Provides that there is a rebuttable presumption that any person under 18 years of age engaged in prostitution is abused or neglected within the meaning of the Juvenile Court Act of 1987 and that it is necessary to place that person in protective custody until a placement is found that is in the best interests of that person. Changes the age for various offenses that involve prostitution of minors to under 18 years of age. Changes the names of various such offenses. Amends the Code of Criminal Procedure of 1963. Provides that the State's Attorney may authorize, in writing, an ex parte application to the chief judge of a court of competent jurisdiction for an order authorizing the interception of a private communication when no party has consented to the interception and the interception may provide evidence of, or may assist in the apprehension of a person who has committed, is committing or is about to commit trafficking of persons and involuntary servitude, soliciting for a minor engaged in prostitution, pandering, keeping a place of juvenile prostitution, patronizing a minor engaged in prostitution), juvenile pimping and aggravated juvenile pimping, identity theft, conspiracy to commit a financial crime, forgery, or crimes involving fraudulent schemes and artifices. Provides that it is an affirmative defense to a charge of solicitation of a sexual act with a person who is under the age of 18 or who is severely or profoundly mentally retarded that the accused reasonably believed the person was of the age of 18 years or over or was not a severely or profoundly mentally retarded person at the time of the act giving rise to the charge.

**SENATE COMMITTEE AMENDMENT NO. 1**

Adds reference to:	
325 ILCS 5/3	from Ch. 23, par. 2053

705 ILCS 405/2-18	from Ch. 37, par. 802-18
720 ILCS 5/14-3	

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended. Amends the Abused and Neglected Child Reporting Act. Adds to the definition of "abused child" a child whose parent or immediate family member, or any person responsible for the child's welfare, or any individual residing in the same home as the child, or a paramour of the child's parent committed a sex offense against the child under the Wrongs to Children Act or who engaged in involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services upon the child. Amends the Juvenile Court Act of 1987. Changes the definition of "abused child" to include a parent or other adult household member or paramour of the child's parent to commit such offenses and also such adult who allows, encourages or requires a minor to commit any act of prostitution. Further amends the Criminal Code of 1961. Provides that a law enforcement officer who takes a person under 18 years of age into custody for prostitution shall immediately report an allegation of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services to the Illinois Department of Children and Family Services State Central Register, which shall conduct an initial investigation into child abuse or child neglect within 24 hours. Makes other changes. Effective immediately.

**SENATE COMMITTEE AMENDMENT NO. 2**

Makes a grammatical change in the bill. In the amendatory provisions of the Juvenile Court Act of 1987, changes the prima facie evidence of abuse or neglect. Provides that proof that a

parent, custodian, or guardian of a minor allows, encourages, or requires a minor to perform, offer, or agree to perform any act of sexual penetration for any money, property, token, object, or article or anything of value, or any touching or fondling of the sex organs of one person by another person, for any money, property, token, object, or article or anything of value, for the purpose of sexual arousal or gratification, constitutes prima facie evidence of abuse and neglect. In the amendatory changes to the Code of Criminal Procedure of 1963 that permit the State's Attorney to apply to the chief judge to authorize the interception of private communications when no party has consented to the interception, deletes provisions that the interception may provide evidence of, or may assist in the apprehension of a person who has committed, is committing, or is about to commit identity theft, conspiracy to commit a financial crime, forgery, or fraudulent schemes and artifices.

Deletes everything after the enacting clause. Amends the Illinois Power of Attorney Act. Makes numerous substantive and stylistic changes. In relation to Durable Powers Of Attorney: Defines "incapacity". Provides that the execution of a new power of attorney does not revoke a prior power of attorney, unless the new power expressly revokes the prior power. Adds specific requirements relating to an agent's records and disclosures, and provides remedies for violations of an agent's duties. Creates a form to be used for the agent's certification and acceptance of authority. Includes provisions relating to co-agents and successor agents, and creates separate forms for their use. Limits liability in certain cases of good faith reliance. Sets forth requirements, including acknowledgement of the principal's signature, for nonstatutory forms. Includes savings provisions. In relation to both the Statutory Short Form Power Of Attorney For Property and Powers Of Attorney For Health Care: Makes both substantive and stylistic changes in the prescribed statutory short forms. Requires an explanatory Notice page to be a part of the form, and includes various Notes and instructions in the body of the form. Also provides for a Notice to Agent form that describes the agent's duties. Prohibits certain persons from acting as witnesses. Includes savings provisions. Also in relation to Powers Of Attorney For Health Care: Defines "incurable or irreversible medical condition", "permanent unconsciousness", and "terminal condition". Amends the form to provide that its use does revoke all prior powers of attorney for health care. Adds provisions relating to the agent's power to authorize an autopsy, direct the disposition of remains, and make anatomical gifts, and makes those decisions binding. Provides that signing the power of attorney authorizes physicians, health care providers, insurance companies, and others to disclose the principal's confidential health care information to the designated agent, and supersedes any contrary agreement with the health care provider. Grants the agent power to use and disclose individually identifiable health information and confidential medical records covered by HIPAA and other confidentiality Acts. Provides that the agent's powers to obtain, use, and disclose that confidential information take effect upon signing the form, even before the agency itself takes effect, and do not expire unless specifically revoked in a writing delivered to the health care provider. Makes other changes. Effective July 1, 2011.

410 ILCS 82/35

Amends the Smoke Free Illinois Act to include in the list of areas where smoking is allowed, designated segregated ventilated smoking rooms in gaming facilities that are licensed, provided that the segregated smoking room is only accessible to persons who have requested in writing to have access to the smoking room and the smoke from the room shall not infiltrate into any other areas where smoking is prohibited. Imposes conditions on any rulemaking authority.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 6940 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 6940 does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 6940 does not create a State mandate.

FISCAL NOTE (Illinois Gaming Board)

Existing casinos all have designated, segregated, ventilated smoking areas just outside the casino and therefore HB 6940 will have minimal or no fiscal impact.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 6940 does not appear to have a significant implementation cost as existing facilities would incur any costs associated with establishing designated smoking areas. Any costs connected with this legislation cannot be determined at this time.

Creates the Underground Storage Tank Task Force to study the problems facing the Underground Storage Tank Fund.

HOUSE COMMITTEE AMENDMENT NO. 1

Specifies that (i) the Fund has twice experienced funding shortages; (ii) the current shortage is requiring applicants for reimbursement to wait up to 18 months for payment; (iii) the costs associated with remediating leaking underground storage tanks in Illinois (rather than the costs of environmental clean-up in Illinois) are significantly higher than in other states; and (iv) current law does not contain adequate methods for monitoring and controlling costs at leaking underground storage tank sites. Enumerates several cost control approaches that the Task Force is to study. Makes other technical changes.

Resolves that a task force shall be created to investigate how the State can reduce the incidence of preterm births.

HOUSE FLOOR AMENDMENT NO. 2

Eliminates language resolving that a task force shall be created to investigate how Illinois can reduce the incidence of preterm births in Illinois and instead urges the Perinatal Advisory Committee within the Illinois Department of Public Health to investigate how Illinois can reduce the incidence of preterm births in Illinois. Resolves that the Perinatal Advisory Committee shall consult with a representative of the Illinois Department of Public Health and a representative of the Illinois Department of Healthcare and Family Services (rather than the task force shall be composed of the Director of Public Health, who shall serve as the Chair of the task force; 2 members of the State Board of Health; the Director of the Maternal and Child Health Advisory Board; a neonatologist; a social worker; and a preemie nurse). Eliminates language resolving that the Department of Public Health shall provide or work with stakeholders to provide logistical and support staff to the task force. Resolves that the Perinatal Advisory Committee (rather than the task force) shall submit a written report to the General Assembly on or before November 1, 2012 (rather than on or before November 1, 2011).

Replaces everything after the enacting clause. Amends the General Obligation Bond Act. Authorizes an additional \$2,300,000,000 in Bonds to be used for the purpose of making a portion of the State's Fiscal Year 2010 required contributions to designated retirement systems. Makes other changes. Amends the Illinois Pension Code. In provisions of each of the 5 State-funded retirement systems concerning the State contribution, (i) provides that for purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets and provides guidelines for calculating the actuarial value of the System's assets and (ii) makes changes concerning the required State contribution to the systems for State fiscal year 2010. Amends the State Pension Funds Continuing Appropriation Act. Limits the continuing appropriations for the State-funded retirement systems for fiscal year 2010 to the required State contribution. Effective immediately.

**HOUSE FLOOR AMENDMENT NO. 3**

Provides that it is the intention of the General Assembly in enacting this legislation that, by applying the net proceeds of the sale of general obligation bonds in the amount of \$2,230,000,000 to fund pension obligations of the State, an equivalent amount will be made available for the State's operational expenses in these times of fiscal crisis to help fund programs and services provided by community-based human service providers to ensure that we continue assisting the most vulnerable of our citizens.
