Amends the General Provisions, General Assembly, Illinois Municipal Retirement Fund (IMRF), State Employee, State Universities, Downstate Teacher, and Judges Articles of the Illinois Pension Code. Contains a Part A, which is intended by the General Assembly as a stand-alone reform of the General Assembly, State Employee, State Universities, and Downstate Teacher Articles of the Illinois Pension Code and takes effect upon becoming law. Contains a Part B, which is intended to provide alternative provisions that take effect only if and when a corresponding portion of Part A is determined to be unconstitutional or otherwise invalid or unenforceable. In Part A, caps pensionable salary, temporarily suspends and reduces the amount of automatic annual increases, requires the systems to be 100% funded by 2043, and increases required employee contributions. In Part B, requires persons to make an election either to accept reductions in the amount of, as well as delays in eligibility for, automatic annual increases or to forgo certain healthcare benefits and future increases in pensionable income. Effective upon becoming law, except that specified portions of Part B take effect upon the date following the date upon which certain contingencies occur.

Replaces everything after the enacting clause. Includes findings. Amends the General Provisions, General Assembly, State Employee, State Universities, and Downstate Teacher Articles of the Illinois Pension Code. Increases the retirement age for certain Tier I members and participants. Changes the conditions of eligibility for, and the amount of, automatic annual increases for Tier I retirees. Increases required employee contributions for Tier I members and participants. Limits pensionable salary for Tier I participants and, in future terms, for Tier II members of the General Assembly Retirement System. Changes the required State contribution to each of the affected retirement systems so that those systems are 100% funded by 2044, and changes the actuarial cost method from projected unit credit to entry age normal. Adds State funding guarantees. Provides that the System shall not use any contribution received by the System under the applicable Article to provide a subsidy for the cost of participation in a retiree health care program. Makes other changes. Amends the Illinois Municipal Retirement Fund (IMRF), Cook County, State Employees, State Universities, Downstate Teachers, and Chicago Teachers Articles of the Illinois Pension Code. For participants who first become participants on or after the effective date of the amendatory Act, prohibits (i) payments for unused sick or vacation time from being used to calculate pensionable earnings and salary and

(ii) unused sick or vacation time from being used to establish service credit. Imposes limitations on participation by certain persons. Amends the Illinois Public Labor Relations Act and the Illinois Educational Labor Relations Act to provide that amendments to Articles 14, 15, and 16 of the Illinois Pension Code (and to Article 1 as it applies to those Articles) are not subject to collective bargaining and take precedence. Amends the State Finance Act; to the list of standardized items of appropriation, adds "State retirement contribution for annual normal cost" and "State retirement contribution for unfunded accrued liability" and defines those terms. Amends the Governor's Office of Management and Budget Act. Amends the State Mandates Act to require implementation without reimbursement. Makes other changes. Includes an inseverability provision. Effective immediately.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness. Although the 2010 and 2011 Pension Obligation Notes will be paid off by the end of FY 2019, debt service payments on the 2003 Pension Obligation Bonds will start increasing from earlier years under \$633 million, to almost \$1.2 billion by the final payment in FY 2033.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

This bill does not require the affected retirement systems to re-certify the required State contributions during fiscal years 2013 or 2014, thus there is no immediate impact on the State budget. Savings resulting from SB 1 (H-AM 1) would not be realized until FY 2015.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 1 (H-AM 1) does not create a State mandate.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 1 (H-AM 1) does not pre-empt home rule authority.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1 (H-AM 1) will not have a discernible fiscal impact upon the operations or budget of the Commission on Government Forecasting and Accountability.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

The precise fiscal impact of SB 1 (H-AM 1) is not known, as an actuarial study has not been completed on the exact provisions contained in the amendment. The Commission's Pension Impact Note for HB 3411 (Cross-Nekritz) indicated long-term State contribution savings of \$134 billion between FY 2014-FY 2045. The study also showed an immediate reduction in unfunded liabilities of approximately \$30 billion. The Tier 1 retirement age increase and Tier 1 active employee contribution increase contained in HB 3411 is included in HA 1 to SB 1. In addition, the COLA delay is identical between HB 3411 and HA 1 to SB 1, while the COLA limitation is slightly different. CGFA's cost study on HB 3411 did not contemplate the impact of changing actuarial cost methods, nor did it include the impact of pension stabilization transfers beginning in FY 2020, both of which are included in this amendment. A revised impact note will be issued when updated actuarial data becomes available from the retirement systems.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept of Corrections)
There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 1 (H-AM 2) will not have an appreciable impact upon the Commission's FY14 budget or operations.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness. Although the 2010 and 2011 Pension Obligation Notes will be paid off by the end of FY 2019, debt service payments on the 2003 Pension Obligation Bonds will start increasing from earlier years under \$633 million, to almost \$1.2 billion by the final payment in FY 2033.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 1 (H-AM 2) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness. Although the 2010 and 2011 Pension Obligation Notes will be paid off by the end of FY 2019, debt service payments on the 2003 Pension Obligation Bonds will start increasing from earlier years under \$633 million, to almost \$1.2 billion by the final payment in FY 2033.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

SB 1 (H-AM 2) does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

SB 1 (H-AM 2) does not create a State mandate.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

The fiscal impact of the changes made by SB 1 (H-AM 2) cannot be readily determined. None of the changes in House Amendment 2 appear to significantly alter the benefit changes (retirement age, COLA limitation and delay, etc.) made by House Amendment 1.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

The fiscal impact of the changes made by SB 1 (H-AM 2) cannot be readily determined. None of the changes in House Amendment 2 appear to significantly alter the benefit changes (retirement age, COLA limitation and delay, etc.) made by House Amendment 1.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

HOUSE FLOOR AMENDMENT NO. 3

In each of the funding guarantees, provides that the State pledges not to impair the rights and remedies of the boards of trustees as set forth in the funding guarantees (rather than any rights and remedies of the boards of trustees); also makes changes in the State funding pledge. Provides that the changes, the impact of changes, and the implementation of changes made to the State Employees, State Universities, or Downstate Teacher Article of the Illinois Pension Code, or to the General Provisions Article of that Code as it applies to those Articles, made by the amendatory Act, and those Articles thereafter, are not subject to interest arbitration or any award issued

pursuant to interest arbitration. In the Budget Stabilization Act, deletes the reference to terminating transfers into the Pension Stabilization Fund if any provision of the amendatory Act is held invalid, which duplicates the effect of the inseverability provision. Makes changes in the Findings Section. Makes changes to the inseverability provision. Also makes technical and other changes.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept of Corrections)
There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Office of Management and Budget)

This bill does not require the affected retirement systems to re-certify the required State contributions during fiscal year 2014, thus there is no immediate impact on the State budget. Savings resulting from SB 1 (H-AM 3) would not be realized until FY 2015.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

SB 1 (H-AM 3) does not create a State mandate.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

SB 1 (H-AM 3) does not pre-empt home rule authority.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness. Although the 2010 and 2011 Pension Obligation Notes will be paid off by the end of FY 2019, debt service payments on the 2003 Pension Obligation Bonds will start increasing from earlier years under \$633 million, to almost \$1.2 billion by the final payment in FY 2033.

Amends the General Provisions, General Assembly, Illinois Municipal Retirement Fund (IMRF), Cook County, State Employee, State Universities, Downstate Teacher, and Chicago Teacher Articles of the Illinois Pension Code. In the General Assembly, State Employee, State Universities, and Downstate Teacher Articles: (1) changes the amount of automatic annual increases in retirement annuities and supplemental annuities for certain active and inactive Tier 1 members; (2) for active and inactive Tier 1 members who have not begun to receive a retirement annuity, reduces some automatic annual increases in retirement annuity to zero; (3) reduces employee contributions for Tier 1 members by 1% of earnings; (4) changes the required State contributions so that the Systems are 100% (rather than 90%) funded by the end of State fiscal year 2044 (rather than 2045); (5) changes the actuarial cost method from projected unit credit to entry age normal; (6) adds State funding guarantees; (7) increases the retirement age for active and inactive Tier 1 members under age 46; (8) caps pensionable salary for Tier 1 members; (9) requires each system to create a new defined contribution plan; and (10) exempts the changes made in these Articles from provisions concerning new benefit increases. In the General Assembly Article, also changes the amount of automatic annual increases for Tier 2 members and survivors. In the State Universities Article: (1) redefines "effective rate of interest" and provides for the use of that rate in the actuarial assumptions used to calculate the amount of certain retirement annuities and (2) specifies that certain governmental entities will not qualify as employers. In the Downstate Teacher Article, redefines "regular interest" and provides for the use of that rate in the actuarial assumptions used to calculate the amount of certain retirement annuities. Amends the Budget Stabilization Act. Provides for the transfer of certain amounts from the General Revenue Fund to the Pension Stabilization Fund. Sets forth requirements pertaining to the accounting of payments received by the designated retirement systems from the Pension Stabilization Fund. Amends the Illinois Public Labor Relations Act and the Illinois Educational Labor Relations Act to provide that employers are not required to bargain over the changes, the impact of changes, or the implementation of changes that are made to Article 14, 15, or 16 of the Illinois Pension Code, or to Article 1 of the Code as it applies to those Articles, by the amendatory Act or any subsequent Public Act, nor be subject to interest arbitration or any award issued pursuant to interest arbitration in relation thereto. Amends the State Mandates Act to require implementation without reimbursement. Contains severability and inseverability provisions. Contains a legislative statement.

220 ILCS 5/1-101 from Ch. 111 2/3, par. 1-101

Amends the Public Utilities Act. Makes a technical change in the short title Section. SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

220 ILCS 5/1-101

Adds reference to:

220 ILCS 5/4-301

from Ch. 111 2/3, par. 4-301

220 ILCS 5/16-108.5

Replaces everything after the enacting clause. Amends the Public Utilities Act. Requires the Illinois Commerce Commission to make a report to the Governor, the General Assembly, or either branch of the General Assembly (rather than the Governor) upon request. In provisions concerning recovery of delivery service costs through performance-based formula rate tariffs, makes changes concerning how the Illinois Commerce Commission shall determine the investment return on certain pension assets. Allows a utility to retroactively recover certain costs of delivery service (to the extent not recovered through reconciliation) by assessing a surcharge reflecting those unrecovered costs with interest at the utility's weighted average cost of capital during the period in which those costs were unrecovered. Provides that the utility's filing on its updated cost inputs to the performance-based formula rate shall also include a reconciliation of the revenue requirement that was in effect for the prior rate year (as set by the cost inputs for the prior rate year) with the actual revenue requirement for the prior rate year (determined using a year-end rate base) that uses amounts reflected in the applicable FERC Form 1 that reports

the actual costs for the prior rate year. Makes other changes concerning the updated cost inputs to the performance-based formula rate. States that the changes are intended to (i) be a restatement and clarification of existing law, (ii) give binding effect to specified legislative intent, and (iii) supersede specified final orders of the Commission. Provides that each participating utility shall be deemed to have been in full compliance with all requirements of certain provisions of this Act and all Commission orders entered pursuant to specified provisions. Provides that the Commission shall not undertake any investigation of such compliance and no penalty shall be assessed or adverse action taken against a participating utility for non-compliance with Commission orders associated with this Act. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Provides that each participating utility other than a combination utility shall be permitted, without penalty, a period of 12 months (instead of 18 months) to ensure its infrastructure investment program is in compliance with certain provisions of the Act. Adds language that provides that, for a participating utility other than a combination utility, depending on the effective date of the amendatory Act, if the Commission has (i) initiated a proceeding that is pending as of the effective date, then the order entered shall accelerate the commencement of the meter deployment schedule; (ii) entered an order prior to the effective date that does not accelerate the commencement of the meter deployment schedule, then the utility shall file with the Commission a plan for accelerating the commencement of the utility's meter deployment schedule; or (iii) not initiated a proceeding prior to the effective date, then the utility shall file with the Commission a plan for accelerating the commencement of the utility's meter deployment schedule approved in the final Commission order and the Commission shall approve or approve as modified such plan within 90 days after the utility's filing. Provides that any schedule for meter deployment approved by the Commission shall take into consideration procurement times for meters and other equipment and operational issues.

Provides that the 4-year moratorium on the expansion of medical assistance eligibility through increasing financial eligibility standards shall not apply to this new class of persons. Provides that such persons shall receive coverage for the Health Benefits Service Package. Defines "Health Benefits Service Package". Provides that if Illinois' federal medical assistance percentage (FMAP) is reduced below 90% for persons eligible for medical

assistance under the specified provisions, medical assistance eligibility for this new class of persons shall cease no later than the end of the third month following the month in which the reduction in FMAP takes effect. Effective immediately.

305 ILCS 5/5A-4	from Ch. 23, par. 5A-4
305 ILCS 5/5A-5	from Ch. 23, par. 5A-5
305 ILCS 5/5A-8	from Ch. 23, par. 5A-8
305 ILCS 5/5A-12.4	

Amends the Hospital Provider Funding Article of the Illinois Public Aid Code. Provides that an annual assessment on outpatient services shall be imposed on each hospital provider in a specified amount for the portion of State fiscal year 2012, beginning June 10, 2012 through June 30, 2012, and for State fiscal years 2013 through 2014, and July 1, 2014 through December 31, 2014 (rather than for State fiscal years 2013 through 2014, and July 1, 2014 through December 31, 2014). Provides that for the period beginning June 10, 2012 through June 30, 2012, the annual assessment on outpatient services shall be prorated by multiplying the assessment amount by a fraction, the numerator of which is 21 days and the denominator of which is 365 days. Provides that for the portion of State fiscal year 2012, beginning June 10, 2012 through June 30, 2012, and State fiscal years 2013 through 2014, and July 1, 2014 through December 31, 2014 (rather than for State fiscal years 2013 through 2014, and July 1, 2014 through December 31, 2014), a hospital's outpatient gross revenue shall be determined using the most recent data available from each hospital's 2009 Medicare cost report as contained in the Healthcare Cost Report Information System file, for the quarter ending on June 30, 2011, without regard to any subsequent adjustments or changes to such data. Provides that certain assessments on outpatient services for the portion of State fiscal year 2012 beginning June 10, 2012 through June 30, 2012, and for State fiscal year 2013 and each subsequent State fiscal year (rather than for State fiscal year 2013 and each subsequent State fiscal year) shall be due and payable in monthly installments, each equaling one-twelfth of the assessment for the year, on the 14th State business day of each month. In a provision concerning disbursements from the Hospital Provider Fund, provides that moneys shall be disbursed from the Fund for State fiscal year 2013, for the purpose of increasing by 21/365ths the transfer of the moneys resulting from the assessment for outpatient services and received from hospital providers for the portion of State fiscal year 2012 beginning June 10, 2012 through June 30, 2012 and transferred into the Hospital Provider Fund to the Health Care Provider Relief Fund not exceeding \$2,870,000 in that State fiscal year. Makes other changes.

SENATE FLOOR AMENDMENT NO. 2

In a provision concerning assessments imposed on hospital providers that did not conduct, operate, or maintain a hospital in 2005, provides that for State fiscal years 2009 through 2015 (rather than for State fiscal years 2009 through 2014) the assessment for that State fiscal year shall be computed on the basis of hypothetical occupied bed days for the full calendar year as determined by the Department of Healthcare and Family Services. Restores language concerning monetary transfers from the Hospital Provider Fund to other specified funds in State fiscal years 2013 and 2014 in each State fiscal year during which an annual assessment for inpatient services is imposed. Provides that for State fiscal year 2013, hospital access improvement payments shall be increased by 21/365ths; and that the funding source for these additional payments shall be from a specific increased assessment on outpatient services that was received from hospital providers for the portion of State fiscal year 2012 beginning June 10, 2012 through June 30, 2012. Removes language requiring the Department of Healthcare and Family Services to submit a State Medicaid Plan Amendment to the Centers for Medicare and Medicaid Services to implement certain payments within 30 days of June 14, 2012 and instead provides that the Department of Healthcare and Family Services must submit a State Medicaid Plan Amendment to the Centers for Medicare and Medicaid Services to implement certain payments.

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that a policy of accident and health insurance that provides coverage for early intervention services must conform to the following criteria: the use of private health insurance to pay for early intervention services under Part C of the federal Individuals with Disabilities Education Act may not (1) count towards or result in a loss of benefits due to annual or lifetime insurance caps for, (2) negatively affect the availability of health insurance to, or (3) be the basis for increasing the health insurance premiums of an infant or toddler with a disability, the

infant's or toddler's parent, or the infant's or toddler's family members covered under that health insurance policy. Amends the Early Intervention Services System Act. Adds nursing services, nutrition services, and sign language and cued language services to the list of services included in the definition of "early intervention services". Provides that, before adopting any new policy or procedure needed to comply with certain provisions under the Individuals with Disabilities Education Act, the Department of Human Services must hold public hearings on the new policy or procedure, provide notice of the hearings at least 30 days before the hearings are conducted, and provide an opportunity for the general public, including individuals with disabilities and parents of infants and toddlers with disabilities, early intervention providers, and other specified persons to comment for at least 30 days on the new policy or procedure. Provides that the statewide system for early intervention services and programs shall include a central directory which includes public and private early intervention services (rather than early intervention services), resources, and experts available in this State, professional and other groups that provide assistance to infants and toddlers with disabilities and their families, and research and demonstration projects being conducted in this State (rather than early intervention research and demonstration projects) relating to infants and toddlers with disabilities. Makes changes to provisions concerning criminal background checks; the timeline for the initial evaluation and assessment of a child and his or her family under the individualized family service plan; and other matters. Repeals a provision requiring the Early Intervention Legislative Advisory Committee to convene for a period of 4 years no later than 60 days after August 9, 2001. Effective immediately.

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

The Department of Healthcare and Family Services estimates the provisions of SB 26 (H-AM 1) will result in \$234.7 million gross expenses assuming federal match. The bill will result in no new net State costs due to 100% federal match on the Medicaid expansion and other savings/revenue items contained in the bill.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

The Department of Healthcare and Family Services estimates that SB 26 (H-AM 1) will have a gross cost of \$234.7 million during fiscal year 2014. Because the ACA provides

for 100% federal match for the eligibility expansion, and the bill includes additional savings and revenue measures, Illinois will bear no net State cost.

In the Specialized Mental Health Rehabilitation Act of 2013, created under House Amendment No.1, makes the following changes: (i) defines "abuse" to mean any physical or mental injury or sexual assault inflicted on a consumer other than by accidental means in a facility; defines "identified offender"; (ii) provides that the Department of Public Health is empowered to promulgate any rules necessary to ensure proper implementation and administration of the Act; adds provisions concerning screening prior to admission and criminal history reports; (iii) provides that informed consent shall be required for restraints consistent with the requirements contained in the Nursing Home Care Act; (iv) in a provision concerning abuse or neglect, provides that it is the duty of any facility employee or agent who becomes aware of such abuse or neglect to report it "to the Department within 24 hours"; (v) changes all references to "triage" and "triage units" to "triage center" and provides that consumers shall be free to leave a triage center at any time; if a consumer in a triage center expresses a desire to contact a third party for any purpose, the facility staff shall contact that third party on behalf of the consumer; (vi) provides that the Department shall by rule establish criteria, hearings, and procedures for involuntary discharge; (vii) adds provisions providing that (a) no consumer shall be subjected to experimental research or treatment without first obtaining his or her informed, written consent; (b) no facility shall permit experimental research or treatment to be conducted on a consumer, or give access to any person or person's records for a retrospective study about the safety or efficacy of any care or treatment, without the prior written approval of the institutional review board; and (c) the institutional review board may exempt from ongoing review research or treatment initiated on a consumer before the individual's admission to a facility and for which the board determines there is adequate ongoing oversight by another institutional review board. In a provision concerning surveys and inspections, provides that the Department shall conduct surveys (rather than scheduled surveys) to determine compliance and may conduct surveys (rather than unscheduled surveys) to investigate complaints; provides that the Department shall review the records or premises, or both, as it deems appropriate for the purpose of determining compliance with this Act and the rules promulgated under the Act (rather than with the Act only); and that the Department shall have access to and may reproduce or photocopy any books, records, and other documents maintained by the facility to the extent necessary to carry out this Act and the rules promulgated under the Act. Provides that notwithstanding the existence or pursuit of any other remedy, the Department Director may, in the manner provided by law, upon the advice of the Attorney General who shall represent the Department Director in the proceedings, maintain an action in the name of the State for injunction or other process against any person or governmental unit to restrain or prevent the establishment of a facility without a license issued pursuant to the Act, or to restrain or prevent the opening, conduction, operating, or maintaining of a facility without a license issued pursuant to the Act. Changes references to "standards" to "Act and the rules promulgated under this Act". Makes other technical changes. Further amends the Illinois Public Aid Code. Provides that facilities uniquely licensed as pediatric skilled nursing facilities that serve severely and chronically ill pediatric patients shall have a specific reimbursement system designed to recognize the characteristics and needs of the patients they serve. Provides that for dates of services starting July 1, 2013 and until a new reimbursement system is designed, pediatric skilled nursing facilities that (1) serve exceptional care patients and (2) have 30% or more of their patients receiving ventilator care shall receive Medicaid reimbursement on a 30-day expedited schedule. In a provision concerning expedited long-term care eligibility determination and enrollment, provides that the lead agency shall file interim reports with the Chairs and Minority Spokespersons of the House and Senate Human Services Committees no later than

September 1, 2013 (rather than September 1, 2014) and on February 1, 2014 (rather than February 1, 2015). Further amends the Nursing Home Care Act. In a provision concerning inspections of nursing facilities for possible violations, provides that violations shall be determined no later than 75 (rather than 60) days after completion of each inspection, survey, and evaluation. Provides that to meet the requirement of a single survey process, the portions of the health and life safety survey associated with federal certification and State licensure surveys must be started within 7 working days of each other, with certain exceptions (rather than the federal certification and State licensure surveys and health and life safety survey must each be started within 5 working days). Provides that the entry of a judgment of foreclosure shall not terminate or otherwise affect the rights or interest of any occupant of a dwelling unit who has a lease or tenancy resulting from an arm's length transaction and who is not the mortgagor, whether or not the occupant has been made a party in the foreclosure. HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

230 ILCS 10/8

Adds reference to:

230 ILCS 10/1 from Ch. 120, par. 2401

Replaces everything after the enacting clause. Amends the Riverboat Gambling Act. Makes a technical change in a Section concerning the short title.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 6 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 6 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 6 (Dept of Corrections)

There are no penalty enhancements associated with SB 66. The bill would have no fiscal or population impact on the Department of Corrections.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 6 (Office of Management and Budget)

SB 66 (H-AM 6) has a minimal negative general revenue impact, and a positive fiscal impact overall for the State. The loss to the General Revenue Fund by decreasing the transfer is thought to be minimal by both the Illinois Racing Board and the Governor's Office of Management and Budget. The additional revenue generated by this amendment will help keep the Illinois Horse Racing Fund solvent in the upcoming years.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 6 (Dept. of Commerce & Economic Opportunity)

SB 66 (H-AM 6) does not create a State mandate.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 6 (Government Forecasting & Accountability)

SB 66 (H-AM 6) will not impact any public pension fund or retirement system in Illinois.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 6 (Illinois Racing Board)

The revenue generated from the surcharge will be used to offset the funding deficit projected for the Illinois Racing Board for each of the three years. The surcharge is estimated to generate \$2.9 million over the next three years. The estimated funding deficit for the Illinois Racing Board over the three year period is \$2.727 million. If this legislation does not pass, it will force a substantial reduction in racing days in calendar year 2014 and will result in a significant negative impact on the Illinois Racing Industry as a whole.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 6 (Government Forecasting & Accountability)

SB 66 (H-AM 6) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 6 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

New Act

Adds reference to:

220 ILCS 5/16-103.2 new

Replaces everything after the enacting clause. Amends the Public Utilities Act. Provides that an electric utility shall be permitted to provide Market Settlement Service. Provides that Market Settlement Service shall apply to the difference between (i) the actual quantities of electric power and energy supply provided to any such retail customer during a given period and (ii) the quantities of such supply that were deemed to have been provided to such retail customer for the purposes of the applicable regional transmission organization's final wholesale market settlements during that same period. Provides that an electric utility providing Market Settlement Service shall be permitted to recover all of its reasonable and prudently incurred administrative and operational costs of providing this service from all of its retail customers through its delivery services charges. Provides that Market Settlement Service shall be provided pursuant to a tariff of the electric utility on file with the Illinois Commerce Commission. Provides that an electric utility that has a tariff in effect shall not be subject to, or allowed to pursue, any other claims, adjustments, settlements, or offsets related to the cost of any difference in the actual quantities of electric energy, capacity, transmission services, or other services included in Market Settlement Service, provided, however, that the provisions (i) preclude any subsequent and separate adjustments made to the same retail customer's electric service account or (ii) reduce or impair in any way an electric utility's authority to charge a retail customer for unmetered electric service related to the retail customer's unlawful tampering with or interference with electric service. Provides that the Commission shall review and by order approve, or approve as modified, the proposed tariff within 180 days after the date on which it is filed. Provides that an electric utility providing Market Settlement Service shall not be liable to any retail customer, alternative retail electric supplier, or electric utility operating outside of its service territory for any adjustment in the quantity of any transmission or retail electric supply service for which the applicable regional transmission organization under its tariffs, agreements, and market and business rules will no longer make a corresponding adjustment to the wholesale market settlements.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that an electric utility providing Market Settlement Service shall be permitted to recover its reasonable and prudent initial implementation and start-up costs from retail consumers having maximum demands exceeding 400 kilowatts through its delivery service charges.

220 ILCS 5/16-101

Amends the Public Utilities Act. Makes a technical change in a Section concerning the short title and applicability of the Electric Service Customer Choice and Rate Relief Law of 1997.

SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:

220 ILCS 5/16-101

Adds reference to:

305 ILCS 5/5-4.2 from Ch. 23, par. 5-4.2

Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that it is the intent of the General Assembly to ensure that ambulance service providers are appropriately reimbursed for medically necessary ambulance services by requiring the Department of Healthcare and Family Services to adopt, by rule, criteria establishing medical necessity and appropriate procedures for the processing of claims for reimbursement. In a provision concerning reimbursement denials for ground ambulance service providers, requires the Department of Healthcare and Family Services to establish by rule a process by which ground ambulance service providers of non-emergency medical transportation may appeal any decision by the Department or its agent "in which a claim is not approved for payment, but the patient meets the criteria for medical necessity and the appropriate level of ambulance service was provided" (rather than for which no denial was received prior to the time of transport that either (i) denies a request for approval for payment of non-emergency transportation by means of ground ambulance service or (ii) grants a request for approval of non-emergency transportation by means of ground ambulance service at a level of service that entitles the ground ambulance service provider to a lower level of compensation from the Department than the ground ambulance service provider would have received as compensation for the level of service requested). Requires the Department to consider appeals filed for reimbursement denials based upon the lack of availability of a physician discharge order occurring on or after July 1, 2013 if such appeal is filed within 90 days of the effective date of this amendatory Act. Requires the Department to apply the medical criteria established by rule in determining all appeals and to take into account all relevant documentation substantiating the patient's condition as it relates to the criteria for medical necessity and may accept a provider's run report or equivalent. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

305 ILCS 5/5-4.2

Adds reference to:

235 ILCS 5/6-28 from Ch. 43, par. 144d

Replaces everything after the enacting clause. Amends the Liquor Control Act of 1934. Provides that the provisions of the Act that prohibit happy hours shall not be construed to prohibit a licensee from including drinks of alcoholic liquor as part of a meal or entertainment package if: (1) the licensee is separately licensed for the on premise sale and consumption of alcoholic beverages; (2) the package includes substantial prepared food service or entertainment

offerings; (3) the licensee restricts the hours of service for the meal and beverage package to a time period of not less than 2 hours and not more than 5 hours; and (4) the licensee's employees or agents serve alcoholic beverages provided as a part of the meal or entertainment package only in single servings to individual patrons in the manner the alcoholic beverages are customarily sold for on premise consumption while offering such meal or entertainment packages. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Amends the Liquor Control Act of 1934. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Removes references to entertainment packages. Provides that the fixed-price meal package (instead of meal package) must include substantial prepared food (instead of substantial prepared food service or entertainment offerings). Provides that snacks, hors d'oeuvres, or appetizers alone do not constitute substantial prepared food. Adds that the provisions of the Act that prohibit happy hours shall not be construed to prohibit a licensee from including drinks of alcoholic liquor as part of a fixed-price culinary entertainment package if the package meets certain specified conditions. Effective immediately.

705 ILCS 17/1

Adds reference to:

705 ILCS 405/5-915

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987. Provides that the Department of State Police shall automatically expunge, on an annual basis, law enforcement records pertaining to a minor who has been arrested if: (1) the minor had been arrested and no delinquency petition was filed with the clerk of the circuit court; (2) the minor has attained the age of 18 years; and (3) since the date of the minor's most recent arrest, at least 6 months have elapsed without an additional arrest. Provides that a petition for expungement may include multiple offenses on the same petition, if the petitioner is 18 years of age or older and when a minor was arrested and no delinquency petition filed or if filed was found not delinquent of the offense or supervision successfully completed, or the offense would be a Class B misdemeanor or lesser offense if committed by an adult. Provides that the Department of State Police shall expunge all law enforcement records described in this provision on an annual basis. Provides that the Department of State Police shall establish a process for an individual to confirm that all law enforcement records described in this provision have been expunged on an annual basis.

HOUSE FLOOR AMENDMENT NO. 3

Adds reference to:

5 ILCS 160/3

from Ch. 116, par. 43.6

20 ILCS 2630/5.2

Replaces everything after the enacting clause. Amends the State Records Act. Exempts from the provisions of the Act juvenile law enforcement records in the possession of the Department of State Police subject to automatic expungement under the Juvenile Court Act of 1987. Amends the Criminal Identification Act. Removes the ability to object to a petition for expungement of a conviction record if filed by a person who has been granted a pardon with authorization for expungement on the offense by the Governor. Amends the Juvenile Court Act of 1987. Provides that 180 days after the effective date of this amendatory Act, the Department of State Police shall automatically expunge, on or before January 1 of each year, a person's law enforcement records relating to incidents occurring before his or her 18th birthday in the Department's possession or control which pertain to the person when arrested as a minor if: (1) the minor was arrested for an eligible offense and no petition for delinquency was filed with the clerk of the circuit court; (2) the person attained the age of 18 years during the last calendar year; and (3) since the date of the minor's most recent arrest, at least 6 months have elapsed without an additional arrest, filing of a petition for delinquency whether related or not to a previous arrest, or filing of changes not initiated by arrest. Provides that nothing in the automatic expungement provisions precludes a person from filing a petition for expungement of records subject to automatic expungement. Provides that eligible offenses under the automatic expungement provisions are records relating to an arrest or incident occurring before the person's 18th birthday that if committed by an adult is not an offense classified as a Class 2 felony or higher offense or sex offense. Also commencing on the effective date of this amendatory Act, a person whose law enforcement records are not subject to automatic expungement and who has attained the age of 18 years may use the Access and Review process, established in the Department of State Police, for verifying and expunging his or her law enforcement records relating to incidents occurring before his or her 18th birthday in the Department's possession or control which pertain to the person when arrested for an eligible offense as a minor, if the incident occurred no earlier than 30 years before the effective date of this amendatory Act. Establishes procedures. Provides that a petition for expungement may include multiple offenses on the same petition, if the petitioner is 18 years of age or older and

when a minor was arrested and no delinquency petition filed or if filed was found not delinquent of the offense or supervision successfully completed, or the offense would be a Class B misdemeanor or lesser offense if committed by an adult. Provides the Department of State Police or any employee of the Department shall be immune from civil or criminal liability for failure to expunge any records of arrest that are subject to expungement under the new provisions because of inability to verify a record. Provides that nothing in the expungement provisions shall create Department of State Police liability or responsibility for the expungement of law enforcement records it does not possess. Automatic expungement of records applies to law enforcement records of minors arrested or taken into custody on or after January 1, 2015 and access and review expungement of records of an incident no earlier than 30 years before the effective date of the amendatory Act applies to law enforcement records of minors arrested or taken into custody before January 1, 2015.

735 ILCS 5/2-702

Replaces everything after the enacting clause. Amends the Criminal Identification Act. Provides that if a petitioner has been granted a certificate of innocence under the Code of Civil Procedure, the court that grants the certificate of innocence shall also enter an order expunging the conviction for which the petitioner has been determined to be innocent, notwithstanding the presence of additional felony charges or criminal convictions present on the petitioner's record. Provides that provision of the Unified Code of Corrections concerning a conviction or sentence that has been set aside on direct review or on collateral attack in which the court determines by clear and convincing evidence that the defendant was factually innocent of the charge does not prevent the court from entering the expungement order for a petitioner who has been granted a certificate of innocence under the Code of Civil Procedure. Provides that the court shall execute the expungement according to the process established in the Code of Civil Procedure. Provides that the procedures established in the expungement statute do not govern or control this provision. Provides that the effect of the order shall be to restore the person to the status he or she occupied prior to the arrest, plea, or conviction for which he or she was determined to be innocent. Provides that no person as to whom the order has been entered shall be held thereafter, under any provision of any law, to be guilty of perjury or otherwise giving a false statement due to his or her failure to recite or acknowledge the arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever. Amends the Code of Civil Procedure. Provides that upon entry of the certificate of innocence, the court shall enter an order requiring the arresting agency, the Department of State Police, and any other agency as ordered by the court to expunge the records of arrest and conviction for the offense that the petitioner was found to be innocent, within 60 days of the date of service. The order shall also order that the records of the clerk of the circuit court regarding the arrest and conviction for the offense be impounded until further order of the court upon good cause shown or as otherwise provided, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under the Clerks of Courts Act in connection with the arrest and conviction for the offense but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Provides that if one is pardoned by the Governor based on the grounds of innocence for the crime for which he or she was imprisoned, the individual must file for an expungement as provided in the expungement statute. Amends the Unified Code of Corrections to make a conforming change.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Illinois State Police)

In order for the Illinois State Police (ISP) to efficiently and effectively implement this mandate, ISP would need to purchase new cameras for the interview rooms. The ISP has seven investigative zones. It would be ideal to have at least four interview rooms per investigative zone. The ISP would estimate to equip interview rooms with new cameras (both equipment and installation) would cost at least \$1,000 each. Additionally, the ISP would want to purchase at least 10 portable cameras per zone for use by ISP agents if the interview is being conducted at a city/county police station. Portable

cameras may average at least \$250 each. It should be noted, there would be costs associated with the yearly maintenance. The fiscal impact for SB 1006 (H-AM 1 & 2) (1) 28 interview rooms @ \$1,000 per room = \$28,000; (2) 70 portable video cameras @ \$250 each = \$17,500; (3) Training costs = \$10,000; Total first year startup costs = \$55,500; Estimated recurring costs each successive fiscal year (repair and maintenance) = \$15,000.

Replaces everything after the enacting clause. Amends the Recreational Use of Land and Water Areas Act. Changes the definition of "land" to include land. Adds, to the definition of

In a Section concerning the non-limitation of liability which otherwise exists in certain situations, deletes language providing that in the case of land leased to the State or a subdivision thereof, any consideration received by the owner for such lease is not a charge within the meaning of the Section. Contains applicability provisions. Provides that certain provisions apply only to causes action accruing on and after the effective date of this amendatory Act. Effective January 1, 2014.

Replaces everything after the enacting clause. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that it is an unlawful practice under the Act for a person, in connection with the assertion of a United States copyright, to send or cause any person to send

any written, including electronic, communication that states that the intended recipient or any affiliated person is infringing or has infringed a copyright and bears liability or owes compensation to another person, if: (1) the claim falsely threatens adverse administrative or judicial action; (2) the claim falsely states that litigation has been filed; (3) the assertions contained in the communication lack a reasonable basis in fact or law because of certain stated reasons; or (4) the communication fails to include certain information necessary to inform an intended recipient or any affiliated person about the copyright assertion. Defines "intended recipient" and "affiliated person". Provides that nothing in the amendatory provisions shall be construed to deem it an unlawful practice for any person who owns or has the right to license or enforce a copyright to: (i) advise others of that ownership or right of license or enforcement; (ii) communicate to others that the copyright is available for license or sale; (iii) notify another of the infringement of the copyright; or (iv) seek compensation on account of past or present infringement or for a license to the copyright. 325 ILCS 5/7.16 from Ch. 23, par. 2057.16

Amends the Abused and Neglected Child Reporting Act. Provides that within 60 days after the notification of the completion of the Child Protective Service Unit investigation, determined by the date of the notification sent by the Department of Children and Family Services, the perpetrator named in the notification (rather than a subject of a report) may request the Department to amend the record or remove the record of the report from the register, except that the 60 day deadline for filing a request to amend the record or remove the record of the report from the record shall be tolled by the pendency of any criminal court or juvenile court action concerning the circumstances that gave rise to an indicated report. Provides that the perpetrator shall have the right to a timely hearing (rather than if the Department disregards any request to do so or does not act within 10 days, the subject shall have a right to a hearing) to determine whether the record of the report should be amended or removed on the grounds that it is inaccurate or it is being maintained in a manner inconsistent with this Act, except that there shall be no such right to a hearing on the ground of the report's inaccuracy if there has been a court finding of child abuse or neglect or a criminal finding of guilt as to the perpetrator (rather than if there has been a court finding of child abuse or neglect, the report's accuracy being conclusively presumed on such finding). Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 6

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Provides that within 60 days after the notification of the completion of the Child Protective Service Unit investigation, determined by the date of the notification sent by the Department of Children and Family Services, the perpetrator named in the notification (rather than a subject of a report) may request the Department to amend the record or remove the record of the report from the register, except that the 60-day deadline for filing a request to amend the record or remove the record of the report from the State Central Register shall be tolled until after the conclusion of any criminal court action in circuit court or after adjudication in any juvenile court action concerning the circumstances that give rise to an indicated report. Provides that the perpetrator shall have the right to a timely hearing (rather than if the Department disregards any request to do so or does not act within 10 days, the subject shall have a right to a hearing) to determine whether the record of the report should be amended or removed on the grounds that it is inaccurate or it is being maintained in a manner inconsistent with this Act, except that there shall be no such right to a hearing on the ground of the report's inaccuracy if there has been a court finding of child abuse or neglect or a criminal finding of guilt as to the perpetrator (rather than if there has been a court finding of child abuse or neglect, the report's accuracy being conclusively presumed on such finding). Provides that if the minor, who is the victim named in the report sought to be amended or removed from the State Central Register, is the subject of a pending action under Article II of the Juvenile Court Act of 1987, and the report was made while a guardian ad litem was appointed for the minor, then the minor shall, through the minor's attorney or appointed guardian ad litem, have the right to participate and be heard in such hearing as defined under the Department's rules. Makes other changes. Effective January 1, 2014.

Amends the Illinois Notary Public Act. Provides that if the Secretary of State implements an electronic application system for the appointment of notaries public, then each applicant for appointment as a notary public shall use that system to apply for appointment as a notary public. Authorizes persons making an electronic application for appointment as a notary public to sign and verify electronically the oath that is required of all notaries public. Repeals a provision that would have terminated, as of July 1, 2013, the requirement that a notary public officially sign, at the time of a notarial act, every notary certificate and affix the rubber stamp seal clearly and legibly using black ink, so that it is capable of photographic reproduction. Provides that identification documents are documents that are valid at the time of the notarial act, issued by a state agency, federal government agency, or consulate, and bearing the photographic image of the individual's face and signature of the individual (now, the definition of that term is scheduled to be repealed on July 1, 2013). Effective June 30, 2013.

Provides that the examination to determine whether a person is sexually dangerous shall be conducted by 2 qualified evaluators (rather than 2 qualified psychiatrists). Defines "qualified evaluator" and "examination". Provides that "criminal propensities to the commission of sex offenses" means that it is substantially probable that the person subject to the commitment proceeding will engage in the commission of sex offenses in the future if not confined. Provides that the cost of representation by counsel for an indigent respondent shall be paid by the county in which the proceeding is brought. Provides that the socio-psychiatric report shall be prepared by an evaluator approved by the Sex Offender Management Board (rather than by a social worker and psychologist under the supervision of a licensed psychiatrist assigned to the institution where the applicant is confined). Provides that if a person has previously filed an application in writing showing that the sexually dangerous person or criminal sexual psychopathic person has recovered and the court determined at a hearing or following a jury trial that the applicant is still a sexually dangerous person, or if the application is withdrawn, no additional application may be filed for 2 years (rather than one year) after a finding that the person is still sexually dangerous or after the application is withdrawn, except if the application is accompanied by a statement from the treatment provider that the applicant has made exceptional progress and the application contains facts upon which

a court could find that the condition of the person had so changed that a hearing is warranted. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

305 ILCS 5/12-4.25 from Ch. 23, par. 12-4.25

Amends the Administration Article of the Illinois Public Aid Code. Establishes civil penalties ranging from \$10,000 to \$50,000 for any person (including a vendor, organization, agency, or other entity, but excluding a recipient) who: knowingly presents or causes to be presented a fraudulent claim for payment under the State's medical assistance program; knowingly gives or causes to be given to any person, with respect to coverage for inpatient hospital services under the medical assistance program, information that he or she knows or should know is false or misleading; arranges or contracts (by employment or otherwise) with an individual or entity that the person knows or should know is excluded from participation in a federal or state health care program, including, but not limited to, the medical assistance program, for the provision of items or services for which payment may be made under such a program; or commits other specified fraudulent acts. Provides that the Director of Healthcare and Family Services may make a determination to terminate, suspend, bar, or exclude the person from participation in the medical assistance program, but not before granting the affected individual, entity, or vendor an opportunity for a hearing after reasonable notice. Provides that a final order, decision, or other determination made by the Director is subject to review in accordance with the Administrative Review Law. Removes language allowing the Department to recover interest on the amount of an overpayment. Makes other changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Administration Article of the Illinois Public Aid Code. Establishes civil penalties ranging from \$10,000 to \$50,000 for any person (including a vendor, organization, agency, or other entity, but excluding a recipient) who: knowingly presents or causes to be presented a fraudulent claim for payment under the State's medical assistance program; knowingly gives or causes to be given to any person, with respect to medical assistance program coverage of inpatient hospital services, information that he or she knows or should know is false or misleading; arranges or contracts (by employment or

otherwise) with an individual or entity that the person knows or should know is excluded from participation in the medical assistance program or a federal or state health care program for the provision of items or services for which payment may be made under such a program; or commits other specified fraudulent acts. Provides that the Director of Healthcare and Family Services may make a determination to exclude, terminate, suspend, or bar the person from participation in the medical assistance program, but not before granting the affected individual, entity, or vendor an opportunity for a hearing after reasonable notice. Provides that a final order, decision, or other determination made by the Director is subject to review in accordance with the Administrative Review Law. Removes language allowing the Department to recover interest on the amount of an overpayment. Defines terms. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by Senate Amendment No. 1, with the following changes: Permits the Department of Healthcare and Family Services to seek the civil monetary penalties identified in the amendatory Act as well as the exclusion, termination, suspension, or barment of persons who improperly file medical assistance claims. Provides that if a person has received an overpayment, the person shall (i) report and return the overpayment to the Department at the correct address; and (ii) notify the Department in writing of the reason for the overpayment. Provides that an overpayment must be reported and returned by the later of (i) the date which is 60 days after the date on which the overpayment was identified; or (ii) the date any corresponding cost report is due, if applicable. Changes "physician's service" to "vendor physician's service". Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that a vendor who disputes an overpayment identified as part of a Department of Health Care and Family Services' audit shall utilize the Department's self-referral disclosure protocol to identify, investigate, and return to the Department any undisputed audit overpayment amount. Provides that unless the disputed overpayment amount is subject to a fraud payment suspension, or involves a termination sanction, the Department shall defer the recovery of the disputed overpayment amount up to one year after the date of the Department's final audit determination, or earlier, or as required by State or federal law. Provides that if the administrative hearing extends beyond one year, and such delay was not caused by the request of the vendor, then the Department shall not recover the disputed overpayment amount until the date of the final administrative decision; and that if a final administrative decision establishes that the disputed overpayment amount is owed to the Department, then the amount shall be immediately due to the Department. Provides that the Department shall be entitled to recover interest from the vendor on the overpayment amount from the date of the overpayment through the date the vendor returns the overpayment to the Department at a rate not to exceed the Wall Street Journal Prime Rate, as published from time to time, but not to exceed 5%; and that any interest billed by the Department shall be due immediately upon receipt of the Department's billing statement.

705 ILCS 405/5-401.5

725 ILCS 5/103-2.1

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of an accused made as a result of a custodial interrogation at a police station or other place of detention shall be presumed to be inadmissible as evidence against the accused in any criminal or juvenile court proceeding in which the accused is charged with the commission of an offense that is a homicide or a Class 1 felony or a Class X felony (rather than a homicide offense or a DUI offense in which the DUI was the proximate cause of death) unless: (1) an electronic recording is made of the custodial interrogation; and (2) the recording is substantially accurate and not intentionally altered. Allows the admissibility of a statement given at a time when the interrogators are unaware that the offense could be charged as a homicide or as a Class 1 felony or Class X felony.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill. Further amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unless the court has granted a pretrial motion to suppress the contents of an electronically recorded custodial interrogation, an electronic recording made of an accused for any offense may be admissible as evidence against the accused in any criminal proceeding for a homicide offense or aggravated DUI where driving under the influence was the proximate cause of death of another person or a Class 1 felony or Class X felony.

SENATE COMMITTEE AMENDMENT NO. 2

Provides that requirement to record custodial interrogations in Class 1 or Class X felony cases depends on the capacity of the existing and available recording system and other necessary accommodations.

Amends the Code of Criminal Procedure of 1963. Not later than 6 months after the effective date of this amendatory Act of the 98th General Assembly, requires the Illinois Law Enforcement Training Standards Board to develop and adopt uniform policies and guidelines for conducting identification procedures (lineups and photo spreads) that are based on best practices and to be followed by all local government and State law enforcement. Not later than 6 months after the Board has developed and adopted policies and guidelines for conducting identification procedures, requires each police and sheriff department to adopt procedures in accordance with the policies and guidelines adopted by the Board. The policies and guideline must require that, if practicable, the person conducting the identification procedure shall be a blind administrator, which means he or she is not aware of which person in the lineup or photo spread is suspected as the perpetrator of the offense under investigation. If it is not practicable to have a blind administrator, the reason shall be explained in a report prepared prior to the lineup, or if a photo spread the spread shall be conducted by the use of a folder shuffle method, computer program, or other comparable method so that the person conducting the procedure does not know which photograph the eyewitness is viewing during the procedure. The policies and guidelines shall also require that whenever a specific person is suspected as the perpetrator of the offense under investigation, the persons participating in a lineup or the photographs included in a photo spread shall be presented sequentially so that the eyewitness views one person or one photograph at a time. If practicable an audio video or audio recording shall be made of the entire identification procedure and if not practicable a detailed written report stating the reason the recording could not be made. Provides instructions to the eyewitness to whom the identification procedure is presented. Sets forth procedures for conducting identification procedures. Repeals current lineup and photo spread procedures. Repeals an expired pilot study on sequential lineup procedures. Effective January 1, 2014, except repealers which are effective one year after this Act becomes law.

Replaces everything after the enacting clause. Amends the Eavesdropping Article of the Criminal Code of 2012. Changes various definitions. Defines "surreptitious". Provides that a person commits eavesdropping when he or she knowingly and intentionally: (1) uses an eavesdropping device, in a surreptitious manner, for the purpose of overhearing, transmitting, or recording all or part of a private conversation to which he or she is not a party unless he or she does so with the consent of all the parties to the conversation; (2) uses an eavesdropping device, in a surreptitious manner, for the purpose of transmitting or recording all or any part of any private conversation to which he or she is a party unless he or she does so with the consent of all of the parties to the private conversation; or (3) intercepts, records, or transcribes, in a surreptitious manner, any private electronic communication to which he or she is not a party unless he or she does so with the consent of all other parties to the private electronic communication. Prohibits the use or disclosure of any information which he or she knows or reasonably should know was obtained from a private conversation or private electronic communication in violation of the Eavesdropping Article, unless he or she does so with the consent of all of the parties. Provides exceptions. In the exemption from an eavesdropping violation that provides with prior request to and verbal approval of the

State's Attorney of the county in which the conversation is anticipated to occur, recording or listening with the aid of an eavesdropping device to a conversation in which a law enforcement officer, or any person acting at the direction of a law enforcement officer, is a party to the conversation and has consented to the conversation being intercepted or recorded in the course of an investigation of a qualified offense, removes verbal consent by the State's Attorney and changes the sunset date of the exemption from January 1, 2015 to January 1, 2018. Provides that nothing in the evidence inadmissibility provision bars admission of evidence if all parties to the private conversation or private electronic communication consent to admission of the evidence. Provides that beginning March 1, 2015, each State's Attorney shall annually submit a report to the General Assembly disclosing: (A) the number of requests for each qualified offense for approval under this exemption; and (B) the number of approvals for each qualified offense given by the State's Attorney. Provides that the eavesdropping of an oral conversation or an electronic communication of any law enforcement officer, State's Attorney, Assistant State's Attorney, the Attorney General, Assistant Attorney General, or a judge, while in the performance of his or her official duties, if not authorized by the Article or proper court order, is a Class 3 felony, and for a second or subsequent offenses, is a Class 2 felony (rather than a Class 1 felony). Adds a severability provision. Effective immediately.
