1 AMENDMENT TO SENATE BILL 1611

2 AMENDMENT NO. _____. Amend Senate Bill 1611 on page 2,
3 line 21, immediately after the period, by inserting "A leave
4 of absence may not be denied to a State employee who requests
5 leave under this Section and who has provided notification of
6 the leave at least 14 calendar days prior to the requested
7 leave date. A State employee who provides less than 14
8 calendar days' notice of the leave may be denied leave if the
9 State employee's agency demonstrates that the leave would
10 create a health or safety hazard in the workplace. If the leave
11 is denied, written notification must be provided to the
12 employee within 24 hours after the employee's request for
13 leave. Once the leave has been approved, approval for the
14 leave may not be rescinded.".
