LRB103 35049 RPS 73318 a

1 AMENDMENT TO SENATE BILL 2641

2 AMENDMENT NO. _____. Amend Senate Bill 2641 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Network Adequacy and Transparency Act is
5 amended by changing Section 10 as follows:

6 (215 ILCS 124/10)

7 Sec. 10. Network adequacy.

8 (a) An insurer providing a network plan shall file a
9 description of all of the following with the Director:

10 (1) The written policies and procedures for adding
11 providers to meet patient needs based on increases in the
12 number of beneficiaries, changes in the
13 patient-to-provider ratio, changes in medical and health
14 care capabilities, and increased demand for services.

15 (2) The written policies and procedures for making
16 referrals within and outside the network.

1 (3) The written policies and procedures on how the
2 network plan will provide 24-hour, 7-day per week access
3 to network-affiliated primary care, emergency services,
4 and women's principal health care providers.

5 An insurer shall not prohibit a preferred provider from
6 discussing any specific or all treatment options with
7 beneficiaries irrespective of the insurer's position on those
8 treatment options or from advocating on behalf of
9 beneficiaries within the utilization review, grievance, or
10 appeals processes established by the insurer in accordance
11 with any rights or remedies available under applicable State
12 or federal law.

13 (b) Insurers must file for review a description of the
14 services to be offered through a network plan. The description
15 shall include all of the following:

16 (1) A geographic map of the area proposed to be served
17 by the plan by county service area and zip code, including
18 marked locations for preferred providers.

19 (2) As deemed necessary by the Department, the names,
20 addresses, phone numbers, and specialties of the providers
21 who have entered into preferred provider agreements under
22 the network plan.

23 (3) The number of beneficiaries anticipated to be
24 covered by the network plan.

25 (4) An Internet website and toll-free telephone number
26 for beneficiaries and prospective beneficiaries to access

1 current and accurate lists of preferred providers,
2 additional information about the plan, as well as any
3 other information required by Department rule.

4 (5) A description of how health care services to be
5 rendered under the network plan are reasonably accessible
6 and available to beneficiaries. The description shall
7 address all of the following:

8 (A) the type of health care services to be
9 provided by the network plan;

10 (B) the ratio of physicians and other providers to
11 beneficiaries, by specialty and including primary care
12 physicians and facility-based physicians when
13 applicable under the contract, necessary to meet the
14 health care needs and service demands of the currently
15 enrolled population;

16 (C) the travel and distance standards for plan
17 beneficiaries in county service areas; and

18 (D) a description of how the use of telemedicine,
19 telehealth, or mobile care services may be used to
20 partially meet the network adequacy standards, if
21 applicable.

22 (6) A provision ensuring that whenever a beneficiary
23 has made a good faith effort, as evidenced by accessing
24 the provider directory, calling the network plan, and
25 calling the provider, to utilize preferred providers for a
26 covered service and it is determined the insurer does not

1 have the appropriate preferred providers due to
2 insufficient number, type, unreasonable travel distance or
3 delay, or preferred providers refusing to provide a
4 covered service because it is contrary to the conscience
5 of the preferred providers, as protected by the Health
6 Care Right of Conscience Act, the insurer shall ensure,
7 directly or indirectly, by terms contained in the payer
8 contract, that the beneficiary will be provided the
9 covered service at no greater cost to the beneficiary than
10 if the service had been provided by a preferred provider.
11 This paragraph (6) does not apply to: (A) a beneficiary
12 who willfully chooses to access a non-preferred provider
13 for health care services available through the panel of
14 preferred providers, or (B) a beneficiary enrolled in a
15 health maintenance organization. In these circumstances,
16 the contractual requirements for non-preferred provider
17 reimbursements shall apply unless Section 356z.3a of the
18 Illinois Insurance Code requires otherwise. In no event
19 shall a beneficiary who receives care at a participating
20 health care facility be required to search for
21 participating providers under the circumstances described
22 in subsection (b) or (b-5) of Section 356z.3a of the
23 Illinois Insurance Code except under the circumstances
24 described in paragraph (2) of subsection (b-5).

25 (7) A provision that the beneficiary shall receive
26 emergency care coverage such that payment for this

1 coverage is not dependent upon whether the emergency
2 services are performed by a preferred or non-preferred
3 provider and the coverage shall be at the same benefit
4 level as if the service or treatment had been rendered by a
5 preferred provider. For purposes of this paragraph (7),
6 "the same benefit level" means that the beneficiary is
7 provided the covered service at no greater cost to the
8 beneficiary than if the service had been provided by a
9 preferred provider. This provision shall be consistent
10 with Section 356z.3a of the Illinois Insurance Code.

11 (8) A limitation that, if the plan provides that the
12 beneficiary will incur a penalty for failing to
13 pre-certify inpatient hospital treatment, the penalty may
14 not exceed \$1,000 per occurrence in addition to the plan
15 cost sharing provisions.

16 (c) The network plan shall demonstrate to the Director a
17 minimum ratio of providers to plan beneficiaries as required
18 by the Department.

19 (1) The ratio of physicians or other providers to plan
20 beneficiaries shall be established annually by the
21 Department in consultation with the Department of Public
22 Health based upon the guidance from the federal Centers
23 for Medicare and Medicaid Services. The Department shall
24 not establish ratios for vision or dental providers who
25 provide services under dental-specific or vision-specific
26 benefits. The Department shall consider establishing

1 ratios for the following physicians or other providers:

2 (A) Primary Care;

3 (B) Pediatrics;

4 (C) Cardiology;

5 (D) Gastroenterology;

6 (E) General Surgery;

7 (F) Neurology;

8 (G) OB/GYN;

9 (H) Oncology/Radiation;

10 (I) Ophthalmology;

11 (J) Urology;

12 (K) Behavioral Health;

13 (L) Allergy/Immunology;

14 (M) Chiropractic;

15 (N) Dermatology;

16 (O) Endocrinology;

17 (P) Ears, Nose, and Throat (ENT)/Otolaryngology;

18 (Q) Infectious Disease;

19 (R) Nephrology;

20 (S) Neurosurgery;

21 (T) Orthopedic Surgery;

22 (U) Physiatry/Rehabilitative;

23 (V) Plastic Surgery;

24 (W) Pulmonary;

25 (X) Rheumatology;

26 (Y) Anesthesiology;

1 (Z) Pain Medicine;

2 (AA) Pediatric Specialty Services;

3 (BB) Outpatient Dialysis; and

4 (CC) HIV.

5 (1.5) Beginning January 1, 2026, every insurer shall
6 demonstrate to the Director that each in-network hospital
7 has at least one radiologist, pathologist,
8 anesthesiologist, and emergency room physician as a
9 preferred provider in a network plan. The Department may,
10 by rule, require additional types of hospital-based
11 medical specialists to be included as preferred providers
12 in each in-network hospital in a network plan.

13 (2) The Director shall establish a process for the
14 review of the adequacy of these standards, along with an
15 assessment of additional specialties to be included in the
16 list under this subsection (c).

17 (d) The network plan shall demonstrate to the Director
18 maximum travel and distance standards for plan beneficiaries,
19 which shall be established annually by the Department in
20 consultation with the Department of Public Health based upon
21 the guidance from the federal Centers for Medicare and
22 Medicaid Services. These standards shall consist of the
23 maximum minutes or miles to be traveled by a plan beneficiary
24 for each county type, such as large counties, metro counties,
25 or rural counties as defined by Department rule.

26 The maximum travel time and distance standards must

1 include standards for each physician and other provider
2 category listed for which ratios have been established.

3 The Director shall establish a process for the review of
4 the adequacy of these standards along with an assessment of
5 additional specialties to be included in the list under this
6 subsection (d).

7 (d-5)(1) Every insurer shall ensure that beneficiaries
8 have timely and proximate access to treatment for mental,
9 emotional, nervous, or substance use disorders or conditions
10 in accordance with the provisions of paragraph (4) of
11 subsection (a) of Section 370c of the Illinois Insurance Code.
12 Insurers shall use a comparable process, strategy, evidentiary
13 standard, and other factors in the development and application
14 of the network adequacy standards for timely and proximate
15 access to treatment for mental, emotional, nervous, or
16 substance use disorders or conditions and those for the access
17 to treatment for medical and surgical conditions. As such, the
18 network adequacy standards for timely and proximate access
19 shall equally be applied to treatment facilities and providers
20 for mental, emotional, nervous, or substance use disorders or
21 conditions and specialists providing medical or surgical
22 benefits pursuant to the parity requirements of Section 370c.1
23 of the Illinois Insurance Code and the federal Paul Wellstone
24 and Pete Domenici Mental Health Parity and Addiction Equity
25 Act of 2008. Notwithstanding the foregoing, the network
26 adequacy standards for timely and proximate access to

1 treatment for mental, emotional, nervous, or substance use
2 disorders or conditions shall, at a minimum, satisfy the
3 following requirements:

4 (A) For beneficiaries residing in the metropolitan
5 counties of Cook, DuPage, Kane, Lake, McHenry, and Will,
6 network adequacy standards for timely and proximate access
7 to treatment for mental, emotional, nervous, or substance
8 use disorders or conditions means a beneficiary shall not
9 have to travel longer than 30 minutes or 30 miles from the
10 beneficiary's residence to receive outpatient treatment
11 for mental, emotional, nervous, or substance use disorders
12 or conditions. Beneficiaries shall not be required to wait
13 longer than 10 business days between requesting an initial
14 appointment and being seen by the facility or provider of
15 mental, emotional, nervous, or substance use disorders or
16 conditions for outpatient treatment or to wait longer than
17 20 business days between requesting a repeat or follow-up
18 appointment and being seen by the facility or provider of
19 mental, emotional, nervous, or substance use disorders or
20 conditions for outpatient treatment; however, subject to
21 the protections of paragraph (3) of this subsection, a
22 network plan shall not be held responsible if the
23 beneficiary or provider voluntarily chooses to schedule an
24 appointment outside of these required time frames.

25 (B) For beneficiaries residing in Illinois counties
26 other than those counties listed in subparagraph (A) of

1 this paragraph, network adequacy standards for timely and
2 proximate access to treatment for mental, emotional,
3 nervous, or substance use disorders or conditions means a
4 beneficiary shall not have to travel longer than 60
5 minutes or 60 miles from the beneficiary's residence to
6 receive outpatient treatment for mental, emotional,
7 nervous, or substance use disorders or conditions.
8 Beneficiaries shall not be required to wait longer than 10
9 business days between requesting an initial appointment
10 and being seen by the facility or provider of mental,
11 emotional, nervous, or substance use disorders or
12 conditions for outpatient treatment or to wait longer than
13 20 business days between requesting a repeat or follow-up
14 appointment and being seen by the facility or provider of
15 mental, emotional, nervous, or substance use disorders or
16 conditions for outpatient treatment; however, subject to
17 the protections of paragraph (3) of this subsection, a
18 network plan shall not be held responsible if the
19 beneficiary or provider voluntarily chooses to schedule an
20 appointment outside of these required time frames.

21 (2) For beneficiaries residing in all Illinois counties,
22 network adequacy standards for timely and proximate access to
23 treatment for mental, emotional, nervous, or substance use
24 disorders or conditions means a beneficiary shall not have to
25 travel longer than 60 minutes or 60 miles from the
26 beneficiary's residence to receive inpatient or residential

1 treatment for mental, emotional, nervous, or substance use
2 disorders or conditions.

3 (3) If there is no in-network facility or provider
4 available for a beneficiary to receive timely and proximate
5 access to treatment for mental, emotional, nervous, or
6 substance use disorders or conditions in accordance with the
7 network adequacy standards outlined in this subsection, the
8 insurer shall provide necessary exceptions to its network to
9 ensure admission and treatment with a provider or at a
10 treatment facility in accordance with the network adequacy
11 standards in this subsection.

12 (e) Except for network plans solely offered as a group
13 health plan, these ratio and time and distance standards apply
14 to the lowest cost-sharing tier of any tiered network.

15 (f) The network plan may consider use of other health care
16 service delivery options, such as telemedicine or telehealth,
17 mobile clinics, and centers of excellence, or other ways of
18 delivering care to partially meet the requirements set under
19 this Section.

20 (g) Except for the requirements set forth in subsection
21 (d-5), insurers who are not able to comply with the provider
22 ratios and time and distance standards established by the
23 Department may request an exception to these requirements from
24 the Department. The Department may grant an exception in the
25 following circumstances:

26 (1) if no providers or facilities meet the specific

1 time and distance standard in a specific service area and
2 the insurer (i) discloses information on the distance and
3 travel time points that beneficiaries would have to travel
4 beyond the required criterion to reach the next closest
5 contracted provider outside of the service area and (ii)
6 provides contact information, including names, addresses,
7 and phone numbers for the next closest contracted provider
8 or facility;

9 (2) if patterns of care in the service area do not
10 support the need for the requested number of provider or
11 facility type and the insurer provides data on local
12 patterns of care, such as claims data, referral patterns,
13 or local provider interviews, indicating where the
14 beneficiaries currently seek this type of care or where
15 the physicians currently refer beneficiaries, or both; or

16 (3) other circumstances deemed appropriate by the
17 Department consistent with the requirements of this Act.

18 (h) Insurers are required to report to the Director any
19 material change to an approved network plan within 15 days
20 after the change occurs and any change that would result in
21 failure to meet the requirements of this Act. Upon notice from
22 the insurer, the Director shall reevaluate the network plan's
23 compliance with the network adequacy and transparency
24 standards of this Act.
