Changes the definition of "express warranty" to provide that the term means (i) any written affirmation of fact or written promise made in connection with the sale of a new vehicle by a seller to a consumer that relates to the nature of the material or workmanship and affirms or promises that the material or workmanship is defect-free or will meet a specified level of performance over a specified period of time or (ii) any undertaking in writing in connection with the sale by a seller of a new vehicle to refund, repair, replace, or take other remedial action with respect to the new vehicle in the event that the vehicle fails to meet the specifications set forth in the undertaking, if the written affirmation, promise, undertaking becomes part of the basis of the bargain between the seller and the consumer for purposes other than resale of the vehicle (instead of providing that the term has the same meaning as in the Uniform Commercial Code). Provides that if a consumer finally prevails in an action brought under the Act, the court may allow the consumer to recover as part of the judgment a sum equal to the aggregate amount of costs and expenses (including attorney's fees based on actual time expended) determined by the court to have been reasonably incurred by the consumer for or in connection with the commencement and prosecution of the action, unless the court in its discretion determines that such an award of attorney's fees would be inappropriate. Replaces everything after the enacting clause. Amends the Environmental Protection Act. Provides, in several provisions of the Act, that "uncontaminated soil" means soil that does not contain contaminants in concentrations that pose a threat to human health, safety, and the environment, but also authorizes the Illinois Pollution Control Board, by rule, to specify the maximum concentration of contaminants, including a particular carcinogen, benzo(a)pyrene, that may be present in uncontaminated soil. Provides that uncontaminated soil is not waste. Authorizes the Board to adopt rules for the use of uncontaminated soil and clean construction or demolition debris (CCDD) as fill material at CCDD fill operations (current or former quarries, mines, or other excavations where CCDD is used as fill material), which rules may specify limits on the use of recyclable concrete and asphalt as fill material at those sites. Requires owners and operators of CCDD fill operations and uncontaminated soil fill operations to meet certain requirements, including, among other things, that the owners and operators confirm that the CCDD or uncontaminated soil was not removed from a site subject to certain environmental remediation activities, excepting, however, schools located in a county with a population of more than 3,000,000 that have been required to perform certain environmental testing under the Act. Requires the owners and operators of CCDD fill operations and uncontaminated soil fill operations to maintain certain documents and to make those documents available for inspection by the Agency and units of local government. Specifies the types of materials that may be used as fill material at CCDD fill operations and uncontaminated soil fill operations. Authorizes the Agency to collect a fee from the owners and operators of CCDD fill operations for accepted CCDD and uncontaminated soil, which fees shall be deposited into the Environmental Protection Permit and Inspection Fund. Provides that violations of these provisions are enforceable by administrative citation or as otherwise provided by the Act. Specifies civil penalties for violations of these provisions. Effective immediately.

Requires the Department to satisfy certain reporting requirements; to implement, monitor, and evaluate the program; and other matters. Permits the Department to use up to \$500,000 of funds contained in the Public Aid Recoveries Trust Fund per State fiscal year to operate the program and to expand existing contracts, issue new contracts, issue personal service contracts, or purchase other services, supplies, or equipment for the purposes the program. Effective immediately.

## SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes: Changes the short title of the Act to the Long Term Acute Care Hospital Quality Improvement Transfer Program Act (instead of, Long Term Care Hospital Quality Improvement Transfer Program Act) and changes all references to "long term care hospital" and "LTCH" to "long term acute care hospital" and "LTAC" respectively. Redefines the term "STAC hospital" to mean a hospital that is not an LTAC hospital or a psychiatric hospital or a rehabilitation hospital (rather than, a hospital that is not designated by Medicare as a long term care hospital as described in the Social Security Act or a psychiatric hospital or a rehabilitation hospital). Effective immediately.

## SENATE FLOOR AMENDMENT NO. 2

Provides that beginning October 1, 2010 (rather than, beginning on the effective date of this Act) the Department of Healthcare and Family Services shall establish the Long Term Acute Care Hospital Quality Improvement Transfer Program. Eliminates language spelling out the average LTAC hospital stay, the ventilator weaning rate, the central line infection rate per 1000 central line days, and the acquired pressure ulcers per 1000 patient days in mathematical terms. Provides that an LTAC hospital may terminate its program participation agreement within 30 calendar days notice to the Department. Adds language concerning rate adjustments for quality measures and program evaluation. Requires the Department to include specific information on the Program in its annual medical programs report (rather than, requiring the Department to post an annual report containing specific information on the Department's website). Changes the definition of the term "LTAC hospital". Makes other changes concerning LTAC hospitals that accept transfers from STAC hospitals and the Department's rulemaking authority.

New Act

Creates the Transfer Fee Covenant Act. States legislative findings and declares that transfer

fee covenants violate the public policy of favoring the transferability of real property free of unreasonable restraints. Defines transfer, transfer fee, and transfer fee covenant. Provides that a transfer fee covenant or a lien to secure the payment of a transfer fee that is recorded after the effective date is void, unenforceable, and does not run with the title to the real property. Provides that it cannot be presumed that the provisions of this Act mean that a transfer fee covenant or lien recorded before the effective date is valid and enforceable.

HOUSE COMMITTEE AMENDMENT NO. 1

Adds to list of items that are not transfer fees, for purposes of the Act, the following: any fee or other amount payable to an entity exempt from taxation under the Internal Revenue Code whose purpose includes the conservation of land, natural areas, open space, or water areas or the preservation of native plants, animals, biotic communities, or geographic formations located within the same development or within one-half mile of the property to which the transfer fee covenant attaches.

New Act  
30 ILCS 105/5.756 new

Creates the BPA-Free Kids Act. Beginning June 1, 2011, prohibits the sale or distribution of certain products containing bisphenol-A. Requires a label to be affixed to the exterior of certain food products. Beginning June 1, 2011, prohibits the sale of products that must be, but are not, labelled. Authorizes the Illinois Environmental Protection Agency and the Illinois Department of Public Health to participate in an interstate chemical safety clearinghouse. Requires certain notifications and imposes penalties. Provides for enforcement by the Attorney General. Defines "Agency", "baby food", "Department", "infant formula", "manufacturer", "person", and "reusable food or beverage container".

**SENATE COMMITTEE AMENDMENT NO. 1**

Provides that, beginning June 1, 2011, any food product, other than infant formula or baby food, that is contained in a can, jar, or plastic container containing bisphenol-A (rather than "in a can, jar, or plastic container") shall bear a conspicuous label stating, "This container is made with bisphenol-A (BPA)".

## FISCAL NOTE (Illinois Environmental Protection Agency)

SB 3750 (H-AM 1) would not have any fiscal impact on the Illinois EPA as the Agency would implement its duties under this bill with its existing resources.

## FISCAL NOTE (Dept. of Public Health)

The fiscal impact of SB 3750 (H-AM 1) to the Illinois Department of Public Health will be minimal. It is anticipated that the Department will use existing staff resources to participate in any interstate clearinghouse initiatives that may be developed in the future. Costs incurred will be related to telecommunications and/or reimbursement to staff for travel to meetings.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

210 ILCS 76/1

Adds reference to:

305 ILCS 5/5-5.5b new

405 ILCS 30/4.8 new

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Provides

that because the General Assembly finds that there is a need to make changes to the administration of services provided by State and local governments in order to maximize federal financial participation, the Department of Healthcare and Family Services shall create all vouchers for long term care facilities and developmentally disabled care facilities for dates of service in November and December 2010 and shall, no later than December 15, 2010, submit these vouchers to the Comptroller for payment. Further provides that after the effective date of this amendatory Act, community Medicaid mental health services provided by community-based providers shall no longer be included in contracts with the Department of Human Services; instead, community Medicaid mental health services provided by a community-based provider must be billed directly to the Department of Healthcare and Family Services and must be separate from contracts between the Department of Human Services and community-based providers for all other mental health services. Contains provisions concerning the identification of existing grants that can be converted to Medicaid fee-for-service in order to secure federal revenue; third-party liability recoveries; CTA transportation to services for Medicaid enrollees; the acceleration of hospital-based payments; and other matters. Amends the Community Services Act. Provides that after the effective date of this amendatory Act, community Medicaid mental health services provided by community-based providers shall no longer be included in contracts with the Department of Human Services; instead, community Medicaid mental health services provided by a community-based provider must be billed directly to the Department of Healthcare and Family Services and must be separate from contracts between the Department of Human Services and community-based providers for all other mental health services. Effective immediately.

#### SENATE FLOOR AMENDMENT NO. 2

Deletes reference to:

305 ILCS 5/5.5b new

Adds reference to:

305 ILCS 5/12-4.40 new

Replaces everything after the enacting clause. Reinserts similar provisions, but with the following changes: Amends the Administration Article of the Illinois Public Aid Code (rather than the Medical Assistance Article of the Illinois Public Aid Code) to provide that the Department of Healthcare and Family Services shall create all vouchers for long term care facilities and developmentally disabled care facilities for dates of service in November and December 2010 and shall, no later than December 15, 2010, submit these vouchers to the Comptroller for payment. Further provides that the Department of Healthcare and Family Services shall work to identify existing programs pending qualifying services that can be converted in an economically feasible manner to Medicaid in order to secure federal financial revenue (rather than, shall work with DCFS to identify all existing grants that can be converted to Medicaid fee-for-service in order to secure federal financial revenue). In relation to third party liability recoveries, provides that a vendor contracted to support the Department in coordinating benefits for Medicaid enrollees, shall be paid a percentage of actual cash recovered (rather than, a percentage of the recovered funds) when practical and subject to federal law. Effective immediately.

#### HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the Department of Healthcare and Family Services shall create all vouchers for long term care facilities and developmentally disabled care facilities for dates of service in the month (rather than in November and December 2010) in which the enhanced federal matching percentage originally set forth in the American Recovery and Reinvestment Act (ARRA) expires and for dates of service in the month prior to that month and shall, no later than the 15th of the month (rather than December 15, 2010) in which the enhanced federal matching percentage expires, submit these vouchers to the Comptroller for payment. Makes similar changes regarding the Department of Human Services duty to create documentation for State-operated developmentally disabled care facilities.

#### HOUSE FLOOR AMENDMENT NO. 2

Provides that to the extent practicable and permissible under federal law, the Department of Healthcare and Family Services shall create all vouchers for long term care facilities and developmentally disabled care facilities for dates of service in the month in which the enhanced federal medical assistance percentage (FMAP) (rather than the enhanced federal matching percentage) originally set forth in the American Recovery and Reinvestment Act (ARRA) expires and for dates of service in the month prior to that month and shall, no later than the 15th of the month in which the enhanced FMAP (rather than the enhanced federal matching percentage) expires, submit these vouchers to the Comptroller for payment. Makes similar

changes regarding the Department of Human Services duty to create documentation for State-operated developmentally disabled care facilities. Provides that no later than July 1, 2011, community Medicaid mental health services provided by a community-based provider must be billed directly to the Department of Healthcare and Family Services. Provides that effective January 1, 2011 (rather than after the effective date of this amendatory Act), community Medicaid mental health services provided by community-based providers shall no longer be included in contracts with the Department of Human Services. Eliminates language concerning CTA transportation to Medicaid enrollees. Provides that the Department of Healthcare and Family Services shall, by the 10th day of the month in which enhanced FMAP originally set forth in the ARRA expires, (rather than December 20, 2010) create vouchers for all State fiscal year 2011 hospital payments exempt from the prompt payment requirements of the ARRA; and the Department shall submit these vouchers to the Comptroller for payment (rather than shall, no later than December 15, 2010, submit these vouchers to the Comptroller for payment). Eliminates language requiring the implementation of the provisions concerning Medicaid revenue maximization by December 15, 2010. Redefines "community Medicaid mental health services" and eliminates the definition for "CTA". Effective immediately.

35 ILCS 5/219 new

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act. Creates a credit for individual taxpayers in an amount equal to the total amount of expenditures made by the taxpayer during the taxable year for the purpose of modifying the primary residence of a disabled veteran to accommodate that veteran's disability. Provides that the amount of the credit may not exceed \$1,000 in any taxable year. Provides that the credit may not reduce the taxpayer's liability to less than zero. Provides that, if the amount of the credit exceeds the taxpayer's liability for the taxable year, the excess credit may not be carried forward or back and shall not be refunded to the taxpayer. Exempts the credit from the Act's automatic sunset provisions. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Provides that a credit for expenditures made for the purpose of modifying the primary residence of a disabled veteran may be claimed by the taxpayer in only one taxable year. Provides that eligibility for the credit must be established (instead of reestablished on an annual basis) by certification from the Illinois Department of Veterans' Affairs.

New Act

105 ILCS 5/10-22.21b from Ch. 122, par. 10-22.21b

30 ILCS 805/8.34 new

Creates the Care of Students with Diabetes Act. Requires a parent or guardian to submit a diabetes care plan for a student with diabetes who seeks assistance with diabetes care in the school setting (whether a public or a private school). Provides that a delegated care aide shall perform the activities and tasks necessary to assist a student with diabetes in accordance with his or her diabetes care plan. Requires training for school employees and delegated care aides. Requires that an information sheet be provided to any school employee who transports a student for school-sponsored activities. Sets forth what a student with diabetes must be permitted to do. Provides that a school district may not restrict the assignment of a student with diabetes to a particular school on the basis that the school does not have a full-time school nurse, nor may a school deny a student access to any school or school-related activities on the basis that a student has diabetes. Provides for school employee protections against retaliation, civil immunity, and rights under federal law. Amends the School Code. In provisions concerning the administration of medication, provides that under no circumstances shall teachers or other non-administrative school employees, except certified school nurses, non-certificated registered professional nurses, and advanced practice nurses (currently, except certified school nurses and non-certified registered professional nurses) be required to administer medication to students. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**SENATE FLOOR AMENDMENT NO. 1**

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Makes changes to the findings. Makes changes to the definitions of "delegated care aide", "diabetes care plan", and "principal" and defines "health care provider". Provides that a diabetes care plan must be signed by a student's parent or guardian and submitted to the school for any student with diabetes who seeks assistance with diabetes care in the school setting, unless the student has been managing his or her diabetes care in the school setting before the effective date of the Act, in which case the student's parent or guardian may sign and submit a diabetes care plan under the Act (instead of requiring the diabetes care plan to be signed and submitted by a parent or guardian). Makes changes concerning what the diabetes care plan must include. Provides that parents are responsible for informing the school in a timely manner of any changes to the diabetes care plan and their emergency contact numbers. Provides that the principal shall facilitate compliance with the provisions of a diabetes care plan during all school-sponsored activities (instead of ensuring that the school has at least one delegated care aide present and available at the school). Provides that, in schools that have a student with diabetes, all school employees must receive certain training in the basics of diabetes care. Makes changes concerning diabetes care plans, training, assistance to delegated care aides, the duties of a delegated care aide, self-management, protection against retaliation, and civil immunity. Effective immediately.

430 ILCS 65/3 from Ch. 38, par. 83-3

Amends the Firearm Owners Identification Card Act. Requires a person who is not a federally licensed importer, manufacturer, or dealer and who desires to sell or transfer a firearm of a size that may be concealed upon the person to another person, who is not a federally licensed importer, manufacturer, or dealer, to do so only at the place of business of a federally licensed firearm dealer. Provides that the federally licensed firearm dealer shall conduct a background check on the prospective recipient of the firearm and follow all other applicable federal, State, and local laws as if he were the seller of the firearm. Provides that the purchaser or transferee may be required by the federally licensed firearm dealer to pay a fee not to exceed \$10 per firearm, plus any applicable fees. Makes exceptions for (i) the transfer of a firearm between spouses, a parent and child, or a grandparent and grandchild, (ii) transfers by persons acting pursuant to operation of law or a court order, or (iii) transfers on the grounds of a gun show. Imposes conditions on any rulemaking authority.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Deletes language imposing conditions on rulemaking authority.

**LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)**

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

**HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)**

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

**FISCAL NOTE (Dept. of Corrections)**

HB 48 has no fiscal impact.

**CORRECTIONAL NOTE (Dept. of Corrections)**

HB 48 has no corrections population impact

**FISCAL NOTE (Illinois State Police)**

It is difficult to estimate how many private transactions would be conducted, but the Illinois State Rifle Association (ISRA) provided the estimate of 260,000 transactions. The Firearm Transfer Inquiry Program (FTIP) would see a significant increase in the number of transactions needing to be processed. It is believed additional personnel and IT resources would be needed to avoid processing delays. It is not unreasonable to estimate start up and out year costs to exceed \$250,000 based on the ISRA estimate. Following are preliminary estimates: (1) 4 Office Associates (@ \$55,000) = \$220,000; (2) 5 Computers (@ \$1,500) = \$7,500; (3) 5 FTIP phones (@ \$1,000) = \$5,000; (4) 1 Supervisor = \$75,000; (5) System Modifications = \$50,000; Total = \$357,500.

**PENSION NOTE (Government Forecasting & Accountability)**

HB 48 will not impact any public pension fund or retirement system in Illinois.

**STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)**

HB 48 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

**JUDICIAL NOTE (Admin Office of the Illinois Courts)**

Based on a review of HB 48, it is possible that the bill could result in additional litigation thereby impacting the workload of judicial officers in the State. However, it is not possible to determine the extent of this impact.

**BALANCED BUDGET NOTE (Office of Management and Budget)**

HB 48 has no fiscal impact and will not add additional spending pressure to the General Revenue Fund or to the current Fiscal Year 2009 budget deficit.

**HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)**

HB 48 (H-AM 1) does not pre-empt home rule authority.

**STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)**

HB 48 (H-AM 1) does not create a State mandate under the State Mandates Act.

625 ILCS 5/12-610.1

Amends the Illinois Vehicle Code. Provides that a person, regardless of age, may not use a wireless telephone in a school speed zone or a construction or maintenance speed zone, except for a person engaged in a highway construction or maintenance project for which a construction or maintenance speed zone has been established when the person is using a wireless telephone in furtherance of that project.

**HOUSE FLOOR AMENDMENT NO. 2**

Changes the prohibition so that it applies "at any time while operating a motor vehicle on a roadway" (rather than "while operating a motor vehicle") in a school speed zone or on "a highway in a construction or maintenance speed zone" (rather than in "a construction or maintenance speed zone"). Adds exceptions for specified emergency purposes and law enforcement officers or emergency vehicle operators when performing their official duties. Makes other changes.

**SENATE COMMITTEE AMENDMENT NO. 1**

Adds an exception to wireless telephone in school and construction zones prohibition for a person using a wireless telephone in voice-activated mode.

Requires the Secretary of State to: index, store, and perform other duties with respect to deposited wills; deliver the will to the testator or a designee or to a person specified in a court order; deliver the will to a court upon being notified of the death of the testator; and respond to inquiries regarding the will under specified circumstances. Contains provisions regarding fees, destruction of wills, immunity, and other matters. Provides that the index of wills created by the Secretary of State is a public record. ## New Act

Creates the Continuity of Patient Care for Immunosuppressant Drugs Act. Provides that a health insurance policy or health care service plan contract that covers immunosuppressant drugs may not limit, reduce, or deny coverage of immunosuppressant drugs if prior to the limitation, reduction, or denial of coverage the insured was using the drug and was covered under the policy or contract and the drug was covered under the policy or contract. Provides that nothing in the Act shall prohibit an insurer from making changes in its benefit design that applies to all covered drugs or from increasing cost-sharing obligations due to a percentage coinsurance payment that necessarily increases with an increase in the underlying drug prices.

## HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the provisions concerning continuity of patient care shall not prohibit an insurer from using managed care pharmacy tools in cases where the insured's physician or healthcare provider gives written approval of the use of such management tools and the insurer gives written disclosure to the insured of the use of such management tools.

## HOUSE COMMITTEE AMENDMENT NO. 2

Deletes everything after the enacting clause. Creates the Organ Transplant Quality Assurance Act. Provides that when a prescribing physician has indicated on a prescription "may not substitute", a health insurance policy or health care service plan that covers immunosuppressant drugs may not require or cause a pharmacist to interchange another immunosuppressive drug or formulation without certain notification and documented consent. Provides that in accordance with the Pharmacy Practice Act, the prescribing person may place a controlling mark beside "may not substitute" on the prescription form to direct the pharmacist. Provides that co-payments, deductibles, or other charges for any prescription for which another immunosuppressive drug or formulation is not interchanged shall remain the same for the enrollment period. Provides that the Act does not apply to medication orders issued for immunosuppressive drugs for any in-patient care in a licensed hospital. Makes other changes.

Amends the Private Sewage Disposal Licensing Act to prohibit the installation of surface discharging septic systems without a National Pollutant Discharge Elimination System (NPDES) permit issued by the Illinois Environmental Protection Agency. Requires the amendment of the private sewage disposal code to reflect this permit requirement. In the Environmental Protection Act, sets forth a General Assembly finding that compliance with the federal Clean Water Act dictates that the Agency require NPDES permits for surface discharging private sewage disposal systems that discharge into waters of the State. Effective June 30, 2009.

**HOUSE FLOOR AMENDMENT NO. 1**

Deletes reference to:

- 415 ILCS 5/11 from Ch. 111 1/2, par. 1011

Adds reference to:

- 415 ILCS 5/12 from Ch. 111 1/2, par. 1012

Replaces everything after the enacting clause. Amends the Private Sewage Disposal Licensing Act. Provides that a surface discharging private sewage disposal system with a discharge that enters the waters of the United States, as that term is used in the Federal Water Pollution Control Act, shall not be constructed or installed by any person unless he or she has a coverage letter under a National Pollution Discharge Elimination System (NPDES) permit issued by the Illinois Environmental Protection Agency (EPA) or he or she constructs or installs the surface discharging private sewage disposal system in a jurisdiction in which the local public health department has a general NPDES permit issued by the Illinois EPA and the surface discharging private sewage disposal system is covered under the general NPDES permit. Amends the Environmental Protection Act. Provides that no person shall construct or install a surface discharging private sewage disposal system that discharges into the waters of the United States, as that term is used in the Federal Water Pollution Control Act, unless he or she has a coverage letter under a NPDES permit issued by the Illinois EPA or he or she is constructing or installing the surface discharging private sewage disposal system in a jurisdiction in which the local public health department has a general NPDES permit issued by the Illinois EPA and the surface discharging private sewage disposal system is covered under the general NPDES permit. Defines "surface discharging private sewage disposal system". Effective on January 1, 2011.

**SENATE FLOOR AMENDMENT NO. 2**

Provides that the prohibition on the construction and installation of a surface discharging private sewage disposal system without certain permits takes effect in 2013 (rather than 2011). Provides that the private sewage disposal code must be amended before January 1, 2013 (now, a date is not listed). Provides that, beginning in 2013, (rather than 2011) no person shall construct or install a surface discharging private sewage disposal system without meeting certain permitting requirements. Removes a provision that delayed the Act's effectiveness until January 1, 2011.

**GOVERNOR AMENDATORY VETO MESSAGE**

Recommends: replacing references to "waters of the United States, as that term is used in the Federal Water Pollution Control Act" with references to "waters of the United

States, as defined at 40 C.F.R. § 122.2"; and deleting language authorizing a person to construct or install a surface discharging private sewage disposal system in a jurisdiction in which the local public health department has a general NPDES permit issued by the Illinois Environmental Protection Agency and the surface discharging private sewage disposal system is covered under the general NPDES permit.

New Act

- 750 ILCS 5/201 from Ch. 40, par. 201
- 750 ILCS 5/209 from Ch. 40, par. 209
- 750 ILCS 5/212 from Ch. 40, par. 212
- 750 ILCS 5/213.1 rep.

Creates the Religious Freedom and Marriage Fairness Act. Makes legislative findings: same-sex couples are denied equal access to civil marriage benefits; the current marriage law is discriminatory and harms same-sex couples; and there is no compelling interest or rational basis to deny same-sex couples those benefits. Provides that the Act does not interfere with any religious beliefs about marriage. Provides that the Act's purpose is to provide eligible same-sex and opposite-sex couples with the same treatment as those in a civil marriage. Provides that parties to a marriage of the same sex are included in the terms "spouse", "immediate family", "dependent", and related matters. Provides that domestic relations, probate, and family law shall apply equally to parties to a marriage of the same sex. Provides that benefits apply equally to same-sex marriages in these areas: causes of actions related to spousal status, for wrongful death, emotional distress, and loss of consortium; adoption; family leave; group insurance for State and municipal employees; accident and health insurance protections tied to former spouses and dependents; and taxes and tax deductions based on marital status. Provides that a civil marriage is prohibited between siblings or between an uncle and a nephew or an aunt and a niece. Amends the Illinois Marriage and Dissolution of Marriage Act. Provides that nothing in the Act should be construed to interfere or regulate any religious practice concerning marriage and no religion is required to solemnize a marriage to which it objects. Provides that a marriage is between 2 persons (rather than, a man and a woman) licensed, solemnized, and registered under the Act. Effective immediately.

720 ILCS 5/24-9

Amends the Criminal Code of 1961. Provides that it is unlawful for any person to store or leave, within premises under his or her control, a firearm if the person knows or has reason to believe that a minor under the age of 18 (rather than 14) years who does not have a Firearm Owners Identification Card or who is not serving in the military is likely to gain access to the firearm without the lawful permission of the minor's parent, guardian, or person having charge of the minor unless the firearm is secured. Eliminates the provision that the person who stores or leaves the firearm is criminally liable only if the minor causes death or great bodily harm with the firearm. Provides that if the minor causes death or great bodily harm with the unlawfully stored firearm, the penalty is a Class A misdemeanor (rather than a Class C misdemeanor). Eliminates the provision that the firearm may be placed in some location that a reasonable person would believe would be secure from a minor.

Sets forth provisions concerning application, fees, duration of licensure, license retention requirements, submissions to the Department, penalties, revocation, and suspension. In provisions concerning the admission tax, removes provisions setting the rate at \$3 per person admitted for all owners licensees, but specifies that the admission tax rate for licensees that were not conducting gambling operations in 2004 is \$3 per person admitted. Removes provisions amending the Riverboat Gambling Act that require the Illinois Gaming Board to compute its total estimated costs for the forthcoming State fiscal year and make owners licensees liable for assessments that fully cover the Board's total estimated costs.

SENATE COMMITTEE AMENDMENT NO. 1

Further amends the Department of Revenue Law of the Civil Administrative Code of Illinois. Provides that the Department's investigators have expanded powers of peace officers to enforce taxing and other measures related to liquor, racing, and gaming. The investigators may exercise the powers if there is a threat to life or safety and local law enforcement is notified as soon as practical.

SENATE COMMITTEE AMENDMENT NO. 2

Further amends the Riverboat Gambling Act. Provides that, if the licensed owner of a riverboat in operation on January 1, 2009 has capital projects of at least \$45,000,000 that are approved by the Illinois Gaming Board in calendar years 2006 through 2009 or for which at least \$45,000,000 in expenditures have been made in calendar years 2006 through 2009, then no admissions tax is imposed on admissions to that riverboat. Provides that, if no admissions tax is imposed on admissions to a riverboat, then in addition to the current privilege tax, a privilege tax of 1% of adjusted gross receipts is imposed on that riverboat, the proceeds of which shall be paid monthly to the unit of local government that is designated as the home dock of the riverboat upon which those riverboat gambling operations are conducted.

New Act

Creates the Abusive Work Environment Act. Finds that the well-being of the State relies upon healthy employees free of abusive work environments. Defines "abusive conduct" as conduct of an employer or employee in the workplace, with malice, that a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests; and "abusive work environment" as a workplace where an employee is subjected to abusive conduct so severe that it causes physical or psychological harm to the employee. Provides that it is unlawful to subject an employee to an abusive work environment or to retaliate against an employee who acted pursuant to the Act or filed an action or participated in any proceeding under the Act. Provides that an employer is liable for an abusive work environment under its control. Provides that it is an affirmative defense to an abusive work environment action: if the employer exercised reasonable care to prevent and correct abusive conduct and the employee failed to take advantage of those opportunities; or, if the filed action is based upon a negative employment decision that is consistent with the employer's legitimate interests. Provides that a defendant who engaged in abusive conduct or who maintained an unlawful abusive work environment may be enjoined and an order may provide other relief including reinstatement, removal of the offending party from the work environment, lost wages, medical expenses, emotional distress damages, punitive damages, and attorney's fees. Provides that if an employer maintained an abusive work environment that did not result in a negative employment decision, the employer's liability for damages for emotional distress may not exceed \$25,000 and no punitive damages may be awarded. Provides that the Act is enforceable by a civil action filed by an injured employee. Provides that an action may be filed no later than one year after the last act that comprises the unlawful actions. Provides that no provision of the Act shall exempt any person from any liability, duty, or penalty provided by State law or rule. Provides that the Act's remedies are in addition to workers' compensation remedies.

**HB-0442 JEFFERSON-PRITCHARD.**

625 ILCS 5/11-208.6

Amends the Illinois Vehicle Code. Provides that, in addition to the 8 previously designated counties, the counties of Champaign, DeKalb, La Salle, McLean, Peoria, Sangamon, Vermilion, and Winnebago, and the municipalities within those counties, may establish an automated traffic law enforcement system with one or more motor vehicle sensors working in conjunction with a red light signal to produce recorded images of motor vehicles entering an intersection against a red signal indication. Effective immediately.

**HOUSE FLOOR AMENDMENT NO. 6**

Adds Macon and deletes Champaign, La Salle, Vermillion, Peoria, and Sangamon to the list of counties where automated traffic law enforcement systems may be established by municipalities.

**SENATE COMMITTEE AMENDMENT NO. 1**

Adds reference to:  
625 ILCS 5/11-612

Deletes everything after the enacting clause. Amends the Illinois Vehicle Code. Expands the definition of "automated traffic law enforcement system" from a device with one or more motor vehicle sensors working in conjunction with a red light signal to produce recorded images of motor vehicles entering an intersection against a red signal indication in violation of the Illinois Vehicle Code or similar local ordinance to also include a device used in a school zone, park district, or hospital district, as determined by the unit of local government, that produces a recorded image of a motor vehicle and the vehicle's registration plate while the driver is operating a motor vehicle in violation of the Illinois Vehicle Code or similar local ordinance. Provides the same provisions as before the expansion of the definition for civil penalties, administrative adjudication, and driver notice, among other provisions. Provides that "an automated traffic law enforcement system shall utilize in-ground and above-ground detection technology to accurately capture violations. Adds Macon and Winnebago to the counties and municipalities within those counties that are authorized to use automated traffic law systems used to capture red light violations. Provides that automated traffic law systems used to capture speed are authorized in the counties of Cook, DuPage, Kane, Lake, Macon, McHenry, Will, and Winnebago and municipalities located within those counties. Reduces the application of a home rule preemption and eliminates a similar preemption that disallows the use of recorded images to capture the speed of a motor vehicle for the purposes of enforcing any law or local ordinance regarding a minimum or maximum speed limit unless a law enforcement officer is present to witness the event. Effective January 1, 2010.

**SENATE COMMITTEE AMENDMENT NO. 2**

In a provision describing State-authorized speed detection technology, provides that a governmental entity may utilize fixed cameras with in-ground detection technology rather than fixed or non-fixed cameras with in-ground or above-ground detection technology.

New Act  
50 ILCS 705/10.6 new  
720 ILCS 5/24-2

from Ch. 38, par. 24-2

Creates the Family and Personal Protection Act. Permits the county sheriff to issue permits to carry concealed firearms to persons at least 21 years of age who meet certain requirements. Requires an applicant for a permit to have completed specified training requirements developed by the Illinois Law Enforcement Training Standards Board consisting of classroom instruction and live firing exercises. Preempts home rule. Amends the Illinois Police Training Act and the Criminal Code of 1961 to make conforming changes. Effective immediately.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

FISCAL NOTE (Dept of Corrections)

HB 462 has no fiscal impact

CORRECTIONAL NOTE (Dept of Corrections)

HB 462 has no corrections population impact

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 462 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

HB 462 will not impact any public pension fund or retirement system in Illinois.

FISCAL NOTE (Illinois State Police)

The Illinois State Police (ISP) would have to coordinate with the 102 county sheriffs' departments to implement a procedure to compare conceal carry applicants/card holders against the FOID database to eliminate those prohibited from possessing firearms. This would be done through the development of a computer application that would allow interface with the sheriffs. The ISP estimates it would need two additional personnel to assist the sheriffs in dealing strictly with issues of those prohibited. The ISP is mandated to maintain an automated listing pf permit holders. This information shall be available on-line, upon request, at all times to Illinois law enforcement agencies. In addition, the ISP is required to submit a yearly statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of permits issued, revoked, suspended, denied and issued after appeal along with other prohibiting information. There is nothing set up in this bill to allow the ISP to receive funding from the Citizens Safety and Self Defense Trust Fund for costs associated with this system. Firearms & Information Resources Bureau (FIRB) would need the additional personnel and equipment: two additional personnel and equipment required to assist sheriffs for prohibiting issues (approximately \$120,000.00 salary/benefits funding required). (1) FOID Mainframe and database modification = \$350,000; (2) Application to apply development = \$20,000; (3) 2 personnel = \$120,000; Total Estimated Start Up Costs = \$490,000.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 462 would require the expansion of duties for local enforcement officials. Therefore, HB 462 creates a service mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 462 does not pre-empt home rule authority.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of the HB 462, it is possible that the bill could result in additional litigation thereby impacting the workload of judicial officers in the State. However, it is not possible to determine the extent of this impact.

## BALANCED BUDGET NOTE (Office of Management and Budget)

HB 462 has no fiscal impact and will not add additional spending pressure to the General Revenue Fund or to the current Fiscal Year 2009 budget deficit.

New Act

Creates the Disposition of Veterans' Remains Act. Provides that a funeral director must make a reasonable effort to determine whether a deceased person, whose remains have been submitted for final disposition by cremation, was a veteran of the armed services ("veteran"), a spouse of a veteran, or the dependent child of a veteran. If there is uncertainty regarding the deceased person's status and no authorizing agent exists, the funeral director may allow the

National Cemetery Administration's National Cemetery Scheduling Office, any veterans organization whose primary purpose is to locate, identify, and inter the unclaimed cremains of American veterans, or any federally-chartered veterans service organization to have access to the cremains and all information regarding the deceased person in the possession of the funeral director so that the deceased person's status may be determined. If the deceased person is identified as a veteran, spouse of a veteran, or dependent child of a veteran, requires the funeral director to notify the authorizing agent over the disposal of the cremains that the decedent may be eligible to be interred at a veterans' cemetery. Provides that if the cremains are not claimed by an authorizing agent after one year and the authorizing agent then fails to respond within 30 days to the funeral director's written request for disposition instructions, the funeral director must then contact any veterans organization whose primary purpose is to locate, identify, and inter the unclaimed cremains of American veterans or any federally-chartered veterans service organization so that arrangements for the disposition of the cremains of the veteran, spouse of a veteran, or dependent child of a veteran may be made in a state or national veterans' cemetery. Provides that a funeral director complying with this Act is immune from any criminal or civil liability regarding the release of information relative to the determination of the status as a veteran or any available interment as a veteran or for the release of the cremains to a veterans' cemetery. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause and reinserts the original bill as introduced with the following changes: Changes the short title of the Act to the Disposition of Veterans' Cremated Remains Act; replaces all references to "cremains" with "cremated remains"; provides that the Act shall apply to crematory authorities in addition to funeral directors; defines "crematory authority"; replaces "order of disposition for cremation" with "at-need cremation authorization"; provides that nothing in the Act shall apply to a pre-need cremation authorization until it becomes an at-need cremation authorization; provides that nothing in the Act shall delay the cremation of a deceased person's remains as authorized by an at-need cremation authorization; provides that the funeral director or crematory authority must send written notice to an authorizing agent requesting disposition instructions after holding the cremated remains for 60 days in accordance with the Crematory Regulation Act; provides that the Act shall apply to inurnment in addition to interment; provides that a funeral director or crematory authority shall be immune from civil liability for any act or omission under the Act, except for willful or wanton misconduct; provides that a veterans organization or federally-chartered veterans service organization shall be immune from civil liability for any act or omission related to the disposition of cremated remains under the Act, except for willful or wanton misconduct; makes changes to the definition of "authorizing agent" and "veteran".

Amends the Code of Civil Procedure. Provides that if the court finds that a judgment debtor is a family supporter and entitled to relief, the court may prospectively reduce the interest rate on a judgment to a rate not lower than 3%, taking into consideration the needs of the judgment debtor's dependents and the judgment debtor's ability to meet those needs. Provides that any party may request a readjustment of a reduced interest rate on a judgment based on a relevant change in circumstances. Provides that a judgment debtor shall be notified that the court may reduce the amount of wages withheld and reduce the rate of interest on the

judgment, if the court finds that the judgment debtor is a "family supporter" and the full wage garnishment would result in a denial of necessities to the judgment debtor's dependents who are disabled or under the age of 18. Provides that under the Act, (1) "family supporter" means a person who supports and resides with one or more dependent children under the age of 18 or a dependent disabled person and whose relationship with the dependent child or disabled person is that of parent, stepparent, son, daughter, sibling, uncle, aunt, grandparent, or guardian; and (2) "dependent" means a child under the age of 18 or disabled person who resides with and is supported by the judgment debtor.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that under the Act, (1) "family supporter" means an individual who actually supports and resides with one or more dependents; and (2) "dependent" means a child under the age of 18 who resides with and is supported by the judgment debtor or a disabled person who resides with and is supported by the judgment debtor and whose relationship with the judgment debtor is that of parent, stepparent, son, daughter, sibling, uncle, aunt, grandparent, or ward. Deletes language making certain changes in the amount subject to collection under a deduction order.

HOUSE COMMITTEE AMENDMENT NO. 2

Deletes everything after the enacting clause with provisions substantially similar to those of the bill as amended by House Amendment No. 1, except: changes "wage garnishment" to "wage deduction"; makes the provisions added by the bill inoperative on and after January 1, 2013; and creates subsections that are operative on and after January 1, 2013 and revert to the law existing before the effective date of the amendatory Act. Effective January 1, 2011.

Provides that a person is a qualified applicant if, among other qualifications, (i) the person is an attorney licensed in this State, (ii) the person is employed in a public sector job, but does not have to be employed as an attorney in that job, and (iii) the person agrees to provide at least 12 hours of pro-bono work at a qualified public sector agency each year that he or she receives a grant. **LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)**

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

**FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Agriculture)**

There would be no significant expense to the Department in the establishment of this program. All money collected by the Equine Rescue Assistance Fund would be granted under the program, and no money other than that collected by the Fund would be granted. Therefore, there is minimal fiscal impact on the Department depending upon the amount of donations to this Fund.

**PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)**

This legislation will have no impact on any pension fund or retirement system in the State of Illinois.

**STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)**

HB 583 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

**HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce &**

Economic Opportunity)

This legislation does not pre-empt home rule authority.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the bill would neither increase nor decrease the number of judges needed in the State.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

HB 583 (H-AM 1) has no fiscal impact and adds no additional spending pressure to the General Revenue Fund or to the current Fiscal Year 2009 budget deficit.

Replaces everything after the enacting clause. Amends the Illinois Lottery Law. Provides that compensation paid to a private manager under a management agreement may include a fee for services and a performance-based bonus. Provides for other types of authorization from the federal Department of Justice than just a clarifying memorandum to allow the sale of lottery tickets on the Internet. Limits Internet sales of lottery tickets to transactions that are initiated and received exclusively within the State. Requires the Department of Revenue to submit a request to the United States Department of Justice for review of the State's plan to implement a pilot program for the sale of lottery tickets on the Internet and its propriety under federal law. Provides that the Department shall implement the Internet pilot program only if the Department of Justice does not object to the implementation of the program within a reasonable period of time after its review. Provides that the Governor (instead of the Department of Revenue) shall select (instead of enter into a management agreement with) a private manager by September 15, 2010 (instead of March 1, 2010). Makes changes in provisions allowing the Department's retention of advisors. Makes other changes. Effective immediately.

30 ILCS 540/8 new

Amends the State Prompt Payment Act. Defines "qualified provider" as (i) an organization that provides non-residential services for the elderly or for the prevention, intervention, or treatment of mental illness, developmental disabilities, or alcoholism or substance abuse or (ii) an entity licensed under the Community-Integrated Living Arrangements Licensure and Certification Act; but does not include a licensed hospital. Provides that a properly prepared voucher request to the Office of the Comptroller for payment to a qualified provider shall be given priority by the Comptroller for processing and warrant issuance after debt service obligations and payroll obligations of the State have been met unless the Comptroller deems that other obligations of the State must be satisfied prior to these categories of payment. Provides that, if at any time the Comptroller determines that there are insufficient funds available to process priority payments, then vouchers shall be processed and paid out in a first-in, first-out manner as corresponding funds become available. Effective immediately.

815 ILCS 505/2CCC

Amends a Section of the Consumer Fraud and Deceptive Business Practices Act regarding Internet gaming service providers. Changes "Internet gaming service provider" to "Internet game service provider" and makes various changes to the definition of the term. Provides that the Section applies only to agreements under which an Internet game service provider provides consumers access to its service or the games on its site, for home and personal use, on a paid subscription basis for a stated term that is automatically renewed for another term unless the consumer cancels the service (rather than to agreements under which an Internet gaming service provider provides service to consumers, for home and personal use, for a stated term that is automatically renewed for another term unless the consumer cancels the service). Provides that an Internet game service provider must give a consumer who is an Illinois resident instructions for canceling the paid subscription, and that these instructions should be posted on the Internet game service provider's web site (rather than providing that an Internet gaming service provider must give such a consumer a secure method at the provider's web site that the consumer may use to cancel the service, which method shall not require the consumer to make a telephone call or send U.S. Postal Service mail to effectuate the cancellation and instructions that the consumer may follow to cancel the service at the Internet gaming service provider's web site). Adds language providing that the Section does not require an Internet game service provider to adopt a particular method of cancellation. Effective January 1, 2010.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause and reinserts similar provisions with the following additional changes. Changes "Internet game service provider" to "Internet game service provider". In the definition of "Internet game service provider", refers to a web site that may be accessed by a consumer "on a paid subscription basis" (rather than "for a fee"). Specifies methods that may be used for online cancellation of an Internet game service.

HOUSE FLOOR AMENDMENT NO. 2

Changes the effective date from January 1, 2010 to immediate.
