New Act

Creates the Lead Sinker Act. Prohibits any person from selling, supplying, distributing or offering to sell, supply, or distribute lead sinkers and lead jigs. Prohibits the use of lead sinkers and lead jigs to take fish in freshwater lakes, ponds, rivers, streams, brooks, and similar bodies of water over which the Department of Natural Resources ("the Department") has jurisdiction under the Rivers, Lakes, and Streams Act. Requires the Department, after consulting with the Illinois State Board of Education, to institute an educational program that meets certain requirements. Requires the Department to (i) notify the public about the Act's prohibitions; (ii) enforce the Act; (iii) confiscate, under certain circumstances, lead jigs or lead sinkers that it finds in the course of enforcing the Act; and (iv) suspend, for not more than 6 months, the hunting and fishing privileges of a person who uses a lead sinker or lead jig to take fish in violation of the Act. Provides fines for violations. Effective one year after becoming law.

SENATE FLOOR AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Removes provisions prohibiting the use of lead sinkers and jigs. Replaces a provision requiring the Department of Natural Resources, after consulting with the Illinois State Board of Education, to institute the program with a provision authorizing the Department of Natural Resources to institute the program, subject to appropriation. Changes the elements that the program must provide.

Deletes everything after the enacting clause and reinserts similar provisions amending the General Not For Profit Corporation Act of 1986 to provide that voting members or their proxies, belonging to a not-for-profit corporation, may conduct elections for directors, officers, or representatives by mail, email, or other electronic means if the corporation's bylaws so provide (instead of conducting elections for directors and officers exclusively by first-class mail only). Contains the following additional changes: Amends the Business Brokers Act of 1995. Exempts any franchise seller as defined in the Federal Trade Commission rule entitled Disclosure Requirements and Prohibitions Concerning Franchising, as it may be amended, from the registration requirements and other duties imposed under the Act (rather than exempting persons registered under the Illinois Franchise Disclosure Act of 1987 from the Act's requirements as to (1) offers and sales in connection with franchising activities or (2) assisting their franchisees in the offer or sale of a franchise). Amends the Business Opportunity Sales Law of 1995. Provides that a seller of a business opportunity is exempt from registering certain disclosure documents if the seller delivers a disclosure document prepared in accordance with the requirements of the Illinois Franchise Disclosure Act of 1987 (rather than the Franchise Offering Circular or a disclosure document as required by the Illinois Franchise Disclosure Act of 1987) to each purchaser 14 days prior to (rather than delivery by the earlier of the first personal meeting, or 10 business days) the purchaser's execution of specified documents. Expands the list of disclosure documents a seller can file for registration purposes to include disclosure documents prepared pursuant to the Federal Trade Commission rule entitled Disclosure Requirements and Prohibitions Concerning Business Opportunities, and the Business Opportunity Disclosure Document (rather than the Franchise Offering Circular). Makes other changes. Amends the Franchise Disclosure Act of 1987. Makes changes to the defined terms "franchise", "subfranchisor", and "subfranchisor". Exempts certain franchisees and interest partners in a franchise from specific registration requirements. Adds language providing that the Attorney General may accept an Assurance of Voluntary Compliance statement from persons alleged to be in violation of the Franchise Disclosure Act of 1987 and that evidence of a violation of the statement shall be prima facie evidence of a violation of the Act. Establishes an initial \$500 fee for filing a large franchisor exemption and a \$100 renewal fee. Repeals the provision prohibiting a franchise broker from selling a franchise that requires registration under the Act unless the franchise broker submitted an application for registration and a consent to service of process. Makes other changes. Effective October 1, 2009.

Amends the Illinois Vehicle Code. Creates the offenses of driving with a screen device operating, a Class 1, 3, or 4 felony or a Class A misdemeanor depending on specified circumstances, and unlawful installation of television, monitor, or similar device, a Class A misdemeanor. Provides that a person commits the offense of driving with a screen device operating when the person is driving a motor vehicle that has a television, video monitor, portable computer, or any other similar means operating that is capable of providing a visual display in full view of a driver in a normal driving position while the motor vehicle is in motion. Provides that a person commits the offense of unlawful installation of television, monitor, or similar device if the person installs or alters a television, video monitor, portable computer, or any other similar means capable of providing a visual display that is in full view of a driver of a motor vehicle in a normal driving position while the motor vehicle is in motion. Provides several exceptions and an affirmative defense. Renames a "cellular radio telecommunication device" as a "mobile communication device", and modifies the definitions of a "mobile communication device" and "using a mobile communication device" to prohibit text messaging and other similar uses of mobile communication devices (instead of prohibiting just talking, listening to, and dialing telephonic communications) for purposes of expanding a provision prohibiting the use of mobile communication devices by school bus drivers. Repeals a provision relating to the use of video devices while driving. Effective immediately.

**SENATE COMMITTEE AMENDMENT NO. 1**

Provides that wireless telephones (rather than portable telephones) or electronic communication devices (rather than personal data assistants) being used for verbal communication (rather than being used for verbal communication or displaying caller identification information) is an exception to the offense of driving with a screen device operating.

Deletes everything after the enacting clause. Amends the Regulatory Sunset Act. Extends the repeal date of the Illinois Professional Land Surveyor Act of 1989 and the Professional Engineering Practice Act of 1989 from January 1, 2010 to January 1, 2020. Amends the Professional Engineering Practice Act of 1989. Replaces all references to "Director" with "Secretary". In a provision concerning exemption from the Act for services performed by certain business organizations, provides that services performed by employees of a business organization engaged in telecommunications are exempt. Exempts from the Act the regular and customary practice of a private alarm contractor who is licensed under the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004. Exempts from the Act the providing of fire protection system layout documents by a fire sprinkler contractor licensed under the Fire Sprinkler Contractor Licensing Act. Defines "fire protection system layout documents" and "address of record". Provides that a building permit for a building that requires a fire suppression system shall not be issued without the submission of a technical submission prepared and sealed by a licensed design professional. Provides that the Department of Financial and Professional Regulation may further define "direct supervision/responsible charge" by rule. Provides additional practices that are "professional engineering practice". In a provision providing examples of the practice of professional engineering, provides that nothing in the provision imposes upon a person licensed under the Act the responsibility for the performance of any of the functions listed in the provision unless such person specifically contracts to perform such functions. Changes the definition of "technical submissions". Provides that prior to the Department issuing any final decision or order that deviates from any report or recommendations of the Board relating to qualifications of applicants, disciplinary actions, or promulgation of rules, the Secretary of the Department must notify the State Board of Professional Engineers in writing with an explanation of any such deviation (now, the Secretary is required to wait 30 days for the Board's written comments). Allows the Department to exercise the functions, powers, or duties enumerated to it by the Act without first requiring the action and report in writing of the Board. In a provision concerning the Board, provides that no member shall be reappointed to the Board for a term which would cause that individual's lifetime (instead of continuous) service on the Board to be longer than 15 years, prohibits the public member from holding a license as an architect, professional engineer, structural engineer, or land surveyor (now, an employee of the State), provides that a quorum shall consist of 6 members (now, a majority) and that a quorum is required for Board decisions, and provides that members may receive compensation as determined by the Secretary (now, shall receive compensation when attending Board meetings or meetings approved by the Secretary). Provides that an engineer shall be responsible for his or her seal and signature as defined by rule.

Provides that any licensee who chooses to deactivate or not renew his or her license may use the title "Professional Engineer, Retired". Further provides that those persons using the title "Professional Engineer, Retired" shall not be permitted to practice engineering, but may request restoration to active status under the applicable provisions of the Act. Provides that the Department may take disciplinary action against any person that commits certain tax violations. Provides that the Department shall deny a license or renewal to a person that has defaulted on an education loan or scholarship provided or guaranteed by the State. Provides that the Department shall take disciplinary action in cases where the Department of Healthcare and Family Services (formerly the Department of Public Aid) has previously determined that a licensee or a potential licensee is more than 30 days delinquent in the payment of child support and has subsequently certified the delinquency to the Department. Provides that the Department or Board may order a licensee or applicant to submit to a mental or physical examination, or both, for certain violations of the Act. Makes changes concerning license applications and qualifications, endorsement, names and addresses, disciplinary action, subpoenas, depositions, and oaths, restoration of a suspended or revoked license, and penalties. Makes other changes. Amends the Illinois Professional Land Surveyor Act of 1989. Replaces all references to "Director" with "Secretary". Provides additional practices that constitute the practice of land surveying. In a provision defining the practice of land surveying, provides that nothing in the provision imposes upon a person licensed under the Act the responsibility for the performance of any of the foregoing functions constituting the practice of land surveying unless such person specifically contracts to perform such functions. Allows the Department of Financial and Professional Regulation to exercise the functions, powers, or duties enumerated to it by the Act without first requiring the action and report in writing of the Land Surveyors Licensing Board. Provides that the Secretary of the Department may (instead of shall) consider the advice and recommendations of the Board on issues involving standards of professional conduct, discipline, and qualifications of the candidates and licensees under the Act. Provides that a quorum of the Board shall consist of 4 members and that a quorum is required for all Board decisions. In a provision concerning the qualifications of a person applying for license as a Professional Land Surveyor, adds the requirement that the applicant must have a baccalaureate degree in a related science if he or she does not have a baccalaureate degree in land surveying from an accredited college or university. In a provision concerning the qualifications of a person applying for license as a Licensed Land Surveyor-in-Training, adds the requirement that the applicant must have either (1) an Associate of Science degree in surveying or a related science, at least 24 semester hours of land surveying courses from a Board approved curriculum of an accredited institution, and at least 2 years of land surveying experience verified by a professional land surveyor that was in direct supervision and control of his or her activities, or (2) a high school diploma or equivalent, at least 24 semester hours of land surveying courses from a Board approved curriculum of an accredited institution, and at least 4 years of land surveying experience verified by a professional land surveyor that was in direct supervision and control of his or her activities. Provides that the Department shall take disciplinary action in cases where the Department of Healthcare and Family Services (formerly the Department of Public Aid) has previously determined that a licensee or a potential licensee is more than 30 days delinquent in the payment of child support and has subsequently certified the delinquency to the Department. Provides that the Department shall take disciplinary action against any person that commits certain tax violations. Makes changes concerning Department powers and duties, Board members and their powers and duties, deviations from Board recommendations, license applications and qualifications, the seal, unlicensed practice, inactive status, continuing education, names and addresses, professional design firms, disciplinary action, injunctions and cease and desist orders, investigations and hearings, subpoenas, depositions, and oaths, and penalties. Effective immediately.

Amends the Library Incorporation Act, the State Housing Act, the Neighborhood Redevelopment Corporation Law, the Business Corporation Act of 1983, the General Not For Profit Corporation Act of 1986, the Co-operative Act, and the Cemetery Association Act. Eliminates the term "certificate" in the various acts. In the amendatory changes to the Co-operative Act, eliminates language requiring the Secretary of State to issue a certificate of incorporation along with a duplicate copy to an incorporator whose articles of incorporation conform to law, and instead provides that the Secretary of State shall return a true copy of the articles of incorporation to the incorporators or their representative, who shall within 15 days

file such document for record in the office of the recorder. Updates references in the State Housing Act to the General Not For Profit Corporation Act of 1986 (rather than the General Not For Profit Corporation Act). Effective January 1, 2010.

Amends the General Not For Profit Corporation Act of 1986. Provides that notices may be delivered by electronic means to an e-mail address, facsimile number, or other appropriate contact (instead of the address) listed on the corporate records. Provides for informal action by voting membership by mail, e-mail, or other electronic means (instead of a written consent by all members entitled to vote) and notice of the informal action must be delivered at least 5 days before the effective date to members who did not vote (instead of a written consent signed by less than all voters is only effective if notice of the proposed action is delivered 5 days before the effective date of the action and if, after the effective date of the consent, prompt written notice of the action is delivered to those who did not give written consent). Provides that writings by directors or members include electronic communications unless prohibited (instead of expressly permitted) by the corporation's bylaws or incorporation articles. Provides that a voting member or the member's agent may examine or copy the corporation's records for a proper purpose and that a disputed records request is decided in circuit court (instead of a member may inspect all books and records for a proper purpose at a reasonable time). Provides that a bylaws amendment eliminating a director position may shorten (instead of may not shorten) the terms of incumbent directors, if approved by those authorized to select the directors. Deletes provision that prohibits the removal, except for cause, of directors of different classes with non-uniform terms. Provides that a transaction between a corporation and a

member, director, officer, or any entity in which such an individual has an interest, is not void or voidable solely for that reason if the material facts are disclosed and the board or members in good faith authorize the transaction by a majority vote or the transaction is fair at the time it is authorized (instead of if a transaction is fair to the corporation, the direct or indirect interest of a director is not grounds for invalidating the transaction). Provides that no director shall be liable unless the director earns more than \$25,000 (instead of \$5,000) per year as a director. Makes other changes.

#### SENATE FLOOR AMENDMENT NO. 1

Further amends the General Not For Profit Corporation Act of 1986. Provides for informal action without a meeting (instead of informal action) by voting membership by mail, e-mail, or other electronic means. Provides that unless otherwise prohibited by the articles of incorporation or bylaws, the election of directors, officers, or representatives by members may be conducted by mail, e-mail, or any other electronic means as set forth in the Act.

805 ILCS 105/110.30	from Ch. 32, par. 110.30

Deletes everything after the enacting clause and reinserts similar provisions with the following additional changes: changes the definition of the term "delivered" in relation to electronically transmitted notices to provide that such notices are considered delivered if transmitted to the e-mail address, facsimile number, or other contact information appearing on the records of the corporation as may be authorized or approved in the articles of incorporation or the bylaws (rather than the e-mail address, facsimile number, or other appropriate contact information appearing on the records of the corporation); provides that prompt notice of any informal action by a corporation's voting members must be delivered to other voting members; that certain classes of directors may only be removed for cause if so indicated by the corporation's articles of incorporation or bylaws; and that the articles of amendment proposed by a corporation's board of directors and subsequently adopted by voting members must contain a statement that the amendment was adopted by members entitled to vote (rather than adopted by written, electronic, or other acceptable means) having not less than the minimum number of votes necessary to adopt such amendment as provided by the General Not For Profit Corporation Act of 1986, the articles of incorporation, or the bylaws. Eliminates language providing that provisions concerning conflicting interest transactions are applicable except as otherwise restricted in the articles of incorporation or bylaws.

#### HOUSE FLOOR AMENDMENT NO. 2

Adds provisions providing that informal action by voting members may be taken by ballot without a meeting in writing by mail, email, or any other electronic means provided the members entitled to vote thereon are given the opportunity to vote, and the action receives approval by a majority of members casting votes or such larger number as may be required, provided a quorum is present (rather than informal action by voting members may be taken without a meeting in writing by mail, email, or any other electronic means provided the action receives approval by members having not less than the minimum number of votes necessary to authorize or take such action at a meeting at which a quorum was present). Contains provisions concerning the number of days voting must remain open and when such informal action shall become effective. Eliminates provisions concerning conflicting interest transactions. Restores provisions concerning the validity of a transaction when the corporation's director is a party to the transaction and provides that such provisions do not apply to transactions involving a grant or contribution, without consideration, by one organization to another.

105 ILCS 5/21-25.5 new

Amends the School Code. Requires the State Board of Education to adopt rules to provide standards for the certification of marital and family therapists employed by school boards. Provides that these rules shall include certification requirements to be met by (i) licensure as a marital and family therapist under the Marriage and Family Therapy Licensing Act and (ii) such other experience as the State Board deems appropriate for the position of marital and family therapist in a school system. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the State Board of Education shall initiate rulemaking (instead of adopt rules) to provide standards for certification. Requires licensure as a marital and family therapist and completion of such other experience and other programmatic requirements (instead of licensure and such other experience) as the State Board deems appropriate for the position.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the State Board of Education convene a task force of no less than 5 members appointed by the State Superintendent of Education (rather than initiate rulemaking) to develop standards for the certification of marital and family therapists employed by school boards; and that the task force review certification requirements for marital and family therapists employed by school boards.

Expands the definition of the term "motor vehicle" to include any engine, transmission, or rear axle, regardless of whether it is attached to a vehicle chassis, that is manufactured for installation in any motor-driven vehicle with a gross vehicle weight rating of more than 16,000 pounds that is required to be registered under the Illinois Vehicle Code. Eliminates language providing that a manufacturer has good cause to cancel, terminate, or fail to extend or renew the franchise or selling agreement to all franchisees of a line make when the manufacturer permanently discontinues the manufacture or assembly of motor vehicles of such line make. Provides that it is a violation for a manufacturer to require or coerce a motor vehicle dealer to underutilize the motor vehicle dealer's facilities by requiring or coercing the motor vehicle dealer to cease operations for the selling or servicing of any vehicles that fall under a franchise agreement with another manufacturer. Provides an itemized list of what is considered reasonable compensation to a motor vehicle dealer for the value of the motor vehicle dealer's business and business premises, as well as a payment scheme for such compensation. Makes other changes. Effective immediately.

**SENATE COMMITTEE AMENDMENT NO. 1**

Provides a specific date upon which the expanded definition of the term "motor vehicle" will take effect.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Adds reference to:

815 ILCS 710/9.5 new

Qualifies the prohibition against requiring or coercing a motor vehicle dealer to underutilize the motor vehicle dealer's facilities by establishing that such action by a manufacturer or franchiser is prohibited provided certain conditions are met: (i) the motor vehicle dealer maintains a reasonable line of credit for each make or line of new motor vehicle, (ii) the new motor vehicle dealer remains in compliance with any reasonable facilities requirements of the manufacturer, (iii) no change is made in the principal management of the new motor vehicle dealer, and (iv) the addition of the make or line of new motor vehicles would be reasonable. Permits a manufacturer or franchiser to initiate an audit, charge, or reimbursement for false or unsubstantiated labor or parts claims within a one year period after the date the claim was paid or issued by the manufacturer or franchiser (rather than within a one year period after the date of the sale of the vehicle that is subject to audit by the franchiser). Eliminates language that reasonable compensation to a franchisee includes the franchisee's cost of each new motor vehicle having 1,000 or fewer miles recorded on the odometer that is in the franchisee's inventory at the time of nonrenewal, termination, or restriction, and instead provides that reasonable compensation includes the franchisee's cost of each new undamaged and unsold current and prior year motor vehicles that were acquired within 12 months of termination and have 500 or fewer miles recorded on the odometer that are in the franchisee's inventory at the

time of nonrenewal, termination, or restriction and that were purchased or acquired from the manufacturer or from another dealer of the same line make in the ordinary course of business. Provides that provisions concerning reasonable compensation shall not apply to a nonrenewal or termination that is implemented as a result of a sale of the assets or stock of the franchise. Requires that payment for the franchisee's cost of each new, undamaged, and unsold current and prior year vehicles is due no later than 90 days (rather than 60 days) after the franchise is terminated or nonrenewed. Provides that a failure to compensate a motor vehicle dealer in compliance with the mandated payment scheme shall render the manufacturer, distributor, or wholesaler liable to the motor vehicle dealer for (i) interest on the amount due at a rate reasonable in light of commercial practices determined by the Motor Vehicle Review Board or an arbitrator, and (ii) reasonable attorney's fees and costs (rather than (i) the dealer cost, fair market value, or current price of the item, whichever is highest; (ii) interest on the amount due at the rate equal to the prime lending rate plus 1%; and (iii) reasonable attorney's fees and costs). Requires a manufacturer, distributor, or wholesaler to make certain compensation payments to a motor vehicle dealer if the manufacturer, distributor, or wholesaler, with good cause, (i) fails to renew a franchise on terms then equally available to all of its motor vehicle dealers, (ii) terminates a franchise, or (iii) restricts the transfer of a franchise. Further provides that noncompliance with the mandated compensation and payment scheme shall render the manufacturer, distributor, or wholesaler liable to the motor vehicle dealer for specified payments.

Amends the Election Code. Provides that when a vacancy in nomination occurs on or after the general primary but more than 90 days before certification of candidates for the general election ballot, other than because no candidate's name appeared on the general primary ballot and no write-in candidate was nominated, the vacancy may be filled only at a special primary election on a date set by the State Board of Elections but at least 30 days before the date of certification. Permits a vacancy in nomination occurring less than 91 days before certification of candidates for the general election ballot but more than 15 days before the general election to be filled by the political party's nominating committee only if the vacancy is due to the candidate's death or incapacitating illness. Adds inability to fulfill the duties of the office sought due to illness as an event creating a vacancy in nomination. (Now, a vacancy in nomination occurring on or after the general primary and before the 15th day before the general election is filled by the party's nominating committee by certain deadlines based upon when the vacancy occurs).  755 ILCS 5/11-14.1 from Ch. 110 1/2, par. 11-14.1

Amends the Probate Act of 1975. Provides that the court lacks jurisdiction to proceed on a petition for the appointment of a guardian of a minor if the minor has a living fit parent (instead of living parent), adoptive parent or adjudicated parent, whose parental rights have not been terminated, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions concerning the minor. Provides that with regard to a parental right to custody, fitness of the parent shall be determined as of the time of the filing of the petition to establish the guardianship. Provides that in determining fitness, the court may consider those grounds set forth in the Adoption Act as grounds for unfitness. Provides that if a parent is found to be unfit, as of the date of filing a petition, he or she shall not automatically be entitled to custody or to terminate a guardianship, even upon the removal of the disability, but shall be required to satisfy the provisions of the Act. Provides that other than a guardianship terminating because the minor reaches the age of majority, a guardianship shall not be terminated by a court unless the court finds, based upon clear and convincing evidence, that there has been a material change in circumstances since the guardianship was created and that termination is in the minor's best interest considering: the integration of the minor into the guardian's family; the effect that removal of the minor from the guardian's care would have on the minor; the minor's relationship with the proposed care giver or parent; the relative economic abilities and physical and emotional abilities of the parties to provide for the minor's needs; and the minor's environment with the guardian compared to the proposed environment.

SENATE FLOOR AMENDMENT NO. 1

Further amends the Probate Act of 1975. Provides that the fitness of the parent shall be determined, by a preponderance of the evidence, at the time of filing the petition to establish the guardianship (instead of fitness of the parent shall be determined as of the time of filing the petition to establish the guardianship and that in determining fitness, the court may consider the grounds in the Adoption Act as grounds for unfitness). Provides that if a parent is found to be unfit, unwilling, or unable to care for a child, he or she shall not be entitled to custody and shall satisfy the provisions of the Act before terminating the guardianship and regaining custody (instead of if a parent is found to be unfit, as of the date of filing a petition, he or she shall not automatically be entitled to custody or to terminate a guardianship, even upon the removal of the disability, but shall be required to satisfy the provisions of the Act). Provides that other than as provided in the Act, when a parent has been found unfit, unwilling, or unable to care for a child, (instead of other than as provided in the Act) a guardianship of a minor shall not be terminated by a court, unless, upon clear and convincing evidence, the court finds that there has been a material change in circumstances since the order considering, but not limited to (instead of but limited to), designated factors concerning the minor's integration into the guardian's family; the effect of the removal on the minor from the guardian's family; the minor's relationship to the proposed new care giver; the economic, physical, and emotional abilities of the parties to provide for the minor; and the minor's environment before and after the proposed guardianship termination.

While SB 1471 (H-AM 3) transfers the functions of the Comptroller under the Crematory Regulation Act and the Cemetery Care Act, the Comptroller's responsibilities under the Funeral or Burial Funds Act and the Illinois Pre-Need Cemetery Sales Act remain intact. Therefore, the amount of appropriation authority that would need to be transferred cannot be yet estimated. The legislation further provides that the Department of Financial and Professional Regulation may impose fees and collect fines for violations, the proceeds of which will be deposited in the newly created Cemetery Oversight Licensing and Disciplinary Fund. Since the legislation provides that the Department may set the fees and fines by rule, it is unknown how much could be deposited in the Fund.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Admin Office of the Illinois Courts)

Based on a review of SB 1471 (H-AM 2) it has been determined that the bill would neither increase nor decrease the number of judges needed in the State.

Provides that the Fund shall not be subject to sweeps, administrative charges or chargebacks or any other fiscal or budgetary maneuver that would in any way result in the transfer of any funds from the School Wind and Solar Generation Revolving Loan Fund to any other fund of the State or having any such funds utilized for any purpose other than for the purposes of the program. Provides that the renewable energy grant program shall assist public schools and community colleges with engineering studies and feasibility studies and in the installation, acquisition, construction, and improvement of renewable energy resources (instead of assisting school districts in the installation, acquisition, construction, and improvement of renewable energy resources in the public schools). Removes a provision that provides that a renewable energy grant shall cover 50% of the cost for which the grant is sought, up to a maximum grant of \$1,000,000, if the applicant school district is able to demonstrate that it has funds to pay the other 50% of the cost. Allows school districts and community college districts to own and operate solar generation turbine farms (not just wind generation turbine farms) that directly or indirectly reduce energy or other operating costs. Effective immediately.

Deletes everything after the enacting clause. Amends the Illinois Finance Authority Act, the Renewable Energy, Energy Efficiency, and Coal Resources Development Law of 1997, the State Finance Act, the School Code, and the Public Community College Act. Creates the School Wind and Solar Generation Program to fund wind generation projects and solar generation projects for school districts and community college districts. Allows the Illinois Finance Authority to implement and administer the program; allows the Authority to award full or partial low-interest loans for, without limitation, engineering studies, feasibility studies, research studies, and construction costs. Provides that the loan funds, subject to appropriation, shall be paid out of the School Wind and Solar Generation Revolving Loan Fund, a special fund in the State treasury. Provides that all repayments of loans shall be deposited into the Fund. Provides that all money in the Fund must be used for the purposes of the program. Provides that the renewable energy grant program shall assist public schools and community colleges with engineering studies and feasibility studies and in the installation, acquisition, construction, and improvement of renewable energy resources (instead of assisting school districts in the installation, acquisition, construction, and improvement of renewable energy resources in the public schools). Removes a provision that provides that a renewable energy grant shall cover 50% of the cost for which the grant is sought, up to a maximum grant of \$1,000,000, if the applicant school district is able to demonstrate that it has funds to pay the other 50% of the cost. Allows school districts and community college districts to own and operate solar generation turbine farms (not just wind generation turbine farms) that directly or indirectly reduce energy or other operating costs. New Act

210 ILCS 60/15

Creates the Pediatric Palliative Care Act. Provides that the Department of Healthcare and Family Services shall develop a pediatric palliative care pilot program under which a qualifying child may receive community-based pediatric palliative care from a trained interdisciplinary team while continuing to pursue aggressive curative treatments for a potentially life-limiting medical condition under the benefits available under the Medicaid program. Provides that the Department shall apply for a federal waiver to conduct the program. Provides that a "qualifying child" for the pilot program is a child under the age of 18 years who is enrolled in the Medicaid program and suffers from a potentially life-limiting medical condition. Sets forth certain counties to be included in the pilot program. Requires a report to the General Assembly at the end of

the 3-year pilot period. Amends the Hospice Program Licensing Act; requires the Hospice and Palliative Care Advisory Board to review pediatric palliative care issues. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Requires the Department of Healthcare and Family Services to apply for a waiver "or State Plan amendment" to implement the pediatric palliative care pilot program. Provides that if the Department applies for a State Plan amendment, the amendment shall be filed within 12 months after the effective date of the Pediatric Palliative Care Act.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the development of a pediatric palliative care pilot program be subject to appropriation, and that the taking of certain actions under the Pediatric Palliative Care Act be discretionary or subject to appropriation. Also recommends deleting language in the Hospice Program Licensing Act that (1) provides that the Hospice and Palliative Care Advisory Board shall advise the Department of Public Health on all aspects of the Department's responsibilities under that Act and (2) requires the Department to follow the advice of the Board when making rules under that Act.

New Act

Creates the Higher Education Veterans Service Act. Requires all public colleges and universities to conduct a survey of the services and programs that are provided for veterans, active duty military personnel, and their families, at each of their respective campuses; sets forth the survey requirements. Requires each public college and university to appoint a Coordinator of Veterans and Military Personnel Student Services on each campus of the college or university that has an onsite, daily, full-time student headcount above 1,000 students; sets forth requirements concerning the coordinator. Provides that the Board of Higher Education and the Department of Veterans' Affairs may issue a best practices report to highlight those programs and services that are most beneficial to veterans and active duty military personnel. Sets forth additional provisions concerning a college's or university's best efforts and the fiscal impact of programs and services. Effective immediately.

FISCAL NOTE (Dept. of Veterans Affairs)

There will only be a minor fiscal impact on the Department of Veterans' Affairs as a result of SB 1624. The only immeasurable cost the Department will incur is for CMS man hours to post the surveys on the Department's Internet home page.

FISCAL NOTE (Board of Higher Education)

The Board of Higher Education (IBHE) contacted the Illinois Community College Board (ICCB) and surveyed all nine public universities to gather cost estimates of SB 1624. IBHE received a response from the Illinois Community College Trustees Association and six public universities. Three public universities did not respond. Two public universities acknowledged that additional costs would be involved, but estimated that those costs would be minimal as most of the activities are already underway. Four universities provided cost estimates ranging from \$36,000 to \$115,600. The four largest expenditures included salaries, retirement and insurance, online offerings, and contractual services. Salary adjustments were provided when existing employees would be utilized to serve as the Coordinators. One institution would continue to use the Office of Financial Aid as

the primary contact if additional funding is not provided. Community college costs are expected to vary by campus depending on current levels of services and implementation plans.

Provides that the court is not required to find that the conduct or wrongdoing amounts to a criminal act. Provides that nothing in this provision shall be construed to prevent the admissibility of statements under existing hearsay exceptions. Effective immediately.

305 ILCS 5/9A-11.5

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department shall create a task force to examine the process used by State and local governmental agencies to conduct criminal history record checks as a condition of employment or approval to render provider services to such an agency. Provides that the task force shall include but need not be limited to representatives from several specified State agencies and large regional school districts. Requires the task force to provide a plan to the General Assembly by February 1, 2010 that addresses specified issues aimed at revising the process for conducting criminal history record checks in order to reduce duplication of effort and make better use of resources and more efficient use of taxpayer dollars. Amends the Illinois Public Aid Code. Provides that as a condition of eligibility to participate in the child care assistance program, a child care provider must authorize in writing an investigation to determine whether the child care provider has ever been charged with a crime and, if so, the disposition of those charges. Provides for confidentiality of information received by the Department of Human Services. Eliminates a provision that the Department of

Human Services shall request the Department of Children and Family Services to conduct periodic investigations of the Central Register maintained under the Abused and Neglected Child Reporting Act. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with substantially similar provisions and with the following additional changes. Expands the list of agencies which must be represented on the task force to include the Illinois Criminal Justice Information Authority, a large regional park district, and at least 2 statewide non-governmental, non-profit multi-issue advocacy organizations to represent the interests of prospective employers. Provides that any agencies represented on the task force must be agencies that require applicants to undergo a fingerprint-based criminal history check pursuant to State or federal law (rather than State law). Expands the number of issues the task force's plan must address to include (i) the identification of any issues that agencies face in interpreting criminal history records, (ii) ensuring that any centralized criminal history records system discloses sealed criminal history records only to agencies authorized under Illinois law, (iii) the feasibility of installing a process whereby agencies provide copies of criminal background checks to applicants for review, and (iv) the feasibility of adopting a uniform procedure for obtaining disposition information where an arrest or criminal charge is reported without subsequent disposition. Further provides that a child care provider must authorize in writing a fingerprint-based criminal history record check (rather than an investigation) as a condition of participation in the child care assistance program; that a copy of the criminal history record check obtained from the Department of State Police shall be provided to the unlicensed child care provider; and that the Department of Human Service may withhold payment from a child care provider based on the results of a fingerprint-based criminal history record check (rather than based on the results of any criminal background information). Also provides that only information and standards which bear a reasonable and rational relation to the child care provider's performance shall be used by the Department of Human Services. Makes other changes.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts substantially similar provisions with the following additional changes: expands the list of agencies which must be represented on the task force to include the Department of Labor, a union for child care workers who provide service to children, and representatives from the Live Scan fingerprinting industry; changes the submission date for the task force plan from February 1, 2010 to January 1, 2011; provides that a child care provider who participates in the Department of Human Services' child care assistance program must authorize in writing a State and Federal Bureau of Investigation fingerprint-based criminal history record check; provides that the Department of State Police shall charge a fee not to exceed the cost of the criminal history record check with proceeds going to the State Police Services Fund; and provides that the Department of Human Services shall by rule set standards for determining (rather than shall by rule determine) when to disqualify an unlicensed child care provider for payment based on the results of a Central Register search or a Department of State Police and Federal Bureau of Investigation criminal history record check (rather than based on the results of a Central Register search only). Sets forth specific criteria the Department shall consider when making is determination on whether to disqualify an unlicensed child care provider for payment. Effective immediately.

Removes a provision that allows persons holding less than \$500,000 in trust funds to continue to act as the trustee after the funds are deposited. Changes the definition of "sales proceeds" and "purchase price". In a provision concerning pre-need contracts, provides that the pre-need contract must, if funded by a trust, clearly identify the trustee's name and address and the primary state or federal regulator of the trustee as a corporate fiduciary or, if funded by life insurance, clearly identify the life insurance provider and the primary regulatory authority of the life insurance provider. New Act

Creates the Private Student Loan Act. Contains only a short title provision.

SENATE FLOOR AMENDMENT NO. 1

Deletes everything after the enacting clause. Creates the Task Force on Higher Education Private Student Loans Act. Creates the Task Force on Higher Education Private Student Loans to (1) investigate the rates, fees, and terms associated with private student loans made to students in this State; (2) investigate how rates, fees, and terms impact the accessibility of private student loans, affordability of student loans, and choice of institution students have; (3) investigate the impact rates, fees, and terms have on students after graduation; (4) investigate how the impact of rising tuition has affected the types of loans available; (5) assess the impact capping private student loan fees charged by lenders would have in certain areas; (6) investigate how many private student loans are in default or are not able to be repaid; (7) investigate what rates, fees, and terms are common to those private student loans in default; (8) assess what impact loan defaults have on lending institutions; (9) assess the impact a loan default has on the borrower; (10) study what additional disclosures can be made to students regarding high risk loans, financial information, financial choices, and financial aid available; (11) investigate what higher education institutions can do to advise students on their financial aid and loan resources; and (12) investigate if race and ethnicity are a factor in the rates, fees, and terms associated with private student loans. Requires the Task Force to report its findings and recommendations to the General Assembly by December 31, 2010. Repeals the Act on January 1, 2011.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the contents of the bill as engrossed with the following changes. Makes changes concerning the membership of the task force. Provides that the task force has the duty to investigate the relationship between rising tuition and the availability of private loans (instead of to investigate how the impact of rising tuition has affected the types of loans available). Makes changes concerning the task force's duty to assess the impact of capping private student loan fees charged by lenders. Provides that the Office of the Illinois Student Assistance Commission (instead of State Treasurer) shall be responsible for administrative and logistical support of the task force; makes related changes.

HOUSE FLOOR AMENDMENT NO. 2

Adds an immediate effective date.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the chairperson of the Task Force be appointed by the Chairman (rather than the executive director) of the Illinois Student Assistance Commission; that the Task Force include an additional member appointed by the Governor; and that the Chairman of the Board of Higher Education (rather than the executive director) and the Secretary of Financial and Professional Regulation (rather than the Director of the Division of Financial Institutions) or their designees serve as members of the Task Force.

725 ILCS 5/110-10 from Ch. 38, par. 110-10

Amends the Code of Criminal Procedure of 1963. Provides that reasonable fees may be charged for pretrial services, including but not limited to, DNA testing, GPS electronic monitoring, assessments and evaluations related to domestic violence and other victims. Effective immediately.

FISCAL NOTE (Admin Office of the Illinois Courts)

Currently, a judge may assess a fee to an individual receiving pretrial services while under the supervision of a pretrial service agency, a probation department, or a court services department. SB 1708 expands the service fees that a judge may order an individual to pay as a condition of bond. The bill does not change the amount of the fee that may be assessed nor the method by which the fees are currently collected. As the collection of probation fees is a process currently managed at the local level within the respective probation departments and the circuit clerks, the provisions of SB 1708 will not have a fiscal impact on the State.

730 ILCS 110/18 new

Amends the Pretrial Services Act and the Probation and Probation Officers Act. Provides that for the purposes of administering the provisions of Public Act 95-773, known as the Cindy Bischof Law, all probation and court services departments are to be considered pretrial services agencies under the Pretrial Services Act and under the bail bond provisions of the Code of Criminal Procedure of 1963. Effective immediately.

FISCAL NOTE (Admin Office of the Illinois Courts)

The State probation funding structure is based on a tiered system with ranges of reimbursement from \$1,000 per month per position to 100 percent of each officer's salary. SB 1710 would modify all probation positions making each eligible for full funding of their annual salaries. This action would result in a substantial fiscal impact on the budget of the Supreme Court, the entity that provides the reimbursement to local county governments. A comprehensive fiscal impact statement would necessitate an in-depth analysis of the total number of positions for which increased funding would be required.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Central Management Services)

The Department of Central Management Services will incur some operational expenses due to programming modifications to the Group Insurance membership system, as well as other operational expenses to bring other programs in line with the changes made under this bill. This bill could also expand, to the partner, death benefit rights under the Workers' Compensation Act. Additional costs would occur under the Deferred Compensation program as well as Group Insurance. An estimate, however, cannot be determined due to the unknown number of civil unions that would occur under this bill, as amended.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Based on a review of SB 1716 (H-AM 1) it has been determined that there may be an increase in judicial workloads. However, it is not possible to determine what impact the bill will have on the need to increase the number of judges in the State.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 1716 (H-AM) does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 1716 (H-AM 1) creates a service mandate.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 245 from the 96th General Assembly allowed members of TRS and the Chicago Teachers Pension Fund to designate a domestic partner as a surviving spouse for purposes of survivor and death benefits (SB 245 has not advanced out of committee). Based on that legislation, the Commission on Government Forecasting and Accountability's actuary estimated that if 1% of active TRS members designate a

domestic partner as a beneficiary for survivor benefits, the impact to the system would be as follows; (1) Increase in total actuarial liability = \$15,750,000; (2) Increase in total annual costs = \$1,838,000; (3) Increase in total annual costs as a percent of payroll = \$0.02%.

SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:

105 ILCS 5/11E-5

Adds reference to:

105 ILCS 5/10-22.6

from Ch. 122, par. 10-22.6

Deletes everything after the enacting clause. Amends the School Code. Provides that a student who is determined to have brought a firearm, a knife, brass knuckles, or a billy club (instead of a weapon) to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year, except that the expulsion requirement (instead of period) may be modified by the superintendent, and the superintendent's determination may be modified by the school board on a case by case basis. Provides for a definition of "firearm" instead of "weapon". Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Amends the School Code. Provides that a student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year: (1) a firearm; or (2) a knife, brass knuckles, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look alikes" of any firearm (instead of providing that a student who is determined to have brought a weapon to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year). Defines "firearm" instead of "weapon". Provides that the expulsion requirement may be modified by the district superintendent, and the superintendent's determination may be modified by the school board on a case-by-case basis (instead of permitting the expulsion period to be modified by the superintendent and the superintendent's determination to be modified by the board on a case-by-case basis). Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the contents of the bill as amended by House Amendment No. 1, with the following changes. Instead of providing that the expulsion requirement may be modified by the district superintendent, and the superintendent's determination may be modified by the school board on a case-by-case basis, provides that (i) for a student who is determined to have brought a firearm to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school, the expulsion period may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis, and (ii) for a student who is determined to have brought a knife, brass knuckles or other knuckle weapon regardless of its composition (instead of just brass knuckles), a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look alikes" of any firearm, to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school, the expulsion requirement may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis. Effective immediately.

New Act

Creates the STAR Bonds Financing Act. Contains only a short title provision.

SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

65 ILCS 5/8-4-1 from Ch. 24, par. 8-4-1

Deletes everything after the enacting clause. Creates the STAR Bonds Financing Act. Authorizes certain municipalities and counties to issue sales tax and revenue (STAR) bonds for the financing of a STAR bond project. Defines "STAR bond project". Grants certain powers to municipalities and counties, including the power to exercise the use of eminent domain and the power to issue bonds. Specifies eligibility requirements for STAR bond projects. Makes other changes. Amends the Illinois Municipal Code. Provides that the corporate authorities of a municipality may authorize the issuance of STAR bonds without submitting the question of issuing the bonds to the electors of the municipality. Effective immediately.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 1909, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

SB 1909 does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

SB 1909 does not create a State mandate.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Dept. of Revenue)

SB 1909, as engrossed, would have a negative impact on State government revenue from the Retailers' Occupation Tax, Use Tax, Service Occupation Tax, Electricity Excise Tax, Gas Revenue Tax, and Hotel Operators' Occupation Tax. The combined annual loss to these revenue sources could exceed \$15 million annually per established district given the terms of the proposal and depending on the location of the district. Much of this loss will be due to the erosion of the State government tax base that existed before the STAR district was created.

BALANCED BUDGET NOTE (Office of Management and Budget)

SB 1909, as engrossed, would cost the State \$15,000,000 in lost sales tax revenue as estimated by the Department of Revenue. SB 1909, if enacted into law would add \$15,000,000 in additional spending pressure to the General Revenue Fund and to the current Fiscal Year 2009 budget deficit.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that SB 1909 (H-AM 2) would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept of Corrections)

This legislation has no population or fiscal impact on the Department of Corrections.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 1909 (H-AM 2) will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 1909 (H-AM 2) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Revenue)

The changes made by SB 1909 (H-AM 2) do not change the original estimate of State government losses from the Retailers' Occupation Tax, Use Tax, Service Occupation Tax, and Service Use Tax. The changes do limit the upper bound State loss insofar as they exclude several taxes previously included in the increment. The changes also reduce the estimate of potential sales tax losses to local governments by excluding from the increment taxes imposed pursuant to the Local Mass Transit District Act, the Metro-East Park and Recreation District Act, and the Flood Prevention District Act.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

SB 1909 (H-AM 2) does not create a State mandate.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

SB 1909 (H-AM 2) does not pre-empt home rule authority.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept of Corrections)

This legislation has no population or fiscal impact on the Department of Corrections.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

SB 1909 (H-AM 3) will not impact any public pension fund or retirement system in Illinois.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Revenue)

The changes made by SB 1909 (H-AM 3) do not change the original estimate of State government losses from the Retailers' Occupation Tax, Use Tax, Service Occupation Tax, and Service Use Tax. The changes do limit the upper bound State loss insofar as they exclude several taxes previously included in the increment. The changes also reduce the estimate of potential sales tax losses to local governments by excluding from the increment taxes imposed pursuant to the Local Mass Transit District Act, the Metro-East Park and Recreation District Act, and the Flood Prevention District Act.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

SB 1909 (H-AM 3) does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

SB 1909 (H-AM 3) does not create a State mandate.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

SB 1909 (H-AM 3) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that SB 1909 (H-AM 3) would neither increase nor decrease the number of judges needed in the State.

Makes conforming changes in the Counties Code, the Illinois Municipal Code, the Metropolitan Pier and Exposition Authority Act, the Regional Transportation Authority Act, the Metro-East Park and Recreation District Act, the Local Mass Transit District Act, the Flood Prevention District Act, and the Water Commission Act of 1985. Amends the State Finance Act to create the STAR Bonds Revenue Fund. Contains other provisions. Effective immediately. BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Office of Management and Budget)

SB 1909 (H-AM 3) would add \$15,000,000 per STAR bond district created in additional spending pressure to the General Revenue Fund and to the current Fiscal Year 2009 budget deficit.

#### GOVERNOR AMENDATORY VETO MESSAGE

Recommends, in provisions listing revenues from which STAR bonds may be made payable, making the bonds payable from up to 50% of the State sales tax increment, but not to exceed 50% of the total project costs (rather than from all of the State sales tax increment).

Replaces everything after the enacting clause with provisions amending the Mobile Home Landlord and Tenant Rights Act. Provides a definition of mobile home owner. Provides that a park owner who ceases the operation of all or part of a mobile home park shall pay to each owner of an affected mobile home that is occupied by the owner or by an owner's family member, at the mobile home owner's election, either: (1) the relocation costs (costs of moving the home to a location within a 100 miles of the park, reconnecting the hook-ups, and suitable lodging during the move) or (2) the mobile home's appraised value determined by an independent appraiser. Provides that the amount of the appraised value of the mobile home shall not be less than \$9,000 and that \$9,000 figure shall be adjusted every 3 years, beginning January 1, 2013, by the percentage change, since the figure was last set or adjusted, in the Consumer Price Index for All Urban Consumers. Provides that a mobile home owner is not entitled to relocation costs when: the park owner pays to move the home to another space in the park or to another park; the mobile home owner is vacating the premises and informed the park owner before the owner's notice was given; or the mobile home owner is being evicted for nonpayment of lot rent. Provides that the total amount paid by the park owner shall not exceed 40 percent of the sale price of the mobile home park or, if none, the park's assessed value. Provides that if this restriction reduces the amount available for relocation expenses, the payments to the mobile home owners shall be prorated. Provides that if the cessation of the mobile home park requires a zoning change, the park owner must mail a notice of the zoning hearing to the park residents at least 10 days before the hearing. Contains legislative findings. Provides that no mobile home park owner shall finally accept any offer for the sale, lease, or transfer of a mobile home park without first giving 60 days' notice to each tenant and to the Illinois Department of Public Health. Provides that, during the notice period, the park owner shall consider any offer received from the tenants or a tenants' association and negotiate in good faith with the tenants concerning a potential purchase or lease. Contains provisions regarding: offers to purchase or lease the mobile home park; notice contents and requirements; furnishing a tenant's representative, upon request, with a copy of a written offer and other documents; exceptions to the notice requirements; required contents of leases; and other matters. Contains severability provisions.

Provides that the Illinois Power Agency shall review SNG contracts and mediate disputes. Provides that the Commission shall review the final capitalized plant cost of the clean coal SNG facility located in Jefferson County and determine the

reasonableness of the actual incurred costs. Provides that the Commission shall reduce the SNG price under certain contracts if it determines that the final capitalized plant cost includes costs that were not actually incurred or costs that were unreasonable. Adds provisions providing that the Illinois Attorney General may specifically enforce certain requirements under the Act. Adds provisions concerning penalties for a clean coal SNG facility located in Jefferson County failing to demonstrate that it captured and sequestered at least 90% of the total carbon dioxide emissions that the facility would otherwise emit or failing to sequester emissions from prior years, resulting in the release of carbon dioxide into the atmosphere. Adds provisions concerning the clean coal SNG facility located in Jefferson County establishing a reconciliation account. Makes changes to a provision concerning the Illinois Finance Authority's authority to issue bonds to finance coal gasification facilities. FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 4 (State Universities Retirement Systems)

SB 1946 (H-AM 4) does not impact the fiscal year 2011 certified employer contribution amount due to the State Universities Retirement System. The impact on costs in future years has yet to be determined.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Government Forecasting & Accountability)

SB (H-AM 4) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Government Forecasting & Accountability)

The Commission's actuary completed an earlier similar analysis of this retirement age change together with a maximum pension salary of \$150,000 which determined total savings of \$43.86 billion and a net present value reduction of \$9.75 billion for the State systems only. In addition, an earlier analysis of the COLA change contained in SB 1946 (H-AM 4) determined an additional savings of \$12.31 billion. The savings associated with the COLA change is likely to be less than this amount as the actuary's cost study assumed the COLA change without change the current retirement age.

Amends the Code of Civil Procedure. Provides that, if none of the parties joined in good faith as defendants in a civil case are residents of this State, an action against those defendants may be commenced in the State only in the county in which the transaction out of which the cause of action arose, or some part of that transaction, occurred. Amends the Environmental Protection Act. Authorizes the Environmental Protection Agency ("the Agency") to make written determinations that certain materials that would otherwise be required to be managed as waste may be managed as non-waste if those materials are used beneficially and in a manner that is protective of human health and the environment. Requires applicants for beneficial use determinations to demonstrate that (i) the chemical and physical properties of the material are comparable to similar commercially available materials, (ii) the market demand for the material meets certain requirements, (iii) the material is legitimately beneficially used, (iv) the management and use of the material will not cause, threaten, or allow the release of any contaminant into the environment, except as authorized by law, and (v) the management and use of the material otherwise protects human health and safety and the environment. Authorizes applicants to seek review of the Agency's written decisions to disapprove of an application for a determination or to approve of it with conditions. Requires determinations to be effective for a period approved by the Agency, but that period may not exceed 5 years. Authorizes certain materials to maintain their non-waste status after the effective period of the determination under certain conditions. Prohibits recipients of a determination from managing or using the material that is the subject of the determination in violation of the determination or any conditions imposed by it, unless the material is managed as waste. Makes this Section inapplicable to certain types of materials. Defines "commercially available material" and "commercially available product". Effective immediately.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Revenue)

This fiscal note for SB 2093 (H-AM 2) reflects only the proposed University Town Center (UTC) project in Glen Carbon and does not reflect the fiscal impact of other potential STAR bond developments enabled by this legislation. (1) Based on data received from the developers, the Illinois Department of Revenue estimates that between \$450 million and \$525 million in annual sales will be displaced from the surrounding

communities to stores in the STAR bond district once the development is completed. (2) The Illinois Department of Revenue estimates State sales tax generated in UTC's first fully operational year and pledged for the purpose of repaying STAR bonds at between \$19 million and \$30 million. (3) The Illinois Department of Revenue estimates aggregate local sales tax generated in UTC's first fully operational year and pledged for the purpose of repaying STAR bonds at \$24 million. (4) The Illinois Department of Revenue estimates that the combined State and local sales tax available to repay STAR bonds will be between \$43 million and \$54 million in UTC's first fully operational year. (5) Over the first 20 years of UTC's operation, the State sales tax available to repay STAR bonds will be between \$456 million and \$729 million, while the aggregate local sales tax available to repay STAR bonds reaches almost \$600 million over the same period. (6) The Illinois Department of Revenue estimates that the combined State and local sales tax available for debt repayment over a 20-year period at between \$1.0 billion and \$1.3 billion. This range represents the potential tax subsidy for the UTC development. (7) UTC will have both positive and negative State revenue effects during the duration of the STAR bond district. (8) The Illinois Department of Revenue estimates a State revenue gain of \$40 million during UTC's construction phase and then annual revenue losses thereafter caused by the displacement of taxable sales from outside of UTC to inside UTC. (9) After a few years of UTC operation, the losses from displaced taxable sales erode the early gain from the construction phase. If the full increment is used to pay debt service for 15 years, then the aggregate net State revenue loss over this period is between -\$42 million and -\$178 million. If 20 years, then the aggregate net State revenue loss over this period is between -\$75 million and -\$267 million.

Amends the Real Estate Timeshare Act of 1999. Provides a description of the Act's scope. Provides that a resale agent is a person who for another and for compensation, or with the intention or expectation of receiving compensation, either directly or indirectly, sells or offers to sell (instead of directly or through an employee or agent sells or offers to sell a timeshare). Provides definition of "managing entity lien". Provides that the minimum requirements of a timeshare sale listing agreement include the use, rental, or exchange of the unit while listed; designation of any rental fees recipient; disclosure of any relationship between the resale agent and any person receiving a benefit from use of the timeshare; any pre-sale fees; the resale agent's prior experience; commissions; and other items (instead of requiring only disclosure of the resale agent's compensation, certain terms of the use or rental of the timeshare, and the length of the term of the listing contract). Provides for disclosures, in addition to those required, to a prospective purchaser of a timeshare that include the status of assessments and real estate or personal property taxes and the location of documents about the timeshare. Provides that a timeshare resale agent shall be a licensed real estate broker unless exempt from licensure by the Real Estate License Act of 2000 or because of selling no more than 8 timeshares per year. Provides for a managing entity lien. Provides procedures, including notices and auctions, for the nonjudicial foreclosure against time share estates and the foreclosure of a lien or security interest on a timeshare use under the Act or under the Uniform Commercial Code. Repeals certain provisions of existing law regarding resale agent registration requirements. Makes other changes. Provides for severability of the amendatory provisions. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Further amends the Real Estate Timeshare Act of 1999. Provides that a "resale agent" includes a person who sells, offers to sell or advertises to sell within this State (instead of sells or offers to sell) any timeshare interest previously sold to a purchaser or solicits within this State (instead of solicits) any owner of a timeshare to sell the owner's timeshare interest. Provides that a managing entity lien is perfected on the date the managing entity records a notice of lien in the office of the recorder (instead of in the registry of deeds) where the timeshare estate is located. Makes other changes.

Defines "zero-based budgeting" as a method of setting budgets that requires a justification of all expenditures, not only those that exceed the prior year's allocations. Thus, each budget line begins at a zero base and must be funded according to merit rather than according to the level approved for the preceding year, when circumstances were probably different. For fiscal year 2010, Provides that the budgets submitted by the Governor and appropriations made by the General Assembly for the following agencies must adhere to the principles of zero-based budgeting: the Department of Labor, the Historic Preservation Agency, the Department of Human Rights, the Department of Agriculture, and the Environmental Protection Agency. For fiscal year 2011 and thereafter, provides that the budgets submitted by the Governor and appropriations made by the General Assembly for all agencies under the jurisdiction of the Executive Ethics Commission must adhere to the principles of zero-based budgeting. Effective immediately.

**SB-2151 J. JONES.**

New Act

Creates the Farmer Protection Act. Provides that the release by a manufacturer of a genetically engineered plant shall constitute a private nuisance for which the manufacturer shall be liable only if the release (i) causes the presence of the plant within the property owned or occupied by a person for whom the plant presence was not intended and (ii) results in damage in any calendar year that exceeds \$3,500. Provides that defenses at law or equity available in a private nuisance action apply to actions brought under this Act. Provides that a person owning or occupying the property upon which a nuisance release occurs does not have a duty to establish buffer zones, segregation protocols, or otherwise initiate measures to protect specifically against the potential release of genetically engineered plants. Provides that a person who is not in breach of a seed contract regarding the purchase or use of a genetically engineered plant and that unknowingly comes into possession of a genetically engineered plant shall not be liable for certain damages. Authorizes, under certain conditions, a seed supplier or, in some cases, the Director of Agriculture or his or her designee to enter upon real property farmed by another person for the purpose of obtaining crop samples. Authorizes the seed supplier to petition the circuit court for the county in which the real property is located for an order granting permission to enter upon the farmer's real property. Sets forth protocols for inspections. Provides

that a farmer has a right of action against a seed supplier for violations of the Act and may recover certain damages. Effective immediately.
