1 AMENDMENT TO HOUSE BILL 4475

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 4475, AS AMENDED,  
3 by replacing everything after the enacting clause with the  
4 following:

5 "Section 1. This Act may be referred to as the  
6 Strengthening Mental Health and Substance Use Parity Act.

7 Section 2. Purpose. The purpose of this Act is to improve  
8 mental health and substance use parity, specifically  
9 addressing network adequacy and nonquantitative treatment  
10 limitations that restrict access to care.

11 Section 3. Findings. The General Assembly finds that:

12 (1) A 2021 U.S. Surgeon General Advisory, Protecting Youth  
13 Mental Health, reported the COVID-19 pandemic's devastating  
14 impact on youth and family mental health:

15 (A) One in 3 high school students reported persistent

1 feelings of hopelessness and sadness in 2019.

2 (B) Rates of depression and anxiety for youth doubled  
3 during the pandemic.

4 (C) Black children under 13 are nearly twice as likely  
5 to die by suicide than white children.

6 (2) According to a bipartisan U.S. Senate Finance  
7 Committee report on Mental Health Care in the United States,  
8 symptoms for depression and anxiety in adults increased nearly  
9 four-fold during the pandemic.

10 (3) In 2020, 2,944 Illinoisans lost their lives to an  
11 opioid overdose according to the Illinois Department of Public  
12 Health.

13 (4) Discriminatory commercial insurance practices that do  
14 not live up to the federal Mental Health Parity and Addiction  
15 Equity Act (MHPAEA) and Illinois' parity laws, specifically  
16 regarding insurance network adequacy, severely limit access to  
17 care.

18 (5) Commercial insurance practices disincentivize mental  
19 health and substance use treatment providers from  
20 participating in insurance networks by erecting significant  
21 administrative barriers and by reimbursing providers far below  
22 the reimbursement of other health care providers despite a  
23 behavioral health workforce crisis.

24 (A) Such practices lead to restrictive, narrow  
25 insurance networks that restrict access care.

26 (B) 26% of psychiatrists do not participate in

1 insurance networks, according to a report in JAMA  
2 Psychiatry.

3 (C) 21% of psychologists do not participate in  
4 insurance networks, according to a 2015 American  
5 Psychological Association Survey.

6 (D) A significant percentage of behavioral health  
7 providers do not contract with insurers, leaving patients  
8 to see out-of-network providers.

9 (E) Out-of-network treatment is far more expensive for  
10 the patient than in-network care.

11 (F) Mental health and substance use treatment is  
12 inaccessible and unaffordable for millions of Illinoisans  
13 for these reasons.

14 (6) A recent Milliman report analyzing insurance claims  
15 for 37,000,000 Americans, including Illinois residents, found  
16 major disparities in out-of-network utilization for behavioral  
17 health compared to other health care. The report's findings  
18 include:

19 (A) Illinois out-of-network behavioral health  
20 utilization was 18.2% for outpatient services in 2017  
21 compared to just 3.9% for medical/surgical services.

22 (B) Illinois out-of-network behavioral health  
23 utilization was 12.1% in 2017 for inpatient care compared  
24 to just 2.8% for medical/surgical.

25 (C) The disparity between out-of-network usage for  
26 behavioral health compared to medical/surgical services

1 grew significantly between 2013 and 2017: Out-of-network  
2 behavioral health utilization for outpatient visits grew  
3 by 44%, while out-of-network utilization for  
4 medical/surgical services decreased by 42% over the same  
5 period in Illinois.

6 (D) Nearly 14% of behavioral health office visits for  
7 individuals with a preferred provider organization plan  
8 were out-of-network in Illinois.

9 (7) Mental health and substance use care, which represents  
10 just 5.2% of all health care spending, does not drive up  
11 premiums.

12 (8) Improved access to behavioral health care is expected  
13 to reduce overall health care spending because:

14 (A) spending on physical health care is 2 to 3 times  
15 higher for patients with ongoing mental health and  
16 substance use diagnoses, according to a 2018 Milliman  
17 research report; and

18 (B) improved utilization of mental health services has  
19 been demonstrated empirically to reduce overall health  
20 care spending (Biu, Yoon, & Hines, 2021).

21 (9) Illinois must strengthen its parity laws to prevent  
22 insurance practices that restrict access to mental health and  
23 substance use care.

24 Section 10. The Illinois Insurance Code is amended by  
25 adding Section 370c.3 as follows:

1 (215 ILCS 5/370c.3 new)

2 Sec. 370c.3. Mental health and substance use parity.

3 (a) In this Section:

4 "Application" means a person's or facility's application  
5 to become a participating provider with an insurer in at least  
6 one of the insurer's provider networks.

7 "Applying provider" means a provider or facility that has  
8 submitted a completed application to become a participating  
9 provider or facility with an insurer.

10 "Behavioral health trainee" means any person: (1) engaged  
11 in the provision of mental health or substance use disorder  
12 clinical services as part of that person's supervised course  
13 of study while enrolled in a master's or doctoral psychology,  
14 social work, counseling, or marriage or family therapy program  
15 or as a postdoctoral graduate working toward licensure; and  
16 (2) who is working toward clinical State licensure under the  
17 clinical supervision of a fully licensed mental health or  
18 substance use disorder treatment provider.

19 "Completed application" means a person's or facility's  
20 application to become a participating provider that has been  
21 submitted to the insurer and includes all the required  
22 information for the application to be considered by the  
23 insurer according to the insurer's policies and procedures for  
24 verifying a provider's or facility's credentials.

25 "Contracting process" means the process by which a mental

1 health or substance use disorder treatment provider or  
2 facility makes a completed application with an insurer to  
3 become a participating provider with the insurer until the  
4 effective date of a final contract between the provider or  
5 facility and the insurer. "Contracting process" includes the  
6 process of verifying a provider's credentials.

7 "Participating provider" means any mental health or  
8 substance use disorder treatment provider that has a contract  
9 to provide mental health or substance use disorder services  
10 with an insurer.

11 (b) For all group or individual policies of accident and  
12 health insurance or managed care plans that are amended,  
13 delivered, issued, or renewed on or after January 1, 2026, or  
14 any contracted third party administering the behavioral health  
15 benefits for the insurer, reimbursement for in-network mental  
16 health and substance use disorder treatment services delivered  
17 by Illinois providers and facilities must be equal to or  
18 greater than 141% of the Medicare rate for the mental health or  
19 substance use disorder service delivered. For services not  
20 covered by Medicare, the reimbursement rates must be, on  
21 average, equal to or greater than 144% of the insurer's  
22 in-network reimbursement rate for such service on the  
23 effective date of this amendatory Act of the 103rd General  
24 Assembly. This Section applies to all covered office,  
25 outpatient, inpatient, and residential mental health and  
26 substance use disorder services.

1       (c) A group or individual policy of accident and health  
2 insurance or managed care plan that is amended, delivered,  
3 issued, or renewed on or after January 1, 2025, or contracted  
4 third party administering the behavioral health benefits for  
5 the insurer, shall cover all medically necessary mental health  
6 or substance use disorder services received by the same  
7 insured on the same day from the same or different mental  
8 health or substance use provider or facility for both  
9 outpatient and inpatient care.

10       (d) A group or individual policy of accident and health  
11 insurance or managed care plan that is amended, delivered,  
12 issued, or renewed on or after January 1, 2025, or any  
13 contracted third party administering the behavioral health  
14 benefits for the insurer, shall cover any medically necessary  
15 mental health or substance use disorder service provided by a  
16 behavioral health trainee when the trainee is working toward  
17 clinical State licensure and is under the supervision of a  
18 fully licensed mental health or substance use disorder  
19 treatment provider, which is a physician licensed to practice  
20 medicine in all its branches, licensed clinical psychologist,  
21 licensed clinical social worker, licensed clinical  
22 professional counselor, licensed marriage and family  
23 therapist, licensed speech-language pathologist, or other  
24 licensed or certified professional at a program licensed  
25 pursuant to the Substance Use Disorder Act who is engaged in  
26 treating mental, emotional, nervous, or substance use

1 disorders or conditions. Services provided by the trainee must  
2 be billed under the supervising clinician's rendering National  
3 Provider Identifier.

4 (e) A group or individual policy of accident and health  
5 insurance or managed care plan that is amended, delivered,  
6 issued, or renewed on or after January 1, 2025, or any  
7 contracted third party administering the behavioral health  
8 benefits for the insurer, shall:

9 (1) cover medically necessary 60-minute psychotherapy  
10 billed using the CPT Code 90837 for Individual Therapy;

11 (2) not impose more onerous documentation requirements  
12 on the provider than is required for other psychotherapy  
13 CPT Codes; and

14 (3) not audit the use of CPT Code 90837 any more  
15 frequently than audits for the use of other psychotherapy  
16 CPT Codes.

17 (f) (1) Any group or individual policy of accident and  
18 health insurance or managed care plan that is amended,  
19 delivered, issued, or renewed on or after January 1, 2026, or  
20 any contracted third party administering the behavioral health  
21 benefits for the insurer, shall complete the contracting  
22 process with a mental health or substance use disorder  
23 treatment provider or facility for becoming a participating  
24 provider in the insurer's network, including the verification  
25 of the provider's credentials, within 60 days from the date of  
26 a completed application to the insurer to become a

1 participating provider. Nothing in this paragraph (1),  
2 however, presumes or establishes a contract between an insurer  
3 and a provider.

4 (2) Any group or individual policy of accident and health  
5 insurance or managed care plan that is amended, delivered,  
6 issued, or renewed on or after January 1, 2025, or any  
7 contracted third party administering the behavioral health  
8 benefits for the insurer, shall reimburse a participating  
9 mental health or substance use disorder treatment provider or  
10 facility at the contracted reimbursement rate for any  
11 medically necessary services provided to an insured from the  
12 date of submission of the provider's or facility's completed  
13 application to become a participating provider with the  
14 insurer up to the effective date of the provider's contract.  
15 The provider's claims for such services shall be reimbursed  
16 only when submitted after the effective date of the provider's  
17 contract with the insurer. This paragraph (2) does not apply  
18 to a provider that does not have a completed contract with an  
19 insurer. If a provider opts to submit claims for medically  
20 necessary mental health or substance use disorder services  
21 pursuant to this paragraph (2), the provider must notify the  
22 insured following submission of the claims to the insurer that  
23 the services provided to the insured may be treated as  
24 in-network services.

25 (3) Any group or individual policy of accident and health  
26 insurance or managed care plan that is amended, delivered,

1 issued, or renewed on or after January 1, 2025, or any  
2 contracted third party administering the behavioral health  
3 benefits for the insurer, shall cover any medically necessary  
4 mental health or substance use disorder service provided by a  
5 fully licensed mental health or substance use disorder  
6 treatment provider affiliated with a mental health or  
7 substance use disorder treatment group practice who has  
8 submitted a completed application to become a participating  
9 provider with an insurer who is delivering services under the  
10 supervision of another fully licensed participating mental  
11 health or substance use disorder treatment provider within the  
12 same group practice up to the effective date of the applying  
13 provider's contract with the insurer as a participating  
14 provider. Services provided by the applying provider must be  
15 billed under the supervising licensed provider's rendering  
16 National Provider Identifier.

17 (4) Upon request, an insurer, or any contracted third  
18 party administering the behavioral health benefits for the  
19 insurer, shall provide an applying provider with the insurer's  
20 credentialing policies and procedures. An insurer, or any  
21 contracted third party administering the behavioral health  
22 benefits for the insurer, shall post the following  
23 nonproprietary information on its website and make that  
24 information available to all applicants:

25 (A) a list of the information required to be included  
26 in an application;

1           (B) a checklist of the materials that must be  
2           submitted in the credentialing process; and

3           (C) designated contact information of a network  
4           representative, including a designated point of contact,  
5           an email address, and a telephone number, to which an  
6           applicant may address any credentialing inquiries.

7           (g) The Department has the same authority to enforce this  
8           Section as it has to enforce compliance with Sections 370c and  
9           370c.1. Additionally, if the Department determines that an  
10           insurer or a contracted third party administering the  
11           behavioral health benefits for the insurer has violated this  
12           Section, the Department shall, after appropriate notice and  
13           opportunity for hearing in accordance with Section 402, by  
14           order assess a civil penalty of \$1,000 for each violation. The  
15           Department shall establish any processes or procedures  
16           necessary to monitor compliance with this Section.

17           (h) The Department shall adopt any rules necessary to  
18           implement this Section by no later than May 1, 2025.

19           (i) This Section does not apply to a health care plan  
20           servicing Medicaid populations that provides, arranges for, pays  
21           for, or reimburses the cost of any health care service for  
22           persons who are enrolled under the Illinois Public Aid Code or  
23           under the Children's Health Insurance Program Act.

24           Section 15. The Health Maintenance Organization Act is  
25           amended by changing Section 5-3 as follows:

1 (215 ILCS 125/5-3) (from Ch. 111 1/2, par. 1411.2)

17 364, 364.01, 364.3, 367.2, 367.2-5, 367i, 368a, 368b, 368c,  
18 368d, 368e, 370c, 370c.3, 370c.1, 401, 401.1, 402, 403, 403A,  
19 408, 408.2, 409, 412, 444, and 444.1, paragraph (c) of  
20 subsection (2) of Section 367, and Articles IIA, VIII 1/2,  
21 XII, XII 1/2, XIII, XIII 1/2, XXV, XXVI, and XXXIIB of the  
22 Illinois Insurance Code.

23 (b) For purposes of the Illinois Insurance Code, except  
24 for Sections 444 and 444.1 and Articles XIII and XIII 1/2,  
25 Health Maintenance Organizations in the following categories

1 are deemed to be "domestic companies":

2 (1) a corporation authorized under the Dental Service  
3 Plan Act or the Voluntary Health Services Plans Act;

4 (2) a corporation organized under the laws of this  
5 State; or

6 (3) a corporation organized under the laws of another  
7 state, 30% or more of the enrollees of which are residents  
8 of this State, except a corporation subject to  
9 substantially the same requirements in its state of  
10 organization as is a "domestic company" under Article VIII  
11 1/2 of the Illinois Insurance Code.

12 (c) In considering the merger, consolidation, or other  
13 acquisition of control of a Health Maintenance Organization  
14 pursuant to Article VIII 1/2 of the Illinois Insurance Code,

15 (1) the Director shall give primary consideration to  
16 the continuation of benefits to enrollees and the  
17 financial conditions of the acquired Health Maintenance  
18 Organization after the merger, consolidation, or other  
19 acquisition of control takes effect;

20 (2) (i) the criteria specified in subsection (1) (b) of  
21 Section 131.8 of the Illinois Insurance Code shall not  
22 apply and (ii) the Director, in making his determination  
23 with respect to the merger, consolidation, or other  
24 acquisition of control, need not take into account the  
25 effect on competition of the merger, consolidation, or  
26 other acquisition of control;

1           (3) the Director shall have the power to require the  
2 following information:

3           (A) certification by an independent actuary of the  
4 adequacy of the reserves of the Health Maintenance  
5 Organization sought to be acquired;

6           (B) pro forma financial statements reflecting the  
7 combined balance sheets of the acquiring company and  
8 the Health Maintenance Organization sought to be  
9 acquired as of the end of the preceding year and as of  
10 a date 90 days prior to the acquisition, as well as pro  
11 forma financial statements reflecting projected  
12 combined operation for a period of 2 years;

13           (C) a pro forma business plan detailing an  
14 acquiring party's plans with respect to the operation  
15 of the Health Maintenance Organization sought to be  
16 acquired for a period of not less than 3 years; and

17           (D) such other information as the Director shall  
18 require.

19           (d) The provisions of Article VIII 1/2 of the Illinois  
20 Insurance Code and this Section 5-3 shall apply to the sale by  
21 any health maintenance organization of greater than 10% of its  
22 enrollee population (including, without limitation, the health  
23 maintenance organization's right, title, and interest in and  
24 to its health care certificates).

25           (e) In considering any management contract or service  
26 agreement subject to Section 141.1 of the Illinois Insurance

1 Code, the Director (i) shall, in addition to the criteria  
2 specified in Section 141.2 of the Illinois Insurance Code,  
3 take into account the effect of the management contract or  
4 service agreement on the continuation of benefits to enrollees  
5 and the financial condition of the health maintenance  
6 organization to be managed or serviced, and (ii) need not take  
7 into account the effect of the management contract or service  
8 agreement on competition.

9 (f) Except for small employer groups as defined in the  
10 Small Employer Rating, Renewability and Portability Health  
11 Insurance Act and except for medicare supplement policies as  
12 defined in Section 363 of the Illinois Insurance Code, a  
13 Health Maintenance Organization may by contract agree with a  
14 group or other enrollment unit to effect refunds or charge  
15 additional premiums under the following terms and conditions:

16 (i) the amount of, and other terms and conditions with  
17 respect to, the refund or additional premium are set forth  
18 in the group or enrollment unit contract agreed in advance  
19 of the period for which a refund is to be paid or  
20 additional premium is to be charged (which period shall  
21 not be less than one year); and

22 (ii) the amount of the refund or additional premium  
23 shall not exceed 20% of the Health Maintenance  
24 Organization's profitable or unprofitable experience with  
25 respect to the group or other enrollment unit for the  
26 period (and, for purposes of a refund or additional

1 premium, the profitable or unprofitable experience shall  
2 be calculated taking into account a pro rata share of the  
3 Health Maintenance Organization's administrative and  
4 marketing expenses, but shall not include any refund to be  
5 made or additional premium to be paid pursuant to this  
6 subsection (f)). The Health Maintenance Organization and  
7 the group or enrollment unit may agree that the profitable  
8 or unprofitable experience may be calculated taking into  
9 account the refund period and the immediately preceding 2  
10 plan years.

11 The Health Maintenance Organization shall include a  
12 statement in the evidence of coverage issued to each enrollee  
13 describing the possibility of a refund or additional premium,  
14 and upon request of any group or enrollment unit, provide to  
15 the group or enrollment unit a description of the method used  
16 to calculate (1) the Health Maintenance Organization's  
17 profitable experience with respect to the group or enrollment  
18 unit and the resulting refund to the group or enrollment unit  
19 or (2) the Health Maintenance Organization's unprofitable  
20 experience with respect to the group or enrollment unit and  
21 the resulting additional premium to be paid by the group or  
22 enrollment unit.

23 In no event shall the Illinois Health Maintenance  
24 Organization Guaranty Association be liable to pay any  
25 contractual obligation of an insolvent organization to pay any  
26 refund authorized under this Section.

1 (g) Rulemaking authority to implement Public Act 95-1045,  
2 if any, is conditioned on the rules being adopted in  
3 accordance with all provisions of the Illinois Administrative  
4 Procedure Act and all rules and procedures of the Joint  
5 Committee on Administrative Rules; any purported rule not so  
6 adopted, for whatever reason, is unauthorized.
