Amends the Water Use Act of 1983. Provides that a high-capacity well is a well located on a parcel of property where the rate or capacity of water withdrawals of all wells on the property is in excess of 70 gallons per minute or 100,000 gallons during any 24-hour period. Provides that a high-capacity surface water intake is a surface water intake located on a parcel of property where the rate or capacity of water withdrawals is the same as that of a high-capacity well. Requires persons who are interested in developing a high-capacity well to notify the District before constructing the well (now, only when "the withdrawals from the new point can reasonably be expected to" exceed 100,000 gallons on any day). Requires existing and proposed high-capacity wells to register with the District. Provides that the District may recommend that the Department of Agriculture restrict the quantity of water that a person may extract from high-capacity wells (now, under certain circumstances, from other wells). Requires a person or land occupier who is responsible for a high-capacity well, high-capacity intake, or public water supply to participate in the Illinois Water Inventory Program, but exempts high-capacity intakes used for agricultural irrigation and high-capacity wells used for agricultural irrigation from this requirement for 5 years. Effective January 1, 2010.

**SENATE FLOOR AMENDMENT NO. 1**

Further amends the Water Use Act of 1983. Defines "Geological Survey", "surface water", "water authority", and "water survey". Replaces the provision concerning water use reporting with a provision that contains the provisions of the introduced bill as well as a provision allowing a person or land occupier that is responsible for a point of withdrawal classified as a high-capacity well or high-capacity intake used for irrigation that lies within certain boundaries to estimate irrigation withdrawals through a method deemed acceptable by the Illinois State Water Survey.

Replaces everything after the enacting clause with the introduced bill, as engrossed, and makes changes. Renames the term currently referred to as "driver training school" to "driver exam training school" throughout the Illinois Vehicle Code. Defines an "enhanced skills driving school" as a school for teaching advanced driving skills, such as emergency braking, crash avoidance, and defensive driving techniques to licensed drivers for a fee, and provides that the definition does not mean a school for preparing students for examinations given by Secretary of State. Provides that no person, firm, association, partnership or corporation may operate an enhanced skills driving school unless they have been issued a license by the Secretary of State. Provides that all behind-the-wheel instructions, practice, and experience offered by enhanced skills driving schools shall be on private property, such as race course facilities, and no behind-the-wheel instructions, practice, or experience may be given on public roadways. Sets forth requirements to operate an enhanced skills driving facility and standards for the Secretary of State to deny, cancel, suspend or revoke, renew, or refuse to renew enhanced skills driving school licenses. Makes other changes. Makes corresponding changes in the Department of Transportation Law of the Civil Administrative Code of Illinois and the Criminal Code of 1961.

Defines "urban soil" as soil that is excavated and removed from sites within the boundaries of a municipality with a population in excess of 1 million and that has not been the subject of a release of contaminants but may nonetheless contain contaminants due to certain causes. Defines "urban clean construction or demolition debris" as specified paving materials that are excavated from a construction or demolition site within the corporate boundaries of a municipality having a population in excess of 1,000,000. Requires the owner of a site from which urban soil only is removed, prior to authorizing the transfer of that soil, to perform or cause to be performed (i) a Phase I Environmental Audit or an historical or regulatory database search, such as that set forth in the Standard Practice for Limited Environmental Due Diligence: Transaction Screen Process (ASTM E 1528-06), (ii) a Phase II Environmental Audit (under some circumstances), and (iii) testing of representative samples of the soil using specific methods. Requires the owner to certify certain information to the clean construction or demolition debris fill operator. Requires fill operations that accept urban soil to develop and implement a Receipt Control and Screening Plan that ensures the receipt of certification documents. Authorizes the Agency to propose to the Board, and the Board to adopt certain rules. Effective immediately.

Provides that an eligible borrower has a right to defer a judicial sale for a specified period by providing an affidavit to the foreclosing lender. Creates the Equal Marriage Act. Makes legislative findings: same-sex couples are denied equal access to civil marriage benefits; the current marriage law is discriminatory and harms same-sex couples; and there is no compelling interest or rational basis to deny same-sex couples those benefits. Provides that the Act does not interfere with any religious beliefs about marriage. Provides that the Act's purpose is to provide eligible same-sex and opposite-sex couples with the same treatment as those in a civil marriage. Provides that parties to a marriage of the same sex are included in the terms "spouse", "immediate family", "dependent", and related matters. Provides that domestic relations, probate, and family law shall apply equally to parties to a marriage of the same sex. Provides that benefits apply equally to same-sex marriages in these areas: causes of actions related to spousal status, for wrongful death, emotional distress, and loss of consortium; adoption; family leave; group insurance for State and municipal employees; accident and health insurance protections tied to former spouses and dependents; and taxes and tax deductions based on marital status. Provides that a civil marriage is prohibited between siblings or between an uncle and a nephew or an aunt and a niece. Amends the Illinois Marriage and Dissolution of Marriage Act. Provides that nothing in the Act should be construed to interfere or regulate any religious practice concerning marriage and no religion is required to solemnize a marriage to which it objects. New Act

35 ILCS 5/203 from Ch. 120, par. 2-203

Deletes everything after the enacting clause. Creates the School Choice Act and amends the Illinois Income Tax Act. Provides findings and declarations of policy. Establishes the School Choice Program. Provides that under the program the custodian of a qualifying pupil is entitled to a School Choice Voucher to pay for qualified education expenses at participating Chicago elementary and secondary nonpublic schools. Requires the principal of each low-performing school in the Chicago school district to notify custodians of qualified pupils of the availability of vouchers. Requires custodians to apply to the State Board of Education for a voucher and provide documentation as to eligibility. Requires the State Board to issue a voucher to custodians who have made proper application and to honor the voucher when presented for payment by a nonpublic school and allocation of funding due to insufficient appropriations pursuant to certain procedures. Provides for the dollar amount of a voucher. Provides that the voucher may be renewed each year through the 12th grade so long as the pupil and custodian remain eligible. Requires pupils receiving vouchers to be assessed in the same manner as Illinois public school students. Provides that the amount received under the program shall not be considered base income for purposes of Illinois' income tax. Requires the State Board to submit a report to the General Assembly by December 31, 2014. Provides criminal penalties for certain violations. Requires the State Board to adopt rules to implement the Act.

SENATE COMMITTEE AMENDMENT NO. 3

Makes changes to provide that the School Choice Program applies only to elementary school. Makes changes to the definition of "qualifying pupil". Provides that if a student attending a nonpublic school under the School Choice Program is expelled from the nonpublic school before the State Board of Education has honored the voucher of the school, then the State Board of Education shall pay the corresponding prorated portion of the voucher amount to the nonpublic school, and if the State Board of Education has paid the voucher amount to the nonpublic school and the pupil is expelled, then the nonpublic school shall refund the corresponding prorated portion of the voucher to the State Board of Education.

Makes changes in the provisions concerning the entitlement to a voucher, the payment of a voucher, the amount of a voucher, the renewal of a voucher, and pupil assessment. Deletes the provision concerning funding. Provides instead that the total cost of the vouchers shall come from the portion of general State aid City of Chicago School District 299 receives under the State aid formula for that fiscal year. Provides that the State Board of Education may adopt rules to ensure that all pupils receiving services obtained through School Choice Vouchers shall continue to be included in the Longitudinal Data System. Provides that for the purposes of the Act, students receiving a

voucher are considered nonpublic school students who have been voluntarily placed in a private setting by the parent or guardian. Amends the School Code to provide that beginning in fiscal year 2012, the State Board of Education shall annually calculate the amount of funding required for voucher reimbursement under the School Choice Program for school districts with an average daily attendance of 50,000 or more that qualify for supplemental general State aid and that such amount shall be withheld from the district and distributed by the State Board of Education to reimburse eligible claims submitted by nonpublic schools.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in SB 2494, therefore, there are no appraisals to be filed.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 2494 (H-AM 1) does not pre-empt home rule authority.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 2494, as amended, will have no fiscal impact on any pension funds or retirement systems in Illinois.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 2494, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

SB 2494 would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (State Board of Education)

The School Choice Act would require a specific appropriation from the General Assembly in order for vouchers to be given out under the program. The amount of any appropriation would be left up to the General Assembly. Chicago Public Schools (CPS) would eventually see a reduction in the number of students enrolled in the district, which would reduce the amount of the formula portion of State aid that CPS receives; however, the legislation states that the amount of the voucher can be the foundation level (in FY 10 this is \$6119) or the "qualified education expenses". Since the foundation part of the General State Aid amount that districts receive is based on how much available local resources the district has per student, no public school district receives the full foundation level. In FY 10, CPS receives \$1650 of that foundation amount per student. Therefore, while the amount of State aid CPS receives will eventually be reduced because the amount of students claimed for average daily attendance is reduced, it will not be a dollar to dollar comparison with the cost of the voucher. In addition, the amount that a district receives per student based on average daily attendance from the foundation part of the State aid formula changes each year based on average daily attendance from the foundation part of the State aid formula changes each year and could go up or down. Finally, the first year of the voucher program, or any year when new students are added to the program, there will not be a savings on the formula side of the State aid formula since GSA is paid based on the previous year's average daily attendance and those students would still be in the count for which the State is paying GSA. The bill also requires that students in the voucher program be assessed in the same manner as students are assessed in the public school district. While this requirement will not increase the number of students required to be assessed, there will be some cost to the State for changes to contracts with assessment vendors. It is indeterminable at this time what those costs may be. ISBE will also see an impact in administrative responsibilities developing the application for the voucher, soliciting participating non-public schools, approving and processing vouchers to parents, processing payments to the Comptroller's office for all non-public schools participating in the program, working with assessment vendors to provide for the assessment of non-public school students and the reporting of those scores; and, writing a report detailing the numbers of students receiving the voucher, the non-public schools to which the students transferred, the financial ramifications of the program and the assessment results.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (State Board of Education)

SB 2494 (H-AM 1) requires all schools in Chicago that have been determined to be in the lowest 10% of performance as defined under the bill, and those that have been determined to qualify as overcrowded, to notify the custodians of students in those schools about the voucher program established under the Act. Chicago Public Schools will have to determine which schools qualify as overcrowded. The State Board of Education (ISBE) is required to establish a procedure and process to issue vouchers and to honor vouchers to participating recognized nonpublic schools and to determine the maximum amount of the voucher based on a formula determined in the legislation. The State will have to determine a means to assess students enrolled in the nonpublic schools through the voucher program in the same manner as other public school students. Participating nonpublic schools will be required to participate in the Longitudinal Data System and to provide data to the State Board of Education on participating students as required by the agency. ISBE will be required to amend existing assessment vendor contracts to address the assessment requirements and to determine the manner of assessment and reporting requirements. In addition, ISBE will also be required to complete an analysis of the program and report to the General Assembly the financial and assessment data associated with the program.

STATE MANDATES FISCAL NOTE (State Board of Education)

SB 2494, as engrossed, requires all schools in Chicago that have been determined to be in the lowest 10% of performance as defined under the bill, to notify the custodians of students in those schools about the voucher program. The State Board of Education (ISBE) is required to establish a procedure and process to issue vouchers and to honor those vouchers to participating recognized non-public schools. It also requires ISBE to determine an equitable way to allocate the appropriate funding for the voucher program if the appropriation is insufficient. Participating non-public schools will be required to assess students in the same manner as those assessed in public schools and to report those results to the State Board of Education. ISBE will be required to amend existing assessment vendor contracts to address the assessment requirements. In addition, ISBE will also be required to complete an analysis of the program and report to the General Assembly the financial and assessment data associate with this program.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (State Board of Education)

The exact cost of the School Choice Act cannot be determined because it is dependent on the number of eligible students choosing to participate each year.

HOUSE FLOOR AMENDMENT NO. 3

Makes changes concerning the definitions of "qualifying pupil" and "School Choice Voucher", entitlement to a voucher, the receipt of a voucher, presentment of a voucher, the amount of a voucher, the longitudinal data system, funding, and School Choice Voucher Program adjustments.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 2494, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 2494, as amended, will have no fiscal impact on any pension funds or retirement systems in Illinois.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Admin Office of the Illinois Courts)

SB 2494 (H-AM 2) would neither increase nor decrease the number of judges needed in the State.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Admin Office of the Illinois Courts)

SB 2494 (H-AM 3) would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 ( )

SB 2494, as amended by House Amendment 3, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

SB 2494 (H-AM 2) does not pre-empt home rule authority.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

This legislation has no fiscal or population impact on the Department.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept of Corrections)

This legislation has no fiscal or population impact on the Department.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Transportation)

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

SB 2494 (H-AM 3) will have no fiscal impact on any pension funds or retirement systems in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

While the eventual impact of vouchers may trigger reduced enrollment in Chicago's public schools, which are partially funded through local property taxes and may result in a need to increase them to cover lost revenues, this amount cannot be quantified.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

Amends the Counties Code and the Municipal Code to specify that each county or municipality shall have the power and authority to engage in specified activities, including energy efficiency improvements, renewable energy improvements, and water use improvements that relate to green special service areas. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Transportation)

No land conveyances are included in this legislation, therefore, there are no appraisals to be filed.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Office of Management and Budget)

This legislation provides an estimated annual increase of approximately \$6.8 billion in deposits to the General Revenue Funds.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Transportation)

This bill would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept of Corrections)

This legislation has no fiscal or population impact on the Department.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 ()

SB 2505 (H-AM 2) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting &

Accountability)

To the extent that SB 2505 (H-AM 2) provides for sufficient revenue for the State to make its statutorily-mandated pension contributions pursuant to P.A. 88-593, there will be a positive long-term impact to the State-funded systems.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

Under existing State law, a homeowner is entitled to a tax credit equal to 5% of real property taxes paid by that taxpayer during that taxable year on the primary residence of the taxpayer. This bill ends that credit on December 31, 2010, and replaces it with a property tax rebate, which is to be made available through the State making distributions from the Property Tax Rebate Trust Fund. The bill goes on to further detail how this rebate allowance is to be incorporated into current individual tax forms. As this would not change the credit/rebate amount (5%), there is no known final impact, and insufficient information to determine it on a larger scale.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Revenue)

SB 2505 (H-AM 2) is estimated to have the following impact: (1) IIT Estimates - Net IIT receipts associated with increasing the rate from 3% to 5% and eliminating the Property Tax credit. FY11 = \$2.63 Billion, FY12 = \$ 6.56 Billion, FY13 = \$6.70 Billion, FY14 = \$6.92 Billion; (2) CIT Estimates - Gross CIT Receipts associated with a tax increase from 4.8% to 7%. FY11 = \$180 Million, FY12 = \$917 Million, FY13 = \$947 Million, FY14 = \$994 Million; (3) Net Operating Loss Estimates - Revenue generated as a result of suspending NOLs. FY12 = \$250 Million, FY13 = \$250 Million, FY14 = \$250 Million; (4) Estate Tax Estimates - Estimates for Reinstating the Estate Tax. FY12 = \$182 Million, FY13 = \$243 Million, FY14 = \$243 Million; FY15 = \$243 Million.

4.8% of the taxpayer's net income for corporations. Provides that the Auditor General shall examine any Public Act making an appropriation or statutory transfer from general funds and prepare a report on whether or not the State has exceeded the State spending limitation, which shall be filed with the Secretary of State and copies shall be filed with the Governor, the State Treasurer, the State Comptroller, the Senate, and the House of Representatives. Contains provisions concerning emergency spending. Makes related changes in the Illinois State Auditing Act. Amends the Secretary of State Act to require the Secretary of State notify the Auditor General of any Public Act filed with the Office of the Secretary of State making an appropriation or transfer of funds from the State treasury. Amends the Illinois Estate and Generation-Skipping Transfer Tax Act. Provides that, for persons dying after December 31, 2010, "State tax credit" is defined as the amount calculable under the Internal Revenue Code as that credit would have been computed and allowed on December 31, 2001, with an exclusion amount of \$2,000,000, and with a reduction to the adjusted taxable estate for any qualified terminable interest property election. Amends the State Finance Act to allow the Governor to reduce certain funds appropriated for statutory mandates to accommodate budgetary limitations. Effective immediately.

Amends the Structural Pest Control Act. Defines "person" to also mean any public school or any licensed day care center. Provides that only a person who is certified or licensed as a structural pest control technician by a contiguous state or the federal government may apply for reciprocal certification without an examination by the Department in those sub-categories or areas for which the applicant holds certification or licensure. Provides that the Department shall adopt rules for any examinations required for the proper administration of the Act, including any category or sub-category examination involving the use of general or restricted use pesticides and any examination which may be required under certain categories specified in the rules adopted by the Department of Agriculture in the Illinois Administrative Code. Provides that any fine that remains unpaid 60 days after receiving notice from the Department may be submitted to any other public or private agency for collection of the amounts owed plus any fees and costs incurred during the collection process (now, may only be submitted to the Attorney General's Office). Provides that only the Department of Public Health and any local health department shall not be required to pay any fees, nor shall the employees thereof engaged in pest control activities in their official capacity be required to pay any fees for examination, certification, or renewal of certification (now, the State, any agency thereof, or any local unit of government). Makes changes in provisions concerning definitions, license or registration renewal, renewal of technician certification, violations, notification, and penalty. Makes other changes. Effective immediately.

**SENATE COMMITTEE AMENDMENT NO. 1**

Deletes everything after the enacting clause and reinserts the bill as introduced, with the following changes: (1) in the definition of "structural pest control", replaces references to "within 10 feet of a structure" with "around a structure"; and (2) notwithstanding any other law, provides that an applicator who is licensed or certified under the Illinois Pesticide Act may not engage in structural pest control as defined in the Structural Pest Control Act unless the applicator is also licensed and certified under the Structural Pest Control Act. Effective immediately.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Makes a change to the definition of "Structural Pest Control". In a provision concerning reciprocity, removes limitation that certification or licensure must be by a contiguous state. In a provision concerning the scope of the Act, restores certain language concerning the payment of fees by the State or unit of local government.

Creates the Public-Private Transportation Act of 2010. Finds that the public need for timely development and operation of transportation facilities may not be wholly satisfied by the existing methods of delivering those services, and authorizing private entities to develop or operate one or more transportation facilities may result in the development or operation of such transportation facilities to the public in a more timely, more efficient, or less costly fashion, thereby serving the public safety and welfare. 105 ILCS 5/17-2.11

Replaces everything after the enacting clause. Amends the School Code. In provisions concerning debt limitations of school districts, provides that the execution of leases on or after January 1, 2007 by the Board of Education of Peoria School District 150 with a public building commission for leases entered into pursuant to the Public Building Commission Act shall not be considered indebtedness for purposes of any statutory debt limitation. Amends the School Construction Law. Prohibits the State Board of Education and the Capital Development Board from establishing standards that disapprove or otherwise establishing limitations that restrict the eligibility of a school district that (1) was organized prior to 1860 and (2) is located in part in a city originally incorporated prior to 1840, based on the fact that all or a part of the school construction project is owned by a public building commission and leased to the school district or the fact that any or all of the school construction project grant will be used to pay debt service or to make lease payments. Provides that such a school district is authorized to use any or all of the school construction project grants (i) to pay debt service on bonds that are issued to finance one or more school construction projects and (ii) to the extent that any such bond is a lease or other installment or financing contract between the school district and a public building commission that has issued bonds to finance one or more qualifying school construction projects, to make lease payments under the lease. Effective immediately.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Provides that provisions exempting execution of certain leases by the Board of Education of Peoria School District 150 from being considered indebtedness for purposes of any statutory debt limitation apply only if the State Board of Education or the Capital Development Board makes one or more grants to Peoria School District 150 pursuant to the School Construction Law. Limits the amount exempted from the debt limitation to the amount of one or more grants awarded to Peoria School District 150 by the State Board of Education or the Capital Development Board.

## HOUSE FLOOR AMENDMENT NO. 2

Also makes technical changes. Amends the General Obligation Bond Act. Increases the total amount of authorized General Obligation Bonds. Makes various other increases to certain amounts authorized to be used for specific purposes. Provides that, beginning with the next issuance by the Governor's Office of Management and Budget to the Procurement Policy Board of a request for quotation for the purpose of formulating a new pool of qualified underwriting banks list, all entities responding to such a request for quotation for inclusion on that list shall provide a written report to the Governor's Office of Management and Budget and the Illinois Comptroller indicating the type and volume of the credit default swaps market in which they are involved. Provides that any entity on a Governor's Office of Management and Budget's pool of qualified underwriting banks list shall provide a written report to the Governor's Office of Management and Budget and the Illinois Comptroller indicating the type and volume of the credit default swaps market in which they are involved. Amends the Build Illinois Bond Act. Increases the total amount of authorized Bonds. Makes various other increases to certain amounts authorized to be used for specific purposes. Amends the General Provisions, General Assembly, State Employees, State Universities, Downstate Teachers, Judges, and Investment Board Articles of the Illinois Pension Code. Specifies, however, that for fiscal years 2008 through 2010, these maximum amounts are increased in equal increments calculated by the sum of the required State contribution in 2007 and the applicable portion of the State's total debt service payments for 2007 on bonds issued in fiscal year 2003 (rather than on bonds issued). Amends the School Construction Law. Provides that if a school district has been issued a school construction grant in Fiscal Year 2010 and was on the FY2002 priority ranking, the Capital Development Board shall escalate the state share grant amount of the project based on a 3% annual escalation rate. Authorizes the Department to adopt rules. Provides that the credit may be carried forward for up to 5 taxable years. Amends the Illinois Income Tax Act to make conforming changes. Provides that the credit is exempt from the Act's automatic sunset provisions. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the term "energy efficiency project" includes projects related to green roofs and other environmentally sustainable landscaping.

**New Act**

Creates the Commission to End Hunger Act. Provides that because it is the goal of the State that no man, woman, or child should ever be faced with hunger, the General Assembly authorizes the Department of Human Services to create the Commission to End Hunger. Provides that the purpose of the Commission shall be to develop an action plan every 2 years, review the progress of this plan, and ensure cross-collaboration among government entities and community partners toward the goal of ending hunger in Illinois. Further provides that the key duties of the Commission shall include identifying all funding sources which can be used toward ending hunger; identifying barriers to access, and developing sustainable policies and programs to address those barriers; and promoting and facilitating public-private partnerships. Provides that the Commission shall be composed of no more than 21 voting members, including 15 public members representing various community and public service organizations, who shall be appointed by the Governor and shall reflect the racial, gender, and geographic diversity of the State. Provides that the Secretary of Human Services, the State Superintendent of Education, the Director of Healthcare and Family Services, the Director of Children and Family Services, the Director of Aging, and the Director of Agriculture shall serve as ex-officio members of the Commission, and that subject to appropriation, the Office of the Governor and the Department of Human Services shall provide administrative support. Contains provisions on commission meetings and reporting requirements. Effective immediately.

**SENATE COMMITTEE AMENDMENT NO. 1**

Provides that one of the key duties of the Commission to End Hunger shall include identifying all funding sources which can be used towards improving nutrition and ending hunger (rather than, identifying all funding sources which can be used towards ending hunger). Provides that commission members shall serve without compensation and are responsible for the cost of all reasonable and necessary travel expenses connected to Commission business as the State of Illinois will not reimburse Commission members for these costs (rather than, Commission members shall serve without compensation, but, subject to the availability of funds, public members may be reimbursed for reasonable and necessary travel expenses connected to Commission business). Provides that the Office of the Governor shall provide guidance to the Commission (rather than, subject to appropriation, the Office of the Governor shall provide administrative support). Provides that the Department of Human Services shall also provide leadership (rather than, administrative support) to support the Commission, and that the Department and the State of Illinois shall not incur any costs as a result of the creation of the Commission to End Hunger as the coordination of meetings, report preparation, and other related duties will be completed by a representative of a food bank that is serving as a co-chair of the Commission.

New Act

- 765 ILCS 605/18.5 from Ch. 30, par. 318.5
- 775 ILCS 5/6-102

Creates the Common Interest Community Association Act. Defines terms. Provides that the Act applies to common interest community associations and that a community instrument that is inconsistent with the Act is void as against public policy. Provides principles for the interpretation of community instruments. Provides that an initial declaration limiting ownership, rental, or occupancy of a unit to a person 55 years of age or older shall be valid and not a violation of the Illinois Human Rights Act. Provides for the election of a board, meetings, board functions, and finances of a common interest community association. Provides that an association may utilize a management company, but if that company serves more than one association it shall maintain separate accounts for each association. Provides remedies in an action brought by a unit owner against a board or board members to enforce the Act. Provides that notwithstanding any bylaws, rules, or other instruments of a common interest community association, a board may not prohibit the display of the American flag or a military flag, or both, on limited common areas or on an owner's unit. Creates the Service Member Residential Property Act. Defines terms. Provides that the Act applies to a lease of residential premises by a service member or a service member's dependents. Provides that an applicable lease may be terminated by a service member or the member's dependents after his or her entry into military service. Provides for the manner of lease termination and for arrearages, obligations, and liabilities. Provides that a violation of the Act constitutes a civil rights violation under the Illinois Human Rights Act. Provides that remedies under the Act are in addition to and do not preclude any remedy for wrongful conversion. Amends the Condominium Property Act. Provides that the Act does not apply to a common interest community association that is governed by the Common Interest Community Association Act. Amends the Illinois Human Rights Act by adding a violation of the Service Member Residential Property Act, in addition to 9 other Acts, as a civil rights violation under the Act.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

765 ILCS 605/18.5

775 ILCS 5/6-102

Modifies definitions as follows: "common interest community" now includes a "master association"; deletes "limited common areas"; and adds "master association". Provides that unless expressly provided otherwise, this Act applies to all common interest community associations (instead of all such associations that have not been submitted to the Condominium Property Act). Provides that an association shall (instead of shall not) have a statutory lien for unpaid fines. Provides that two-thirds of the unit owners may remove a board member at a duly called special meeting of the unit owners (instead of may prescribe a method for board member removal). To the provision that a board must preserve a portion of the meeting for unit owner comments, adds provision that the duration and agenda placement of the comment period is within the board's discretion. Provides that a board of managers may authorize a management company to maintain an association's reserves in a single account with other associations. Defines "small common interest communities" as those comprised of 10 units or less or for which the association has an operating budget of less than \$100,000. Provides that small common interest communities are exempted from provisions concerning quarterly board meetings, meeting and meeting notice requirements, and fidelity insurance. Deletes provisions amending the Condominium Property Act and the Illinois Human Rights Act. Makes other changes.

#### HOUSE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause, and reinserts the provisions of the engrossed bill as amended by House Amendment No. 1, except that it: deletes a provision giving an association a statutory lien for unpaid fines; provides that any provisions of a community instrument recorded after the effective date that contains provisions (instead of a community instrument that contains provisions) inconsistent with the Act are void as against public policy; provides that for declarations recorded before the effective date, in the event of a conflict (instead of in the event of a conflict) between the declaration and other community instruments the declaration prevails except to the extent that it is inconsistent with the Act; provides that in the event of the resale of a unit, the association board (instead of the unit owner) shall provide association documents to a buyer; provides for certain exemptions for small common interest community associations meeting specified criteria; provides for terms of 3 years (instead of 2 years) for officers and board members; and makes other changes. Effective immediately.

Amends the Environmental Protection Act. Requires the Illinois Environmental Protection Agency, without public notice, to provide permit applicants with an opportunity to review and comment on draft permits. Authorizes the Agency, without public notice, to modify draft permits. Requires the Agency, to the maximum extent possible, to issue general (rather than site-specific) air permits. Requires the Agency to expedite NPDES permit renewals if certain requirements are met. Authorizes the Illinois Pollution Control Board to adopt rules providing for the issuance of air permits by rule, if it deems that a class of facilities or equipment does not "make a significant contribution of air contaminants to the atmosphere". Requires the Agency to issue permits to the owners or operators of facilities or equipment meeting the requirements of the rules adopted by the Board. Requires the Agency to create common company identification numbers to be used agency-wide to refer to companies that do business in the State. Requires the Agency to create a permit streamlining unit.

**SENATE FLOOR AMENDMENT NO. 1**

Adds reference to:  
30 ILCS 105/5.755

Deletes everything after the enacting clause. Amends the State Finance Act to create the Expedited Permit Fund as a special fund in the State treasury. Amends the Environmental Protection Act. Requires the Environmental Protection Agency to create a permit expediting unit for the purpose of implementing an expedited permitting process. Provides that permit applicants may access the expedited permitting process if the permit is necessary to commence a construction or maintenance project that results in an investment by the applicant of at least \$10 million and the applicant pays an expedited permit fee, to be established by the Agency by rule, but not to exceed 200% of the standard fee for an unexpedited permit. Provides that all expedited permit fees shall be deposited into the Expedited Permit Fund. Requires money in the Fund to be used to carry out the Agency's expedited permitting activities. Requires the Agency to form and convene a stakeholders group for the purpose of creating a priority list of suitable categories of sources to focus efforts in developing general permits. Requires the finalization of specified numbers of general permits within a certain period after the priority list is completed. Requires the Agency to adopt an expedited process for NPDES permit renewals if the applicant determines and certifies that no change necessitating a permit revision has occurred. Provides that the Board may, by rule, adopt construction and operating air permits for classes of facilities or equipment. Prohibits the Board from adopting an air permit authorizing construction of any facility defined as a "major source" under any applicable preconstruction permitting requirements of the federal Clean Air Act or regulations adopted under that Act. Requires the Agency to issue permits to the owners or operators of facilities or equipment that satisfy the requirements for an expedited air permit. Makes other changes.

**FISCAL NOTE (Environmental Protection Agency)**

SB 3344 would impose a cost on the Agency of \$1.4 million per year, or \$7.2 million over 5 years. This would cover the required 11 new full-time employees (FTEs), to staff the new unit as well as to implement the expanded use of general permitting and permitting by rule. Complicating matters are the proposed restrictions on the new fund created by the bill, coupled with the fact that the proposed expedited fees in the bill would fall woefully short of covering the Agency's cost since the Illinois EPA would

not receive any fee for most of the affected permits covered by SB 3344.

Provides that the Governor is required to submit written quarterly financial reports (instead of written quarterly budget statements) on all appropriated funds. Provides that the reports shall be submitted to the State Comptroller and General Assembly no later than 45 days after the last day of each quarter of the fiscal year (instead of Wednesday of the last week of the last month of each quarter) and shall be posted on a website maintained by the Governor's Office of Management and Budget (instead of the Comptroller's website) on the same day. Effective immediately.

Amends the Probate Act of 1975. In provisions setting forth circumstances under which the court lacks jurisdiction to proceed on a petition for the appointment of a guardian of a minor, adds language permitting a petition if the parent or parents voluntarily relinquished physical custody of the minor, revises language permitting a petition if the parent or parents consent to the appointment, and makes other changes. Provides that upon the filing of a petition by a minor's living, adoptive, or adjudicated parent whose parental rights have not been terminated, the court shall discharge the guardian and terminate the guardianship if the parent establishes, by a preponderance of the evidence, that a material change in the circumstances of the minor or the parent has occurred since the guardian's appointment unless the guardian establishes, by clear and convincing evidence, that termination of the guardianship would not be in the best interests of the minor. Sets forth factors to be considered by the court in determining the minor's best interests. Repeals provisions concerning the parental right to custody.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Restructures the circumstances set forth in the introduced bill under which a court has jurisdiction to proceed on a petition for the appointment of a guardian of a minor despite the fact that the minor has a living parent whose parental rights have not been terminated, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions concerning the minor by: removing the existence of a guardian as one of those circumstances set forth in the introduced bill; restoring the existing law providing that a court does not have jurisdiction to proceed on a petition for the appointment of a guardian of a minor if there is a guardian for the minor appointed by a court of competent jurisdiction; and making other changes.

Amends the General Not For Profit Corporation Act of 1986. Provides that unless otherwise provided in the articles of incorporation or the bylaws, any action required by the Act to be taken at any annual or special meeting of the members entitled to vote, or any other action which may be taken at a meeting of members entitled to vote, may also be taken without a meeting and without a vote if a consent in writing, setting forth the action so taken, shall be approved by all the members entitled to vote. In connection with informal action taken by the directors, requires that a consent to such action be approved in writing (instead of signed) by all the directors. In provisions concerning a director's conflict of interest, provides that if a director is an officer or director of both parties to a transaction involving a grant or contribution, without consideration, from one entity to the other, that director is not "indirectly" a party to the transaction provided the director does not have a material financial interest in the entity that receives the grant or contribution (replacing an existing similar provision). Effective immediately.

New Act

Creates the Truth in Health Care Professional Services Act. Requires an advertisement for health care services that names a health care professional to identify the type of license held pursuant to the definitions under his or her licensing Act. Provides that the advertisement shall be free from any and all deceptive or misleading information. Requires a health care professional providing health care services in the State to conspicuously post and affirmatively communicate the professional's specific licensure as required under the Act, with certain exceptions. Provides that any health care professional, third party contracted to collect fees on behalf of the health care professional, the health care professional's employer, or other entity contracting with the health care professional who violates any provision under the Act is guilty of unprofessional conduct and subject to disciplinary action under the appropriate provisions of the specific Act governing that health care profession. Sets forth other provisions concerning violations and enforcement of the Act. Defines "advertisement", "deceptive" and "misleading", "health care professional", and "licensee". Effective July 1, 2010.

SENATE FLOOR AMENDMENT NO. 1

In provisions requiring health care professionals to wear a name tag during all patient encounters, adds an exception when precluded by adopted sterilization or isolation protocols. Provides that the requirement that a health care professional display in his or her office a writing that clearly identifies the type of license held by the health care professions applies if the health care professional has an office in which he or she sees current or prospective patients. Requires that a health care worker or provider who is not licensed by the State shall also wear a name tag during all patient encounters that clearly identifies his or her position or title, and that the name tag shall be of sufficient size and be worn in a conspicuous manner so as to be visible and apparent. Prohibits the use of positions or titles that conflict with licensed health care professionals. In a provision concerning violations of the Act, provides that the provision applies only to violations by any health care professional (now, also applies to any third party contracted to collect fees on behalf of the health care professional, the health care professional's employer, or other entity contracting with the health care professional).

HOUSE FLOOR AMENDMENT NO. 1

Provides that a health care professional who is a student or resident and does not have a state license shall only be required to wear a name tag that clearly identifies himself or herself by name and as a student or resident, as authorized by the professional licensing Act. Also makes technical changes.

HOUSE FLOOR AMENDMENT NO. 2

Provides that an advertisement for health care services must identify the type of license held by the health care professional advertising or providing the services pursuant to the examination designations required for licensure under his or her licensing Act or certain other definitions, titles, and initials authorized under his or her licensing Act. Makes a similar change to a provision concerning the requirement to conspicuously post and affirmatively communicate the professional's specific licensure.

#### HOUSE FLOOR AMENDMENT NO. 5

Makes provisions prohibiting the State Comptroller from approving payment for certain non-General Revenue Fund payroll vouchers applicable for fiscal year 2011. In provisions amending the State Employee Article of the Illinois Pension Code, provides that (i) after the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in fiscal year 2011 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2011 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of the amendatory Act had not been enacted, (ii) upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board for fiscal year 2011 in order to meet the State's obligation under this Section, and (iii) the System shall compare this amount due to the amount received by the System in fiscal year 2011 through payments under provisions concerning the required State contribution, and (A) if the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2011 Shortfall" for purposes of this Section, and the Fiscal Year 2011 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act, and (B) if the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2011 Overpayment" for purposes of this Section, and the Fiscal Year 2011 Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification. Further amends the State Pension Funds Continuing Appropriation Act to suspend

continuing appropriations to September 30, 2010 (instead of October 31, 2010).

Amends the School Code. Allows a school treasurer to pay recurring bills upon certification by the clerk or secretary of the school board (instead of requiring an order of the school board signed by the president and clerk or secretary or by a majority of the board). Makes changes concerning when the record of the official acts of the school board must be submitted to the treasurer. With respect to the prohibition on a school board member having an interest in district contracts, work, business, or sales, provides that a board member shall not be deemed interested if the board member is an employee of a business that is involved in the transaction of business with the school district, provided that the board member has no ownership interest in the business. Provides that a school board member's oath of office must be administered as determined by the board. Removes a provision that allows a school board to visit and inspect schools. Provides that a school board may authorize by policy (rather than by regulation) the superintendent, principal, assistant principal, or dean of students to suspend pupils. Provides that a school board must be given a summary of the notice of a parent's right to a review of the suspension (instead of a copy of the full statement of the reasons for the suspension and the notice of the parent's right to a review). Makes changes concerning when an educational support personnel employee who has been dismissed is paid. Makes changes concerning the filing of a teacher's transcript of college credits. Effective immediately.

**SENATE FLOOR AMENDMENT NO. 2**

Changes language to provide that a school board member shall not be deemed interested if the board member is an employee of a business that is involved in the transaction of business with the school district, provided that the board member has no financial interests other than as an employee (instead of that the board member has no ownership interest in the business).
