Amends the Payday Loan Reform Act. Changes the definition of "payday loan" to include any loan with a finance charge exceeding an annual percentage rate of 36% (instead of with a finance charge exceeding an annual percentage rate of 36% and with a term that does not exceed 120 days). Deletes a provision that a specified charge is considered fully earned as of the date on which the loan is made. Provides that no lender may make a payday loan with installment payments unless the installment payments are substantially equal term payments, and when a consumer repays a payday loan in full before its due date, the lender shall rebate the unearned finance charges to the consumer on a straight-line amortization basis as of the date of repayment. Requires the licensee, as part of the information that he or she must collect and maintain, to include the total number of lawsuits filed by the licensee or its agent against consumers to collect on payday loans from consumers during the preceding calendar year. Prohibits a licensee or a person making payday loans from evading the requirements and prohibitions of the Act by use of a device or subterfuge including, but not limited to, (i) disguising a payday loan as a different type of transaction, or (ii) characterizing a required fee as a purchase of a good or service in connection with a payday loan. Authorizes the Department of Financial and Professional Regulation to develop rules to determine if any person or entity seeks to evade the applicability of this Act by any device, subterfuge, or pretense.

Defines "safe haven" to mean a hospital, fire station, police station, or emergency medical facility at which a newborn infant may be relinquished. Provides that any public reporting of information required in connection with the relinquishment of a newborn infant, including, but not limited to, reporting required under the Vital Records Act or under any other law, shall identify the mother of the relinquished newborn infant and the infant as "unknown". Makes changes concerning the information packet that a hospital or other facility must offer to a person who relinquishes a newborn infant. Provides that a relinquished newborn infant's mother, as well as the infant, are eligible for medical assistance under the Illinois Public Aid Code. Provides that the Department

of Children and Family Services shall notify a hospital to whom a newborn infant has been relinquished of the name of the child-placing agency authorized by the Department to take custody of the infant from the hospital. Provides that if a relinquished newborn infant was born in a hospital and was relinquished to the hospital without having left the hospital, the Department need not verify that the infant is not a missing child before filing a petition for termination of parental rights.

Amends the Condominium Property Act. Provides that upon filing an action to foreclose a lien on a condominium unit, the mortgagee shall be responsible for all assessments accruing beginning with the month after the action was filed up to the date of the judicial foreclosure sale and, unless the sale purchaser is a person other than the mortgagee, the mortgagee's responsibility continues until the unit's title is transferred (instead of the sale purchaser, other than the mortgagee, is responsible for paying assessments which would have been due in the 6 months prior to an action to collect assessments). Provides that if a unit owner (1) obtains a written opinion from an Illinois attorney that the owner, based on a set of facts, has a colorable claim against a board and gives a claim notice to the board based on those facts at least 60 days before filing a civil action and (2) prevails, by clear and convincing evidence that the board's wrongful actions were willful and wanton and without legal justification, in an action to enforce the Act or the condominium instruments, the owner shall recover attorneys fees, costs, and damages of not less than \$1,000, which damages shall be trebled by the court. Provides that the board shall annually, within 120 days of the close of the fiscal year, provide (instead of annually provide) an itemized accounting of expenses, which for associations with 30 or more units shall include a balance sheet and income statement (instead of an itemized accounting of expenses). Deletes provision limiting the term of office of a board member or officer to no more than 2 years. Provides that if an owner submits specified financial questions to the board, the board shall respond within 30 days. Provides for a developer to place in escrow an amount equal to 20% of the aggregate initial sale prices of all units to address common element deficiencies. Makes other changes. Amends the Condominium Property Act. Provides that in relation to an initial sale or offering for sale of a condominium unit, the seller and developer must disclose, in a required form, to any purchaser of a condominium unit any information of which they are aware about any material or latent defect in the condominium unit or common elements; the required form includes definitions of the terms "aware", "material defect", and "latent defect". Provides that the disclosure applies to all common elements. Provides that the report provided to an initial buyer shall be provided to a subsequent purchaser if the purchase occurs within 18 months after the initial sale. Provides that the developer must place in an escrow account an amount of money equal to 10% of the amount of the initial offering prices of the condominium units and the escrow funds shall be segregated in a separate account designated for this purpose in an interest bearing account at a federally insured institution, within applicable federal insurance limits. This escrow requirement cannot be waived by any individual unit buyer, unit owner, or the association. A developer who violates the escrow requirement shall be subject to an action by a unit buyer or the association for damages and attorney's fees from the developer due to a violation of the escrow requirement.

Amends the Business Brokers Act of 1995. Exempts any franchise seller as defined in the Federal Trade Commission rule entitled Disclosure Requirements and Prohibitions Concerning Franchising, as it may be amended, from the registration requirements and other duties imposed under the Act (rather than exempting persons registered under the Illinois Franchise Disclosure Act of 1987 from the Act's requirements as to (1) offers and sales in connection with franchising activities or (2) assisting their franchisees in the offer or sale of a franchise). Amends the Business Opportunity Sales Law of 1995. Provides that a seller of a business opportunity that is defined as a franchise under the Franchise Disclosure Act of 1987 is exempt from registering certain disclosure documents if the seller delivers either (1) The Franchise Offering Circular or (2) a disclosure document as required by the Illinois Franchise Disclosure Act of 1987, as it may be amended, to each purchaser 14 days prior to (rather than delivery by the earlier of the first personal meeting, or 10 business days) the purchaser's execution of specified documents. Makes other changes. Amends the Franchise Disclosure Act of 1987. In the definition of the term "franchise", provides that a person granted the right to operate a franchise business is required to pay the franchisor or the franchisor's affiliate a fee of \$500 or more at any time prior to or within the first 6 months of the commencement of operations of the franchise business. Also enumerates specific franchise agreements and relationships not governed by the Act. Makes changes to provisions concerning the sale and extension or renewal of an existing franchise; exemptions from the Act's registration requirements; registration and annual reports; amendments to disclosure statements; the deferral of payment of the initial franchise fee; and other matters. Repeals the provision prohibiting a franchise broker from selling a franchise that requires registration under the Act unless the franchise broker submitted an application for registration and a consent to service of process. Repeals the provision creating a franchise advisory board.

Amends the Mental Health and Developmental Disabilities Code and the Mental Health and Developmental Disabilities Confidentiality Act. Changes the definition of "dangerous conduct" to mean threatening behavior or conduct that places another individual or the person engaging in the behavior or conduct (rather than places another individual) in reasonable expectation of being harmed, or a person's inability to provide, without the assistance of family or outside help, for his or her basic physical needs so as to guard himself or herself from serious harm. Extends the lists of possible medical practitioners who must examine a person subject to an involuntary admission petition and execute a certificate stating whether involuntary admission and immediate hospitalization is appropriate, to include a psychiatrist (rather than a physician, qualified examiner, or clinical psychologist only). Contains provisions regarding the amount of time a mental health facility can temporarily detain a person for examination; the situations under which a person can be released from a mental health facility following the initial examination period and the court filing of a certificate stating whether involuntary admission and immediate hospitalization is appropriate; additional persons who are entitled to inspect and copy an admitted person's mental health records; additional agencies that may disclose a person's mental health records and communications to other agencies; and other matters. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

In the context of an involuntary admission petition, eliminates a physician from the list of medical practitioners who shall examine a person following his or her initial admission to a mental health facility and after the examining psychiatrist has executed a certificate assessing the

person's mental status. Provides that a person subject to an involuntary admission petition may remain in his or her place of residence pending a hearing on the petition if the accompanying certificate states that the person is subject to involuntary admission but not in need of immediate hospitalization absent imminent danger. Eliminates from the list of persons who are entitled to inspect and copy an admitted person's medical records, an attorney-in-fact appointed under the Mental Health Treatment Preference Declaration Act and any person in whose care and custody the admitted person has been placed pursuant to the Mental Health and Developmental Disabilities Code.

SENATE COMMITTEE AMENDMENT NO. 1

Reinserts introduced provisions providing that a person involuntarily admitted to a mental health facility shall be examined by a physician after the examining psychiatrist has executed a certificate of mental status. Reinserts introduced provisions providing that an appointed attorney-in-fact and an admitted person's legal custodian are persons entitled to inspect and copy the admitted person's medical records. Provides that a person subject to an involuntary admission petition may remain in his or her place of residence pending a hearing on the petition if the accompanying certificate states that the person is subject to involuntary admission but not in need of immediate hospitalization (rather than immediate hospitalization absent imminent danger).

Amends the Energy Efficient Commercial Building Act. Changes the short title to the Energy Efficient Building Act. Provides a definition of "building". Applies the Act to residential and commercial buildings (now, all commercial buildings). Provides that the Capital Development Board must adopt the specified energy conservation code as the minimum requirements for commercial buildings and as the minimum and maximum requirements for the construction of residential buildings. Provides that units of local government may not regulate energy efficient building standards for residential buildings in a manner that is either less or more stringent than the standards in the Act. Provides that units of local government may not enact any annexation ordinance or resolution, or require or enter into any annexation agreement, that imposes energy efficiency building standards for residential buildings that are either less or more stringent than the energy efficiency standards in effect throughout the unit of local government. Provides that any unit of local government that has adopted any previously published editions of the International Energy Conservation Code on or before January 1, 2009 may continue to regulate energy efficient building standards under that Code and any supplements the unit of local government has adopted prior to January 1, 2009. Preempts home rule powers. Effective immediately.

**HOUSE FLOOR AMENDMENT NO. 1**

Deletes everything after the enacting clause. Inserts the provisions of the introduced bill with the following changes. Provides that the Board shall adopt the Code within 6 months after its publication (now, there is not a requirement that the Board adopt the Code). Provides that the Code shall take effect within 3 months after it is adopted by the Board (now, within one year after it is adopted by the Board). Redefines the term "residential building". Replaces a provision that exempts from the Code's requirements "additions, alterations, renovations, or repairs to existing residential structures" with a provision that exempts from the Code's requirements the following: "storm windows installed over existing fenestration; glass-only replacements in an existing sash and fame; existing ceiling, wall, or floor cavities exposed during construction, provided that these cavities are filled with insulation; and construction where the existing roof, wall, or floor is not exposed".

**HOUSE FLOOR AMENDMENT NO. 3**

Further amends the Energy Efficient Commercial Building Act. Provides that the Capital Development Board shall adopt the Code within 9 months (rather than 6 months) after its publication.

**HOUSE FLOOR AMENDMENT NO. 4**

Further amends the Energy Efficient Commercial Building Act. Provides that a municipality with a population of 1,000,000 or more may regulate energy efficient building standards for residential buildings in a manner that is more stringent than the standards established under the Act. Makes a conforming change in a provision that otherwise requires the Board to adopt the Code as the minimum and maximum requirements for residential buildings.

**SENATE FLOOR AMENDMENT NO. 2**

Deletes everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the Energy Efficient Commercial Building Act. Restores the definition of "residential building" with the following change. Provides that, when applied to a building located within the boundaries of a municipality having a population of 1,000,000 or more, the term "residential building" means a building containing one or more dwelling units, not exceeding 4 stories above grade, where occupants are primarily permanent. Provides that no unit of local government, including any home rule unit, may regulate energy efficient building standards for residential buildings in a manner that is either less or more stringent than the standards established pursuant to this Act. Exempts the following entities from that general prohibition: (i) a unit of local government, including a home rule unit, that has, on or before May 15, 2009, adopted or incorporated by reference energy efficient building standards for residential buildings that are equivalent to or more stringent than the 2006 International Energy Conservation Code, (ii) a unit of local government, including a home rule

unit, that has, on or before May 15, 2009, provided to the Capital Development Board, as required by Section 55 of the Illinois Building Commission Act, an identification of an energy efficient building code or amendment that is equivalent to or more stringent than the 2006 International Energy Conservation Code, and (iii) a municipality with a population of 1,000,000 or more. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Creates the Local Food, Farms, and Jobs Act. Sets forth procurement goals for local farm or food products. Creates the Local Food, Farms, and Jobs Council ("Local Food Council"), a not-for-profit corporation tasked with facilitating the growth of an Illinois-based local farm and food product economy. Sets forth the responsibilities of the Local Food Council. Provides for the composition and governance of the Local Food Council. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

- 20 ILCS 205/205-45 was 20 ILCS 205/40.36
- 20 ILCS 205/205-46 new

Deletes everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Amends the Local Foods, Farms, and Jobs Act. Specifies that the Council shall be created by the Department of Agriculture under the State Agency Entity Creation Act. Removes a provision requiring the Department of Agriculture to serve as the Council's fiscal agent. Inserts provisions authorizing the Council to apply for and establish a not-for-profit corporation; specifying that the Council is not a State Agency and that its funds shall be considered private funds and held in an appropriate account outside of the State Treasury; exempting the Council from the Public Funds Investment Act and Illinois Procurement Code; providing that the Council may be assisted in carrying out its functions by personnel of the Department of Agriculture; and authorizing the development of a labeling and certification program different than the "Illinois Product" labeling program. Inserts a severability clause. Makes other technical changes. Amends the Department of Agriculture Law of the Civil Administrative Code of Illinois. Provides that the definition of "Illinois Product" does not imply that the product meets the definition of "local farm or food products" as defined in the Local Food, Farms, and Jobs Act. Authorizes the Department to administer a label and certification program, different than the "Illinois Product" label program, whereby a label with a specific name and unique design or logo may be placed on local farm and food products that are grown, processed, packaged, and distributed by Illinois citizens or businesses located wholly within the borders of Illinois. Requires the label and certification program to be developed jointly with the Local Food, Farms, and Jobs Council. Requires the Department to adopt rules necessary to implement the labeling program. Effective immediately.

Creates the Foster Youth Successful Transition to Adulthood Act. Establish a program of transitional discharge from foster care for teenage foster children, enabling former foster youths under the age of 21 who encounter significant hardship upon emancipation to reengage with the Department of Children and Family Services and the Juvenile Court, in order to secure essential supports and services available to foster youth seeking to learn to live independently as adults. Provides that an abused, neglected, or dependent minor for whom the court has granted a supplemental petition to reinstate wardship may be placed in the custody of or committed to the Department of Children and Family Services. Provides that the Department of Children and Family Services shall provide or authorize child welfare services, aimed at assisting minors to achieve sustainable self-sufficiency as independent adults, to any minor eligible for the reinstatement of wardship, whether or not such reinstatement is sought or allowed, provided that the minor consents to such services and has not yet attained the age of 21. Amends the Juvenile Court Act of 1987. Provides that an abused, neglected, or dependent minor between the ages of 18 and 21 may be placed with the Department of Children and Family Services if (1) the court has granted a supplemental petition to reinstate wardship of the minor, or (2) the Court has adjudicated the minor a ward of the court, permitted the minor to return home under an order of protection, and subsequently made a finding that it is in the minor's best interest to vacate the order of protection and commit the minor to the Department of Children and Family Services for care and service.

Provides that the Department of Children and Family Services (rather than the Department of Children and Family Services and the Department of Human Services) shall create (rather than create and disseminate) clear, readable notice of the rights of former foster youth to child welfare services under this Section and how such services may be obtained, and that the Department of Children and Family Services and the Department of Human Services shall disseminate this information statewide. Adds a January 1, 2010 effective date. Makes other changes.

35 ILCS 5/218 new

Amends the Illinois Income Tax Act. Authorizes a credit to individual taxpayers who are residents of Illinois for expenditures made by the taxpayer during the taxable year for qualified college tuition expenses paid for the taxpayer or a dependent of the taxpayer, as determined under the Act, for up to 4 years of college education for each eligible student attending an institution of higher education. The amount of the credit is equal to 25% of the qualified college tuition expenses, but not to exceed \$2,500 per student per taxable year. If a taxpayer claims a credit for a dependent, then that dependent may not claim a credit on the dependent's return for that taxable year. Defines "qualified college tuition expenses" as the tuition required

for the enrollment or attendance of an eligible student at an institution of higher education who is eligible to receive grants from the Monetary Award Program, except that tuition payments made through scholarships or other financial aid are excluded and tuition payments for post-baccalaureate or other graduate degrees are excluded. Provides that the credit may not reduce the taxpayer's liability to less than zero and may not be carried back or carried forward. Exempt from the Act's sunset provisions. Effective immediately.

Replaces everything after the enacting provisions that are similar to the provisions concerning out of State military service of the bill as introduced. Provides that in a proceeding to establish, modify, or enforce child custody or visitation if the person who is awarded custody or granted visitation is on active military duty stationed out of State, the court must treat any order establishing, modifying, or enforcing child custody or visitation as a temporary order. Provides that this temporary order does not prejudice the rights of the parties or the child subsequently in the proceeding and terminates when the court enters a subsequent order or judgment, following a hearing held after the person is discharged or is no longer stationed out of State. Provides that a temporary child custody or visitation order entered under these provisions may be incorporated into a final judgment, but only if the court finds that the provision applies and the judgment provides that any child custody or visitation order may be modified without meeting the other applicable requirements in the Act. Provides that "active-duty military member" means a person currently serving on active duty as a member of the Armed Forces of the United States, the Illinois National Guard, or any reserve component of the Armed Forces.

20 ILCS 2805/2.15 new

Amends the Department of Veterans Affairs Act. Provides that if a veteran has applied for admission to an Illinois Veterans Home and has been found to be entitled to admission but has been placed on a waiting list to be admitted because of a lack of room at a Home, the veteran may instead be admitted to a private facility licensed under the Nursing Home Care Act. Provides that the veteran is responsible for paying for his or her care at the facility at a daily rate based on the maximum maintenance charge that the veteran would have been required to pay at an Illinois Veterans Home; if that rate is less than the facility's charge for the veteran's care as negotiated with the departments of Veterans' Affairs and Healthcare and Family Services, the Department of Veterans' Affairs shall pay the difference between those amounts to the facility. Provides that the Department of Veterans' Affairs, in cooperation with the Department of Healthcare and Family Services, shall develop a list of long-term care facilities willing to admit veterans under these provisions. Provides that a veteran admitted to a private long-term care facility under these provisions shall be transferred to an Illinois Veterans Home as soon as a bed is available for the veteran in a Home for which he or she is qualified. 750 ILCS 50/12.1

Amends the Adoption Act. Provides that a lack of knowledge of the pregnancy or birth is not an acceptable reason for failure to register with the Putative Father Registry, unless that lack of knowledge was due to a fraudulent misrepresentation by the birth mother (instead of a lack of knowledge of the pregnancy or birth is not an acceptable reason for failure to register). Provides that a putative father who brought an action to assert an interest in the child, but who did not obtain a ruling from the court that he proved certain conditions by clear and convincing evidence, has an opportunity to present evidence at a hearing to overcome the prima facie evidence of sufficient grounds to support termination of his father's rights under this Act.

#### HOUSE COMMITTEE AMENDMENT NO. 1

Further amends the Adoption Act. Provides that a putative father may register with the Department before the child's birth but shall register no later than 30 days after the child's birth, unless specified circumstances beyond the father's control justify a father's registration at a time in excess of 30 days (instead of but shall register no later than 30 days after the birth of the child); however, under no circumstances may a putative father register with the Department on a date that is more than 12 months from the date the consent or surrender was executed. Provides that a lack of knowledge of the pregnancy or birth is not an acceptable reason for failure to register with the Putative Father Registry, unless that lack of knowledge was due to a fraudulent misrepresentation by the birth mother to the court, including the birth mother's Affidavit of Identification (instead of a lack of knowledge of the pregnancy or birth is not an acceptable reason for failure to register, unless that lack of knowledge was due to a fraudulent misrepresentation by the birth mother). Provides that a putative father who files a written motion that asserts that the relevant facts are sufficient to overcome the prima facie evidence of abandonment is entitled to a hearing on that motion, only if the motion was filed no later than 12 months from the date the consent or surrender was executed. Provides that on that motion, the burden of proof is on the putative father to show that, by a preponderance of the evidence, the putative father did not abandon the child (instead of a putative father who brought an action to assert an interest in the child, but who did not obtain a ruling from the court that he proved by clear and convincing evidence the 3 conditions prescribed by the Act, has an opportunity to present evidence at a hearing to overcome the prima facie evidence of sufficient grounds to support termination of his father's rights under this Act).

#### HOUSE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause. Further amends the Adoption Act. Provides that a putative father whose verified petition alleges that it was not possible for him to register within the required time period, his failure to register was through no fault of his own, and he registered within 10 days after it was possible to do so, is entitled to a hearing limited solely to whether his registration falls within this exception, however, in no event is a putative father entitled to a hearing if his petition is filed after the entry of an order terminating the parental rights of the putative father, unless he can show that a fraud has been perpetrated upon the court.

#### HOUSE FLOOR AMENDMENT NO. 3

Further amends the Adoption Act. Provides that a putative father may register with the Department before the birth of the child but shall register no later than 40 (instead of 30) days after the birth of the child. Provides that a putative father who fails to register with the Putative Father Registry is barred from thereafter bringing or maintaining any action to assert any interest in the child unless, in the alternative to existing requirements, he proves by clear and convincing evidence that a fraud has been perpetrated upon the court.

Creates the Video Gaming Act. Provides that licensed retail establishments where alcoholic liquor is served for consumption, licensed fraternal establishments, and licensed veterans establishments and truck stops may conduct video gaming. Provides that the Illinois Gaming Board shall be responsible for administration and enforcement of laws relating to video gaming terminals. Amends the Riverboat Gambling Act to provide that the Illinois Gaming Board shall be responsible for administration and enforcement of the Video Gaming Act. Amends the Gambling Article of the Criminal Code of 1961 to make corresponding changes. Amends the State Finance Act to create the Local Government Video Gaming Distributive Fund as a special fund in the State treasury. Effective immediately.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Specifies that a facility operated by an organization licensee, an intertrack wagering licensee, or an intertrack wagering location licensee licensed under the Illinois Horse Racing Act of 1975 or a riverboat licensed under the Riverboat Gambling Act is not a licensed establishment under the Act. Specifies that licensed establishments, licensed truck stop establishments, licensed fraternal establishments, or licensed veterans establishments that are located within 1,000 feet of a facility operated by an organizational licensee, an intertrack wagering licensee, or an intertrack wagering location licensee is ineligible to operate a video gaming terminal. In provisions concerning the imposition and distribution of a tax, provides that a tax of 25% (rather than 15%) is imposed on net terminal income and that four-fifths of the tax shall be deposited into the School Infrastructure Fund (and allocated in accordance with the provisions of the School Construction Law) and one-fifth shall be deposited into the Local Government Video Gaming Distributive Fund. In provisions concerning revenue sharing, (i) removes provisions requiring the Department of Revenue to Treasurer an amount equal to 20% of the net revenue from the tax and requiring the Treasurer to transfer that amount to the Local Government Video Gaming Distributive Fund; (ii) provides that the amount of moneys allocable to each eligible municipality and county from the Local Government Video Gaming Distributive Fund shall be in proportion to the tax revenue generated from video gaming within the eligible municipality or county compared to the tax revenue generated from video gaming Statewide; and (iii) changes certain references from the Department of Revenue to the Illinois Gaming Board. Makes other changes.

**FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)**

HB 4239 (H-AM 1) would generate new revenues to the State due to the taxation of video gaming machines in Illinois. Based on an assumption of 45,000 video gaming machines in the State and an average net revenue per machine per day value between \$70 and \$90, approximately \$287.4 million to \$369.6 million per year would be generated by the 25% tax rate. Of the amounts collected, four-fifths shall be deposited into the School Infrastructure Fund and one-fifth shall be deposited into the Local Government Video Gaming Distributive Fund. The Act would generate additional State revenue, as it establishes numerous application and license fees. The exact amount of this new revenue would depend upon the number of licensed technicians, suppliers, distributors, manufacturers, establishments, and terminals. It is roughly estimated that this value would range between \$6 million and \$10 million per year.

815 ILCS 710/4 from Ch. 121 1/2, par. 754

Amends the Motor Vehicle Franchise Act. Provides that for a period of 4 years from the date a motor vehicle manufacturer acquires, succeeds to, or assumes any part of the business of a bankrupted manufacturer it is unlawful for the succeeding manufacturer to enter into a same line make franchise with any person or to relocate any existing same line make franchise, for a line make of the bankrupted manufacturer that would be located or relocated within the relevant market area of a former franchisee without first offering the former franchisee the additional or relocated franchise, unless (i) as a result of a former franchisee's cancellation, termination, noncontinuance, or nonrenewal of the franchise, the bankrupted manufacturer had consolidated the line make with another of its line makes with a franchisee who operates a facility located within that relevant market area; (ii) the successor manufacturer paid the former franchisee the fair market value of the former franchisee's franchise; or (iii) the successor manufacturer proves that the former franchisee is unfit to own or manage the dealership. Prohibits a manufacturer, a distributor, a wholesaler, a distributor branch or division, a factory branch or division, or a wholesale branch or division, or officer, agent or other representative thereof from directly or indirectly conditioning the awarding of a franchise to a prospective new motor vehicle dealer, the addition of a line make or franchise to an existing dealer, the renewal of a franchise of an existing dealer, the approval of the relocation of an existing dealer's facility, or the approval of the sale or transfer of the ownership of a franchise on the willingness of a dealer, proposed

new dealer, or owner of an interest in the dealership facility to enter into a site control agreement or exclusive use agreement. Defines terms. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Eliminates language defining the term "relevant market area" to mean an area within a 10 mile, 15 mile, or 20 mile radius around the site of the previous franchisee's dealership facility. Provides that the term "successor manufacturer" means any motor vehicle manufacturer that, on or after January 1, 2009, (rather than on or after the effective date of this amendatory Act of the 96th General Assembly) acquires, succeeds to, or assumes any part of the business of another manufacturer, referred to as the "predecessor manufacturer". Permits a successor manufacturer to enter into a same line make franchise with any person or to relocate any existing same line make franchise for a line make of the predecessor manufacturer without first offering the former franchisee the additional or relocated franchise if the successor manufacturer proves that it would have good cause to terminate the franchise agreement of the former franchisee (rather than if the successor manufacturer proves the former franchisee is unfit to own or manage a dealership).

SENATE COMMITTEE AMENDMENT NO. 1

Makes changes to the definitions of "site control agreement" and "exclusive use agreement". Provides that if a manufacturer exercises any right of first refusal to purchase or lease or option to purchase or lease with regard to a transfer, sale, or lease of the dealership premises to a person who is not an immediate family member of the dealer, then specified conditions must be met. Makes changes in the circumstances under which it is unlawful for a successor manufacturer to enter into a same line make franchise with any person or to permit the relocation of any existing same line make franchise, for a line make of the predecessor manufacturer that would be located or relocated within the relevant market area of a former franchisee who owned or leased a dealership facility in that relevant market area without meeting specified requirements. Provides that if a successor manufacturer attempts to enter into a same line make franchise with any person or to permit the relocation of any existing line make franchise under specified provisions at a location that is within the relevant market area of 2 or more former franchisees, then the successor manufacturer may not offer it to any person other than one of those former franchisees unless the successor manufacturer can prove that one of certain exceptions applies to each of those former franchisees. Makes other changes.

New Act

Creates the Prisoner Census Adjustment Act. For purposes of creating election districts and redistricting, requires that State and local governmental bodies use census figures adjusted to reflect the pre-incarceration addresses of persons imprisoned in State or federal facilities in Illinois. Requires the Secretary of State to make the adjustments based upon information reported by State and local governmental entities that operate or place persons in facilities. Imposes the requirements beginning after the next federal decennial census.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)  
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Office of the Secretary of State)  
HB 4650 will cost the Office of the Secretary of State an estimated \$30,000 for the hiring of temporary personnel.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)  
HB 4650 does not create a State mandate.

JUDICIAL NOTE (Admin Office of the Illinois Courts)  
HB 4650 would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE (Dept of Corrections)  
There will be associated administrative tasks that must be completed in order to meet the requirements outlined in HB 4650. However, these requirements can be managed by current Department staff and the fiscal impact is estimated to be minimal. As a result, there would be tasks currently conducted by Department staff that would not be able to be completed due to the shift in workload. There are no new incarceration sanctions, enhanced incarceration penalties, or policy requirements for the Department associated with these provisions. Therefore, there is no corrections population impact on the Department of Corrections.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)  
HB 4650 does pre-empt home rule authority.

JUDICIAL NOTE (Admin Office of the Illinois Courts)  
HB 4650 would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)  
HB 4650 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)  
HB 4650 will have no fiscal impact on any pension fund or retirement system in the State of Illinois.

35 ILCS 105/3-40 from Ch. 120, par. 439.3-40

Amends the Use Tax Act. Provides that "gasohol" means a motor fuel that is a denatured ethanol and gasoline blend that contains (i) no more than 1.25% water by weight and (ii) the maximum proportion of ethanol authorized by the United States Environmental Protection Agency under Section 211 of the Clean Air Act (rather than a motor fuel blend that contains 90% gasoline, 10% denatured ethanol, and no more than 1.25% water by weight).

**HOUSE COMMITTEE AMENDMENT NO. 1**

Provides that if, on or after June 1, 2010, the United States Environmental Protection Agency (USEPA), while acting under the authority granted it in Section 211 of the Clean Air Act, authorizes an increase in the maximum proportion of ethanol that may be included in motor fuel blends, then (i) a motor fuel blend containing a proportion of ethanol greater than that which was authorized prior to the USEPA action shall not be treated as gasohol under the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Use Tax Act, or the Service Use Tax Act, until (A) the State Fire Marshal, the Director of Agriculture, and the Director of the Environmental Protection Agency have each separately certified to the Director of Revenue that the new motor fuel blend meets the definition of "gasohol" in this Section and that the blend can be legally and safely produced and delivered to consumers with non-flex fuel vehicles and (B) the State Fire Marshal has also certified that the fuel delivery infrastructure is safe and (ii) a motor fuel blend containing a proportion of ethanol equal to or less than that which was authorized prior to the USEPA action shall, for 180 days after the Director of Revenue receives the last of the required certifications, continue to be treated as gasohol under the Retailers' Occupation Tax Act, Service Occupation Tax Act, Use Tax Act, and Service Use Tax Act.

**GOVERNOR AMENDATORY VETO MESSAGE**

Recommends that the Director of Agriculture and the Director of the Environmental Protection Agency (instead of those Directors and the State Fire Marshal) certify that a

new motor fuel blend meets the definition of “gasohol”. Further recommends that certain information be provided to the State Fire Marshal concerning compliance of storage tank systems to rules of the State Fire Marshal (instead of the State Fire Marshal certifying that the fuel delivery infrastructure is safe).

New Act

Creates the Employee Credit Privacy Act. Prohibits employers from inquiring about or using an employee's or prospective employee's credit history as a basis for employment, recruitment, discharge, or compensation with some exceptions. Prohibits an employer from retaliating or discriminating against a person who files a complaint under the Act, participates in an investigation, proceeding, or action concerning a violation of the Act, or opposes a violation of the Act. Contains provisions concerning waiver and remedies.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts provisions substantially similar to those of the bill as introduced, creating the Employee Credit Privacy Act, but with changes that include the following: (1) changes references to "credit history" to "credit score", and defines "credit score"; (2) provides that "employer" does not include (i) any bank holding company, financial holding company, bank, savings bank, savings and loan association, credit union, or trust company, or any subsidiary or affiliate thereof, that is authorized to do business under the laws of this State or of the United States, (ii) any State law enforcement or investigative unit, including, without limitation, any such unit within the Office of any Executive Inspector General, the Department of State Police, the Department of Corrections, the Department of Juvenile Justice, or the Department of Natural Resources, or (iii) any State or local government agency which otherwise requires use of the employee's or applicant's credit score; and (3) provides that information concerning an individual's credit score is a bona fide occupational requirement if the employee's or applicant's credit score is otherwise required by federal or State law.

HOUSE FLOOR AMENDMENT NO. 2

Deletes the definition of "credit score" and replaces references to "credit score" with references to "credit history".

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts similar provisions, but with the following changes: Expands the definition of "employer" to include any company authorized to engage in any kind of insurance or surety business pursuant to the Illinois Insurance Code, including any employee, agent, or employee of an agent acting on behalf of a company engaged in the insurance or surety business, and any entity that is defined as a debt collector under federal or State statute. Defines the following terms: "credit history", "credit report", "financial information", "marketable assets", "personal or confidential information", "State or national security", and "trade secrets". Provides that information concerning an individual's credit history is not a bona fide occupational requirement unless the duties of the position include custody of or unsupervised access to cash or marketable assets valued at \$2,500 or more (rather than \$1,000 or more); the position is a managerial position which involves setting the direction or control of the business; the position involves access to personal or confidential information, financial information, trade secrets, or State or national security information; the position meets criteria in administrative rules, if any, that the U.S. Department of Labor or the Illinois Department of Labor (rather than the Department of Labor) has promulgated to establish the circumstances in which a credit history is a bona fide occupational requirement; or the employee's or applicant's credit history is otherwise required by or exempt under (rather than required by) federal or State law. Permits employers to conduct a thorough background investigation, which may include obtaining a report without information on credit history or an investigative report without information on credit history, or both, as permitted under the Fair Credit Reporting Act, provided the information is used for employment purposes only.

SENATE FLOOR AMENDMENT NO. 2

Redefines "financial information" to mean non-public information (rather than information) on the overall financial direction of an organization, including, but not limited to, company taxes or profit and loss reports.

New Act

Creates the Antifreeze Bittering Act. Provides that any engine coolant or antifreeze that is manufactured after January 1, 2011, and subsequently sold within the State, and that contains more than 10% ethylene glycol, shall include denatonium benzoate at a minimum of 30 parts per million and a maximum of 50 parts per million as a bittering agent within the product so as to render it unpalatable. Requires a manufacturer of a product subject to this Act to maintain a record of the trade name, scientific name, and active ingredients of any bittering agent used and to make such information available to the public upon request. Provides that subject to certain exceptions, a manufacturer, processor, distributor, recycler, or seller of an engine coolant or antifreeze that is required to contain an aversive agent shall not be liable to any person for any personal injury, death, property damage, damage to the environment (including natural resources), or economic loss that results from the inclusion of denatonium benzoate in any engine coolant or antifreeze, provided that the inclusion of denatonium benzoate is present in concentrations mandated under the Act. Contains provisions concerning exemptions and penalties. Denies home rule powers.

HOUSE FLOOR AMENDMENT NO. 1

Provides that a manufacturer, processor, distributor, recycler, or seller of an engine coolant or antifreeze containing denatonium benzoate at a minimum of 30 parts per million and a maximum of 50 parts per million shall not be liable, except for willful and wanton misconduct, to any person for personal injury, death, property damage, damage to the environment, damage to natural resources, or economic loss where the inclusion of denatonium benzoate in any engine coolant or antifreeze was the sole cause of the personal injury, death, property damage, damage to the environment, damage to natural resources, or economic loss (rather than, a manufacturer, processor, distributor, recycler, or seller of an engine coolant or antifreeze that is required to contain an aversive agent shall not be liable to any person for any personal injury, death, property damage, damage to the environment (including natural resources), or economic loss that results from the inclusion of denatonium benzoate in any engine coolant or antifreeze); that such civil immunity shall be strictly construed and shall not apply to manufacturers, distributors, recyclers, or sellers of denatonium benzoate prior to its dilution with an engine coolant or antifreeze, or in dilutions with antifreeze or engine coolant of less than 30 parts per million or more than 50 parts per million (rather than, civil immunity does not apply to a particular liability to the extent that the cause of such liability is unrelated to the inclusion of denatonium benzoate in any engine coolant or antifreeze). Adds language providing that civil

immunity shall apply only to causes of action accruing on or after July 1, 2011. Effective July 1, 2011.

New Act

Creates the Farmers' Market Technology Improvement Program Act. Provides that out of funds appropriated to the Department of Human Services for the LINK program, the Department, in cooperation with the Illinois Department of Agriculture, shall use whatever monies are necessary to implement the Farmers' Market Technology Improvement Program to assist nontraditional fresh food markets, such as farmers' markets, Green Carts, market boxes, farm stands and mobile farm stands, produce stands, and other open-air markets, to develop the capability to accept wireless electronic payment cards, including electronic benefits transfer cards or LINK cards, and maintain the equipment usage. Provides that the purpose of the program is to increase access to fresh fruits and vegetables and other LINK eligible food products, including quality meat and dairy, for all Illinois residents by allowing LINK program participants to redeem their SNAP benefits at nontraditional fresh food markets. Requires grant funding to be used for one or more specified purposes including the purchase or rental of wireless point of sale terminals capable of processing SNAP benefits disbursed under the LINK program. Effective July 1, 2010.

HOUSE COMMITTEE AMENDMENT NO. 1

30 ILCS 105/5.755 new

Replaces everything after the enacting clause with similar provisions creating the Farmers' Market Technology Improvement Program Act, but with changes that include the following: (1) changes the definition of "farmers' market" and removes definitions relating to features of farmers' markets; (2) creates the Farmers' Market Technology Improvement Fund as a special fund in the State treasury to receive moneys to be used for implementing the program, and amends the State Finance Act in connection therewith; (3) requires the Department of Human Services and the Department of Agriculture to solicit federal and State funding for implementing the program; (4) changes the purposes for which program funding must be used; and (5) changes the bill's effective date from July 1, 2010 to July 1, 2011. Effective July 1, 2011.

HOUSE FLOOR AMENDMENT NO. 2

Changes the definition of "Farmers' market" to mean a nontraditional fresh food market, licensed by the United States Department of Agriculture's Food and Nutrition Service to accept SNAP benefits, where farmers or growers sell a variety of fresh fruits and vegetables and other locally-grown farm products directly to consumers (rather than, a common facility or area that has been approved by the United States Department of Agriculture's Food and Nutrition Service where several farmers or growers gather on a regular, recurring basis to sell a variety of fresh fruits and vegetables and other locally-grown farm products directly to consumers, including nontraditional fresh food markets). Provides that the Act shall take effect July 1, 2010 (rather than, July 1, 2011) and that the Department of Human Services shall have the regulations in place and shall implement the program by March 31, 2011. Effective July 1, 2010.

intoxicating compound or compounds or any combination thereof (rather than driving while intoxicated). Renames "driver exam training school" as "driver training school" in the Illinois Vehicle Code and Criminal Code of 1961. Changes the definition of "medical examiner" or "medical practitioner" in the Driver's License Medical Review Law of 1992 to include any person licensed to practice medicine in all its branches in the State of Illinois or any other state (rather than just the State of Illinois). Makes other technical changes. Effective immediately.

10 ILCS 5/9-28

Amends the Election Code. Beginning July 1, 2010, requires that (i) each political committee required to file campaign finance reports electronically must be capable of electronically receiving information from the State Board of Elections and (ii) the State Board of Elections, when transmitting information to such a committee, must do so electronically. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:  
10 ILCS 5/9-28

Adds reference to:  
10 ILCS 5/9-15 from Ch. 46, par. 9-15

Deletes everything after the enacting clause. Amends the Election Code. With respect to campaign finance reports, requires that the State Board of Elections: (i) make filed reports and statements available for public inspection and copying within 2 business days after their receipt and permit copying of them at the requester's expense; (ii) develop a filing, coding, and cross-indexing system consistent with the purposes of the campaign finance provisions; (iii) compile and maintain a list of all statements and parts of statements pertaining to each candidate; (iv) prepare and publish reports the Board deems appropriate; and (v) annually notify political committees of filing deadlines. Makes other changes with respect to the Board's publication and notification duties. Effective January 1, 2011.

FISCAL NOTE (State Board of Elections)

HB 4821 would actually save the State of Illinois money. As background, more than 500 committees accept electronic notification right now. However, over 2,000 committees file electronically and would qualify under this legislation. HB 4821 could generate potential savings in postage and mail processing areas. In addition, under Public Act 96-

832, the campaign finance package passed in 2009, the number of reports will double to four per year; thereby doubling the amount of mail that must be sent.  
JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

HB 4821 would neither increase nor decrease the number of judges needed in the State.  
STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)  
Does not create a State mandate.

FISCAL NOTE (Dept. of Agriculture)

The fiscal impact to the Department of Agriculture as a result of HB 4936 would be very difficult to estimate due to the uncertain amount of field inspections and associated enforcement actions that may result. They have been estimated as follows: Revenues - The State would receive very little revenues from the enactment of HB 4936 and would be limited to any increase in fines collected as a result of enforcement actions taken. The Department estimates such increase in collected fines to be less than \$5,000 per year. Expenditures - The administration of the new requirements contained in HB 4936 would require at least 2.5 full-time-equivalents of staff resources. These would be split between program management/enforcement case processing and field inspection/investigation. An initial estimate of staff requirements would be at least 0.5 FTE section manager/ enforcement officer, and not less than 2 FTE field staff with an approximate annual cost of \$260,000. After adding costs associated with equipment, supplies, and other related expenses, the annual cost of the amended bill to the Department is estimated at not less than \$275,000 per year.

Amends the Juvenile Court Act of 1987. Eliminates the provision that the State's Attorney may object to a court order of continuance under supervision. Provides that at the successful completion of probation by a first-time offender, a minor may move to vacate a finding of delinquency and the court may enter a judgment of dismissal. Provides that unless good cause is shown, such motion to vacate must be filed within 30 days of the entry of the order terminating probation or discharging the minor. Establishes conditions and factors under which a court may vacate a finding of delinquency. Exempts certain offenders from these provisions. Provides that once a motion to vacate a finding of delinquency has been granted, the case shall be treated as if it never occurred, and the person may not be required to disclose that he or she had a juvenile record. Provides that the amendatory Act shall govern all motions pending at the time of its effective date. Effective immediately.

305 ILCS 5/5-20

Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that beginning July 1, 2010, the Department shall annually, instead of monthly, issue a health card to individuals suffering from a permanent physical disability. Defines "permanent physical disability" to mean a permanent physical impairment, resulting from disease, injury, functional disorder, or congenital condition which renders a person incapable of adequately providing for his or her own health and personal care. Effective July 1, 2010.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that on or before July 1, 2011, the Department of Healthcare and Family Services shall cease issuing monthly MediPlan cards and shall instead issue permanent or semi-permanent member cards to individuals enrolled for medical assistance, and that the Department may employ any reasonable means by which providers may verify an individual's eligibility for medical assistance in place of MediPlan cards (rather than, beginning July 1, 2010, the Department shall annually, instead of monthly, issue a health card to individuals suffering from a permanent physical disability). Eliminates language defining the term "permanent physical disability." Removes the July 1, 2010 effective date.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Healthcare & Family Services)

The fiscal impact for HB 5054 (H-AM 1) cannot be determined until the Department of Healthcare & Family Services ascertains the most cost-effective means of producing semi-permanent or permanent cards. The Department of Healthcare & Family Services is committed to implementing this law at no additional long-term cost to the State and will strive to reduce expenditures through this process.

Makes changes in provisions concerning persons authorized to conduct a judicial sale. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with substantially similar provisions, but with a change concerning persons authorized to conduct a judicial sale: now includes any person who had been appointed by any circuit court in any matter (instead of any person appointed) pursuant to foreclosure provisions of the Act. Provides that the failure to send or receive a copy of the order does not affect the rights of the mortgagee or purchaser or affect the foreclosure proceedings. Makes other changes. Provides that only the changes concerning persons authorized to conduct a judicial sale take effect upon becoming law.

Contains a nonacceleration clause.

15 ILCS 405/9.03 from Ch. 15, par. 209.03

Amends the State Comptroller Act. Provides that, beginning 6 months after the effective date of the amendatory Act and subject to federal banking regulations, the Comptroller must, by rule, with the approval of the State Treasurer, require the direct deposit of all payments to State employees for personal services that are lawfully payable from the State Treasury. Provides that a record of each deposit shall be available to the employee only through a secure Internet website.

**FISCAL NOTE (Office of the Comptroller)**

The direct cost to the Office of the Comptroller in requiring all payment of salaries to State employees is minimal since salary warrants issued by the Office are picked up by each individual State agency for distribution. However, any cost savings at the agency level is undeterminable by the Office of the Comptroller. Approximately, 89% of State employees are currently enrolled in the direct deposit program. Because of the percentage of employees who are already utilizing direct deposit for payroll, and assuming 100% compliance by the remaining State employees when the program is implemented, the annual cost savings for the Office of Comptroller would approximate \$101,600, which includes the following: (1) Two Employees = \$85,000; (2) Cost of warrant stock @\$17.18/1,000 = \$3,200; (3) IOC cost to mail 7,600 warrants (all others are picked up) = \$3,400; (4) Printer and supplies cost (estimate) = \$10,000. However, this savings would be lessened when factoring in an estimated \$458,000 that would be necessary to implement a secure Internet website so employees can verify payment of their salary. This estimate includes: (1) Computer hardware and software expenses = \$46,000 to \$58,000; (2) Bandwidth expansion paid to CMS = \$360,000; (3) Staffing personnel at implementation stage = \$40,000.

## 305 ILCS 5/5-2

from Ch. 23, par. 5-2

Amends the Medical Assistance Article of the Illinois Public Aid Code. Prohibits the Department of Healthcare and Family Services, the Department of Human Services, the Department on Aging, or any other State agency from utilizing a third-party managed care organization, a health maintenance organization, or any similar provider to administer or pay for medical assistance benefits made available under the Social Security Act or basic maintenance benefits made available by federal waiver to those persons eligible under specified provisions of the Code, unless the third party has an existing contractual relationship with the State to provide benefits to those eligible persons on or before December 31, 2009. Effective immediately.

## HOUSE FLOOR AMENDMENT NO. 1

Eliminates language prohibiting the Department of Healthcare and Family Services, the Department of Human Services, the Department on Aging, or any other State agency from utilizing a third-party managed care organization or any other similar provider to administer or pay for any and all medical assistance benefits made available under the Social Security Act. Provides that the Department of Healthcare and Family Services shall not be prohibited from contracting with vendors to continue the operation of care or disease management programs that existed prior to December 31, 2009.

## FISCAL NOTE (Dept. of Healthcare &amp; Family Services)

HB 5113 would prohibit the Department from implementing innovative and creative ways to deliver health care through the Integrated Care Program and other care management programs that have been proposed. The Integrated Care Program alone, targeting just a small segment of the Medicaid population, is estimated to save the State \$200 million in the first five full years of operation. This would be the minimal impact

of the bill. In addition, the bill could prevent reprocurring or enhancing the Disease Management Program and PCCM programs, which also save more than \$100 million annually.
