735 ILCS 5/15-1603.5 new

Amends the Mortgage Foreclosure Article of the Code of Civil Procedure. Defines "omitted

subordinate interest". Provides that certain persons holding real estate encumbered by an omitted subordinate interest may file a strict foreclosure complaint consisting substantially of certain specified information. Provides that subject to the objection of the defendant, the court shall enter a judgment extinguishing the omitted subordinate interest by vesting absolute title to the mortgaged real estate in the plaintiff. Provides procedures by which a holder of an omitted subordinate interest may redeem the interest. Provides that a person whose omitted subordinate interest was not terminated by a prior foreclosure action does not have a right to file a strict foreclosure action. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the enacting clause, and makes the following changes: (1) specifies that the plaintiff may file a strict foreclosure complaint naming the person who has the omitted subordinate interest as the defendant; (2) provides that subject to the objection of the defendant, the court shall enter a judgment extinguishing the omitted subordinate interest (rather than "extinguishing the omitted subordinate interest by vesting absolute title to the mortgaged real estate in the plaintiff, free and clear of all claims and liens (except liens of the United States of America that cannot be foreclosed without judicial sale)"); (3) deletes language referring to whether good cause for an objection has been shown by the defendant; (4) provides that the amount required to redeem shall not include any costs or fees incurred by the plaintiff in the strict foreclosure case; (5) deletes language providing that upon payment of the redemption amount, title to the defendant shall be free and clear of all claims and liens (except liens of the United States of America that cannot be foreclosed without judicial sale); and (6) corrects typographical errors. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Provides that notwithstanding that the person's omitted subordinate interest in the real estate has been terminated, nothing in the new provisions shall be construed to extinguish or impair any claim of a person in the surplus proceeds of a sale after the confirmation of the sale of the real estate for which the person had an omitted subordinate interest.

New Act

30 ILCS 105/5.855 new

Creates the Illinois Secure Choice Savings Program Act. Establishes a retirement savings program in the form of an automatic enrollment payroll deduction IRA with the intent of promoting greater retirement savings for private-sector employees in a convenient, low-cost, and portable manner. Creates the Illinois Secure Choice Savings Program Fund consisting of moneys received from enrollees and participating employers. Sets forth the composition of the Board, the Board's duties, and provisions governing risk management, investment firms, and investment options. Provides for employee and employer information packets, as well as program implementation and enrollment. Provides that the State shall have no duty or liability to any party for the payment of any retirement savings benefits accrued by any individual under the Program. Requires annual reports and audits of the Program. Sets forth penalties. Amends the State Finance Act to create the Illinois Secure Choice Savings Program Fund. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Defines "IRA" as an individual retirement account under Section 408(a) or Section 408(b) of the Internal Revenue Code (rather than Section 408 of the Internal Revenue Code). Provides that the Board shall evaluate and establish the process by which an individual (rather than an individual or an employee of a non-participating employer) may voluntarily enroll in and make contributions to the Program.

SENATE COMMITTEE AMENDMENT NO. 3

Provides that private funds or federal funding received under the Act in order to implement the Program until the fund is self-sustaining shall not be repaid unless those funds were offered contingent upon the promise of such repayment.

SENATE COMMITTEE AMENDMENT NO. 4

Provides that the Board shall keep annual administrative expenses as low as possible, but in no event shall they exceed 0.75% (rather than 1%) of the total trust balance.

SENATE COMMITTEE AMENDMENT NO. 5

Requires the Board to establish and maintain an Internet website designed to assist employers in identifying private sector providers of retirement arrangements that can be set up by the employer rather than allowing employee participation in the Program under this Act. Further provides that the Board shall only establish and maintain an Internet website if there is sufficient interest in such an Internet website by private sector providers and if the private sector providers furnish the funding necessary to establish and maintain the Internet website. Provides that the Board must provide public notice of the availability of and the process for inclusion in the Internet website before the Internet website becomes publicly available. Requires this Internet website to be available to the public before the Board opens the Program for enrollment. Provides that the Internet website address must be included on any Internet website posting or other materials regarding the Program offered to the public by the Board. Provides that the notification that the Program has been implemented shall include a statement that rather than enrolling employees in the Program under this Act, employers may sponsor an alternative arrangement, including, but not limited to, a defined benefit plan, 401(k) plan, a Simplified Employee Pension (SEP) plan, a Savings Incentive Match Plan for Employees (SIMPLE) plan, or an automatic payroll deduction IRA offered through a private provider.

SENATE COMMITTEE AMENDMENT NO. 6

Provides that prior to opening the program for enrollment, the Board shall design and disseminate to all employers an employer information packet (rather than design and disseminate the packet through the Department). Sets forth a provision that the Board shall provide for the contents of both the employee and employer information packets (rather than the Department providing for the packets by rule).

SENATE COMMITTEE AMENDMENT NO. 7

Establishes the Illinois Secure Choice Savings Program Fund as a trust outside of the State Treasury (currently a special fund in the State Treasury), with the Illinois Secure Choice Savings Board as its trustee. Provides that a section regarding fiduciary duty applies to the Illinois Secure Choice Savings Board, the individual members of the Board, the IRA trustee appointed by the Board, any other agents appointed or engaged by the Board, and Program staff (currently only individual members of the Board and Program staff).

SENATE FLOOR AMENDMENT NO. 8

Provides that each appointment by the Governor shall be subject to approval by the State Treasurer, who, upon approval, shall certify his or her approval to the Secretary of State. Provides that in addition to the approval of the State Treasurer, each appointment shall also be subject to the advice and consent of the Senate. Further provides that in case of a vacancy during a recess of the Senate, the Governor shall make a temporary appointment until the next meeting of the Senate, at which time the Governor shall nominate some person to fill the office. Provides that if the State Treasurer does not approve or disapprove the appointment by the Governor within 60 session days (rather than 15 days) after receipt thereof, the person shall be deemed to have been approved by the State Treasurer. Further provides that any appointment that has not been acted upon by the Senate within 60 session days after the receipt thereof shall be deemed to have received the advice and consent of the Senate.

SENATE FLOOR AMENDMENT NO. 9

Changes the number of employees to 25 or more (rather than 10 or more) within the definition of "employer". Makes a corresponding change to the definition of "small employer".

SENATE FLOOR AMENDMENT NO. 10

Provides that the Board may not implement the Program if the IRA arrangements offered under the Program fail to qualify for the favorable federal income tax treatment ordinarily accorded to IRAs under the Internal Revenue Code or if it is determined that the program is an employee benefit plan and State or employer liability is established under the federal Employee Retirement Income Security Act.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the Board may establish an annuity fund as an additional investment option. Makes technical changes.

HOUSE COMMITTEE AMENDMENT NO. 2

Defines "IRA" as a Roth IRA (individual retirement account) under Section 408A of the Internal Revenue Code (rather than an individual retirement account under Section 408(a) or Section 408(b) of the Internal Revenue Code). Provides that the Program shall be implemented, and enrollment of employees shall begin, within 24 months (rather than within 12 months) after the effective date of this Act. Deletes the immediate effective date. Provides that if the Board does not obtain adequate funds to implement the Program within the time frame set forth in the Act, the Board may delay the implementation of the Program. Prohibits the Board from otherwise delaying the implementation of the Program.

HOUSE FLOOR AMENDMENT NO. 3

Removes a provision providing that the Board may not delay the implementation of the Program for reasons other than those explicitly stated.

HOUSE FLOOR AMENDMENT NO. 4

Provides that the Board shall request in writing an opinion or ruling from the appropriate entity with jurisdiction over the federal Employee Retirement Income Security Act regarding the applicability of the federal Employee Retirement Income Security Act to the Program.

HOUSE FLOOR AMENDMENT NO. 5

In a Section concerning the duties of the Board, requires the Board to conduct a review of the performance of any investment vendors every 4 years, including, but not limited to, a review of returns, fees, and customer service. Provides that these reviews shall be posted to the Board's Internet website.

Amends the Organ Donor Leave Act. Allows the Director of Central Management Services to set, by administrative rule, the amount of compensated time that an employee may use to

donate blood. Acknowledges that technology may advance at a rate that outpaces the General Assembly's ability to address those advances legislatively. Provides that, to the extent that the Act may not expressly apply to those technological advances, the Act should nonetheless be interpreted to further the declared policy of the Act. Defines the terms "blood" and "organ". Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with the following changes. Provides that a participating employee subject to the Act who wishes to donate blood, an organ, or bone marrow shall request leave under the Act in advance (rather than on request, a participating employee subject to the Act may be entitled to organ donation leave with pay). Provides that the employee may use up to one hour (rather than one hour or more) to donate blood, up to 1.5 hours to donate double red cells, and up to 2 hours (rather than 2 hours or more) to donate blood platelets. Further provides that the frequency of the blood donation times shall be set by rule in accordance with appropriate medical standards established by the American Red Cross, America's Blood Centers, the American Association of Blood Banks, or other nationally-recognized standards. Deletes provisions that it is recognized that technology may advance at a rate that outpaces the General Assembly's ability to address those advances legislatively; and that to the extent that the Act may not expressly apply those technological advances, the Act should nonetheless be interpreted to further the declared policy of the Act. Effective immediately.

Specifies that the report on student discipline shall include student discipline in State-authorized charter schools. Provides that the report shall include data from all public schools within school districts, including district-authorized charter schools. Requires school districts identified in the top 20% of any metric for 3 consecutive years to submit a plan identifying the strategies the school district will implement to reduce the use of exclusionary disciplinary practices or racial disproportionality or both, if applicable.

Provides that school districts that no longer meet the criteria described in any of the metrics for 3 consecutive years shall no longer be required to submit a plan. Provides that the plan may be combined with any other improvement plans required under federal or State law. Further amends the School Code in the Charter Schools Article to require compliance with the requirements set forth in the amendatory Act. Effective July 1, 2014.

730 ILCS 5/5-2-4 from Ch. 38, par. 1005-2-4

Amends the Code of Criminal Procedure of 1963 and the Unified Code of Corrections. If a defendant found unfit to stand trial or acquitted by reason of insanity is placed in the custody of the Department of Human Services, removes the ability of the court to order placement in a non-secure setting within the Department if compelling reasons exist. Any defendant sent to the Department shall be held in a secure setting. For an unfit defendant charged with a misdemeanor, changes the period of time in which the defendant, with treatment, may be expected to attain fitness for purposes of fitness determinations from one year to no longer than the length of sentence if convicted of the most serious offense. If an unfit defendant refuses psychotropic medication, allows the medication to be administered over the defendant's objections as provided in the Mental Health and Developmental Disabilities Code. Allows any unfit defendant in the Department of Human Services custody (rather than only those ordered into a secure setting by the court) to be transported to court hearings or other necessary appointments off facility grounds by personnel of the Department, placed in security devices or otherwise secured during the period of transportation to assure secure transport of the defendant and the safety of Department of Human Services personnel and others. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Adds reference to:

725 ILCS 5/104-15

from Ch. 38, par. 104-15

Further amends the Code of Criminal Procedure of 1963. Provides that a person retained by the State or the defense to conduct a fitness examination shall, upon written request, make his or her notes, other evaluations reviewed or relied upon by the testifying witness, and any videotaped interviews available to another examiner of the defendant. Requires a forensic interview to be videotaped, unless impractical. If the interview is not videotaped, the examiner may still testify and the court may only consider the lack of compliance in according the weight and not the admissibility of the expert testimony. Allows an examiner to use these materials as part of a diagnosis or explanation. Prohibits disclosure of the examination's contents except as otherwise provided in the Code. These changes are effective January 1, 2015, and the rest of the bill is effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Provides that the amendatory changes apply to persons appointed as well as retained by the State or defense to conduct the fitness examination.

New Act

Creates the Freedom From Location Surveillance Act. Provides that a law enforcement agency shall not obtain current or future location information pertaining to a person or his or her effects without first obtaining a court order based on probable cause to believe that the person whose location information is sought has committed, is committing, or is about to commit a crime or the effect is evidence of a crime, or if the location information is authorized under an arrest warrant issued under the Code of Criminal Procedure of 1963 to aid in the apprehension or the arrest of the person named in the arrest warrant. An order issued under a finding of probable cause must be limited to a period of 60 days, renewable by the judge upon a showing of good cause for subsequent periods of 60 days. Provides exemptions. Provides that if the court finds by a preponderance of the evidence that a law enforcement agency obtained current or future location information pertaining to a person or his or her effects in violation of the Act, then the information shall be presumed to be inadmissible in any judicial or administrative proceeding. Provides that the State may overcome this presumption by proving the applicability of a judicially recognized exception to the exclusionary rule of the Fourth Amendment to the United States Constitution or Article I, Section 6 of the Illinois Constitution, or by a preponderance of the evidence that the law enforcement officer was acting in good faith and reasonably believed that one or more of the exceptions existed at the time the location information was obtained. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Creates the Freedom From Location Surveillance Act. Reinserts the provisions of the bill. Adds a definition of "basic subscriber information". Changes the exception from the court order or arrest warrant requirement for current or future location information to an exception for "seeking to obtain" the information (rather than an exception for "obtaining" the information). Provides that a law enforcement agency may seek to obtain current or future location information generated by an electronic device used as a condition of release from a penal institution, as a condition of pre-trial release, probation, conditional discharge, parole, mandatory supervised release, or other sentencing order, or to monitor an individual released under the Sexually Violent Persons Commitment Act or the Sexually Dangerous Persons Act. Provides that a law enforcement agency may seek to obtain current or future location information relating to an electronic device used to track a vehicle or an effect which is owned or leased by that law enforcement agency. Provides that nothing in the Act shall be construed to require a person to provide current or future location information to a law enforcement agency under the law enforcement exceptions to the Act. Provides that

the Act does not apply to a law enforcement agency obtaining basic subscriber information from a service provider under a valid subpoena, court order, or search warrant. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the Act does not prohibit a law enforcement agency from seeking to obtain current or future location information with the lawful consent of the owner of the electronic device.

Amends the Medical Assistance Article of the Illinois Public Aid Code. Removes language requiring the Department of Healthcare and Family Services to (i) limit adult dental services to emergencies; and (ii) beginning July 1, 2013, ensure certain conditions are recognized as emergencies. Provides that (i) the Department shall limit the ALL KIDS school-based dental program; (ii) school-based dental providers must provide children receiving an oral health score of 2 or 3 (indicating the need for restorative or urgent follow-up care) with the diagnosed follow-up care by providing the care themselves at the school or at the provider's local clinic, or the children must be referred by the provider's case manager to a dental provider who is willing to accept each child into the provider's practice to perform required follow-up care and provide a dental home; (iii) the Department may limit dental coverage for children to 2 cleanings and 2 fluoride treatments per year regardless of where the services are performed and shall require prior approval for any requests exceeding this limit; and (iv) beginning July 1, 2014, the Department shall require all adults to pay a \$20 encounter fee to the provider at the time of services. In a provision concerning a dental clinic grant program administered by the Department, adds dental school clinics to the list of dental entities that may apply for grant money. Provides that grant money must be used to support projects that develop dental services or training (rather than only dental services) to meet the dental health care needs of the Department's dental program clients. In addition to other specified expenses, provides that grant moneys must be used for those services provided as part of the educational process at State dental schools. Effective immediately.

from Ch. 110, par. 5-120

Adds reference to:

735 ILCS 5/5-120.5 new

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that in an administrative review action under the Administrative Review Law, if the court reverses the decision of a municipal code hearing officer that imposes a fine or penalty against the owner of a single-family or multi-family residential dwelling for a violation related to the condition or use of that residential property, then the court may award the plaintiff all reasonable costs, including court costs and attorney's fees, associated with the action if the court finds that: (i) the decision of the hearing officer was arbitrary and capricious; or (ii) the defendant failed to file a record that is sufficient to allow the court to determine whether the decision of the hearing officer was arbitrary and capricious. Provides that the court may award the municipality reasonable costs, including court costs and attorney's fees, if the court finds that the plaintiff's action for administrative review of a decision by the municipal code hearing officer is not reasonably well grounded in fact, is not warranted by existing law, or is not accompanied by a reasonable argument for the extension, modification, or reversal of existing law. Provides that the new provisions do not apply to any administrative decision of a municipality with a population of more than 500,000. Provides that the new provisions are mutually dependent and inseparable.

Amends the Private College Act and the Academic Degree Act. Provides that a nonprofit institution owned, controlled, and operated and maintained by a bona fide church, religious denomination, or religious organization comprised of multi-denominational members of the same well-recognized religion, lawfully operating as a nonprofit religious corporation pursuant to the Religious Corporation Act, is exempt from the Acts if (i) the education is limited to instruction in the principles of that church, religious denomination, or religious organization or to courses offered for the purpose of training the adherents of that church, religious denomination, or religious organization in the care of the sick in accordance with its religious tenets and (ii) the diploma or degree is limited to evidence of completion of that education and the meritorious recognition upon which any honorary degree is conferred is limited to the principles of that church, religious denomination, or religious organization. Sets forth requirements and prohibitions concerning the awarding of degrees and diplomas by such an institution. Requires the institution

to annually file with the Board of Higher Education evidence to demonstrate its status as a nonprofit religious corporation under the Religious Corporation Act. Effective July 1, 2014.

SENATE COMMITTEE AMENDMENT NO. 1

Adds, as a requirement for receiving an exemption, that the institution's handbook for students include the following statement: "This religious degree is not accredited by the Illinois Board of Higher Education.". Requires the institution's degrees to reflect the nature of the degree title, such as "religious associate's degree", "religious bachelor's degree", "religious master's degree", or "religious doctorate degree" (instead of "associate of religious studies", "bachelor of religious studies", "master of divinity", or "doctor of divinity").

SENATE FLOOR AMENDMENT NO. 3

Provides that any degree or diploma granted in any area of study under the amendatory provisions shall contain on its face, under the written description of the title of the degree being conferred, the statement, "Not Approved by the Illinois Board of Higher Education" (instead of requiring the degree or diploma to contain on its face, in the written description of the title of the degree being conferred, a reference to the theological or religious aspect of the degree's subject area). Removes the amendatory language that provides that awarded degrees shall reflect the nature of the degree title, such as "religious associate's degree", "religious bachelor's degree", "religious master's degree", or "religious doctorate degree", and the degree title of "associate of arts", "associate of science", "bachelor of arts", "bachelor of science", "master of arts", "master of science", "doctor of philosophy", or "Ph.D." may be awarded only if the institution obtains a certificate of approval or is authorized to award such a degree and is approved as a degree granting institution. 35 ILCS 515/7.5

Amends the Property Tax Code and the Mobile Home Local Services Tax Act. Provides

that the disabled veterans' exemption also applies to housing that is donated or improved by a charitable organization if the veteran was eligible to receive federal funds for the purchase or construction of Specially Adapted Housing. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

35 ILCS 200/15-169

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that the disabled veterans exemption for specially adapted housing applies to property with an assessed value of up to \$100,000 (currently, \$70,000). In a provision of the introduced bill extending that exemption to housing and adaptations donated by a charitable organization, adds a requirement that the home must be inspected and certified by a licensed home inspector to be in compliance with applicable standards set forth in U.S. Department of Veterans Affairs, Veterans Benefits Administration Pamphlet 26-13 Handbook for Design of Specially Adapted Housing. Removes a provision from the introduced bill providing that the exemption for housing and adaptations donated by a charitable organization applies regardless of whether or not the veteran applied for and received federal funds. Further amends the Property Tax Code to provide that the disabled veterans standard homestead exemption applies even if the veteran did not qualify for or obtain the exemption before death if the veteran was killed in the line of duty. Effective immediately.

Amends the Department of Human Services Act. Requires the Inspector General for the

Department of Human Services to report to the Department of Public Health's health care worker registry the identity and finding of each employee of a facility or agency against whom there is a final investigative report containing a substantiated allegation of physical or sexual abuse, financial exploitation, or egregious neglect of an individual (rather than physical or sexual abuse or egregious neglect of an individual). Effective immediately.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

BALANCED BUDGET NOTE (Office of Management and Budget)

This Bill does not have any significant fiscal impact to the State.

FISCAL NOTE (Dept. of Human Services)

SB 2915 is a DHS initiative that amends the Department of Human Services Act by expanding the Health Care Worker Registry (Registry) reportable findings by making financial exploitation a Registry reportable finding. Although making financial exploitation a Registry reportable finding would increase the Registry hearings docket, the total substantiated cases since August, 2009, averages out to about 10+ cases per year if every employee with a substantiated finding filed for a hearing; however, it is likely that not all substantiated cases would result in a Registry hearing. Therefore, the fiscal impact is minimal.

PENSION NOTE (Government Forecasting & Accountability)

There is no discernible fiscal impact of any public pension system associated with this Bill.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

755 ILCS 5/2-6.6

Amends the Probate Act of 1975. Provides that provisions barring certain persons from receiving any property, benefit, or other interest by reason of the death of an elderly person or person with a disability apply also to persons who have been found liable for financial exploitation, abuse, or neglect of an elderly person or a person with a disability by a preponderance of evidence in a civil proceeding. Provides that a civil action against a person for financial exploitation, abuse, or neglect of an elderly person or a person with a disability may be brought after the death of the victim or during the lifetime of the victim if the victim is adjudicated disabled. Provides that the court may, in its discretion, consider such facts and circumstances as it deems appropriate to allow the person found liable for financial exploitation, abuse, or neglect of an elderly person or a person with a disability to receive a reduction in interest or benefit rather than no interest or benefit.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Probate Act of 1975. Changes the definition of "financial exploitation" to mean any offense or act described or defined in specified provisions of the Criminal Code of 2012, and, in the context of civil proceedings, the taking, use, or other misappropriation of the assets or resources of an elderly person or a person with a disability contrary to law, including, but not limited to, misappropriation of assets or resources by undue influence, breach of a fiduciary relationship, fraud, deception, extortion, and conversion. Provides that provisions barring specified persons from receiving any property, benefit, or other interest by reason of the death of an elderly person or person with a disability apply also to persons who have been found by a preponderance of the evidence to be civilly liable for financial exploitation. Provides that a civil action against a person for financial exploitation may be brought after the death of the victim or during the lifetime of the victim if the victim is adjudicated disabled. Provides that a guardian is under no duty to bring a civil action for financial exploitation during the ward's lifetime, but may do so if the guardian believes it is in the best interests of the ward. Provides that the court may, in its discretion, consider such facts and circumstances as it deems appropriate to allow the person found civilly liable for financial exploitation to receive a reduction in interest or benefit rather than no interest or benefit. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Provides that a civil action against a person for financial exploitation may be brought by an interested person (instead of "brought") after the death of the victim or during the lifetime of the victim if the victim is adjudicated disabled.

725 ILCS 5/116-3

Amends the Code of Criminal Procedure of 1963. Permits inclusion in a defendant's prima facie case for forensic DNA testing of evidence that was not subject to testing at the time of his or her trial or guilty plea that identity was an issue in the investigation that resulted in his or her conviction, even if he or she confessed or admitted to the crime. Provides that upon receipt of a motion for post-conviction DNA testing, the court shall order the State to prepare an inventory of the evidence related to the case and issue a copy of the inventory to the prosecution, the petitioner, and the court. Provides that when a motion is filed to vacate based on favorable post-conviction DNA testing results, the State may, upon request, reactivate victim services for the victim of the crime during the pendency of the proceedings, and, as determined by the court after consultation with the victim or victim advocate, or both, following final adjudication of the case. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Code of Criminal Procedure of 1963 concerning a defendant's motion for fingerprint, Integrated Ballistic Identification System, or forensic testing not available at trial or guilty plea regarding actual innocence. Provides that the motion may be made if the defendant pleads guilty. Provides that the trial court shall allow the testing under reasonable conditions designed to protect the State's interests in the integrity of the evidence and the testing process upon a determination that the result of the testing has the scientific potential to produce new, noncumulative evidence that would raise a reasonable probability that the defendant would have been acquitted if the results of the evidence to be tested had been available prior to the defendant's guilty plea and the petitioner had proceeded to trial instead of pleading guilty, even though the results may not completely exonerate the defendant. Provides that in the court's order to allow testing, the court shall order the investigating authority to prepare an inventory of the evidence related to the case and issue a copy of the inventory to the prosecution, the petitioner, and the court. Provides that when a motion is filed to vacate based on favorable post-conviction testing results, the State may, upon request, reactivate victim services for the victim of the crime during the pendency of the proceedings, and, as determined by the court after consultation with the victim or victim advocate, or both, following final adjudication of the case. Effective immediately.

Amends the Mechanics Lien Act. Provides that an agreement to subordinate a lien under the Act where the agreement is in anticipation of and in consideration for the awarding of a contract or subcontract, either express or implied, to perform work or supply materials for an improvement upon real property is against public policy and unenforceable. Provides that a person who is unconscious or incapable of refusing shall be deemed to have withdrawn consent. Provides that the results of these standardized field sobriety tests are admissible in administrative hearings and courts of law for actions or proceedings related to the incident. Provides that a person that refuses to submit to testing shall have his or her driver's license suspended for a year, and that a person that submits to testing and fails shall have his or her driver's license suspended for 6 months. Amends the School Code. In a Section concerning the debt limitations of school districts, provides that, in addition to all other authority to issue bonds, Milford Township High School District 233 may issue bonds with an aggregate principal amount not to exceed \$17,500,000 if certain conditions are met, including that (1) the voters of the district approve a proposition for the bond issuance at an election held on or after November 4, 2014 and (2) prior to the issuance of the bonds, the school board determines, by resolution, that the building and equipping of a new school building is required as a result of the age and condition of an existing school building and the issuance of bonds is authorized by a statute that exempts the debt incurred on the bonds from the district's statutory debt limitation. SB-3216 LIGHTFORD - DELGADO - HUNTER - MARTINEZ.

305 ILCS 5/4-1.6 from Ch. 23, par. 4-1.6

Amends the Temporary Assistance for Needy Families Article of the Illinois Public Aid Code. Provides that the first \$100 of child support collected on behalf of a family in a month for one child and the first \$200 of child support collected on behalf of a family in a month for 2 or more children shall be passed through to the family and disregarded in determining the amount of the assistance grant provided to the family. Provides that any amount of child support that would be disregarded in determining the amount of the assistance grant shall be disregarded in determining eligibility for cash assistance. Effective immediately.

FISCAL NOTE (Dept. of Healthcare & Family Services)

The increase of the child support pass-through amount to \$100 for one child families, and \$200 for families with more than one child, will decrease the State's share of retained collections by an estimated \$1.2M annually. Retained child support collections comprise part of the State's overall support for the Child Support Administrative Budget, and therefore any reduction in retained child support collections could result in a corresponding budget pressure for GRF in order to replace the decrease to retained child support revenues.

Makes changes in the notice to the individual signing the power of attorney for health care. Changes references to "body donation" to "whole body donation". In the portion of the form concerning life-sustaining treatment preferences, adds language indicating that the principal does not want treatments that delay death, but does want treatment to make the principal comfortable and to relieve the principal of pain. 750 ILCS 5/504 from Ch. 40, par. 504
 750 ILCS 5/505 from Ch. 40, par. 505

Amends provisions of the Illinois Marriage and Dissolution of Marriage Act concerning maintenance. Adds language providing that the court shall first determine whether a maintenance award is appropriate, using factors already in the statute. Provides that, if a court determines that a maintenance award is appropriate, the court shall order maintenance either: in accordance with guidelines involving the income of the parties and the length of the marriage; or after the court's consideration of relevant factors already in the statute. Provides that, in a case involving the issue of maintenance, the court shall make specific findings of fact stating the reasoning for awarding or not awarding maintenance, including references to factors already in the statute, and, if the court deviates from otherwise applicable guidelines, stating the amount of maintenance (if determinable) or duration that would have been required under the guidelines and the reasoning for any variance from the guidelines. Defines "gross income", for purposes of calculating maintenance obligations, as "all income from all sources", as that phrase is used in calculating net income for purposes of calculating child support. Provides that, unless the parties otherwise agree, the court may not order unallocated maintenance and child support in a dissolution judgment or a post-dissolution order, but the court may order unallocated maintenance and child support in a pre-dissolution temporary order. Adds headings to existing subsections. In provisions of the Act concerning the determination of child support, provides that obligations pursuant to a court order for maintenance in the pending proceeding actually paid or payable to the same party to whom child support is to be payable shall be deducted from net income.

SB-3366 HAINE.

220 ILCS 5/19-130

Amends the Public Utilities Act. Requires the Office of Retail Market Development to monitor the existing competitive condition of the retail natural gas market in Illinois. Beginning in 2015, requires the Director of the Office of Retail Market Development to submit a report, on or before October 1 of each year, to the Illinois Commerce Commission, the General Assembly, and the Governor regarding the competitive retail gas market in Illinois, barriers to retail competition for all customer classes, and proposes solutions to overcome identified barriers. Deletes language that requires the Office to gather input from all interested parties and other bureaus within the Commission for its annual report. Effective immediately.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

BALANCED BUDGET NOTE (Office of Management and Budget)

The Illinois Commerce Commission estimates that SB 3366 will incur no additional costs resulting from this bill. SB 3366 would have no notable fiscal impact to the State budget.

PENSION NOTE (Government Forecasting & Accountability)

There is no discernible fiscal impact of any public pension system associated with this Bill.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Illinois Commerce Commission)

This legislation ensures that the reporting requirements for the retail natural gas and the retail electric market are the same. It also avoids setting the same due date for both reports and thereby avoids requiring the Office of Retail Market Development to draft and complete the reports at the same time allowing for more efficient use of staff time. These changes should have no fiscal impact on the State.

SB-3405 BISS, REZIN AND HARRIS.

815 ILCS 505/2RRR new

Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that it is an unlawful practice to claim that another has infringed upon a United States patent if the claim falsely threatens adverse administrative or judicial action, the assertions lack a reasonable basis in fact or law, the person making the assertion is not, or does not represent, a person with a current right to license the patent, or the claim fails to make certain other disclosures. Effective January 1, 2015.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with changes. Defines "intended recipient" as a consumer who purchases, rents, leases, or otherwise obtains a product or service in the commercial market that is, or later becomes, the subject of a patent infringement allegation. Provides that a person who sends certain written communications bears liability or owes compensation to another person if: (1) the communication falsely states that litigation has been filed against the intended recipient; or (2) the assertions contained in the communication lack a reasonable basis in fact or law because the communication seeks compensation for a patent that has been held invalid or unenforceable in a final, unappealable or unappealed, judicial or administrative decision. Deletes a provision that the content of the communication fails to include necessary information when it does not include that the communication is deceptive. Provides that nothing in the provisions shall be construed to deem it an unlawful practice for any person who owns or has the right to license or enforce a patent to: (1) advise others of that ownership or right of license or enforcement; (2) communicate to others that the patent is available for license or sale; (3) notify another of the infringement of the patent; or (4) seek compensation on account of past or present infringement or for a license to the patent. Makes other changes. Effective January 1, 2015.

HOUSE COMMITTEE AMENDMENT NO. 1

In the definition of the term "intended recipient" provides that an intended recipient is a person, rather than a consumer, who obtains a product or service that becomes the subject of a patent infringement allegation.

Amends the Emergency Medical Services (EMS) Systems Act. Changes the terms "Emergency Medical Technician-Paramedic (EMT-P)" to "Paramedic", "Emergency Medical Technician-Basic (EMT-B)" to "EMT", and "Pre-hospital RN" to "Pre-Hospital Registered Nurse". Adds a new category of license for Advanced Emergency Medical Technicians (AEMT). Adds the category of AEMT to provisions concerning EMTs in the Firemen's Disciplinary Act, the Volunteer Emergency Worker Job Protection Act, the Illinois Municipal Code, the Fire Protection District Act, the AIDS Confidentiality Act, the Good Samaritan Act, the Workers' Compensation Act, and the Workers' Occupational Diseases Act. Makes corresponding changes in the Boxing and Full-contact Martial Arts Act, the Abandoned Newborn Infant Protection Act, the Coal Mine Medical Emergencies Act, the Burn Injury Reporting Act, the Illinois Vehicle Code, and the Good Samaritan Act. Makes other changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Effective immediately.

adoption of the administrative rules (instead of after the effective date of the amendatory Act); (6) in the provisions amending the AIDS Confidentiality Act, provides that informed consent is not required to perform a test for HIV if an emergency medical responder or pre-hospital registered nurse is involved in an accidental contact with the blood or bodily fluids of an individual which is of a nature that may transmit HIV; and (7) removes provisions amending the Good Samaritan Act. 305 ILCS 5/11-5.3

Amends the Illinois Public Aid Code. In provisions concerning the State's proposed integrated eligibility system for medical assistance, requires the Governor to meet with the

exclusive representative within 14 days after the effective date of the amendatory Act for the purpose of discussing the reasons for a potential proposal to subcontract bargaining unit work. Requires the Department of Human Services to determine, within a specified time period, whether or not labor relations between the State of Illinois and the Department's public employees are currently governed by a collective bargaining agreement. Provides that until the integrated eligibility system is operational "and in order to achieve greater efficiency and economy, if, after review of existing bargaining agreements the Department of Human Services determines that relations between the State and the Department's public employees are currently governed by a collective bargaining agreement", the Department "shall" enter into a contract with the vendor selected as necessary to obtain certain electronic data matching (rather than until the integrated eligibility system is operational, the Department may enter into a contract with the vendor selected as necessary to obtain certain electronic data matching). Contains provisions concerning notice requirements. Extends the time period within which the Department must procure a vendor to verify medical assistance eligibility. Effective immediately.

Provides that the Department of Human Services and the Department of Healthcare and Family Services (rather than the Department) shall comply with all notice and procedural requirements mandated by any labor agreement, if any exists. Provides that the Department of Human Services and the Department of Healthcare and Family Services (rather than the Department) shall provide advance notice, which shall not be less than 45 days, except in emergency situations, in writing, to the exclusive representative as that term is defined in the Illinois Public Labor Relations Act. Amends the Illinois Oil and Gas Act. Establishes the criteria that the Department of Natural Resources may consider when making a determination that the oil and gas leases submitted with an application for a permit or transfer of a permit for a well are operative and that prior oil and gas leases covering the same lands have terminated due to non-development or non-production under the current permittee. Provides that the Department may rely upon affidavits of non-development and non-production from individuals familiar with the history of development and production of such lands in addition to other evidence. Requires that such testimony and evidence reasonably indicate that there has been no development or production of oil or gas on the lands described in the prior leases for at least 24 consecutive months. Further provides that a court order or judgment declaring the prior leases terminated is not required except in extraordinary circumstances where such a determination cannot reasonably be concluded from the testimony and evidence submitted to the Department. Provides that any determination made by the Department shall not diminish the rights of any current permittee of a well that are otherwise provided by statute or regulation of the Department. SENATE FLOOR AMENDMENT NO. 2

Provides that the Department may rely upon affidavits of non-development and non-production from individuals familiar with the history of development and production of such lands in addition to other evidence. Requires that such testimony and evidence create a rebuttable presumption that there has been no development or production of oil or gas on the lands described in the prior leases for at least 24 consecutive months subsequent to the expiration of the primary term or any extension of the primary term as set forth in the leases. Further provides that a court order or judgment declaring the prior leases terminated is not required, except in extraordinary circumstances where such a determination cannot reasonably be concluded from the testimony and evidence submitted to the Department. Provides that, upon the Department's determination of a rebuttable presumption, the Department shall provide the current permittee with notice and a 30-day opportunity to request a hearing to rebut the presumption before a final determination on a lease is made. Further provides that, upon the Department's determination of a rebuttable presumption, if the applicant is not requesting a transfer of any existing permit, but is requesting a new permit, the permit shall be issued to the applicant. Provides that any determination made by the Department shall not diminish the rights or obligations of any current permittee of a well that are otherwise provided by statute or regulation of the Department. Further provides that any request for a determination by the Department or any subsequent hearing requires the payment of a nonrefundable fee of \$1000. Requires that the

Department make a determination on a lease no later than 90 days after the Department's receipt of a valid request for a determination. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 2

820 ILCS 105/4a from Ch. 48, par. 1004a

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Provides that for peace officer units and security employee units only, within 7 calendar days (rather than 7 days) after the request by either party to proceed to arbitration, the parties shall request from the Board a panel of arbitrators from which the parties shall select the neutral chairman. Deletes provisions regarding the absence of mutual agreement or an agreed contract procedure for selecting an impartial arbitrator. Provides that if the failure to notify the Board of a mutual selection for the neutral chairman is due to one party's failure to timely participate in the selection process, the party who was prepared to participate in a timely selection may notify the Board of its willingness to select an arbitrator from the panel. Further provides that under such circumstances, the Board, after waiting 7 days after the receipt of the panel by the non-participating party, shall appoint as the neutral chairman the arbitrator from the panel chosen solely by the party who was prepared to participate in a timely selection. Amends the Minimum Wage Law. Provides that this extension takes effect during the initial 7-day period to select a neutral chairman and shall toll the running of that 7-day period. Further provides that if, after the expiration of the initial 7-day period and the 7-day extension, the non-participating party does not participate in the selection process, the Board shall appoint as the neutral chairman the arbitrator from the panel chosen solely by the party who participated in a timely selection.

Provides that the term "reasonable accommodations" means actions which would permit such an employee to perform in a reasonable manner the activities involved in the job or occupation including an accessible worksite, acquisition or modification of equipment, job restructuring, and modified work schedule. Provides that the reasonable accommodations shall be undertaken provided that those actions do not impose an undue hardship on the business, program, or enterprise of the entity from which the actions are requested.

HOUSE COMMITTEE AMENDMENT NO. 1

Adds reference to:

- 775 ILCS 5/1-102 from Ch. 68, par. 1-102

Deletes provisions of a subsection concerning pregnancy of peace officers and fire fighters. Provides that the subsection concerning pregnancy is applicable regardless of the source of the employee's inability to work or employment classification or status, including part-time, full-time, or probationary. Provides that it is a civil rights violation for an employer, with respect to pregnancy, childbirth, or a related condition: (1) not to make reasonable accommodations, if so requested, unless the employer can demonstrate that the accommodation would impose an undue hardship on the ordinary operation of the business of the employer; (2) to deny employment opportunities or benefits to or take adverse action against an otherwise qualified job applicant or employee; (3) to require a job applicant or employee to accept an accommodation that the applicant or employee chooses not to accept; or (4) to require an employee to take leave under any leave law or policy of the employer if another reasonable accommodation can be provided. Defines "reasonable accommodations" and "undue hardship". Provides that the Department shall furnish copies of summaries and rules to employers upon request without charge. Provides that it is a human rights violation for an employer to require a job applicant or employee affected by pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth to accept an accommodation when the applicant or employee did not request an accommodation and the applicant or employee chooses not to accept the employer's accommodation (instead of "accept an accommodation that the applicant or employee chooses not to accept"). Provides that "reasonable accommodations" includes time off to recover from conditions related to childbirth (instead of "time off to recover from childbirth") and leave necessitated by pregnancy, childbirth, or medical or common conditions resulting from pregnancy or childbirth. Replaces everything after the enacting clause. Amends the Public Utilities Act. Provides that if a customer contacts a public utility concerning the customer's difficulty in paying their utility

bill, then the public utility shall offer to connect a qualifying low-income customer to the Low Income Energy Assistance Program managed by the Community and Economic Development Association. HOUSE COMMITTEE AMENDMENT NO. 1

- Deletes reference to:
- 305 ILCS 5/5-16.8

Removes amendatory changes to the Medical Assistance Article of the Illinois Public Aid Code requiring the State's medical assistance program to provide coverage for all services ordered by a physician and provided in a hospital that are considered medically necessary for the evaluation, assessment, and diagnosis of the illness or condition that resulted in the hospital stay.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Insurance)

It is unclear if this legislation would be considered an expansion of services. However, as a result of the requirements brought about by this legislation, the Department would need to add, at minimum, two (2) full time staff within the External Review & Director Appeal Unit at an annual cost of \$230,300, as the legislation would require that all disputed claims now be sent through the review process. This would require additional

staff in an effort to handle these additional reviews and/or appeals.

New Act

Creates the Life-Saving Drug Shortage Prevention Act. Provides that a notification to the Director of Public Health shall be required from a manufacturer of a drug concerning a discontinuance, interruption, or adjustment of the manufacture of a drug that would likely result in a shortage. Provides that the notification shall be required at least 6 months prior to the date of the discontinuance or planned interruption or adjustment, and in the case of any other interruption or adjustment a notification shall be required as soon as possible. Provides that the Director may modify the time frames. Provides that the Director shall implement evidence-based criteria for identifying drugs that may be vulnerable to a shortage, and sets forth certain criteria. Sets forth provisions concerning public notification. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

New Act

Adds reference to:

225 ILCS 120/200 new

Replaces everything after the enacting clause. Amends the Wholesale Drug Distribution Licensing Act. Sets forth a definition of "drug in shortage". Provides that any person engaged in the wholesale distribution of a drug in shortage must be licensed by the Department of Financial and Professional Regulation. Provides that the provision concerning licensure shall not apply to entities within the normal distribution channel as defined under the Act. Provides that, except with regard to the return of drugs, it is unlawful for any person, other than those licensed as a manufacturer, a manufacturer's exclusive distributor, or an authorized distributor of record, to purchase or receive a drug in shortage from any person not licensed by the Department. Provides that a person found to have violated a provision concerning drugs in shortage shall be subject to administrative fines, orders for restitution, and orders for disgorgement. Requires the Department to (1) create a centralized, searchable database of those entities licensed to sell or distribute a drug in shortage, including manufacturers, wholesale distributors, and pharmacy distributors, to enable purchasers of a drug in shortage to easily verify the licensing status of an entity offering such drugs; (2) establish a system for reporting the suspected instances of unscrupulous conduct by distributors of a drug in shortage to the

Office of the Attorney General; and (3) adopt rules to carry out the provisions concerning drugs in shortage. Effective immediately.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 84 (H-AM 1) will have no fiscal impact on any pension fund or retirement system in Illinois.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

HB 84 (H-AM 1) will have an approximate one-time fiscal impact of \$200,000 to create the database along with an approximate annual cost of \$1,050,000 for six employees and related operational costs. Current application and renewal fees for wholesale drug distributors are \$200 for a two-year license. The Department estimates that there will be 1,240 new entities required to get this license which adds revenues of \$248,000 for each two year period. With the projected amount of revenue falling well short of the required expenditures to properly enforce the requirements of this amendment and the uncertainty of other fines and fees related to the regulation of the wholesale distribution of drugs in shortage; it is thought that this amendment will have a negative impact and the budget would not be balanced.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

HB 84 (H-AM 1) does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

HB 84 (H-AM 1) does not create a State mandate.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 84 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Public Health)

The fiscal impact of HB 84 (H-AM 1) to the Department of Public Health is unknown.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the language of the engrossed bill. Changes the definition of "drug in shortage". Provides that any person engaged in the wholesale distribution of a drug in shortage in the State (previously was a drug in shortage without reference to the State) must be licensed by the Department of Financial and Professional Regulation. Provides that, except with regard to the return of drugs, it is unlawful for any person, other than a manufacturer, a manufacturer's exclusive distributor, a third party logistics provider, or an authorized distributor of record, to purchase or receive a drug in shortage from any person not licensed by the Department (previously did not include third party logistics providers). Requires the Department to (1) create a centralized, searchable database of those entities licensed to engage in wholesale distribution (previously to "sell or distribute a drug in shortage"), including manufacturers, wholesale distributors, and pharmacy distributors, to enable purchasers of a drug in shortage to easily verify the licensing status of an entity offering such drugs; (2) establish a system for reporting the suspected instances of unscrupulous conduct by distributors of a drug in shortage to the Office of the Attorney General; and (3) adopt rules to carry out the provisions concerning drugs in shortage. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Provides that the Department of Financial and Professional Regulation shall establish a system for reporting the reasonable suspicion that a violation of the Act has been committed by a distributor (was previously "suspected instances of unscrupulous conduct") by distributors of a drug in shortage to the Office of the Attorney General and the appropriate State's Attorney's office (previously excluded the State's Attorney).

SENATE FLOOR AMENDMENT NO. 3

Provides that nothing in the provisions related to drugs in shortage prohibits hospital pharmacies from purchasing or receiving a drug in shortage from another hospital pharmacy in the event of a medical emergency.

35 ILCS 200/18-205

Amends the Property Tax Extension Limitation Law in the Property Tax Code. Provides that, if the total equalized assessed value of all taxable property in the taxing district for the current levy year (excluding new property, recovered tax increment value, and property that is annexed to or disconnected from the taxing district in the current levy year) is less than the total equalized assessed value of all taxable property in the taxing district for the previous levy year, then the extension limitation is (a) 0% or (b) the rate of increase approved by voters (instead of the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year or (b) the rate of increase approved by voters). Effective immediately.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill does not have any fiscal impact on State revenues. This legislation may result in lost revenues for local governments impacted by the bill.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 89 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

There is no discernible fiscal impact of any pension system associated with HB 89.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

FISCAL NOTE (Dept. of Revenue)

HB 89 will have no fiscal impact on State revenues. Based on changes in taxable equalized assessed value from tax year 2010 to 2011, the most recent tax years for which the Department of Revenue has data available, HB 3041 would have decreased revenues to local taxing jurisdictions in the following amounts: (1) 13 Counties with a loss of approximately \$5 million; (2) 194 Municipalities with a loss of approximately \$37 million; (3) 149 Townships with a loss of approximately \$7 million; (4) 186 Special Districts with a loss of approximately \$33 million; (5) 98 School Districts with a loss of approximately \$46 million. The total impact to local taxing districts had this change been applied to the 2011 tax year would have been approximately \$128 million spread across 640 taxing districts.

Amends the Election Code. Provides that, for each even-numbered year that a general election is to be held, each public institution of higher learning shall send an electronic message to each student enrolled in the institution devoted exclusively to information on voter registration. Sets forth requirements concerning the content of the message and when it should be sent. Provides that the Board of Higher Education shall issue a notice to each public institution of higher learning regarding the requirements of the electronic message in August of each even-numbered year during which a general election is held. Amends the Board of Higher Education Act. Provides that the Board of Higher Education shall include specified information concerning college voter registration on its Internet website. Effective January 1, 2014.

FISCAL NOTE (Illinois Board of Higher Education)

HB 105 creates an administrative burden with an indeterminate fiscal impact. This legislation will place an administrative burden on public institutions and the Illinois Board of Higher Education (IBHE), and requires the IBHE to provide guidance on an issues where no historical expertise exists. As a result, the IBHE would have to closely collaborate with the Illinois State Board of Elections regarding voter registration issues and appropriate voter registration guidance language to be provided to the institutions, and will require diversion from IBHE's central mission and purpose. The institutions' cost of sending emails to students with various links and voter registration is indeterminate and would be measured in terms of staff time and effort required to carry out this mandate.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 105 does not create a State mandate.

SENATE FLOOR AMENDMENT NO. 1

Provides that the electronic message shall include a link for a downloadable voter registration application from the State Board of Elections that may be used for any election authority in the State (rather than just a downloadable voter registration application). Provides that the electronic message shall inform the student that he or she may choose to register to vote at his or her campus address or at a prior address in the State if he or she intends to maintain that prior address as a residence.

Provides that the terms of a guardianship account established on behalf of a minor at a financial institution must provide for compliance with court orders regarding the establishment and management of the account, and imposes certain other duties upon financial institutions. Provides that an entity may not act under the direction of a small estate affidavit unless the affiant, or his or her agent, has first presented the affidavit before a judge and obtained a court order granting access. Replaces everything after the enacting clause. Creates the Firearm Concealed Carry Act. Allows residents and non-residents who meet specified qualifications to apply for a license to carry a concealed firearm in this State. The license is valid for 5 years and the license fee is \$150 for a resident and \$300 for a non-resident. Allows any law enforcement agency to object to a license applicant based upon a reasonable suspicion that the applicant is a danger to himself or herself or others, or a threat to public safety. Allows the Department of State Police to object to a license applicant with 5 or more arrests for any reason or 3 or more gang-related arrests within the 7 years preceding the date of application. These objections are reviewed by a Concealed Carry Licensing Review Board composed of 7 members appointed by the Governor with the advice and consent of the Senate. The Concealed Carry Licensing Review Board determines by a preponderance of the evidence whether the applicant is eligible or ineligible for a license. Prohibits a licensee from carrying a concealed handgun into certain specified locations. Requires the Department of State Police to approve a 16 hour training course for new license applicants and 3 hour course for license renewal, and to certify course instructors. Establishes training course requirements. Creates a task force to develop a plan by March 1, 2014 to allow for a Firearm Owner's Identification Card and concealed carry license designation to appear on a person's Illinois driver's license or Illinois identification card. Preempts home rule on the regulation, licensing, possession, registration, and transportation of concealed handguns as covered by the Act. Creates the School Administrator Reporting of Mental Health Clear and Present Danger Determinations Law. Requires the principal of a public elementary or secondary school, or his or her designee, and the chief administrative officer of a private elementary or secondary school or a public or private community college, college, or university, or his or her designee, to report to the Department of Human Services when a student is determined to pose a clear and present danger to himself, herself, or to others within 24 hours of the determination. Amends the Mental Health and Developmental Disabilities Code to make conforming changes and require notification to the Department of State Police Firearm Owners Identification Card Office no later than 7 days after entry of a court order for an adjudication as a mentally disabled or disabled person. Requires reporting a developmental disability or clear and present danger determination within 24 hours of the determination to the Department of Human Services, and the Department of Human Services must notify the Department of State Police. Firearms in the possession of a person adjudicated as a mentally disabled or disabled person must be ordered by the court to deliver the firearms to a person with a valid Firearm Owner's Identification Card for safekeeping. The adjudicated person shall also be ordered to surrender his or her Firearm Owner's Identification Card. Amends the Firearm Owners Identification Card Act (FOID). Defines "addicted to narcotics" for purposes of disqualifying a person for a Firearm Owner's Identification Card. Changes the disqualification for a Firearm Owner's Identification Card as a "mental defective" to "mentally disabled". Adds to the definition of "mentally disabled" an adjudication as a disabled person, a finding of guilty but mentally ill, or a determination that a person is a clear and present danger to himself, herself, or to others. Defines "clear and present danger". Preempts home rule on the regulation, licensing, possession, registration, and transportation of concealed handguns and ammunition for concealed handguns as covered by the FOID Act. Preempts home rule on the prohibition of possession or ownership of assault weapons unless the ordinance is enacted before, on, or within 10 days of the effective date of this Act and any amendments thereafter. Amends The Freedom of Information Act. Exempts from disclosure the names and information of persons who have applied for or received a concealed carry license and certain records under the Firearm Concealed Carry Act. Amends the Open Meetings Act to close meetings and deliberations of the Concealed Carry Licensing Review Board. Amends the Department of State Police Law of the Civil Administrative Code of Illinois and the State Finance Act. Creates the

State Police Firearm Services Fund for fee revenue from the Firearm Owners Identification Card Act and Firearm Concealed Carry Act. The Department of State Police may use the Fund for its lawful purposes, mandates, functions, and duties under the Firearm Owners Identification Card Act and Firearm Concealed Carry Act. Creates the Mental Health Reporting Fund for fee revenue from the Firearm Concealed Carry Act for the Department of State Police and the Department of Human Services for duties in collecting and reporting data on mental health records and ensuring firearm possession prohibitions related to mental health are enforced. Surplus money in the Fund may be used for mental health treatment programs. Amends the Criminal Code of 2012 and other Acts to make conforming changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 6

Removes reference to "concealed" handguns in the preemption Section of the Firearm Concealed Carry Act.

SENATE FLOOR AMENDMENT NO. 7

Changes the appointment of the member representing the National Rifle Association to the task force on consolidation of the Firearm Owner's Identification Card and the concealed carry license from appointment by the Speaker of the House of Representatives to appointment by the Secretary of State.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that licensees under the Firearm Concealed Carry Act be limited to carrying one handgun and one ammunition magazine of 10 rounds or less, and that the handgun be completely concealed from the view of the public while being carried on the person or within a vehicle. Recommends that a concealed carry licensee stopped by a police officer must, upon request, immediately inform the police officer that the licensee is carrying a concealed handgun. Recommends that concealed carry licensees be prohibited from carrying a concealed handgun into an establishment where alcohol may be consumed, other than a private residence or club, rather than only prohibited from carrying in establishments where more than 50% of the gross receipts within the prior 3 months are from the sale of alcohol. Recommends that a concealed carry licensee must have permission of a private property owner to carry a concealed handgun on the owner's property, rather than a private property owner being required to post a sign on non-residential property that firearms are prohibited. Recommends that an employer may prohibit an employee from carrying a concealed firearm during employment and an employer may prohibit an employee from bringing a firearm onto the employer's property. Recommends that when a concealed carry licensee uses the parking lot exemption for a location where the concealed carry of a handgun is prohibited under the Firearm Concealed Carry Act, the handgun must remain within the vehicle at all times while in the prohibited location parking lot, rather than the licensee being allowed to take the handgun outside of the vehicle to place it in the vehicle's trunk and to retrieve it from the trunk. Recommends that meetings of the Concealed Carry Licensing Review Board that do not involve deliberations regarding concealed carry license applicants be subject to the Open Meetings Act. Recommends that home rule units be allowed to enact assault weapons bans or regulations, rather than prohibit home rule units from doing so 10 days after the Firearm Concealed Carry Act goes into effect.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Dept. of Commerce & Economic Opportunity)

HB 190 (H-AM 4) does not create a State mandate.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Dept. of Commerce & Economic Opportunity)

HB 190 (H-AM 4) does not pre-empt home rule authority.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Office of Management and Budget)

HB 190 (H-AM 4) provides supplemental appropriations for a net increase of approximately \$603,266,600 in general revenue fund appropriations, approximately

\$1,516,909,900 in other State fund appropriations, and approximately \$48,757,100 in federal fund appropriations. The bill provides for no new revenue sources, nor does the bill requires any additional State spending. This Bill does not directly have any significant fiscal impact. The supplemental appropriation to the Department of Central Management Services for group insurance was expected to be included in the fiscal year 2013. Therefore the fiscal impact to the General Revenue Fund is negligible. Supplemental appropriations provided from other State and federal funds are provided on the basis of the availability of moneys in those funds.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Office of Management and Budget)

HB 190 (H-AM 4) would have no fiscal impact to the Governor's Office of Management and Budget.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Dept of Corrections) There are no penalty enhancements associated with HB 190 (H-AM 4). The bill would have no fiscal or population impact on the Department of Corrections.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Government Forecasting & Accountability)

HB 190 (H-AM 4) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

HB 190 (H-AM 1) would have no fiscal impact to the Governor's Office of Management and Budget.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

HB 190 (H-AM 1 & 4) provides supplemental appropriations for a net increase of approximately \$52,266,600 in general revenue fund appropriations, approximately \$817,328,500 in other State fund appropriations, and approximately \$48,757,100 in federal fund appropriations. The bill provides for no new revenue sources, nor does the bill requires any additional State spending. This Bill does not directly have any significant fiscal impact. The supplemental appropriation to the Department of Central Management Services for group insurance was expected to be included in the fiscal year 2013. Therefore the fiscal impact to the General Revenue Fund is negligible. Supplemental appropriations provided from other State and federal funds are provided on the basis of the availability of moneys in those funds.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Housing Development Authority)

HB 190 (H-AM 4) have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Government Forecasting & Accountability)

HB 0190, as amended by HA 4, will not have a discernible fiscal impact on the State-funded retirement systems.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Admin Office of the Illinois Courts)

HB 190 (H-AM 4) would neither increase nor decrease the number of judges needed in the State.
