Amends various Acts relating to the governance of public universities in Illinois. Makes changes to the provisions concerning the in-state tuition charge to require that, for tuition purposes beginning with the 2025-2026 academic year, the governing board of each public university, at a minimum, deem an individual, other than an excluded nonimmigrant alien, an Illinois resident, until the individual establishes a residence outside of this State, if the individual (1) attended a specified institution located in this State; (2) graduated from a high school or received the equivalent of a high school diploma in this State, attained an associate degree from a public community college, or completed a General Education Core Curriculum package under the Illinois Articulation Initiative Act for students transferring from a public community college; (3) is a current student of or is registering as an entering student in the university; and (4) attests, if the individual is not a citizen or a lawful permanent resident of the United States, that the individual will file an application to become a permanent resident of the United States at the earliest opportunity.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends various Acts relating to the governance of public universities in Illinois. Makes changes to the provisions concerning the in-state tuition charge to require that, beginning on July 1, 2026, an individual, other than an individual who has a non-immigrant alien status that precludes an intent to permanently reside in the United States, shall be charged tuition by the governing board of a public university at the same rate as an Illinois resident if the individual meets specified requirements. Provides that the governing board may adopt a policy to implement and administer the provisions and may adopt a policy for the classification of in-state residents, for tuition purposes, based on residency in this State. Provides that the General Assembly finds and declares that the provisions are a State law within the meaning of certain provisions of the United States Code.

815 ILCS 505/2BBBB new

Amends the Illinois Human Rights Act. Provides that an employer that uses predictive data analytics in its employment decisions may not consider the applicant's race or zip code when used as a proxy for race to reject an applicant in the context of recruiting, hiring, promotion, renewal of employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges, or conditions of employment. Provides that nothing in the Act shall be construed to prevent the use of predictive data analytics to support the inclusion of diverse candidates in making employment decisions. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that a person or entity that relies either partially or fully on predictive data analytics to determine a consumer's creditworthiness may not allow the use of information about the consumer that assigns specific risk factors to the consumer's race or zip code resulting in rejection of credit or other adverse credit-related action to a consumer. Provides that a person or entity that uses predictive data analytics to determine the creditworthiness of more than 50 consumers in a calendar year who are State residents shall devise procedures to ensure that it does not consider information that assigns specific risk factors to a consumer's race or zip code when rejecting or taking other adverse action on a consumer's application for credit. Provides that a person or entity that violates the provisions commits an unlawful practice within the meaning of the Act.

House Committee Amendment No. 1

Makes changes in the definition of "predictive data analytics". 210 ILCS 115/21.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions regarding operating a mobile home park without a current license, provides that a late fee of \$50.00 for the first month shall be imposed for noncompliance and \$100.00 per day thereafter (rather than a fine of \$10 per day per site). Modifies the requirements necessary for application for a new license after a mobile home park is sold. Provides that approval of an application for relicensure after a license has been voided, suspended, denied, or revoked shall be issued if an inspection of the park by the Department indicates substantial compliance (rather than compliance) with the Act and the rules adopted under the Act, including payment of all delinquent reinspection fees (rather than reinspection fees). Modifies the requirements of an annual inspection of each mobile home park. Modifies the annual license fee that a licensee must pay. Requires, beginning in 2026, the Department of Public Health to prepare an annual report that must contain, at a minimum, specified information relating to mobile home parks. Makes other changes.

Provides that any rules adopted under a provision related to publicly owned or controlled property that is intended or permitted to be used for recreational or conservation purposes shall not: supersede the operation of an unmanned aircraft system by a person or entity for a commercial purpose in compliance with applicable Federal Aviation Administration authorization, regulations, or exemptions; or preclude an individual licensed under the Illinois Professional Land Surveyor Act of 1989 or the Professional Engineering Practice Act of 1989 from operating an unmanned aerial vehicle within the scope of his or her professional practice. Effective immediately or on the date Senate Bill 2849 of the 103rd General Assembly takes effect, whichever is later.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the Emergency Telephone System Act. Adds a definition of "first responder" and modifies the definition of "grade of service". Provides that within 36 (rather than 18) months of the awarding of a contract to a certified vendor to provide Next Generation 9-1-1 service, a 9-1-1 system in Illinois shall provide Next Generation 9-1-1 service, except that a municipality with a population over 500,000 shall provide Next Generation 9-1-1 service by July 1, 2024 (rather than December 31, 2023). Provides that every 9-1-1 system shall be able to accept text to 9-1-1 no later than July 1, 2024 (rather than January 1, 2023). Changes the date on which each aggregator that is operating within the State must submit (rather than email) to the Office of the Statewide 9-1-1 Administrator information that supports the implementation of and the migration to the Statewide NG9-1-1 system and provides that the Illinois State Police shall make available the form to submit the information. Makes changes relating to call handling and aid outside jurisdictional boundaries agreements. Prohibits calling or texting 9-1-1 or causing a transmission, in any manner, to a public safety agency or public safety answering point (rather than placing an emergency call to 9-1-1 for the purpose of making or transmitting a false alarm or complaint and reporting information) when, at the time the call, text, or transmission is made, the person knows there is no reasonable ground for making the call, text, or transmission (removing a requirement that the person further knows that the call or transmission could result in the emergency response of any public safety agency), and makes conforming changes to the elements of disorderly conduct in the Criminal Code of 2012. Provides that the Emergency Telephone System Board shall complete and maintain a Next Generation 9-1-1 GIS database in accordance with NENA Standards before implementation of the NG9-1-1 system. Provides that the MSAG and GIS data standardizing and synchronization must reach a 98% or greater match rate, with an option of matching with ALI, before using GIS data for NG9-1-1 (rather than complete a Master Street Address Guide database before implementation of the 9-1-1 system and that the error ratio of the database shall not at any time exceed 1% of the total database). Makes changes relating to consolidation grants. Allows the cost of upgrading the Illinois State Police's call-handling equipment to meet the standards necessary to access and increase interoperability with the statewide Next Generation 9-1-1 network to be included in the Illinois State Police's administrative costs, and includes requirements relating to those upgrades. Provides that surcharge revenues received under the Act shall be made consistent with specified federal law, including specified examples (rather than may be made by municipalities, counties, and 9-1-1 Authorities only to pay for the costs associated with specified requirements). Provides that the Illinois State Police shall create uniform accounting procedures that any emergency telephone system board (rather than board or unit of local government) receiving surcharge money must follow. Provides that the Illinois State Police shall post annual financial reports (rather than the audited financial statements) on the Illinois State Police's website. Repeals provisions relating to copies of the annual certified notification of continuing agreement to be filed with the Attorney General and the statewide 9-1-1 Administrator, call boxes, and the Wireless Carrier Reimbursement Fund. Removes references to the Wireless Carrier Reimbursement Fund in the Act and the State Finance Act. Certain changes are effective immediately.

Senate Floor Amendment No. 2

In the Emergency Telephone System Act and the Criminal Code of 2012, restores provisions requiring a prohibited call or text to 9-1-1 or other transmission to a public safety agency to be made for the purpose of making or transmitting a false alarm or complaint and reporting information, and restores in those same provisions a requirement that the individual further knows that the call, text, or transmission (adding text) could result in the emergency response of any public safety agency. In the Emergency Telephone System Act, makes stylistic changes to provisions relating to how specified surplus moneys may be used.

New Act

Creates the Warehouse Worker Protection Act. Provides that each employer shall provide to each employee, upon hire, or within 30 days after the effective date of the Act, whichever is later, a written description of each quota to which the employee is subject, including the quantified number of tasks to be performed or materials to be produced or handled, within a defined time period, and any potential adverse employment action that could result from failure to meet the quota. Provides that an employee shall not be required to meet a quota that prevents compliance with meal or rest periods or use of bathroom facilities, including reasonable travel time to and from bathroom facilities. 105 ILCS 5/24-8.2 new

Amends the Employment of Teachers Article of the School Code. Provides that in fixing the salaries of employees, a school board or the governing board of a joint agreement shall pay to employees an hourly rate of not less than (i) \$20 for the 2024-2025 school year, (ii) \$21 for the 2025-2026 school year, and (iii) \$22 for the 2026-2027 school year. Provides that the minimum hourly rate for each school year thereafter shall equal the minimum salary rate for the previous school year increased by a percentage equal to the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the previous school year. Provides that "employee" means any employee of a school district or joint agreement who provides educational support services to the district or joint agreement, including, but not limited to, custodial employees, transportation employees, food service providers, classroom assistants, administrative staff, or paraprofessional educators. Provides that an employee's salary shall include any amount paid by the school district or joint agreement on behalf of the employee, as employee contributions, to the Illinois Municipal Retirement Fund. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2784 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

The positions impacted by HB 2784 - custodians, bus drivers, cafeteria workers, etc., do not require teacher licensure, and thus are covered under IMRF. IMRF says they do not know what the fiscal impact of the bill will be inasmuch as they cannot say how many people earn less than the prescribed minimum salary rates set forth in this bill. There will be a fiscal impact to an IMRF employer to the extent that any salary increases that come about as a result of this bill impact a covered individual's pensionable earnings.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2784, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (IL State Board of Education)

HB 2784 increases the costs to school districts; however, that amount is not known. The State Board of Education recommends the sponsors consult with IMRF and TRS regarding fiscal impact to the State.

New Act

Creates the Local School District Mandate Note Act. Provides that, every bill that imposes or could impose a mandate on local school districts, upon the request of any member, shall have prepared for it, before second reading in the house of introduction, a brief explanatory statement or note that shall include a reliable estimate of the anticipated fiscal and operational impact of those mandates on local school districts. Provides that the sponsor of each bill for which a request has been made shall present a copy of the bill with the request for a local school district mandate note to the State Board of Education. Provides that the State Board of Education shall prepare and submit the note to the sponsor of the bill within 5 calendar days, except as specified. Sets forth provisions concerning the requisites and contents of the note; comments or opinions included in the note; and the appearance of State officials and employees in support or opposition of measure.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that, after a request for a Local School District Mandate Note has been made and before the State Board of Education submits the note to the sponsor of the bill, local school districts may, through a website maintained by the State Board of Education, submit explanatory statements that may include a reliable estimate of the anticipated fiscal, operational, and other impacts of the proposed mandate on the local school district. Provides that the State Board of Education shall develop and maintain a website to accept submissions from local school districts. Provides that the note submitted to the sponsor of the bill shall only include the submissions from local school districts. Provides that nothing in the provision shall impose any responsibility on the State Board of Education except to develop and maintain a website, accept submissions from local school districts, and submit a note to the sponsor of the bill containing the submissions from local school districts.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Creates the School District Mandate Task Force Act. Provides that the School District Mandate Task Force is created for the purpose of conducting a Statewide study to determine the information and data sets needed to establish a system that provides a timely and reliable estimate of the anticipated fiscal, operational, and other impacts that a bill filed in the General Assembly imposes or may impose through mandates on a local school district. Sets forth provisions concerning membership, compensation, administrative support, and meetings. Provides that the Task Force shall submit its final report, including model language that may be used as legislation, to the General Assembly and the State Board of Education on or before November 15, 2024 and, upon the filing of its final report, the Task Force is dissolved. Repeals the Act on July 1, 2025. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

HB 5909 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

HB 5909 makes significant changes to the Illinois Pension Code, focusing on Tier 2 members—those who began service on or after January 1, 2011. The bill aligns Tier 2 age-and-service provisions with Tier 1 standards across all affected systems and reduces the final average salary calculation period for Tier 2 members to the Tier 1 standard. The bill also introduces a non-compounded 3% COLA for Tier 2 members and adjusts the Tier 2 pensionable salary cap to the Social Security Wage Base. A comprehensive actuarial study will evaluate the bill's major provisions, with an updated impact note to follow upon completion of the study.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Provides that any registered victim, including a person who has had a final, plenary, or non-emergency protective order granted under the Code of Criminal Procedure of 1963, the Illinois Domestic Violence Act of 1986, the Stalking No Contact Order Act, or the Civil No Contact Order Act (rather than the Code of Criminal Procedure of 1963 or the Illinois Domestic Violence Act of 1986) may present victim statements that the Prisoner Review Board shall consider in its deliberations. Provides that the Board shall immediately inform a victim of the early release of the prisoner from State custody or of the prisoner's pardon, commutation, furlough, or granting of sentence credit, if the victim has previously requested notification of that information. Sets forth the requirements for the notification. Amends the Unified Code of Corrections. Provides that, prior to participating in their first vote of a calendar year, a member of the Board shall annually complete a training developed and administered by the entity administering the Illinois Domestic Violence Hotline, in consultation with the Department of Corrections. Provides that the Board shall provide a victim with notice of a preliminary hearing at least 72 hours prior to such hearing if the victim has previously requested notification of that information. Amends the Open Parole Hearing Act. Requires the Board to make all en banc open meetings and all parole, aftercare release, and mandatory supervised release revocation hearings available to the public for live broadcast on the Board's website. Requires the broadcast recording of these hearings to remain available for public viewing on the Board's website for a minimum of 18 months. Specifies that, for all other public hearings of the Board, the Board may make meetings available to the public for live broadcast on the Board's website. Directs the Prisoner Review Board Task Force to report to the Governor and the General Assembly by July 1, 2025, on various subjects, including the medical release program and the broadcasting of other open meetings of the Board. Amends the Illinois Domestic Violence Act of 1986. Provides that a petition for an order of protection may not be denied upon the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the filing of the petition. Some provisions are effective immediately, and others are effective July 1, 2025.

705 ILCS 505/11  
735 ILCS 5/2-702

from Ch. 37, par. 439.11

Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Amends the Court of Claims Act. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award \$50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than \$85,350; for imprisonment of 14 years or less but over 5 years, not more than \$170,000; for imprisonment of over 14 years, not more than \$199,150"). Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination and an additional \$25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Makes corresponding changes. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Court of Claims Act. Provides that the court shall have exclusive jurisdiction to hear and determine all claims against the State for time unjustly served in a county jail, on parole, on intensive supervision probation, or on the sex offender registry, when the unjustly convicted person received a pardon from the Governor stating that such pardon is issued on the ground of innocence of the crime for which he or she was convicted or he or she received a certificate of innocence from the Circuit Court. Removes language providing that: the amount of an award for unjustly served prison sentences is at the discretion of the court; the court shall make no award in excess of specified amounts for specified terms of imprisonment; and the court shall fix attorney's fees not to exceed 25% of the award granted. Requires the court to make an award of \$50,000 per year, and prorated for any partial year, during which the person was wrongfully incarcerated in a State correctional institution or in a county jail, including the time the person was incarcerated awaiting trial, and \$25,000 for each year, and prorated for any partial year, during which the person was wrongfully on parole, wrongfully on intensive supervision probation, or was wrongfully required to register as a sex offender, as well as an award of reasonable attorney's fees, costs, and expenses in the amount determined by the Circuit Court after awarding a certificate of innocence. Makes other and conforming changes. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and subsequently serves any part of a sentence of incarceration in a State correctional institution or in a county jail, of parole, of intensive supervision probation, or of registration as a sex offender for one or more felonies which he or she did not commit to file a petition for certificate of innocence. Requires the petition to state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the alleged offenses for which he or she was convicted or adjudicated a delinquent, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction or juvenile delinquency adjudication. Provides that neither a guilty plea nor a confession constitutes conduct causing or bringing about one's conviction or delinquency adjudication. Requires, if the court finds that the petitioner is entitled to a judgment, the court to make a determination of the reasonable attorney's fees, costs, and expenses incurred in connection with obtaining the certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred before the effective date of the amendatory Act, including a petitioner whose petition was denied solely on the basis that this Section did not formerly apply to juvenile delinquency adjudications, shall file his or her petition within 4 years after the effective date of the amendatory Act. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred on or after the effective date of the amendatory Act shall file his or her petition within 2 years after the dismissal or acquittal. Makes other and conforming changes. Effective immediately.

New Act

Creates the Civil Liability for Doxing Act. Provides that an individual engages in the act of doxing when that individual intentionally publishes another person's personally identifiable information without the consent of the person whose information is published and: (1) the information is published with the intent that it be used to harm or harass the person whose information is published and with knowledge or reckless disregard that the person whose information is published would be reasonably likely to suffer death, bodily injury, or stalking; and (2) the publishing of the information: (i) causes the person whose information is published to suffer significant economic injury or mental anguish or to fear serious bodily injury or death of the person or a family or household member to the person; or (ii) causes the person whose information is published to suffer a substantial life disruption. Allows a person who is aggrieved by a violation of the Act to bring a civil action against the individual who committed the offense to recover damages and obtain any other appropriate relief. Provides that an individual who is found liable under the Act shall be jointly and severally liable with each other individual, if any, who is found liable under the Act for damages arising from the same violation of the Act. Allows a court to issue a temporary restraining order, emergency order of protection, or preliminary or permanent injunction to restrain and prevent the disclosure or continued disclosure of a person's personally identifiable information or sensitive personal information. Allows a civil action to be brought in any county in which an element of the offense occurred, or in which a person resides who is the subject of the personally identifiable information or sensitive personal information published in violation of the Act.

Provides that, one year after the effective date of the amendatory Act, the Administrative Office of the Illinois Courts shall report to the General Assembly: (1) the number of judgments, orders, agreements, or other legally enforceable encumbrances vacated pursuant to this provision in each judicial district; and (2) the total balances of fees, fines, and administrative costs vacated in each judicial district. Amends the Juvenile Court Act of 1987. Deletes a provision that if, during the course of an electronically recorded custodial interrogation of a minor who, at the time of the commission of the offense was under the age of 18 years, the minor makes a statement that creates a reasonable suspicion to believe the minor has committed an act that if committed by an adult would be an offense other than an offense required to be recorded, the interrogators may, without the minor's consent, continue to record the interrogation as it relates to the other offense notwithstanding any provision of law to the contrary. Deletes a provision that any oral, written, or sign language statement of a minor made as a result of an interrogation under this provision shall be presumed to be inadmissible as evidence against the minor in any criminal proceeding or juvenile court proceeding, unless the recording is substantially accurate and not intentionally altered. Amends the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of an accused made as a result of a custodial interrogation conducted at a police station or other place of detention shall be presumed to be inadmissible as evidence against the accused in any felony (rather than homicide) criminal proceeding unless: (1) an electronic recording is made of the custodial interrogation; and (2) the recording is substantially accurate and not intentionally altered. Amends the Code of Criminal Procedure of 1963. Provides that evidence of a defendant's creative or artistic expression, whether original or derivative, may not be received into evidence against that defendant in a criminal proceeding unless the evidence is determined by the court to be relevant and admissible, after an offer of proof by the proponent of the evidence outside the hearing of the jury, or the hearing as the court may require, and an on-the-record statement by the court of the findings of fact essential to its determination. Provides that in order to overcome the presumption of inadmissibility of evidence of defendant's creative or artistic expression, the proffering party must affirmatively prove by clear and convincing evidence: (1) literal, rather than figurative or fictional, meaning and, where the work is derivative, that the defendant intended to adopt the literal meaning of the work as the defendant's own thought or statement; (2) a strong factual nexus indicating that the creative or artistic expression refers to the specific facts of the crime alleged; (3) relevance to an issue of fact that is disputed; and (4) distinct probative value not provided by other admissible evidence. Provides that if the court admits creative or artistic expression as criminal evidence, the court has a duty to apply careful redactions, provide limiting instructions, and consider the least prejudicial means of presenting the creative or artistic expression to the fact finder.

Amends the Community-Law Enforcement and Other First Responder Partnership for Deflection and Substance Use Disorder Treatment Act. Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that A law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that a deflection program may involve a pre-arrest diversion response and proactive identification of persons thought likely to have an untreated or undiagnosed mental illness. Provides that a deflection program may accept, receive, and disburse, in furtherance of its duties and functions, any funds, grants, and services made available by the State and its agencies, the federal government and its agencies, units of local government, and private or civic sources. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

from Ch. 38, par. 1003-6-3

Amends the Unified Code of Corrections. Provides that a prisoner who is serving a sentence for first degree murder, other than serving a term of natural life imprisonment, shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment (rather than serve the entire sentence imposed by the court). Changes certain sentence credits for a prisoner from no more than 4.5 to no more than 7.5 days of sentence credit for each month of his or her sentence of imprisonment. Provides that the Director of Corrections or the Director of Juvenile Justice may award earned sentence credits if the credits do not reduce the sentence by a specified amount (rather than award up to 180 days of earned sentence credit for prisoners serving a sentence or incarcerating of less than 5 years, and up to 365 days of earned sentence credit for prisoners serving a sentence of 5 years or longer). Provides that the Department of Corrections or the Department of Juvenile Justice shall award sentence credit accumulated prior to the effective date of the amendatory Act in an amount specified to an inmate serving a sentence for an offense committed on or after June 19, 1998, if the Department determines that the inmate is entitled to this sentence credit based upon specified documentation.

Amends the Freedom of Information Act. Specifies that, as used in the Act, "commercial purpose" includes the use of public records (or information contained in public records) for solicitation of individuals to join an organization. Authorizes a public body to extend the time for responding to a request for a public record by 7 business days (rather than 5 business days) in specified circumstances. Provides that, in the case of a request for a commercial purpose, a public body shall (rather than may) require the person to pay the estimated copy fee in full before copying the requested documents. Changes the way that a public body may respond to requests by recurrent requesters. Provides that, in the case of a voluminous request, a requester shall pay the entire fee before releasing the requested public record. Allows a public body after the first 2 hours (rather than the first 8 hours) to charge up to \$10 for each hour spent by personnel in searching for and retrieving a requested record or examining the record for necessary redactions. Removes a limitation on the imposition of this \$10 per hour fee. Exempts from disclosure under the Act communications that do not pertain to the transaction of public business that are sent to or received by an individual's personal electronic device, such as text messages, voice messages, and emails.

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide or Class X felony. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and its reliability. Provides that before trial, a defendant may move to exclude a statement that is unreliable. Provides that if, in that motion, the defendant alleges that the statement is unreliable, then a hearing shall be held. Provides that the reliability of a statement is to be considered separately from the voluntariness of a statement, although the 2 issues may be considered during the same proceeding in court. Provides that nothing in this provision shall be construed to relieve the State of its burden to demonstrate voluntariness of a custodial statement by a preponderance of the evidence. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement. Provides that the question of the statement's admissibility is solely for the trial court.

Replaces everything after the enacting clause. Amends the Reimagining Hotel Florence Act. In a provision regarding legislative intent, notes that the Hotel Florence sits within the Pullman National Historic Landmark District (rather than next to). Notes that the Pullman National Historic Landmark District's redesignation allows the federal National Park Service to enter into agreements for programs at nonfederal historic properties, including the Pullman State Historic Site, composed of the Hotel Florence, Hotel Florence Annex, Factory Grounds, Rear Erecting Shops, Front Erecting Shop North Factory Wing, and Front Erecting Shop South Factory Wing Ruin (rather than only the Hotel Florence). In a provision regarding authority to enter into a public-private agreement, provides that the Department of Natural Resources may, pursuant to a competitive solicitation process governed by this Act (rather than pursuant to a request for proposals process governed by the Illinois Procurement Code, rules adopted under that Code, and this Act), enter into a public-private agreement to develop, finance, construct, lease, manage, divest ownership in, and operate the Hotel Florence and the Pullman Factory on behalf of the State (rather than to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State). Provides that the Department may enter into agreements with governmental entities and other outside entities to assist in drafting the solicitation and evaluation process as well as develop evaluation criteria for the prequalification of offerors. In a provision regarding the competitive request for solicitations process, provides that criteria includes the offeror's plans for the Hotel Florence project, including, but not limited to, building use, experience, environmental concerns, and a proposed preservation and rehabilitation plan compliant with the Illinois State Agency Historic Preservation Act (rather than the offeror's plans for the Hotel Florence project). Provides that criteria in the competitive request for solicitations process also include the offeror's plans for the Pullman Factory. Provides that the public-private agreement shall include a provision that this project will require using guidelines from the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing Historic Buildings, and that the period of the original construction should be used to guide the project design and construction. Removes provisions regarding time limitations for a request for proposals from the effective date of the Reimagining Hotel Florence Act. Provides that the public-private agreement shall also include a requirement that the contract complies with the Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Section 2-105 of the Illinois Human Rights Act, as well as all other terms, conditions, and provisions the Department deems necessary and proper. Adds a definition of Pullman Factory. Makes technical and conforming changes.

Replaces everything after the enacting clause. Amends the Illinois Procurement Code. Creates a bid preference for firms that employ former coal mine employees. Makes changes in provisions concerning single prime procurement methods; the Illinois business bid preference; the veteran bid preferences; small business set-aside reporting; the award of contracts to not-for-profit agencies for persons with significant disabilities; the duration of contracts; public education programming; the application of the Code to public institutions of higher education; and not-for-profit agencies for persons with significant disabilities. Adds provisions concerning software licensing contracts. Amends the Governmental Joint Purchasing Act. Authorizes chief procurement officers to approve the award of a contract on a non-competitive basis to a not-for-profit agency for persons with significant disabilities. Amends the Department of Central Management Services Law of the Civil Administrative Code of Illinois. Makes changes in provisions concerning facility leases. Creates the Reimagining Hotel Florence Act. Provides that, notwithstanding any provision of law to the contrary, the Department of Natural Resources on behalf of the State may, pursuant to a competitive request for proposals process governed by the Illinois Procurement Code and rules adopted under that Code and the Act, enter into a public-private agreement to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State. Provides for home rule preemption. Amends the Business Corporation Act of 1983. Adds provisions concerning contractor diversity reporting. Amends the State Fair Act. Exempts from the requirements of the Illinois Procurement Code procurement expenditures necessary to provide artistic or musical services, performances, events, or productions under the Act at the State Fairgrounds in Springfield. Amends the Transportation Sustainability Act. Specifies that the State's solicitations for the procurement of freight, small package delivery, and other cargo shipping and transportation services shall be subject to the Illinois Procurement Code or the Governmental Joint Purchasing Act (rather than only the Illinois Procurement Code). Amends the Public-Private Partnerships for Transportation Act. Replaces references to "transportation agency" with "responsible public entity". Defines "responsible public entity". Makes changes concerning public construction bonding requirements. Makes other changes. Effective January 1, 2024.

Senate Floor Amendment No. 3

In provisions concerning former coal mine employees, deletes references to the term "union hall". Corrects an erroneous cross-reference. Specifies that a contract entered into by a public agency for the licensing of software applications designed to run on generally available desktop or server hardware may not limit the public agency's ability to install or run the software on any of the public agency's hardware (rather than on the hardware of the public agency's choosing).

Governor Amendatory Veto Message

Recommends deleting from the Public-Private Partnerships for Transportation Act language that added counties, municipalities, and other units of local government to the Act's definition of "responsible public entity".

Amends the Environmental Protection Act. To the extent allowed under federal law, caps the civil penalties that can be levied against a municipality for NPDES-related violations of the Act at \$50,000. Provides that, if the Agency brings an enforcement action under the Act against a municipality for an NPDES-related violation, then it is the affirmative obligation of the Environmental Protection Agency (i) to provide the municipality with all technical assistance requested by the municipality and necessary to resolve the environmental condition that is responsible for the violation and (ii) to make available to the municipality financial assistance that the Agency is authorized under State or federal law to supply to the municipality to resolve that condition. Requires the Agency, before seeking civil penalties against a municipality under the Act or before taking any other legal action against a municipality under this Act, to hold a public hearing within the municipality to explain the rationale for the enforcement action. Requires public notice of the meeting to be published by the Agency in a newspaper of general circulation in the affected municipality.

New Act

20 ILCS 3930/7

from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed. Each agency may establish a lower ratio for hiring of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

Amends the Transportation Article of the School Code. In provisions claiming reimbursement by the State for transportation, provides that, for a State-authorized charter school, the State will pay the prorated allowable cost of transporting eligible pupils less the prior year prorated assessed valuation based on enrollment reported for the previous academic year in a State-authorized charter school proportionate to the State-authorized charter school's local school board's district enrollment for the previous academic year. Provides that a State-authorized charter school's qualifying rate shall be the same as the rate that applies to State-authorized charter school's local school board's district. Provides that if a State-authorized charter school does not have a Transportation Fund tax rate of at least .12% based upon the tax rate of its local school board's district, the State-authorized charter school shall be eligible to receive a reimbursement based on the proportion of students enrolled in the State-authorized charter school compared with the local school board's district enrollment.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Transportation Article of the School Code concerning reimbursement by the State for transportation. Provides that a State-authorized charter school shall be reimbursed by the State. Sets forth provisions concerning how much the State must pay. Provides that a charter school, other than a State-authorized charter school, that offers transportation to eligible students shall be eligible for reimbursement by the State at the same rate as its host district, unless the host district is the Chicago school district, in which case the charter school is eligible for reimbursement by the State at the rate set forth in the charter agreement. Sets forth how the charter school shall make a reimbursement claim. Provides that a charter school, other than a State-authorized charter school, that has previously received regular transportation grant funding from the State Board of Education or is in the process of receiving such funding approved in the same fiscal year as the effective date of the amendatory Act shall retain any awarded funding.

House Floor Amendment No. 3

Changes references from "a charter school, other than a State-authorized charter school" to "a State-authorized charter school".

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Removes the statement of purpose. Removes the changes made to the Equity and Representation in Health Care Act, the Birth Center Licensing Act, and the Licensed Certified Professional Midwife Practice Act. In the Medical Patient Rights Act: Removes language providing that every woman has the right to receive care for her and her infant that is consistent with WHO recommendations on newborn health. Provides instead that every patient has the right to receive care for the patient and the patient's newborn that is consistent with all clinical consensus documents, committee statements, committee opinions, and obstetric care consensus documents published or reaffirmed by the American College of Obstetricians and Gynecologists on or after January 1, 2019. Removes language providing that every woman has the right to choose a certified nurse midwife, licensed certified professional midwife, or physician as her maternity care professional. Provides instead that every patient has the right to choose a maternity care provider from the full range of providers available in the patient's community. In a provision regarding the disclosure of medical information, removes language providing that: a health care provider shall not disclose any private information regarding a patient's reproductive health care to any out-of-state law enforcement person or entity unless disclosure of the information has been authorized pursuant to a State or federal court order; the rights described under the provision are granted to any person who is capable of becoming pregnant and who seeks reproductive health care within the borders of Illinois; and any person who knowingly or willfully violates any provision is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation. In the Juvenile Court Act of 1987: Restores language providing that proof that a parent, custodian, or guardian of a minor repeatedly used a controlled substance in the presence of the minor or a sibling of the minor is prima facie evidence of neglect.

House Committee Amendment No. 3

In the Medical Patient Rights Act: Provides that each patient has the right to: leave the patient's maternity care professional and select another if the patient becomes dissatisfied with the quality of the care provided (rather than becomes dissatisfied with the patient's care or the care of the patient's newborn); receive information about the names of those health care professionals involved in the patient's care and the care of the patient's newborn; the right to refuse (rather than accept or refuse) any treatment; and the right to decide, in consultation with the patient's caregivers (rather than collaboratively with caregivers), when the patient and the patient's newborn will leave the birth site for home.

**Representative Anne Stava-Murray**  
**HB 02086 (Continued)**

Amends the Illinois Food, Drug and Cosmetic Act. In provisions allowing the filling or refilling of personal containers with bulk food, refers to restaurants and retailers (rather than just retailers). Allows restaurants and retailers to fill or refill a consumer-owned container with ready-made food. Allows clean consumer-owned containers provided or returned to a restaurant or retailer for filling or refilling to be filled or refilled and returned to the same consumer if the consumer-owned container is filled or refilled by either an employee of the restaurant or retailer or the owner of the consumer-owned container. Requires filled or refilled consumer-owned containers to be designed and constructed for reuse in accordance with specified federal requirements. Contains requirements for restaurants and retailers. Directs the Department of Public Health to produce materials for restaurants and retailers on or before January 1, 2024 indicating that consumer-owned containers are not prohibited for use under Illinois law and specifying best practices for food safety requirements for consumer-owned containers. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

Senate Committee Amendment No. 1

Provides that except as provided under specified provisions, county health departments and municipalities may regulate but shall not prohibit (rather than shall not prohibit) the ability of a retailer to allow a consumer to fill or refill a consumer-owned personal container with bulk food if the dispensers used prevent the direct handling of the bulk food or the ability of a restaurant or retailer to fill or refill a consumer-owned container with ready-to-eat or dry bulk foods.

Amends the Illinois Library System Act. Provides that it is the policy of the State to encourage the improvement of free public libraries and to encourage cooperation among all types of libraries in promoting the sharing of library resources, including digital resources, and to encourage and protect the freedom of public libraries and library systems to acquire materials without external limitation and to be protected against attempts to ban, remove, or otherwise restrict access to books or other materials. Provides that the State Librarian shall prescribe rules concerning the development of a written policy declaring the inherent authority of the public library or library system to prohibit the practice of banning specific books or resources. Provides that, in order to be eligible for State grants, a public library or library system shall develop a written policy prohibiting the practice of banning books within the public library or library system. House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: changes references to "public library or library system" to "library or library system"; provides that an alternative to the development of a written statement (rather than policy) prohibiting the practice of banning books is to adopt the American Library Association's Library Bill of Rights that indicates materials should not be proscribed or removed because of partisan or doctrinal disapproval; and provides that the written statement shall declare that an adequate collection (rather than stock) of books and other materials is needed in a sufficient size and varied in kind and subject matter to satisfy the library needs of the people of the State. Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to provide individuals who are noncitizens or are legally admitted permanent residents the same medical assistance coverage for family planning and family planning-related services and supplies that is provided to eligible persons who are United States citizens, if they meet all other eligibility qualifications under the family planning benefits program established in accordance with the State's Family Planning State Plan Amendment as approved by the federal Centers for Medicare and Medicaid Services. Requires the Department to ensure parity of male contraceptive services provided under the family planning benefits program with a carve-out from the prospective payment system rate that allows encounter rate clinics, federally qualified health centers, and rural health centers to bill under the fee-for-service payment methodology based on the most current practitioner fee schedule for the vasectomy procedure (55250) with patient consultation services and any post-operative visits covered at the usual prospective payment system rate. 410 ILCS 210/1.5

Amends the Abused and Neglected Child Reporting Act. Provides that "abused child" includes a child whose parent or immediate family member, or any person responsible for the child's welfare, or any individual residing in the same home as the child, or a paramour of the child's parent denies the child access to necessary medical care, including, but not limited to, primary care services, abortion services, or gender-affirming services. Amends the Consent by Minors to Health Care Services Act. Specifies that consent to the performance of abortion services and gender-affirming services executed by a minor is not voidable because of such minority. Removes a requirement that, in order for a minor seeking care to be deemed to have the same legal capacity to act and have the same powers and obligations as a person of legal age, the minor seeking care is identified in writing as a minor seeking care by an adult relative; a representative of a homeless service agency that receives federal, State, county, or municipal funding to provide those services or that is otherwise sanctioned by a local continuum of care; an attorney licensed to practice law in this State; a public school homeless liaison or school social worker; a social service agency providing services to at risk, homeless, or runaway youth; or a representative of a religious organization. Provides that a health care professional rendering abortion services and gender-affirming services shall not incur civil or criminal liability for failure to obtain valid consent or professional discipline for failure to obtain valid consent if the health care professional relied in good faith on representations made by the minor.

Replaces everything after the enacting clause. Amends the Downstate Teachers Article of the Illinois Pension Code. Replaces everything after the enacting clause. Amends the Higher Education Student Assistance Act with respect to the AIM HIGH Grant Pilot Program. Removes language referring to the program as a pilot program. Requires each participating public university to indicate that grants under the program come from AIM HIGH and to use the words "AIM HIGH" in the name of any grant under the program and in any published or posted materials about the program. Provides that each public university campus shall allow qualified full-time undergraduate students to apply for a grant, but may choose to allow qualified part-time undergraduate students who are enrolling in their final semester at the public university campus to also apply. Provides that a public university in which an average of at least 49% of the students seeking a bachelor's degree or certificate received a Pell Grant over the prior 3 academic years shall match 35% (instead of 20%) of the amount of funds awarded in a given academic year with non-loan financial aid for eligible students. Provides that a public university in which an average of less than 49% of the students seeking a bachelor's degree or certificate received a Pell Grant over the prior 3 academic years shall match 70% (instead of 60%) of the amount of funds awarded in a given academic year with non-loan financial aid for eligible students. 410 ILCS 35/30 new

Amends the Equitable Restrooms Act. Provides that, notwithstanding any other provision of law, any multiple-occupancy restroom may be identified as an all-gender multiple-occupancy restroom and designated for use by any person of any gender. Requires that an all-gender multiple-occupancy restroom must include specified signage, stall dividers, and partitions for urinals. Provides that any multiple-occupancy restroom may be converted into an all-gender multiple-occupancy restroom. Provides that, if a facility commences construction, or commences alterations exceeding 50% of the facility, and implements an all-gender multiple-occupancy restroom, the all-gender multiple-occupancy restroom must satisfy or include specified requirements. Requires certain newly constructed or previously existing restrooms to be designated as all-gender multiple-occupancy restrooms. Provides that when plumbing fixtures in a facility must meet female-to-male ratio requirements, each individual fixture in an all-gender multiple-occupancy restroom may be counted toward the required number of either female or male toilet stalls. Provides that if a fixture is counted toward the minimum required fixtures for females, that same fixture shall not also be counted toward the minimum required fixtures for males, and if a fixture is counted toward the minimum required fixtures for males, that same fixture shall not also be counted toward the minimum required fixtures for females. Provides that during any inspection of a facility by a health officer, health inspector, or building inspector, the health officer, health inspector, or building inspector may inspect the facility to determine whether it complies with the provisions. Requires the Department of Public Health to adopt rules to implement the provisions. Defines "multiple-occupancy restroom". Contains other provisions. Makes other changes. Effective immediately.

Amends the School Code. In provisions of the Children with Disabilities Article concerning a child who attends a non-public school or special education facility, a public out-of-state school, or a special education facility owned and operated by a county government unit, provides that the Illinois Purchased Care Review Board shall allow a nonprofit entity to use the same profit margin calculation that the Board allows in the for-profit tuition and room and board calculations and may not make any distinction in reimbursement level for nonpublic special education facilities based upon their federal income tax filing classification. In provisions of the Chicago School District Article concerning criminal history records checks, provides that a nonpublic special education facility with multiple campuses within this State and providing services under the Children with Disabilities Article shall maintain a separate, current record at a central administrative location, for inspection by representatives of the school district and the State Board of Education, for each staff member, whether employed full-time or part-time, who provides direct services or who is directly involved in the development and implementation of instructional services. Requires a nonpublic special education facility to send a monthly employee roster file electronically to the school district and the State Board of Education that details whether the facility's employees have completed and passed the criminal history records check process. Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2024 and that provides coverage for prescription drugs shall provide coverage for vaginal estrogen, and that coverage for vaginal estrogen shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Medical Assistance Article of the Illinois Public Aid Code.

House Floor Amendment No. 2

Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 (rather than January 1, 2024) and that provides coverage for prescription drugs shall include coverage for one or more therapeutic equivalent versions of vaginal estrogen in its formulary.

Senate Committee Amendment No. 1

Legislative Information System  
103rd General Assembly  
House Democrat Sponsor Synopsis Report

**Representative Katie Stuart**  
**HB 01565 (Continued)**

Provides that if (rather than if an individual's attending provider recommends) a particular vaginal estrogen product or its therapeutic equivalent version approved by the United States Food and Drug Administration is determined to be medically necessary (rather than based on the provider's determination), the issuer must cover that service or item pursuant to the cost-sharing requirement in specified provisions (rather than without cost sharing). Provides that a policy subject to the provisions shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement that exceeds any deductible, coinsurance, copayment, or any other cost-sharing requirement imposed on any prescription drug authorized for the treatment of erectile dysfunction covered by the policy (rather than on the coverage provided). Removes language providing that a policy is not required to include all therapeutic equivalent versions of vaginal estrogen in its formulary so long as at least one is included and covered without cost sharing and in accordance with the provisions.

Amends the Election Code. For specified applications, change of address forms, or recertifications of a driver's license or State identification card, provides that the application, form, or recertification shall serve as a dual-purpose application when the applicant presents specified identification (rather than meets the requirements of the federal REAL ID Act of 2005). Provides that coverage for pregnancy, postpartum, and newborn care shall include home visits by lactation consultants and the purchase of breast pumps and breast pump supplies, including such breast pumps, breast pump supplies, breastfeeding supplies, and feeding aids as recommended by the lactation consultant. Provides that coverage for postpartum services shall apply for at least one year after birth. Provides that certain pregnancy and postpartum coverage shall be provided without cost-sharing requirements. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that the medical assistance program shall cover home visits for lactation counseling and support services. Provides that the medical assistance program shall cover counselor-recommended or provider-recommended breast pumps as well as breast pump supplies, breastfeeding supplies, and feeding aids. House Committee Amendment No. 1

Deletes reference to:  
305 ILCS 5/5-18.10

**Representative Katie Stuart**  
**HB 05142 (Continued)**

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes language providing that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

House Committee Amendment No. 2

Adds reference to:  
215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

Fiscal Note (Dept. on Insurance)

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls (complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

House Floor Amendment No. 5

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with changes. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation, except to the extent that the coverage would disqualify a high-deductible health plan from eligibility for a health savings account (rather than coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes other changes. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

Senate Committee Amendment No. 1

Provides that beginning January 1, 2025, certified professional midwife services (in addition to licensed certified professional midwife services) shall be covered under the medical assistance program.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Further amends the Illinois Procurement Code. Provides that cumulative small purchases under \$1,000 made in a previously non-contemplated manner by the same or separate individuals or departments within an agency or university that exceed the small purchase threshold do not constitute stringing and are allowable under the Code. Provides that the Code does not apply to procurement expenditures related to efforts for the recruitment and retention of State employees. Makes changes concerning applicability of the Code to public institutions of higher education, independent chief procurement officers, duration of contracts, electronic procurement systems, job order contracting, curing a violation or deficiency during an active procurement, procurement communications reporting requirements, method of source selection, bid preferences for Illinois businesses, and prohibited bidders. Amends the State Property Control Act. Makes changes concerning new furniture purchases. Amends the Counties Code. Provides that certain competitive bidding requirements apply to an elected official in a county with fewer than 2,000,000 inhabitants (in addition to applying to a county with fewer than 2,000,000 inhabitants). Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources has the power to lease, from time to time, any land or property, with or without appurtenances, of which the Department has jurisdiction, and which are not immediately to be used or developed by the State if certain requirements are met. Provides that the Department may lease any land or property over which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project. Amends the Architectural, Engineering, and Land Surveying Qualifications Based Selection Act. Provides that the State agency may communicate with firms who were not selected to provide services in order to provide further information about the firm's proposal deficiencies. Amends the Governmental Joint Purchasing Act. Provides that each chief procurement officer may authorize any governmental unit of this State to purchase or lease supplies under a contract which has been procured under the jurisdiction of the Illinois Procurement Code by a governmental unit subject to the jurisdiction of the chief procurement officer. Amends the Reimagining Hotel Florence Act. Adds provisions concerning the Pullman Factory. Makes other changes. Creates the Progressive Design-Build Pilot Program Act. Provides that the Capital Development Board may elect to use the progressive design-build delivery method. Sets forth other provisions concerning procedures for selection and submission of qualifications, the award of contracts, pricing, and federal requirements. Makes other changes. Amends the Business Enterprise for Minorities, Women, and Persons with Disabilities Act. Sets forth a uniform standard of contract goals. Makes changes concerning the Business Enterprise Council and enforcement. Amends the Public Contract Fraud Act. Provides that the Attorney General need not approve the title for lands needed for public works or improvements if the consideration paid does not exceed \$25,000 (currently, \$10,000). Amends the Metropolitan Water Reclamation District Act. Provides that the mandatory competitive bid threshold for the District may not be less than \$60,000 (rather than less than \$10,000 or more than \$40,000). Amends the Governmental Joint Purchasing Act. Provides that a governmental unit may purchase a supply or service that is available on contracts from multiple contractors if the governmental unit determines that the selected contract best meets the governmental unit's needs. Amends the Commission on Equity and Inclusion Act. Provides that the Commission shall supervise (rather than oversee) the implementation and effectiveness of supplier diversity training of the State procurement workforce (rather the implementation of diversity training of the State workforce). Amends the Metropolitan Pier and Exposition Authority Act. Makes changes in provisions concerning construction and professional services contracts. Amends the Public-Private Partnerships for Transportation Act. Makes changes concerning the definition of "responsible public entity", unsolicited proposals, and formation of public-private agreements. Makes other changes.

Senate Floor Amendment No. 2

Deletes reference to:  
30 ILCS 500/45-45

Removes changes to provisions of the Illinois Procurement Code concerning small business set-asides. In a provision of the Illinois Procurement Code concerning mid-size business set-asides, provides that "mid-size business" includes a construction business with annual sales and receipts in excess of \$14,000,000 but not over \$45,000,000 (instead of in excess of \$45,000,000 but not over \$67,500,000). Provides that the provisions concerning mid-size business applies only to construction-related procurements for the Illinois State Toll Highway Authority (instead of applying only to procurements by the Illinois State Toll Highway Authority for construction contracts, construction-related contracts, and construction support contracts). Repeals the provisions 5 years after the effective date of the amendatory Act (instead of January 1, 2029).

Senate Floor Amendment No. 3

In the Progressive Design-Build Pilot Program Act, removes language that provides that the State construction agency will retain ownership of any design documents completed by the progressive design-build entity. In a provision of the Metropolitan Pier and Exposition Authority Act concerning requirements for contracts for professional services entered into by the Metropolitan Pier and Exposition Authority, specifies that the provisions apply to contracts in excess of \$25,000 for architectural, engineering, or land surveying services provided to the Authority and contracts in excess of \$100,000 (instead of \$25,000) for certain other services.

Senate Floor Amendment No. 5

Adds a provision that makes Article 1 of the bill take effect immediately.

Allows a prevailing plaintiff to be awarded damages, costs, and additional relief. Allows the court to grant injunctive relief maintaining the confidentiality of a plaintiff using a pseudonym.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Civil Remedies for Nonconsensual Dissemination of Private Sexual Images Act. Changes the definition of "sexual image" to also mean a photograph, film, videotape, digital recording, or other similar medium that falsely appears to show the fully unclothed, partially unclothed, or transparently clothed genitals, pubic area, anus, or female post-pubescent nipple, partially or fully exposed, of a depicted individual or a depicted individual engaging in or being subjected to sexual conduct or activity. Provides that a depicted individual of an intentionally digitally altered sexual image has a cause of action against a person disseminating or threatening to disseminate the sexual image. Provides that in the case of digitally altered sexual images, disclosing that the images were digitally altered is not a defense to liability. Removes language providing that nothing in the Act shall be construed to impose liability on an interactive computer service for content provided by another person. New Act

Creates the Thin Ice Warning Act. Provides that a land owner, including private owners, the State, or a unit of local government, must rope off and erect warning signs near portions of a pond, river, or lake that is reasonably accessible by persons other than the owner of the property if (1) the pond, river, or lake is within 500 feet of a residence other than the property owner's residence and (2) a majority of the water by the shore is iced over. Requires a sign to be erected every 50 feet that includes a warning drawing of an individual falling through ice and text stating, "Warning: Thin Ice". Provides that a county, municipality, or township, including home rule units, may not adopt ordinances regulating the roping off and signage required in a manner less restrictive than provided in the Act. Provides that a county, municipality, or township ordinance regulating the roping off and signage requirements may include, but is not limited to, regulations expanding the requirements to other, temporary bodies of water, such as drainage basins, and regulating fishing and ice skating on bodies of water where roping off and signage is required. Provides that roping off and signage is not required and may not be regulated for the portions of a pond, river, or lake that are used by livestock as a water source. Limits the concurrent exercise of home rule powers.

415 ILCS 5/19.11

Amends the Environmental Protection Act. Allows a public water distribution entity to use contact information in its possession that it obtained before an unplanned disruption event in a public water supply in order to inform its customers of the unplanned disruption event, regardless of whether consent is expressly given to use the information for that purpose. Defines "unplanned disruption event in a public water supply".

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes the definition of "unplanned disruption event in a public water supply." Allows a public water distribution entity to use contact information in its possession obtained before or after (rather than only before) a planned or unplanned disruption event (rather than only an unplanned disruption event) in a public water supply in order to inform its customers of the disruption event. Includes in the definition of "disruption event" planned or unplanned (rather than only unplanned) work on or damage to a water main.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Provides that a "disruption event" includes any planned or unplanned work on or damage to a fire hydrant. Changes the term "health care facility list" to "disruption notification list". Requires a public water distribution entity to also notify all affected fire departments and all affected dispatch centers on the public water supply's disruption notification list not less than 14 days before any known, planned, or anticipated disruption event. Requires a public water distribution entity to notify all affected fire departments and dispatch centers on the disruption notification list that are affected by any unplanned disruption event within 2 hours. Requires a fire department and a dispatch center to designate an email address to receive electronic notifications from the public water distribution entity concerning planned or unplanned disruption events.

105 ILCS 5/34-18.87 new

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:  
105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

Makes changes concerning compensation, including prohibiting the Act from being interpreted to consider a student-athlete as an employee, agent, or independent contractor of an association, a conference, or a postsecondary educational institution (instead of providing that a student-athlete shall not be deemed an employee, agent, or independent contractor of an association, a conference, or a postsecondary educational institution based on the student-athlete's participation in an intercollegiate athletics program). **HB 00351 (Continued)**

Replaces everything after the enacting clause. Amends the Election Code. Creates the Task Force to Review Eligibility to Hold Public Office to review what criminal conduct precludes a person from holding public office in the State and to make recommendations as to what criminal conduct should preclude an individual from holding public office. Includes language relating to Task Force membership, administrative support by the Illinois Sentencing Policy Advisory Council, meetings, submission of a report of its findings and recommendations to the General Assembly and the Governor by May 1, 2024, and repealing the provisions on January 1, 2025. Amends the Unified Code of Corrections. Provides that, notwithstanding any other provision of law, a person convicted of a felony, bribery, perjury, or other infamous crime for an offense committed on or after the effective date of the amendatory Act and committed while he or she was serving as a public official in the State is ineligible to hold any local public office or any office created by the Constitution of the State unless the person's conviction is reversed, the person is again restored to such rights by the terms of a pardon for the offense, the person has received a restoration of rights by the Governor, or the person's rights are otherwise restored by law. Effective immediately.

House Floor Amendment No. 2

Provides that 2 State Representatives shall be appointed by the Minority Leader of the House of Representatives to the Task Force (rather than one State Representative) and 2 State Senators shall be appointed by the Minority Leader of the Senate to the Task Force (rather than one State Senator). Specifies that the provision creating the Task Force is to be repealed on January 1, 2026 (rather than January 1, 2025). Replaces on the Task Force representatives from the State Board of Elections with representatives from the Illinois Sentencing Policy Advisory Council. Provides that the State Board of Elections, rather than the Illinois Sentencing Policy Advisory Council, will provide administrative support to the Task Force. Amends the School Code. Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Provides that, beginning with the 2027-2028 school year (instead of the 2023-2024 school year), each school board must establish a kindergarten with full-day attendance. Provides that the full-day kindergarten should be developmentally appropriate and provide opportunities for play-based learning. Provides that an elementary or unit school district that does not offer full-day kindergarten as of October 1, 2022, may, by action of the State Board of Education, apply for an extension of the 2027-2028 school year implementation deadline for 2 additional years if one of the specified criteria are met. Creates the Full-Day Kindergarten Task Force. Provides that the Task Force shall conduct a statewide audit to inform the planning and implementation of full-day kindergarten in the State and shall, at a minimum, collect, analyze, and report specified criteria. Provides that the Task Force may recommend for an additional criterion that the State Board of Education may consider in granting a waiver to establish a full-day kindergarten. Sets forth the members of the Task Force and requirements to be a member. Provides that the Task Force shall meet at the call of the State Superintendent of Education or their designee, who shall serve as the chairperson. Provides that the State Board of Education shall provide administrative and other support to the Task Force. Provides that members of the Task Force shall serve without compensation. In provisions concerning the criteria for an extension, provides that a school district must be funded below 76% (instead of 70%) of adequacy according to the Evidence-Based Funding formula in Fiscal Year 2023 (instead of as of the date of the application).

Senate Floor Amendment No. 4

Provides that the Task Force shall issue an interim report by November 15, 2024 (instead of April 15, 2024) and a final report to the General Assembly and Governor's Office no later than January 31, 2025 (instead of November 15, 2024).

Creates the Reimagining Hotel Florence Act. Provides that, notwithstanding any provision of law to the contrary, the Department of Natural Resources on behalf of the State may, pursuant to a competitive request for proposals process governed by the Illinois Procurement Code and rules adopted under that Code and the Act, enter into a public-private agreement to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State. Makes changes concerning public construction bonding requirements. Makes other changes. Effective January 1, 2024.

Senate Floor Amendment No. 3

In provisions concerning former coal mine employees, deletes references to the term "union hall". Corrects an erroneous cross-reference. Specifies that a contract entered into by a public agency for the licensing of software applications designed to run on generally available desktop or server hardware may not limit the public agency's ability to install or run the software on any of the public agency's hardware (rather than on the hardware of the public agency's choosing).

Governor Amendatory Veto Message

Recommends deleting from the Public-Private Partnerships for Transportation Act language that added counties, municipalities, and other units of local government to the Act's definition of "responsible public entity".

New Act

Creates the Consumer Reciprocal Attorney's Fees Act. Defines "consumer contract" as any contract in which the money, property, or service that is the subject of the transaction is primarily for personal, family, or household purposes. Provides that if a consumer contract allows for the recovery of attorney's fees in an action brought to enforce the contract, the court may award reasonable attorney's fees to the defendant if the defendant prevails in the action. Provides that the Act applies to any action filed on or after the effective date of the Act where the amount claimed does not exceed the maximum amount of a judgment allowable for a small claim under the Illinois Supreme Court Rules, but does not apply if the plaintiff does not request attorney's fees in the complaint or if each party to the consumer contract was represented by counsel in the negotiation of the contract. Provides that nothing in the Act shall be construed to apply to or limit the rights of any party to attorney's fees under any other contract or other provisions of State law.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Defines "commercial party" and "debt buyer". Sets forth the ways a defendant can prevail in an action under the Act. Provides that if the commercial party filing the action is a debt buyer, the Act applies irrespective of when the consumer contract was made or acquired by the debt buyer. Provides that the Act does not apply if each party to the consumer contract was represented by counsel in the negotiation of the consumer contract.

New Act

Creates the Powering Up Illinois Act. Provides that an electrical corporation which operates in the State shall upgrade the State's electrical distribution systems in order to achieve the State's decarbonization standards. Provides that an electrical corporation shall be adequately staffed and recruit, train, and retain further staff as needed. Provides that the Illinois Commerce Commission shall establish reasonable average and maximum target energization time periods. Provides that the Commission shall establish requirements for an electrical corporation to report to the Commission, at least annually, to track and improve electrical corporation performance. Provides that the Commission shall require an electrical corporation to establish a dedicated electrification team. Sets forth requirements for an electrical corporation to consider when engaging in the annual distribution planning process. Provides that, in its site evaluation and design process, the Commission shall require an electrical corporation to consider flexible interconnection to defer or mitigate energization-related grid upgrades, but, if the solutions cannot defer or mitigate an upgrade, the corporation may evaluate traditional system upgrades. Provides that an electrical corporation may recover costs. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes all instances of "electric corporation" to "electric utility". Provides that an electric utility that operates within the State shall allow customers seeking energization to elect an optional flexible connection agreement, meaning a tariffed, voluntary utility offering that requires customers to agree to specified service levels as a requirement of energization or interconnection, through the use of load management technology that limits the net import and export of electricity at the point of common coupling to remain within the rated capacity limits of a customer's existing service connection or distribution circuit, either on a permanent basis or to allow for immediate project operations before service or distribution system upgrades are completed. Describes considerations the Illinois Commerce Commission shall require an electric utility to include in its internal distribution planning process and in the development of the Multi-Year Integrated Grid Plans required under the Public Utilities Act (rather than considerations the electric utility shall be required to include in its distribution planning process only). Requires the load and electrification forecasts of electric utilities to include scenarios that are consistent with achieving the various laws, standards, plans, and regulations referenced in the Act. Provides that, if the solutions set forth in the Act cannot defer or mitigate an upgrade, then the electric utility shall evaluate traditional system upgrades (rather than may evaluate traditional system upgrades). Sets forth requirements to ensure the safety and reliability of electrical infrastructure associated with charging electric vehicles. Effective immediately.
