The Digest is published by the Legislative Reference Bureau. It is prepared for print through the computer services of the Legislative Information System and is printed by the Legislative Printing Unit.

The format of the Digest includes synopses of bills and resolutions pending in the House of Representatives and the Senate and indices by statute reference, subject matter, and sponsor.

The Digest is published periodically during the time the General Assembly is in Session. It is available by subscription through the Legislative Reference Bureau for \$55.00 per calendar year.

A synopsis contained in the Digest does not purport to be an analysis of the bill described. It is intended to give only sufficient information concerning the subject matter so that the reader may determine whether he or she is interested in examining the bill to determine its full content and effect.

510 ILCS 72/165

Deletes everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Amends the Humane Care for Animals Act. Removes, in a Section concerning animal cruelty, a provision that prohibited a person from knowingly or intentionally euthanizing or authorizing the euthanasia of a companion animal by particular means. Removes a provision that allows a euthanasia technician to euthanize animals by solutions or powder added to food or by mouth. Provides that euthanasia by a certified euthanasia technician must be conducted only within the physical premises of an animal shelter licensed under the Animal

Amends the Humane Euthanasia in Animal Shelters Act. Changes the definition of "euthanasia agency". In a Section concerning certification requirements, provides that an instructor or licensed veterinarian teaching humane euthanasia technicians is exempt from the certification process as long as he or she is currently licensed by another state as a euthanasia technician or as a veterinarian. Removes new Sections concerning certificate issuance restrictions and the Department's revocation of euthanasia agency certifications. Provides that animals cannot be transported beyond State lines for the sole purpose of euthanasia unless the euthanasia is to be performed by a licensed veterinarian. Increases the fines for certain violations of the Act to \$10,000. Inserts a severability clause. Removes a Section that repealed a Section concerning criminal penalties. Provides that the Department of Labor shall make revised prevailing wage rates available on its official website and such posting on the website shall be deemed notice to the contractor or subcontractor of the revised rate. Provides that the contractor or subcontractor shall be responsible to pay the revised rate. Provides that in lieu of posting the prevailing wage rates on the project site of the public works, a contractor which has a business location where laborers, workers and mechanics regularly visit may: (1) post in a conspicuous location at that business the current prevailing wage rates for each county in which the contractor is performing work; or (2) provide such laborer, worker or mechanic engaged on the public works project a written notice indicating the prevailing wage rates for the public works project. **SENATE FLOOR AMENDMENT NO. 2**

Replaces the bill's changes to the Illinois Procurement Code. For each State contract awarded on or after the bill's effective date that includes goods or supplies, requires the Comptroller to publish on his or her official website a rate per metric unit for each of the goods or supplies, provided that the information required to publish the rate is not considered proprietary competitive information.

**HOUSE FLOOR AMENDMENT NO. 1**

Deletes everything after the enacting clause. Amends the Illinois Procurement Code. For each State contract for goods, supplies, or services awarded on or after July 1, 2010, requires that the contracting State agency include the unit or rate of measurement of the goods, supplies, or services on the contract obligation document submitted to the Comptroller and that the Comptroller post that information, if provided, on his or her official website.

**GOVERNOR AMENDATORY VETO MESSAGE**

Amends the Environmental Protection Act. Redefines the term "compost" to mean compostable material that has, by composting, decomposed to the degree that it will not, when subjected to optimal thermal conditions and optimal levels of oxygen, moisture, and nutrients, reheat significantly due to the action of microorganisms, and that is also suitable (i) for use as a soil conditioner, (ii) for use as a cover material for a municipal solid waste landfill, or (iii) for another use approved by the Agency (now, the humus-like product of the process of composting waste, which may be used as a soil conditioner). Redefines the term "composting" to mean the decomposition of compostable material into compost by a biological process that produces carbon dioxide and water as primary by-products (now, the biological treatment process by which microorganisms decompose the organic fraction of waste, producing compost). Excepts food scrap from the definition of the term "garbage". Exempts certain types of facilities, sites, portions of facilities, and portions of sites from regulation as pollution control facilities. Defines "compostable material" and "food scrap". Effective immediately.

 415 ILCS 5/22.34

from Ch. 111 1/2, par. 1022.26

Deletes everything after the enacting clause. Reinserts the bill as introduced with changes. Further amends the Environmental Protection Act. Deletes the definitions of the terms "compost", "compostable material", "composting", and "garbage". Replaces the definition of the term "food scrap". Redefines "organic waste" to include, among other things, food scrap (now, "food waste"), livestock waste, crop residue, and paper waste. Provides that the term "pollution control facility" does not include the portion of a site or facility (i) that is used for the composting of food scrap, livestock waste, crop residue, uncontaminated wood waste, or paper waste, including, but not limited to, corrugated paper or cardboard, and (ii) that meets a list of specified requirements (some of which are contained in the introduced bill). Specifies the type of notice that an applicant must give before the Agency may issue the applicant a permit to construct or develop a composting facility. Replaces a provision that required the Agency to develop and make recommendations to the Board concerning (i) performance standards for organic waste compost facilities and (ii) testing procedures and standards for the end-product compost produced by organic waste compost facilities with a provision that authorizes the Agency to draft those standards. Provides that, except as otherwise provided in Board rules, solid waste permits for organic waste compost facilities shall be issued under the Board's Solid Waste Rules at 35 Ill. Adm. Code 807. Requires permits to include, but not to be limited to, measures designed to reduce pathogens in the compost.

FISCAL NOTE (Illinois Environmental Protection Agency)

SB 99 would not impose any additional costs on the Illinois EPA. Moreover, the bill authorizes the Agency to require such sites to obtain financial assurance to guarantee that the State would not have to incur any cleanup costs in the future.

BALANCED BUDGET NOTE (Office of Management and Budget)

SB 99, as engrossed, has no fiscal impact and adds no additional spending pressure on the General Revenue Fund or for the current Fiscal Year 2009 budget deficit.

In the Regulatory Sunset Act, changes the repeal date for the Illinois Architecture Practice Act of 1989 from January 1, 2010 to January 1, 2020. Amends the Illinois Architecture Practice Act of 1989. Removes the provision concerning the invalidity of a building permit issued with respect to technical submissions that do not conform to the requirements of the Act. Provides that it is unlawful to affix one's seal to technical submissions if it masks the true identity of the person who actually exercised responsible control of the preparation of such work (rather than prohibiting a person from deviating from the technical submissions without the prior approval of the licensed architect for a project). Makes changes to provisions concerning the powers and duties of the Department and the Board. Removes a provision creating a complaint committee. Provides that the Department is not required to issue any certificate, credential, or other official document indicating a person has been granted the title "Architect, Retired". Makes changes to provisions concerning disciplinary grounds and investigations. Makes other changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Moves a provision concerning the filing or approval of technical submissions to another Section. Provides that no officer, board, commission, or other public entity who receives technical submissions shall accept for filing or approval any technical submissions relating to services requiring the involvement of an architect that do not bear the seal and signature of an architect licensed under this Act (now, "No officer, board, commission, or other public entity charged with the enforcement of codes and ordinances requiring the involvement of an architect shall accept for filing or approval any technical submissions that do not bear the seal and signature of an architect licensed under this Act.").

Provides that references in the Act to "Director" and "Department of Professional Regulation" are deemed, in appropriate contexts, to be references to

In a provision defining the practice of architecture, provides that the provision does not impose upon certain licensees the responsibility for the performance of any of the services constituting the practice of architecture unless such person specifically contracts to provide such services. Provides that no officer, board, commission, or other public entity who receives technical submissions shall accept for filing or approval any technical submissions relating to services requiring the involvement of an architect that do not bear the seal and signature of an architect licensed under the Act. Provides that it is unlawful to affix one's seal to technical submissions if it masks the true identity of the person who actually exercised responsible control of the preparation of such work. Makes changes to provisions concerning the powers and duties of the Department and the Board. Provides that 4 Board members shall constitute a quorum and that a quorum is required for Board decisions. Amends the Compensation Review Act. Terminates the terms of the 12 current members of the Compensation Review Board and provides for appointment of 10 new members by the State executive branch constitutional officers (other than the Lieutenant Governor), the legislative leaders, and the Auditor General (now, appointed by the legislative leaders). Specifies additional qualifications for members and their terms. In recommending compensation, requires that the Board consider the current automatic cost-of-living adjustment. Requires that the Board evaluate all compensation factors openly at its public hearings and include its recommendations in its minutes. Requires that the Board maintain an official website and specifies its contents. Requires that the Board prepare and file a separate report with respect to each of the 3 branches of State government (now, the Board prepares and files one report). Provides that a Compensation Review Board report is effective if approved in whole or reduced by a resolution adopted by the General Assembly (now, effective unless disapproved in whole or reduced by a resolution adopted by the General Assembly). Removes an obsolete reference to the period for disapproval of the Board's initial report. Makes other changes. Effective immediately.

## 30 ILCS 500/45-57 new

Amends the Illinois Procurement Code. Requires that a preference equal to 10% of the contract amount be granted to an otherwise qualified State contract bidder that is a qualified disabled veteran. Defines a qualified disabled veteran as a business entity 51% or more owned by one or more disabled veterans. Sets as a goal that each fiscal year the State award at least 3% of the value of its total contracts to qualified disabled veterans. Requires that the Department of Central Management Services report annually to the General Assembly on the attainment of the percentage goal, based on information reported by chief procurement officers. Requires chief procurement officers to make recommendations on the percentage goal, with input from statewide veterans' service organizations and the business community. Requires the Governor to recommend to the General Assembly changes in programs to assist qualified disabled veterans.

## SENATE COMMITTEE AMENDMENT NO. 1

Creates a task force to establish a percentage goal of State contracts to be awarded to businesses owned by qualified disabled veterans. Redefines terms.

Deletes everything after the enacting clause. Reinserts Senate Amendment No. 1 with the following changes: Refers to "service" disabled veterans. Requires the Task Force report 90 days after the effective date. Changes the required contents of the annual report by chief procurement officers. Redefines terms.

## HOUSE FLOOR AMENDMENT NO. 1

Requires that the Department of Central Management Services provide administrative support to the Task Force.

Amends the Mental Health and Developmental Disabilities Code and the Probate Act of 1975. Provides for voluntary admission to a mental health facility if the facility director determines and documents in the recipient's medical record that the person (i) is clinically suitable for admission as a voluntary recipient and (ii) has the capacity to consent to voluntary admission (instead of if the director deems such person clinically suitable for admission as a voluntary recipient). 305 ILCS 5/5-1.3 new

Amends the Illinois Public Aid Code. Provides that if a person who is incarcerated in a jail or correctional facility in Illinois or receiving treatment at a hospital under the authority of the Department of Corrections was a recipient of medical assistance immediately before his or her incarceration or period of treatment, the recipient shall remain eligible for medical assistance during the period of his or her incarceration or treatment, but the Department of Healthcare and Family Services shall not provide medical assistance for any medical care, services, or supplies provided to the recipient during that period. Provides that the Department may, however, provide medical assistance for inpatient hospital services provided to the recipient at a hospital located outside the premises of the jail or correctional facility to the extent that federal financial participation is available for the costs of those services. Makes other changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

- Deletes reference to:
- 305 ILCS 5/5-1.3 new
- Adds reference to:
- 305 ILCS 5/1-8.5 new

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Provides that to the extent permitted by federal law and notwithstanding any other provision of the Code, the Department of Healthcare and Family Services shall not cancel a person's eligibility for medical assistance solely because that person has become an inmate of a public institution, including, but not limited to, a county jail, juvenile detention center, or State correctional facility. Provides that the person may remain enrolled for medical assistance as long as all other eligibility criteria are met. Provides that except as provided under the County Jail Act, the Department shall not be responsible to provide medical assistance for any medical care, services, or supplies provided to a person while he or she is an inmate of a public institution. Provides that counties, the Department of Juvenile Justice, and the Department of Corrections shall cooperate with the Department in administering these provisions; provides that the Department of Human Services shall cooperate with the Department of Healthcare and Family Services in making determinations of eligibility under these provisions. Provides that these provisions apply on and after July 1, 2010.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends the following changes: that Counties, the Department of Juvenile Justice, the Department of Human Services, and the Department of Corrections (rather than Counties, the Department of Juvenile Justice, and the Department of Corrections) shall cooperate with the Department of Healthcare and Family Services in administering the new provisions; that this cooperation shall include managing eligibility processing (instead of providing that the Department of Human Services shall cooperate with the Department of Healthcare and Family Services in making determinations of eligibility under the new provisions); and that the provisions added by the bill apply on and after December 31, 2011 (instead of July 1, 2010).

Defines "L3C" or "low-profit limited liability company" to mean a limited liability company that does not have as a significant purpose the production of income or the appreciation of property and is organized for a business purpose that satisfies and is at all times operated to satisfy each of the following requirements: (1) it significantly furthers the accomplishment of one or more educational purposes within the meaning of the Internal Revenue Code of 1986 and would not have been formed but for the company's relationship to the accomplishment of charitable or educational purposes; (2) no significant purpose of the company is the production of income or the appreciation of property; and (3) the purpose of the company is not to accomplish one or more political or legislative purposes. Also provides that if a company which met the requirements of a low-profit limited liability company at its formation should at any time cease to satisfy any one of those requirements, it shall then immediately cease to be a low-profit limited liability company. Amends the Illinois Vehicle Code. Provides that it is unlawful for any person to (1) own or operate with criminal intent any vehicle (rather than motor vehicle) he or she knows to contain a false or secret compartment that is used or has been used to conceal a firearm as prohibited by the Criminal Code of 1961, or controlled substance as prohibited by the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act; or (2) to install, create, build, or fabricate in any vehicle (rather than motor vehicle) a false or secret compartment knowing that another person intends to use the compartment to conceal a firearm as prohibited by the Criminal Code of 1961, or controlled substance as prohibited by the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act. Defines the term "false or secret compartment" to mean an enclosure integrated into the vehicle that is a modification of the vehicle as built by the original manufacturer (rather than any enclosure integrated into the vehicle that is intended and designed to be used to conceal, hide, and prevent discovery by law enforcement officers of the compartment or its contents.) Establishes that the term "vehicle" means, but is not limited to, any private or commercial car, truck, bus, aircraft or watercraft. Makes other changes regarding forfeiture and sentencing.

SENATE FLOOR AMENDMENT NO. 2

35 ILCS 5/218 new

Amends the Illinois Income Tax Act. Provides that, for 5 taxable years, each taxpayer is entitled to an income tax credit for an investment in a qualified venture capital fund in Illinois. Provides that (i) the fund must have its primary office in Illinois (ii) at least 50% of the total

number of investments in the fund's portfolio must be in companies that are based in Illinois. The amount of the credit is based on several factors: economic need of the region in Illinois where the investment occurs, the population of the county in Illinois where the investment occurs, whether the company invested in is an Illinois company that is minority or women owned, and whether the investment is a seed-level investment in an Illinois company. The taxpayer may receive a credit in the amount of 10% of the taxpayer's investment if the investment meets one of the factors and 20% if the investment meets more than one of the factors. But the taxpayer is not eligible for the credit until the fund makes an investment in Illinois. Provides that the tax credit may not reduce the taxpayer's liability to less than zero, but may be carried forward for 5 years. Effective immediately.

SB 336 (H-AM 2) authorizes the bonds be payable within 15 years of their issuance date and adhere to the following maturity schedule: Year 2012 = \$100,000,000; Year

2013 =\$100,000,000; Year 2014 =\$200,000,000; Year 2015 =\$450,000,000; Year 2016-2025 =\$765,000,000; Year 2026 =\$250,000,000; Total = \$8,750,000,000. The impact of SB 336 (H-AM 2) on each fiscal year's budget from FY12 to FY26 will be the total principal, as shown in the above principal maturity schedule, totaled with all semi-annual interest payments made each fiscal year. The amount of interest will vary based on market conditions at the time of issuance.

Deletes reference to:

15 ILCS 520/2

Adds reference to:

30 ILCS 500/20-25

30 ILCS 500/20-60

Replaces everything after the enacting clause. Amends the Illinois Procurement Code. Requires each chief procurement officer to submit a report by August 1 each year to the General Assembly detailing each contract the officer sought under the sole source method of procurement, including the justification given for use of that method. Provides that if a chief procurement officer proposes to extend or renew a contract entered into under the Code by the State and the total value of the contract for the initial term and all proposed extended or renewed terms would exceed \$249,999, then the chief procurement officer must first file the proposed extension or renewal with the Procurement Policy Board. If the Procurement Policy Board does not object to the proposed extension or renewal within 30 calendar days after filing, then the extension or renewal may be entered into. This requirement does not apply to any emergency procurement, any procurement under Article 40 (leases), or any procurement otherwise exempted by the Code. Also exempts contracts paid for in whole or part by federal-aid funds, grants, or loans if necessary to remain eligible for the federal aid. By August 1 each year, requires the Procurement Policy Board to file a report with the General Assembly identifying the proposed extensions or renewals that were filed with the Board during the previous fiscal year and specifying which of those to which the Board objected. Effective immediately.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Replaces language concerning extension and renewal of contracts. Provides instead that the chief procurement officer shall file a proposed extension or renewal of a contract with the Procurement Policy Board prior to entering into extension or renewal if the total value of the initial terms and all proposed extended or renewed terms of the contract exceeds \$249,999. The Procurement Policy Board may object to the proposed extension or renewal within 30 calendar days and require a hearing before the Board prior to entering into the extension or renewal. If the Procurement Policy Board does not object within 30 calendar days, the chief procurement office may enter into the extension or renewal of a contract. Exempts any emergency procurement, any procurement under Article 40 of the Code concerning real estate or capital improvement leases, or any procurement otherwise exempted under the Code. Exempts any State agency contract paid for in whole or in part with federal-aid funds, grants, or loans if these provisions would result in the loss of those federal-aid funds, grants, or loans. By August 1 each year, requires the Procurement Policy Board to file a report with the General Assembly identifying for the previous fiscal year (i) the proposed extensions or renewals that were filed

with the Board and whether the Board objected and (ii) the contracts exempt from these provisions.

HOUSE FLOOR AMENDMENT NO. 2

Deletes reference to:

30 ILCS 500/20-25

Replaces everything after the enacting clause. Amends the Illinois Procurement Code. Provides that the chief procurement officer shall file a proposed extension or renewal of a contract with the Procurement Policy Board prior to entering into any extension or renewal if the cost associated with the extension or renewal exceeds \$249,999. Provides that the Procurement Policy Board may object to the proposed extension or renewal within 30 calendar days and require a hearing before the Board prior to entering into the extension or renewal. Provides for certain exceptions. Requires the Procurement Policy Board to file, by August 1 of each year, a report with the General Assembly identifying for the previous fiscal year (i) the proposed extensions or renewals that were filed with the Board and whether the Board objected and (ii) the exempt contracts. Effective immediately.

In the Tax Delinquency Amnesty Act, provides that participation in an amnesty program shall not preclude a taxpayer from claiming a refund for an overpayment of tax on an issue unrelated to the issues for which the taxpayer claimed amnesty or for an overpayment of tax by taxpayers estimating a non-final liability for the amnesty program pursuant to a specific Section of the Illinois Income Tax Act. Makes other changes. Effective immediately.

Provides that the amnesty period shall be for a period beginning October 1, 2010 and ending November 8, 2010

(rather than for a period beginning October 1, 2010 and ending November 15, 2010). Makes a technical change to remove a reference to a provision that is no longer in the amendment.

Amends the Local Government Property Transfer Act. Includes in the definition of "municipality" and "transferee municipality" 2 or more school districts operating a cooperative or joint special education program. Amends the School Code. In a Section allowing school boards to enter into joint agreements with other school boards with respect to special education matters, provides that the agreement shall include the method or methods to be employed for disposing of property upon withdrawal of a school district or dissolution of the joint agreement and shall specify procedures for the withdrawal of districts from the joint agreement. Provides that no later than 6 months after the effective date of the amendatory Act, all existing agreements shall be amended to be consistent with the amendatory Act. Removes a provision referencing the withdrawal of districts from a joint agreement by petition to the regional board of school trustees. Provides for the employment of a full-time director of special education of the joint agreement program under a one-year or multi-year contract (instead of a director of a joint agreement program under a multi-year contract), which contract may not be offered or accepted for less than one year (instead of for less than or more than 3 years). Sets forth the process for the withdrawal from a joint agreement. Provides that the amendatory provisions apply to withdrawals from or dissolutions of special education joint agreements initiated after the effective date of the amendatory Act. Repeals a Section concerning withdrawal from certain joint agreement programs.

#### HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the contents of the engrossed bill with the following changes. Changes the language to provide that a person shall not act, advertise, solicit, or hold himself out as a public adjuster or to be in the business of adjusting insurance claims in the State, nor attempt to obtain a contract for public adjusting services, unless the person is licensed as a public adjuster in accordance with specified provisions. Adds a provision that allows the Director of Insurance to place on probation, suspend, revoke, deny, or refuse to issue or renew a public adjuster's license or levy a civil penalty or any combination of actions, for having been convicted of a felony or misdemeanor involving dishonesty or fraud, unless the individual demonstrates to the Director sufficient rehabilitation to warrant the public trust. Adds a definition for "adjusting a claim for loss or damage covered by an insurance contract" and makes changes to the definition of "public adjuster". Adds a provision concerning fees. Adds language that provides that public adjusters shall ensure that all contracts for their services are in writing and contain the date and time the contract was signed by the public adjuster and date and time the contract was signed by the insured. Changes the language to provide that a public adjuster shall disclose to an insured if he or she has any interest or will be compensated by any construction firm, salvage firm, building appraisal firm, board-up company, or any other firm that performs any work in conjunction with damages caused by the insured loss. Provides that a public adjuster contract may not contain any contract term that includes any hold harmless agreement that provides indemnification to the public adjuster by the insured for liability resulting from the public adjuster's negligence. In provisions concerning a contract between a public adjuster and an insured, deletes language that the insured has the right to initiate direct communications with the insured's attorney, the

insurer, the insurer's adjuster, and the insurer's attorney, or any other person regarding the settlement of the insured's claim and once a public adjuster has been retained, the company adjuster or other insurance representative may not communicate directly with the insured without the permission or consent of the public adjuster or the insured's legal counsel. Changes the language to provide that at the option of the insured, any such contract shall be voidable for 5 days (rather than 10 days) after execution. Changes language that provides that a public adjuster may not agree to any loss settlement without the insured's knowledge and consent under specified conditions. Provides that in all cases where the loss giving rise to the claim for which the public adjuster was retained arise from damage to a personal residence, the insurance proceeds shall be delivered (rather than delivered in person) to the named insured or his or her designee. Adds language providing that the contract shall not be construed to prevent an insured from pursuing any civil remedy after the 5-business day revocation or cancellation period. Makes other changes.

210 ILCS 85/14.5 new

Replaces everything after the enacting clause. Amends the State Finance Act and the Hospital Licensing Act. Creates the Hospital Licensure Fund, a special fund created in the State treasury. Establishes a \$30 license fee per bed for hospitals applying for a license, provided that a lesser amount may be established by administrative rule of the Department of Public Health, if the Department, in consultation with the Department of Healthcare and Family Services, determines that \$30 per bed would exceed the limitations on health care-related taxes imposed by federal law that, if violated, would result in reductions to the amount of federal financial participation received by the State for Medicaid expenditures. Further provides that the Department shall deposit all fees and fines collected in relation to the licensure of hospitals into the Hospital Licensure Fund for the purpose of providing programs, information, or assistance designed to improve patient safety and quality in hospitals. Effective immediately.

## HOUSE COMMITTEE AMENDMENT NO. 1

Deletes language that prohibited the transfer of monies in the Hospital Licensure Fund to other funds held by the State and the use of monies in the Fund for any purposes other than the purposes specified in provisions creating the Fund.

325 ILCS 5/3

Replaces everything after the enacting clause with substantially similar provisions amending the Children and Family Services Act and the Abused and Neglected Child Reporting Act, but with changes that include the following: (1) provides that beginning January 1, 2010, the Department of Children and Family Services may implement a 5-year demonstration of a "differential response program", which may provide that, upon receiving a report of suspected child abuse or neglect, the Department shall determine whether to conduct a family assessment or an investigation as appropriate to prevent or provide a remedy for child abuse or neglect (instead of providing that upon receiving a report, the Department shall determine whether to conduct a family assessment or an investigation); (2) provides that the Department shall promulgate criteria, standards, and procedures that shall be applied in making such a determination, taking into consideration the Child Endangerment Risk Assessment Protocol of the Department; (3) provides that the Department shall arrange for an independent evaluation of the "differential response program" to determine whether it is meeting the goals in accordance with the Abused and Neglected Child Reporting Act; and (4) provides that the "demonstration" shall become a permanent program upon completion of the demonstration project period.

625 ILCS 5/11-208.3

from Ch. 95 1/2, par. 11-208.3

625 ILCS 5/11-208.6

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that in municipalities with a population of less than 1,000,000 and counties with a population of less than 3,000,000, an ordinance that provides for the administrative adjudication of automated traffic law enforcement system violations shall require that all determinations by a technician employed or contracted by the municipality or county that a motor vehicle committed a violation must be reviewed and approved by a law enforcement officer. Provides that in municipalities with a population of 1,000,000 or more and counties with a population of 3,000,000 or more, an ordinance that provides for the administrative adjudication of automated traffic law enforcement system violations shall require that all determinations by a technician employed or contracted by the municipality or county that a motor vehicle committed a violation must be reviewed and approved by a law enforcement officer or by an additional technician trained in traffic management and not employed by the contractor who employs the technician who made the initial determination. Provides that in all municipalities and counties, the automated traffic law ordinance shall require that no additional fee shall be charged to the alleged violator for exercising his or her right to an administrative hearing, and the automated traffic law ordinance shall provide that after an administrative hearing where a person is found to have committed a violation, the person shall be given additional time to pay the civil penalty imposed equal to the amount of time that the person had to pay the original violation upon issuance. Provides that a municipality or county that produces a recorded image of a motor vehicle's violation must make the recorded images of a violation accessible to the alleged violator by providing the alleged violator with a website address, accessible through the Internet. Provides that a county or municipality, including a home rule county or municipality, may not use an automated traffic law enforcement system to issue violations in instances where the motor vehicle comes to a complete stop and does not enter the intersection during the cycle of the red signal indication unless one or more pedestrians are present, even if the motor vehicle stops at a point past a stop line or crosswalk where a driver is required to stop. Provides that a municipality or county that has one or more intersections equipped with an automated traffic law enforcement system must provide notice to drivers by posting the locations of the systems on the municipality or county website. Provides that an intersection equipped with an automated traffic law enforcement system must have a yellow change interval that conforms with the Illinois Manual on Uniform Traffic Control Devices published by the Illinois Department of Transportation. Provides that a municipality or county shall make a certified report to the Secretary of State in order to suspend a registered owner's driving privileges whenever a registered owner of a vehicle has failed to pay any fine or penalty due and owing as a result of 5 automated traffic law enforcement system violations.

**SENATE FLOOR AMENDMENT NO. 3**

Corrects a typographical error. Provides that an automated traffic law ordinance shall provide that after an administrative hearing where a person is found to have committed a violation, the person shall be given at least 25 days to pay the civil penalty (rather than "additional time to pay the civil penalty imposed equal to the amount of time that the person had to pay the original violation upon issuance" as provided by the introduced bill, as amended). Provides that

a municipality or county operating an automated traffic law enforcement system shall conduct a statistical analysis to assess the safety impact of each automated traffic law enforcement system at an intersection following installation of the system and provides further details about the study. Provides that if the statistical analysis for the 36 month period following installation of the system indicates that there has been an increase in the rate of accidents at the approach to the intersection monitored by the system, the municipality or county shall undertake additional studies to determine the cause and severity of the accidents, and may take any action that it determines is necessary or appropriate to reduce the number or severity of the accidents at that intersection. Makes other changes.

Replaces everything after the enacting clause. Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. Provides that within 180 days after the effective date of the amendatory Act, the Department of Financial and Professional Regulation shall promulgate rules which permit a person with a criminal record, who seeks a license or certificate, to apply to the Department for a non-binding, advisory opinion to be provided by the Board or body with the authority to issue the license or certificate as to whether his or her criminal record would bar the individual from the licensure or certification sought, should the individual meet all other licensure requirements including, but not limited to, the successful completion of the relevant examinations. Provides that the Department shall establish a schedule of fees to be paid to the Department by the person applying for the issuance of the non-binding, advisory opinion. Provides that if the person applies for the license or certificate within 2 years of the Department issuing its non-binding, advisory opinion on his or her eligibility for such license or certificate, his or her application fee for the license or certificate shall be reduced by the amount of the non-binding, advisory opinion fee paid under this provision. Amends the Unified Code of Corrections relating to relief from disabilities automatically imposed by law. Provides that the court may grant relief from forfeitures. Defines "eligible offender" for the purposes of relief from disabilities and forfeitures as a person who has been convicted of a crime that does not include an offense or attempted offense that would subject the person to registration under the Sex Offender Registration Act, the Arsonist Registration Act, or the Child Murderer and Violent Offender Against Youth Registration Act (rather than an offense that is not a crime of violence, a Class X or a nonprobationable offense, or a violation of the Sex Offenses or Bodily Harm Articles of the Criminal Code of 1961, but who has not been convicted more than twice of a felony). Provides that "eligible offender" does not include a person who has been convicted of committing or attempting to commit a Class X felony other than under the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or Cannabis Control Act; or a forcible felony, but who has not been convicted more than twice of a felony. Defines "forcible felony". Provides that a certificate of good conduct may be granted to relieve an eligible offender of any employment bar. Provides that the certificate may be limited to one or more enumerated disabilities or bars or may relieve the individual of all disabilities and bars. Provides that a certificate of good conduct does not limit the employer from accessing criminal background information; nor does it hide, alter, or expunge the record. Provides that a certificate of good conduct does not relieve an offender of any employment-related disability imposed by law by reason of his or her conviction of a crime that would prevent his or her employment by the Department of Corrections or the Department of Juvenile Justice. Provides that an employer is not civilly or criminally liable for an act or omission by an employee who has been issued a certificate of relief from disabilities or a certificate of good conduct, except for a willful or wanton act by the employer in hiring the employee who has been issued a certificate of relief from disabilities or a certificate of good conduct. Provides that a certificate of good conduct shall be issued by the Circuit Court in which the conviction was entered (rather than the Prisoner Review Board). Provides that the Court shall, upon notice to a certificate holder, have the power to revoke a certificate of good conduct upon a subsequent conviction. Provides that a circuit court that imposed the sentence may issue a certificate of

relief from disabilities to an eligible offender even if the offender had been committed to the Department of Corrections. Repeals provisions that authorize the Prisoner Review Board to issue certificates of relief from disabilities. Effective immediately, except that the amendatory changes to the Unified Code of Corrections take effect January 1, 2010.

HOUSE COMMITTEE AMENDMENT NO. 1

Removes provisions providing for a schedule of fees to be paid to the Department of Financial and Professional Regulation by a person applying for the issuance of a non-binding, advisory opinion under the Act. Makes change in provision concerning certificates of relief from disabilities issued by courts.

HOUSE FLOOR AMENDMENT NO. 2

Provides that "eligible offender" does not include a person who has been convicted of committing or attempting to commit a Class X felony, aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof, aggravated domestic battery, or a forcible felony, but who has not been convicted more than twice of a felony. Provides that the standard of proof that the court must use in determining whether the offender may be issued a certificate of good conduct or relief from disabilities is clear and convincing evidence.

GOVERNOR AMENDATORY VETO MESSAGE

In provisions amending the Unified Code of Corrections, recommends: (1) changing the definition of "eligible offender" to provide that the term means a person who has not been convicted more than twice of a felony (instead of providing that the term does not include such a person); (2) providing that a certificate of good conduct does not relieve an offender of any employment-related disability imposed by reason of his or her conviction of a crime that would prevent his or her employment by any other law enforcement agency; (3) providing that after a rehabilitation review has been held "in a manner designated by the chief judge of the judicial circuit in which the conviction was entered", the Circuit Court may issue a certificate of good conduct; and (4) deleting a provision that if the most serious crime of which an individual was convicted is a Class X felony, the minimum period of good conduct shall be 3 years.

SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:

765 ILCS 5/2

Adds reference to:

765 ILCS 77/70

Replaces everything after the enacting clause with provisions that amend the Residential Real Property Disclosure Act. Provides that the title insurance company or closing agent shall attach to the mortgage a certificate of compliance with the requirements of the Act or a certificate of exemption (instead of requirements of the Act), as generated by the database. If the title insurance company or closing agent fails to attach either the certificate of compliance or the certificate of exemption (instead of attach the certificate of compliance), then the mortgage is not recordable. Provides that the failure to attach the appropriate certificate shall not affect the enforceability of the lien of the mortgage.

HOUSE COMMITTEE AMENDMENT NO. 1

Further amends the Residential Real Property Disclosure Act. Defines "certificate of compliance" and "certificate of exemption". Provides that the failure to attach a certificate of exemption, if the requirements for an exemption are met, (instead of the failure to attach the appropriate certificate) shall not affect the enforceability of the lien of mortgage.

HOUSE FLOOR AMENDMENT NO. 3

Provides that the failure to attach a certificate of exemption, if the requirements for an exemption are met, shall not affect the validity, enforceability, or priority (instead of the enforceability) of the lien of the mortgage.

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that a court may order expungement of a court file in a forcible entry and detainer action if the court finds that the plaintiff's action is sufficiently without a basis in fact or law, which may include a lack of jurisdiction, that expungement is in the interests of justice and those interests are not outweighed by the public's interest in knowing about the record. Requires a court to order expungement of a court file in a forcible entry and detainer action if the court finds that the defendant occupied real property that was subject to contract for deed cancellation or mortgage foreclosure, and either: the time for contract cancellation or foreclosure redemption has expired and the defendant vacated the property prior to commencement of the forcible entry and detainer action; or the defendant was a tenant during the contract cancellation or foreclosure redemption period and did not receive a notice to vacate on a date prior to commencement of the forcible entry and detainer action.
