Amends the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services may purchase services and materials associated with the costs of developing, implementing, and maintaining (rather than developing and implementing) a data warehouse comprised of management and decision making information in regard to the liability associated with, and utilization of, medical and related services, out of moneys available for that purpose. Removes a provision requiring the Department to perform all necessary administrative functions to expand its linearly-scalable data warehouse to encompass other healthcare data sources at both the Department of Human Services and the Department of Public Health, and to supply quarterly reports to the Commission on Government Forecasting and Accountability detailing progress toward this mandate. Removes language that (i) required the departments of Healthcare and Family Services, Public Health, and Human Services and the Division of Specialized Care for Children to jointly prepare a work plan for fully integrating specified data sets into the medical data warehouse by September 1, 2009 and (ii) required the Department of Healthcare and Family Services to submit status reports on the progress of these and other specified efforts to the Governor and the General Assembly no later than October 1, 2009 and April 1, 2010, with a final report due no later than November 1, 2010. New Act

Creates the Freedom from Drone Surveillance Act. Provides that a law enforcement agency may not use a drone to gather information. Permits the use of a drone by a law enforcement agency: (1) to counter a high risk of a terrorist attack by a specific individual or organization if the United States Secretary of Homeland Security determines that credible intelligence indicates that there is that risk; (2) if a law enforcement agency first obtains a search warrant signed by a judge authorizing the use of a drone; or (3) if a law enforcement agency possesses reasonable suspicion that, under particular circumstances, swift action is needed to prevent imminent harm to life or serious damage to property, or to forestall the imminent escape of a suspect or the destruction of evidence. Provides that a law enforcement agency may not own or use a drone that is equipped with any kind of lethal or non-lethal weapon. Provides that information obtained or collected in violation of the Act is not admissible as evidence in any criminal, civil, administrative, or other proceeding. Establishes certain information retention and reporting requirements concerning drone ownership and use.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill. Permits the use of a drone by a law enforcement agency if it is attempting to locate a missing person and is not undertaking a criminal investigation or if the agency is using the drone solely for crime scene photography. Provides for the destruction of information gathered by the drone within 30 days, except that a supervisor at that agency may retain particular information if: (1) there is reasonable suspicion that the information contains evidence of criminal activity, or (2) the information is relevant to an ongoing investigation or pending criminal trial. Deletes provision that a law enforcement agency may not own or use a drone that is equipped with any kind of lethal or non-lethal weapon.

SENATE FLOOR AMENDMENT NO. 2

Provides that the Act does not prohibit the use of a drone by a law enforcement agency if

the law enforcement agency is using a drone solely for crime scene and traffic crash scene photography. Provides that crime scene and traffic crash photography must be conducted in a geographically confined and time-limited manner to document specific occurrences. Provides that the use of a drone under this provision on private property requires either a search warrant based on probable cause or lawful consent to search. Provides that the use of a drone under this provision on lands, highways, roadways, or areas belonging to the State or political subdivisions of the State does not require a search warrant or consent to search. Provides that any law enforcement agency operating a drone under this provision shall make every reasonable attempt to only photograph the crime scene or traffic crash scene and avoid other areas.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces the admissibility provisions. Provides that if the court finds by a preponderance of the evidence that a law enforcement agency used a drone to gather information in violation of the information gathering limits in of the Act, then the information shall be presumed to be inadmissible in any judicial or administrative proceeding. Provides that the State may overcome this presumption by proving the applicability of a judicially recognized exception to the exclusionary rule of the Fourth Amendment to the U.S. Constitution or Article I, Section 6 of the Illinois Constitution to the information. Provides that nothing in the Act shall be deemed to prevent a court from independently reviewing the admissibility of the information for compliance with the aforementioned provisions of the U.S. and Illinois Constitutions.

HOUSE COMMITTEE AMENDMENT NO. 2

Deletes provision that permits the use of drone by a law enforcement agency if the law enforcement agency possesses reasonable suspicion that, under particular circumstances, swift action is needed to prevent serious damage to property.

SENATE COMMITTEE AMENDMENT NO. 2

Amends the Medical Practice Act of 1987 and the Illinois Clinical Laboratory and Blood Bank Act. Provides that a referring physician who takes a patient specimen may charge a patient or a payer an acquisition or processing charge when (i) the charge is limited to actual costs incurred for specimen collection and transportation, and (ii) the charge is separately coded or denoted as a service distinct from the performance of the anatomic pathology service, in conformance with the coding policies of the American Medical Association. Provides that a referring physician may send a patient's specimen to any laboratory providing anatomic pathology services. Provides that a person may not maintain an action to recover the actual amount paid for a bill made knowingly and willfully in violation of the Medical Practice Act of 1987 when the services charged for in the bill were provided at facilities licensed under the Hospital Licensing Act or the University of Illinois Hospital Act or clinical laboratories owned, operated by, or operated within facilities licensed under the Hospital Licensing Act or the University of Illinois Hospital Act, and the bill is for inpatient services or outpatient services from those facilities.

Replaces everything after the enacting clause. Amends the Medical Patient Rights Act to set forth a prohibition on the markup of anatomic pathology services. Provides that a physician who orders, but who does not supervise or perform, an anatomic pathology service shall disclose in a bill for such service presented to the patient certain information and that such physician, when billing a patient, insurer, or third-party payer, shall not markup, or directly or indirectly increase, the amount subject to disclosure. Provides that the prohibition does not prohibit a referring physician from charging a specimen acquisition or processing charge under certain circumstances. Sets forth provisions concerning applicability, reimbursement, and violation. Requires the Department of Insurance to enforce the prohibition on the markup of anatomic pathology services for any bill submitted to a payer in violation of the prohibition. Defines "anatomic pathology services".

GOVERNOR AMENDATORY VETO MESSAGE

Recommends adding language providing that: nothing in the new provisions shall be construed to prohibit a referring physician from sending a patient's specimen to a laboratory providing anatomic pathology services; and the Department of Financial and Professional Regulation may revoke, suspend, or deny renewal of the license of a physician who undertakes a markup of a bill in violation of the new provisions.

Provides that when a customer is entitled to a remedy under the Act, the customer may retain the animal and be reimbursed for reasonable veterinary fees for diagnosis and treatment of the animal, not to exceed the purchase price of the animal (previously, not to exceed 2 times the purchase price of the animal). Provides that a customer has a right to return a dog or cat for congenital or hereditary disorders under specified conditions. Provides that, if a pet shop offers its own warranty, a customer may choose to waive the remedy provided in the Act and elect instead the protection from the pet shop's warranty. New Act

Creates the Genetically Engineered Food Labeling Act. Sets forth the General Assembly's findings and the purpose of the Act. Provides that beginning on the effective date of the Act, any food offered for retail sale in this State is misbranded if it is entirely or partially produced with genetic engineering and that fact is not disclosed in a certain manner. Provides that the Act shall not be construed to require either the listing or identification of any ingredient or ingredients that were genetically engineered, nor that the term "genetically engineered" be placed immediately preceding any common name or primary product descriptor of a food. Provides that until the effective date of the Act, any processed food that would be subject to the provision concerning the labeling of genetically engineered foods solely because it includes one or more materials produced by genetic engineering is not misbranded provided that the engineered materials in the aggregate do not account for more than a certain amount of the total weight of the processed food. Sets forth provisions concerning applicability and the right of action for violations, damages, and attorneys' fees. Provides that the Department of Public Health shall adopt rules necessary to implement the Act. Contains a severability provision.

Requires that every resale dealer deliver to local law enforcement each day, a legible and exact copy from the resale dealer's record book that lists all personal property and any other valuable items purchased during the preceding day, including the exact time when the personal property or valuable items were received or purchased and a description of the person or persons that sold or left the property or items in pledge. Establishes certain purchases that a resale dealer is prohibited from making. Defines "hold order" and provides that law enforcement may place a hold order on property in the possession of a resale dealer under certain circumstances and that the resale dealer shall be required to turn such property over to law enforcement. Establishes criminal offenses that a person may be charged with for violating the Act. Amends the Pawnbroker Regulation Act. Repeals provisions concerning requirements for unregistered buyers conducting business at temporary buying locations.

310 ILCS 67/25

310 ILCS 67/30

310 ILCS 67/50

310 ILCS 67/15

Replaces everything after the enacting clause. Amends the Affordable Housing Planning and Appeal Act. Changes "for-sale units" to "owner-occupied units". Provides that beginning on the effective date of this amendatory Act (rather than beginning October 1, 2004), the Illinois Housing Development Authority shall publish a list of exempt and non-exempt local governments and the data that it used to calculate its determination at least once every 5 years (rather than shall publish on an annual basis a list of exempt and non-exempt local governments and the data that it used to calculate its determination). Provides that in the case

of local governments that are determined by the Illinois Housing Development Authority to be non-exempt for the first time based on the recalculation of U.S. Census Bureau data (rather than decennial census data) after the effective date of this amendatory Act (rather than after 2010), no developer may appeal to the State Housing Appeals Board until 60 months after a local government has been notified of its non-exempt status. Provides that beginning on the effective date of this amendatory Act (rather than beginning January 1, 2009), the Board shall, whenever possible, render a decision on the appeal within 120 days after the appeal is filed. Provides that the Board may extend the time by which it will render a decision where circumstances outside the Board's control make it infeasible for the Board to render a decision within 120 days. In a provision concerning appeals to the appellate court of a final ruling by the State Housing Appeals Board, provides that the appellate court shall apply the "clearly erroneous" standard when reviewing such appeals; and that such appeals shall be filed within 35 days after the Board's decision and in all respects shall be in accordance with a specified provision under the Code of Civil Procedure. In a provision concerning members of the Housing Appeals Board, provides that after a member's term expires, the member shall continue to serve until a successor is appointed; and that there shall be no limit to the number of terms an appointee may serve. Effective immediately.

New Act

Creates the Open Access to Research Articles Act. Provides that no later than 12 months after the effective date of the Act, each public institution of higher education shall develop an

open access to research articles policy. Provides that all public institutions of higher education shall develop policies that provide for the submission, by all faculty employed by the public institution of higher education, to the employing institution of an electronic version of the author's final manuscript of original research papers upon acceptance by a scholarly research journal; the incorporation of certain changes and replacements regarding the manuscript; free online public access to the final peer-reviewed manuscripts or published versions upon publication; an irrevocable, worldwide copyright license granted by the author to the public; production of an online bibliography of all research papers that are publicly accessible; and long-term preservation of, and free public access to, published research articles. Sets forth provisions concerning applicability, other policy requirements, and reporting requirements.

SENATE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause with the introduced bill with the following changes. Makes changes to the General Assembly's findings and declarations and the definitions. Deletes the provision concerning open access to research articles. Provides instead that by January 1, 2014, each public university shall establish an Open Access to Research Task Force. Provides that each task force shall be appointed by the chairperson of the board of trustees for the public university, with the advice and consent of that board, and that each task force shall include, without limitation, members representing the university's library, members representing faculty, including, where applicable, a labor organization that represents faculty at the public university, and members representing university administration. Provides that each task force shall (i) consider how the public university can best further the open access goals laid out in this Act, whether by creation of an open access policy for the public university, creation of an open access policy for the State, or some other mechanism; (ii) review how peer institutions and the federal government are addressing issues related to open access and ensure that any institutional or statewide policies are consistent with steps taken by federal grant-making agencies; and (iii) consider academic, legal, ethical, and fiscal ramifications of and questions regarding an open access policy. Requires each task force to adopt, on or before January 1, 2015, a report setting forth its findings and recommendations, and requires the Board of Higher Education to publish a list indicating which public universities have submitted the required report. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Provides that each task force shall be comprised of voting members and non-voting members and that the voting members shall include (rather than each task force shall include), without limitation, members representing the university's library, members representing faculty, including, where applicable, a labor organization that represents faculty at the public university, and members representing university administration. Provides that the non-voting members shall include, without limitation, a member representing publishers who publish scholarly journals. Provides that, notwithstanding any provisions of the Open Meetings Act and subject to feasibility, members of the task force and interested parties may participate by phone or video conference. Provides that the required report must be approved by a majority of the appointed task force voting members (rather than task force members). Deletes language providing that a task force may also issue minority reports. Provides instead that a task force shall also issue minority reports at the request of any member, including a non-voting member.

New Act

Creates the Consumer Reciprocal Attorney's Fees Act. Defines "consumer contract" as any contract in which the money, property, or service that is the subject of the transaction is primarily for personal, family, or household purposes. Provides that if a consumer contract allows for the recovery of attorney's fees in an action brought to enforce the contract, the court may allow reasonable attorney's fees to the defendant if the defendant prevails in the action. Provides that the Act applies to any action filed on or after the effective date of the Act where the amount claimed does not exceed the maximum amount of a judgment allowable for a small claim under the Illinois Supreme Court Rules, but does not apply if the plaintiff does not request attorney's fees in the complaint or if each party to the consumer contract was represented by counsel in the negotiation of the contract. Provides that nothing in the Act shall be construed to apply to or limit the rights of any party to attorney's fees under any other contract or other provisions of Illinois law.

- 40 ILCS 5/11-179.1 new
- 30 ILCS 805/8.38 new

Replaces everything after the enacting clause. Amends the Chicago Municipal and Chicago Laborers' Articles of the Illinois Pension Code. Defines the City's required annual contribution to the Fund. Caps the current pension levy at the full required city contribution amount. Creates a payment obligation to the Fund, provides for enforcement through mandamus, and authorizes withholding from State grants in the case of nonpayment. Incrementally increases employee contributions. For Tier 1 members, including current retirees, reduces the annual increase in

retirement annuity, delays the initial annual increase by one year for new retirees, and eliminates the annual increases in 2017, 2019, and 2025 (with exceptions). For Tier 2 members, reduces the minimum retirement age by 2 years, delays the initial annual increase in retirement annuity by one year, and eliminates the annual increases in 2025. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Includes findings, a nonacceleration provision, and an inseparability provision. Effective immediately.

30 ILCS 105/8.3 from Ch. 127, par. 144.3

Amends the State Finance Act. Provides that beginning in fiscal year 2014 the Road Fund must spend 40% of its revenue on actual construction and maintenance projects. Allows the Road Fund administrators that fall below this 40% threshold in one year to make additional expenditures in later years so that the three year average equals 40%. Directs the Comptroller to perform an audit of the Road Fund's revenue and expenditures every three years to ensure compliance with this requirement. Provides that if the Comptroller determines the Road Fund has not met its expenditure threshold, it will have its share of the Motor Fuel Sales Tax revenue reduced by 1%, and the State Construction Account Fund will receive the lost funds. Directs the Comptroller to conduct yearly, rather than thrice annual, audits upon determination of a deficiency, and provides that the Road Fund will continue losing shares of the Motor Fuel Sales Tax revenue to the State Construction Account Fund until it makes enough construction and maintenance expenditures to equal previous shortfalls. Provides that if the Road Fund has lost shares of the Motor Fuel Sales Tax revenue, it will regain them at the rate of 1% per year that it meets the 40% expenditure target. Provides that the Comptroller shall return to a three year audit schedule once the Road Fund has reacquired its lost shares of Motor Fuel Sales Tax revenue.

Provides that a psychologist may apply for a prescribing psychologist license, and sets forth the requirements for such a license. Adds provisions regarding (1) written collaborative agreements with a collaborating physician, which is a requirement for a prescribing psychologist license, (2) prescriptive authority for controlled substances, and (3)

endorsement. Increases the number of members that shall serve on the Clinical Psychologist Licensing and Disciplinary Board from 7 to 11. Makes changes in provisions concerning disciplinary grounds. Amends the Medical Practice Act of 1987 to add references to prescribing psychologists to provisions concerning delegation of prescriptive authority. Amends the Illinois Controlled Substances Act. Includes prescribing psychologist in the definition of "prescriber". Adds prescribing psychologists to provisions concerning mid-level practitioners. Makes other changes. Effective immediately. LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Dept of Corrections)
There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Financial & Professional Regulation)

Senate Bill 2187 (H-AM 5) has a recurring annual fiscal impact of approximately \$10,000 to pay for the operational costs that are created in this bill. The Department believes that there will be no additional headcount required, but additional hours worked by employees (resulting in overtime costs), travel, IT requirements and other operational costs will be required of the Department.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Government Forecasting & Accountability)

There is no discernible fiscal impact of any public pension system associated with this Bill.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Office of Management and Budget)

The Department of Financial and Professional Regulation estimates that SB 2187 (H-AM 5) will have an impact of \$10,000 in operational costs in other State funds. SB 2187 (H-AM 5) would have a minimal impact to the State budget.

Amends the Code of Criminal Procedure of 1963. In provision on obtaining a search warrant by oral testimony, deletes use of telephone, fax, or other appropriate means to communicate sworn testimony supporting a search warrant request on a terrorism or terrorism-related offense to a judge when the circumstances make it reasonable to dispense with a sworn affidavit. The judge may issue a search warrant based upon sworn testimony communicated in the transmission. Deletes provision that made search warrant upon oral testimony subsection inoperative on January 1, 2005 and the

savings clause for admissibility of evidence obtained by a search warrant issued under the subsection prior to it becoming inoperative.

SENATE COMMITTEE AMENDMENT NO. 1

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 2193 (H-AM 1) will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 2193 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 2193 (H-AM 1) does pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 2193 (H-AM 1) does not create a State mandate.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Illinois State Police)

If this amendment were to become law, the estimated fiscal impact on the Illinois State Police would be \$35,071,963. It should be noted; this estimate includes \$1,472,567.80 to make Firearm Owner's Identification (FOID) Unit whole and \$10 million over the course of three years to modernize the fragile Law Enforcement Agencies Data System (LEADS). The Illinois State Police is anticipating at least 300,000 applications within the first year from Illinois residents. As the number of applicants changes so does the fiscal impact to the Illinois State Police. Lastly, this amendment allows out of state residents to apply for a concealed carry permit. The Illinois State Police is unable to estimate the impact non-residents will have on the system.

Replaces everything after the enacting clause. Creates the Firearm Concealed Carry Act. Allows residents and non-residents who meet specified qualifications to apply for a license to carry a concealed firearm in this State. The license is valid for 5 years and the license fee is \$150 for a resident and \$300 for a non-resident. Allows any law enforcement agency to object to a license applicant based upon a reasonable suspicion that the applicant is a danger to himself or herself or others, or a threat to public safety. Allows the Department of State Police to object to a license applicant with gang-related arrests within the 7 years preceding the date of application. These objections are reviewed by a Concealed Carry Licensing Review Board composed of 7 members appointed by the Governor with the advice and consent of the Senate. The Concealed Carry Licensing Review Board determines by a preponderance of the evidence whether the applicant is eligible or ineligible for a license. Prohibits a licensee from carrying a concealed handgun into certain specified locations. Requires the Department of State Police to approve a 16 hour training course for new license applicants and 3 hour course for license renewal, and to certify course instructors. Establishes training course requirements. Creates a task force to develop a plan by March 1, 2014 to allow for a Firearm Owner's Identification Card and concealed carry license designation to appear on a person's Illinois driver's license or Illinois identification card. Preempts home rule on regulation of firearms. Creates the School Administrator Reporting of Mental Health Clear and Present Danger Determinations Law. Requires the principal of a public elementary or secondary school, or his or her designee, and the chief administrative officer of a private elementary or secondary school or a public or private community college, college, or university, or his or her designee, to report to the Department of Human Services when a student is determined to pose a clear and present danger to himself, herself, or to others within 24 hours of the determination. Amends the Mental Health and Developmental Disabilities Code to make conforming changes and require notification to the Department of State Police Firearm Owners Identification Card Office no later than 7 days after entry of a court order for an adjudication as a mentally disabled or disabled person. Requires reporting a developmental disability or clear and present danger determination within 24 hours of the determination to the Department of Human Services, and the Department of Human Services must notify the Department of State Police. Firearms in the possession of a person adjudicated as a mentally disabled or disabled person must be ordered by the court to deliver the firearms to a person with a valid Firearm Owner's Identification Card for safekeeping. The adjudicated person shall also be ordered to surrender his or her Firearm Owner's Identification Card. Amends the Firearm Owners Identification Card Act. Defines "addicted to narcotics" for purposes of disqualifying a person for a Firearm Owner's Identification Card. Changes the disqualification for a Firearm Owner's Identification Card as a "mentally defective" to "mentally disabled". Adds to the definition of "mentally disabled" an adjudication as a disabled person, a finding of guilty but mentally ill, or a determination that a person is a clear and present danger to himself, herself, or to others. Defines "clear and present danger". Amends The Freedom of Information Act. Exempts from disclosure the names and information of persons who have applied for or received a concealed carry license and certain records under the Firearm Concealed Carry Act. Amends the Open Meetings Act to close deliberations of the Concealed Carry Licensing Review Board. Amends the Department of State Police Law of the Civil Administrative Code of Illinois and the State Finance Act. Creates the State Police Firearm Services Fund for fee revenue from

the Firearm Owners Identification Card Act and Firearm Concealed Carry Act. The Department of State Police may use the Fund for its lawful purposes, mandates, functions, and duties under the Firearm Owners Identification Card Act and Firearm Concealed Carry Act. Creates the Mental Health Reporting Fund for fee revenue from the Firearm Concealed Carry Act for the Department of State Police and the Department of Human Services for duties in collecting and reporting data on mental health records and ensuring firearm possession prohibitions related to mental health are enforced. Surplus money in the Fund may be used for mental health treatment programs. Amends the Criminal Code of 2012 and other Acts to make conforming changes. Effective immediately.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does pre-empt home rule authority.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 2193 (H-AM 2) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 2193 (H-AM 2) will not impact any public pension fund or retirement system in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

This Bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Office of Management and Budget)

The Department of State Police anticipates processing approximately 300,000 applications (times \$150 application fee) within the first year. The bill would generate \$36 million (300,000 x \$120) for the State Police Firearm Services Fund, \$6 million (300,000 x \$20) for the Mental Health Reporting Fund, and \$3 million (300,000 x \$10) for the State Crime Laboratory Fund. It is anticipated that these fees will be sufficient to cover the estimated cost of \$35 million to the Department of State Police for implementation of the Firearm Concealed Carry Act. Accordingly, the proposed revenue from the fees is projected to cover the implementation costs and maintain a balanced budget for the State.

Effective immediately.

Replaces everything after the enacting clause. Creates the University of Illinois School of Labor and Employment Relations Act to provide that the Board of Trustees of the University of Illinois shall operate the School of Labor and Employment Relations as a distinct and autonomous entity within the University of Illinois. Amends the General Provisions and State Universities Article of the Illinois Pension Code. In the General Provisions Article, in a Section concerning benefits for persons who become participants in certain retirement systems or pension funds after January 1, 2011, specifies that a person who participated in the State Universities Retirement System before January 1, 2011 is deemed a person who first became a member or participant before January 1, 2011 for the purposes of that Section. In the State Universities Article, defines "Tier 2 member" as a person who first becomes a participant in the State Universities Retirement System ("SURS") on or after January 1, 2011, other than a person in the SURS self-managed plan, unless the person is otherwise a Tier 1 member. Authorizes an employer to notify the System that an annuitant is returning to service by providing the annuitant's rate of compensation and anticipated length of employment (now, an employer may give notice in that manner only if there is not a written employment contract). Redefines "academic year" and "affected annuitant". Makes other changes. Effective immediately.

This Bill will have no fiscal impact on the Illinois Commerce Commission.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Illinois Commerce Commission)

The legislation will require some additional work by the Illinois Commerce Commission to adopt emergency rules within 30 days of the effective date. The Commission will review and approve or approve as modified a utility's tariff within 120 days of the filing date. For a utility with an approved tariff, the Commission will review the periodic updates to the surcharge and will conduct annual reconciliation cases to evaluate the operation of the tariff. Regarding the reporting requirements in the proposal, the Commission will review the annual reports, and for any gas utility found to be deficient in making reasonable and continuing progress in system improvements, the Commission will conduct hearings to require the utility to submit a remediation plan which the Commission must then review. The estimated staff work generated from the review of the rate cases, and review of the reconciliations is estimated at approximately 900 total staff hours a year. This workload would likely be absorbed within existing agency staff resources as it is spread throughout a variety of job duties such as accounting, engineering, the General Counsel's Office, and the Administrative Law Judge Bureau. If the State were to have to pay new staff to provide these services, it would cost approximately \$70,000 per year.

5 ILCS 220/6 from Ch. 127, par. 746

Amends the Intergovernmental Cooperation Act. Requires joint insurance pools to annually file with the Director of Insurance a certification by an independent actuary that the pool's reserves are in accordance with sound loss-reserving standards and adequate for the payment of claims. Authorizes the Director to adopt, by administrative rule, appropriate penalties for joint insurance pools that fail to comply with certain auditing, reporting, and certification requirements. Authorizes the Director, or his or her designees, to examine the affairs, transactions, accounts, records, and assets and liabilities of each joint insurance pool as often as the Director deems advisable. Requires the joint insurance pools to cooperate fully with the Director's representatives in all evaluations and audits and to resolve issues raised in those evaluations and audits. Provides that the failure to resolve those issues shall constitute a violation of the Act and may, after notice and an opportunity to be heard, result in the imposition of penalties established by the Director by administrative rule. Provides that if a joint insurance pool requires a member to submit written notice in order for the member to withdraw from a qualified pool, then the period in which the member must provide the written notice cannot, except in certain circumstances, be greater than 90 days.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that if the joint insurance pool obtains aggregate coverage or uses any other reinsurance mechanism, then the independent actuary's certification need only account for the primary level of coverage provided by the joint insurance pool prior to reinsurance. Requires the independent actuary's certification to also indicate the conditions under which the aggregate coverage or other reinsurance mechanism takes effect. Requires the joint

insurance pool to annually provide the Department with an accurate statement of the amount of coverage provided through aggregate coverage or other reinsurance mechanism. Provides that the 90-day maximum does not apply during the initial year of membership in the joint insurance pool. Requires the joint insurance pool to notify each public agency member of the deadline for withdrawing from the pool at least 30 days before the deadline for withdrawal.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1 to Senate Bill 2339 with the following changes. Requires the joint insurance pool to annually file with the Director of Insurance a statement of actuarial opinion by an independent actuary who is an associate or fellow in a casualty actuarial society (rather than a certification by an independent actuary). Requires the statement to be filed no later than 150 days after the end of each fiscal year. Provides that the joint insurance pool shall be exempt from filing the statement if the joint insurance pool files with the Director, by the reporting deadline, a statement on the pool's aggregate coverage, reinsurance, or other similar excess insurance coverage. Caps the civil penalties that may assessed by the Director of Insurance for specified violations. Authorizes not only the Director (or his or her staff), but also a Director-selected independent auditor (or actuarial firm) that is not owned or affiliated with an insurance brokerage firm, insurance company, or other insurance industry affiliated entity to examine the affairs, transactions, accounts, records, and assets and liabilities of each non-complying joint insurance pool.

SENATE FLOOR AMENDMENT NO. 3

Requires the statement of actuarial opinion that must be filed on the joint insurance pool's aggregate coverage, reinsurance, or excess insurance coverage to be supplied by the provider of that coverage.

105 ILCS 110/3

Amends the School Code and the Critical Health Problems and Comprehensive Health Education Act. Makes changes to provide that each class or course in comprehensive sex education offered in any of grades 6 through 12 shall include instruction on both abstinence and contraception for the prevention of pregnancy and sexually transmitted diseases, including HIV/AIDS. Makes changes to provide that all classes that teach sex education and discuss sexual intercourse in grades 6 through 12 shall emphasize that abstinence from sexual intercourse is a responsible and positive decision and is the only protection that is 100% effective against unwanted teenage pregnancy, sexually transmitted diseases, and acquired immune deficiency syndrome (AIDS) when transmitted sexually. Provides that an opportunity shall be afforded to individuals (not just parents or guardians) to examine the instructional materials to be used in the class or course. Provides that the State Board of Education shall make available resource materials. Provides that school districts that do not currently provide sex education are not required to teach sex education. Provides that if a sex education class or course is offered in any of grades 6 through 12, the school district may choose and adapt the developmentally and age-appropriate, medically accurate, evidence-based, and complete sex education curriculum that meets the specific needs of its community. Provides that the Comprehensive Health Education Program shall include the educational area of evidence-based and medically accurate information regarding sexual abstinence (instead of the area of sexual abstinence until marriage).

Replaces everything after the enacting clause. Amends the General Provisions, General Assembly, Illinois Municipal Retirement Fund (IMRF), State Employee, State Universities, and Downstate Teachers Articles of the Illinois Pension Code. In the General Provisions Article, creates an optional cash balance plan. In the General Assembly, State Employees, State Universities, and Downstate Teachers Articles, requires Tier I participants to elect (i) to have the amount of their automatic annual increases reduced and to waive their eligibility for automatic annual increases for 2 years, (ii) to make additional employee contributions and to waive their eligibility for automatic annual increases for 3 years, or (iii) to maintain their current benefit package. Specifies that a Tier I participant who has elected either item (i) or (ii) is entitled to have future increases in income treated as pensionable income, remains eligible to participate in the State-sponsored program of health benefits during retirement, may, in the case of Tier I participants who have elected item (i), participate in the optional cash balance plan, and may, in the case of Tier I participants in the Teachers' Retirement System who have elected item (i), participate in an early retirement program. Specifies that a Tier I participant who has elected item (iii) is not eligible for any of these benefits. In the General Assembly, State Employees, State Universities, and Downstate Teachers Articles, also requires Tier I retirees to elect (i) to delay their eligibility for automatic annual increases or (ii) to maintain their current benefit package. Specifies that a Tier I retiree who elects item (ii) becomes ineligible to participate in the State-sponsored program of health benefits during retirement. In the Illinois Municipal Retirement Fund, State Employee, State Universities, and Downstate Teacher Articles prohibits new hires of certain non-public entities from becoming participants in the affected retirement funds and systems. Amends the State Finance Act. To the list of standardized items of appropriation, adds "State retirement contribution for annual normal cost" and "State retirement contribution for unfunded accrued liability" and defines those terms. Amends the Governor's Office of Management and Budget Act. Adds those terms to a list of classifications to be used in statements and estimates of expenditures submitted to the Office in connection with the preparation of a State budget. Amends the Illinois Public Labor Relations Act and the Illinois Educational Labor Relations Act to make the provisions of the amendatory Act supersede conflicting provisions of those Acts and makes other changes. Makes conforming changes in the State Employees Group Insurance Act of 1971, as well as other changes. Amends the State Mandates Act to require implementation without reimbursement. Amends various Acts concerning public universities and community colleges to make conforming changes. Includes severability provisions. Effective immediately.

SENATE FLOOR AMENDMENT NO. 4

SENATE FLOOR AMENDMENT NO. 5

Replaces the severability provision. Provides that if any benefit change made by this amendatory Act in an Article of the Illinois Pension Code is determined to be unconstitutional or otherwise invalid by a final unappealable decision of an Illinois court or a court of competent jurisdiction, then the State funding guarantee provisions added to that Article by this amendatory Act shall also be invalid, and those funding guarantee provisions shall be contingent upon and inseparable from those benefit changes.

Amends the State Universities Article of the Illinois Pension Code. Changes the definition of "effective rate of interest" for a fiscal year to the interest rate of 30-year United States Treasury bonds as of the beginning of that fiscal year, plus 75 basis points. Defines "Tier 1" and "Tier 3" participants and creates a new Tier 3 benefit program, applicable to all new participants and to Tier 2 participants who elect to participate, consisting of both a Tier 3 defined contribution component and a Tier 3 defined benefit component. Excludes Tier 3 participants from the portable benefit package and the self-managed plan. Imposes an additional contribution on Tier 1 participants, which increases incrementally until it reaches 2.0% of earnings; excludes these contributions from being considered under the Rule 2 money-purchase formula. Reduces the automatic annual increase in retirement annuity for Tier 1 participants to one-half of the annual unadjusted percentage increase in the consumer price index-u; increases the automatic annual increase in retirement annuity for Tier 3 participants over the Tier 2 level by compounding the increases and removing the 3% annual maximum. Adds 2 additional members to the Board of Trustees, to be appointed by the Governor with the advice and consent of the Senate. Also, beginning in 2015, converts 2 of the elected active participant positions on the Board into active participant positions appointed by the Governor. Includes a new benefit increase exemption. Also makes technical and conforming changes. Amends the State Mandates Act to require implementation without reimbursement. Contains a severability provision. Effective immediately.

Amends the Condominium Property Act. Provides that the purchaser of a condominium unit at a judicial foreclosure sale, other than a mortgagee, or a purchaser of a condominium unit from a mortgagee who acquired title through a judicial foreclosure, a consent foreclosure, a common law strict foreclosure, or the delivery of a deed in lieu of foreclosure (instead of the purchaser of a condominium unit at a judicial foreclosure sale, other than a mortgagee, who takes possession of a condominium unit pursuant to a court order or a purchaser who acquires title from a mortgagee) shall have the duty to pay to the association an amount not to exceed the total of the regular monthly assessments for the condominium unit for the 9-month period immediately preceding the relevant event. Provides that the amount due may include any attorney's fees and court costs, but may not exceed 9 months of regular assessments due over the same 9-month period. Deletes language providing that the purchaser shall have the duty to pay the proportionate share, if any, of the common expenses for the unit which would have become due in the absence of any assessment acceleration for the 6 months immediately preceding the institution of an action to enforce the collection of assessments, and which remain unpaid. Deletes language providing that if the outstanding assessments are paid at any time during an action to enforce the collection of assessments, the purchaser shall have no obligation to pay any assessments which accrued before he or she acquired title. Provides that the notice of a foreclosure sale of a condominium unit shall state that a purchaser, other than a mortgagee, shall pay to the association any unpaid monthly assessments for the 9-month period preceding the sale, including attorney's fees and court costs. Provides that each notice of a judicial sale a condominium unit and each disclosure statement issued to a prospective purchaser shall list the required fees. Makes corresponding changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

765 ILCS 605/2 from Ch. 30, par. 302

Replaces everything after the enacting clause with the provisions of the introduced bill, with changes. Defines "regular monthly assessments" as the amount charged by the association as provided for in the current annual budget. Provides that the purchaser of a condominium unit at a judicial foreclosure sale, other than a mortgagee, or a purchaser of a condominium unit from a mortgagee who acquired title through a judicial foreclosure, a consent foreclosure, a common law strict foreclosure, or the delivery of a deed in lieu of foreclosure shall pay to the association an amount not to exceed the total of the regular monthly assessments for the condominium unit for the 9-month period immediately preceding the date of the judicial foreclosure sale, delivery of the deed in lieu of foreclosure, entry of a judgment in a common

law strict foreclosure, or the taking of possession pursuant to a court order under the Illinois Mortgage Foreclosure Law (instead of "any of these events"). Provides that the board of managers must make specified information available within 21 days (instead of 14 days) if the association is self-managed, and within 14 days if managed by a community association management firm or a community association manager as those terms are defined in the Community Association Manager Licensing and Disciplinary Act. Makes other changes. Effective immediately.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that following a consent foreclosure, common law strict foreclosure, or the delivery of a deed in lieu of foreclosure, the mortgagee shall have the duty to pay to the association all moneys due to satisfy the lien held by the association, except for the 9 months of unpaid regular monthly assessments and associated attorney's fees which may be collected from the purchaser. Recommends a corresponding change.
