Provides that the State Board of Education shall require all schools under its jurisdiction to use, during the 2016-2017 school year and every school year thereafter, the FITNESSGRAM physical fitness assessment and report fitness information to the State Board of Education to assess student fitness indicators. Requires schools to integrate health-related fitness testing into the curriculum as an instructional tool, except in the early elementary grades. Provides that the testing shall be used to teach students how to assess their fitness levels, set goals for improvement, and monitor progress in reaching their goals. Provides that on or before October 1, 2014, the State Superintendent of Education shall appoint a 15-member stakeholder and expert task force that will make recommendations to the State Board of Education. Requires the task force to submit its recommendations on physical fitness assessment on or before April 1, 2015 and the State Board of Education to use the recommendations to adopt rules for the implementation of physical fitness assessments by each school on or before October 1, 2015. Provides that on or before September 1, 2016, the State Board of Education shall develop a system for collecting and reporting the aggregated fitness information from the physical fitness assessments. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces the preamble and everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes references to "FITNESSGRAM". Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

beginning with the 2016-2017 school year and every school year thereafter, the State Board of Education shall require all public schools to use a scientifically-based, health-related physical fitness assessment for grades 3 through 12 (rather than just requiring all public schools to use, during the 2016-2017 school year and every school year thereafter, a physical fitness assessment) and periodically report fitness information to the State Board of Education to assess student fitness indicators. Provides that public schools shall integrate health-related fitness testing into the curriculum as an instructional tool, except in grades before the 3rd grade (rather than except in the early elementary grades). Provides that fitness scores shall not be used for grading students or evaluating teachers. Makes changes to the recommendations that the task force shall make to the State Board of Education. Provides that the task force may also recommend methods (rather than protocols) for assessing student progress on State Goals 19 and 21 through 24 of the Illinois Learning Standards for Physical Development and Health. Provides that on or before December 31, 2015 (rather than October 1, 2015), the State Board of Education shall use the recommendations of the task force to adopt rules for the implementation of physical fitness assessments by each public school for the 2016-2017 school year and every school year thereafter. Provides that districts may also provide individual fitness assessment reports to students' parents. Makes other changes.

- 410 ILCS 45/8.2

Replaces everything after the enacting clause with the introduced bill with the following changes. Makes changes in the definitions. Replaces references of "screening" and "assessment" with those of "testing" and "evaluation". of age. Provides that if the occupant of a regulated facility (rather than a residential building or dwelling) designated for inspection refuses to allow inspection, an agent of the Department or of the Department's delegate agency may apply for a search warrant to permit entry. Further provides that a court may issue a warrant upon receiving verification (rather than a showing) that a victim of lead poisoning resides or has recently resided in the regulated facility during the previous 6 months (rather than the residential building). CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

BALANCED BUDGET NOTE (Office of Management and Budget)

This introduced Bill does not have any significant fiscal impact on the State of Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 5537 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

HB 5537 will not impact any public pension fund or retirement system in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

HB 5537 better defines the parameters for when ISBE can intervene in failing school districts by removing the school board and establishing an independent authority.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 5537 does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 5537 does not create a State mandate.

Provides that at no one time may the State Board of Education remove more than 4 school boards and establish Independent Authorities. With respect to the factors an accreditation entity must consider when determining if the school board of a priority district has failed to meet the standards for accreditation specifically related to school board governance, removes language that provides that (i) a board does not have to have engaged in any specific number of the factors nor does it have to have failed in all of the areas in order to be removed and (ii) the accreditation entity does not have to make a finding as to each of the factors.

HOUSE FLOOR AMENDMENT NO. 2

Makes changes concerning the factors that the accreditation entity shall consider when considering if a board has failed in certain areas.

Replaces everything after the enacting clause. Amends the School Code. Provides that each school district shall administer, at least biennially (rather than biannually), the survey of learning conditions instrument in every public school attendance center by a date specified by the State Superintendent of Education, and data resulting from the instrument's administration must be provided to the State Board of Education. Provides that a school district may elect to use, on a district-wide basis and at the school district's sole cost and expense, an alternate survey of learning conditions instrument pre-approved by the State Superintendent, and sets forth provisions regarding how to use an alternate survey instrument. Provides for an approval process by the State Superintendent for alternate survey instruments. Provides that the requirement that a report card include indicators of the school environment also include 2 or more indicators from any school climate survey selected or approved (rather than developed) by the State and administered under the Code, with the same or similar indicators included on school report cards for all surveys selected or approved by the State under the Code. Provides that no more than one evaluation rating each school term shall be one of the evaluation ratings used for the purpose of determining the sequence of dismissal. Provides that if multiple performance evaluations are conducted in a school term, only the rating from the last evaluation conducted prior to establishing the sequence of honorable

dismissal list in such school term shall be the one evaluation rating from that school term used for the purpose of determining the sequence of dismissal. Further provides that averaging ratings from multiple evaluations is not permitted unless otherwise agreed to in a collective bargaining agreement or contract between the board and a professional faculty members' organization. Provides that if a teacher in contractual continued service successfully completes a remediation plan following a rating of "unsatisfactory" in an annual or biennial overall performance evaluation received after the implementation date and receives a subsequent rating of "unsatisfactory" in any of the teacher's annual or biennial (rather than biannual) overall performance evaluation ratings received during the 36-month period following the teacher's completion of the remediation plan, then the school district may forego remediation and seek dismissal in accordance with the Code. Provides that nothing contained in this amendatory Act repeals, supersedes, invalidates, or nullifies final decisions in lawsuits pending on the effective date of this amendatory Act in Illinois courts involving the interpretation of Public Act 97-8. Effective July 1, 2014.

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Provides that when a child is voluntarily placed in therapeutic out-of-home care funded by the Department of Children and Family Services for the sole purpose of obtaining mental health treatment for the child or treatment for the child's developmental disability, the Department is prohibited from requesting, recommending, or requiring that a parent relinquish his or her custody or guardianship. Provides that the voluntary placement provisions do not apply to children who are abused or neglected as defined in the Abused and Neglected Child Reporting Act. Provides that a child voluntarily placed in out-of-home care shall be placed pursuant to a voluntary placement agreement voluntarily entered into by the parents or legal guardian of the child; and that the agreement must contain, at a minimum, certain statements, including a statement that the parent or legal guardian of the child is not relinquishing custody of the child to the Department or terminating his or her parental rights and a statement specifying the responsibilities of the Department regarding the care, placement, and treatment of the child. Provides that when a voluntary placement agreement is executed, the Department of Children and Family Services shall ensure that the case is brought to the attention of a court in sufficient time for the court to make a finding within the first 180 days that therapeutic out-of-home placement is in the best interest of the child. Provides that a child's need for therapeutic out-of-home placement to treat a serious emotional disturbance, serious mental illness, or a developmental disability shall not in and of itself constitute a basis for a finding that the child is abused or neglected. Provides that for a child voluntarily placed, parental or guardian financial contribution to the cost of the child's care while the child is in a therapeutic out-of-home placement is required based on family income level. Requires the Department of Children and Family Services, the Division of Mental Health and the Division of Developmental Disabilities within the Department of Human Services, the Department of Healthcare and Family Services, and the Illinois State Board of Education to enter into an interagency agreement for the purpose of preventing children from entering or being placed in the custody or guardianship of the Department of Children and Family Services solely for the purposes of treatment of a child's serious mental illness, serious emotional disturbance, or developmental disability. Provides that, for the purpose of obtaining data and outcomes, the Department shall submit a cumulative semi-annual report to the General Assembly which includes certain data with respect to the time period covered by the report, including (i) the number of children whose parents or legal guardians were offered but refused a voluntary placement and how the cases were resolved; (ii) the causes of the voluntary placements reported and other intervention services provided in the cases reported, including out-of-home therapeutic treatment; and (iii) the length of treatment and the status of the children at termination of service. Defines terms. Amends the Juvenile Court Act of 1987. Expands the definition of "adjudicatory hearing" to include hearings concerning allegations that a minor under 18 years of age is subject to a voluntary placement agreement. Provides that children with a serious emotional disturbance, a serious mental illness, or a developmental disability who are placed under a voluntary placement agreement are not subject to a provision defining a dependent minor to include any minor under 18 years of age who is without proper medical or other remedial care recognized under State law or other care necessary for his or her well being through no fault, neglect or lack of concern by his parents, guardian or custodian. Provides that children who are voluntarily placed are those under the age of 18 whose parents, guardians, or legal custodians have executed a voluntary placement agreement with the Department of Children and Family Services pursuant to the Children and Family Services Act to provide the child with therapeutic short-term out-of-home care for the sole purpose of obtaining mental health treatment for the child or treatment for the child's developmental disability; and that children who are abused or neglected as defined under the Abused and Neglected Child Reporting Act or as set forth under a specified provision of the Juvenile Court Act of 1987 may not be voluntarily placed pursuant to this provision. Makes other changes. Effective immediately.

New Act

Replaces everything after the enacting clause. Creates the Custody Relinquishment Prevention Act. Provides that in order to intercept and divert children and youth at risk of custody relinquishment to the Department of Children and Family Services, within 180 days after the effective date of this Act, the Department of Children of Family Services, the Department of Human Services, the Department of Healthcare and Family Services, the Illinois State Board of Education, the Department of Juvenile Justice, and the Department of Public Health shall enter into an interagency agreement for the purpose of preventing children and youth who are not otherwise abused or neglected from entering the custody or guardianship of the Department of Children and Family Services solely for purposes of receiving services for a serious mental illness or serious emotional disturbance. Provides that the intergovernmental agreement shall require the agencies to establish an interagency clinical team to review cases of children and youth who are at risk of relinquishment who are at a hospital or other similar treatment facility, and to connect the child or youth and his or her family with the appropriate services, treatment, and support to stabilize the child or youth's serious mental illness or serious emotional disturbance and prevent custody relinquishment to the Department of Children and Family Services. Provides that the interagency agreement shall address certain issues including (i) requiring families with private health insurance to exhaust their private insurance coverage and (ii) setting criteria for short-term crisis stabilization services, including intensive community-based services or a short-term residential placement, as the child or youth's treatment plan is being developed. Requires the Department of Children and Family Services to submit an annual report to the General Assembly. Defines terms.

Provides that owners of private property on which a cemetery or graves are located have a duty to allow ingress and egress to the cemetery or graves by: (1) family members and descendants of deceased persons buried there; (2) any cemetery plot owner; and (3) any person engaging in genealogy research who has given reasonable notice to the owner of record or to the occupant of the property or both. Provides that a landowner may not erect a wall, fence, or other structure or device that prevents ingress and egress to the cemetery or grave unless the wall, fence, or other structure or device has a gate or other means by which ingress and egress can be accomplished. Provides that the landowner may designate the frequency of the access, the hours and duration of the access, and the access route if no traditional access route is obviously visible by a view of the property. Provides that the landowner, in the absence of gross negligence or willful misconduct, is immune from liability in any civil suit, claim, action, or cause of action arising out of the access granted. Provides that any person entering onto private property to access a gravesite or cemetery is responsible for conducting himself or herself in a manner that does not damage the private lands, the cemetery, or the gravesites and is liable to the owner of the property for any damage caused as a result of his or her access. Provides that a person denied reasonable access may bring an action in the circuit court where the property is located to enjoin the owner of the property from denying the person reasonable ingress and egress to the cemetery or graves. Provides that in granting relief, the court may: (i) set the frequency of the access and the hours and duration of the access; and (ii) award reasonable attorney's fees and costs to the person denied access. Provides that the Act does not apply to any deed or other written instrument that creates or reserves a cemetery or gravesite on private property.

Provides that regulation of farmers' markets by local authorities may be no more stringent than the regulation established by the Department of Public Health. Establishes a framework for the regulation of food samples. Makes a corresponding change in the Sanitary Food Preparation Act. Imposes requirements for disclosure of product origin with respect to specialty crops and raw agricultural commodities. HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the introduced bill with the following changes: Deletes the requirement that the Task Force assist the Department of Public Health and the Department of Agriculture in developing administrative regulations and procedures regarding the implementation of the various Acts that define which products and practices are permitted and which products and practices are not permitted at farmers' markets. Provides instead that the Task Force shall advise the Department regarding the content of any administrative rules adopted under the Act prior to adoption of the rules and that any administrative rules, except emergency rules, adopted without obtaining the advice of the Task Force are null and void. Includes within the scope of the provisions of the Act ready-to-eat foods and any additional items specified in the administrative rules adopted by the Department. Deletes the minimum requirements concerning vendors engaged in food product sampling. Deletes the provision that upon completion of the food sampling at farmers' market training course, a trainee shall submit proof to the Department and the Department shall issue a food sampling training license that is valid for 2 years. Provides that a vendor who engages in food product sampling at a farmers' market may do so without obtaining a State or local permit to provide those food product samples, provided the vendor complies with the State and local permit requirements to sell the food product to be sampled and with the food preparation, food handling, food storage, and food sampling requirements specified in the administrative rules adopted by the Department to implement certain provisions of the Act. Provides that specialty crops and raw agricultural commodities purchased through wholesale or retail markets may be offered for resale at a farmers' market. If the physical address of the farm or farms where the products were grown or produced is unknown, then the vendor must post at the point of sale a placard or include on a label or packing slip the physical address and business name, when applicable, where the products were purchased. Makes changes to the definition of "farmers' market", "potentially hazardous food", and "cottage food operation". Makes other changes. Effective immediately.

Amends the Probate Act of 1975. Provides that a court lacks jurisdiction to proceed on a petition for the appointment of a guardian of a minor if it finds that there is a short-term guardian appointed who is fit, willing, and able to care for the minor and that when the petitioner is not the short-term guardian of the minor, there shall be a rebuttable presumption that the short-term guardian of the minor is fit, willing, and able to care for the minor and that the petitioner shall have the burden of proving that the short-term guardian is not fit, willing, or able to care for the minor or that the short-term guardianship has been vacated. Further provides that the appointment of a short-term guardian does not constitute parental consent for court appointment of a guardian. Provides that if a short-term guardian appointed by the minor's parent or guardian petitions for guardianship or standby guardianship, his or her petition must state certain facts concerning his or her appointment as short-term guardian and include a copy of the short-term guardianship appointment with the petition. Provides that a guardian of a minor shall not remove a minor from the State for more than 30 days without first petitioning the court for removal and obtaining leave of the court.

HOUSE FLOOR AMENDMENT NO. 2

Removes language that provides that a court lacks jurisdiction to proceed on a petition for the appointment of a guardian of a minor if it finds that there is a short-term guardian appointed who is fit, willing, and able to care for the minor and language providing that if the petitioner is not the short-term guardian of the minor, there shall be a rebuttable presumption that the short-term guardian of the minor is fit, willing, and able to care for the minor and that the petitioner shall have the burden of proving that the short-term guardian is not fit, willing, or able to care for the minor or that the guardianship is vacated. Provides that if a short-term guardian has been appointed for the minor prior to the filing of the petition and the petitioner for guardianship is not the short-term guardian, there shall be a rebuttable presumption that it is in the best interest of the minor to remain in the care of the short-term guardian and that the petitioner shall have the burden of proving by a preponderance of the evidence that it is not in the child's best interest to remain with the short-term guardian. Provides that if a short-term guardian appointed for a minor by the minor's parents or guardian petitions for guardianship, the short-term guardian shall state the facts concerning the appointment of the short-term guardian, including the date of appointment, the circumstances surrounding the appointment, the date the short-term guardian appointment ends, and the reasons why a court-ordered guardian is also needed for the minor (rather than the circumstances surrounding the appointment, the length of appointment, and the reasons why a court-ordered guardian is needed for the minor). Adds provisions concerning the removal of a minor.

SENATE FLOOR AMENDMENT NO. 1

In language stating that the guardian of the minor shall inform the court of the minor's current address by certified mail, adds "hand delivery" and "other method in accordance with court rules" as alternatives. In provisions concerning the removal of a minor by a guardian from Illinois, adds language stating that the guardianship order may incorporate language governing removal of the minor from the State.

Adds reference to:

20 ILCS 1305/10-26

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, but with the following changes: Amends the Department of Human Services Act. In provisions concerning a disability database maintained by the Department of Human Services, provides that the Department shall allow legal residents who are dependents of a military service member and who are absent from the State due to the member's military service to be added to the database to indicate the need for services upon return to the State. Provides that should an individual in such a situation be selected from the database to receive services, the individual shall have 6 months from the date of the selection notification to apply for services and another 6 months to commence using such services; and that in the event an individual is receiving services funded by the Department and the services are disrupted due to the military service member's need for the individual to leave the State because of his or her military service, the services shall be resumed upon the individual's return to the State if the dependent is otherwise eligible. Provides that no payment shall be made for home and community based services provided outside the State of Illinois. Requires dependents of military service members to provide certain documents. Further amends the Illinois Public Aid Code. Provides that a dependent, who is a legal resident of the State, having previously been determined to be eligible for developmental disability services provided by the Department of Human Services (rather than the Department of Healthcare and Family Services), including waiver services provided under the home and community based services programs authorized under Section 1915(c) of the Social Security Act, shall retain eligibility for those developmental disability services as long as he or she remains a legal resident of the State, regardless of having left the State due to the military service member's military assignment outside the State, and as long as

Provides that the Department of Human Services shall permit a dependent who resides out-of-state to be placed on the waiting list for developmental disabilities services if the dependent left the State due to the military service member's military assignment outside the State, is otherwise eligible for those services, and furnishes certain documents (rather than the Department of Human Services shall direct that developmental disability services shall be provided to a dependent if the dependent is otherwise eligible for those services and furnishes certain documents). Prohibits payments for developmental disability services authorized under the Illinois Title XIX State Plan and provided outside the State with some exceptions. 105 ILCS 5/27-23.7
105 ILCS 5/27A-5

Amends the School Code in provisions concerning bullying prevention. Sets forth definitions for "policy on bullying" and "restorative measures". Makes changes concerning the creation, maintenance, and implementation of a policy on bullying. Deletes the requirement that each school district, charter school, and non-public, non-sectarian elementary or secondary school must communicate its policy on bullying to its students and their parent or guardian on an annual basis. Provides that on an annual basis, school districts, charter schools, and non-public, non-sectarian schools are required to collect, maintain, analyze, and submit to the State Board of Education data relating to the prevalence of bullying within the school district or non-public, non-sectarian elementary or secondary school, as well as the climate of the school district or non-public, non-sectarian elementary or secondary school. Moves the provision concerning the right to exercise free expression or the free exercise of religion or religiously based views protected under the United States and Illinois Constitutions. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Sets forth specific information regarding reports of bullying that each public elementary and secondary school, charter school, and non-public, non-sectarian elementary and secondary school must collect and maintain (rather than requiring each school district, charter school, and non-public, non-sectarian school to collect, maintain, analyze, and submit to the State Board of Education information relating to the prevalence of bullying within the school district or school, as well as the climate of the school district or school). Requires each public elementary and secondary school to report this information to the superintendent of the school district or his or her designee, and further requires the school district to maintain the aggregate data for all of its schools and make the information available upon request and on its Internet website. Provides that each charter school and non-public, non-sectarian elementary and secondary school shall make the information available upon request and on its Internet website. Provides that all identifying information of any student involved in a report or investigation of bullying shall be redacted from the information maintained. Provides that the State Board of Education may

(rather than shall) adopt rules consistent with the bullying prevention provisions.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill as engrossed with the following changes. Removes a reference to the Freedom of Speech Article of the Illinois Constitution. In the definition of "policy on bullying", makes changes to the criteria that a bullying prevention policy must meet to qualify under the definition. Provides that every 2 years, each school district, charter school, and non-public, non-sectarian elementary or secondary school shall conduct a review and re-evaluation of its policy on bullying and make any necessary and appropriate revisions (instead of requiring a re-evaluation, re-assessment, and review of the policy, making any necessary revisions and additions). Removes provisions concerning local control over a policy, collecting and maintaining certain information, and State Board of Education rules. Makes technical corrections. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Requires the policy on bullying to contain a policy evaluation process (rather than contain an evaluation and reporting component) to assess the outcomes and effectiveness of the policy that include, but are not limited to, factors such as frequency of victimization; student, staff, and family observations of safety at a school; identification of areas of a school where bullying occurs; the types of bullying utilized; and bystander intervention or participation. Provides that the school district, charter school, or non-public, non-sectarian elementary or secondary school may use relevant data and information it already collects for other purposes in the policy evaluation. Provides that this information shall be made available on the Internet website of the school district, charter school, or non-public, non-sectarian elementary or secondary school (rather than providing that the information developed as a result of the policy evaluation must be made available on the Internet website of the school district, charter school, or non-public, non-sectarian elementary or secondary school and shared with administrators, board members, school personnel, parents, guardians, and students). Further provides that if an Internet website is not available, the information must be provided to school administrators, school board members, school personnel, parents, guardians, and students.

40 ILCS 5/1-136 new

Amends the Illinois Pension Code. Provides that if a member or participant of a pension fund or retirement system established under the Code is convicted of, or pleads guilty to,

intimidation by a public official, bribery, official misconduct, engaging in kickbacks, fraudulently obtaining public moneys reserved for a disadvantaged business enterprise, or certain theft offenses, then none of the benefits that are provided for under the Code and that are attributable to the service of that person shall be paid. Provides that if a member or participant of a pension fund or retirement system established under the Code is receiving an annuity or pension from a pension fund or retirement system established under the Code and is convicted of, or pleads guilty to, a felony (other than intimidation by a public official, bribery, official misconduct, engaging in kickbacks, fraudulently obtaining public moneys reserved for a disadvantaged business enterprise, certain theft offenses, or any other felony requiring the forfeiture of that annuity or pension under the Code), then the board of trustees of that fund or system shall suspend the payment of that annuity or pension during that individual's incarceration for that offense. Provides that, upon completion of the term of incarceration for that offense, the member or participant may seek reinstatement of his or her annuity or pension by filing a request for reinstatement of benefits with the applicable pension fund or retirement system in the manner prescribed by the applicable fund or system.

HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause with the introduced bill with the following changes. Broadens the forfeiture provision to apply to job-related felonies, including, but not limited to, intimidation by a public official, bribery, official misconduct, engaging in kickbacks, fraudulently obtaining public moneys reserved for a disadvantaged business enterprise, certain theft offenses, or any other felony requiring the forfeiture of that annuity or pension under the Code (rather than only those specified felonies). Provides that if a member or participant of a pension fund or retirement system established under the Code is receiving an annuity or pension from a pension fund or retirement system established under the Code and is convicted of, or pleads guilty to, a Class X or a Class 1 felony (rather than a felony), other than those specified felonies, then the board of trustees of that fund or system shall suspend the payment of that annuity or pension during that member's or participant's incarceration for that offense. Provides that a person who forfeits his or her benefits (rather than a person to whom the provision concerning public corruption and other disqualifying felony convictions applies) is entitled to a refund of his or her employee contributions only if a refund (rather than his or her unused employee contributions to the extent that the refund) of those contributions is necessary in order for the pension fund or retirement system to maintain qualified plan status under the federal Internal Revenue Code of 1986. Specifies that the provision concerning public corruption and other disqualifying felony convictions applies without regard to whether the member or participant is in service (rather than active service) on or after the effective date of the amendatory Act.

Amends the State Employee Health Savings Account Law. In the definition of "health savings account program", removes a provision that prohibited the total annual contribution to such a program from exceeding an amount set by the Internal Revenue Service. Changes the amount an employer who makes a health savings account program available to its eligible employees must annually deposit in that account for those employees. Requires the health savings account program to be based on the creation of coverage options so that the average per person employer cost of the programs, including the contributions for the health savings accounts and high-deductible plan, does not exceed the average per person employer cost of the self-insured State employee health benefits program provided under the State Employees Group Insurance Act of 1971 for the same fiscal year. Effective immediately.

720 ILCS 5/48-10

Amends the Criminal Code of 2012 concerning dangerous animals. Adds a definition of "animal refuge" to the statute on dangerous animals. Provides that it is unlawful for any person to allow a member of the public to come into direct contact with a dangerous animal. Provides that the prohibition on possessing dangerous animals does not apply to a properly maintained zoological park accredited by the Association of Zoos and Aquariums (AZA), circus, college or university, scientific institution, research laboratory, veterinary hospital, hound running area, or animal refuge, if the dangerous animal or primate is kept in an escape-proof enclosure. Provides that the prohibition on possessing dangerous animals does not prohibit a person who possesses a Class C exhibitor license from the U.S. Department of Agriculture from possessing a dangerous animal or primate; however, after June 1, 2014 the person may not breed or otherwise acquire a dangerous animal other than an ocelot, margay, lynx, bobcat, jaguarundi, hyena, wolf or coyote, or any poisonous or life-threatening reptile. Effective immediately.

HB-6128 MADIGAN - CRESPO.

Makes appropriations for the ordinary and contingent expenses of the Illinois Commerce Commission for the fiscal year beginning July 1, 2014, as follows: Other State Funds \$140,157,100.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Makes appropriations to the Illinois Commerce Commission. Effective July 1, 2014.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

This bill will not impact any public pension fund or retirement system in Illinois.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois Commerce Commission)

The amendment provides a total appropriation of \$134.7 million to the Illinois Commerce Commission. It provides the requested appropriation authority for operations, but eliminates a \$5.5 million transfer to the Public Utility Fund. Due to the FY15 structural deficit of \$10 million without this transfer, which is 50% of revenues, the agency will use up all reserves in the fund and have no cash at the beginning of FY16 for staffing. A revenue enhancement or transfer from another source that corrects the Commission's deficit by June of 2013 will be needed to ensure the Agency can remain operational in July of 2015. Despite reductions to headcount and other agency expenses, the Public Utility Fund continues to face a cash shortfall. Given the ever widening structural deficit in the fund, the agency's budget has been sustained through transfers from other funds. Without a solution, the agency is expected to run out of cash by July 2015. The only thing remaining for the Agency to cut is personnel. These cuts would mean drastically reduced or no: natural gas pipeline inspections, utility reliability inspections, answering of consumer complaints, reviews of utility rate increases, transmission line reviews, water rate and quality reviews, cuts to 9-1-1 and delays in

disbursements of 9-1-1 funds in addition to many other programmatic cuts.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

The total fiscal impact of this bill is \$134,657,100 in General, Federal, and Other State Funds for FY15. The bill only contains appropriations and makes no revenue assumptions, therefore, the impact on the State budget cannot be determined.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois Arts Council)

The impact of HB6145 (H-AM 1) will result in the Illinois Arts Council Agency (IACA) receiving a total of \$9,592,700. If HB6145 is implemented a loss in General Revenue Funds of \$1,516,600 to the IACA may result in a loss to the State of Illinois of at least equal that amount. A survey conducted by Americans for the Arts has determined that every dollar awarded to IACA by the Illinois General Assembly resulted in as much as three times that amount spent in Illinois, thus increasing the loss of General Revenue Funds in Illinois even further if the Illinois Arts Council Agency's budget is reduced according to HB6145.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

This bill will not impact any public pension fund or retirement system in Illinois.

Provides that the maximum annual percentage change in State fiscal year spending may not exceed the inflation adjustment factor plus the population adjustment factor. Provides that, in order to adopt an increase in State spending beyond that limit or an increase in State revenue, the measure must be approved by a three-fifths supermajority vote of each chamber of the General Assembly and must be approved by a majority of voters. Provides for the imposition of an emergency tax. Establishes the Past Due Paydown Fund, into which the Comptroller shall transfer any amount necessary up to the total past due operating debt owed by the State, and provides that the General Assembly may authorize transfers, appropriations, and allocations from the fund to fund only the costs of paying down the remaining past due debt. Requires any remaining funds to be transferred into the State Budget Stabilization Fund. Establishes the State Budget Stabilization Fund to fund the costs of State government up to the expenditure limit in years when State revenues are less than the amount necessary to finance expenditures. Proposes that nothing in the constitutional provision shall be construed to alter the powers, duties, and responsibilities of the prosecuting attorney. Deletes that crime victims have the right to have access to information in a report related to any aspect of a defendant's sentence when available to the defendant, as the General Assembly may provide by law. Deletes that crime victims have the right to refuse to disclose to the defendant information that is privileged or confidential by law, as determined by a court of law with jurisdiction over the case. Provides that crime victims have the right to notice and to a hearing before a court ruling on a request for access to any of the victim's records, information, or communications which are privileged or confidential by law.
