Declares the State of Illinois should take the lead on issues of Pan-Africanism, citizenship in Africa, and reparatory justice, and the State should champion the Eighth Pan-African Congress Part 1 (8PAC1) and its agenda to develop a continental-wide diaspora citizenship plan, establish the African Diaspora as the 6th Region of the African Union (AU), and determine a permanent headquarters for the 6th Region. Calls upon the State to immediately, through its African Descent-Citizens Reparations Commission (ADCRC), provide matrilineal and patrilineal DNA testing through African ancestry to determine the ancestral lineages and territories of origin of its Black residents so that they can seek citizenship in their ancestral homelands, if so desired. Calls upon the State to become the first to conduct a repatriation census in preparation for honoring President Abraham Lincoln's desire for voluntary repatriation with compensation and to make conducting the repatriation census its immediate priority.

Endorses the following principles as the Cancer Patients' Bill of Rights to express support that cancer patients in the State receive the best cancer care available: (1) cancer patients with complex cancers deserve access to specialized expertise and emerging treatments for their specific type of cancer, including precision medicine and genomic therapies, which are often only available at advanced cancer centers, (2) cancer patients deserve multidisciplinary supportive care while undergoing treatment, including care that addresses pain, emotional, and overall health needs, (3) cancer patients should have the opportunity to access emerging therapies informed by the latest cancer research through relevant early-stage and late-stage clinical trials, which are only available at cancer treatment institutions, (4) to the extent possible, cancer patients should be able to receive timely cancer care in their community, which is often supported by partnerships between community providers and academic institutions, and (5) cancer patients have a right to fully understand their diagnoses and be informed about treatment options in culturally appropriate and understandable languages.

Urges the Illinois Department of Corrections under their existing statutory authority to draft and adopt administrative rules authorizing community-based, non-profit residential treatment providers to apply for the same monthly Financial Impact Statement funds per person and per month to support their operations. Urges that these rules enable IDOC to automatically fund qualified community-based non-profit residential providers that meet objective state standards for service provision, safety, and rehabilitative support. States that IDOC already has existing statutory and budget authority to enter into these funding agreements with community-based non-profit residential treatment providers that are not private correctional facilities or private detention facilities. Further states that administrative rules governing applications, standards and metrics for residential treatment facilities to qualify for automatic funding with IDOC would enhance transparency and incentivize more development of these non-profit residential treatment facilities.

325 ILCS 5/4.4 rep.

705 ILCS 405/2-3 from Ch. 37, par. 802-3

Creates the Family Care Plans for Infants and Families Act. Requires the Department of Public Health, in consultation with specified agencies and entities, to develop guidelines for hospitals, birthing centers, medical providers, Medicaid managed care organizations, and private insurers on how to conduct a family needs assessment and create a family care plan for an infant who may exhibit clinical signs of withdrawal from a controlled substance or medication. Requires an infant's family care plan to include a family needs assessment performed by a social worker or any other appropriate and trained individual or agency. Requires a licensed health care professional or social worker to complete a family care plan that shall include supports and services to be provided to the infant and the infant's parent or caregiver. Contains provisions concerning information that must be provided under a family care plan; notice to the Department of Public Health when an infant's parent or caregiver fails to adhere to a family care plan; exceptions to a finding of nonadherence; educational materials and training for hospital employees and others on the difference between notification requirements to report the birth of a substance-exposed infant and notification requirements to report alleged child abuse and neglect; and other matters. Provides that notice to the Department of Public Health on the birth of a substance-exposed infant shall not be construed to mean that prenatal substance use is intrinsically considered child abuse or neglect. Amends the Abused and Neglected Child Reporting Act and the Juvenile Court Act of 1987. Removes from the definition of "neglected child" a newborn infant whose blood, urine, or meconium contains any amount of a controlled substance. Removes a provision requiring the Department of Children and Family Services to report to the State's Attorney whenever the Department receives a report that a newborn infant's blood contains a controlled substance. Effective immediately.

Amends the Credit Services Organizations Act. Expands the list of prohibitions imposed on a credit services organization to include: (i) charging or receiving any money or other valuable consideration before providing services listed in the contract (rather than charging or receiving any money or other valuable consideration prior to full and complete performance of the services the credit services organization has agreed to perform); (ii) making a guarantee that a buyer's credit score or credit report will be improved through that buyer contracting with the credit services organization; (iii) adding an authorized user to a credit card account for payment of money or other valuable consideration; (iv) seeking an investigation by a third party of a trade line on a credit report without the authorization of the buyer; (v) failing to allow the buyer to cancel a contract with the credit services organization by phone call, email, text message, or a website; and other prohibitions as specified. In a provision concerning written statements a credit services organization must provide to a buyer before executing a contract or other agreement with the buyer, provides that, if a credit services organization agrees to provide services on a periodic basis, the organization must provide a detailed written description of those services that explains how the buyer will be billed in substantially equal periodic payments at fixed time intervals. In a provision requiring each written contract to include certain statements and information, provides that: (i) a statement alerting the buyer of the cancellation notice form attached to the contract must be written in at least 10-point boldface type; and (ii) the written contract must include a complete and detailed description of the services to be performed by the credit services organization and the total cost to the buyer for such services, including a detailed description on how a buyer will be billed for services provided by the credit services organization on a periodic basis. Requires a credit services organization to obtain a surety bond and adhere to certain procedures. Provides that the surety bond shall be maintained for a period of 5 (rather than 2) years after the date that the credit services organization ceases operations. Makes a change to the definition of "credit services organization".

20 ILCS 1305/1-90 new

Amends the Department of Human Services Act. Requires the Department of Human Services to implement a Child Care Collaboration Program by no later than July 1, 2024 to facilitate high quality collaborative programming between child care and other early care and education providers and funding streams in order to increase, through collaboration, the quality and quantity of early care and education for families in Illinois who are eligible to receive child care assistance under the Department's Child Care Assistance Program. Provides that to be eligible to participate in the Child Care Collaboration Program a provider must meet certain eligibility requirements, including: (i) be a profit or nonprofit early childhood center or licensed family child care home; (ii) receive or be eligible to receive child care assistance funding; and (iii) be a part of an existing or pending collaborative arrangement with a Head Start or Early Head Start Program or with a pre-kindergarten program funded by the Illinois State Board of Education through the Early Childhood Block Grant. Sets forth approvable models of collaboration and application requirements for providers seeking approval of their existing or proposed child care collaboration program. Provides that each eligible provider that receives Department approval of its existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the program. Provides that a family's eligibility for collaboration services under the approved child care collaboration program shall be determined in accordance with all current child care rules, with certain exceptions, including, but not limited to: (1) a family's eligibility period for collaboration services shall be up to 36 months to coincide with the family's eligibility for a Head Start or Early Head Start Program or an early childhood or preschool program funded through the Early Childhood Block Grant; and (2) no child care co-payments shall be assigned or collected from the family. Effective immediately.

House Committee Amendment No. 1

Removes a provision providing that each eligible provider that receives approval from the Department of Children and Family Services of the provider's existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the existing or proposed program. Removes a provision exempting eligible families from child care co-payments for child care collaboration services. Instead provides that families eligible for collaboration services shall pay a monthly co-payment amount of up to \$1.

20 ILCS 301/15-10

Amends the Substance Use Disorder Act. Requires the Department of Human Services to (i) establish a new intervention license category entitled "OPS Harm Reduction Services", (ii) establish standards for entities to become licensed under the OPS Harm Reduction Services category, and (iii) create a licensing application process. Provides that, notwithstanding any other law, ordinance, or regulation, any entity licensed as an OPS Harm Reduction Services provider may operate an overdose prevention site as authorized by the Department. Requires the Department to make a determination as to whether to approve an entity's application for an OPS Harm Reduction Services license within 4 weeks after the date upon which the entity submitted its application to the Department. Requires the Department to help educate local communities and public and private entities about overdose prevention sites and the evidence regarding the benefits of overdose prevention sites. Requires entities approved to operate an overdose prevention site to, at a minimum, provide a hygienic space where participants may consume pre-obtained substances, maintain a supply of naloxone and oxygen on-site, employ staff trained to administer first aid to participants who are experiencing an overdose, provide secure hypodermic needle and syringe disposal services, encourage drug checking or the use of fentanyl test strips, and other services. Requires licensed entities to submit a report to the Department on the number of participants who have received or are receiving services at the overdose prevention site and other matters. Grants immunity from civil or criminal liability to specified persons. Preempts home rule powers.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Substance Use Disorder Act. Requires the Department of Human Services to develop a pilot program aimed at saving the lives of people who use substances. Provides that the program shall include the establishment of at least one overdose prevention site. Provides that the pilot overdose prevention sites shall be exempt from the Act's intervention licensure requirements for harm reduction services until the Department has adopted rules for harm reduction services. Provides that overdose prevention sites shall offer people who are most likely to use drugs in public, unobserved, high-risk, and unsanitary locations a safe space to use pre-obtained substances and to connect with community supports or other existing treatment and recovery programs, harm reduction services, and health care. Sets forth principles that pilot overdose prevention sites shall abide by. Contains provisions concerning: staffing requirements at overdose prevention sites; designated locations for overdose prevention sites; program and service requirements for overdose prevention sites; civil immunity for overdose prevention sites and staff; and other matters. In provisions concerning licensure categories and services, creates a new harm reduction services category under the Act.

House Committee Amendment No. 2

Requires each pilot overdose prevention site to track and compile information on the success rate of persons who are referred to and receive additional treatment and recovery support services after utilizing the services provided at the overdose prevention site. Provides that each pilot overdose prevention site must monitor and collect the following data: (i) the number of persons who seek and receive services at the overdose prevention site; (ii) the number of persons identified in item (i) who are referred to other substance use and treatment and recovery support services offered by another provider; and (iii) the number of persons identified in item (ii) who receive and complete substance use treatment or a program of recovery support services offered by another provider. Requires each pilot overdose prevention site to compile the required data and information and submit an annual report on its findings to the Department of Human Services in a form and manner and on a date prescribed by the Department. Provides that all personally identifiable information shall be excluded from the reports consistent with State and federal privacy protections. Makes technical changes.

New Act

Creates the Home Modification Program Act. Provides that the purpose of the Act is to establish a home modification funding system that is streamlined, effective, and administered by experts within the disability community. Provides that, subject to appropriation, the Department of Human Services shall establish a Home Modification Program to provide financial assistance to persons with disabilities for home modification projects. Requires the Department to designate a statewide association that represents centers for independent living to serve as the lead agency to administer the Program. Requires the Department to provide funding for the Program. Requires the lead agency to distribute any moneys it receives from the Department to the State's 22 centers for independent living, covering all 102 counties. Provides that the lead agency shall ensure that each center for independent living has access to at least \$105,000 to use for home modification projects, with the excess funds subject to reallocation during the 4th fiscal quarter of each year. Contains provisions concerning eligibility requirements for applicants under the Program; standards and qualifications for home modification projects; the lead agency's establishment of a Home Modification Subcommittee to provide additional oversight of the home modification projects; and an administrative fee to the lead agency.

House Committee Amendment No. 1

Expands the list of findings to include the following: nearly 3,900,000 veterans receive disability compensation payments; these veterans have sacrificed in service to their country and defense of our freedoms; and home modifications will help Illinois veterans to regain and maintain their own freedom to utilize their homes and access the world around them. Provides that older adults and veterans who have a disability, as defined in the Act, qualify for financial assistance under the Home Modification Program. Requires program applicants to have proof of disability from an agency other than a center for independent living when a disability is not obvious or readily apparent. Provides that, in addition to other local, State, and federal requirements, all contractors must follow the requirements under the Illinois Accessibility Code. Expands the definition of "home modification" to include any change to the structure of a residential home or property to create universal design. Defines "universal design" to mean any dwelling unit designed and constructed that is safe and accessible for everyone, regardless of age, physical ability, or stature. Makes technical changes.

210 ILCS 45/3-304.2

Amends the Nursing Home Care Act. Requires the Department of Public Health to adopt criteria, by rule, to identify distressed facilities and to publish a list of distressed facilities quarterly. Provides that no facility shall be identified as a distressed facility unless it has committed a violation or deficiency that has harmed a resident. Removes existing language requiring the Department of Public Health to generate and publish quarterly a list of distressed facilities based on specified criteria.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions relating to designation of distressed facilities, provides that the Department of Public Health shall, by rule, create a timeframe and a procedure on how a facility can be removed from the list and the list may not contain more than 40 facilities per quarter. Provides that a facility has the right to appeal a designation and the procedure for appealing shall be outlined in rule. Removes provisions relating to temporary managers, and provides that a monitor (rather than a temporary manager) may apply to the Equity in Long-term Care Quality Fund on behalf of the facility for grant funds to implement the plan of improvement. Provides that the Department's mentor program is for owners and operators (rather than owners) of distressed facilities and that the program shall provide technical assistance and guidance to facilities. Provides that the Department's rule criteria for restricting the owners of a facility may not prohibit an owner who acquires ownership of a facility that is already on the distressed facility list before the owner's acquisition of the facility from acquiring additional skilled nursing facilities. Excludes from the provisions homes, institutions, or other places operated by or under the authority of the Illinois Department of Veterans' Affairs as those facilities are certified by the United States Department of Veterans Affairs and not the Centers for Medicare and Medicaid Services.

Amends the Illinois Dental Practice Act. Provides that a person who provides teledentistry is considered to practice dentistry under the Act. Provides that a dentist practicing teledentistry is subject to the same standard of care as if those services were being delivered in a clinic or office setting. Provides that a patient receiving dental services through teledentistry shall be provided with the name, direct telephone number, and physical practice address of the treating dentist who will be involved in the teledentistry services. Provides that the Department of Financial and Professional Regulation may adopt rules to implement the provisions of the use of teledentistry services. Provides that it shall be a violation of the Act for a provider of dental services utilizing care through teledentistry to require a patient to sign an agreement that limits in any way the patient's ability to write a review of services received or file a complaint with the Department or other regulatory agency. Provides that a person may not sell a clear aligner to a patient unless the person has received written or electronic confirmation from a dentist licensed in this State that the patient has received an intraoral or extraoral dental examination and has had a review of new or recently conducted x-rays, panoramic x-rays, computed tomography, bone imaging scans, or other appropriate diagnostic imaging sufficient to allow the dentist to detect conditions in the patient that would preclude or contraindicate the provision of safe orthodontic treatment. Provides that a person who sells a clear aligner to a patient shall maintain any documents for not less than 7 years after the date of sale. Defines "informed consent" and "clear aligner". Changes the definitions of "patient of record" and "teledentistry".

Amends the Landlord and Tenant Act. Prohibits a landlord from charging a prospective tenant an application screening fee if the prospective tenant provides a reusable tenant screening report that meets the following criteria: (i) the report was prepared within the previous 30 days by a consumer credit reporting agency at the request and expense of a prospective tenant; (ii) the report is made directly available to a landlord for use in the rental application process or is provided through a third-party website that regularly engages in the business of providing a reusable tenant screening report and complies with all state and federal laws pertaining to use and disclosure of information contained in a consumer report by a consumer credit reporting agency; and (iii) the report is available to the landlord at no cost to access or use.

Senate Committee Amendment No. 1

In the definition of "reusable tenant screening report", adds that it is a written report prepared by a consumer credit reporting agency. Provides that the report shall include a verification of the source of income of the prospective tenant. Provides that the report shall include all of the criteria consistently being used by the landlord in the screening of prospective tenants. Provides that nothing in the new provisions prohibits a landlord from collecting and processing an application in addition to the report provided, as long as the prospective tenant is not charged an application screening fee for this additional report.

55 ILCS 5/3-3013 from Ch. 34, par. 3-3013

Amends the Counties Code. Provides that, if a drug overdose is determined to be the cause or a contributing factor in a death, the coroner or medical examiner shall report the following information, at a minimum, to the Department of Public Health: (i) if known or knowable (rather than if possible), the cause of the overdose; (ii) whether or not fentanyl was part or all of the consumed substance; (iii) if fentanyl is part of the consumed substance, what other substances were consumed, if known or knowable; and (iv) if fentanyl is part of the consumed substance, in what proportion was fentanyl consumed to other substance or substances, if known or knowable. Currently, the report only requires the coroner to report, if possible, the cause of the overdose. Provides that the coroner must also communicate whether there was a suspicious level of fentanyl in combination with other controlled substances present to all law enforcement agencies in whose jurisdiction the deceased's body was found within 24 hours after receipt of the toxicology results whether or not a cause of death has been determined.

Senate Committee Amendment No. 1

Provides that in every case in which a drug overdose is officially determined (rather than determined) to be the cause or a contributing factor in the death, the coroner or medical examiner shall report the death to the Department of Public Health. Requires the report to include, if possible, the cause of the overdose (rather than if known or knowable, the cause of the overdose). Provides that the coroner must also communicate whether there was a suspicious level of fentanyl in combination with other controlled substances present to all law enforcement agencies in whose jurisdiction the deceased's body was found in a prompt manner (rather than within 24 hours after receipt of the toxicology results whether or not a cause of death has been determined).

Amends the Illinois Insurance Code. Provides that insurers shall cover all services for pregnancy, postpartum, and newborn care that are rendered by perinatal doulas or licensed certified professional midwives, including home births, home visits, and support during labor, abortion, or miscarriage. Provides that the required coverage includes the necessary equipment and medical supplies for a home birth. Provides that coverage for pregnancy, postpartum, and newborn care shall include home visits by lactation consultants and the purchase of breast pumps and breast pump supplies, including such breast pumps, breast pump supplies, breastfeeding supplies, and feeding aids as recommended by the lactation consultant. Provides that coverage for postpartum services shall apply for at least one year after birth. Provides that certain pregnancy and postpartum coverage shall be provided without cost-sharing requirements. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that the medical assistance program shall cover home visits for lactation counseling and support services. Provides that the medical assistance program shall cover counselor-recommended or provider-recommended breast pumps as well as breast pump supplies, breastfeeding supplies, and feeding aids. Provides that nothing in the provisions shall limit the number of lactation encounters, visits, or services; breast pumps; breast pump supplies; breastfeeding supplies; or feeding aids a beneficiary is entitled to receive under the program. Makes other changes. Effective January 1, 2026.

House Committee Amendment No. 1

Deletes reference to:

305 ILCS 5/5-18.10

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes language providing that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

House Committee Amendment No. 2

Adds reference to:

215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

Fiscal Note (Dept. on Insurance)

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls

(complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

House Floor Amendment No. 5

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with changes. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation, except to the extent that the coverage would disqualify a high-deductible health plan from eligibility for a health savings account (rather than coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes other changes. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

Senate Committee Amendment No. 1

Provides that beginning January 1, 2025, certified professional midwife services (in addition to licensed certified professional midwife services) shall be covered under the medical assistance program.

**Balanced Budget Note (Office of Management and Budget)**

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

**Fiscal Note (Dept. of Healthcare & Family Services)**

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. New Act

Creates the Civil Liability for Doxing Act. Provides that an individual engages in the act of doxing when that individual intentionally publishes another person's personally identifiable information without the consent of the person whose information is published and: (1) the information is published with the intent that it be used to harm or harass the person whose information is published and with knowledge or reckless disregard that the person whose information is published would be reasonably likely to suffer death, bodily injury, or stalking; and (2) the publishing of the information: (i) causes the person whose information is published to suffer significant economic injury or mental anguish or to fear serious bodily injury or death of the person or a family or household member to the person; or (ii) causes the person whose information is published to suffer a substantial life disruption. Allows a person who is aggrieved by a violation of the Act to bring a civil action against the individual who committed the offense to recover damages and obtain any other appropriate relief. Removes a provision requiring the Department to implement co-payments under the program. Requires the Department to make annual (rather than quarterly) reports on care coordination unit performance and adherence to service guidelines. Removes expired rate levels. Requires the Department to pay an enhanced rate under the Community Care Program to those in-home service provider agencies that offer health insurance coverage as a benefit to their direct service worker employees. Provides that all final administrative decisions of the Department are subject to judicial review. Makes other changes.

House Floor Amendment No. 2

In a provision concerning pre-service certification for in-home workers who provide housekeeping or home aide services under the Community Care Program, removes a provision requiring employing agencies to pay wages to their in-home workers for pre-service and in-service training. In a provision requiring the Department on Aging to pay an enhanced rate to in-home service provider agencies that offer health insurance coverage to their direct service worker employees, provides that the enhanced rate shall be at least \$1.77 per unit. Requires the Department to review the enhanced rate as part of its process to rebase in-home service provider reimbursement rates pursuant to federal waiver requirements.

House Floor Amendment No. 3

In a provision requiring the Department on Aging to provide Community Care Program reports that include an annual report on Care Coordination unit performance and adherence to service guidelines, requires such Community Care Program reports to also include a 6-month supplemental report.

Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. 215 ILCS 5/355d new

Amends the Illinois Insurance Code. Provides that no insurer, dental service plan corporation, insurance network leasing company, or any company that amends, delivers, issues, or renews an individual or group policy of accident and health insurance that provides dental insurance on or after the effective date of the amendatory Act shall deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Provides that a dental service contractor shall not recoup a claim solely due to a loss of coverage for a patient or ineligibility if, at the time of treatment, the dental service contractor erroneously confirmed coverage and eligibility, but had sufficient information available to the dental service contractor indicating that the patient was no longer covered or was ineligible for coverage. Prohibits waiver of the provisions by contract.

House Committee Amendment No. 1

Adds reference to:

215 ILCS 5/355.4

Adds reference to:

215 ILCS 130/4003

from Ch. 73, par. 1504-3

Adds reference to:

215 ILCS 165/10

from Ch. 32, par. 604

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes a change in the definition of "prior authorization". Defines "dental carrier" as an insurer, dental service corporation, insurance network leasing company, or any company that offers individual or group policies of accident and health insurance that provide coverage for dental services. Changes references from "dental service contractor" and "insurer" to "dental carrier". Provides that beginning on the effective date of the amendatory Act, a dental carrier shall not deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Removes language providing that no insurer, dental service plan corporation, insurance network leasing company, or any company that amends, delivers, issues, or renews an individual or group policy of accident and health insurance that provides dental insurance on or after the effective date of the amendatory Act shall deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Further amends the Illinois Insurance Code. In a provision requiring contracting entities to provide notification before any scheduled assignment or lease of the network to which the provider is a contracted provider, requires the notification to provide the specific URL address where the following are located: all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access (instead of the notification including all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access). Requires the notification to provide instructions for how the provider may obtain a copy of those materials. Amends the Limited Health Service Organization Act and Voluntary Health Services Plans Act to make conforming changes.

Senate Committee Amendment No. 1

Provides that any contractual agreement entered into or amended, delivered, issued, or renewed on or after the effective date of the amendatory Act that is in conflict with the provisions (instead of any contractual agreement that is in conflict with the provisions) or that purports to waive any requirement of the provisions is null and void.

65 ILCS 5/11-1-12

Amends the Illinois Municipal Code. Provides that a municipality may not require a police officer to issue a specific number of citations, warnings, points of contact, stops, or arrests within a designated period of time (rather than may not require a police officer to issue a specific number of citations within a designated period of time). For purposes of evaluating a police officer's job performance, prohibits a municipality from comparing the average, percentage, or number of citations, warnings, points of contact, stops, or arrests to be issued on a daily, weekly, monthly, quarterly, or annual basis issued (rather than the number of citations issued) by the police officer to the average, percentage, or number of citations, warnings, points of contact, stops, or arrests issued by any other police officer who has similar job duties. Removes language allowing a municipality to evaluate a police officer based on the police officer's points of contact. Provides that quotas may not be used as a criterion for an officer's demotion or penalization, including unfavorable assignments, transfer, termination, constructive dismissal, promotion, or lack of earning of any benefit, including awarded time off. **Balanced Budget Note (Office of Management and Budget)**

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

**Fiscal Note (Dept. of Healthcare & Family Services)**

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

Amends the Department of Human Services Act. Provides that subject to appropriation, the Department of Human Services shall establish and administer a program that provides parents or guardians of children enrolled in a qualifying day care facility reimbursements of paid child care expenses for up to 5 sick days each calendar year. Provides that the reimbursement rate for sick days shall be determined by the Department by rule. Amends the County Department of Corrections Law. In provisions about pregnant prisoners, modifies the definitions of "post-partum" and "correctional institution", including that "correctional institution" includes institutions in all counties (rather than only in counties more than 3,000,000 inhabitants). Modifies and removes provisions relating to security restraints on a prisoner who is pregnant or in postpartum recovery. Adds provisions relating to annual reports by sheriffs documenting the number of pregnant prisoners in custody each year and the number of people who deliver or miscarry while in custody, relating to county department of corrections providing informational materials concerning the laws pertaining to pregnant prisoners to any pregnant or postpartum prisoner, and relating to supplemental nutrition for prisoners who are pregnant or lactating. Amends the Unified Code of Corrections and the County Jail Act making similar changes. In the Unified Code of Corrections, also adds language relating to restraints of committed persons who are pregnant. Amends the Health Care Violence Prevention Act. In provisions relating to pregnant prisoners, removes a limitation on the provisions to pregnant prisoners in the custody of the Cook County. Provides that restraint of a pregnant prisoner shall comply with specified provisions of the Counties Code, the Unified Code of Corrections, and the County Jail Act (rather than only the Counties Code provisions).

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Further amends the County Department of Corrections Law, the Health Care Violence Prevention Act, and the County Jail Act to replace use of "prisoner" with "committed person". In the County Department of Corrections Law, the Unified Code of Corrections, and the County Jail Law, requires the Department of Public Health to provide the flyers that must be provided to pregnant committed persons, and provides that, when a person with a uterus is committed to a county jail or State correctional facility, the person shall take a pregnancy test. In the County Department of Corrections Law and the Unified Code of Corrections: (i) provides that reports a sheriff, the Department of Corrections, and the Department of Juvenile Justice must submit under the provisions must be provided to the Jail and Detention Standards Unit of the Department of Corrections (removing the requirement to submit the report to the General Assembly and the Office of the Governor in the County Department of Corrections Law); (ii) modifies the reporting requirements; (iii) and provides that other qualified medical professionals (in addition to a physician, advanced practice registered nurse, or physician assistant) may determine that the postpartum period is longer than 6 weeks. In the County Department of Corrections Law, defines "participant" as an individual placed into an electronic monitoring program and makes conforming changes. Makes other changes.

House Floor Amendment No. 3

In provisions relating to informational materials that must be provided to pregnant committed persons, provides that the information must also include the procedure for obtaining information about guardianship or adoption resources, if so desired. Provides that, when a person with a uterus is committed to a facility, the person shall within 14 days be given a medical screening and offered a pregnancy test (rather than the person shall take a pregnancy test).

20 ILCS 3960/5.4  
55 ILCS 5/5-21001 from Ch. 34, par. 5-21001

Amends the Illinois Health Facilities Planning Act. Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

House Committee Amendment No. 1

**Representative Yolonda Morris**

**HB 05537 (Continued)**

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.

Provides that a person commits the offense when he or she is in the custody of a penal institution and knowingly engages in any of the following acts while he or she is confined in a penal institution: engages in a lewd exposure of the body or sex organs, anus, or breast, for the purpose or effect of intimidating, harassing, or threatening one whom he or she believes to be in the presence or view of such acts. Replaces everything after the enacting clause. Amends the Criminal Code of 2012. Reinserts the provisions of the introduced bill. Provides that a person commits the offense of lewd sexual display in a penal institution when he or she is in the custody of a penal institution and knowingly engages in any of the following acts while he or she is confined in a penal institution: engages in a lewd exposure of the genitals or anus (rather than of the body or sex organs, anus, or breast), for the purpose or effect of intimidating, harassing, or threatening one whom he or she believes to be in the presence or view of such acts. Provides that a person convicted of a second (rather than third) or subsequent violation for lewd sexual display in a penal institution is guilty of a Class 4 felony. Amends the Environmental Protection Act. Requires the Environmental Protection Agency to establish a Fleet Electrification Incentive Program to provide fleet owners and operators in the State grants to promote the use of eligible electric vehicles. Provides that the Program shall offer qualifying purchasers a grant up to specified base amounts toward the purchase of eligible electric vehicles based on the Class of vehicle. Requires the Agency to award grants under the Program on a competitive basis according to the availability of funding. Provides that to be eligible to receive a grant under the Program a purchaser must satisfy all of the required criteria. Provides that the Agency shall give weight to an application based upon the potential impact of the geographic location and route of the purchaser's fleet on pollution affecting an equity investment eligible community. Requires the Agency to ensure that resale of a vehicle serving a public school or located within an equity investment eligible community shall result in the vehicle servicing a similarly situated community. Provides that grants under the Program may be combined with other public incentives but the total of governmental incentives shall not exceed a maximum of 80% of the purchase price of the vehicle. Requires the Agency to set aside 20% of the appropriated funds under the Program for grants to the purchaser of electric school buses. Provides that all awards granted are subject to appropriation by the General Assembly. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes a provision that the Environmental Protection Agency shall offer increased grant incentives of an additional 15% of the base amount for the purchase of eligible electric vehicles that will be located within an equity investment eligible community. Provides that the Agency shall use a points-based evaluation and shall award additional points to an application from an eligible purchaser whose eligible electric vehicles are to be domiciled in an equity investment eligible community (rather than give weight to an application based on the potential impact of the location and route of the purchaser's fleet on pollution affecting an equity investment eligible community). Adds a definition of "eligible purchaser" using language from the introduced bill describing purchasers who are eligible to receive a grant under the Program. Makes conforming changes. Makes other changes.

Amends the School Code. Provides that the dyslexia handbook developed by the State Board of Education shall include guidelines on the administration of a universal screener and dyslexia screening, the interpretation of data from these screeners, and the resulting appropriate instruction within a multi-tiered system of support framework. Provides that the State Board of Education shall adopt any rules necessary to ensure that a student will be screened for the risk factors of dyslexia using a universal screener. Sets forth which students are required to be screened. Provides that no later than January 1, 2024, the State Board of Education shall employ at least 5 dyslexia specialists or dyslexia therapists with a minimum of 5 years of field experience in screening, identifying, and treating dyslexia and related disorders. Provides that beginning with the 2023-2024 school year, each school district must screen students in grades kindergarten through 2 for the risk factors of dyslexia using a universal screener approved by the State Board of Education. Provides that if a student is determined to be either at risk or at some risk for dyslexia after the universal screener has been administered, the school district must administer a dyslexia screening of the student. Provides that if a student's dyslexia screening indicates that the student has characteristics of dyslexia, the dyslexia intervention services provided to the student must utilize a structured literacy approach as outlined in the State Board of Education's handbook. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. In the definition of "universal screener", changes references to "an assessment" to "a screener". Provides that the "universal screener" shall screen for the risk factors of reading difficulties, including dyslexia (instead of the risk factors of dyslexia). Provides that students shall be screened if a student from another state enrolls for the first time in any of grades kindergarten through 2 in a school district in this State, provided that if a student's score is below 3.0 on either the listening or the speaking portion of the ACCESS for ELLs assessment, the student may be exempt from a universal screener as determined by the school's or school district's English language learner team (instead of unless the student, the student's parent, or the student's guardian presents documentation that the student meets specified conditions). Adds provisions concerning secondary review of a student. In provisions concerning the student's parent or guardian consent to screening, provides that the parent or guardian must be notified (rather than specifying provisions concerning the nature of notification). Makes conforming changes.

410 ILCS 620/3.15 from Ch. 56 1/2, par. 503.15

Amends the Illinois Food, Drug and Cosmetic Act. In provisions allowing the filling or refilling of personal containers with bulk food, refers to restaurants and retailers (rather than just retailers). Allows restaurants and retailers to fill or refill a consumer-owned container with ready-made food. Allows clean consumer-owned containers provided or returned to a restaurant or retailer for filling or refilling to be filled or refilled and returned to the same consumer if the consumer-owned container is filled or refilled by either an employee of the restaurant or retailer or the owner of the consumer-owned container. Requires filled or refilled consumer-owned containers to be designed and constructed for reuse in accordance with specified federal requirements. Contains requirements for restaurants and retailers. Directs the Department of Public Health to produce materials for restaurants and retailers on or before January 1, 2024 indicating that consumer-owned containers are not prohibited for use under Illinois law and specifying best practices for food safety requirements for consumer-owned containers. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

Senate Committee Amendment No. 1

Provides that except as provided under specified provisions, county health departments and municipalities may regulate but shall not prohibit (rather than shall not prohibit) the ability of a retailer to allow a consumer to fill or refill a consumer-owned personal container with bulk food if the dispensers used prevent the direct handling of the bulk food or the ability of a restaurant or retailer to fill or refill a consumer-owned container with ready-to-eat or dry bulk foods.

Amends the Hypodermic Syringes and Needles Act. Provides that any supplier (rather than a pharmacist) may sell any amount of (rather than up to 100) sterile hypodermic syringes or needles to a person who is at least 18 years of age. Deletes a provision that a syringe or needle sold must be stored at a pharmacy and in a manner that limits access to the syringes or needles to pharmacists employed at the pharmacy and any persons designated by the pharmacists. Deletes provision that a syringe or needle sold at a pharmacy may be sold only from the pharmacy department of the pharmacy. Makes other conforming changes to the Act. Amends the Environmental Protection Act to make conforming changes.

Defines "applicable facility" to include the principal place of business of any government official who is collecting for transport, storage, treatment, transfer, or disposal hypodermic, intravenous, or other medical needles, or hypodermic or intravenous syringes, by reason of his or her official duties (instead of removing from the definition of "applicable facility" the principal place of business of any government official). Amends the Adult Protective Services Act. Expands the definition of abuse to include causing any emotional injury to an adult with disabilities aged 18 through 59 or a person aged 60 or older (eligible adults). Provides that, contingent upon adequate funding, the Department on Aging may provide funding for legal assistance for eligible adults. Provides that, for self-neglect cases, the Department shall establish mandatory standards for the provision of emergent casework and follow-up services to mitigate the risk of harm or death to an eligible adult. Provides that, upon receiving a report of self-neglect, a provider agency shall conduct an unannounced face-to-face visit at the residence of the eligible adult to administer an eligibility screening to quickly determine if the eligible adult is posing a substantial threat to himself or herself or to others. Sets forth the process and procedures for eligibility screenings. Provides that if an eligibility screening indicates self-neglect, the provider agency shall develop and implement within 5 business days a case plan for the eligible adult in consultation with any other appropriate provider of services. Requires the Department to establish, by rule, the time period within which an eligibility screening shall begin and within which a service plan shall be implemented. As to all investigations conducted under the Act, requires a provider agency to notify the eligible adult, the alleged abuser, and the reporter of abuse of the agency's final investigative findings. Makes changes to provisions concerning an eligible adult's capacity to consent to an eligibility screening. Changes the minimal number of times the Illinois Fatality Review Team Advisory Council must meet each calendar year. Makes other changes. Repeals a provision permitting the Department to use qualified volunteers to provide companion-type services to eligible adults. Amends the Open Meetings Act. In the definition of "public body", provides that "public body" does not include the regional interagency fatality review teams and the Illinois Fatality Review Team Advisory Council established under the Adult Protective Services Act. Removes a provision that exempts from the Act's open meetings requirement those meetings of the Illinois Fatality Review Team Advisory Council and regional interagency fatality review teams concerning a review of an elderly adult's death from suspected, alleged, or substantiated abuse or neglect. Further amends the Adult Protective Services Act. Expands the definition of "abuse" to mean subjecting an eligible adult to an environment which creates a likelihood of harm to the eligible adult's health, physical and emotional well-being, or welfare. Makes changes to provisions concerning multi-disciplinary teams; face-to-face assessments conducted by provider agencies regarding reports of alleged or suspected abuse, abandonment, neglect, or financial exploitation; procedures on how to evaluate reports of self-neglect; final investigative reports; eligibility screenings for self-neglect; and other matters.

House Floor Amendment No. 1

Replaces everything after the enacting clause. In provisions concerning sexual misconduct in schools, provides that guidelines established for certain situations and all available methods for how to report staff-student boundary violations within a school and to external agencies must be posted on the website, if any, of each school district, charter school, or nonpublic school and must be included in any staff, student, and (instead of or) parent handbook provided by the school district, charter school, or nonpublic school (instead of nonpublic, nonsectarian elementary or secondary school). In provisions concerning an employment history review, requires a job applicant to provide the name, address, telephone number, and other relevant contact information of the applicant's current employer only if the applicant has direct contact with children or students at the applicant's current employer. Provides that for a licensed substitute teacher who is seeking employment in more than one school district, a school district's regional office of education or intermediate service center may collect and share specified information and records. Provides that a regional office of education's or intermediate service center's participation in the employment history review shall be limited to collecting such information and records and sharing the information and records with the school district or school districts. Sets forth other provisions concerning a regional office of education's or intermediate service center's participation in the employment history review and how long the review remains valid. Provides that if, at any time, a school district has information or records that the school district would have immunity from liability to share as part of an employment history review, then the school district and its employees are immune from liability on specified terms if sharing such information or records with the regional office of education or intermediate service center that maintains the applicable approved substitute list. Makes corresponding changes.

Amends the Community-Law Enforcement and Other First Responder Partnership for Deflection and Substance Use Disorder Treatment Act. Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that a law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that a deflection program may involve a pre-arrest diversion response and proactive identification of persons thought likely to have an untreated or undiagnosed mental illness. Provides that a local deflection program shall also include case management and restorative justice aspects. Provides that a deflection program may accept, receive, and disburse, in furtherance of its duties and functions, any funds, grants, and services made available by the State and its agencies, the federal government and its agencies, units of local government, and private or civic sources. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

Provides that the amendatory Act may be referred to as the Residential Facility Safety and Support Act. Amends the Department of Human Services Act. In provisions concerning investigative reports issued by the Department of Human Services' Inspector General that pertain to allegations of resident abuse or neglect at State-operated mental health facilities, expands the list of reportable conduct to include material obstruction of an investigation by a facility employee. Requires the Inspector General to report to the Department of Public Health's Health Care Worker Registry, the identity and finding of each employee of a facility or agency against whom there is a final investigative report prepared by the Office of the Inspector General containing a substantiated allegation of material obstruction of an investigation. Defines "material obstruction of an investigation" and "presenting untruthful information". Amends the Mental Health and Developmental Disabilities Administrative Act. Prohibits mental health facilities or agencies that are licensed, certified, operated, or funded by the Department of Human Services from employing any person identified by the Health Care Worker Registry as having been the subject of a substantiated finding of physical abuse, sexual abuse, financial exploitation, egregious neglect, or material obstruction of an investigation (rather than abuse or neglect of a service recipient). Amends the Health Care Worker Background Check Act. Amends the Children and Family Services Act. Provides that whenever a child is placed in the substitute care of the Department of Children and Family Services, and the child has previously been in substitute care, the Department may consider a child's former foster parent as a placement option for the child. Provides that if the Department determines that it is not in the best interest of the child to be placed with the former foster parent, the Department shall document the basis for its decision and maintain the documentation in the child's case file. Provides that the fact that the former foster parent is licensed through an agency other than the agency assigned to the child's case shall not be a basis for determining that placement with the former foster parent is not in the child's best interest. Amends the School Boards Article of the School Code. In provisions regarding suspension or expulsion of pupils, provides that, when expelling a student, the board shall notify the parents of the nature of the hearing and the option of retaining legal counsel. Provides that, when the suspension period is over, the pupil may return to school. Provides that for a pupil suspended due to gross disobedience or misconduct on a school bus, a written decision about whether the student can use a school bus shall be made within 15 days of the incident. Provides that a school shall offer written demonstration of remediation efforts excluding out of school suspensions. Provides that schools shall use data to track whether significant disproportionality based on race and ethnicity is occurring both in the State and in the district with respect to the incidence, duration, and type of disciplinary removals from placement, including suspensions and expulsions. Provides that, if it is determined that significant disproportionality is occurring, the school shall provide that determination for annual review and, if appropriate, revision of the policies, practices, and procedures used in disciplinary removals to ensure that the policies, practices, and procedures comply with the district's equity requirements. Provides that notice of suspension shall also include other evidence-based alternatives to suspension. Provides that when a student is suspended for more than 4 days, "appropriate and available support services" must include an option for automatically placing the student in an e-learning program or distance learning program through written materials if (1) the removal is for more than 5 consecutive school days; or (2) the child has been subjected to a series of removals that constitute a pattern, because the series of removals total more than 10 school days in a school year, because the child's behavior is substantially similar to the child's behavior in previous incidents that resulted in the series of removals, and because of the effects of additional factors such as the length of each removal, the total amount of time the child has been removed, and the proximity of the removals to one another.

5 ILCS 140/7  
625 ILCS 5/2-130 new

Amends the Illinois Vehicle Code. Defines "automated license plates reader" (ALPR). Establishes that an ALPR user shall not sell, share, or transfer ALPR information, except to another local law enforcement agency, a local law enforcement agency of the State, the federal government, or a state other than Illinois, and only to the extent necessary to locate a vehicle or person reasonably suspected of being involved in the commission of a crime as defined by State or federal laws. Provides that an ALPR user shall not sell, share, or transfer ALPR information to any state that has enacted laws that deny or interfere with a woman's right to choose or obtain an abortion prior to viability of the fetus, or when the abortion is necessary to protect the life or health of the woman for the purposes of investigation or enforcement of that law. Provides that an ALPR user shall only share information obtained through the use of an ALPR with the federal government or a state other than Illinois if the entity requesting the information first discloses to the State entity a criminal predicate necessitating a lawful purpose and that the criminal predicate would be a violation of the laws of the State. Provides that ALPR information shall be retained for a period of only 30 days, after which it must be destroyed, unless particularized information is the subject of a criminal investigation. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law, and an ALPR user shall not sell, share, or transfer ALPR information for any commercial purpose and shall not disclose ALPR information to any entity for the purposes of public disclosure. Makes a conforming change in the Freedom of Information Act.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that an automated license plate reader (ALPR) user shall not sell, share, allow access to, or transfer ALPR information to any state for the purpose of investigating or enforcing a law that: (1) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services; or (2) permits the detention or investigation of a person based on the person's immigration status. Provides that any law enforcement agency that uses ALPR systems shall require other out-of-state law enforcement agencies to acknowledge that any shared ALPR images or data generated in the State will not be used in a manner that violates the provisions by executing a written declaration before obtaining that data, and if a written declaration is not executed before sharing or transfer of the data, the law enforcement agency shall not share the ALPR images or data with the out-of-state law enforcement agency. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law. Makes a corresponding change in the Freedom of Information Act.

Senate Committee Amendment No. 1

Provides that an ALPR user shall not sell, share, allow access to, or transfer ALPR information to any state or local jurisdiction for the purpose of investigating or enforcing a law that: (i) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services as defined by the Lawful Health Care Activity Act; or (ii) permits the detention or investigation of a person based on the person's immigration status. Provides that any ALPR user in this State, including any law enforcement agency of this State that uses ALPR systems, shall not share ALPR information with an out-of-state law enforcement agency without first obtaining a written declaration from the out-of-state law enforcement agency that it expressly affirms that ALPR information obtained shall not be used in a manner that violates the Act. Provides that if a written declaration of affirmation is not executed, the law enforcement agency shall not share the ALPR information with the out-of-state law enforcement agency. Restricts provisions as provided from limiting rights under the Reproductive Health Act. Defines terms.

Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Amends the Code of Civil Procedure. Changes the notice requirements in the Eviction Article for terminating tenancy. Deletes the current requirement that a notice to terminate tenancy from year to year may be given at any time within the last 4 months preceding the last 60 days of the year. Deletes the provisions that the tenant is required to surrender possession and no notice to quit or demand of possession is necessary if the tenancy is for a certain period and the term expires by the terms of the lease. Creates requirements for notice of termination of a residential lease. Provides, for any residential tenancy of less than 6 months, the landlord shall notify the tenant in writing at least 30 days before the stated termination date of the rental agreement of the landlord's intent to terminate a periodic tenancy, not renew a fixed-term rental agreement, or increase the rental rate. Provides that, if the landlord fails to give the required written notice, the tenant may remain in the dwelling unit for up to 60 days after the date on which written notice is given to the tenant. Provides that during this occupancy, the terms and conditions of the tenancy remain the same unless rent was waived or abated in the preceding month or months as part of the original rental agreement; if so, the rental amount during this 60-day period shall be at the rate established on the last date that a full rent payment was made. Makes similar changes to a tenancy of longer duration. Provides that the changes for notice of termination of a residential lease do not apply to any existing rental agreement that expires less than 90 days after the effective date of the amendatory Act. Amends the Landlord and Tenant Act. Provides that a tenant of a residential property may not be charged a nonrefundable fee as a condition for lawfully possessing a rental property. Requires a landlord of residential property to provide electronic or wire transfer as an option to a tenant for the return of the tenant's security deposit or the portion of the security deposit to which the tenant is entitled.

Amends the Unified Code of Corrections. Eliminates provisions that a person must serve various percentages for particular offenses. Provides that the rules and regulations of the Department of Corrections shall provide that the individual in custody shall receive one day of sentence credit for each day of service in prison other than when a sentence of natural life imprisonment has been imposed. Provides that each day of sentence credit shall reduce by one day the incarcerated person's period of incarceration set by the court. Provides that within 6 months after the effective date of the amendatory Act, the Department of Corrections shall recalculate each incarcerated person's release date by crediting each person one day sentence credit for each day the incarcerated person has spent in prison on the current sentence. Provides that an incarcerated person serving a term of natural life imprisonment shall be eligible to accumulate sentence credit so that in the event that his or her sentence is reduced to something less than a sentence of natural life imprisonment, it can thereafter be credited toward his or her new sentence. Makes technical changes. Effective January 1, 2025.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than elicited from the defendant; and (4) whether a court has found evidence of coercion in making a prior determination about whether the statement is voluntary. Provides that the question of the statement's admissibility is solely for the trial court.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide or Class X felony. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and its reliability. Provides that before trial, a defendant may move to exclude a statement that is unreliable. Provides that if, in that motion, the defendant alleges that the statement is unreliable, then a hearing shall be held. Provides that the reliability of a statement is to be considered separately from the voluntariness of a statement, although the 2 issues may be considered during the same proceeding in court. Provides that nothing in this provision shall be construed to relieve the State of its burden to demonstrate voluntariness of a custodial statement by a preponderance of the evidence. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement. Provides that the question of the statement's admissibility is solely for the trial court.

New Act

Creates the Freelance Worker Protection Act. Provides that freelance workers must be compensated by hiring parties for their services in a timely manner. Provides that whenever a hiring party retains the services of a freelance worker, the contract between the hiring party and the freelance worker shall be reduced to writing. Provides that no hiring party shall threaten, intimidate, discipline, harass, deny a work opportunity to, or discriminate against a freelance worker, or take any other action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Contains provisions concerning complaints to the Director of Labor; the powers and duties of the Director; civil actions brought by freelance workers; civil actions brought by the State; the scope of freelance worker contracts; a public awareness campaign; and surveys, information collection, and reporting requirements. Effective immediately.

House Committee Amendment No. 2

**Representative Aarón M. Ortiz**  
**HB 01122 (Continued)**

Replaces everything after the enacting clause. Creates the Freelance Worker Protection Act. Provides that, except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount no later than 30 days after the freelance worker provides the product or completes the services under the contract. Provides that once a freelance worker has commenced preparation of the product or performance of the services under the contract, a contracting entity shall not require as a condition of timely payment that the freelance worker accept less compensation than the amount of the contracted compensation. Requires written contracts for services or products provided by a freelance worker. Sets forth the information such written contracts must include. Provides that a contracting entity must retain its contract with a freelance worker for no less than 2 years and must make the contract available to the Department of Labor upon request. Requires the Department to make model contracts available on its website for use by the general public at no cost. Prohibits a contracting entity from taking any action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Sets for the procedure for freelance workers to file a complaint alleging a violation of the Act. Provides that complaints shall be reviewed by the Department to determine whether there is cause for the Department to initiate the process of facilitating the exchange of information between the parties. Contains provisions concerning notification and response requirements. Authorizes the Attorney General to initiate or intervene in a civil action if the Attorney General has reasonable cause to believe that any person or entity is engaged in a pattern and practice prohibited under the Act. Contains provisions concerning Attorney General investigations; civil penalties; and other enforcement matters. Provides that, subject to appropriation, the Department may conduct a public awareness campaign regarding the Act that, at a minimum, includes making information available on its website, otherwise informing contracting entities of the provisions of this Act, and establishing a means for assistance by a natural person through phone or email. Requires the Department to submit a report every 5 years to the General Assembly on freelance contracting and payment practices, the number of complaints received by the Department alleging a violation of the Act, and other matters. Requires the Department to publish each report on its website. Grants the Director rulemaking authority. Effective July 1, 2024.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 2 with the following changes: Provides that except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount on or before the date the compensation is due under the terms of the contract. Provides that if the contract does not specify when the hiring party must pay the contracted compensation or the mechanism by which the date will be determined, compensation shall be due no later than 30 days after the completion of the freelance worker's services under the contract. In provisions concerning contracts for products and services of freelance workers, removes a provision that requires each party to the written contract to retain a copy for a period of 2 years after the products or services are provided. Provides that the definition of "freelance worker" does not include an individual performing construction services. Defines "construction". Makes other changes. Effective July 1, 2024.

Changes the definition of "limited term REAL ID compliant identification card" to include cards that have been issued to an individual who has an approved application for asylum in the United States or has entered the United States in refugee status. Allows the Secretary of State to accept, as proof of date of birth and written signature of an applicant for a standard identification card, any passport from the applicant's country of citizenship or a consular identification document validly issued to an applicant. Prohibits the Secretary from releasing highly restricted personal information or personally identifying information or disclosing documents to any immigration agent unless it is necessary to comply with a lawful court order, judicial warrant, or subpoena for individual records that specifically requires production of such information or documents. Prohibits the Secretary from entering into or maintaining any agreement regarding the sharing of such information or documents. Provides that no temporary visitor's driver's licenses shall be issued after the effective date of the amendatory Act. Provides that every driver's license application shall state the social security number of the applicant; except if the applicant is applying for a standard driver's license and is ineligible for a social security number, then if the applicant has documentation authorizing the applicant's presence in the country, the applicant shall provide such documentation instead of a social security number. Provides that if the applicant does not have documentation authorizing the applicant's presence in the country, the applicant must submit documentation establishing that the applicant has resided in the State for a period in excess of one year and a passport validly issued to the applicant from the applicant's country of citizenship. Deletes reference to:

In the Consular Identification Document Act: Changes the definition of "standard identification card" to require such card to be marked "Federal Limits Apply" (rather than "Not for Federal Identification"). Provides that an applicant who submits a passport as proof of date of birth and written signature for an identification card must be a person who does not have a social security number or documentation issued by the United States Department of Homeland Security authorizing the person's presence in the country. Removes changes made to a provision concerning the expiration of identification cards. Makes other changes. In the Illinois Vehicle Code: Defines "limited term REAL ID compliant driver's license" as a REAL ID compliant driver's license issued to a person who is not a permanent resident or citizen of the United States (rather than in compliance with a specified provision), or an individual who has an approved application for asylum in the United States or has entered the United States in refugee status, and marked "Limited Term" on the face of the license. Provides that if an applicant for a license or instruction permit under the Code does not have specified documentation, the applicant shall provide, among other documentation, (i) a passport validly issued to the applicant from the applicant's country of citizenship or a consular identification document validly issued to the applicant by a consulate of that country, as long as such documents are either unexpired or presented by an applicant within 2 years of its expiration date, and (ii) a social security card, if the applicant has a social security number. Removes changes made to a provision concerning the expiration of a driver's license. Makes conforming and other changes.
