LRB103 31026 CES 71929 a

1 AMENDMENT TO HOUSE BILL 3886

2 AMENDMENT NO. _____. Amend House Bill 3886 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Department of Public Health Powers and
5 Duties Law of the Civil Administrative Code of Illinois is
6 amended by adding Section 2310-257 as follows:

7 (20 ILCS 2310/2310-257 new)

8 Sec. 2310-257. Crisis standards of care plan.

9 (a) The Department shall develop and implement a crisis
10 standards of care plan as an annex to the Department of Public
11 Health's Essential Support Function (ESF-8) Plan for Public
12 Health and Medical Services, to assist health care facilities
13 and provide support in situations in which local medical
14 resources are overwhelmed, including, but not limited to,
15 public health emergencies, as that term is defined in Section
16 4 of the Illinois Emergency Management Agency Act.

1 (b) In developing a crisis standards of care plan, the
2 Department shall:

3 (1) collaborate with the entities listed in Sections
4 2310-50.5 and 2310-620 of the Department of Public Health
5 Powers and Duties Law of the Civil Administrative Code of
6 Illinois;

7 (2) ensure the crisis standards of care plan addresses
8 situations in which a conventional response moves to a
9 crisis response and key resources may be affected;

10 (3) establish a multi-disciplinary planning committee
11 with representation from the following, as applicable:

12 (A) the Department and local public health
13 agencies;

14 (B) emergency medical services;

15 (C) healthcare providers and facilities, including
16 representation of rural, urban, and critical access
17 and municipal healthcare providers and facilities;

18 (D) medical ethicists;

19 (E) healthcare coalitions, including, but not
20 limited to, a statewide association representing
21 hospitals; and

22 (F) other members from across the State with
23 expertise within their disciplines, as necessary, to
24 inform and develop an emergency medical disaster plan;

25 (4) conduct literature reviews to develop an
26 inclusive, culturally sensitive, and ethical framework for

1 the Emergency Medical Disaster Plan Crisis Standards of
2 Care Annex, which considers, among other factors, ethical
3 healthcare decision making, health equity, and social
4 determinants of health, and the equitable distribution of
5 patients and critical healthcare resources in a manner
6 that, to the maximum extent possible and given resources
7 available at the time, reduces shortages of healthcare
8 resources to preserve lives during a public health
9 emergency; and

10 (5) disseminate the crisis standards of care plan
11 among healthcare providers and facilities, emergency
12 management officials, public safety communities, and other
13 stakeholders, including, but not limited to, disseminating
14 information about, and gathering feedback on, the
15 emergency medical disaster plan, including gathering
16 general information and data, assessing regional needs,
17 perspectives, specific capabilities and potential
18 challenges, to ensure a structured, ethical, culturally
19 sensitive, and integrated framework and approach to
20 equitable distribution of resources during public health
21 emergencies.

22 (c) The Department may adopt rules necessary to implement
23 this Section.

24 Section 99. Effective date. This Act takes effect upon
25 becoming law."
