105 ILCS 5/29-2

Adds reference to:

105 ILCS 5/21B-30

Replaces everything after the enacting clause. Amends the Educator Licensure Article of the School Code. Removes language that provides that no candidate may be fully admitted into an educator preparation program at a recognized Illinois institution until he or she has passed a test of basic skills. Provides instead that all applicants seeking a Professional Educator License or an Educator License with Stipulations shall be required to pass the State Board of Education's recognized test of basic skills prior to their student teaching, with exceptions. Provides that the passage of a test of basic skills shall not be a prerequisite for admission into a graduate program for speech-language pathology. Provides that an individual admitted into a graduate program for speech-language pathology must pass a test of basic skills prior to commencement of his or her full-time school internship.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Educator Licensure Article of the School Code. Provides that applicants seeking a Professional Educator License or an Educator License with Stipulations shall be required to pass a test of basic skills before the license is issued (instead of being required to pass a test of basic skills, unless the endorsement the individual is seeking does not require passage of the test). Provides that all applicants completing Illinois-approved, teacher education or school service personnel preparation programs shall be required to pass the State Board of Education's recognized test of basic skills prior to starting their student teaching or starting the final semester of their internship, unless required earlier at the discretion of the recognized, Illinois institution in which they are completing their approved program (instead of providing that no candidate may be fully admitted into an educator preparation program at a recognized, Illinois institution until he or she has passed a test of basic skills).

SENATE FLOOR AMENDMENT NO. 2

Restores current law with respect to requiring passage of a test of basic skills unless the endorsement the individual is seeking does not require passage of the test.

- Adds reference to:
325 ILCS 17/10
325 ILCS 17/15 rep.

Replaces everything after the enacting clause. Amends the Children's Privacy Protection and Parental Empowerment Act. Provides that the Act's prohibition against the sale or purchase of personal information concerning an individual known to be a child absent parental consent does not apply when the sale or purchase is made under a criminal investigation that is otherwise lawful. Repeals a provision that (i) creates a presumption of parental consent to the sale or purchase of information concerning a child unless the parent withdraws consent; (ii) requires a person who brokers or facilitates the sale of personal information concerning children to, upon written request from a parent, provide the parent with procedures that the parent must follow in order to withdraw consent to use personal information relating to the child; and (iii) exempts certain government agencies, the National Center for Missing and Exploited Children, and certain educational institutions and not-for-profit entities from the withdrawal of consent requirements.

SENATE FLOOR AMENDMENT NO. 1

Expands the exemption provided in the underlying bill to include the sale or purchase of a child's personal information made under a civil investigation that is otherwise lawful.

Replaces everything after the enacting clause. Amends the Criminal Code of 2012. Exempts from the eavesdropping offense electronic recordings, including but not limited to, motion picture, videotape, digital, or other visual or audio recording, made of a lineup procedure. Amends the Code of Criminal Procedure of 1963. Requires all lineups to be conducted by: (1) an independent administrator (one who does not know the identity of a suspected perpetrator); (2) an automated computer program or other device photo lineup; (3) a random folder photo lineup method; or (4) any other procedure that does not allow the lineup administrator to know the identity of the suspect or see or know the photographs being presented to the eyewitness. Also allows any identification procedure approved by the Illinois Supreme Court as sufficiently established as a reliable method and that provides more accurate results than simultaneous or sequential lineups. Allows a lineup of persons or a photo spread lineup to be presented to witnesses sequentially, with each person or photo presented separately and then removed before the next person or photo is viewed or presented to witnesses simultaneously. Requires each law enforcement agency that conducts lineups, to establish written guidelines on when an officer should present persons or photographs to an eyewitness simultaneously or sequentially. Prohibits the presence during a lineup of any person who knows the suspected perpetrator's identity, except the eyewitness and defense counsel. Provides instructions to the eyewitness to whom the identification procedure is presented. Establishes procedures for conducting lineup identification procedures. Provides remedies for failure to comply with lineup identification procedures. Requires a lineup to be video recorded, if practical, unless the eyewitness refuses to consent to the recording. If not practical or the eyewitness refuses to allow the recording, a report stating the reasons video recording was not done and an audio recording shall be made. If an audio recording is not practical, a report stating the reasons video recording was not done and an audio recording shall be made. Requires the photographs, recordings, and written record of the

lineup to be disclosed to the legal counsel for the accused during discovery. Requires photographs of suspects used in a photo lineup to be disclosed to the legal counsel for the accused during discovery. Repeals current lineup and photo spread procedures. Repeals an expired pilot study on sequential lineup procedures.

SENATE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended. Provides that before a lineup is conducted, the eyewitness shall be instructed that if the administrator conducting the lineup is not an independent administrator, the eyewitness should not assume that the lineup administrator knows which person in the lineup is the suspect. Provides that in conducting the lineup, the suspected perpetrator shall not be substantially different in appearance from the fillers based on the eyewitness's previous description of the perpetrator or based on other factors that would draw attention to the suspected perpetrator. Provides that the lineup administrator shall obtain and document any and all statements made by the eyewitness during the lineup as to the perpetrator's identity. Deletes that the lineup administrator's official report shall include words used by the eyewitness in an identification, including words that describe the eyewitness's certainty of identification. Provides that to protect the identity of the eyewitness and the identities of law enforcement officers used as fillers in the lineup from being disclosed to third parties, the State's Attorney shall petition the court for a protective order under Supreme Court Rules upon disclosure of the photographs or recordings to the counsel of the accused. Provides that any electronic recording made during a lineup that is compiled by any law enforcement agency for the purposes of fulfilling the requirements of these provisions shall be confidential and exempt from public inspection and copying, as provided under the Freedom of Information Act, and the recording shall not be transmitted to any person except as necessary to comply with the lineup procedures. Makes other technical changes.

Adds reference to:

New Act

320 ILCS 20/7.1 new

320 ILCS 20/15.5 new

5 ILCS 140/7.5

Replaces everything after the enacting clause. Repeals the Abuse of Adults with Disabilities Intervention Act. Amends the Elder Abuse and Neglect Act. Changes the short title of the Act to the Adult Protective Services Act and amends various Acts to change references to the short title. Adds and defines new terms. Provides that the Department on Aging shall by rule develop standards for minimum staffing levels and staff qualifications. The Department shall by rule establish mandatory standards for the investigation of abuse, neglect, financial exploitation, or self-neglect of eligible adults and mandatory procedures for linking eligible adults to appropriate services and supports. Provides that a provider agency shall, in accordance with rules promulgated by the Department, establish a multi-disciplinary team to act in an advisory role for the purpose of providing professional knowledge and expertise in the handling of complex abuse cases involving eligible adults; and that each multi-disciplinary team shall consist of one volunteer representative from the following professions: banking or finance; disability care; health care; law; law enforcement; mental health care; and clergy. Provides that a provider agency may also choose to add representatives from the fields of substance abuse, domestic violence, sexual assault, or other related fields; and that to support multi-disciplinary teams in this role, law enforcement agencies and coroners or medical examiners shall supply records as may be requested in particular cases. Contains provisions concerning notice to caregivers; report challenges; registry hearings; a caregiver's rights to collateral action; removal from the registry; and the referral of registry reports to health care facilities; the establishment of a Statewide Fatality Review Team; and other matters. Effective July 1, 2013.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Provides that a public body may hold closed meetings to consider those meetings or portions of meetings of an at-risk adult fatality review team or the Illinois At-Risk Adult Fatality Review Team Advisory Council during which a review of the death of an eligible adult in which abuse or neglect is suspected, alleged, or substantiated is conducted pursuant to the Adult Protective Services Act (rather than meetings of an at-risk adult fatality review team or the Illinois At-Risk Adult Fatality Review Team Advisory Council under the Adult Protective Services Act). In a provision concerning final investigative reports, provides that a provider agency shall prepare a final investigative report, upon the completion or closure of an investigation, in all cases of reported abuse, neglect, financial exploitation, or self-neglect of an eligible adult, whether or not there is a substantiated finding (rather than a provider agency shall prepare a final investigative report in which there is a substantiated finding of abuse, neglect, financial exploitation, or self-neglect of an eligible adult). In addition to other specified caregivers, requires the Department on Aging to report to the Health Care Worker Registry the identity and administrative finding of a verified and substantiated decision of abuse, neglect, or financial exploitation of an eligible adult that is made against any volunteer paid with public funds from the Department of Public Health, Healthcare and Family Services, or Human Services, or the Department on Aging. Defines "privately paid caregiver" to mean any caregiver who has been paid with resources other than public funds, regardless of licensure, certification, or regulation by the State of Illinois and any Department thereof. Provides that a privately paid caregiver does not include any caregiver that has been licensed, certified, or regulated by a State agency, or paid with public funds. Defines "uncompensated caregiver" to mean a caregiver who, in an informal capacity, assists an eligible adult with activities of daily living, financial transactions, or chore housekeeping type duties. Provides that "uncompensated caregiver" does not refer to an individual serving in a formal capacity as a volunteer with a provider licensed, certified, or regulated by a State agency. Prohibits a provider from hiring, compensating, or accepting a person as a consultant or volunteer, for whom the online check reveals a verified and substantiated claim of abuse, neglect, or financial exploitation, to provide direct access to any adult aged 60 or older or any adult, over 18, with a disability; and from retaining a person for whom they gain knowledge of a verified and substantiated claim of abuse, neglect, or financial exploitation in a position that permits the caregiver direct access to provide direct care to any adult aged 60 or older or any adult, over 18, with a disability or direct access to that individual's living quarters or personal, financial, or medical records. In a provision concerning notice to the caregiver, requires such notice to contain a clear and concise

statement of the grounds upon which the verified and substantiated finding of abuse, neglect, or financial exploitation is based and shall set forth the procedures for challenging the finding (rather than contain a clear and concise statement of the grounds upon which the report to the registry is based and shall set forth the procedures for challenging a report to the registry). Provides that if there is an imminent risk of misuse of personal, medical, or financial information, the caregiver shall immediately be barred from direct access to the eligible adult pending the outcome of any registry challenge, criminal prosecution, or other type of collateral action. In a provision concerning, access to records, provides that the Illinois Guardianship and Advocacy Commission and the agency designated by the Governor under the Protection and Advocacy for Developmentally Disabled Persons Act shall have access, through the Department on Aging, to records, including the findings, pertaining to a completed or closed investigation of a report of suspected abuse, neglect, financial exploitation, or self-neglect of an eligible adult (rather than the Illinois Guardianship and Advocacy Commission and the agency designated by the Governor under the Protection and Advocacy for Developmentally Disabled Persons Act shall have access to all records, including the findings, pertaining to a completed investigation of a report of suspected abuse, neglect, financial exploitation or self-neglect of an eligible adult, when it determines that access to such records is necessary to conduct its official business). Makes changes concerning uncompensated caregiver report challenges and uncompensated caregiver registry hearings. Effective July 1, 2013.

SENATE FLOOR AMENDMENT NO. 3

Requires the Department on Aging to implement certain activities for adults with disabilities upon the effective date of this amendatory Act (rather than within 3 months after the effective date of this amendatory Act) with the exception of certain responsibilities aimed at preventing the abuse, neglect, financial exploitation, and self-neglect of eligible adults, which shall be undertaken as soon as practicable. Deletes a provision requiring the Department to convene and lead a study committee for the Health Care Worker Registry within 6 months after the effective date of this amendatory Act. Provides that the State of Illinois, any Department thereof, or other specified providers, shall not hire or compensate any person seeking employment, retain any contractors, or accept any volunteers to provide direct care (rather than direct access) without first conducting an online check of the person through the Department of Public Health's Health Care Worker Registry. Deletes language requiring the Department on Aging to notify the caregiver of its obligation to report to the registry and to provide the caregiver with a clear and concise statement of the grounds upon which the verified and substantiated finding of abuse, neglect, or financial exploitation is based and instead provides that the Department shall establish rules concerning notice to the caregiver in cases of abuse, neglect, or financial exploitation. Deletes provisions concerning uncompensated caregiver report challenges and uncompensated caregiver registry hearings and instead provides that the Department on Aging shall establish, by rule, procedures concerning caregiver challenges. Provides that provisions concerning the Health Care Worker Registry shall take effect on January 1, 2014. Makes some technical changes.

30 ILCS 500/10-20

Amends the Local Government Debt Reform Act. Provides that determinations of sufficiency of enterprise revenues or revenue sources shall be conducted by the chief procurement officer for procurements of construction and construction-related services under the jurisdiction of the Capital Development Board. Provides that enterprise revenues shall be sufficient to pay 150% (instead of 100%) of the debt service on all outstanding revenue bonds payable from those enterprise revenues. Provides that a petition to initiate a backdoor referendum concerning the issuance of alternate bonds may be filed within 90 (instead of 30) days of publication of the authorizing ordinance and notice. Provides that it must be signed by 5% of the registered voters in the governmental unit or 500 of those registered voters, whichever is less. Provides that, if alternate bonds are payable from a combination of enterprise revenues and property taxes, and if, in any fiscal year of the governmental unit, the total amount of enterprise revenues collected exceeds the debt service payable on those bonds, then, within 90 days after the last day of the fiscal year, the surplus revenues shall be refunded to property owners within the governmental unit according to each property owner's pro rata share of property taxes paid in that fiscal year. Effective immediately.

 705 ILCS 405/5-905
 Amends the School Code and the Juvenile Court Act of 1987. Provides that as part of the pupil discipline policy (or the uniform system of discipline for pupils in the case of Chicago), each school board shall adopt a policy of zero tolerance that, among other requirements, (1) defines criteria for reporting any act that occurs whenever or wherever students are within the jurisdiction of the school board, (2) defines acts that pose a serious threat to school safety, (3) defines petty acts of misconduct, (4) minimizes the victimization of students or staff, and (5) establishes a procedure that ensures each student has the opportunity to appeal disciplinary actions. Sets forth provisions in relation to entering into agreements with and filing reports with local law enforcement agencies and adopting a cooperative agreement with the Department of Juvenile Justice concerning no contact orders. Provides that any disciplinary or prosecutorial action taken against a student who violates a zero-tolerance policy must be based on the individual student and the particular circumstances of the student's misconduct. Encourages school districts to use alternatives to expulsion or referral to law enforcement agencies unless the use of such alternatives will pose a threat to school safety.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 19 (Illinois State Police)

If HB 1155 (H-AM 19), which concerns the development and administration of a firearms training course by the Illinois State Police (ISP), were to become law, there would be a significant fiscal impact to the Illinois State Police. First, it should be noted, the Illinois State Police has only 17 firearm ranges. Second, currently the Illinois State Police has only five full time range instructors, with only two at the training academy. The other certified range instructors are spread throughout ISP divisions with other primary job responsibilities. Third, the Illinois State Police is anticipating at least 400,000 applications within the first year. Additionally, other policy decisions, such as, "may" versus "shall" issue will impact these calculations. If this amendment were to become law, the Illinois State Police estimates an annual fiscal impact of \$219,663,492.60. This estimate includes classroom instructors, range instructors with a 4:1 ratio, equipment (frames, paper, target, eye and ear protection), annual maintenance (lead abatement) on ISP ranges, and civilian support staff. Note: The calculation are made with the assumption of issuing 400,000 permits and are subject to change as that number changes.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 24 (Illinois State Police)

HB 1155 (H-AM 24) concerns handgun carry licensing. There are certain policy issues contained in this amendment which impact the fiscal calculations. First, this amendment contains a "shall" issue provision. Secondly, this opens the applications process to non-Illinois residents. Third, the Illinois State Police (ISP) is only given 30 days to review the application. Within the first three days of receipt, ISP must forward to the applicant's sheriff. If this amendment were to become law, the estimated fiscal impact of this portion would be approximately \$1,708,420.00, in addition to an anticipated total cost of \$25,621,963 to implement a conceal carry program. It should be noted, this estimate includes \$1,472,567.80 to make the Firearm Owner's Identification (FOID) Unit whole and \$10 million over the course of three years to modernize ISP's fragile Law Enforcement Agencies Data System (LEADS). This fiscal note was prepared based upon an assumption that ISP will receive approximately 400,000 applications the first year and 80,000 every year thereafter. As the number of applicants changes so does the fiscal impact to the Illinois State Police.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 27 (Illinois State Police)

HB 1155 (H-AM 27) concerns the actual application process for a conceal carry license. There are policy issues contained in this amendment which impact the Illinois State Police's (ISP) fiscal calculations. First, this amendment contains a "shall" issue provision. Secondly, this opens the applications process to non-Illinois residents. Third, this amendment gives the Illinois State Police 30 days to process applications. If this amendment were to become law, the estimated fiscal impact on the Illinois State Police would be \$25,621,963. It should be noted; this estimate includes \$1,472,567.80 to make the Firearm Owner's Identification (FOID) Unit whole and \$10 million over the course of three years to modernize ISP's fragile Law Enforcement Agencies Data System (LEADS). The Illinois State Police is anticipating at least 400,000 applications within the first year from Illinois residents. As the number of applicants changes so does the fiscal impact to the ISP. This amendment also allows the Illinois State Police to collect \$80 per application. This fiscal note was prepared based upon an assumption that ISP will receive approximately 400,000 applications the first year and 80,000 every year thereafter. As the number of applicants changes so does the fiscal impact to the Illinois State Police.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 25 (Illinois State Police)

HB 1155 (H-AM 25) concerns handgun carry licensing. There are certain policy issues contained in this amendment which impact the fiscal calculations. First, this amendment contains a "may" issue provision. Second, the Illinois State Police (ISP) is only given 30 days to review the application. Within the first three days of receipt, ISP must forward to the applicant's sheriff. HB-1165 MADIGAN.

40 ILCS 5/1-101 from Ch. 108 1/2, par. 1-101

Amends the Illinois Pension Code. Makes a technical change in a Section concerning the

short title of the Code.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State. CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections) There are no penalty enhancements associated with this legislation. The bill would have no fiscal or population impact on the Department of Corrections.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This amendment does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This amendment does not create a State mandate.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

The Commission's actuary had previously performed a cost study on applying the Tier 2 retirement age to Tier 1 active employees. The actuary estimated that making this change would reduce State contributions to the four systems by an estimated \$81.6 billion through FY 2045. The table below shows a detailed breakout of the contribution savings by system: Retirement System Savings Through FY 2045; (1) TRS \$61,491,900,000; (2) SURS \$10,041,200,000; (3) SERS \$10,001,000,000; (4) GARS \$95,400,000; Total All Systems \$81,629,500,000. The fiscal impact of eliminating the Early Retirement Option (ERO) in TRS has not been calculated; however under P.A. 94-0004, the ERO is slated to sunset on June 30th of this year unless renewed by the General Assembly in accordance with CGFA's actuarial recommendations. On January 10, 2013, the Commission on Government Forecasting and Accountability recommended that member ERO contributions be adjusted upwards to 14.4% (currently 11.5%) and that school district ERO contributions be adjusted upwards to 29.3% (currently 23.5%). These revised contribution rates were developed by TRS' actuary, Buck Consultants, and were reviewed by the Commission's actuary and found to be sufficient to fund 100% of the ERO benefit.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

This Bill does not require the affected retirement systems to re-certify the required State contributions during Fiscal Years 2013 or 2014, thus there is no immediate impact on the State budget. Savings resulting from HB 1165 (H-AM 1) would not be realized until Fiscal Year 2015.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 1165 (H-AM 1), would not have a budgetary impact on the Commission on Government Forecasting and Accountability unless additional actuarial work is requested.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Amends the Illinois Act on the Aging. Grants the Department on Aging the power to hold conferences, trainings, and other programs for which the Department shall determine by rule a reasonable fee to cover related administrative costs. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

20 ILCS 105/4.04 from Ch. 23, par. 6104.04

Further amends the Illinois Act on the Aging. Provides that the purpose of the Long Term Care Ombudsman Program is to ensure that older persons and persons with disabilities receive quality services; that this is accomplished by providing advocacy services for residents of long term care facilities and participants receiving home care and community-based care; that managed care is increasingly becoming the vehicle for delivering health and long-term services and supports to seniors and persons with disabilities, including dual eligible participants; and that the additional ombudsman authority will allow advocacy services to be provided to Illinois participants for the first time and will produce a cost savings for the State of Illinois by supporting the rebalancing efforts of the Patient Protection and Affordable Care Act. Provides that the Long Term Care Ombudsman Program is authorized, subject to sufficient appropriations, to advocate on behalf of older persons and persons with disabilities residing in their own homes or community-based settings, relating to matters which may adversely affect the health, safety, welfare, or rights of such individuals. Expands the definition of the term "access" to mean the right to, subject to permission of the participant or resident requesting services or his or her representative, enter a home or community-based setting. Defines "community-based setting" to mean any place of abode other than an individual's private home. Defines "participant" to mean an older person or persons with disabilities who are eligible for services under (i) a medical assistance waiver administered by the State or (ii) a managed care organization providing care coordination and other services to seniors and persons with disabilities. Defines "resident" to mean an older individual who resides in a long-term care facility. Redefines "ombudsman" to mean any designated representative of the State Long Term Care Ombudsman Program (rather than any designated representative of a regional long term care ombudsman program). Provides that administrative rules promulgated by the Department on Aging shall include the responsibility of the Office of State Long Term Care Ombudsman and designated regional programs to investigate and resolve complaints made by or on behalf of "participants residing in their own homes or community-based settings", including the option to serve residents "and participants" under the age of 60, relating to actions, inaction, or decisions of providers, or their representatives, of "such facilities and establishments," (rather than of long term care facilities, of supported living facilities, of assisted living and shared housing establishments) of public agencies, or of social services agencies, which may adversely affect the health, safety, welfare, or rights of such residents "and participants". Deletes language requiring the Department on Aging to cooperate with the Department of Human Services and other State agencies in providing information and training to designated regional long term care ombudsman programs about the appropriate assessment and treatment of residents, children, persons with mental illness (other than Alzheimer's disease and related disorders), and persons with developmental disabilities. Instead provides that such information and training shall concern the appropriate assessment and treatment of participants. Makes other changes.

Provides for temporary relief and proceedings to adjudicate parentage. Establishes procedures regarding parentage of a child of assisted reproduction. Provides for child support establishment and enforcement. Repeals the Illinois Parentage Act and the Illinois Parentage Act of 1984. Amends numerous Acts to make conforming changes.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes changes in Articles concerning: definitions; establishment of parent-child relationship; presumption of parentage; proceedings to declare the non-existence of the parent-child relationship; burden of proof; voluntary acknowledgment; execution of acknowledgment; denial of paternity; effect of acknowledgment; filing fee; rescission proceedings; challenge of acknowledgment; ratification of acknowledgment; full faith and credit; acknowledgment forms; release of information; genetic testing; temporary relief; standing; notice to presumed parent; limitations; admissibility of results of genetic testing; effect of determination of parentage; assisted reproduction; support orders; and parentage judgments. Repeals Sections concerning administrative fees and determinations of paternity.

HOUSE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause with the provisions of House Amendment #1, but makes changes in the Article of the new Act concerning children of assisted reproduction and in Sections of the new Act concerning definitions; the scope of the Act; presumption of parentage; proceedings to declare the non-existence of the parent-child relationship; standing; limitation periods; authority to deny a motion for genetic testing; consequences of declining

genetic testing; rules for adjudication of parentage; and the effect of a determination of parentage. Throughout the new Act, changes "domestic partnership" to "substantially similar legal relationship" and makes corresponding changes. In the Article concerning voluntary acknowledgment, changes "paternity" to "parentage". Provides that insofar as practicable, the provisions of the Act applicable to the father and child relationship shall apply to the mother and child relationship including, but not limited to, the obligation to support. Provides that if 2 or more conflicting presumptions arise concerning parentage, the presumption which on the facts is founded on the weightier considerations of policy and logic, especially the policy of promoting the child's best interests, controls.

HOUSE FLOOR AMENDMENT NO. 5

Provides that an alleged father must commence an action to establish a parent-child relationship for a child having a presumed parent (previous language did not include "for a child having a presumed parent") not later than 2 years after the petitioner knew or should have known of the relevant facts. Throughout the new Act, changes references to a guardian ad litem to references to a "guardian ad litem, child's representative, or attorney for the child".

Amends the Illinois Pension Code. Allows participants in the Illinois Municipal Retirement Fund (IMRF) to elect to participate in a self-managed program of retirement benefits instead of the program of traditional or reformed retirement benefits currently offered. Provides that the self-managed plan shall authorize a participant to accumulate assets for retirement through a combination of employer and employee contributions that may be invested at the participant's direction in mutual funds, collective investment funds, or other investment products and used to purchase annuity contracts. Requires the Fund to make the self-managed plan available within 6 months after the effective date of the amendatory Act. Makes conforming changes in the Retirement Systems Reciprocal Act. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

Currently, SURS is the only statewide retirement system that offers a Self-Managed Plan (SMP) similar to the one contemplated by HB 1259. SURS assumes that approximately 15% of its new members opt into the SMP. According to IMRF, municipal employers pay into IMRF amounts that are approximately double the required Tier 1 employee contributions. The SMP that would be implemented by this bill would require employers to match employee contributions. Therefore, assuming a municipality had no significant unfunded liabilities to amortize; HB 1259 would produce a cost savings for Tier 1 employees who elect to participate in the SMP. However, IMRF reports that as more Tier 2 employees are hired, the savings would diminish as the Tier 2 normal cost is significantly lower. An actuarial study would be required to determine the exact amount of savings.

Amends the State Finance Act and the Hospital Licensing Act. Creates the Hospital Licensure Fund as a special fund in the State treasury. Establishes a \$30 license fee per bed

for hospitals applying for a license, provided that a lesser amount may be established by administrative rule of the Department of Public Health, if the Department, in consultation with the Department of Healthcare and Family Services, determines that \$30 per bed would exceed the limitations on health care-related taxes imposed by federal law that, if violated, would result in reductions to the amount of federal financial participation received by the State for Medicaid expenditures. Further provides that the Department shall deposit all fees and fines collected in relation to the licensure of hospitals into the Hospital Licensure Fund for the purpose of providing programs, information, or assistance designed to improve patient safety and quality in hospitals. Provides that rehabilitation hospitals and long-term acute care hospitals are hospitals that are not required to provide hospital emergency services. Amends the Illinois Adverse Health Care Event Reporting Law of 2005. Defines "adverse health care event" as an event identified as a serious reportable event by the National Quality Forum and the Centers for Medicare and Medicaid Services on the effective date of the amendatory Act. 235 ILCS 5/7-5 from Ch. 43, par. 149

Amends the Liquor Control Act of 1934. Provides that, if the local liquor control commissioner in a municipality with a population of 1,000,000 or more inhabitants has reason to believe, based upon the occurrence of criminal activity, that any continued operation of the premises poses an excessive risk to the health, safety, or welfare of the community, then the

local liquor control commissioner may order, without notice or hearing, that a licensed premises be closed for up to 30 days, giving the licensee an opportunity to be heard during that period. Provides that if the sale of alcoholic liquor is incidental to the sale of food or other goods and services, then the order shall only apply to the sale of alcoholic liquor. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the language of the introduced bill. Provides that if the licensee is also engaged in the conduct of another business or businesses on the licensed premises, the order to close the premises shall not be applicable to the other business or businesses (rather than if the sale of alcoholic liquor is incidental to the sale of food or other goods and services, then the order shall only apply to the sale of liquor). Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the bill as amended by House Amendment No. 1 with the following change. Provides that if the premises for which a license was issued are located within a city, village, or incorporated town having a population of 1,000,000 or more inhabitants and the local liquor control commissioner has evidence (instead of reason to believe), based upon the occurrence of criminal activity, that any continued operation of the licensed premises poses an excessive risk to the health, safety, or welfare of the community, then the local liquor control commissioner may take certain action.

SENATE FLOOR AMENDMENT NO. 1

Specifies the types of criminal activity that trigger the closure provision. Deletes language allowing other business to be conducted on the licensed premises during the closure period. Provides that a distributor may, in coordination with the local liquor control commissioner and the local police department, remove any product for which the distributor has not received full payment from the licensee at the time of the closure of the premises. Requires the distributor to provide the local liquor control commissioner with a document outlining the products for which full payment has not been received.

SENATE FLOOR AMENDMENT NO. 2

Provides that upon the local liquor commissioner's receipt of evidence of certain criminal activity occurring on licensed premises, the local liquor control commissioner may submit the name of the licensee and the address of the licensed premises where the criminal activity is alleged to have occurred to the Illinois Liquor Control Commission. Provides that if the Illinois Liquor Control Commission receives that information, then the Illinois Liquor Control Commission must post that information in each of its offices in places available for public inspection not later than the day following receipt of the information. Makes other changes.

HB-1532 DELUCA - CABELLO - JONES.

735 ILCS 5/9-120.5 new

Amends the Code of Civil Procedure. Defines "offensive use of property" as the repeated use of leased premises in a manner that disturbs the peace or is detrimental to the health and safety of the neighbors of the premises. Provides that in order to qualify as offensive use of property, all of the following conditions must exist: (1) on 3 or more separate occasions within a 60-day period, an act is committed on the property which is in violation of a State or municipal law intended to preserve the peace or to protect health and safety; (2) a lessee or his or her guest used, permitted the premises to be used, or knew or should have known that the premises would be used in the commission of the act; and (3) on each occasion, an arrest was made or a citation was issued for the commission of the act. Provides that if the standard for offensive use of property has been met, then the tenancy may be terminated and the owner, lessor, or agent shall be entitled to bring a forcible entry and detainer action. Contains provisions concerning procedure for terminating the lease and re-entering the premise. Provides that nothing in the new provisions shall limit the rights of an owner, lessor, or agent to bring a forcible entry and detainer action on the basis of other applicable law. Provides that governmental agencies shall provide the owner, lessor, or agent with the information reasonably necessary to substantiate the required elements of offensive use of property, but that a governmental entity may not require an owner, lessor, or agent to bring a forcible entry and detainer action under the new provisions or impose a penalty on the owner, lessor, or agent for failure to evict when notification is made. Provides that a tenant or occupant may not be the subject of a forcible detainer under the new provisions in conjunction with a qualifying act in which that tenant or occupant is the victim of domestic violence, dating violence, sexual assault, or stalking.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, but makes the following changes: (i) changes the types of offenses included in the definition of "offensive use of property"; (ii) provides that a prevailing plaintiff shall be entitled to re-enter the premises no later than 7 days of entry of the judgment for possession; and (iii) provides

that the court may stay a judgment for possession for up to 6 months if certain conditions are met.

HOUSE FLOOR AMENDMENT NO. 2

Provides that the required notice shall be in a specified form, shall be signed by the owner, lessor, or agent, and that no other notice or demand of possession or termination of the tenancy is necessary. Provides that before a stay can be lifted, the court must find that, subsequent to the issuance of the stay, an act has been committed on the property which qualifies as offensive use of property.
