A BILL FOR

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Public Community College Act is amended by
5 adding Section 2-27 as follows:

6 (110 ILCS 805/2-27 new)

7 Sec. 2-27. Remediation data. Beginning with the 2023-2024
8 academic year, each community college board must provide, on
9 an annual basis, its member high schools with remediation data
10 for all students that previously attended a member high school
11 and have enrolled in the community college for any term in an
12 academic year. The remediation data shall be individualized by
13 student and each student record will be identified with the
14 student's State identification number and most previous high
15 school. Each student record will include any course codes,
16 course names or titles, and department of any courses that are
17 in the departments or subject areas of math, reading, English,
18 or communications where the course is designated as remedial.
19 The individual student record will also include course codes,
20 course names or titles, and department of any courses in any
21 department or subject area in which the individual student is
22 enrolled, that is a noncredit-bearing course while enrolled in
23 the community college for that specific term.

1 All data shall be shared in a standard .csv format. First
2 semester data will be shared with the high schools by November
3 1 of the academic year in which a student is enrolled. Second
4 semester data will be shared with the high schools by March 1
5 of the academic year in which a student is enrolled. Summer
6 course enrollment data will be shared by September 1 of the
7 following academic year.
