

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Counties Code is amended by adding Section
5 5-1028.2 as follows:

6 (55 ILCS 5/5-1028.2 new)

7 Sec. 5-1028.2. Emergency ambulance service.

8 Notwithstanding any other provision of law, a county may, by
9 ordinance, agree to provide emergency ambulance service to any
10 portion of a fire protection district that the county is
11 already providing emergency ambulance service through an
12 intergovernmental agreement. The ordinance to provide
13 emergency ambulance service under this Section must contain an
14 affirmative obligation on the part of the county to provide
15 emergency ambulance service to the fire protection district
16 once the intergovernmental agreement in effect at the time of
17 the ordinance expires.

18 An ordinance adopted under this Section does not take
19 effect until after the fire protection district adopts a
20 resolution under Section 22.1 of the Fire Protection District
21 Act to discontinue the emergency ambulance service and the
22 intergovernmental agreement for emergency ambulance service
23 between the county and the fire protection district has ended.

1 Upon certification to the county clerk by both the county and
2 the fire protection district that all criteria have been met
3 under this Section and Section 22.1 of the Fire Protection
4 District Act, the tax rate for emergency ambulance service for
5 the area once serviced under the fire protection district for
6 emergency ambulance service shall be the rate the county
7 levies under Section 5-1028.

8 Section 10. The Fire Protection District Act is amended by
9 adding Section 22.1 as follows:

10 (70 ILCS 705/22.1 new)

11 Sec. 22.1. Emergency ambulance service. Notwithstanding
12 any other provision of law, the board of trustees of a fire
13 protection district may, by majority vote of the board of
14 trustees, adopt a resolution to discontinue the district's
15 emergency ambulance service and to discontinue the district's
16 tax upon certification as provided by this Section if a county
17 that is already providing emergency ambulance service through
18 an intergovernmental agreement levies a tax for emergency
19 ambulance service under Section 5-1028 of the Counties Code
20 and the county has, by ordinance, agreed to assume the
21 emergency ambulance service at the expiration of the
22 intergovernmental agreement between the district and county. A
23 resolution adopted under this Section must include an end date
24 of services. Upon certification to the county clerk by both

1 the county and the district that all criteria have been met
2 under this Section and Section 5-1028.2 of the Counties Code,
3 the district may not levy a tax for emergency ambulance
4 service under Section 22 unless the county repeals the
5 ordinance adopted under Section 5-1028.2 and the county's tax
6 adopted under Section 5-1028. If the district elects to no
7 longer provide emergency ambulance service under this Section,
8 the election shall not be construed as affecting the
9 district's authority to levy a tax and provide fire protection
10 service under this Act.

11 Section 99. Effective date. This Act takes effect upon
12 becoming law.
