

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Sections
5 10-22.25b, and 34-2.3 and by adding Section 2-3.196 as
6 follows:

7 (105 ILCS 5/2-3.196 new)

8 Sec. 2-3.196. Clothing resource materials. By no later
9 than July 1, 2024, the State Board of Education shall make
10 available to schools resource materials developed in
11 consultation with stakeholders regarding a student wearing or
12 accessorizing the student's graduation attire with general
13 items that may be used by the student to associate with,
14 identify, or declare the student's cultural, ethnic, or
15 religious identity or any other protected characteristic or
16 category identified in subsection (Q) of Section 1-103 of the
17 Illinois Human Rights Act. The State Board of Education shall
18 make the resource materials available on its Internet website.

19 (105 ILCS 5/10-22.25b) (from Ch. 122, par. 10-22.25b)

20 Sec. 10-22.25b. School uniforms. The school board may
21 adopt a school uniform or dress code policy that governs all or
22 certain individual attendance centers and that is necessary to

1 maintain the orderly process of a school function or prevent
2 endangerment of student health or safety. A school uniform or
3 dress code policy adopted by a school board: (i) shall not be
4 applied in such manner as to discipline or deny attendance to a
5 transfer student or any other student for noncompliance with
6 that policy during such period of time as is reasonably
7 necessary to enable the student to acquire a school uniform or
8 otherwise comply with the dress code policy that is in effect
9 at the attendance center or in the district into which the
10 student's enrollment is transferred; (ii) shall include
11 criteria and procedures under which the school board will
12 accommodate the needs of or otherwise provide appropriate
13 resources to assist a student from an indigent family in
14 complying with an applicable school uniform or dress code
15 policy; ~~and~~ (iii) shall not include or apply to hairstyles,
16 including hairstyles historically associated with race,
17 ethnicity, or hair texture, including, but not limited to,
18 protective hairstyles such as braids, locks, and twists; and
19 (iv) shall not prohibit the right of a student to wear or
20 accessorize the student's graduation attire with items
21 associated with the student's cultural, ethnic, or religious
22 identity or any other protected characteristic or category
23 identified in subsection (Q) of Section 1-103 of the Illinois
24 Human Rights Act. A student whose parents or legal guardians
25 object on religious grounds to the student's compliance with
26 an applicable school uniform or dress code policy shall not be

1 required to comply with that policy if the student's parents
2 or legal guardians present to the school board a signed
3 statement of objection detailing the grounds for the
4 objection. This Section applies to school boards of all
5 districts, including special charter districts and districts
6 organized under Article 34. If a school board does not comply
7 with the requirements and prohibitions set forth in this
8 Section, the school district is subject to the penalty imposed
9 pursuant to subsection (a) of Section 2-3.25.

10 By no later than July 1, 2022, the State Board of Education
11 shall make available to schools resource materials developed
12 in consultation with stakeholders regarding hairstyles,
13 including hairstyles historically associated with race,
14 ethnicity, or hair texture, including, but not limited to,
15 protective hairstyles such as braids, locks, and twists. The
16 State Board of Education shall make the resource materials
17 available on its Internet website.

19 (105 ILCS 5/34-2.3) (from Ch. 122, par. 34-2.3)

20 Sec. 34-2.3. Local school councils; powers and duties.
21 Each local school council shall have and exercise, consistent
22 with the provisions of this Article and the powers and duties
23 of the board of education, the following powers and duties:

24 1. (A) To annually evaluate the performance of the
25 principal of the attendance center using a Board approved

1 principal evaluation form, which shall include the evaluation
2 of (i) student academic improvement, as defined by the school
3 improvement plan, (ii) student absenteeism rates at the
4 school, (iii) instructional leadership, (iv) the effective
5 implementation of programs, policies, or strategies to improve
6 student academic achievement, (v) school management, and (vi)
7 any other factors deemed relevant by the local school council,
8 including, without limitation, the principal's communication
9 skills and ability to create and maintain a student-centered
10 learning environment, to develop opportunities for
11 professional development, and to encourage parental
12 involvement and community partnerships to achieve school
13 improvement;

14 (B) to determine in the manner provided by subsection (c)
15 of Section 34-2.2 and subdivision 1.5 of this Section whether
16 the performance contract of the principal shall be renewed;
17 and

18 (C) to directly select, in the manner provided by
19 subsection (c) of Section 34-2.2, a new principal (including a
20 new principal to fill a vacancy) -- without submitting any
21 list of candidates for that position to the general
22 superintendent as provided in paragraph 2 of this Section --
23 to serve under a 4 year performance contract; provided that
24 (i) the determination of whether the principal's performance
25 contract is to be renewed, based upon the evaluation required
26 by subdivision 1.5 of this Section, shall be made no later than

1 150 days prior to the expiration of the current
2 performance-based contract of the principal, (ii) in cases
3 where such performance contract is not renewed -- a direct
4 selection of a new principal -- to serve under a 4 year
5 performance contract shall be made by the local school council
6 no later than 45 days prior to the expiration of the current
7 performance contract of the principal, and (iii) a selection
8 by the local school council of a new principal to fill a
9 vacancy under a 4 year performance contract shall be made
10 within 90 days after the date such vacancy occurs. A Council
11 shall be required, if requested by the principal, to provide
12 in writing the reasons for the council's not renewing the
13 principal's contract.

14 1.5. The local school council's determination of whether
15 to renew the principal's contract shall be based on an
16 evaluation to assess the educational and administrative
17 progress made at the school during the principal's current
18 performance-based contract. The local school council shall
19 base its evaluation on (i) student academic improvement, as
20 defined by the school improvement plan, (ii) student
21 absenteeism rates at the school, (iii) instructional
22 leadership, (iv) the effective implementation of programs,
23 policies, or strategies to improve student academic
24 achievement, (v) school management, and (vi) any other factors
25 deemed relevant by the local school council, including,
26 without limitation, the principal's communication skills and

1 ability to create and maintain a student-centered learning
2 environment, to develop opportunities for professional
3 development, and to encourage parental involvement and
4 community partnerships to achieve school improvement. If a
5 local school council fails to renew the performance contract
6 of a principal rated by the general superintendent, or his or
7 her designee, in the previous years' evaluations as meeting or
8 exceeding expectations, the principal, within 15 days after
9 the local school council's decision not to renew the contract,
10 may request a review of the local school council's principal
11 non-retention decision by a hearing officer appointed by the
12 American Arbitration Association. A local school council
13 member or members or the general superintendent may support
14 the principal's request for review. During the period of the
15 hearing officer's review of the local school council's
16 decision on whether or not to retain the principal, the local
17 school council shall maintain all authority to search for and
18 contract with a person to serve as interim or acting
19 principal, or as the principal of the attendance center under
20 a 4-year performance contract, provided that any performance
21 contract entered into by the local school council shall be
22 voidable or modified in accordance with the decision of the
23 hearing officer. The principal may request review only once
24 while at that attendance center. If a local school council
25 renews the contract of a principal who failed to obtain a
26 rating of "meets" or "exceeds expectations" in the general

1 superintendent's evaluation for the previous year, the general
2 superintendent, within 15 days after the local school
3 council's decision to renew the contract, may request a review
4 of the local school council's principal retention decision by
5 a hearing officer appointed by the American Arbitration
6 Association. The general superintendent may request a review
7 only once for that principal at that attendance center. All
8 requests to review the retention or non-retention of a
9 principal shall be submitted to the general superintendent,
10 who shall, in turn, forward such requests, within 14 days of
11 receipt, to the American Arbitration Association. The general
12 superintendent shall send a contemporaneous copy of the
13 request that was forwarded to the American Arbitration
14 Association to the principal and to each local school council
15 member and shall inform the local school council of its rights
16 and responsibilities under the arbitration process, including
17 the local school council's right to representation and the
18 manner and process by which the Board shall pay the costs of
19 the council's representation. If the local school council
20 retains the principal and the general superintendent requests
21 a review of the retention decision, the local school council
22 and the general superintendent shall be considered parties to
23 the arbitration, a hearing officer shall be chosen between
24 those 2 parties pursuant to procedures promulgated by the
25 State Board of Education, and the principal may retain counsel
26 and participate in the arbitration. If the local school

1 council does not retain the principal and the principal
2 requests a review of the retention decision, the local school
3 council and the principal shall be considered parties to the
4 arbitration and a hearing officer shall be chosen between
5 those 2 parties pursuant to procedures promulgated by the
6 State Board of Education. The hearing shall begin (i) within
7 45 days after the initial request for review is submitted by
8 the principal to the general superintendent or (ii) if the
9 initial request for review is made by the general
10 superintendent, within 45 days after that request is mailed to
11 the American Arbitration Association. The hearing officer
12 shall render a decision within 45 days after the hearing
13 begins and within 90 days after the initial request for
14 review. The Board shall contract with the American Arbitration
15 Association for all of the hearing officer's reasonable and
16 necessary costs. In addition, the Board shall pay any
17 reasonable costs incurred by a local school council for
18 representation before a hearing officer.

19 1.10. The hearing officer shall conduct a hearing, which
20 shall include (i) a review of the principal's performance,
21 evaluations, and other evidence of the principal's service at
22 the school, (ii) reasons provided by the local school council
23 for its decision, and (iii) documentation evidencing views of
24 interested persons, including, without limitation, students,
25 parents, local school council members, school faculty and
26 staff, the principal, the general superintendent or his or her

1 designee, and members of the community. The burden of proof in
2 establishing that the local school council's decision was
3 arbitrary and capricious shall be on the party requesting the
4 arbitration, and this party shall sustain the burden by a
5 preponderance of the evidence. The hearing officer shall set
6 the local school council decision aside if that decision, in
7 light of the record developed at the hearing, is arbitrary and
8 capricious. The decision of the hearing officer may not be
9 appealed to the Board or the State Board of Education. If the
10 hearing officer decides that the principal shall be retained,
11 the retention period shall not exceed 2 years.

12 2. In the event (i) the local school council does not renew
13 the performance contract of the principal, or the principal
14 fails to receive a satisfactory rating as provided in
15 subsection (h) of Section 34-8.3, or the principal is removed
16 for cause during the term of his or her performance contract in
17 the manner provided by Section 34-85, or a vacancy in the
18 position of principal otherwise occurs prior to the expiration
19 of the term of a principal's performance contract, and (ii)
20 the local school council fails to directly select a new
21 principal to serve under a 4 year performance contract, the
22 local school council in such event shall submit to the general
23 superintendent a list of 3 candidates -- listed in the local
24 school council's order of preference -- for the position of
25 principal, one of which shall be selected by the general
26 superintendent to serve as principal of the attendance center.

1 If the general superintendent fails or refuses to select one
2 of the candidates on the list to serve as principal within 30
3 days after being furnished with the candidate list, the
4 general superintendent shall select and place a principal on
5 an interim basis (i) for a period not to exceed one year or
6 (ii) until the local school council selects a new principal
7 with 7 affirmative votes as provided in subsection (c) of
8 Section 34-2.2, whichever occurs first. If the local school
9 council fails or refuses to select and appoint a new
10 principal, as specified by subsection (c) of Section 34-2.2,
11 the general superintendent may select and appoint a new
12 principal on an interim basis for an additional year or until a
13 new contract principal is selected by the local school
14 council. There shall be no discrimination on the basis of
15 race, sex, creed, color or disability unrelated to ability to
16 perform in connection with the submission of candidates for,
17 and the selection of a candidate to serve as principal of an
18 attendance center. No person shall be directly selected,
19 listed as a candidate for, or selected to serve as principal of
20 an attendance center (i) if such person has been removed for
21 cause from employment by the Board or (ii) if such person does
22 not hold a valid Professional Educator License issued under
23 Article 21B and endorsed as required by that Article for the
24 position of principal. A principal whose performance contract
25 is not renewed as provided under subsection (c) of Section
26 34-2.2 may nevertheless, if otherwise qualified and licensed

1 as herein provided and if he or she has received a satisfactory
2 rating as provided in subsection (h) of Section 34-8.3, be
3 included by a local school council as one of the 3 candidates
4 listed in order of preference on any candidate list from which
5 one person is to be selected to serve as principal of the
6 attendance center under a new performance contract. The
7 initial candidate list required to be submitted by a local
8 school council to the general superintendent in cases where
9 the local school council does not renew the performance
10 contract of its principal and does not directly select a new
11 principal to serve under a 4 year performance contract shall
12 be submitted not later than 30 days prior to the expiration of
13 the current performance contract. In cases where the local
14 school council fails or refuses to submit the candidate list
15 to the general superintendent no later than 30 days prior to
16 the expiration of the incumbent principal's contract, the
17 general superintendent may appoint a principal on an interim
18 basis for a period not to exceed one year, during which time
19 the local school council shall be able to select a new
20 principal with 7 affirmative votes as provided in subsection
21 (c) of Section 34-2.2. In cases where a principal is removed
22 for cause or a vacancy otherwise occurs in the position of
23 principal and the vacancy is not filled by direct selection by
24 the local school council, the candidate list shall be
25 submitted by the local school council to the general
26 superintendent within 90 days after the date such removal or

1 vacancy occurs. In cases where the local school council fails
2 or refuses to submit the candidate list to the general
3 superintendent within 90 days after the date of the vacancy,
4 the general superintendent may appoint a principal on an
5 interim basis for a period of one year, during which time the
6 local school council shall be able to select a new principal
7 with 7 affirmative votes as provided in subsection (c) of
8 Section 34-2.2.

9 2.5. Whenever a vacancy in the office of a principal
10 occurs for any reason, the vacancy shall be filled in the
11 manner provided by this Section by the selection of a new
12 principal to serve under a 4 year performance contract.

13 3. To establish additional criteria to be included as part
14 of the performance contract of its principal, provided that
15 such additional criteria shall not discriminate on the basis
16 of race, sex, creed, color or disability unrelated to ability
17 to perform, and shall not be inconsistent with the uniform 4
18 year performance contract for principals developed by the
19 board as provided in Section 34-8.1 of the School Code or with
20 other provisions of this Article governing the authority and
21 responsibility of principals.

22 4. To approve the expenditure plan prepared by the
23 principal with respect to all funds allocated and distributed
24 to the attendance center by the Board. The expenditure plan
25 shall be administered by the principal. Notwithstanding any
26 other provision of this Act or any other law, any expenditure

1 plan approved and administered under this Section 34-2.3 shall
2 be consistent with and subject to the terms of any contract for
3 services with a third party entered into by the Chicago School
4 Reform Board of Trustees or the board under this Act.

5 Via a supermajority vote of 8 members of a local school
6 council enrolling students through the 8th grade or 9 members
7 of a local school council at a secondary attendance center or
8 an attendance center enrolling students in grades 7 through
9 12, the Council may transfer allocations pursuant to Section
10 34-2.3 within funds; provided that such a transfer is
11 consistent with applicable law and collective bargaining
12 agreements.

13 Beginning in fiscal year 1991 and in each fiscal year
14 thereafter, the Board may reserve up to 1% of its total fiscal
15 year budget for distribution on a prioritized basis to schools
16 throughout the school system in order to assure adequate
17 programs to meet the needs of special student populations as
18 determined by the Board. This distribution shall take into
19 account the needs catalogued in the Systemwide Plan and the
20 various local school improvement plans of the local school
21 councils. Information about these centrally funded programs
22 shall be distributed to the local school councils so that
23 their subsequent planning and programming will account for
24 these provisions.

25 Beginning in fiscal year 1991 and in each fiscal year
26 thereafter, from other amounts available in the applicable

1 fiscal year budget, the board shall allocate a lump sum amount
2 to each local school based upon such formula as the board shall
3 determine taking into account the special needs of the student
4 body. The local school principal shall develop an expenditure
5 plan in consultation with the local school council, the
6 professional personnel leadership committee and with all other
7 school personnel, which reflects the priorities and activities
8 as described in the school's local school improvement plan and
9 is consistent with applicable law and collective bargaining
10 agreements and with board policies and standards; however, the
11 local school council shall have the right to request waivers
12 of board policy from the board of education and waivers of
13 employee collective bargaining agreements pursuant to Section
14 34-8.1a.

15 The expenditure plan developed by the principal with
16 respect to amounts available from the fund for prioritized
17 special needs programs and the allocated lump sum amount must
18 be approved by the local school council.

19 The lump sum allocation shall take into account the
20 following principles:

- 21 a. Teachers: Each school shall be allocated funds
22 equal to the amount appropriated in the previous school
23 year for compensation for teachers (regular grades
24 kindergarten through 12th grade) plus whatever increases
25 in compensation have been negotiated contractually or
26 through longevity as provided in the negotiated agreement.

1 Adjustments shall be made due to layoff or reduction in
2 force, lack of funds or work, change in subject
3 requirements, enrollment changes, or contracts with third
4 parties for the performance of services or to rectify any
5 inconsistencies with system-wide allocation formulas or
6 for other legitimate reasons.

7 b. Other personnel: Funds for other teacher licensed
8 and nonlicensed personnel paid through non-categorical
9 funds shall be provided according to system-wide formulas
10 based on student enrollment and the special needs of the
11 school as determined by the Board.

12 c. Non-compensation items: Appropriations for all
13 non-compensation items shall be based on system-wide
14 formulas based on student enrollment and on the special
15 needs of the school or factors related to the physical
16 plant, including but not limited to textbooks, electronic
17 textbooks and the technological equipment necessary to
18 gain access to and use electronic textbooks, supplies,
19 electricity, equipment, and routine maintenance.

20 d. Funds for categorical programs: Schools shall
21 receive personnel and funds based on, and shall use such
22 personnel and funds in accordance with State and Federal
23 requirements applicable to each categorical program
24 provided to meet the special needs of the student body
25 (including but not limited to, Federal Chapter I,
26 Bilingual, and Special Education).

1 d.1. Funds for State Title I: Each school shall
2 receive funds based on State and Board requirements
3 applicable to each State Title I pupil provided to meet
4 the special needs of the student body. Each school shall
5 receive the proportion of funds as provided in Section
6 18-8 or 18-8.15 to which they are entitled. These funds
7 shall be spent only with the budgetary approval of the
8 Local School Council as provided in Section 34-2.3.

9 e. The Local School Council shall have the right to
10 request the principal to close positions and open new ones
11 consistent with the provisions of the local school
12 improvement plan provided that these decisions are
13 consistent with applicable law and collective bargaining
14 agreements. If a position is closed, pursuant to this
15 paragraph, the local school shall have for its use the
16 system-wide average compensation for the closed position.

17 f. Operating within existing laws and collective
18 bargaining agreements, the local school council shall have
19 the right to direct the principal to shift expenditures
20 within funds.

21 g. (Blank).

22 Any funds unexpended at the end of the fiscal year shall be
23 available to the board of education for use as part of its
24 budget for the following fiscal year.

25 5. To make recommendations to the principal concerning
26 textbook selection and concerning curriculum developed

1 pursuant to the school improvement plan which is consistent
2 with systemwide curriculum objectives in accordance with
3 Sections 34-8 and 34-18 of the School Code and in conformity
4 with the collective bargaining agreement.

5 6. To advise the principal concerning the attendance and
6 disciplinary policies for the attendance center, subject to
7 the provisions of this Article and Article 26, and consistent
8 with the uniform system of discipline established by the board
9 pursuant to Section 34-19.

10 7. To approve a school improvement plan developed as
11 provided in Section 34-2.4. The process and schedule for plan
12 development shall be publicized to the entire school
13 community, and the community shall be afforded the opportunity
14 to make recommendations concerning the plan. At least twice a
15 year the principal and local school council shall report
16 publicly on progress and problems with respect to plan
17 implementation.

18 8. To evaluate the allocation of teaching resources and
19 other licensed and nonlicensed staff to the attendance center
20 to determine whether such allocation is consistent with and in
21 furtherance of instructional objectives and school programs
22 reflective of the school improvement plan adopted for the
23 attendance center; and to make recommendations to the board,
24 the general superintendent and the principal concerning any
25 reallocation of teaching resources or other staff whenever the
26 council determines that any such reallocation is appropriate

1 because the qualifications of any existing staff at the
2 attendance center do not adequately match or support
3 instructional objectives or school programs which reflect the
4 school improvement plan.

5 9. To make recommendations to the principal and the
6 general superintendent concerning their respective
7 appointments, after August 31, 1989, and in the manner
8 provided by Section 34-8 and Section 34-8.1, of persons to
9 fill any vacant, additional or newly created positions for
10 teachers at the attendance center or at attendance centers
11 which include the attendance center served by the local school
12 council.

13 10. To request of the Board the manner in which training
14 and assistance shall be provided to the local school council.
15 Pursuant to Board guidelines a local school council is
16 authorized to direct the Board of Education to contract with
17 personnel or not-for-profit organizations not associated with
18 the school district to train or assist council members. If
19 training or assistance is provided by contract with personnel
20 or organizations not associated with the school district, the
21 period of training or assistance shall not exceed 30 hours
22 during a given school year; person shall not be employed on a
23 continuous basis longer than said period and shall not have
24 been employed by the Chicago Board of Education within the
25 preceding six months. Council members shall receive training
26 in at least the following areas:

- 1 1. school budgets;
- 2 2. educational theory pertinent to the attendance
- 3 center's particular needs, including the development of
- 4 the school improvement plan and the principal's
- 5 performance contract; and
- 6 3. personnel selection.

7 Council members shall, to the greatest extent possible,
8 complete such training within 90 days of election.

9 11. In accordance with systemwide guidelines contained in
10 the System-Wide Educational Reform Goals and Objectives Plan,
11 criteria for evaluation of performance shall be established
12 for local school councils and local school council members. If
13 a local school council persists in noncompliance with
14 systemwide requirements, the Board may impose sanctions and
15 take necessary corrective action, consistent with Section
16 34-8.3.

17 12. Each local school council shall comply with the Open
18 Meetings Act and the Freedom of Information Act. Each local
19 school council shall issue and transmit to its school
20 community a detailed annual report accounting for its
21 activities programmatically and financially. Each local school
22 council shall convene at least 2 well-publicized meetings
23 annually with its entire school community. These meetings
24 shall include presentation of the proposed local school
25 improvement plan, of the proposed school expenditure plan, and
26 the annual report, and shall provide an opportunity for public

1 comment.

2 13. Each local school council is encouraged to involve
3 additional non-voting members of the school community in
4 facilitating the council's exercise of its responsibilities.

5 14. The local school council may adopt a school uniform or
6 dress code policy that governs the attendance center and that
7 is necessary to maintain the orderly process of a school
8 function or prevent endangerment of student health or safety,
9 consistent with the policies and rules of the Board of
10 Education. A school uniform or dress code policy adopted by a
11 local school council: (i) shall not be applied in such manner
12 as to discipline or deny attendance to a transfer student or
13 any other student for noncompliance with that policy during
14 such period of time as is reasonably necessary to enable the
15 student to acquire a school uniform or otherwise comply with
16 the dress code policy that is in effect at the attendance
17 center into which the student's enrollment is transferred;
18 (ii) shall include criteria and procedures under which the
19 local school council will accommodate the needs of or
20 otherwise provide appropriate resources to assist a student
21 from an indigent family in complying with an applicable school
22 uniform or dress code policy; ~~and~~ (iii) shall not include or
23 apply to hairstyles, including hairstyles historically
24 associated with race, ethnicity, or hair texture, including,
25 but not limited to, protective hairstyles such as braids,
26 locks, and twists ; and (iv) shall not prohibit the right of a

1 student to wear or accessorize the student's graduation attire
2 with items associated with the student's cultural, ethnic, or
3 religious identity or any other protected characteristic or
4 category identified in subsection (Q) of Section 1-103 of the
5 Illinois Human Rights Act. A student whose parents or legal
6 guardians object on religious grounds to the student's
7 compliance with an applicable school uniform or dress code
8 policy shall not be required to comply with that policy if the
9 student's parents or legal guardians present to the local
10 school council a signed statement of objection detailing the
11 grounds for the objection. If a local school council does not
12 comply with the requirements and prohibitions set forth in
13 this paragraph 14, the attendance center is subject to the
