10

11

12

WHEREAS, More than 20 years of research indicates that teacher diversity has positive impacts on student outcomes, including academic achievement, graduation rates, attendance, instances of exclusionary discipline, and college aspirations; and

13

14

15

16

17

WHEREAS, Research demonstrates the positive impact of alignment between teacher and student racial and ethnic diversity; and

18

19

20

WHEREAS, In Illinois, teachers of color make up less than 18% of the workforce while students of color make up 54% of the

21

1 student body; and

2 WHEREAS, Representation of Black, Latinx, Asian, American  
3 Indian or Alaska Native, Native Hawaiian or Pacific Islander,  
4 and multiracial teachers does not match the respective  
5 proportion of Illinois students who are Black, Latinx, Asian,  
6 American Indian or Alaska Native, Native Hawaiian or Pacific  
7 Islander, and multiracial; and

8 WHEREAS, Longstanding systemic racism and ongoing barriers  
9 lead to reductions in diversity throughout the teacher  
10 pipeline starting with unequal high school graduation rates  
11 and rates of enrollment in postsecondary institutions,  
12 including racial disparities in educator preparation  
13 enrollment and retention in the teaching profession; and

14 WHEREAS, One of the most significant challenges in the  
15 teacher pipeline is the gap in diversity between Illinois  
16 colleges and Illinois educator preparation programs; and

17 WHEREAS, More debt can discourage those in pursuit of a  
18 career in the teaching profession; and

19 WHEREAS, Teachers of color are more likely to borrow money  
20 to pay for teacher preparation; and

1           WHEREAS, The Minority Teachers of Illinois Scholarship was  
2 created to encourage academically talented Illinois minority  
3 students to enroll in educator preparation and pursue teaching  
4 careers so that students of color in Illinois are more likely  
5 to be taught by teachers of color; and

6           WHEREAS, Recipients of the Minority Teachers of Illinois  
7 Scholarship are required to teach in schools at which no less  
8 than 30% of the enrolled students are minority students in the  
9 year during which the recipient begins teaching at the school  
10 or, if the recipient received a scholarship as a qualified  
11 bilingual minority applicant, in a program in transitional  
12 bilingual education pursuant to Article 14C of the School Code  
13 or in a school in which 20 or more English learner students in  
14 the same language classification are enrolled; and

15           WHEREAS, More than 8,000 awards have been distributed to  
16 aspiring teachers of color through the Minority Teachers of  
17 Illinois scholarship; and

18           WHEREAS, The pool of candidates enrolling in educator  
19 preparation programs has indeed grown more diverse over time  
20 but is still not as diverse as Illinois colleges; and

21           WHEREAS, The teacher workforce has gradually grown more  
22 diverse over the last decade but still lags student diversity

1 significantly; therefore, be it

2 RESOLVED, BY THE SENATE OF THE ONE HUNDRED THIRD GENERAL  
3 ASSEMBLY OF THE STATE OF ILLINOIS, that we affirm the  
4 importance and targeted value of the Minority Teachers of  
5 Illinois scholarship in increasing diversity in the teacher  
6 workforce; and be it further

7 RESOLVED, That we celebrate the support that the Minority  
8 Teachers of Illinois scholarship has offered to aspiring  
9 teachers to date and the scholarship's role in growing the  
10 diversity of teacher preparation in Illinois; and be it  
11 further

12 RESOLVED, That we urge the Illinois Student Assistance

17 entities to continue to support efforts grounded in research  
18 and data that increase the diversity of the educator workforce  
19 in order to improve outcomes for all students in this State.
