15 on day care home premises, except handguns in the
16 possession of peace officers, shall be kept in a

22 (b) If, in a facility for general child care, there are
23 children diagnosed as mentally ill or children diagnosed as
24 having an intellectual or physical disability, who are

26 nursing care, or both mental treatment and nursing care, the

1 Department shall seek the advice and recommendation of the
2 Department of Human Services, the Department of Public Health,
3 or both Departments regarding the residential treatment and
4 nursing care provided by the institution.

5 (c) The Department shall investigate any person applying
6 to be licensed as a foster parent to determine whether there is
7 any evidence of current drug or alcohol abuse in the
8 prospective foster family. The Department shall not license a
9 person as a foster parent if drug or alcohol abuse has been
10 identified in the foster family or if a reasonable suspicion
11 of such abuse exists, except that the Department may grant a
12 foster parent license to an applicant identified with an
13 alcohol or drug problem if the applicant has successfully
14 participated in an alcohol or drug treatment program,
15 self-help group, or other suitable activities and if the
16 Department determines that the foster family home can provide
17 a safe, appropriate environment and meet the physical and
18 emotional needs of children.

19 (d) The Department, in applying standards prescribed and
20 published, as herein provided, shall offer consultation
21 through employed staff or other qualified persons to assist
22 applicants and licensees in meeting and maintaining minimum
23 requirements for a license and to help them otherwise to
24 achieve programs of excellence related to the care of children
25 served. Such consultation shall include providing information
26 concerning education and training in early childhood

1 development to providers of day care home services. The
2 Department may provide or arrange for such education and
3 training for those providers who request such assistance.

4 (e) The Department shall distribute copies of licensing
5 standards to all licensees and applicants for a license. Each
6 licensee or holder of a permit shall distribute copies of the
7 appropriate licensing standards and any other information
8 required by the Department to child care facilities under its
9 supervision. Each licensee or holder of a permit shall
10 maintain appropriate documentation of the distribution of the
11 standards. Such documentation shall be part of the records of
12 the facility and subject to inspection by authorized
13 representatives of the Department.

14 (f) The Department shall prepare summaries of day care
15 licensing standards. Each licensee or holder of a permit for a
16 day care facility shall distribute a copy of the appropriate
17 summary and any other information required by the Department,
18 to the legal guardian of each child cared for in that facility
19 at the time when the child is enrolled or initially placed in
20 the facility. The licensee or holder of a permit for a day care
21 facility shall secure appropriate documentation of the
22 distribution of the summary and brochure. Such documentation
23 shall be a part of the records of the facility and subject to
24 inspection by an authorized representative of the Department.

25 (g) The Department shall distribute to each licensee and
26 holder of a permit copies of the licensing or permit standards

1 applicable to such person's facility. Each licensee or holder
2 of a permit shall make available by posting at all times in a
3 common or otherwise accessible area a complete and current set
4 of licensing standards in order that all employees of the
5 facility may have unrestricted access to such standards. All
6 employees of the facility shall have reviewed the standards
7 and any subsequent changes. Each licensee or holder of a
8 permit shall maintain appropriate documentation of the current
9 review of licensing standards by all employees. Such records
10 shall be part of the records of the facility and subject to
11 inspection by authorized representatives of the Department.

12 (h) Any standards involving physical examinations,
13 immunization, or medical treatment shall include appropriate
14 exemptions for children whose parents object thereto on the
15 grounds that they conflict with the tenets and practices of a
16 recognized church or religious organization, of which the
17 parent is an adherent or member, and for children who should
18 not be subjected to immunization for clinical reasons.

19 (i) The Department, in cooperation with the Department of
20 Public Health, shall work to increase immunization awareness
21 and participation among parents of children enrolled in day
22 care centers and day care homes by publishing on the
23 Department's website information about the benefits of
24 immunization against vaccine preventable diseases, including
25 influenza and pertussis. The information for vaccine
26 preventable diseases shall include the incidence and severity

1 of the diseases, the availability of vaccines, and the
2 importance of immunizing children and persons who frequently
3 have close contact with children. The website content shall be
4 reviewed annually in collaboration with the Department of
5 Public Health to reflect the most current recommendations of
6 the Advisory Committee on Immunization Practices (ACIP). The
7 Department shall work with day care centers and day care homes
8 licensed under this Act to ensure that the information is
9 annually distributed to parents in August or September.

10 (j) Any standard adopted by the Department that requires
11 an applicant for a license to operate a day care home to
12 include a copy of a high school diploma or equivalent
13 certificate with his or her application shall be deemed to be
14 satisfied if the applicant includes a copy of a high school
15 diploma or equivalent certificate or a copy of a degree from an
16 accredited institution of higher education or vocational
17 institution or equivalent certificate.

18 (k) As soon as practical after the effective date of this
19 amendatory Act of the 103rd General Assembly, the Department
20 shall amend its rules establishing licensing standards for
21 group day care homes to revise the maximum authorized extended
22 capacity of group day care homes. The revised maximum extended
23 capacity rules adopted by the Department in its amended rules
24 shall, at a minimum, allow one caregiver and 2 full-time
25 assistants for 2 additional children who are 30 months of age
26 and older, as well as 2 additional children who are attending

1 school full-time, notwithstanding any other provision of this
2 Act. The revised rules shall also provide that the second
3 full-time assistant shall be present at all times when there
4 are more than 12 children in the home and shall prohibit the
5 total capacity of the group day care home from exceeding 16
6 children.
