415 ILCS 5/12.5

Amends the Environmental Protection Act. Sets the fee for NPDES construction site storm water permits at \$500. Prohibits the imposition of a NPDES construction site storm water permit fee on any person for storm water discharges from a construction site that is smaller than 5 acres. Effective July 1, 2009.

**HOUSE FLOOR AMENDMENT NO. 1**

Further amends the Environmental Protection Act. Limits the circumstances under which the Environmental Protection Agency must send a fee notice to existing NPDES permittees. Exempts NPDES construction-site storm water permittees who meet certain requirements from paying an annual NPDES construction-site storm water permit fee after payment of an initial annual fee of \$500 before January 1, 2010 or \$250 or \$750, depending on the number of acres disturbed, for applications received on or after January 1, 2010 (now, NPDES construction-site storm water permittees must pay \$500 initially and \$500 each subsequent year, except if a permit is issued during the months of January through June, then the permittee may be exempt

from paying an annual fee during "the 12 months beginning July 1 that immediately follow the period for which the initial annual fee was due"). Under existing law and this Act, the Agency may prorate the initial annual fee in the case of permits issued during the months of January through June. Effective immediately.

Effective January 1, 2010.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 687 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Illinois State Police)

If HB 687 were to become law, the fiscal impact to the Illinois State Police would be \$301,520. This bill does not pre-empt home rule authority.

110 ILCS 947/152 new

Amends the Higher Education Student Assistance Act. Provides that bonds issued in accordance with the Act may be designated by the Illinois Student Assistance Commission as guaranteed by the State of Illinois. Provides that this guarantee shall constitute a general obligation of the State of Illinois, with the full faith, credit, and resources of the State of Illinois irrevocably pledged for the punctual payment of the principal of, interest on, and premium, if any, on any such bond. Provides that these provisions are irrevocable until all such bonds are paid in full as to both principal and interest. Provides that any bonds designated pursuant to these provisions shall be issued by the Commission on or prior to December 31, 2009 and shall be limited in aggregate principal issuance amount to not greater than \$50,000,000. Sets forth provisions concerning appropriations for insufficient amounts, a continuing appropriation for insufficient appropriations, the rights and powers of the Commission not being impaired, and allowing a civil action to compel payment. Effective immediately.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 689 would allow the Illinois Student Assistance Commission to issue \$50 million in bonds by December 31, 2009, to be backed by the State of Illinois' general obligation pledge. Given the fact that the underlying student loans are 97% guaranteed by the U.S. Department of Education, if the general obligation pledge were to be tapped, the State could pay up to approximately \$1.7 million (\$1.5 million in principal and \$200,000 in interest, representing the 3% not guaranteed by the U.S. Department of Education). These estimates are made using a 5-year level debt service plan at an interest rate of 4.75%.

FISCAL NOTE (Illinois Student Assistance Commission)

HB 689 would allow the Illinois Student Assistance Commission (ISAC) to issue \$50 million in bonds by December 31, 2009, to be backed by the State of Illinois' general obligation pledge. The underlying federal student loans are 97% guaranteed by the U.S. Department of Education, meaning that if the general obligation pledge were to be

called upon, the State could pay up to approximately \$1.7 million (\$1.5 million representing the 3% not guaranteed by the USDOE and \$200,000 in interest). These estimates are made using a 5-year, level debt service plan at an interest rate of 4.75%. The Commission will also establish a debt reserve fund of 4% (\$2 million) of cash collateral to cover the remaining outstanding value of the bonds; therefore the State is not expected to incur any costs associated with this bond issue. Proceeds from the bonds will be used to fund the ISAC's participation in the federal Rehabilitation Loan Program, resulting in a stream of federal revenue for ISAC of approximately \$11 million to 15 million over 12-14 months.

10 ILCS 5/7-61 from Ch. 46, par. 7-61

Amends the Election Code. Provides that when a political party committee fills a vacancy in nomination occurring because no candidate's name appeared on the consolidated primary ballot and no write-in candidate was nominated, the committee must do so within 16 days after the primary. In the case of a vacancy in nomination that occurs because the name of a political party's candidate did not appear on the general primary ballot and no write-in candidate was nominated, provides that the vacancy may be filled only by a person selected by the party committee within 60 days after the primary who circulates and files petitions for that office in the same manner as an independent candidate (now, by a person nominated by the committee within 60 days after the general primary).

**HOUSE FLOOR AMENDMENT NO. 1**

Removes the bill's requirement that a vacancy in nomination created when no candidate's name appeared on the consolidated primary ballot and no write-in candidate was nominated must be filled within 16 days after the day of the consolidated primary.

**SENATE FLOOR AMENDMENT NO. 1**

Replaces the substantive provisions of the bill. Amends the Election Code to provide that a vacancy in nomination shall be filled only by a person designated by the appropriate committee of the political party and only if that designated person files nominating petitions with the number of signatures required for an established party candidate for that office within 75 days after the day of the general primary. The circulation period for those petitions begins on the day the appropriate committee designates that person. The person must file his or her nominating petitions, statements of candidacy, notice of appointment by the appropriate committee, and receipt of filing his or her statement of economic interests together. Provides that the State Board of Elections shall hear and pass upon all objections to nomination petitions filed by candidates under these provisions.

**GOVERNOR AMENDATORY VETO MESSAGE**

Recommends that the Election Code be further amended to require that the 2010 general primary election ballot contain an advisory question as to whether the Illinois Constitution should be amended to permit adoption of standards of ethical conduct for State officials and employees by initiative petitions and binding referenda. Exempts the advisory question from the Code's limit on the number of questions per election. Adds an immediate effective date.

815 ILCS 720/1.1 from Ch. 43, par. 301.1  
 815 ILCS 720/5 from Ch. 43, par. 305

Amends the Beer Industry Fair Dealing Act. Expands the list of prohibited conduct under the Act, as it applies to brewers, to include coercing a wholesaler to sign an agreement by threatening to refuse approval for the wholesaler's business; terminating an agreement because the wholesaler fails to agree to a renewal agreement; and presenting an agreement to the wholesaler that grants the brewer the unilateral right to amend the agreement without the wholesaler's consent. Provides that an agreement between a brewer and wholesaler must state and provide that the agreement is governed by the Beer Industry Fair Dealing Act and other matters. Changes the definition of the term "territory" or "sales territory" to mean the exclusive geographic area (rather than the geographical area) of primary sales responsibility designated by the agreement between a wholesaler and brewer for any brand, brands, or brand extensions (rather than brand or brands) of the brewer. Further adds that the "territory" or "sales territory" designated by the agreement may not be designated by address or specific location unless such specific address or location is part of a general and broad territory or sales territory description. Effective immediately.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Requires an executed Illinois addendum to a wholesaler-brewer agreement to provide, in addition to other specified language, that any provision of the agreement requiring or attempting to require the wholesaler to waive compliance is void, unenforceable, and without legal effect and the applicable provisions of the Beer Industry Fair Dealing Act shall govern and control.

**HOUSE FLOOR AMENDMENT NO. 2**

Adds reference to:

815 ILCS 720/2 from Ch. 43, par. 302

Deletes everything after the enacting clause and reinserts similar provisions with these changes and additions: provides that any provision of the Act supersedes any conflicting provision of agreements between brewers and wholesalers; provides that a wholesaler entering into an agreement containing provisions in conflict with the Act shall not be deemed to waive compliance with any provision of the Act; and makes various changes concerning prohibitions imposed upon brewers. Makes other changes. Effective immediately.

**SENATE FLOOR AMENDMENT NO. 1**

Provides that no brewer shall coerce or attempt to coerce a transferring wholesaler (rather than wholesaler) to sign a renewal, replacement, or amendment to an agreement by threatening to refuse to approve or delay issuing an approval for the sale or transfer (rather than sale) of a wholesaler's business. Requires the wholesaler-brewer agreement to provide in substance (rather than state and provide) that the agreement is governed by all applicable provisions of State law, and that such State law is incorporated into the agreement, shall be deemed to be a part thereof, and shall supercede any provision of the agreement in conflict with such State law. Eliminates language requiring the agreement to state and provide that applicable provisions of State law shall govern and control.

Creates the Uniform Prudent Management of Institutional Funds Act, proposed by the National Conference of Commissioners on Uniform State Laws. Provides for: standards of conduct in managing and investing an institutional fund held by a charitable institution for charitable purposes; appropriations by an institution for expenditure or accumulation of endowment funds; the delegation of management and investment functions; the release or

modification of restrictions on the management, investment, or purpose of an institutional fund; compliance; application; construction; and other matters. Repeals the Uniform Management of Institutional Funds Act. Amends the Religious Corporation Act by making conforming changes.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes language providing that: the appropriation for expenditure in any year of an amount greater than 7% of the fair market value of an endowment fund, calculated on the basis of market values determined at least quarterly and averaged over a period of not less than 3 years immediately preceding the year in which the appropriation for expenditure is made, creates a rebuttable presumption of imprudence; for an endowment fund in existence for fewer than 3 years, the fair market value of the endowment fund must be calculated for the period the endowment fund has been in existence; and those provisions do not apply to an appropriation for expenditure permitted under law other than the Act or by the gift instrument nor do they create a presumption of prudence for an appropriation for expenditure of an amount less than or equal to 7% of the fair market value of the endowment fund. In language allowing an institution to release or modify a restriction in a gift instrument on the management, investment, or purpose of an institutional fund meeting specified criteria if the institution determines that the restriction is unlawful, impracticable, impossible to achieve, or wasteful, provides that one of the criteria is that the institutional fund has a total value of less than \$50,000 (instead of \$25,000). Makes other changes.

Provides that the decision whether to rescind (rather than the decision to rescind) an implied consent suspension is based upon the totality of the evidence in a hearing which the Secretary of State has jurisdiction based on implied consent to testing of the person's blood, breath, or urine for the presence of alcohol, drugs, or intoxicating compounds. Adds the offense of aggravated fleeing or attempt to elude a peace officer to the list of violations that if the holder of a Monitoring Device Driving Permit (MDDP) is convicted of or receives court supervision for that violation, the MDDP will be cancelled. Provides that a person who has received a statutory summary suspension and also had a MDDP cancelled, or would have been cancelled had notification of a violation been received prior to expiration of the MDDP, will have their driving privileges suspended for a period of not less than twice the original summary suspension period, or for another specified time period, and during the period of suspension, the person may apply for a restricted driving permit, which must comply with the standards set forth in the Secretary of State's Blood Alcohol Ignition Interlock Device (BAIID) program (instead of only being allowed to operate vehicles equipped with an ignition interlock device). Effective immediately.

5 ILCS 375/6.11  
 215 ILCS 5/356z.15 new  
 215 ILCS 125/5-3 from Ch. 111 1/2, par. 1411.2

Amends the State Employees Group Insurance Act of 1971, the Illinois Insurance Code, and the Health Maintenance Organization Act. Provides that a policy or plan that provides coverage for hospital or medical treatment on an expense-incurred basis, may offer wellness coverage that allows for a reward, a health spending account contribution, a reduction in premiums or reduced

medical, prescription drug or equipment copayments, coinsurance, or deductibles, or a combination of these incentives. Provides that "wellness coverage" means health care coverage with the primary purpose to engage and motivate the insured or enrollee through: incentives; provision of health education, counseling, and self-management skills; identification of modifiable health risks; and other activities to influence health behavior changes. Provides that the insured or enrollee may be required to provide evidence of participation in a program, or demonstrative compliance with treatment recommendations as determined by the health insurer or managed care plan. Sets forth requirements concerning (1) opportunities for participants to qualify for incentives, (2) alternatives for participants to satisfy applicable wellness program standards where it is unreasonably difficult due to the participant's medical condition, and (3) the ratio of the total incentive monetary amount to the cost of employee-only coverage. Imposes conditions on any rulemaking authority. Makes other changes. Effective January 1, 2010.

FISCAL NOTE (Dept. of Healthcare & Family Services)

Costs in implementing wellness programs through the various health plans under SEGIA could vary widely. Any direct costs would be a function of what incentives, if any, the State elected to offer (i.e., reduced copays or deductibles). These costs, in turn, would be offset by savings resulting from reduced utilization and liabilities. Savings would be dependent on what wellness programs are offered, the participation level, and whether participation would be voluntary or mandatory. Generally speaking however, wellness programs often require an investment in programs at the beginning of implementation. Savings from the programs are not often realized immediately. The savings are generally based upon the overall health of the group and usually take some time to accrue. Thus, depending on the structure of a wellness program, a short term negative impact to programmatic cash flows would occur.

FISCAL NOTE (Financial & Professional Regulation)

HB 927 has no projected fiscal impact to the Illinois Department of Financial and Professional Regulation.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that individuals who are unable to participate in incentives due to an adverse health factor shall not be penalized based upon an adverse health status. Sets forth a definition of "reasonably designed program". Deletes a provision concerning rulemaking authority.

SENATE FLOOR AMENDMENT NO. 2

Deletes references to health spending accounts. Deletes language that provides that the insured or enrollee may be required to provide evidence of demonstrative compliance with treatment recommendations as determined by the health insurer or managed care plan.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends adding language amending the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois by creating the Office of the Public Health Advocate, to be headed by a Public Health Advocate appointed by the Governor, within the Department of Public Health to provide specified information and assistance to consumers.

Amends the Illinois Vehicle Code. Provides that no person may drive a commercial motor vehicle on a highway if such person's driving privilege, license, or permit is, among other

Exempts the drivers of commercial motor vehicles used primarily in the transportation of propane winter heating fuel and the drivers of motor vehicles used to respond to pipeline emergencies from the commercial driver's license requirements, but only if such requirements would prevent the driver from responding to an emergency condition requiring immediate response, as defined by federal regulation. Disqualifies a person from driving a commercial motor vehicle if that person has been convicted more than once of violating certain combinations of provisions related to out-of-service orders. Increases the minimum and maximum penalties for certain violations of the Uniform Commercial Driver's License Act.

Provides that the exemption from an eavesdropping violation for recordings made simultaneously with a video recording of an oral conversation between a peace officer, who has identified his or her office, and a person stopped for an investigation of an offense under the Illinois Vehicle Code applies to oral conversations between a uniformed peace officer, who has identified his or her office, and a person in the presence of the peace officer while the officer is performing his or her official duties, or utterances made by the person while an occupant of a police vehicle including, but not limited to, recordings made by in-car video cameras and recordings made in the presence of the peace officer utilizing video or audio systems, or both, authorized by the law enforcement agency (instead of a stop for an investigation of an offense under the Illinois Vehicle Code). Effective immediately.

Deletes the substance of the bill. Provides exemptions from an eavesdropping violation: (1) recordings made simultaneously with the use of an in-car video camera recording of an oral conversation between a uniformed peace officer, who has identified his or her office, and a person in the presence of the peace officer whenever (i) an officer assigned a patrol vehicle is conducting an enforcement stop; (ii) patrol vehicle emergency lights are activated or would otherwise be activated if not for the need to conceal the presence of law enforcement; or (iii) an officer reasonably believes recording may assist with prosecution, enhance safety, or for any other lawful purpose; (2) recordings of utterances made by a person while in the presence of a uniformed peace officer and while an occupant of a police vehicle including, but not limited to, (i) recordings made simultaneously with the use of an in-car video camera and (ii) recordings made in the presence of the peace officer utilizing video or audio systems, or both, authorized by the law enforcement agency; and (3) recordings made simultaneously with a video camera recording during the use of a taser or similar weapon or device by a peace officer if the

weapon or device is equipped with such camera. Provides that the law enforcement agency shall retain such recordings for a storage period of 90 days, unless the recordings are made as a part of an arrest or the recordings are deemed evidence in any criminal, civil, or administrative proceeding and then the recordings must only be destroyed upon a final disposition and an order from the court. Provides that under no circumstances shall any recording be altered or erased prior to the expiration of the designated storage period. Amends the Unified Code of Corrections relating to relief from disabilities automatically imposed by law. Provides that the court may grant relief from forfeitures. Defines "eligible offender" for the purposes of relief from disabilities and forfeitures as a person who has been convicted of a crime that does not include an offense or attempted offense that would subject the person to registration under the Sex Offender Registration Act, the Arsonist Registration Act, or the Child Murderer and Violent Offender Against Youth Registration Act (rather than an offense that is not a crime of violence, a Class X or a nonprobationable offense, or a violation of the Sex Offenses or Bodily Harm Articles of the Criminal Code of 1961, but who has not been convicted more than twice of a felony). Provides that "eligible offender" does not include a person who has been convicted of committing or attempting to commit first degree murder. Provides that a certificate of good conduct may be granted to relieve an eligible offender of any employment bar. Provides that the certificate may be limited to one or more enumerated disabilities or bars or may relieve the individual of all disabilities and bars. Provides that a certificate of good conduct does not limit the employer from accessing criminal background information; nor does it hide, alter, or expunge the record. Provides that a certificate of good conduct does not relieve an offender of any employment-related disability imposed by law by reason of his or her conviction of a crime that would prevent his or her employment by the Department of Corrections.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Provides that an employer is not civilly or criminally liable for an act or omission by an employee who has been issued a certificate of relief from disabilities or a certificate of good conduct, except for a willful or wanton act by the employer in hiring the employee who has

New Act

Creates the Dual Credit Quality Act. Requires the Illinois Community College Board and the Board of Higher Education to develop policies to permit multiple appropriate measures using differentiated assessment for granting eligibility for dual credit to students (a dual credit course being a college course taken by a high school student for credit at both the college and high school level). Sets forth provisions concerning policies to protect the academic standing of students who are not successful in dual credit courses, standards that institutions of higher learning must meet if offering dual credit courses, oversight and review of dual credit programs, and a statewide longitudinal data system to identify high school students who participate in dual credit courses and track their success in high school and postsecondary education.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes language that provides that institutions may adopt policies to protect the academic standing of students who are not successful in dual credit courses, including, but not limited to, options for switching to traditional high school course credit. Provides that instructors teaching credit-bearing college-level courses for dual credit must meet the same academic credential requirements as faculty teaching on campus and need not meet certification requirements set out specified provisions. Provides that the State Board of Education, the Illinois Community College

Board, and the Board of Higher Education shall include information regarding student participation and performance in dual credit programs and their success in postsecondary education in a statewide longitudinal data system.

from Ch. 23, par. 5-5.4

320 ILCS 42/30

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code and the Older Adult Services Act. Under the medical assistance program, provides that for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the Department of Healthcare and Family

Services shall adjust the rate of any nursing facility that participates in the Department of Public Health nursing home conversion and bed reduction pilot program under the Older Adult Services Act so that the nursing facility rate reflects adjustments necessitated by the conversion activity. Provides that the Department of Public Health shall conduct a pilot program for nursing home conversion projects. Provides that the scope of the projects included in this pilot program shall be limited to the conversion of multi-resident bedrooms in a facility into single-occupancy rooms. Effective immediately.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Healthcare & Family Services)

HB1188 (H-AM 1) has no fiscal impact on the Department.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Public Health)

HB 1188 (H-AM 1) creates no fiscal impact to IDPH Office of Health Care Regulation (OHCR). The amendment introduces a new reimbursement rate for long term care facilities that participate in the conversion project. The fiscal impact would be an Illinois Department of Healthcare and Family Services issue with this amendment. The Illinois Department of Public Health is responsible for the conversion pilot program, but this pilot program is with existing long term care facilities and would not create any additional work or require any additional resources from OHCR. Therefore, HB 1188 (H-AM 1) is budget neutral for OHCR.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Revenue)  
 HB 1545 (H-AM 1) will have a positive impact on State revenue due to an increase in the number of transactions for which the real estate transfer tax is collected, but the amount cannot be determined, as the Department of Revenue does not have the data to determine the fiscal impact. The lack of data results from the affected transfers being exempt from paying the real estate transfer tax and also being exempt from filing a transfer declaration.

FISCAL NOTE (Dept. of Revenue)

HB 1545 will have no fiscal impact on State revenue.

New Act

225 ILCS 60/24.1 rep.

Replaces everything after the enacting clause. Creates the Patients' Right to Know Act.

Provides for the Department of Financial and Professional Regulation to make available to the public a profile of each licensed physician and chiropractor on an Internet website or in writing if requested by an individual. Requires on the profiles the full name of the physician, any criminal convictions for felonies and Class A misdemeanors, any Department disciplinary action within the most recent 5 years, name of medical schools attended and date of attendance and graduation, specialty board certification, the number of years in practice and locations, the name of hospital where physician has privileges, and other requirements. Permits the Disciplinary Board to provide copies of the profiles to the physicians prior to publication and allows 60 days for the physician to correct any inaccuracies. Provides the physician the option to exclude any information concerning academic appointments, teaching responsibilities, publications in peer-reviewed journals, and any professional and community service awards if the physician or chiropractor chooses not to publish such information. Sets any penalties for a violation of this Act to be provided for in the Medical Practice Act of 1987. Repeals similar provisions of the Medical Practice Act of 1987 that were enacted by Public Act 94-677, which has been held unconstitutional. Effective immediately.

Imposes conditions on any rulemaking authority.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 1850 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 1850 does not appear to have a significant implementation cost as existing facilities would incur any costs associated with establishing designated smoking areas. Any costs connected with this legislation cannot be determined at this time.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Illinois Gaming Board)

Existing casinos all have designated, segregated, ventilated smoking areas just outside the casino and therefore HB 1850 (H-AM 1) will have minimal or no fiscal impact.

625 ILCS 5/4-203 from Ch. 95 1/2, par. 4-203

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Restores language making personal property in a vehicle removed under specified circumstances by a commercial vehicle relocater or other towing service subject to a lien with specified exceptions (the language had been deleted by Public Act 96-1274). Provides that, in the case of a vehicle that is towed as a result of being involved in an accident, any personal property in a vehicle is exempt from the lien and may be claimed by the vehicle owner (or the spouse, child, mother, father, brother, or sister of the vehicle owner with the authorization of the vehicle owner) upon showing proof that the vehicle owner has an insurance policy covering towing and storage fees. Adds reference to:

735 ILCS 5/15-1508 from Ch. 110, par. 15-1508

Replaces everything after the enacting clause with provisions that amend the Code of Civil Procedure. Provides that if any judicial sale is held without complying with the requirements established for the service of a notice of a foreclosure judicial sale, any party entitled to the notice of sale who was not so notified may, by motion supported by affidavit made prior to the confirmation of such sale, ask the court which entered the judgment to set aside the sale (instead of set aside the sale, provided that such party shall guarantee or secure by bond a bid equal to the successful bid at the prior sale). Provides that any such party shall guarantee or secure by bond a bid equal to the successful bid at the prior sale, unless the party seeking to set aside the sale is the mortgagor, the real estate sold at the sale is residential real estate, and the mortgagor occupies the residential real estate at the time the motion is filed. In that event, no guarantee or bond shall be required of the mortgagor. Effective immediately.
