Directs the Illinois Juvenile Justice Commission to study and make recommendations to the Governor and General Assembly on finding cost-effective alternatives to requiring the physical appearance of juveniles at every court appearance, which may include the use of audio-visual communication, waiver of appearance, or alternate hearing schedules. Provides that the Illinois Juvenile Justice Commission, in consultation with the Department of Juvenile Justice, shall

utilize available information and research on best practices within the State and across the nation, shall analyze current funding for juvenile detention facilities, and shall work with local judges, prosecutors, defense attorneys, and law enforcement in finding alternatives to the current practices of transporting juveniles among courthouses, county jails, regional juvenile detention centers and state facilities while ensuring that juveniles continue to have access to counsel and upholding the constitutional and legal rights of all juveniles involved in the justice system. Provides that local judges, prosecutors, defense attorneys, public defenders, and law enforcement are encouraged to participate in this study and to also begin a conversation of their own on ways of lessening the need for juveniles to appear in person at every court appearance. Provides that the Illinois Juvenile Justice Commission shall submit a report by March 1, 2015 to the Governor and General Assembly with its recommendations and suggested statutory changes.

Urges the Department of Transportation not to approve the production of hot mixes from recycled asphalt shingles, or to use recycled asphalt shingles from a recycler in its projects, until the Department has received from the Illinois Environmental Protection Agency a copy of the information the Agency collects from the recycler in order to conduct the prior experience evaluation required under Senate Bill 1925, if that bill is enacted into law. Urges the Department to obtain verification from the recycler as to accuracy and sufficiency of the information in the Beneficial Use Determination. Urges the Department to review all verified information from the Illinois Environmental Protection Agency and the recycler in order to make a determination regarding the propriety of the recycler's production of material for use in hot mix asphalt projects and not to approve any recycler that has a pending or unresolved environmental compliance action, against it or any of its principals, in this State or any other.

SR-0355 DELGADO.

Calls upon the Governor to instruct the Department of Healthcare and Family Services to ensure any movement of Medicaid lives to HMOs does not result in a reduction of federal revenues garnered through the Hospital Assessment program and ensure that any reimbursement system associated with HMOs must not be implemented prior to receiving written federal approval. Calls upon the Governor to instruct the Department of Healthcare and Family Services to establish a medical loss ratio of no less than 88% for all mandatorily enrolled MCO programs, consistent with practices established under the Integrated Care Pilot Program. Calls upon the Governor to instruct the Department to develop and implement a potentially preventable readmissions policy consistent with Section 15-5 of the Public Aid Code (305 ILCS 5/15-5). Calls upon the Governor to instruct the Department to move immediately to garner federal approval for the Hospital Assessment Program, prescribed in the SMART Act. Calls upon the Governor to include reimbursement policies that, in total, provide for a positive operating margin for safety-net hospitals, as part of the Rate Reform development process. Calls upon the Governor to immediately pay all supplemental hospital payments that have been approved by the Joint Committee on Administrative Rules.

SR-0639 SANDOVAL - CLAYBORNE - HARRIS, NOLAND, KOTOWSKI AND RAOUL.

Urges the Chicago Metropolitan Agency for Planning, the Illinois Department of Transportation, Metra, the Chicago Transit Authority and the Chicago Department of Aviation to include Crossrail Chicago in its list of fiscally unconstrained projects as consistent with the GOTO2040 vision, making the projects of Crossrail Chicago eligible for federal funds.

SENATE COMMITTEE AMENDMENT NO. 2

Replaces everything after the heading with similar language. Adds language concerning Crossrail Chicago's ability to connect O'Hare Airport with downstate Amtrak service, the North Central District line, McCormick Place, and Metra service lines. Adds language concerning tracks at Union Station that could be used for Metra or Amtrak service. Removes a reference to the eligibility of federal funding for projects of Crossrail Chicago.

HR-0221 BELLOCK - PIHOS.

Raises public awareness about the antibiotic-resistant CRE germ that is becoming a growing threat to health facilities in the State of Illinois. Urges health facilities across the State to promote proper hygienic practices to combat CRE and employ a "detect and protect" strategy to identify the presence of the organism and protect other patients to prevent its spread.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the heading. Removes language regarding a report from the federal Centers for Disease Control on carbapenem-resistant enterobacteriaceae (CRE) infections or deaths, the kinds of bacteria that have developed carbapenem resistance, and a request to the citizens of this State to become informed about the emerging risk of CRE. Adds language regarding a request for health facilities across the State to follow current CDC recommendations regarding use of personal protective equipment.

Requests that the State Fire Marshal withdraw any pending rulemaking or rulemakings under consideration as of May 2013 that attempt to increase the placement of fire-suppression sprinklers in Illinois residential properties that impose requirements upon the Illinois private sector in a way that goes beyond the statutory powers and duties of the Office and impose an undue burden upon Illinois small businesses and Illinois first-time home buyers, in violation of other statutes within Illinois law. Urges the Office of the State Fire Marshal to utilize the statutory legislative process if it seeks to utilize its professional expertise to develop ways and means to increase utilization of fire-safety sprinklers in residential settings.

Amends the General Provisions, General Assembly, Illinois Municipal Retirement Fund (IMRF), State Employee, State Universities, Downstate Teacher, and Judges Articles of the Illinois Pension Code. Contains a Part A, which is intended by the General Assembly as a stand-alone reform of the General Assembly, State Employee, State Universities, and Downstate Teacher Articles of the Illinois Pension Code and takes effect upon becoming law. Contains a Part B, which is intended to provide alternative provisions that take effect only if and when a corresponding portion of Part A is determined to be unconstitutional or otherwise invalid or unenforceable. In Part A, caps pensionable salary, temporarily suspends and reduces the amount of automatic annual increases, requires the systems to be 100% funded by 2043, and increases required employee contributions. In Part B, requires persons to make an election either to accept reductions in the amount of, as well as delays in eligibility for, automatic annual increases or to forgo certain healthcare benefits and future increases in pensionable income. Effective upon becoming law, except that specified portions of Part B take effect upon the date following the date upon which certain contingencies occur.

Replaces everything after the enacting clause. Replaces Part A with Senate Amendment No. 1 to Senate Bill 35 with the following changes: (i) replaces the inseverability clause with the

original Part A severability clause, (ii) restricts participation in the General Assembly Retirement System to persons who become participants before January 1, 2014, (iii) deletes references to the Tier 3 retirement plan, and (iv) makes technical and other changes. Reinserts Part B with the following changes: (i) deletes changes to funding formulas, (ii) restricts participation in the General Assembly Retirement System to persons who become participants before January 1, 2014, (iii) makes changes concerning funding guarantees, and (iv) makes technical and other changes. Effective upon becoming law, except that specified portions of Part B take effect upon the date following the date upon which certain contingencies occur.

SENATE COMMITTEE AMENDMENT NO. 2

Requires the election packet provided to Tier I employees and Tier I retirees to include a notice advising them that they may be required to pay for the full cost of coverage provided through the group healthcare plan.

Replaces everything after the enacting clause. Reinserts only those provisions from Part B of Senate Amendment No.1 that affect Tier I employees in the Teachers' Retirement System of the State of Illinois. Removes provisions in the introductory clauses that made those changes take effect only if provisions in Part A of Senate Amendment No. 1 were determined to be unconstitutional or otherwise invalid. Changes measured dates in the election provisions to dates certain. Makes other changes. Effective immediately.

Replaces everything after the enacting clause. Includes findings. Amends the General Provisions, General Assembly, State Employee, State Universities, and Downstate Teacher Articles of the Illinois Pension Code. Increases the retirement age for certain Tier I members and participants. Changes the conditions of eligibility for, and the amount of, automatic annual increases for Tier I retirees. Increases required employee contributions for Tier I members and participants. Limits pensionable salary for Tier I participants and, in future terms, for Tier II members of the General Assembly Retirement System. Changes the required State contribution to each of the affected retirement systems so that those systems are 100% funded by 2044, and changes the actuarial cost method from projected unit credit to entry age normal. Adds State funding guarantees. Provides that the System shall not use any contribution received by the System under the applicable Article to provide a subsidy for the cost of participation in a retiree health care program. Makes other changes. Amends the Illinois Municipal Retirement Fund (IMRF), Cook County, State Employees, State Universities, Downstate Teachers, and Chicago Teachers Articles of the Illinois Pension Code. For participants who first become participants on or after the effective date of the amendatory Act, prohibits (i) payments for unused sick or vacation time from being used to calculate pensionable earnings and salary and

(ii) unused sick or vacation time from being used to establish service credit. Imposes limitations on participation by certain persons. Amends the Illinois Public Labor Relations Act and the Illinois Educational Labor Relations Act to provide that amendments to Articles 14, 15, and 16 of the Illinois Pension Code (and to Article 1 as it applies to those Articles) are not subject to collective bargaining and take precedence. Amends the State Finance Act; to the list of standardized items of appropriation, adds "State retirement contribution for annual normal cost" and "State retirement contribution for unfunded accrued liability" and defines those terms. Amends the Governor's Office of Management and Budget Act. Adds those terms to a list of classifications to be used in statements and estimates of expenditures submitted to the Office in connection with the preparation of a State budget. Amends the State Mandates Act to require implementation without reimbursement. Makes other changes. Includes an inseverability provision. Effective immediately.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness. Although the 2010 and 2011 Pension Obligation Notes will be paid off by the end of FY 2019, debt service payments on the 2003 Pension Obligation Bonds will start increasing from earlier years under \$633 million, to almost \$1.2 billion by the final payment in FY 2033.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

This bill does not require the affected retirement systems to re-certify the required State contributions during fiscal years 2013 or 2014, thus there is no immediate impact on the State budget. Savings resulting from SB 1 (H-AM 1) would not be realized until FY 2015.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 1 (H-AM 1) does not create a State mandate.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 1 (H-AM 1) does not pre-empt home rule authority.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1 (H-AM 1) will not have a discernible fiscal impact upon the operations or budget of the Commission on Government Forecasting and Accountability.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

The precise fiscal impact of SB 1 (H-AM 1) is not known, as an actuarial study has not been completed on the exact provisions contained in the amendment. The Commission's Pension Impact Note for HB 3411 (Cross-Nekritz) indicated long-term State contribution savings of \$134 billion between FY 2014-FY 2045. The study also showed an immediate reduction in unfunded liabilities of approximately \$30 billion. The Tier 1 retirement age increase and Tier 1 active employee contribution increase contained in HB 3411 is included in HA 1 to SB 1. In addition, the COLA delay is identical between HB 3411 and HA 1 to SB 1, while the COLA limitation is slightly different. CGFA's cost study on HB 3411 did not contemplate the impact of changing actuarial cost methods, nor did it include the impact of pension stabilization transfers beginning in FY 2020, both of which are included in this amendment. A revised impact note will be issued when updated actuarial data becomes available from the retirement systems.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept of Corrections)
There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 1 (H-AM 2) will not have an appreciable impact upon the Commission's FY14 budget or operations.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness. Although the 2010 and 2011 Pension Obligation Notes will be paid off by the end of FY 2019, debt service payments on the 2003 Pension Obligation Bonds will start increasing from earlier years under \$633 million, to almost \$1.2 billion by the final payment in FY 2033.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 1 (H-AM 2) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness. Although the 2010 and 2011 Pension Obligation Notes will be paid off by the end of FY 2019, debt service payments on the 2003 Pension Obligation Bonds will start increasing from earlier years under \$633 million, to almost \$1.2 billion by the final payment in FY 2033.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

SB 1 (H-AM 2) does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

SB 1 (H-AM 2) does not create a State mandate.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

The fiscal impact of the changes made by SB 1 (H-AM 2) cannot be readily determined. None of the changes in House Amendment 2 appear to significantly alter the benefit changes (retirement age, COLA limitation and delay, etc.) made by House Amendment 1.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

The fiscal impact of the changes made by SB 1 (H-AM 2) cannot be readily determined. None of the changes in House Amendment 2 appear to significantly alter the benefit changes (retirement age, COLA limitation and delay, etc.) made by House Amendment 1.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

HOUSE FLOOR AMENDMENT NO. 3

In each of the funding guarantees, provides that the State pledges not to impair the rights and remedies of the boards of trustees as set forth in the funding guarantees (rather than any rights and remedies of the boards of trustees); also makes changes in the State funding pledge. Provides that the changes, the impact of changes, and the implementation of changes made to the State Employees, State Universities, or Downstate Teacher Article of the Illinois Pension Code, or to the General Provisions Article of that Code as it applies to those Articles, made by the amendatory Act, and those Articles thereafter, are not subject to interest arbitration or any award issued

pursuant to interest arbitration. In the Budget Stabilization Act, deletes the reference to terminating transfers into the Pension Stabilization Fund if any provision of the amendatory Act is held invalid, which duplicates the effect of the inseverability provision. Makes changes in the Findings Section. Makes changes to the inseverability provision. Also makes technical and other changes.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept of Corrections)
There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Office of Management and Budget)

This bill does not require the affected retirement systems to re-certify the required State contributions during fiscal year 2014, thus there is no immediate impact on the State budget. Savings resulting from SB 1 (H-AM 3) would not be realized until FY 2015.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

SB 1 (H-AM 3) does not create a State mandate.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

SB 1 (H-AM 3) does not pre-empt home rule authority.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness. Although the 2010 and 2011 Pension Obligation Notes will be paid off by the end of FY 2019, debt service payments on the 2003 Pension Obligation Bonds will start increasing from earlier years under \$633 million, to almost \$1.2 billion by the final payment in FY 2033.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

SB 1 (H-AM 3) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness. Although the 2010 and 2011 Pension Obligation Notes will be paid off by the end of FY 2019, debt service payments on the 2003 Pension Obligation Bonds will start increasing from earlier years under \$633 million, to almost \$1.2 billion by the final payment in FY 2033.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

SB 1 (H-AM 3) will not have a discernible fiscal impact on the operations of the Commission on Government Forecasting and Accountability.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Office of Management and Budget)

This bill does not require the affected retirement systems to re-certify the required State contributions during fiscal year 2014, thus there is no immediate impact on the State budget. Savings resulting from SB 1 (H-AM 2) would not be realized until FY 2015.

Recommends that the House recede from House Amendments Nos. 1 and 3 and that the bill be amended as follows: Replaces everything after the enacting clause. Amends the General Provisions, General Assembly, Illinois Municipal Retirement Fund (IMRF), Cook County, State Employee, State Universities, Downstate Teacher, and Chicago Teacher Articles of the Illinois Pension Code. In the General Assembly, State Employee, State Universities, and Downstate Teacher Articles: (1) changes the amount of automatic annual increases in retirement annuities and supplemental annuities for certain active and inactive Tier 1 members; (2) for active and inactive Tier 1 members who have not begun to receive a retirement annuity, reduces some automatic annual increases in retirement annuity to zero; (3) reduces employee contributions for Tier 1 members by 1% of earnings; (4) changes the required State contributions so that the Systems are 100% (rather than 90%) funded by the end of State fiscal year 2044 (rather than 2045); (5) changes the actuarial cost method from projected unit credit to entry age normal; (6) adds State funding guarantees; (7) increases the retirement age for active and inactive Tier 1 members under age 46; (8) caps pensionable salary for Tier 1 members; (9) requires each system to create a new defined contribution plan; and (10) exempts the changes made in these Articles from provisions concerning new benefit increases. In the General Assembly Article, also changes the amount of automatic annual increases for Tier 2 members and survivors. In the State Universities Article: (1) redefines "effective rate of interest" and provides for the use of that rate in the actuarial assumptions used to calculate the amount of certain retirement annuities and (2) specifies that certain governmental entities will not qualify as employers. In the Downstate Teacher Article, redefines "regular interest" and provides for the use of that rate in the actuarial assumptions used to calculate the amount of certain retirement annuities. Amends the Budget Stabilization Act. Provides for the transfer of certain amounts from the General Revenue Fund to the Pension Stabilization Fund. Sets forth requirements pertaining to the accounting of payments received by the designated retirement systems from the Pension Stabilization Fund. Amends the Illinois Public Labor Relations Act and the Illinois Educational Labor Relations Act to provide that employers are not required to bargain over the changes, the impact of changes, or the implementation of changes that are made to Article 14, 15, or 16 of the Illinois Pension Code, or to Article 1 of the Code as it applies to those Articles, by the amendatory Act or any subsequent Public Act, nor be subject to interest arbitration or any award issued pursuant to interest arbitration in relation thereto. Amends the State Mandates Act to require implementation without reimbursement. Contains severability and inseverability provisions. Contains a legislative statement.

HB-4576 CURRIE.

20 ILCS 605/604-1020 new

Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Requires the Department of Commerce and Economic Opportunity to conduct a study regarding credit and background checks conducted by public and private employers. Provides that the purpose of the study is to determine what, if any, impact unpaid child support information has on an individual's ability to be considered, interviewed, and hired by an employer. Sets forth the focus of the study. Provides that the study may include data related to the prevalence of information regarding unpaid child support on standard employer credit and background checks, the prevalence of criminal versus civil judgments on standard employer credit and background checks, and the number of employers who utilize this information when screening applicants for employment. Requires the Department to report the results of the study to the Governor and the General Assembly on or before May 1, 2016. Effective January 1, 2015.
