Establishes minimum standards for critical care transport programs. Grants the Department the authority to suspend, revoke, or refuse to issue or renew (rather than suspend, revoke, or refuse to renew) the license of any EMT that has been convicted by any lawful court of a felony criminal offense involving unlawful physical injury to a child under the age of 13 or an adult

over the age of 65. Contains provisions concerning application, testing, certification, and licensing fees for First Responders, EMS Lead Instructors, Emergency Medical Dispatchers, Trauma Nurse Specialists, Pre-Hospital Register Nurses, and Emergency Communication Register Nurses. Makes other changes. Effective January 1, 2011.

HOUSE FLOOR AMENDMENT NO. 1

Adds reference to:  
210 ILCS 50/3.160

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes: Changes the definition of "critical care transport". Provides that the Department of Public Health shall have the authority to promulgate minimum standards for critical care transport providers (rather than minimum standards for critical care transport) through rules adopted pursuant to the Emergency Medical Services (EMS) Systems Act, and that nothing in Department rules shall restrict a hospital's ability to furnish personnel, equipment, and medical supplies to any vehicle service provider, including a critical care transport provider. Adds reserve ambulances to the list of vehicles that must be specified by level and type on all provider licenses issued by the Department. Provides that no employer shall permit any employee to perform any services for which a license, certificate, or other authorization is required under this Act, unless the employer first makes a good faith attempt to verify that the employee possesses all necessary and valid licenses, certificates, and authorizations required under the Act. Provides that the Department shall have the authority to prohibit any Vehicle Service Provider, whether municipal, private, or hospital-owned, from advertising itself as a critical care transport provider unless it participates in a Department-approved EMS System critical care transport plan. Provides that a Vehicle Service Provider may be charged a fee per transport vehicle to be submitted with an application for licensure and renewal and that the fee shall be set by administrative rule and shall not exceed 100 vehicles per provider. Eliminates language providing that the Department shall have the authority to license, inspect, and promulgate rules governing the use and service placement of reserve ambulances. Makes other changes. Effective January 1, 2011.

SENATE FLOOR AMENDMENT NO. 2

Adds language providing that the Department of Public Health shall have the authority to suspend, revoke, or refuse to issue or renew the license of any EMT licensee, after an opportunity for an impartial hearing before a neutral administrative law judge appointed by the Director of the Department of Public Health; and that the Department shall have the authority to suspend, revoke, or refuse to issue or renew the license of any EMT licensee where the preponderance of evidence presented at the hearing shows that the licensee has been convicted (or entered a plea of guilty or nolo-contendere) by a court of competent jurisdiction of a Class X, Class 1, or Class 2 felony in this State or an out-of-state equivalent offense (rather than had been convicted (or entered a plea of guilty or nolo-contendere) by a law court of a felony offense, which, upon conviction, subjects the convicted licensee to a minimum imprisonment of 2 years or more). Provides that a First Responder who exclusively serves as a volunteer for units of local government or a not-for-profit organization with a population base of less than 5,000 may submit an application to the Department for a waiver of specified fees. Provides that the Department shall have the authority and responsibility to (i) charge each candidate for EMS Lead Instructor a fee to be submitted with an application for an examination, an application for certification, and an application for recertification (rather than an application for renewal); and (ii) charge each Pre-Hospital RN applicant and ECRN applicant a fee for certification and recertification (rather than certification, licensure, and license renewal).

35 ILCS 5/219 new

Amends the Illinois Income Tax Act. Authorizes a credit to individual taxpayers who are residents of Illinois for expenditures made by the taxpayer during the taxable year for qualified college tuition expenses paid for the taxpayer or a dependent of the taxpayer, as determined under the Act, for up to 4 years of college education for each eligible student attending an institution of higher education. The amount of the credit is equal to 25% of the qualified college tuition expenses, but not to exceed \$2,500 per student per taxable year. If a taxpayer claims a credit for a dependent, then that dependent may not claim a credit on the dependent's return for that taxable year. Defines "qualified college tuition expenses" as the tuition required for the enrollment or attendance of a student who is eligible to receive grants from the Monetary Award Program at an institution of higher education, except that tuition payments made through scholarships or other financial aid are excluded and tuition payments for post-baccalaureate or other graduate degrees are excluded. Provides that the credit may not reduce the taxpayer's liability to less than zero and may not be carried back or carried forward. Exempt from the Act's sunset provisions. Effective immediately.

Removes the requirement that agencies perform periodic reviews of their rules in order to evaluate their effect on small businesses.

**HOUSE FLOOR AMENDMENT NO. 2**

Deletes everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with the following changes: Requires the analysis before a rule is filed (instead of before a rule is adopted). Requires that the analysis be completed before (instead of within) the first notice period. Removes the authority of a State agency that enforces federal standards or administers federal programs from using an analysis prepared by, or with the assistance of, the relevant federal agency. Exempts emergency rules and rules to which the Act's general rulemaking procedures do not apply from the requirements of preparing and submitting a small business impact analysis.

**SENATE FLOOR AMENDMENT NO. 2**

Replaces everything after the enacting clause with the engrossed bill with the following changes: Specifies that the small business impact analysis requirement occurs before a proposed rule or amendment is filed for publication in the Illinois Register (instead of before it is filed). Removes the requirement that the Business Assistance Office prepare the small business impact

analysis at the request of the State agency proposing the rule or amendment. Adds to the information required in the small business impact analysis. Restores the Act's requirement that the Business Assistance Office prepare an economic impact analysis of any proposed rule or amendment; requires that the Office do so before or within (instead of within) the first notice period. STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (Dept. of Children & Family Services)

The practices which the legislation now intends to require have no fiscal impact, as they are currently in place, whether they involve development of standards, training, provider compliance, or medication review. However, DCFS and the University of Illinois are continuing to work on additional areas of policy including: reasonable controls, psychiatric medication protocols, and authorizations & prescriptions for 18-21 year old wards. Consequently, these further developments may be affected by future amendments to this legislation. If these additional changes take place, further review would be needed to assess any fiscal impact.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that for an inmate incarcerated in a Department of Corrections facility, the process server shall contact the chief administrative officer 2 days in advance to make arrangements for service of process. Provides that service upon a warden's or sheriff's representative shall constitute substitute service. Provides that if a representative accepts service of process for an inmate, the process shall be delivered to the inmate, but no fine, penalty, or other liability (instead of fine) may be imposed for the failure to do so. Provides that if it is determined after the process has been left with the representative that the inmate is not present, the representative shall promptly return the process, indicating that the substitute service could not be effectuated. Provides that the process server shall notify the court of the unsuccessful service.

SENATE FLOOR AMENDMENT NO. 2

This bill does pre-empt home rule authority.

FISCAL NOTE (Dept. of Agriculture)

The fiscal impact to the Department of Agriculture as a result of HB 5300's provisions would be as follows: Revenues - \$20,000 was generated in FY09 from citations imposed on licensees. Thus far in FY10, \$12,000 has been collected. Licensing fees in FY09 generated \$102,000. Expenditures - The administration of the licensing program requires 0.5 FTE clerical staff. At the present time, there is 6 full time field staff that inspect licensees and enforce the AWA. There is one administrator and one clerical staff member in support of the field staff. The operation costs for the Animal Welfare program of the Bureau of Animal Health and Welfare is over \$700,000.00. The fees generated from this fund alone would not be sufficient for the Bureau of Animal Welfare to operate. Failure

to continue to fund the Bureau from GRF would cause the Bureau to cease functioning.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill and also amends the Mental Health and Developmental Disabilities Code as follows: changes certain existing provisions regarding involuntary admission to provisions regarding either (i) "involuntary admission on an inpatient basis" or (ii) "involuntary admission on an inpatient or outpatient basis"; adds provisions under which a person 18 years of age or older may be found by a court to be subject to involuntary admission on an outpatient basis and may receive alternative treatment in the community or may be placed in the care and custody of a relative or other person; changes certain existing provisions regarding orders for alternative treatment or care and custody to provisions regarding orders for "admission on an outpatient basis"; makes various changes regarding definitions, court hearings, discharge, restoration, transfer, and other matters; and repeals certain provisions concerning dangerous conduct, examination and detention, and the duration and contents of certain orders. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 2

Changes the term "person subject to involuntary admission" to "person subject to involuntary admission on an inpatient basis". Defines the term to mean a person with mental illness who because of his or her illness is reasonably expected, unless treated on an inpatient basis, to engage in conduct placing such person or another in physical harm or in reasonable expectation of being physically harmed (rather than dangerous conduct which may include threatening behavior or conduct that places that person or another individual in reasonable expectation of being harmed, unless treated on an inpatient basis). Further defines the term to mean a person with mental illness who refuses treatment, is unable to understand his or her need for treatment, and is reasonably expected to suffer mental or emotional deterioration.

SENATE FLOOR AMENDMENT NO. 3

Makes technical changes to the definition of "person subject to involuntary admission on an inpatient basis".

Sets forth the circumstances under which indemnification under a closing protection letter may include limitations on the liability of the title insurance. Provides that a title insurance company shall be liable for the acts or omissions of its title insurance agent as an escrow agent if the title insurance company has authorized the title insurance agent and only to the extent of the liability undertaken by the title insurance company in the agency agreement or closing protection letter. 215 ILCS 155/16.1 new

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Provides that if an agency contract between the title insurance company and the title insurance agent is the source of the authority for a title insurance agent to act as escrow agent for a real property transaction, then the agency contract shall provide for no less protection from the title insurance company to all parties to the real property transaction than the title insurance company would have provided to those parties had the title insurance company issued a closing protection letter. Provides that the liability of the title insurance agent to the title insurance company for acts and omissions of the title insurance agent as an escrow agent shall not be limited or modified because the title insurance company has provided closing protection in a real property transaction. Provides that a title insurance company or title insurance agent shall not act as an escrow agent in a nonresidential real property transaction where the amount of settlement funds on deposit with the escrow agent is less than \$2,000,000 or in a residential real property transaction unless certain specified conditions are met. Provides that closing protection letters are not required under certain circumstances but shall be issued if requested under other circumstances. Sets forth provisions concerning closing or settlement protection. Provides that unless otherwise agreed to between a title insurance company and a protected person or entity, a closing protection letter shall indemnify all parties to a real

property transaction against actual loss, not to exceed the amount of the settlement funds deposited with the escrow agent. Provides that the indemnification under a closing protection letter may include limitations on the liability of the title insurance company for fraud, dishonesty, or negligence of an employee, agent, attorney, or broker, who is not also the escrow agent or an independent contract closer of the escrow agent, of the indemnified party to the real property transaction. Makes other changes.

SENATE COMMITTEE AMENDMENT NO. 1

New Act

Creates the Homeowners' Solar Rights Act. Provides that each homeowners' association and condominium unit owners' association shall adopt an energy policy statement concerning the location, design, and architectural requirements of solar energy systems or other energy devices. Provides that any entity that complies with the Act is not liable to any other resident or third party for such compliance. Provides that the Act does not apply to a building more than 30 feet in height. Includes other provisions.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions substantially similar to the bill as introduced, except provides that: it is applicable only to solar energy systems on homes; a homeowners' association, property owners' association, or condominium unit owners' association must adopt an energy policy statement regarding the location, design, and architectural requirements of solar energy systems within one year after the effective date, or within 120 days after the association receives a request for a policy statement or an application from an association member, whichever is earlier; and an application for approval, if required, must be acted upon within 90 days after the time of application or, if a policy is not then in place, then 90 days after the policy is adopted. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with provisions substantially similar to the bill as introduced, except provides that: it is applicable only to solar energy systems on homes; a homeowners' association, property owners' association, or condominium unit owners' association must adopt an energy policy statement regarding the location, design, and architectural requirements of solar energy systems within 120 days after the association receives a request for a policy statement or an application from an association member; and an application for approval, if required, must be acted upon within 90 days after the time of application or, if a policy is not then in place, then 90 days after the policy is adopted. Makes other changes.

SENATE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause with provisions identical to the engrossed bill except that it: adds definitions of solar energy, solar collector, solar storage mechanism, and solar energy system; makes the Act's provisions applicable to homeowners' associations, common interest community associations (instead of property owners' associations), and condominium unit owners' associations; and provides that this Act does not apply to any building which is greater than 30 feet in height.

SENATE FLOOR AMENDMENT NO. 3

Makes changes in the Homeowners' Solar Rights Act. Specifies in the legislative intent provisions that the Act applies to any home that is subject to a homeowners' association, common interest community association, or condominium unit owners' association. Adds to provisions concerning deed restrictions, covenants, or similar binding agreements relating to solar energy systems that those restrictions only apply if the building is subject to a homeowners' association, common interest community association, or condominium unit owners' association.

Amends the Township Code. Provides that a vacancy in office occurs if a township officer or a member of a township board of directors resigns or is convicted of a disqualifying crime. Specifies that a conviction for an offense that disqualifies an officer from holding that office or a director from membership on the board occurs on the date of the return of a guilty verdict or, in the case of a trial by the court, the entry of a finding of guilt. STATE DEBT IMPACT NOTE (Admin Office of the Illinois Courts)

HB 5480 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

HB 5480 would neither increase nor decrease the number of judges needed in the State.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

HB 5480 (H-AM 1) would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE (Government Forecasting & Accountability)

HB 5480 will have no fiscal impact on any pension fund or retirement system in Illinois.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)

This legislation has no fiscal or population impact on the Department.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 5480 does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 5480 does not pre-empt home rule authority.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in HB 5480 (H-AM 1), therefore, there are no appraisals to be filed.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 5480 (H-AM 1) will have no fiscal impact on any pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government

Forecasting & Accountability)

HB 5480 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Illinois State Police)

It is difficult to estimate how many private transactions would be conducted, but the Illinois State Rifle Association (ISRA) provided the estimate of 260,000 transactions. The Firearm Transfer Inquiry Program (FTIP) would see a significant increase in the number of transactions needing to be processed. It is believed additional personnel and IT resources would be needed to avoid processing delays. It is not unreasonable to estimate start-up and out year costs to exceed \$250,000 based on the ISRA estimate. The preliminary estimates include: (1) 4 Office Associates (@\$60,000) = \$240,000; (2) 5 Computers (@ \$1,500) = \$7,500; (3) 5 FTIP phones (@\$1,000) = \$5,000; (4) 1 Supervisor = \$80,000; (5) System Modifications = \$50,000; Total = \$382,500. The amendment requiring an Internet based system be in place by 2012 will require funding in advance. \$2 million in FY11 and \$1.5 million in FY12 will be needed, but has not yet been identified.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

The initial cost associated with HB 5480 (House Amend. 1) is \$382,500. This estimate does not include additional implementation costs that cannot be identified at this time. Additionally, no funding source is identified in the legislation, so it is reasonable to assume any associated implementation costs would be absorbed by the General Revenue Fund.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

Does not create a State mandate.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

Does not pre-empt home rule authority

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

No effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

735 ILCS 5/9-106.2 new

Amends the Code of Civil Procedure. Provides that it is an affirmative defense to a forcible entry action if the demand for possession is based on: the status of the tenant, lessee, or household member as a victim of domestic violence, dating violence, stalking, or sexual violence; an incident of domestic violence, dating violence, stalking, or sexual violence against a tenant, lessee, or household member; or criminal activity engaged in by a member of a tenant's or lessee's household or any guest or other person under the tenant's, lessee's, or household member's control directly relating to domestic violence, dating violence, stalking, or sexual violence and against the tenant, lessee, or household member. Provides that the existence of the affirmative defense does not prevent a landlord from seeking possession solely against a tenant, household member, or lessee who perpetrated the violence. Effective immediately.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Replaces everything after the enacting clause with provisions substantially similar to the bill as introduced with the following changes and additions: provides that the affirmative defense is available if the demand for possession is based solely on one of the listed grounds (rather than based on one of the listed grounds); specifies types of evidence that shall be provided to support the affirmative defense; and states that the new provisions do not prevent a landlord from seeking possession against the entire household, including the tenant, lessee, or household member who is a victim of domestic violence, dating violence, stalking, or sexual violence if the tenant, lessee, or household member's continued tenancy would pose an actual and imminent threat to other tenants, lessees, household members, the landlord or their agents at the property. Makes other changes. Effective immediately.

**HOUSE FLOOR AMENDMENT NO. 2**

Replaces everything after the enacting clause with provisions substantially similar to the bill as amended with the following changes and additions: provides that the affirmative defense is available if the court makes a finding (rather than the absence of a finding requirement) that grounds for an affirmative defense exists; adds, as a ground for an affirmative defense, that the tenant did not knowingly allow entry to a person that the landlord had barred from the premises. Provides that: a landlord may seek possession if that tenant, lessee, or household member has committed the criminal activity on which the demand for possession is based; and a landlord may bar a person, other than a tenant or household member, from the premises by written notice to the tenant that states that if the tenant invites the barred person onto the premises, then the landlord may treat this as a breach of the lease, regardless of the lease terms. Provides the requirements of a landlord's notice to a barred person which informs the person that if he or she violates the notice by entry onto the premises, the person is guilty of criminal trespass to real property. Makes other changes. Effective immediately.

Sets forth provisions concerning application, fees, duration of licensure, license retention requirements, submissions to the Department, penalties, revocation, and suspension. Grants rulemaking authority to the Department and provides that for the purpose of determining compliance with the Act, the Act may be enforced by any municipality in which a licensee is located or, if a licensee is not located in a municipality, by the county in which a licensee is located.

Amends the Code of Civil Procedure. Provides that in actions arising out of bodily injury, death, or damage to property based on negligence or product liability based on strict tort liability there will not be joint and several liability, rather when more than one defendant is found to be liable, a defendant will only be liable for that percentage of the plaintiff's damages, found by the trier of fact, that the defendant's percentage of contributory fault, found by the

trier of fact, represents. Provides that those provisions do not apply when the plaintiff is barred from recovering damages because the plaintiff's contributory fault is more than 50% of the proximate cause of the injury, death, or damage to property. Amends the Joint Tortfeasor Contribution Act requiring, in the event that the obligation of one or more tortfeasors is uncollectible, the remaining tortfeasors to share, pro rata, the unpaid portion. Repeals Section stating that a plaintiff's right to recover the full amount of his or her tort judgment from any one or more defendants is unaffected by the Contribution Act.

Amends the Children's Health Insurance Program Act and the Covering ALL KIDS Health Insurance Act to delete language mandating that if required monthly premiums are not paid, then the child shall be ineligible for re-enrollment for a minimum period of 3 months.

FISCAL NOTE (Dept. of Healthcare & Family Services)

Fiscal impact is expected to be minimal for two reasons. First, the Department of Healthcare and Family Services has to cover high cost care anyway because a child with high medical costs is eligible under spenddown even during the penalty because of federal law. Second, any potential increase in medical liability would be offset by improved client health outcomes from continuous availability of care.

HB 5975 does not create a State mandate.

PENSION NOTE (Government Forecasting & Accountability)

HB 5975 will have no fiscal impact on any pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 5975 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness. The Commission estimates that electronic gaming at horse tracks will generate approximately \$177.5 million in recurring tax revenues. Of this amount, \$37 million would go to local governments, \$18.1 million would go to horse racing related funds, and the remaining \$122.5 million would go into the Capital Projects Fund. The Capital Projects Fund is used to pay for capital projects and for debt service on bonds.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Dept. of Revenue)

Deposits to the State Gaming Fund will be divided between the Capital Projects Fund, Colt Stakes Purse Distribution Fund, Illinois Thoroughbred Breeders Fund, and Grants to NonProfits and Medical and Family Counseling services. Best case and worst case scenarios selected from four separate scenarios that were constructed based on averages from racinos in Midwestern states, the National average, Louisiana (because of the presence of both casino gaming and widespread video gaming in addition to racinos) and Florida (because it has a large population and Native American casinos operate alongside racinos). The State share of the aggregate of gross gaming receipts tax and admissions tax is summarized by fund as follows: (1) Capital Projects Fund, High = \$59,310,000.00, Low \$36,520,000.00; (2) Illinois Colt Stakes Purse Distribution Fund, High \$7,500,000.00, Low \$5,470,000.00; (3) Illinois Thoroughbred Breeders Fund, High \$9,280,000.00, Low \$2,390,000.00; (4) grants to nonprofits and medical and family counseling, High \$1,250,000.00, Low \$1,250,000.00. Additionally, prior to racinos beginning operation, the State can expect to receive \$45.2 million in fees from licenses and electronic gaming devices from the Capital Projects Fund. Four years after the license is granted a second payment of 25 percent of the highest 12 months of AGR in the past four years less the original license fee paid per machine will be remitted to the State. The amount expected is between \$27.7 million and \$54.7 million.

30 ILCS 805/8.34 new

Creates the Care of Students with Diabetes Act. Requires a parent or guardian to submit a diabetes care plan for a student with diabetes who seeks assistance with diabetes care in the school setting (whether a public or a private school). Provides that a delegated care aide shall perform the activities and tasks necessary to assist a student with diabetes in accordance with his or her diabetes care plan. Sets forth what a student with diabetes must be permitted to do. Provides that a school district may not restrict the assignment of a student with diabetes to a particular school on the basis that the school does not have a full-time school nurse, nor may a school deny a student access to any school or school-related activities on the basis that a student has diabetes. Provides for school employee protections against retaliation, civil immunity, and rights under federal law. Amends the School Code. In provisions concerning the administration of medication, provides that under no circumstances shall teachers or other non-administrative school employees, except certified school nurses, non-certificated registered professional nurses, and advanced practice nurses (currently, except certified school nurses and non-certified registered professional nurses) be required to administer medication to students. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**HOUSE FLOOR AMENDMENT NO. 1**

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Makes changes to the findings. Makes changes to the definitions of "delegated care aide", "diabetes care plan", and "principal" and defines "health care provider". Provides that a diabetes care plan must be signed by a student's parent or guardian and submitted to the school for any student with diabetes who seeks assistance with diabetes care in the school setting, unless the student has been managing his or her diabetes care in the school setting before the effective date of the Act, in which case the student's parent or guardian may sign and submit a diabetes care plan under the Act (instead of requiring the diabetes care plan to be signed and submitted by a parent or guardian). Makes changes concerning what the diabetes care plan must include. Provides that parents are responsible for informing the school in a timely manner of any changes to the diabetes care plan and their emergency contact numbers. Provides that the principal shall facilitate compliance with the provisions of a diabetes care plan during all school-sponsored activities (instead of ensuring that the school has at least one delegated care aide present and available at the school). 765 ILCS 605/18 from Ch. 30, par. 318

Amends the Condominium Property Act. In provisions that provide that when 30% or fewer of the units, by number, possess over 50% in the aggregate of the votes in the association, any percentage vote of members specified in the Act or in the condominium instruments shall require the specified percentage by number of units rather than by percentage of interest in the common elements allocated to units, that when making a determination of any percentage or aggregate number of votes, a garage unit or storage unit, or both, in total, have no more votes than their aggregate percentage of ownership; this shall mean that if garage units or storage units, or both, are to be given a vote, that the association must add the total of garage units or storage units, or both, and divide the total by the number of garage units, storage units, or both, to determine the vote of each garage unit or storage unit. (instead of a unit shall not include a garage unit or a storage unit). Effective immediately.

#### **HOUSE COMMITTEE AMENDMENT NO. 1**

Eliminates the amendatory changes made by the introduced bill. Amends provisions of the Condominium Property Act stating that when 30% or fewer of the units, by number, possess over 50% in the aggregate of the votes in the association, any percentage vote of members shall require the specified percentage by number of units rather than by percentage of interest in the common elements allocated to units that would otherwise be applicable. Adds language providing that garage units or storage units, or both, shall have, in total, no more votes than their aggregate percentage of ownership in the common elements and that those provisions mean that if garage units or storage units, or both, are to be given a vote, or portion of a vote, that the association must add the total number of votes cast of garage units or storage units and divide the total by the number of garage units or storage units and multiply by the aggregate percentage of ownership of garage units and storage units to determine the vote, or portion of a vote, that garage units or storage units have. Effective immediately.

Defines "Agency", "baby food", "Department", "infant formula", "manufacturer", "person", and "reusable food or beverage container".

**HOUSE COMMITTEE AMENDMENT NO. 1**

Provides that, beginning June 1, 2011, any food product, other than infant formula or baby food, that is contained in a can, jar, or plastic container containing bisphenol-A (rather than "in a can, jar, or plastic container") shall bear a conspicuous label stating, "This container is made with bisphenol-A (BPA)".

Provides that beginning on July 1, 2012, the Board of Higher Education is authorized to collect and maintain data from any non-public institution of higher learning enrolling one or more students receiving Monetary Award Program grants and any non-public institution of higher learning that confers graduate and professional degrees, pursuant to specified provisions of the Higher Education Student Assistance Act, and disclose this data to the longitudinal data system for the purposes set forth in the P-20 Longitudinal Education Data System Act. Provides that the State shall provide adequate appropriations to support the development of a consortium of data submitting institutions and that the July 1, 2012 deadline for non-public institution participation in a consortium may be extended up 2 years, pending State appropriations to support the development of the consortium. Provides that data that has been submitted to the Board of Higher Education by a consortium of non-public colleges and universities is prohibited from being included in any interstate data-sharing agreements with other states unless consortium participants agree to allow interstate data sharing. Provides that any non-public, non-profit college may prohibit its data from being shared with any other state. Provides that any non-public, non-profit college may prohibit its data from being included in any interstate data-sharing agreement. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. In provisions concerning the collection and maintenance of data, provides that the Board of Higher Education shall seek and may make available (instead of just allowing to make available) grant funding to a consortium of non-public institutions including higher learning (instead of non-public institutions of higher learning) to provide assistance in the development of a data collection system. Deletes language providing that the State shall provide adequate appropriations to support the development of a consortium of data submitting institutions and that the July 1, 2012 deadline for non-public institution participation in a consortium may be extended up to 2 years, pending State appropriations to support the development of the consortium. Changes the effective date from immediate to July 1, 2010.

HOUSE FLOOR AMENDMENT NO. 2

Provides that the Board of Higher Education shall seek and may make available grant funding to a consortium including non-public institutions of higher learning (rather than to a consortium of non-public institutions including higher education) to provide assistance in the development of a data collection system. Provides that any non-public college (rather than non-public, non-profit college) may prohibit its data from being shared with any other state and

from being included in any interstate data-sharing agreement.

Prohibits applicators for hire from applying fertilizer containing phosphorus to a lawn, except as demonstrated to be necessary by a soil test which establishes that the soil is lacking in phosphorous when compared against a standard established by the University of Illinois. Requires the soil test to be conducted no more than 36 months before the intended application of the fertilizer and by a soil testing laboratory that has been identified by the University of Illinois, or approved by the Department, as an acceptable laboratory for soil testing. Provides that a soil test shall not be required if the fertilizer to be applied is a 0% phosphate fertilizer or the fertilizer is being applied to establish a lawn in the first growing season. FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Agriculture)

The fiscal impact to the Department as a result of HB 6099 (H-AM 1) would be as follows: Revenues - The State should receive approximately \$105,000 of revenues as a result of the new registration requirement based on an estimated 1,000 sites each submitting the required \$100 "registration" fee and \$5 "duplicate" registration fee. The Department is aware of approximately 700 wash water containment areas currently permitted under Section 5 of the Lawncare Products Application and Notice Act (LCPANA) which would each most likely qualify for the registration requirement. We expect that an additional number of sites beyond the currently permitted ones would also require registration. We have estimated that number at 300. Expenditures - The administration of the registration program coupled with the enforcement of the fertilizer application restrictions are estimated to require at least 3.5 full-time-equivalents of staff resources. These would be split between clerical (registration processing and general clerical activities), program management/ enforcement case processing, and field inspection/investigation. An initial estimate of staff requirements would be at least 1 FTE clerical position, .05 FTE section manager/enforcement officer, and 2 FTE field staff which would be equivalent to an approximate annual cost of \$325,000. After adding these costs, the cost of the amended bill to the Department is estimated at not less than \$350,000 per year.

HOUSE FLOOR AMENDMENT NO. 2

Deletes reference to:

415 ILCS 65/5b new

Deletes everything after the enacting clause. Reinserts the provisions of House Committee Amendment No. 1, with the following changes: (1) defines "lawn repair products"; (2) provides that certain soil testing is not required if the fertilizer is being applied during the first 2 growing seasons (rather than the first growing season); (3) provides that the application restrictions do not apply to the application of lawn repair products or certain manipulated animal or vegetable manures; (4) removes a provision that required the registration of company locations that employ applicators for hire to apply fertilizer to lawns; and (5) makes changes concerning home rule powers. Effective July 1, 2010.

SENATE COMMITTEE AMENDMENT NO. 1

Amends the Environmental Protection Act. Prohibits, on and after January 1, 2011, the installation of drycleaning machines that use perchloroethylene (PERC). Prohibits, on and after January 1, 2013, the use of PERC in certain drycleaning applications. Bans, beginning on January 1, 2026, the use of PERC in drycleaning. Defines "drycleaning" and "drycleaning machine". Amends the Drycleaner Environmental Response Trust Fund Act. Imposes, and requires the Department of Revenue to collect, 2 additional taxes on PERC. Requires moneys received from these taxes to be deposited into a grant account in the Drycleaner Environmental Trust Fund. Provides that moneys in the grant account may be used, subject to certain limitations, to (i) establish a demonstration program to showcase green solvent drycleaning technologies and (ii) provide grants to encourage a transition to use of those technologies. Authorizes the Drycleaner Environmental Response Trust Fund Council to adopt rules for administering the grant program. Repeals one PERC tax on January 1, 2020 and makes changes to prevent the repeal of another PERC tax on that date. Defines "drycleaning machine" and "green solvent". Effective immediately.

FISCAL NOTE (Illinois Environmental Protection Agency)

HB 6115 would only have a minimal fiscal impact on the Illinois EPA as the Agency would implement the bill with its existing resources. Moreover, the 15 year phase-out set forth in the bill reflects the estimated life of a perc drycleaning machine, so that phasing out the perc machines over this period of time will allow for minimal impact to affected drycleaners. The grant program created by this bill would be administered by the Drycleaner Environmental Response Trust Fund Council.

Amends the Public Utilities Act. Provides that the term "eligible renewable electrical generating facility" includes a generator powered by agricultural residues, untreated and unadulterated wood waste, landscape trimmings, and livestock manure. Provides that for eligible customers (rather than only residential customers), the measuring of the flow of electricity in both directions at the same rate shall typically be accomplished through use of a single, bi-directional meter. Deletes language with respect to net metering for non-residential customers. Provides that the electricity provider shall continue to carry over any excess kilowatt-hour credits earned and apply those credits to subsequent billing periods to offset any customer-generator consumption in those billing periods until all credits are used or until service is terminated (instead of or until the end of the annualized period). Deletes language concerning (1) net metering for certain non-residential customers, (2) specified charges, (3) specified customer credits, and (4) the number of eligible customers for net metering. Provides that the meter aggregation shall be subject to the terms and conditions approved by the Illinois Commerce Commission in a proceeding establishing the rules applicable to meter aggregation under specified provisions, which shall commence no less than 180 days after the effective date of the amendatory Act and be completed within 365 days after the effective date of the amendatory Act. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

- Deletes reference to:  
220 ILCS 5/16-107.5
- Adds reference to:  
220 ILCS 5/16-107.7 new

Replaces everything after the enacting clause. Amends the Electric Service Customer Choice and Rate Relief Law of 1997 in the Public Utilities Act. Sets forth the findings of the General Assembly. Creates the Net Metering Task Force, which shall be comprised of 10 members, with one of the members to be named as chairperson by the Governor. Provides that no later than January 1, 2011, the Task Force shall submit a report to the General Assembly recommending

legislative and programmatic changes to the existing net metering law that shall be necessary to overcome existing barriers to net metering development in the State. Specifies the criteria for the content of the report. Provides that the Illinois Commerce Commission shall provide administrative support for the Task Force. Effective immediately.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

HB 6202 would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE (Government Forecasting & Accountability)

HB 6202 will have no fiscal impact on any pension fund or retirement system in Illinois.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 6202 (H-AM 1) will have no fiscal impact on any pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 6202 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 6202 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

The expanded categories of eligible renewable electrical generating facilities may increase opportunities for some homeowners to take advantage of said opportunities and achieve some utility cost savings. These cost savings would vary by individual owner, and depend on factors such as homeowners' utility usage, location of the home, the type of renewable electrical generating facility installed, and the rate structure from the utility company serving that residential area.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Illinois Commerce Commission)

This legislation would require the Commission to create new meter aggregation rule. While this rule likely could be done using existing staff resources, they would probably have to be pulled off their other duties. The amount of staff time to create the rule is estimated at 500 staff hours; which would be the equivalent of about \$30,000 in costs.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois Commerce Commission)

It is hard to estimate the total time and work the task force would perform; and what their expectations would be of the Commission, but total cost in State employee time could range anywhere from \$50,000 to \$110,000 per year. The Commission's estimated portion of that cost would range from \$6,200 to \$66,200.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

Does not pre-empt home rule authority.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce and Economic Opportunity)

Does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

Does not create a State mandate.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

Does not create a State mandate.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 6202 would require an estimated 500 hours of additional workload for Commission employees, which are currently assigned other duties.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Transportation)

There are no Illinois Department of Transportation land conveyances or releases included in this bill, therefore, IDOT has no appraisals to be filed.

## LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

## HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with the bill as amended by House Amendment No. 1 with the following changes. Makes changes in the General Assembly's findings. Increases the number of total members on the Net Metering Task Force by 6 members, all of which are Governor appointees representing various entities. Requires all appointments be made by August 2, 2010 (rather than July 1, 2010). Changes the language concerning the Task Force's report to provide that no later than March 1, 2011 (was, January 1, 2011), the Task Force shall submit a report to the General Assembly concerning the status of net metering in Illinois and whether any legislative and programmatic changes to the existing net metering law are necessary. Allows for minority reports to be included in the Task Force's report. Makes other changes regarding the Task Force's report. Effective immediately.

Provides that any person licensed under specified provisions shall disclose in plain language in writing to all persons it solicits the price per kilowatt-hour, inclusive of all fees received by the licensee, to be paid by the customer (instead of the total anticipated remuneration to be paid to it by any third party) over the period of the proposed underlying customer contract. Deletes language requiring that any person or entity licensed shall file with the Commission all of the following information no later than March of each year a copy of its verified financial statement. Provides that the Commission shall have jurisdiction over disciplinary proceedings and complaints for violations of this Section. The findings of a violation of this Section by the Commission shall result in a progressive disciplinary scale. For a first violation, the Commission may, in its discretion, suspend the license of the person so disciplined for a period of no less than one month. Effective immediately.

## HOUSE FLOOR AMENDMENT NO. 3

Amends the State Finance Act to create the Foreclosure Relief Fund as a special fund in the State treasury. Effective immediately.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

HB 6215 (H-AM 1) will cause a direct fiscal impact to the Illinois Housing Development Authority (the "Authority") as it requires the Authority to allocate, assign and/or hire personnel to create and manage the new program. Please note however, due to the lack of information including but not limited to, program size, time frame and length, fees and reimbursement, frequency, number of grantees and reporting, the Authority is unable to compute the dollar amount to run such a program.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

HB 6215 (H-AM 1) proposes a "plaintiff" filing a foreclosure complaint in court must pay a fee calculated at the rate of \$2.50 for each \$500 of value or fraction of \$500 stated and sought by the plaintiff in the foreclosure complaint. While nothing in this bill explicitly states an increase in the cost of purchasing a home, there is nothing in this bill preventing a bank (plaintiff) from passing the cost of the foreclosure filing on to a future homebuyer.

Provides that if a county imposes a tipping fee on a solid waste disposal facility and if a township highway is located within one mile of such a facility, then the corporate authorities of the county in which the facility is located must, on an annual basis and from revenues generated from the county tipping fee, reimburse each township that maintains a portion of highway within one mile of the facility for costs the township has incurred in maintaining that portion of highway. Prohibits a county's annual liability to townships under this new provision from exceeding 20% of the tipping fees collected by the county in that year.
