the registrant or applicant ordered to
25 undergo an evaluation and examination for the examining
26 physician or any member of the multidisciplinary team to

1 provide information, reports, records, or other documents or
2 to provide any testimony regarding the examination and
3 evaluation. The individual to be examined may have, at his or
4 her own expense, another physician of his or her choice
5 present during all aspects of the examination.

6 Failure of any individual to submit to mental or physical
7 examination or evaluation, or both, when directed, shall
8 result in an automatic suspension without hearing, until such
9 time as the individual submits to the examination. If the
10 Department finds a registrant unable to practice because of
11 the reasons set forth in this Section, the Department shall
12 require such registrant to submit to care, counseling, or
13 treatment by physicians approved or designated by the
14 Department as a condition for continued, reinstated, or
15 renewed registration.

16 In instances in which the Secretary immediately suspends a
17 registration under this Section, a hearing upon such person's
18 registration must be convened by the Department within 15 days
19 after such suspension and completed without appreciable delay.
20 The Department shall have the authority to review the
21 registrant's record of treatment and counseling regarding the
22 impairment to the extent permitted by applicable federal
23 statutes and regulations safeguarding the confidentiality of
24 medical records.

25 Individuals registered under this Act who are affected
26 under this Section, shall be afforded an opportunity to

1 demonstrate to the Department that they can resume practice in
2 compliance with acceptable and prevailing standards under the
3 provisions of their registration.

5 7. In cases where the Department of Healthcare and Family
6 Services has previously determined a licensee or a potential
7 licensee is more than 30 days delinquent in the payment of
8 child support and has subsequently certified the delinquency
9 to the Department, the Department may refuse to issue or renew
10 or may revoke or suspend that person's license or may take
11 other disciplinary action against that person based solely
12 upon the certification of delinquency made by the Department
13 of Healthcare and Family Services in accordance with paragraph
14 (5) of subsection (a) of Section 2105-15 of the Civil
15 Administrative Code of Illinois.

22 certificate. The Department shall, before refusing to issue,
23 to renew or discipline a license or certificate under Section
24 25, at least 30 days prior to the date set for the hearing,
25 notify the applicant or licensee in writing of the nature of

1 the charges and the time and place for a hearing on the
2 charges. The Department shall direct the applicant,
3 certificate holder, or licensee to file a written answer to
4 the charges with the Board under oath within 20 days after the
5 service of the notice and inform the applicant, certificate
6 holder, or licensee that failure to file an answer will result
7 in default being taken against the applicant, certificate
8 holder, or licensee. At the time and place fixed in the notice,
9 the Department shall proceed to hear the charges and the
10 parties or their counsel shall be accorded ample opportunity
11 to present any pertinent statements, testimony, evidence, and
12 arguments. The Department may continue the hearing from time
13 to time. In case the person, after receiving the notice, fails
14 to file an answer, his or her license may, in the discretion of
15 the Department, be revoked, suspended, placed on probationary
16 status, or the Department may take whatever disciplinary
17 action considered proper, including limiting the scope,
18 nature, or extent of the person's practice or the imposition
19 of a fine, without a hearing, if the act or acts charged
20 constitute sufficient grounds for that action under the Act.
21 The written notice and any notice in the subsequent proceeding
22 may be served by regular ~~registered or certified~~ mail to the
23 licensee's address or electronically to the licensee's email
24 address of record.

7 person violated this Act or failed to comply with the
8 conditions required in this Act. The Board shall specify the
9 nature of the violation or failure to comply, and shall make
10 its recommendations to the Secretary.

11 The report of findings of fact, conclusions of law and

15 for the granting of a license, certificate, or permit. If the
16 Secretary disagrees in any regard with the report of the
17 Board, then the Secretary may issue an order in contravention
18 thereof. The finding is not admissible in evidence against the
19 person in a criminal prosecution brought for the violation of
