Amends the Illinois Optometric Practice Act of 1987. Replaces the requirement for licensees to apply for additional licenses in order to practice optometry at more than one address with the new requirement that licensees report to the Department every additional location where the licensee engages in the practice of optometry. Provides that failure to report a practice location or registering a location where a licensee does not practice constitutes a violation of the Act. In a provision concerning license renewal, provides that all licensees on March 31, 2010 without a certification of completion of an oral pharmaceutical course as required by the Act shall be placed on non-renewed status and may only be renewed after the licensee meets those requirements established by the Department. Provides that licensees may apply for expungement from their disciplinary record any offense relating to the failure to complete continuing education requirements, the failure to have an ancillary license, or the failure to report a

practice location if they meet certain conditions. Repeals a Section concerning limited optometry licenses. Makes other changes.

755 ILCS 5/11a-17.1 new

Amends the Probate Act of 1975. Provides that a guardian shall not consent to a ward's sterilization without a court order, but a court order is not required if a procedure is medically necessary to preserve the ward's life or prevent a serious impairment even though it may result in sterilization. Provides that if the motion of a guardian seeking to consent to a ward's sterilization shows that sterilization is warranted, the court shall appoint a guardian ad litem, who shall be an attorney or a qualified disabilities or mental illness advocate. Provides that the court may appoint counsel for the ward, and shall do so upon the ward's request, if the ward objects to sterilization, or the ward's position is adverse to the guardian ad litem. Provides that the court shall advise the ward of his or her right to appointed counsel. Provides for a medical and psychological evaluation to assess the ward's capacity concerning sterilization. Provides that the court shall determine if the ward has the capacity to consent to sterilization by considering whether the ward is able to understand the relationship between sexual activity and reproduction; reproduction consequences; and sterilization. Provides that the ward shall not be deemed to lack capacity solely on the basis of a disability. Provides that if the court finds that the ward has capacity to consent, and the ward objects or consents, the court shall enter an order based on the ward's decision. If the court finds that the ward does not have capacity and has no clear desire for sterilization, the court shall apply standards. Provides that those standards include that the court shall not authorize sterilization unless the court clearly finds that the ward lacks decisional capacity, is fertile, and capable of procreation; the benefits outweigh the harm; less intrusive alternatives were considered; and sterilization is in the ward's best interest, considering trauma or psychological damage if he or she had a child. Provides that the court shall consider if the ward is sexually active, the ability of the ward to understand reproduction and contraception, and other factors relative to the ward's best interest. Includes other provisions.

Provides that at the successful completion of probation, a minor may move to vacate a finding of delinquency. Provides that unless good cause is shown, such motion to vacate must be filed within 30 days of the entry of the order terminating probation or discharging the minor. Establishes conditions and factors under which a court may vacate a finding of delinquency. 35 ILCS 5/218 new

Amends the Illinois Income Tax Act. Authorizes a credit of \$5,000 to an individual taxpayer who is a qualified rural physician practicing in a designated shortage area and serving at least 200 Medicaid patients at a rural health clinic. Effective immediately.

FISCAL NOTE (Dept. of Revenue)

HB 2363 is expected to have a fiscal impact on State revenue of approximately \$12 million to \$27 million annually. It is estimated that there are 2360 physicians practicing in Illinois rural areas or counties. If only these physicians currently working in rural areas claim the income tax credit authorized by HB 2363, the estimated fiscal impact is \$12 million per year. If the incentive provided by this bill results in the number of qualifying physicians increasing to 5,500, which would make rural areas more consistent with the doctor/patient ratio in the rest of the State, the estimated fiscal impact is \$27 million per year.

New Act

20 ILCS 505/34.11

Creates the Kinship Navigator Act. Defines "kinship care" as the full time care, nurturing, and protection of children by relatives, members of their tribes or clans, grandparents, godparents, stepparents, or any adult who has physical custody and a kinship bond with a child. This definition is designed to be inclusive without age restrictions on the kinship caregiver and respectful of cultural values and ties of affection. It allows a child to grow to adulthood in a family environment. Establishes a program, to be administered through a grant to a not-for-profit organization, to serve as liaison among State agencies and groups, to promote kinship care through conferences, and to provide the following services: organizing diverse, enriched, and culturally conscious kinship support groups and counseling; assisting with applying for benefits

within the Family Community Resource Centers for those who qualify; publishing monthly newsletters; coordinating respite and crisis care services; assisting kinship caregivers with job readiness, job search, and job retention; and providing technical assistance to start up kinship support groups. Amends the Children and Family Services Act to provide for coordination with the grandparent child care program. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Adds reference to:

20 ILCS 505/39.1 new

320 ILCS 65/92 new

Deletes everything after the enacting clause. Reinserts the bill with the following changes: Makes the Navigator a program coordinated by various State agencies and provided by a Department of Human Services non-profit organization contractor (now, the Navigator is a liaison among State agencies and is a non-profit organization grantee of the Department of Human Services). Adds the Department on Aging to those agencies coordinating the Navigator. Amends the Children and Family Services Act and the Family Caregiver Act. Requires that the Navigator coordinate the Navigator program with the services provided pursuant to those Acts. Makes other changes. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

The Department of Human Services anticipates little or no additional costs since existing resources could be utilized and federal funds might be realized.

New Act

30 ILCS 105/5.719 new

Creates the Child-Safe Chemicals Act. Beginning July 1, 2010, prohibits the sale or distribution of products intended for a child under 3 years of age that are used to contain food or liquid if the product contains bisphenol A. Authorizes participation in an interstate clearinghouse. Requires certain notifications and imposes penalties. Provides for enforcement by the Attorney General. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the introduced bill

with the following changes. Replaces a provision that prohibits any person from selling, offering to sell, distributing, or offering to distribute certain products that contain bisphenol A with a substantially similar provision that contains an exemption for persons who sell, offer to sell, distribute, or offer to distribute "metal cans". Defines "Agency" and "metal can". Removes the immediate effective date provision.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 2485 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 2485 (H-AM 1) will not impact any public pension fund or retirement system in Illinois.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Illinois Environmental Protection Agency)

HB 2485 would not have any fiscal impact on the Illinois EPA as the Agency would implement its duties under this bill with its existing resources.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

HB 2485 (H-AM 1) does not create a State mandate under the State Mandates Act.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

HB 2485 (H-AM 1) does not pre-empt home rule authority.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Based on a review of this bill it has been determined that there may be an increase in judicial workloads. However, it is not possible to determine what impact the bill will have on the need to increase the number of judges needed in the State.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

HB (H-AM 1) has no fiscal impact on the Illinois Environmental Protection Agency or the Illinois Department of Public Health. However, the Attorney General's Office estimates this legislation as having an undetermined fiscal impact as associated costs would be based on the resulting case load.

730 ILCS 5/5-9-1.4 from Ch. 38, par. 1005-9-1.4

Amends the Unified Code of Corrections with respect to crime laboratory analysis fees. In the definition of "crime laboratory", provides that it must be formally accredited and must regularly employ persons who conduct analyses and provide testimony with respect to drug identification, latent fingerprint analysis, and DNA analysis. Also provides that the term "crime laboratory" means any "laboratory or laboratory system" (rather than any "not for profit laboratory"). Excludes from the definition of "crime laboratory" a laboratory operated by the Illinois Department of State Police. Enumerates additional offenses for which a guilty offender must pay a fee and increases those fees to varied amounts depending on the offense. Establishes that fees collected on behalf of the State pursuant to other specified Sections under

the Act render the State ineligible to receive crime laboratory analysis fees. Permits the clerk of the circuit court to retain \$10 from each collected analysis fee and deposit it into the Circuit Court Clerk Operation and Administrative Fund when a unit of local government has not established a crime laboratory fund. Provides that laboratories using a crime laboratory fund must have and file documented procedures and policies concerning its response to discoveries of misconduct or incompetence and claims of innocence by convicted prisoners. Makes other changes.

35 ILCS 200/18-185

Amends the Property Tax Extension Limitation Law in the Property Tax Code. Provides that the extension limitation may not be less than 2%. Effective immediately.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 2502 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

HB 2502 will not affect any public pension fund or retirement system in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This legislation essentially sets the extension limitation to a minimum of 2%. This would increase the cost of owning a home, should an extension be enacted. However, there is insufficient information to determine a dollar amount due to the variety of taxing districts, and rates, that currently exist.

FISCAL NOTE (Dept. of Revenue)

HB 2502 will have no fiscal impact on State revenues.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of HB 2502, it is possible that the bill could result in additional litigation thereby impacting the workload of judicial officers in the State. However, it is not possible to determine the extent of this impact.

CORRECTIONAL NOTE (Dept of Corrections)

This legislation has no fiscal or population impact on the Department of Corrections.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 2502 adds no additional spending pressure to the General Revenue Fund or to the current Fiscal Year 2009 budget deficit. The fiscal impact associated with HB 2502, as presented, will affect governments at the local level.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate under the State Mandates Act.

New Act

Creates the Deeds Effective on Death Act. Provides that a deed that conveys an interest in real property to a grantee designated by the owner, that expressly states that the deed is not to take effect until the death of the owner, transfers the interest provided to the designated grantee beneficiary, effective on death of the owner, if the deed is executed and filed of record with the recorder of deeds in the county or counties in which the real property is situated prior to the death of the owner. Provides that a beneficiary deed need not be supported by consideration or be delivered to the grantee beneficiary. Provides that a beneficiary deed may be used to transfer an interest in real property to a trust estate, regardless of the trust's revocability. Provides that the Act does not preclude other methods of conveyancing that are permitted by law and that have the effect of postponing enjoyment of an interest in real property until the death of the owner. Provides that the Act does not invalidate any deed, otherwise effective by law to convey title to the interest and estates therein provided, that is not recorded until after the death of the owner.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in HB 2633, therefore, there are no appraisals to be filed.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 2633 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

HB 2633 will not impact any public pension fund or retirement system in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Dept. of Human Services)

Cost estimates are approximately \$30,000 for travel and contractual costs. This assumes that the Committee would consist of several DHS staff and a couple of contractors. The contractual costs would be a Psychiatrist and a Registered Nurse to conduct the annual chart reviews. Travel expenses of \$10,000 would be required for the Committee to visit Tamms once per year.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of HB 2633, it is possible that the bill could result in additional litigation thereby impacting the workload of judicial officers in the State. However, it is not possible to determine the extent of this impact.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 2633 has no fiscal impact and does not add additional spending pressure to the General Revenue Fund or to the current Fiscal Year 2009 budget deficit.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 2366 does not create a State mandate under the State Mandates Act.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 2633 does not pre-empt home rule authority.

FISCAL NOTE (Dept of Corrections)

HB 2633 does not have a Corrections Population or Fiscal Impact to the Department of Corrections.

CORRECTIONAL NOTE (Dept of Corrections)

This legislation has no fiscal or population impact on the Department of Corrections.

New Act  
 210 ILCS 60/15

Creates the Pediatric Palliative Care Act and amends the Hospice Program Licensing Act. Provides that the Department of Healthcare and Family Services shall develop a pediatric palliative care pilot program under which a qualifying child may receive community-based pediatric palliative care from a trained interdisciplinary team while continuing to pursue aggressive curative treatments for a potentially life-limiting medical condition under the benefits available under the Medicaid program. Provides that the Department shall apply for a federal waiver to conduct the program. Provides that a "qualifying child" for the pilot program is a child under the age of 18 years who is enrolled in the Medicaid program and suffers from a potentially life-limiting medical condition. Sets forth certain counties to be included in the pilot program. Requires a report to the General Assembly at the end of the 3-year pilot period.

Provides for the review of pediatric palliative care issues by the Hospice and Palliative Care Advisory Board. Effective immediately.

FISCAL NOTE (Dept. of Healthcare & Family Services)

Although this legislation is effective immediately, it is not known how quickly a pilot program of this magnitude could be operational. Administrative costs relating to a potential waiver and additional staff necessary to provide case management services as required in this bill is estimated at \$310,000 in FY 10. Any new hires would need to be approved through the budget process. Additional services expected to be provided under this waiver are estimated to add an additional \$450 (per member per month) to current liability. For every 1,000 children included in this pilot, annual cost is estimated at \$4.5 million.

Amends the Illinois Vehicle Code to provide that a person may drive a motor vehicle with a nonreflective material tinted film that does not allow less than 50% light transmittance upon the side windows immediately adjacent to each side of the driver. Deletes an exemption to certain window obstruction provisions for motor vehicles manufactured prior to January 1, 1982. Prohibits the use of a reflective material on the front windshield and side windows immediately adjacent to each side of the driver for persons afflicted with or suffering from a medical illness, ailment, or disease which would require that person to be shielded from the direct rays of the sun. Provides that is a petty offense for an installer who installs window treatment for a person with medical condition to fail to obtain and store a copy of a doctor's certificate or letter from the person with medical condition in the installer's permanent records.

SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

625 ILCS 5/3-412 from Ch. 95 1/2, par. 3-412

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code to provide that a person may drive a motor vehicle with a nonreflective material tinted film that does not allow less than 50% light transmittance (or less than 35% light transmittance if the windows to the rear of the driver already have certain window treatment applied) upon the side windows immediately adjacent to each side of the driver. Deletes a front windshield exemption for persons afflicted with or suffering from a medical illness, ailment, or disease. Deletes an exemption to certain window obstruction provisions for motor vehicles manufactured prior to January 1, 1982. Provides that is a petty offense for a first offense and a Class C misdemeanor for a second offense for an installer to install window treatment on motor vehicles that do not have specified license plates or stickers. Effective immediately.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends: deleting language providing that "on multipurpose passenger vehicles . . . a nonreflective tinted film originally applied by the manufacturer, that allows at least 50% light transmittance, with a 5% variance observed by any law enforcement official metering the light transmittance, may be used on the side windows immediately adjacent to each side of the driver"; and inserting language providing that "on multipurpose passenger vehicles . . . with a nonreflective tint originally applied by the manufacturer on the windows to the rear of the driver's seat, the side windows immediately adjacent to each side of the driver may be treated with a nonreflective tint that allows at least 50% light transmittance, with a 5% variance observed by a law enforcement official metering the light transmittance".

210 ILCS 85/9.6 new

Amends the Hospital Licensing Act. Provides that the Department of Public Health shall investigate every allegation of abuse or neglect of a patient received by the Department. Provides that no administrator, agent, or employee of a hospital or a member of its medical staff may abuse or neglect a patient in the hospital, and provides that any hospital administrator, agent, employee, or medical staff member who has reasonable cause to believe that any patient with whom he or she has direct contact has been subjected to abuse or neglect in the hospital shall promptly report or cause a report to be made to a designated hospital administrator responsible for providing such reports to the Department of Public Health. Sets forth other provisions concerning protection of hospital patients from abuse and neglect. Provides that if no health care surrogate is available for a patient who lacks decision-making capacity, then the hospital may contact the Guardianship and Advocacy Commission to determine the need for a temporary guardian of the person.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with substantially similar provisions, amending

the Hospital Licensing Act, but with changes that include the following: (1) provides that the Department of Public Health shall investigate every allegation of abuse (instead of abuse or neglect) of a patient; (2) deletes other references to neglect of a patient; (3) deletes provisions for making internal review findings available to the Human Rights Authority division of the Guardianship and Advocacy Commission and the agency designated by the Governor under the Protection and Advocacy for Developmentally disabled Persons Act; (4) in connection with immunity from liability, deletes an exception for willful and wanton misconduct and adds a presumption concerning good faith; and (5) provides for the training of all new and existing employees (instead of requiring training within one month after being hired).

HOUSE FLOOR AMENDMENT NO. 2

In connection with provisions for immunity from liability, provides an exception for willful or wanton misconduct.

SENATE FLOOR AMENDMENT NO. 1

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Dept. of Human Services)

HB 3653 has a fiscal impact of \$500,000 to \$600,000.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate under the State Mandates Act.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

Will have no impact on any pension fund or retirement system in the State of Illinois.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 3653 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore would not affect the level of State indebtedness.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)

This legislation has no projected fiscal or population impact on the Department of Corrections.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Based on a review of this bill it has been determined that the bill would neither increase nor decrease the number of judges needed in the State.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

HB 3653 (H-AM 1) adds an unspecified amount of additional spending pressure to the General Revenue Fund as the fund amount is subject to appropriation. Grants from the African-America HIV/AIDS Response Fund have previously been funded from an annual General Revenue Fund transfer.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Illinois Housing Development Authority)

No fiscal effect on a single-family residence.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Human Services)

If the funds are appropriated as indicated in HB 3653, \$1 million is earmarked for program evaluation and administration of the initiative. However, the amount available to the Department to implement the bill may be limited to \$100,000, which is insufficient. The Department of Human Services will require at least four additional staff to implement the provisions of this bill. The staffing requirements are estimated as a Public Service Administrator Option 6 to administer the program; an Administrative Assistant I to provide administrative support and two Public Service Administrators (Option 8N) to monitor the performance of agencies funded to conduct HIV prevention or treatment activities. This will require approximately \$600,000 for staffing.

Amends the Illinois Vehicle Code. Reorganizes the language of a provision concerning motor vehicle salvage titles by deleting and adding the same language in different locations. Provides that if the vehicle is later recovered and has incurred damage that initially would have caused the vehicle to be declared a total loss by the insurer, then a salvage title must be applied for by the insurance company within 20 days of the recovery of the vehicle (rather than providing no specified time requirement for application). Provides that when a vehicle of a self-insured company is to be sold in-State and has sustained damaged by collision, fire, theft, rust corrosion, or other means so that the self-insured company determines the vehicle to be a total loss, or if the cost of repairing the damage, including labor, would be greater than 33 1/3% (rather than 50%) of its fair market value without that damage, the vehicle shall be considered salvage. Restores language requiring temporary stop signs at grade crossings under specified circumstances. Provides that, if the Illinois Commerce Commission has ordered the installation of luminous flashing signal or crossing gate devices at a grade crossing not equipped with active warning devices, the Commission shall order the installation of temporary stop signs at the highway intersection with the grade crossing unless an engineering study has determined that a stop sign is not appropriate. Provides that, if a stop sign is not appropriate, the Commission may order the installation of other appropriate supplemental signing as determined by an engineering study. Requires permanent signs to be in place by July 1, 2011. Effective immediately.

20 ILCS 1305/1-17

Amends the Department of Human Services Act. Requires the Inspector General to investigate the abuse and neglect of individuals who receive services within mental health facilities, developmental disabilities facilities, and community agencies operated, licensed, funded, or certified by the Department of Human Services, but not licensed or certified by any other State agency. Authorizes the Inspector to investigate these facilities upon an allegation that an employee has mentally abused, physically abused, sexually abused, neglected, or financially exploited an individual. Creates a duty for employees to cooperate with the Inspector's

investigations. Grants the Inspector the power to subpoena witnesses and compel the production of documents. Requires employees to report certain allegations. Requires the Inspector, upon completion of an investigation, to issue a report. Requires a facility or agency to file a written response to the report under certain circumstances. Authorizes the Secretary to review the report and to specify other administrative sanctions. Requires the Inspector to report to the Illinois Department of Public Health's healthcare worker registry the identity of and the finding associated with each employee against whom there is a finding of physical abuse, sexual abuse, or egregious neglect. Provides for the notice of and an administrative hearing for persons whose names are to appear on the registry. Changes audit cycle by the Auditor General from every 2 years to an as-needed basis to be determined by the Auditor General. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Further amends the Department of Human Services Act. Provides that nothing in a provision concerning the duties of the Inspector General may be construed (i) to mean that a patient is a victim of abuse or neglect because of healthcare services provided or not provided by health care professionals or (ii) to require a facility, including its employees, agents, medical staff members, and health care professionals, to provide a service to a patient in contravention of that patient's stated or implied objection to the provision of that service on the ground that the service conflicts with the patient's religious beliefs or practices. Provides that the failure to provide a service to a patient must not be considered abuse if the patient has objected to the provision of that service on religious grounds.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Human Services)

HB 3844 (H-AM 1) creates no costs.

HOUSE FLOOR AMENDMENT NO. 2

HOUSE FLOOR AMENDMENT NO. 3

Further amends the Department of Human Services Act. Changes the definition of "physical abuse" to exclude certain conduct that is "insulting or provocative". Provides that "physical abuse" includes actions that cause bodily harm as a result of an employee directing an individual or person to physically abuse another individual. Provides that sexual abuse includes, among other things, "sexual behavior that results in sexual contact". Provides that the Inspector General must (rather than "may") disclose the findings of certain investigations. Provides that nothing in the subdivision concerning administrative hearings shall diminish or impair the rights of a person who is a member of a collective bargaining unit under the Illinois Public Labor Relations Act or any other federal labor statute. Removes a provision that prohibits hearing officers, arbitrators, administrative law judges, or other officials from ordering the Department to return an employee to work if certain findings are upheld. Provides that an employee's name shall be removed from the registry if (i) a finding of physical abuse, sexual abuse, or egregious neglect against the employee is overturned through an action filed with the Illinois Civil Service Commission or under any applicable collective bargaining agreement and (ii) that employee's name has already been sent to the registry. Provides that the Inspector General's annual report must contain, among other things, information concerning the timeliness of certain investigations.
