With regard to Tier 2 members and participants under the Illinois Municipal Retirement Fund (IMRF), Chicago Municipal, Cook County, State Employees, and State Universities Article: changes the retirement age to age 60 with 20 years of service or age 67 with 10 years of service; changes the final average salary calculation to the total salary during the 60 months (instead of 96 months) of service within the last 120 months of service in which the total salary was the highest; rescinds an election for certain benefits for persons under the Chicago Municipal Article; provides that the automatic annual increase in retirement annuity shall be calculated at 3% or one-half the annual unadjusted increase in the consumer-price index-u, whichever is greater (instead of whichever is less) of the originally granted retirement annuity; and makes other changes. Amends the Illinois Pension Code. Provides that a security employee of the Department of Corrections or the Department of Juvenile Justice under the Tier 2 provisions is entitled to an annuity calculated under the alternative retirement formula, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55 (instead of age 60). Provides that the changes made by the amendatory Act are intended to be retroactive to January 1, 2011 and are applicable without regard to whether a member or participant was in active service on or after the effective date. Authorizes SLEP status under IMRF for a person who is a county correctional officer or probation officer. Amends the State Mandates Act to require implementation without reimbursement.

**Pension Note (Government Forecasting & Accountability)**

According to the State Employees Retirement System (SERS), reducing the Tier 2 alternative formula retirement age from 60 to 55 for security employees of the Departments of Corrections and Juvenile Justice would cause the overall accrued liability to increase by \$1.9 billion, with a corresponding increase to the State's annual contribution of \$84 million/year. A comprehensive actuarial study would be needed to assess the impact of the other components of the bill: granting the Tier 2 COLA after one year of retirement, regardless of age; lowering the normal (non-police) Tier 2 retirement age; and adding Tier 1 and 2 county correctional officers and probation officers to the IMRF SLEP program.

Replaces everything after the enacting clause. Amends the Illinois Pension Code. In the State Employee Article of the Code, provides that, with regard to persons subject to the Tier 2 provisions, an investigator for the Department of the Lottery is entitled to an annuity calculated under the alternative retirement annuity provisions, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55, regardless of whether the attainment of age 55 occurs while the person is still in service. Authorizes an investigator for the Department of the Lottery to establish eligible creditable service under the alternative retirement annuity provisions. Provides that a specified educational requirement for persons employed by the Department of Juvenile Justice shall no longer determine the eligibility to earn eligible creditable service under the alternative retirement annuity provisions, and authorizes the conversion of service credit to eligible creditable service. Excludes a benefit increase resulting from the amendatory Act from the definition of "new benefit increase". Establishes a deferred retirement option plan for certain police officers, firefighters, sheriff's law enforcement employees, and deputy sheriffs in the Cook County Police Department who are otherwise eligible to retire under which a participant may continue in active service for up to 5 years while having his or her retirement pension paid into a special account. Provides that the election to participate in the deferred retirement option plan must be made before January 1, 2029. Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Downstate Police, Downstate Firefighter, Chicago Police, and Chicago Firefighter Articles. In the Chicago Teacher Article of the Code, provides that when computing days of validated service, contributors shall receive the greater of: (1) one day of service credit for each day for which they are paid salary representing a partial or a full day of employment rendered to an employer or the Board of Trustees of the Fund; or (2) 10 days of service credit for each 10-day period of employment in which the contributor worked 50% or more of the regularly scheduled hours (instead of one day of service credit for each day for which they are paid salary representing a partial or a full day of employment rendered to an employer or the Board). Amends the State Mandates Act to require implementation without reimbursement.

Pension Note, House Floor Amendment No. 3 (Government Forecasting & Accountability)

Amends the General Provisions, Downstate Police, Downstate Firefighter, and State Employees Articles of the Illinois Pension Code. Provides that a security employee of the Department of Corrections or the Department of Juvenile Justice or a security employee of the Department of Human Services subject to the Tier 2 provisions is entitled to an annuity calculated under the alternative retirement annuity provisions, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55, regardless of whether the attainment of age 55 occurs while the person is still in service. Provides that any benefit increase that results from the amendatory Act is excluded from the definition of "new benefit increase". In the Downstate Police and Downstate Firefighter Articles, in a provision that reduces the amount of the pension for a Tier 2 firefighter or Tier 2 police officer who retires with at least 10 years of creditable service before attaining age 55, provides that the pension of a Tier 2 firefighter or Tier 2 police officer who is retiring after attaining age 50 with 20 or more years of creditable service shall not be reduced. Makes a conforming change. Provides that each annual increase for Tier 2 firefighters shall be increased on the January 1 occurring either on or after the attainment of age 55 (instead of age 60) or the first anniversary of the pension start date, whichever is later. Replaces everything after the enacting clause. Amends the Cemetery Protection Act. Defines "veteran" and "veterans' organization". Provides that if a veterans' organization has identified human remains of a veteran that are more than 100 years old and wishes to have a marker placed to designate the grave as that of a veteran, a cemetery authority may allow such memorialization without permission of the decedent's heirs. Provides that all costs for memorialization including the marker, its installation, and any removal of or repair to a previous marker that is damaged shall be entirely borne by the veterans' organization. Prohibits human remains from being disturbed in this process. Requires permission from the cemetery authority and compliance with the rules and regulations and any collective bargaining agreement of the involved cemetery. Requires the veterans' organization to first make a good faith effort to contact the decedent's next of kin, and if there is no response within 120 days, the process may proceed. Provides that if any heir of a decedent later objects to memorialization, the sole remedy is the removal of the involved marker at the expense of the involved veterans' organization unless the veterans' organization no longer exists or is without funds, in which case removal shall be at the expense of the heir. Prohibits any monetary damages or any other equitable relief or penalties against the cemetery authority, cemetery, or veterans' association.

Senate Floor Amendment No. 1

Defines "not-for-profit corporation" as that term is used in the General Not For Profit Corporation Act of 1986. Provides that a not-for-profit corporation may identify human remains of a veteran under the Cemetery Protection Act.

Provides that, with regard to persons subject to the Tier 2 provisions, a security employee of the Department of Human Services, a security employee of the Department of Corrections or the Department of Juvenile Justice, or an investigator for the Department of the Lottery is entitled to an annuity calculated under the alternative retirement annuity provisions, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55, regardless of whether the attainment of age 55 occurs while the person is still in service. Authorizes an investigator for the Department of the Lottery to establish eligible creditable service under the alternative retirement annuity provisions. Provides that a security employee of the Department of Human Services subject to the Tier 2 provisions may convert up to 13 years of service credit established before the effective date of the amendatory Act as a security employee of the Department of Human Services into eligible creditable service by filing a written election with the Board, accompanied by a specified payment. Provides that a specified educational requirement for persons employed by the Department of Juvenile Justice shall no longer determine the eligibility to earn eligible creditable service under the alternative retirement annuity provisions, and authorizes the conversion of service credit to eligible creditable service. Excludes a benefit increase resulting from the amendatory Act from the definition of "new benefit increase". Effective January 1, 2025.

40 ILCS 5/15-158.3  
110 ILCS 49/20

Amends the State Universities Retirement System Article of the Illinois Pension Code. With respect to a Section concerning reports on cost reduction, removes provisions requiring that on or before November 15th of each year, the Board of Higher Education, in conjunction with the Governor's Office of Management and Budget, prepare a report showing, on a fiscal year by fiscal year basis, the amount by which the costs associated with compensable sick leave have been reduced as a result of the termination of compensable sick leave accrual on and after January 1, 1998 by employees of higher education institutions who are participants in the System. Amends the Higher Education Veterans Service Act. In provisions concerning reporting, provides that each October 15, each public college and university shall report to the Board of Higher Education, in collaboration with the Illinois Community College Board, on the expenditures for the prior fiscal year for the programs and services related to the efforts of the public college or university in attracting, recruiting, and retaining veterans and military personnel (instead of providing that each September 1, each college and university that is required to have a Coordinator of Veterans and Military Personnel Student Services shall report to the Board of Higher Education on the fiscal impact of the programs and services related to the requirements of the Act and on the efforts of the public college or university in attracting, recruiting, and retaining veterans and military personnel). Requires the Board's report to be filed with the Executive Director of the Illinois Community College Board.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. With respect to the Section concerning reports on cost reduction in the Illinois Pension Code, provides that, on and after December 31, 2026, the provisions concerning the report on the amount by which costs associated with compensable sick leave have been reduced as a result of the termination of compensable sick leave accrual on and after January 1, 1998 by employees of higher education institutions who are participants in the State Universities Retirement System are inoperative (instead of removing the provisions concerning the report). With respect to the Section concerning expenditure reporting in the Higher Education Veterans Service Act, corrects a reference to the Executive Director of the Illinois Community College Board.

Amends the Illinois Pension Code. Makes changes to Tier 2 benefits, including changing the amount of the automatic annual increase to 3% of the originally granted retirement annuity or 3% of the retirement annuity then being paid for the General Assembly and Judges Articles, changing the limit on the amount of salary for annuity purposes to the Social Security wage base, changing the calculation of final average salary to the Tier 1 calculation for persons who are active members on or after January 1, 2025, and changing the retirement age. Establishes an accelerated pension benefit payment option for the General Assembly, Chicago Teachers, and Judges Articles of the Code. Provides that, with regard to persons subject to the Tier 2 provisions, a security employee of the Department of Human Services, a security employee of the Department of Corrections or the Department of Juvenile Justice, an investigator for the Department of the Lottery, or a State highway worker is entitled to an annuity calculated under the alternative retirement annuity provisions of the State Employee Article of the Code. Authorizes the conversion of service to eligible creditable service. Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Downstate Police, Downstate Firefighter, Chicago Police, and Chicago Firefighter Articles. Authorizes SLEP status under the Illinois Municipal Retirement Fund for a person who is a county correctional officer or probation officer and for a person who participates in IMRF and qualifies as a firefighter under the Public Safety Employee Benefits Act. In the Downstate Firefighter Article, includes a de facto firefighter in the definition of "firefighter". Defines "de facto firefighter". Provides that the monthly pension of a firefighter who is receiving a disability pension shall be increased at the rate of 3% of the original monthly pension. Makes changes to the minimum retirement annuity payable to a firefighter with 20 or more years of creditable service, the minimum disability pension, and the minimum surviving spouse's pension. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement by the State. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

HB 5909 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

HB 5909 makes significant changes to the Illinois Pension Code, focusing on Tier 2 members—those who began service on or after January 1, 2011. The bill aligns Tier 2 age-and-service provisions with Tier 1 standards across all affected systems and reduces the final average salary calculation period for Tier 2 members to the Tier 1 standard. The bill also introduces a non-compounded 3% COLA for Tier 2 members and adjusts the Tier 2 pensionable salary cap to the Social Security Wage Base. A comprehensive actuarial study will evaluate the bill's major provisions, with an updated impact note to follow upon completion of the study.

Amends the School Code. Requires school report cards prepared by the State Superintendent of Education to include the percentage of students with disabilities who have fulfilled the minimum State graduation requirements and have been issued a regular high school diploma and the percentage of students with disabilities who have fulfilled the minimum State graduation requirements but have not completed their individualized education program and are enrolled and receiving individualized education program services.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Removes provisions requiring the student outcome data on a school report card to include the percentage of students with disabilities who have fulfilled the minimum State graduation requirements but have not completed their individualized education program and are enrolled and receiving individualized education program services. Provides that for any school report card prepared after July 1, 2025, for all high school graduation completion rates that are reported on the school report card, the State Superintendent of Education shall also report the percentage of students who did not meet the requirements of high school graduation completion for any reason and, of those students, the percentage that are classified as students who fulfill the requirements of the participation in graduation provisions of the Children with Disabilities Article of the School Code. Requires the State Superintendent to ensure that for the 2023-2024 school year there is a specific code for districts to report students who fulfill the requirements of those provisions. Provides that these reporting requirements shall be included on the school report card where high school graduation completion rates are reported, along with a brief explanation. Adds an immediate effective date.

Removes language requiring the Supreme Court to create a statewide standardized form to request access to documents in a court file that is restricted in any manner.

Amends the Code of Civil Procedure. Provides that process may (rather than shall) be served by a sheriff, or if the sheriff is disqualified, by a coroner of some county of the State. Removes language providing that process may be served by a person who is licensed or registered as a private detective or by a registered employee of a private detective agency in counties with a population of less than 2,000,000 (and instead allows process to be served in such a manner statewide). Removes language providing that upon motion and in its discretion, the court may appoint as a special process server a private detective agency and, under the appointment, any employee of the private detective agency may serve the process.

House Committee Amendment No. 1

Removes language providing that process may be served by a person who is licensed or registered as a private detective or by a registered employee of a private detective agency in counties with a population of less than 2,000,000 (and instead allows process to be served in such a manner statewide). Amends the Assisted Living and Shared Housing Act. **HB 04475 (Continued)**

Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:

5 ILCS 100/5-45.55 new

Adds reference to:

215 ILCS 125/5-3

from Ch. 111 1/2, par. 1411.2

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

Requires the Department of Human Services, in partnership with other specified State agencies, to eliminate on July 1, 2027 the use of active or pending 14(c) certificates authorized under the federal Fair Labor Standards Act of 1938, as well as authorizations permitted under the Minimum Wage Law to pay an employee with a disability less than the minimum wage otherwise required for employees under the Minimum Wage Law. Creates the Transition Grant Fund as a special fund in the State treasury to provide funds, subject to appropriation, to community agencies with active or pending 14(c) certificates to aid in the transition away from subminimum wages for employees with disabilities. Amends the Employment and Economic Opportunity for Persons with Disabilities Task Force Act. Requires the Employment and Economic Opportunity for Persons with Disabilities Task Force (Task Force) to create, by no later than July 1, 2025, a multi-year plan of recommended actions, outcomes, and benchmarks to help the State meet its goal to eliminate the use of 14(c) certificates on and after July 1, 2027. Sets forth certain information and data that shall be included in the multi-year plan to inform the work of the Task Force. Requires the Task Force to include in the multi-year plan certain recommendations aimed at facilitating the elimination of 14(c) certificates. Amends the Illinois Procurement Code. In a provision listing the type of not-for-profit agencies whose supplies and services may be procured without advertising or calling for bids, revises the list to include a not-for-profit agency that is (i) certified as a community rehabilitation provider by the Department of Human Services and (ii) accredited by a nationally-recognized accrediting organization or certified as a day services provider by the Department. Amends the Business Enterprise for Minorities, Women, and Persons with Disabilities Act. In the definition of "business owned by a person with a disability", removes from the definition a not-for-profit agency for persons with disabilities that is exempt from taxation under the Internal Revenue Code of 1986. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that, beginning January 1, 2024, the personal needs allowance for a qualifying medical assistance recipient who is a resident in a facility licensed under the Community-Integrated Living Arrangements Licensure and Certification Act shall equal \$100. Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with the following changes. Further amends the Department of Human Services Act. Requires the Department of Human Services to eliminate on December 31, 2029 (rather than July 1, 2027) the use of active or pending certificates authorized under Section 14(c) the federal Fair Labor Standards Act of 1938. Requires the Department of Healthcare and Family Services, in partnership with the Department of Human Services, to file an amendment to the Home and Community-Based Services Waiver Program for Adults with Developmental Disabilities authorized under the Social Security Act to increase the rates for the following waiver services: Supported Employment - Small Group Supports. Requires the amendment to be filed by January 1, 2025. Removes provisions creating a Transition Grant Fund and instead provides that the Department shall establish a Section 14(c) transition program to award transition grants to eligible community agencies with active or pending Section 14(c) certificates to aid in the transition away from subminimum wages for workers with disabilities. Provides that eligibility for the grants shall be contingent upon community agencies submitting a transition plan. Requires the Department to provide example plans that community agencies may adapt and to award transition program grant funds by January 1, 2025 in compliance with the Grant Accountability and Transparency Act. Contains provisions on appropriate uses for the grant funds. Requires the Department to submit annual status reports to the Governor and the General Assembly that include data on each grant recipient to demonstrate progress toward identified benchmarks. Further amends the Employment and Economic Opportunity for Persons with Disabilities Task Force Act. In provisions requiring the Employment and Economic Opportunity for Persons with Disabilities Task Force to create a multi-year plan to eliminate Section 14(c) certificates, requires the Task Force to create the multi-year plan with the Illinois Council on Developmental Disabilities and an academic partner with relevant subject matter expertise. Provides that the multi-year plan shall help the State to successfully eliminate the use of Section 14(c) certificates on December 31, 2029 (rather than July 1, 2027). Sets forth certain considerations the Task Force must make when developing the multi-year plan; data and analysis to be included in the multi-year plan; and other matters. Provides that the Task Force shall consult with employment service providers, people with disabilities, disability trade associations, and disability advocacy organizations in the development of the multi-year plan. Requires the Governor to appoint at least 2 additional members to the Task Force who represent organizations that are current Section 14(c) certificate holders. Provides that the Director of Labor, or the Director's designee, shall serve on the Task Force in a non-voting, advisory capacity until July 1, 2025. Further amends the Medical Assistance Article of the Illinois Public Aid Code concerning personal needs allowance increases for residents of community-integrated living arrangements. Further amends the Minimum Wage Law. Permits the Director of Labor to issue regulations for the employment of learners at wages lower than the wage rate applicable under the Act. Effective immediately.

Amends the Early Mental Health and Addictions Treatment Act. Requires the Department of Human Services to implement a 2-year pilot program to provide FDA-approved 8-milligram naloxone nasal spray kits to licensed community substance use providers and public health departments in Cook County, DuPage County, Winnebago County, Sangamon County, and St. Clair County. Requires the Department to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency medical service providers and bystanders per overdose incident during the 2-year term of the pilot program. Provides that the data collected must also include the number of overdose reversals and deaths following the administration of the 8-milligram naloxone nasal spray. Requires the Department to prepare a report on the results of the 2-year pilot program and submit the report to the General Assembly by July 1, 2026. Effective January 1, 2024.

from Ch. 111, par. 6359

Amends the Clinical Social Work and Social Work Practice Act. Provides that an applicant may use an examination alternative to allow the Department of Financial and Professional Regulation to ascertain the qualifications and fitness of candidates for a license to engage in the independent practice of clinical social work. Provides that the examination alternative shall consist of at least 2 years of supervised professional experience subsequent to obtaining the degree as established by rule. Provides that the examination alternative supervised professional experience shall be in addition to any other supervised clinical professional experience required for licensure. Provides that beginning January 1, 2026, an applicant acquiring the examination alternative supervised professional experience must be a licensed social worker or licensed in this State for the practice of school social work prior to acquiring the supervised professional experience. Provides that the Department shall require that a qualified licensed clinical social work supervisor to complete at least 6 hours of continuing education training. Makes corresponding changes. Effective immediately.

Deletes reference to:

225 ILCS 20/3

from Ch. 111, par. 6353

Deletes reference to:

225 ILCS 20/8.3 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning examination alternatives, provides that the examination alternative shall consist of at least 3,000 hours of supervised professional experience that is obtained within the 10 calendar years immediately preceding the date of application (rather than 2 years of supervised professional experience) and after the degree is obtained as established by rule. Removes provisions concerning qualified licensed clinical social work supervisors. Deletes the effective date provision.

Senate Committee Amendment No. 1

Provides that an applicant who, on or after the effective date of the amendatory Act or within 5 years before the effective date of the amendatory Act, has taken but has not successfully completed an examination to ascertain the qualifications and fitness of candidates for a license to engage in the independent practice of clinical social work (instead of only an applicant) may use an examination alternative to allow the Department of Financial and Professional Regulation to ascertain the qualifications and fitness of candidates for a license to engage in the independent practice of clinical social work.

Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offenses of child sexual abuse material to child sexual abuse material. Changes the penalty for grooming from a Class 4 to a Class 3 felony. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent". Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony for a first offense; and a Class 3 felony for a second or subsequent offense, or if the person has been previously convicted of a sex offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

House Committee Amendment No. 1

Provides that the definition of "family member" in the Sex Offenses Article of the Criminal Code of 2012 includes a sibling. Provides that "family member" also means, if the victim is under 18 years of age, an accused who has resided in the household with the child continuously for at least 3 (rather than 6) months. Restores a reference to aggravated child pornography which offense was repealed by Public Act 97-995, effective January 1, 2013.

House Committee Amendment No. 2

In the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, deletes in the definition of "unable to give knowing consent" that the victim could not give intelligent agreement to the sexual act. Provides that a violation of the provisions of sexual exploitation of a child by knowingly enticing, coercing, or persuading a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older is a Class 4 felony (rather than a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense or if the person has been previously convicted of a sex crime). Provides that in order to commit the offense of grooming, the person be 5 years or more older than a child victim, or holding a position of trust, authority, or supervision in relation to the child at the time of the offense.

House Committee Amendment No. 3

In the amendatory changes to the Criminal Code of 2012, restores the Class 4 felony penalty for grooming.

New Act

Creates the Veterans I.O.U. Act. Provides that the General Assembly finds that veterans are owed a debt of gratitude for their service; that there is a known and large gap between veterans and their awareness of the resources, services, and benefits available to them, especially in times of need; and that closing this gap begins with being able to identify a veteran, which can eliminate the disconnect between a veteran and the resources, services, and benefits the veteran may need. Requires the Department of Veterans' Affairs to develop, by rule, standards for identifying veterans and making them aware of resources, services, and benefits that veterans may need. Provides that the rules shall require State agencies, local government agencies, as well as licensed individuals and entities, to ask an individual at the point of initial contact if the individual has ever served in any branch of the military of the United States, including the National Guard, reserve, or active duty. Defines "points of contact" to include, but not be limited to, stops by law enforcement, arrest and booking, emergency room visits, visits to food pantries, and visits to homeless shelters. Provides that if an individual affirmatively answers at the point of contact that the individual is a veteran, the veteran shall be offered information and outreach in accordance with the Department's standards. Requires outreach by the Department to commence within 48 hours after the initial contact and to include, but not be limited to: information regarding available resources, services, and benefits; assistance in contacting providers of the resources, services, and benefits; assistance in enrolling in the resources, services, and benefits; and where available, support for the veteran's family. Provides that outreach regarding resources, services, and benefits shall not be limited to resources of the U.S. Department of Veterans Affairs. Requires State agencies, local government agencies, and licensed individuals and entities to comply with the Department's standards that apply to them. Grants the Department rulemaking authority and requires State agencies, local government agencies, and licensed individuals and entities to comply with those rules.

New Act

Creates the Strengthening and Transforming Behavioral Health Crisis Care in Illinois Act. Requires the Department of Human Services, Division of Mental Health, to use an independent third-party expert to conduct a cost analysis and determine actuarially sound costs associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State, including crisis call centers, mobile crisis response team services, crisis receiving and stabilization centers, and other acute behavioral health services. Contains provisions concerning recommendations on multiple sources of funding that could potentially be utilized to support a sustainable and comprehensive continuum of behavioral health crisis response services; a behavioral health crisis workforce; an action plan; a stakeholder working group to develop recommendations to coordinate programming and strategies to support a cohesive behavioral health crisis response system; and other matters. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill but with the following changes: Makes subject to appropriation the requirement that the Department of Human Services use an independent third-party expert to conduct a cost analysis on developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Provides that the cost analysis shall include costs that are or can be reasonably attributed to: (i) staffing and technological infrastructure enhancements necessary to achieve operational and clinical standards and best practices set forth by the 9-8-8 Suicide and Crisis Lifeline (rather than costs that are or can be reasonably attributed to ensuring the efficient and effective routing of calls made to the 9-8-8 suicide prevention and behavioral health crisis hotline to the designated hotline center and community behavioral health centers); (ii) the need to develop staffing that is consistent with federal guidelines for (rather than staffing that is adequate for expedient) mobile crisis response times, based on call volume and the geography served; and (iii) the provision of call, text, and chat response; mobile crisis response; and follow-up and crisis stabilization services that are in response to the 9-8-8 Suicide and Crisis Lifeline. Removes all references to "Program 590" with "the Division of Mental Health's Crisis Care Continuum Program". Makes other technical changes. Effective immediately.

Senate Committee Amendment No. 1

Requires the Department of Human Services' Division of Mental Health to determine the sound costs (rather than the actuarially sound costs) associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Expands membership on the stakeholder working group to include labor unions that represent workers in the behavioral health workforce.

Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that A law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

**Representative Lindsey LaPointe**  
**HB 04475 (Continued)**

Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:

5 ILCS 100/5-45.55 new

Adds reference to:

215 ILCS 125/5-3

from Ch. 111 1/2, par. 1411.2

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

Provides that in establishing and maintaining the Illinois Medicaid Preferred Drug List, the Department shall ensure that no nonopioid drug approved by the U.S. Food and Drug Administration for the treatment or management of pain shall be disadvantaged or discouraged with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain on the Illinois Medicaid Preferred Drug List, where impermissible disadvantaging or discouragement includes, without limitation: designating any such nonopioid drug as a nonpreferred drug if any opioid or narcotic drug is designated as a preferred drug; or establishing more restrictive or more extensive utilization controls, including, but not limited to, more restrictive or more extensive prior authorization or step therapy requirements, for such nonopioid drug than the least restrictive or extensive utilization controls applicable to any such opioid or narcotic drug. New Act

Creates the Workforce Direct Care Act. Establishes the Behavioral Health Administrative Burden Work Group within the Office of the Chief Behavioral Health Officer. Sets forth membership and responsibilities of the Work Group, including to review policies and regulations affecting the behavioral health industry to identify inefficiencies, duplicate or unnecessary requirements, unduly burdensome restrictions, and other administrative barriers that prevent behavioral health professionals from providing services and to analyze the impact of administrative burdens on the delivery of quality care and access to behavioral health services. Requires the Work Group to meet at least once a month and to prepare an administrative burden reduction plan with policy recommendations to improve access to behavioral health care.

House Floor Amendment No. 2

Replaces everything after the enacting clause and reinserts the provisions of the introduced bill with the following changes. Changes the Behavioral Health Administrative Burden Work Group to the Behavioral Health Administrative Burden Task Force. Makes changes to the membership of the Behavioral Health Administrative Burden Task Force. Authorizes the chair of the Work Group to designate a nongovernmental entity or entities to provide pro bono administrative support to the Task Force. Requires each State agency whose participation would be necessary to implement any component of the administrative burden reduction plan to submit a detailed response to the General Assembly about the recommendations in the plan (rather than monthly implementation reports). Makes changes to provisions concerning the findings and purpose of the General Assembly. Adds an immediate effective date.

New Act  
Adds reference to:  
20 ILCS 2310/2310-730 new

Removes all of the provisions of the Nonopioid Alternatives for Pain Act except for the provisions requiring the Department of Public Health to develop and publish on its website an educational pamphlet regarding the use of nonopioid alternatives for the treatment of acute nonoperative, acute perioperative, subacute, or chronic pain. Moves those provisions to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. In provisions amending the Illinois Insurance Code and the Illinois Public Aid Code, removes language providing that the provisions apply to a nonopioid drug immediately upon its approval by the U.S. Food and Drug Administration. Provides that the Department of Healthcare and Family Services shall ensure that nonopioid drugs preferred on the Department's preferred drug list, and approved by the U.S. Food and Drug Administration, for the treatment or management of pain shall not be disadvantaged or discouraged with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain (instead of with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain on the Illinois Medicaid Preferred Drug List, where impermissible disadvantaging or discouragement includes, without limitation: designating any such nonopioid drug as a nonpreferred drug if any opioid or narcotic drug is designated as a preferred drug; or establishing more restrictive or more extensive utilization). Removes language concerning the applicability of the provisions to drugs provided under a contract between the Department and a managed care organization. Provides that the changes to the Illinois Insurance Code and the Illinois Public Aid Code are effective January 1, 2026.

Requires the Employment and Economic Opportunity for Persons with Disabilities Task Force (Task Force) to create, by no later than July 1, 2025, a multi-year plan of recommended actions, outcomes, and benchmarks to help the State meet its goal to eliminate the use of 14(c) certificates on and after July 1, 2027. Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with the following changes. Further amends the Department of Human Services Act. Requires the Department of Human Services to eliminate on December 31, 2029 (rather than July 1, 2027) the use of active or pending certificates authorized under Section 14(c) the federal Fair Labor Standards Act of 1938. Requires the Department of Healthcare and Family Services, in partnership with the Department of Human Services, to file an amendment to the Home and Community-Based Services Waiver Program for Adults with Developmental Disabilities authorized under the Social Security Act to increase the rates for the following waiver services: Supported Employment - Small Group Supports. Requires the amendment to be filed by January 1, 2025. Removes provisions creating a Transition Grant Fund and instead provides that the Department shall establish a Section 14(c) transition program to award transition grants to eligible community agencies with active or pending Section 14(c) certificates to aid in the transition away from subminimum wages for workers with disabilities. Provides that eligibility for the grants shall be contingent upon community agencies submitting a transition plan. Requires the Department to provide example plans that community agencies may adapt and to award transition program grant funds by January 1, 2025 in compliance with the Grant Accountability and Transparency Act. Contains provisions on appropriate uses for the grant funds. Requires the Department to submit annual status reports to the Governor and the General Assembly that include data on each grant recipient to demonstrate progress toward identified benchmarks. Further amends the Employment and Economic Opportunity for Persons with Disabilities Task Force Act. In provisions requiring the Employment and Economic Opportunity for Persons with Disabilities Task Force to create a multi-year plan to eliminate Section 14(c) certificates, requires the Task Force to create the multi-year plan with the Illinois Council on Developmental Disabilities and an academic partner with relevant subject matter expertise. Provides that the multi-year plan shall help the State to successfully eliminate the use of Section 14(c) certificates on December 31, 2029 (rather than July 1, 2027). Sets forth certain considerations the Task Force must make when developing the multi-year plan; data and analysis to be included in the multi-year plan; and other matters. Provides that the Task Force shall consult with employment service providers, people with disabilities, disability trade associations, and disability advocacy organizations in the development of the multi-year plan. Requires the Governor to appoint at least 2 additional members to the Task Force who represent organizations that are current Section 14(c) certificate holders. Provides that the Director of Labor, or the Director's designee, shall serve on the Task Force in a non-voting, advisory capacity until July 1, 2025. Further amends the Medical Assistance Article of the Illinois Public Aid Code concerning personal needs allowance increases for residents of community-integrated living arrangements. Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Creates the Mental Health and Wellness Act (rather than the Mental Health Equity Access and Prevention Act). In provisions concerning coverage of no-cost mental health prevention and wellness visits, provides that a mental health prevention and wellness visit shall be in addition to an annual physical examination. Provides that the Department of Insurance shall update current procedural terminology codes through adoption of rules if the codes listed in the provisions are altered, amended, changed, deleted, or supplemented. Provides that a mental health prevention and wellness visit may be incorporated into and reimbursed within any type of integrated primary care service delivery method. Provides that the Department shall adopt any rules necessary to implement the provisions by no later than October 31, 2024 (rather than 2023). Removes provisions concerning coverage of out-of-network mental health care, provisions concerning coverage of medically necessary mental health care for individuals not diagnosed with a mental health disorder, and provisions concerning analysis of mental health care coverage on insurance premiums. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, and the School Code. Makes other changes. Effective immediately.

House Floor Amendment No. 3

In provisions concerning coverage of no-cost mental health prevention and wellness visits, provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 shall provide coverage for one annual mental health prevention and wellness visit (rather than 2 annual mental health prevention and wellness visits) for children and for adults. Makes a grammatical correction.

Amends the Illinois Insurance Code. In a provision concerning coverage for mammograms, provides that if a woman's physician has ordered the patient to receive breast tomosynthesis because it has been determined that high breast density will make low-dose mammography inaccurate or ineffective, the insurer shall not require the physician to order an additional low-dose mammography as a precondition to breast tomosynthesis, nor shall an insurer require the patient to receive a low-dose mammography as a precondition to breast tomosynthesis. Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Kinship in Demand (KIND) Act. Provides that the KIND Act creates the statutory vision and authority for the Department of Children and Family Services to execute a kin-first approach to service delivery and directs the juvenile courts to provide necessary oversight of the Department's obligations to maintain family connections and promote equitable opportunities for youth and families to thrive with relational permanence. Amends the Children and Family Services Act. Contains provisions concerning Department rules on relative and licensed foster care; grants to subsidized guardians of hard-to-place children; a requirement on the Department to make diligent efforts to place a child with a relative; documentation of the Department's reasons for failing to secure a relative placement; foster care maintenance payments for relatives who qualify for certification as a relative caregiver home under the Child Care Act of 1969; subsidized guardianship support services for children and their guardians; certification and background checks on persons seeking relative caregiver approval; annual reports regarding relative and certified relative caregiver placements; performance audits; and other matters. Amends the Child Care Act of 1969. Requires the Department to adopt standards for certified relative caregiver family homes that are different from licensing standards used for non-relative foster family homes. Contains provisions concerning background screenings of prospective relative caregiver homes; a requirement that the Department assist prospective certified relative caregivers with completing the steps required for approval as a certified relative caregiver home; orientation activities for certified relative caregivers; and other matters. Amends the Juvenile Court Act of 1987. Makes changes to provisions concerning "best interest" determinations; court assessments on the Department's effort to place a minor with a relative; inquiries by a court on the Department's family finding and relative engagement efforts; required notification to a minor's located relatives that the minor has been removed from the custody of the minor's parents; and other matters. Some provisions take effect immediately, some provisions take effect January 1, 2025 and some provisions take effect July 1, 2025.

House Committee Amendment No. 3

Moves to a different location in House Amendment No. 2 a provision requiring the Department of Children and Family Services to make reasonable efforts to identify and locate relatives to serve as visitation resources for the child and potential future placement resources unless excused by the court.

House Floor Amendment No. 5

Further amends the Children and Family Services Act. In the definition of "fictive kin", removes language providing that a fictive kin means a person with close ties with the child or the child's family prior to the child's placement with the person. Further amends the Child Care Act of 1969. In provisions concerning standards for certified relative caregiver homes, provides that the Department of Children and Family Services or a licensed child welfare agency (rather than a licensed child welfare agency) shall complete the home safety and needs assessment and assess the ability of the prospective certified relative caregiver to care for the physical, emotional, medical, and educational needs of the specific child or children being placed by the Department. Makes conforming changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions concerning the adoption of rules concerning a relative support program, a review process for relative placement, certification, and visitation denials, and other matters, requires the Department of Children and Family Services to adopt such rules by July 1, 2025 (rather than January 1, 2025). Provides that the rules shall outline the essential elements of each form used in the implementation and enforcement of the provisions of the amendatory Act. Changes the date by which relative caregiver payments shall be made to relative caregiver homes to July 1, 2025 (rather than January 1, 2025). Makes changes to the definition of "caregiver". Requires the Department to review complaints made to child welfare agencies by residents of prospective and current certified relative caregiver homes. Requires the Department to notify the General Assembly on the Department's progress in pursuing federal funding for the kinship navigator program. Permits the public to make anonymous requests to the Department concerning its subsidized guardianship and adoption support services. Changes the effective date by making some provisions effective immediately and some provisions effective July 1, 2025.

**Balanced Budget Note (Office of Management and Budget)**

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

**Fiscal Note (Dept. of Healthcare & Family Services)**

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

20 ILCS 2310/2310-730 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Sets forth requirements for any State entity or hospital that receives funding from the National Institutes of Health to conduct clinical trials of drugs or medical devices. Provides that the Department of Public Health, in consultation with relevant research organizations, shall analyze and provide recommendations on: (i) the demographic groups and populations that are currently represented and underrepresented in clinical trials in the State, including representation of groups based on their geographic location; (ii) the barriers that prevent persons who are members of underrepresented demographic groups from participating in clinical trials in the State, including barriers related to transportation; and (iii) approaches for how clinical trials can successfully partner with others to provide outreach to underrepresented communities. Provides that the Department shall report to the General Assembly on the results of the study by July 1, 2025. Sets forth definitions of underrepresented community and underrepresented demographic group. Provides that the Department shall review guidance published by the United States Food and Drug Administration and use existing infrastructure to encourage participation in clinical trials of drugs and medical devices by persons who are members of underrepresented demographic groups. Authorizes the Department to apply for any grants related to the encouragement of underrepresented demographic groups related to the United Food and Drug Administration's guidance.

House Floor Amendment No. 1

**Representative Camille Y. Lilly**  
**HB 05405 (Continued)**

Requires the policy to include specific strategies for trial enrollment and retention of diverse participants, including, but not limited to, site location and access, sustained community engagement, and reducing burdens due to trial design or conduct, as appropriate (rather than a requirement for investigators who are conducting the clinical trials to collaborate with community-based organizations). Requires a policy to provide information to trial participants in languages other than English in accordance with current federal requirements. Requires the Department of Public Health to consult with the University of Illinois Cancer Center in making recommendations. Makes other changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Removes language requiring the Department of Public Health to adopt rules requiring State entities or hospitals to comply with specified requirements. Provides that the Department shall analyze and provide recommendations on specified information through voluntary reporting from research institutions and in consultation with community-based organizations and other stakeholders as appropriate and available (rather than in consultation with the Illinois Cancer Center, community-based organizations, and other research organizations). Provides that the Department shall issue its report and post the report on its website by July 1, 2026 (rather than reporting to the General Assembly by July 1, 2025). Provides that the Department shall establish an Internet website that provides information concerning methods for identifying and recruiting persons who are members of underrepresented demographic groups to participate in clinical trials and contains links to websites maintained by entities that are performing research relating to drugs or medical devices in the State (rather than establish a program to encourage participation in clinical trials of drugs and medical devices by persons who are members of demographic groups that are underrepresented in clinical trials).

40 ILCS 5/15-158.3  
110 ILCS 49/20

Amends the State Universities Retirement System Article of the Illinois Pension Code. With respect to a Section concerning reports on cost reduction, removes provisions requiring that on or before November 15th of each year, the Board of Higher Education, in conjunction with the Governor's Office of Management and Budget, prepare a report showing, on a fiscal year by fiscal year basis, the amount by which the costs associated with compensable sick leave have been reduced as a result of the termination of compensable sick leave accrual on and after January 1, 1998 by employees of higher education institutions who are participants in the System. Amends the Higher Education Veterans Service Act. In provisions concerning reporting, provides that each October 15, each public college and university shall report to the Board of Higher Education, in collaboration with the Illinois Community College Board, on the expenditures for the prior fiscal year for the programs and services related to the efforts of the public college or university in attracting, recruiting, and retaining veterans and military personnel (instead of providing that each September 1, each college and university that is required to have a Coordinator of Veterans and Military Personnel Student Services shall report to the Board of Higher Education on the fiscal impact of the programs and services related to the requirements of the Act and on the efforts of the public college or university in attracting, recruiting, and retaining veterans and military personnel). Requires the Board's report to be filed with the Executive Director of the Illinois Community College Board.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. With respect to the Section concerning reports on cost reduction in the Illinois Pension Code, provides that, on and after December 31, 2026, the provisions concerning the report on the amount by which costs associated with compensable sick leave have been reduced as a result of the termination of compensable sick leave accrual on and after January 1, 1998 by employees of higher education institutions who are participants in the State Universities Retirement System are inoperative (instead of removing the provisions concerning the report). With respect to the Section concerning expenditure reporting in the Higher Education Veterans Service Act, corrects a reference to the Executive Director of the Illinois Community College Board.

In provisions requiring the Employment and Economic Opportunity for Persons with Disabilities Task Force to create a multi-year plan to eliminate Section 14(c) certificates, requires the Task Force to create the multi-year plan with the Illinois Council on Developmental Disabilities and an academic partner with relevant subject matter expertise. Provides that the multi-year plan shall help the State to successfully eliminate the use of Section 14(c) certificates on December 31, 2029 (rather than July 1, 2027). Sets forth certain considerations the Task Force must make when developing the multi-year plan; data and analysis to be included in the multi-year plan; and other matters. Provides that the Task Force shall consult with employment service providers, people with disabilities, disability trade associations, and disability advocacy organizations in the development of the multi-year plan. Requires the Governor to appoint at least 2 additional members to the Task Force who represent organizations that are current Section 14(c) certificate holders. Provides that the Director of Labor, or the Director's designee, shall serve on the Task Force in a non-voting, advisory capacity until July 1, 2025. Further amends the Medical Assistance Article of the Illinois Public Aid Code concerning personal needs allowance increases for residents of community-integrated living arrangements. Further amends the Minimum Wage Law. Permits the Director of Labor to issue regulations for the employment of learners at wages lower than the wage rate applicable under the Act. Effective immediately.

Amends the Illinois Vehicle Code. Defines "disablement technology" as any instrument, device, machine, or equipment, whether software or hardware, that can be used to disable the starter of a motor vehicle, prevent fuel from flowing to the engine, prevent electricity from flowing to the engine, or otherwise prevent the vehicle from being started or driven by a person. Provides that disablement technology shall not be used as an aid to the physical retrieval of a vehicle as part of repossession or as a consequence for nonpayment under a retail installment contract or other instrument. Provides that a violation is an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Provides that a consumer whose vehicle is subject to the activation of disablement technology may bring an action against an activating person or entity for damages of \$1,000 per month per violation plus actual damages and attorney's fees. Provides that disablement technology may be offered for sale or sold only for anti-theft purposes, either on its own or for an additional fee in connection with the purchase of a motor vehicle. Requires a motor vehicle dealer that sells a motor vehicle containing disablement technology to comply with specified requirements. Provides that data generated or stored by disablement technology as the result of a consumer's vehicle usage is the personal property of the consumer, and the consumer is entitled to all profits and other benefits flowing from the sharing or sale of the data. Provides that data generated or stored by disablement technology that is installed in a consumer's vehicle, and data transmitted by or through the disablement technology that relates to the consumer or the consumer's use of a motor vehicle, may not be sold or otherwise shared with any third parties except as required by federal, State, or local law, or required by court order. Makes a corresponding change in the Consumer Fraud and Deceptive Business Practices Act.

House Floor Amendment No. 2

Provides that knowingly installing or using disablement technology in violation of the Code is an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Provides that an assignee or successor in interest to a retail installment contract or other instrument who did not install, authorize, or ratify the installation of the disablement technology in a consumer's vehicle may not be held liable for the prior contract holder's installation of disablement technology unless the technology is activated or the consumer is threatened with activation by the assignee or successor in interest. Provides that the required disclosure by any motor vehicle dealer that sells a motor vehicle containing disablement technology shall contain a statement that the disablement technology will not be used or activated by the motor vehicle dealer, lender, or any other party as part of a repossession or as a consequence of nonpayment of a retail installment contract or other instrument (rather than similar agreement).

New Act

Creates the Transportation Benefits Program Act. Requires all covered employers to provide a program that allows a covered employee to elect to exclude from taxable wages and compensation the employee's commuting costs incurred for the purchase of a transit pass to use public transit or for the purchase of qualified parking, up to a maximum level allowed by federal tax law. Provides that all transit agencies shall market the existence of this program and the Act to their riders in order to inform affected employees and their employers. Provides that nothing in the Act shall be deemed to interfere with, impede, or in any way diminish the right of employees to bargain collectively with their employers or affect the validity or change the terms of bona fide collective bargaining agreements in force on the effective date of the Act. Defines terms. Effective January 1, 2024.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the definition of "covered employer" includes an employer that employs 50 or more covered employees (rather than an average of 25 or more full-time employees) in a specified geographic area at an address that is located within one mile of regularly scheduled transit service. Provides that the pre-tax commuter benefit shall allow employees to use pre-tax dollars for the purchase of a transit pass or qualified parking, via payroll deduction, such that the costs for such purchases may be excluded from the employee's taxable wages and compensation up to the maximum amount permitted by federal tax law. Provides that the Regional Transportation Authority shall make publicly available a searchable database of addresses that are located within one mile of regularly scheduled transit service. Removes provisions concerning compensation for qualified parking. Makes other changes. Effective January 1, 2024.

Reinserts the provisions of the engrossed bill with the following changes: In provisions concerning the transportation benefits program, removes a provision that allows employees to use pre-tax dollars for the purchase of qualified parking. Provides that the Regional Transportation Authority shall make publicly available a searchable map (rather than database) of addresses that are located within one mile of fixed-route transit service (rather than regularly scheduled transit service). Effective January 1, 2024.

New Act

Creates the Limited-Equity Housing Cooperative Task Force Act. Provides that the purpose of the Act is to establish the Illinois Limited-Equity Housing Cooperative Task Force to collect data and qualitative experiences regarding the needs of limited-equity housing cooperatives with the goal of analyzing their potential to (i) increase the supply of affordable ownership housing across Illinois and (ii) further home ownership and build wealth among lower-income and moderate-income Illinoisans, especially those locked out of the traditional homeownership market. Provides that the Task Force is created within the Illinois Housing Development Authority to study: (1) opportunities to expand the number of limited-equity housing cooperatives statewide, including the number of properties that could be developed as limited-equity housing cooperatives; (2) the use of limited-equity housing cooperatives as a tool to create permanently affordable ownership housing; (3) the impact that substantial investments in limited-equity housing cooperatives would have on closing the racial wealth gap in Illinois; and other matters. Requires the Task Force to prepare and submit a final report, on or before December 31, 2024, to the Governor and the General Assembly making specific recommendations of legislative and budgetary action that supports the mission of limited-equity housing cooperatives to foster permanently affordable ownership housing and homeownership among lower-income and moderate-income Illinois residents. Contains provisions concerning Task Force membership; meetings; vacancies; and other matters. Provides that the Task Force is dissolved and the Act is repealed on December 31, 2024. Amends the Illinois Identification Card Act and the Illinois Vehicle Code. Changes the term "non-compliant identification card" to "standard identification card". Changes the definition of "limited term REAL ID compliant identification card" to include cards that have been issued to an individual who has an approved application for asylum in the United States or has entered the United States in refugee status. Allows the Secretary of State to accept, as proof of date of birth and written signature of an applicant for a standard identification card, any passport from the applicant's country of citizenship or a consular identification document validly issued to an applicant. Prohibits the Secretary from releasing highly restricted personal information or personally identifying information or disclosing documents to any immigration agent unless it is necessary to comply with a lawful court order, judicial warrant, or subpoena for individual records that specifically requires production of such information or documents. Prohibits the Secretary from entering into or maintaining any agreement regarding the sharing of such information or documents. Provides that no temporary visitor's driver's licenses shall be issued after the effective date of the amendatory Act. Provides that every driver's license application shall state the social security number of the applicant; except if the applicant is applying for a standard driver's license and is ineligible for a social security number, then if the applicant has documentation authorizing the applicant's presence in the country, the applicant shall provide such documentation instead of a social security number. Provides that if the applicant does not have documentation authorizing the applicant's presence in the country, the applicant must submit documentation establishing that the applicant has resided in the State for a period in excess of one year and a passport validly issued to the applicant from the applicant's country of citizenship. Makes conforming changes in those Acts and the Consular Identification Document Act and the Election Code. Effective January 1, 2024.

House Floor Amendment No. 1

Deletes reference to:  
15 ILCS 335/8

Deletes reference to:  
625 ILCS 5/6-115

In the Consular Identification Document Act: Changes the definition of "standard identification card" to require such card to be marked "Federal Limits Apply" (rather than "Not for Federal Identification"). Provides that an applicant who submits a passport as proof of date of birth and written signature for an identification card must be a person who does not have a social security number or documentation issued by the United States Department of Homeland Security authorizing the person's presence in the country. Removes changes made to a provision concerning the expiration of identification cards. Makes other changes. In the Illinois Vehicle Code: Defines "limited term REAL ID compliant driver's license" as a REAL ID compliant driver's license issued to a person who is not a permanent resident or citizen of the United States (rather than in compliance with a specified provision), or an individual who has an approved application for asylum in the United States or has entered the United States in refugee status, and marked "Limited Term" on the face of the license. Provides that if an applicant for a license or instruction permit under the Code does not have specified documentation, the applicant shall provide, among other documentation, (i) a passport validly issued to the applicant from the applicant's country of citizenship or a consular identification document validly issued to the applicant by a consulate of that country, as long as such documents are either unexpired or presented by an applicant within 2 years of its expiration date, and (ii) a social security card, if the applicant has a social security number. Removes changes made to a provision concerning the expiration of a driver's license. Makes conforming and other changes.

Creates the Illinois Caregiver Assistance and Resource Portal Act. Requires the Department on Aging, in consultation with the Department of Healthcare and Family Services, the Department of Public Health, and the Department of Veterans' Affairs, to be responsible for the creation and maintenance of the Illinois Caregiver Assistance and Resource Portal (Portal). Provides that the Portal shall serve as a centralized and trusted online platform offering a wide range of resources related to caregiving, including, but not limited to: (1) information on State and federal programs, benefits, and resources on caregiving, long-term care, and at-home care for Illinois residents who are 50 years of age or older; (2) educational materials, articles, and videos on caregiving best practices; and (3) accommodations for users with different language preferences, ensuring the information is accessible to diverse audiences. Sets forth additional resources and information that the Portal may feature, such as information on caregiving resources, home and community-based services that support family caregivers, nursing home care, services and programs offered by Area Agencies on Aging, relevant health care and financial assistance programs, and local support group opportunities for caregivers. Requires the Portal to be designed to be user-friendly and accessible to individuals of all ages and abilities and to include features such as search functionality, language accessibility, and compatibility with assistive technologies to ensure that a diverse range of caregivers can use it. Contains provisions concerning required outreach and promotional campaign efforts to raise awareness of the Portal, reporting requirements, and State and federal funding for the Portal. Requires the Portal to be implemented one year after the effective date of the Act. Effective immediately.

House Committee Amendment No. 1

Provides that the Illinois Caregiver Assistance and Resource Portal shall be implemented 3 years (rather than one year) after the effective date of the Act.

Amends the Illinois Administrative Procedure Act. Specifies that the notice in contested case hearings must include an enclosure that notifies the recipient of the ability to request interpretive assistance for the hearing and to receive language assistance in translating the contents of the notice. Provides that an administrative law judge has the duty to inquire and determine whether a self-represented litigant or witness in a hearing needs interpretive assistance to participate in or understand the hearing. Authorizes any self-represented litigant, witness, or indigent person to request, at any time during the course of a hearing, interpretive assistance needed to participate in or understand the hearing. Authorizes an administrative agency to provide interpretive assistance during a nonsubstantive hearing through use of an interpreter who is not a foreign language interpreter, provided the administrative law judge examines the interpreter for competency for the purposes of the nonsubstantive hearing. Requires all persons appointed to provide interpretive assistance in substantive and nonsubstantive hearings to make certain affirmations. Contains provisions concerning waiver of these language assistance provisions.

House Committee Amendment No. 1

Legislative Information System  
103rd General Assembly  
House Democrat Sponsor Synopsis Report

**Representative Theresa Mah**  
**HB 05172 (Continued)**

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes references to person in need of interpretive assistance to references to limited English proficient person. In a provision regarding rules establishing procedures for administrative hearings, provides that rules may include procedures for requesting and receiving language access services (rather than language assistance). Provides that notice for a hearing shall include an enclosure written in several specified languages which notifies the recipient of the ability for a party or their agent to request interpretive assistance to participate in or understand the hearing and to receive language access services for translating the contents of the notice (rather than which notifies the recipient of the ability to request interpretive assistance for the hearing and to receive language assistance in translating the contents of the notice). Defines "language access services" and "limited English proficient person". Removes a provision that any self-represented litigant, witness, or indigent person has the right to request interpretive assistance. Provides that a self-represented litigant, a witness, or a litigant who is an indigent person has the right to request interpretive assistance to participate in or understand a hearing at any time during the course of the hearing. Provides that an administrative law judge shall inquire if an individual is in need of interpretive assistance to participate in or understand the hearing if the judge reasonably believes the person is a limited English proficient person (rather than an administrative law judge has the duty to inquire and determine if a self-represented litigant or witness in a hearing needs interpretive assistance to participate in or understand the hearing). Effective July 1, 2025.

House Committee Amendment No. 2

In provisions regarding contested cases, notice requirements, and administrative hearings, provides that language access services and interpretive assistance shall be, at a minimum, in accordance with the Illinois Administrative Procedure Act, and as otherwise provided for in any law or rule governing an agency's contested hearings.

Requires the intake coordinator to maintain records regarding the number of families who received referrals, the specific services each family was referred to and received, and the frequency of calls and visits. Provides that the intake coordinator selected by the Senior Services Center of Will County (rather than by the Department on Aging) must be knowledgeable on certain State-operated programs. Amends the Laser System Act of 1997. Defines "laser installation operator", "laser safety officer", "temporary laser display", and "temporary laser display operator". Throughout the Act, refers to laser installation operators or temporary laser display operators (rather than just operators). Requires laser installations to employ a laser safety officer. Requires the Illinois Emergency Management Agency to adopt rules specifying minimum training and experience requirements for laser safety officers. Provides that, if a laser safety officer encounters noncompliance with the Act or rules adopted under the Act in the course of performing his or her duties as a laser safety officer, then the laser safety officer shall report that noncompliance to the Agency as soon as practical. Requires temporary laser display operators to ensure that each temporary laser display has a laser safety officer physically present at the setup, rehearsal, and performance to ensure that all laser systems in operation at the laser installation meet the requirements of the Act and any rules adopted by the Agency under the Act. Requires temporary laser displays and laser safety officers to maintain a policy of general liability insurance in an amount that is commercially reasonable, but not less than \$1,000,000, and that covers each temporary laser display and laser safety officer. Requires temporary laser display operators to register with the Agency prior to conducting a temporary laser display. Contains notification requirements. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that the definition of "laser system" includes laser projectors and laser machines, but does not include any device, machine, equipment, or other apparatus used in the provision of communications through fiber optic cable. Deletes language requiring a laser installation operator to request blanket registration approval by the Illinois Emergency Management Agency. Provides that a laser display operator shall provide updated registration information as needed (rather than within 30 days after any change to the information). Makes other technical changes.

Senate Committee Amendment No. 1

Changes the definition of "laser safety officer". Provides that each laser installation whose function is for the use of a temporary laser display shall use a laser safety officer.

410 ILCS 535/24

from Ch. 111 1/2, par. 73-24

Creates the Access to Public Health Data Act. Provides that the Department of Public Health, the Department of Human Services, and the Department of Children and Family Services shall, at the request of a local health department in Illinois, make any and all public health data related to residents of that local health department's jurisdiction available to that local health department for the purposes of preventing or controlling disease, injury, or disability. Provides that the Department of Public Health, the Department of Human Services, and the Department of Healthcare and Family Services may adopt any rules necessary to implement the Act. Exempts specified information from inspection and copying under the Freedom of Information Act and makes a conforming change in that Act. Contains other provisions. Amends the Vital Records Act. Provides that no rule adopted by the Department of Public Health shall be construed as restricting access to vital records by any municipality, county, multicounty, public health district, or regional health officer recognized by the Department for the purposes described in specified provisions.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Sets forth provisions concerning master data use agreements. Provides that the Department of Public Health, the Department of Human Services, and the Department of Healthcare and Family Services must provide the latest available data for each certified local health department within 120 business days after completion of the applicable master data use agreement, except to the extent prohibited by current technology (rather than within 90 business days after receiving the data request form). Removes provisions concerning standard request data forms.

Senate Floor Amendment No. 2

Provides that each disclosing State department or agency (rather than only department) shall execute a single master data use agreement that includes all data sets and is in accordance with the applicable laws, rules, and regulations pertaining to the specific data being requested. Provides that the State department or agency may require the names of any authorized users who will access or use the data provided. Provides that any data shared between State departments and agencies that is requested by a certified local health department shall be reviewed and approved by the State department or agency providing the data to ensure that all disclosures are made in accordance with procedures set forth in the data use agreements. Makes other changes. Adds a January 1, 2024 effective date.

Provides that, if a vehicle is equipped with functioning vehicle location tracking capability, but the capability is not currently activated, the manufacturer or the vehicle location vendor, shall waive all fees associated with initiating, renewing, reestablishing, or maintaining the vehicle location service the vehicle is equipped with during the investigation of the vehicle being stolen in a vehicular hijacking incident or being used in the commission of kidnapping incident when law enforcement has confirmed that the situation involves a clear and present danger of death or great bodily harm to persons and requires disclosure of vehicle location information without delay. Provides that there shall be no cause of action or liability under the laws of this State for a vehicle manufacturer, its subsidiaries, or vendors, or any employee, officer, director, representatives, or contractor of the manufacturer, subsidiary, or vendor, that provides, or in good faith attempts to provide, information or assistance to a law enforcement agency, 9-1-1 call center, or designated dispatch center.

Amends the Local Government Reduction and Efficiency Division of the Counties Code. Defines "district" as a township road and bridge district, sanitary district, drainage district, mosquito abatement district, or street light district. Provides that a county board may enact a resolution or ordinance or a county executive may issue an executive order to dissolve a district, but must first adopt or issue a plan that describes how the county will absorb and implement the services provided by the district, that provides a reason to discontinue the services provided, that describes how the county will pay for the transfer of services, and that shows long-term savings for taxpayers and file that plan with the State Comptroller. Provides that the State Comptroller may approve or deny the dissolution of the district based on the contents of the plan. Provides that, if the dissolution and transfer is approved by the State Comptroller, the county board may adopt a resolution or ordinance or a county executive may issue an executive order authorizing the dissolution of the district not less than 60 days following the court's appointment of a trustee-in-dissolution. Includes procedures for the dissolution of the district and designation of individuals to represent the district. Provides that the county must provide quarterly updates to the State Comptroller and that the State Comptroller shall publish those quarterly updates on the State Comptroller's local government Warehouse database. Makes conforming changes in the Division.

Calls upon elected officials at local, state, and federal levels to stand with the UPS Teamsters in their efforts to collectively bargain for fair wages, safe working conditions, affordable healthcare, and the dignified retirement that they rightfully have earned while working for UPS. Calls on the federal government to respect the UPS Teamsters rights to collectively bargain, including the right to withhold their labor. Calls on elected officials at local, state, and federal levels to demonstrate their support by signing on to an open letter to rank-and-file Teamsters at UPS expressing that government has no role to play in collective bargaining between workers and their employer and therefore no elected individual or government entity should attempt to insert themselves into the collective bargaining process or participate in any attempted resolution of a new contract that is not first voted upon and ratified by rank-and-file UPS Teamsters prior to such government-related intervention.

Provides that the program shall require (rather than allow) the Senior Services Center of Will County to designate a staff member as an intake coordinator for Will County (rather than designate an intake coordinator for Will County) who shall help connect grandparents raising grandchildren to existing relevant services (rather than relevant services). Requires the intake coordinator to maintain records regarding the number of families who received referrals, the specific services each family was referred to and received, and the frequency of calls and visits. Provides that the intake coordinator selected by the Senior Services Center of Will County (rather than by the Department on Aging) must be knowledgeable on certain State-operated programs. In a provision requiring the intake coordinator to be given the contact information for the designated point of contact for each State agency listed in the engrossed bill, provides that such information may be given within 14 days after the intake coordinator's selection by the Senior Services Center of Will County (rather than selection by the Department on Aging).

Provides that the policy shall apply to any individual who has been an election judge while enrolled in the institution of higher education. Provides that each institution of higher education shall submit its policy for awarding academic credit for election judges to the Board of Higher Education and the Illinois Community College Board, if applicable, before June 30, 2024 and before June 30 of every other year thereafter. 20 ILCS 2630/5.2

Amends the Criminal Identification Act. Provides that a trafficking victim may petition for vacation and expungement of an offense (rather than shall be eligible to petition for immediate sealing) upon the completion of his or her last sentence if his or her participation in the underlying offense was proximately caused by the human trafficking (rather than a direct result of human trafficking). Provides that, if the offense is a crime of violence, the trafficking victim may petition for immediate sealing of the offense upon the completion of his or her last sentence. Provides that a petition may be prepared, signed, and filed electronically. Provides that the court may allow the petitioner to attend any required hearing remotely by audiovisual conference if the petition affirms that attendance in court would be an undue hardship or could create a risk of harm to the petitioner, and provides that the court may allow a petition to be filed under seal if the public filing of the petition would constitute a risk of harm to the petitioner.

House Committee Amendment No. 1

Provides that a trafficking victim may petition for vacation and expungement or immediate sealing of his or her criminal record (rather than expungement of an offense) upon the completion of his or her last sentence under specified circumstances. Provides that, if the offense is a crime of violence that is not a misdemeanor offense (rather than a crime of violence), the trafficking victim may only petition for immediate sealing of the offense upon the completion of his or her last sentence.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as amended by House Amendment No. 1, with the following changes. Replaces a requirement making an offense eligible for vacation and expungement or immediate sealing if it was proximately caused by human trafficking with a provision allowing vacation and expungement or immediate sealing if the offense was a result of human trafficking. Removes an exception providing that a trafficking victim may petition only for immediate sealing if the offense was a crime of violence other than a misdemeanor.

House Floor Amendment No. 3

Provides that a petition for the vacation and expungement or sealing of trafficking victims' crimes shall (rather than may) be prepared, signed, and filed in accordance with Supreme Court Rule 9 (rather than prepared, signed, and filed electronically). Provides that the court may allow the petitioner to attend any required hearing remotely in accordance with local rules (rather than by audiovisual conference if the petition affirms that attendance in court would be an undue hardship or could create a risk of harm to the petitioner).

Provides that school districts, charter schools, and non-public, non-sectarian elementary and secondary schools must submit data in an annual report due to the State Board of Education no later than August 15 of each year starting with the 2024-2025 school year (instead of requiring school districts to submit data in an annual report due to the State Board no later than June 1 of each year). Provides that the State Board of Education shall adopt rules regarding the submission of data that includes, but is not limited to: (i) a record of each verified allegation of bullying and action taken; and (ii) whether the instance of bullying was based on certain actual or perceived characteristics and, if so, lists the relevant characteristics. 225 ILCS 10/4.1 from Ch. 23, par. 2214.1

Amends the Child Care Act of 1969. In provisions concerning criminal background investigations, provides that a child care facility may authorize the Department of Children and Family Services or a third-party vendor to complete the investigation. Provides that an applicant is determined to have completed the criminal background investigation when he or she has completed and submitted authorization for the performance of a criminal background investigation by either the Department or a third party contracted to perform the criminal background investigation. Makes conforming changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Defines the terms "third-party vendor" and "conditional employee". Provides that a child care facility, non-licensed service provider, day care center, group day care home, or day care home may authorize the Department of Children and Family Services or a third-party vendor to complete the investigation. Provides that a conditional employee may work in a child care facility if the conditional employee is supervised by a licensed employee.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Child Care Act of 1969. Provides that a child care facility, non-licensed service provider, day care center, group day care home, or day care home may authorize the Department of Children and Family Services or a third-party vendor to collect fingerprints for the criminal background investigation. Defines "third-party vendor".

House Floor Amendment No. 3

Removes a provision limiting specified authorizations to instances where the Department of Children and Family Services collects fingerprints for the investigation.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the engrossed bill, but provides that if a third-party vendor is used for fingerprinting, then the child care facility, non-licensed service provider, day care center, group day care home, or day care home shall pay the third party for that service directly.

Senate Committee Amendment No. 2

Provides that, if a child care facility, non-licensed service provider, day care center, group day care home, or day care home authorizes the Department of Children and Family Services or a third-party vendor (rather than the Department of Children and Family Services) to collect fingerprints for an investigation, the Director of Children and Family Services shall request and receive information and assistance from any federal, State, or local governmental agency as part of the authorized investigation.

**HB 04781 (Continued)**

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Kinship in Demand (KIND) Act. Provides that the KIND Act creates the statutory vision and authority for the Department of Children and Family Services to execute a kin-first approach to service delivery and directs the juvenile courts to provide necessary oversight of the Department's obligations to maintain family connections and promote equitable opportunities for youth and families to thrive with relational permanence. Amends the Children and Family Services Act. Contains provisions concerning Department rules on relative and licensed foster care; grants to subsidized guardians of hard-to-place children; a requirement on the Department to make diligent efforts to place a child with a relative; documentation of the Department's reasons for failing to secure a relative placement; foster care maintenance payments for relatives who qualify for certification as a relative caregiver home under the Child Care Act of 1969; subsidized guardianship support services for children and their guardians; certification and background checks on persons seeking relative caregiver approval; annual reports regarding relative and certified relative caregiver placements; performance audits; and other matters. Amends the Child Care Act of 1969. Requires the Department to adopt standards for certified relative caregiver family homes that are different from licensing standards used for non-relative foster family homes. Contains provisions concerning background screenings of prospective relative caregiver homes; a requirement that the Department assist prospective certified relative caregivers with completing the steps required for approval as a certified relative caregiver home; orientation activities for certified relative caregivers; and other matters. Amends the Juvenile Court Act of 1987. Makes changes to provisions concerning "best interest" determinations; court assessments on the Department's effort to place a minor with a relative; inquiries by a court on the Department's family finding and relative engagement efforts; required notification to a minor's located relatives that the minor has been removed from the custody of the minor's parents; and other matters. Some provisions take effect immediately, some provisions take effect January 1, 2025 and some provisions take effect July 1, 2025.

House Committee Amendment No. 3

Moves to a different location in House Amendment No. 2 a provision requiring the Department of Children and Family Services to make reasonable efforts to identify and locate relatives to serve as visitation resources for the child and potential future placement resources unless excused by the court.

House Floor Amendment No. 5

Further amends the Children and Family Services Act. In the definition of "fictive kin", removes language providing that a fictive kin means a person with close ties with the child or the child's family prior to the child's placement with the person. Further amends the Child Care Act of 1969. In provisions concerning standards for certified relative caregiver homes, provides that the Department of Children and Family Services or a licensed child welfare agency (rather than a licensed child welfare agency) shall complete the home safety and needs assessment and assess the ability of the prospective certified relative caregiver to care for the physical, emotional, medical, and educational needs of the specific child or children being placed by the Department. Makes conforming changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions concerning the adoption of rules concerning a relative support program, a review process for relative placement, certification, and visitation denials, and other matters, requires the Department of Children and Family Services to adopt such rules by July 1, 2025 (rather than January 1, 2025). Provides that the rules shall outline the essential elements of each form used in the implementation and enforcement of the provisions of the amendatory Act. Changes the date by which relative caregiver payments shall be made to relative caregiver homes to July 1, 2025 (rather than January 1, 2025). Makes changes to the definition of "caregiver". Requires the Department to review complaints made to child welfare agencies by residents of prospective and current certified relative caregiver homes. Requires the Department to notify the General Assembly on the Department's progress in pursuing federal funding for the kinship navigator program. Permits the public to make anonymous requests to the Department concerning its subsidized guardianship and adoption support services. Changes the effective date by making some provisions effective immediately and some provisions effective July 1, 2025.

Amends the Counties Code. Provides that, if a drug overdose is determined to be the cause or a contributing factor in a death, the coroner or medical examiner shall report the following information, at a minimum, to the Department of Public Health: (i) if known or knowable (rather than if possible), the cause of the overdose; (ii) whether or not fentanyl was part or all of the consumed substance; (iii) if fentanyl is part of the consumed substance, what other substances were consumed, if known or knowable; and (iv) if fentanyl is part of the consumed substance, in what proportion was fentanyl consumed to other substance or substances, if known or knowable. Currently, the report only requires the coroner to report, if possible, the cause of the overdose. Provides that the coroner must also communicate whether there was a suspicious level of fentanyl in combination with other controlled substances present to all law enforcement agencies in whose jurisdiction the deceased's body was found within 24 hours after receipt of the toxicology results whether or not a cause of death has been determined.

Senate Committee Amendment No. 1

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

215 ILCS 5/236 from Ch. 73, par. 848

Amends the Illinois Insurance Code. Provides that an insurer or producer authorized to issue policies of insurance in the State may not make a distinction or otherwise discriminate between persons, reject an applicant, cancel a policy, or demand or require a higher rate of premium for reasons based solely upon the basis that an applicant or insured has been convicted of a felony.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)  
No land conveyances are included in House Bill 1068, HA 2; therefore, there are no appraisals to be filed.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)  
HB 1068, as amended by HA 2, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)  
HB 1068, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note, House Floor Amendment No. 2 (Department of Insurance)  
If the Department of Insurance is responsible for fielding complaints of rate discrimination or denial, that would require personnel to field such calls. If an investigation of discrimination falls under the scope of the Department of Insurance, that would require personnel time as well. While it is not believed to require a singular dedicated employee, it will require additional hours and the possibility of increased staff depending on the influx of calls and complaints, but the impact is likely minimal.

Correctional Note, House Floor Amendment No. 2 (Dept of Corrections)  
There is no corrections population impact on the Department of Corrections.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)  
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)  
Please be advised that the Balanced Budget Note Act does not apply to House Bill 1068, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)  
Based on a review of HB1068 as amended by House Amendment 2, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)  
HB 1068 HA #2 does not create a State Mandate under the State Mandates Act.

Home Rule Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)  
HB 1068 HA #2 does not pre-empt home rule authority.

Amends the School Code. Provides that the dyslexia handbook developed by the State Board of Education shall include guidelines on the administration of a universal screener and dyslexia screening, the interpretation of data from these screeners, and the resulting appropriate instruction within a multi-tiered system of support framework. Provides that the State Board of Education shall adopt any rules necessary to ensure that a student will be screened for the risk factors of dyslexia using a universal screener. Sets forth which students are required to be screened. Provides that no later than January 1, 2024, the State Board of Education shall employ at least 5 dyslexia specialists or dyslexia therapists with a minimum of 5 years of field experience in screening, identifying, and treating dyslexia and related disorders. Provides that beginning with the 2023-2024 school year, each school district must screen students in grades kindergarten through 2 for the risk factors of dyslexia using a universal screener approved by the State Board of Education. Provides that if a student is determined to be either at risk or at some risk for dyslexia after the universal screener has been administered, the school district must administer a dyslexia screening of the student. Provides that if a student's dyslexia screening indicates that the student has characteristics of dyslexia, the dyslexia intervention services provided to the student must utilize a structured literacy approach as outlined in the State Board of Education's handbook. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. In the definition of "universal screener", changes references to "an assessment" to "a screener". Provides that the "universal screener" shall screen for the risk factors of reading difficulties, including dyslexia (instead of the risk factors of dyslexia). Provides that students shall be screened if a student from another state enrolls for the first time in any of grades kindergarten through 2 in a school district in this State, provided that if a student's score is below 3.0 on either the listening or the speaking portion of the ACCESS for ELLs assessment, the student may be exempt from a universal screener as determined by the school's or school district's English language learner team (instead of unless the student, the student's parent, or the student's guardian presents documentation that the student meets specified conditions). Adds provisions concerning secondary review of a student. In provisions concerning the student's parent or guardian consent to screening, provides that the parent or guardian must be notified (rather than specifying provisions concerning the nature of notification). Makes conforming changes.

Amends the School Code. With respect to the Reading Improvement Block Grant Program, removes language that provides that the State Board of Education may distribute an amount not to exceed 2% of the moneys appropriated for the Program for the purpose of providing teacher training and re-training in the teaching of reading. Provides that if the appropriation for the Program for a given fiscal year is less than \$15,000,000, then the State Board shall limit eligibility to certain school districts and shall impose additional eligibility criteria to limit the number of approved applicants to a cohort sufficient for each selected district to provide adequate training and ongoing coaching support to each teacher of students in grades K through 2 and special education teachers and evidence-based curriculum investments. Removes language that provides that programs provided with grant funds shall not replace quality classroom reading instruction. Provides that Program funds may be used for grades K through 6 to provide both evidence-based, high-quality core literacy curriculum materials that consider the unique needs of English learners for concurrent oral language practice and high-quality screening assessments designed to inform instruction in English language arts and literacy for students (instead of classroom reading materials for students). Sets forth other provisions concerning if the appropriation is less than \$15,000,000 or is at least \$15,000,000.
