215 ILCS 153/35

Amends the Structured Settlement Protection Act. Provides that the structured settlement obligor and the annuity issuer shall be discharged from any and all liability by complying with a court order approving a transfer of structured settlement payment rights, and shall not have or incur any liability to the payee, transferee, or assignee as a result of the failure of the court order, transfer agreement, disclosure statement, or the transfer proceeding to comply with the Act, another applicable State or federal statute relating to structured settlement transfers, or any other law. Provides that an application for approval of a structured settlement transfer shall be brought in the circuit court of the county in which the payee is domiciled at the time the transfer agreement was signed or, if the payee is not domiciled in this State or in any other state that has enacted a statute that requires court approval of a transfer of structured settlement payment rights, then the application may be brought in the county in which the structured settlement obligor or annuity issuer is domiciled or has its principal place of business in this State. Provides what information is necessary to make an application to the court under the Act. Provides that a court may review all applications for transfer filed, and may approve or deny a transfer despite the existence of terms in the underlying settlement agreement, qualified assignment, related annuity, or in any other relevant document that purports to restrict or preclude the payee's right or power to assign or transfer structured settlement payment rights. Makes other changes.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

215 ILCS 153/5

Makes changes to the effects of a transfer of structured settlement payment rights approved under the Structured Settlement Protection Act. Provides that the structured settlement obligor and the annuity issuer shall, as to all parties except the transferee or an assignee designated by the transferee, be discharged and released from any and all liability for the transferred payments, and the discharge and release shall not be affected by the failure of any other party to the transfer to comply with the Act or with the order of the court approving the transfer (rather than the structured settlement obligor and the annuity issuer shall, as to all parties except the transferee or an assignee designated by the transferee, be discharged and released from any and all liability for complying with the court order and from any and all liability to the payee for the transferred payments, and the structured settlement obligor and the annuity issuer shall comply with the court order and shall not have or incur any liability to the payee, transferee, or assignee as a result of the failure of the court order, transfer agreement, disclosure statement, or the transfer proceeding to comply with the Act or another applicable State or federal statute relating to structured settlement transfers or any other law). Makes changes to the procedure for approval of transfers of structured settlement payment rights. Provides that for applications for transfer of structured settlement payments brought by payees not domiciled in the State, the application shall be filed in the court in the state that approved the structured settlement agreement or in the court in which the structured settlement obligor or annuity issuer has its principal place of business (rather than in the county in which the structured settlement obligor or annuity issuer is domiciled or has its principal place of business). Adds a requirement for a hearing to be held on the approval of a transfer of structured settlement payment rights, and requires certain documentation to be filed not less than 20 days prior to the hearing. Allows a court to hold a hearing on the merits of the application even in spite of certain terms (rather than allowing a court to review and approve applications despite the existence of certain terms). Makes other changes. Further amends the Structured Settlement Protection Act. Makes changes to the definitions of "interested parties" and "structured settlement". Removes references to responsible administrative authorities.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

215 ILCS 153/10

Replaces everything after the enacting clause with the bill as amended by Senate Amendment No. 1 with the following changes: In provisions concerning the effects of transfer of structured settlement payment rights, provides that the discharge and release shall not be affected by the failure of any party (rather than other party) to the transfer to comply with the Act. Provides that certain information shall (rather than should) be submitted with the

application for transfer of structured settlement payments to the court. Further amends the Structured Settlement Act. Provides that certain required disclosures must be made at least 10 days (rather than 3) in advance of the date on which a payee signs a separate disclosure agreement. Provides that those required disclosures shall include the effective annual interest rate. Makes other changes. Effective immediately.

Amends the Condominium Property Act. Defines "regular monthly assessments". Provides that following a foreclosure sale, consent foreclosure, common law strict foreclosure, or the delivery of a deed in lieu of foreclosure, the mortgagee shall have the duty to pay to the association all moneys due to satisfy the lien held by the association, except for the 9 months

of unpaid regular monthly assessments and associated attorney's fees which may be collected from the purchaser. Provides that the amount due may include any attorney's fees and court costs, but may not exceed 9 months of regular assessments due over the same 9-month period. Deletes language providing that the purchaser shall have the duty to pay the proportionate share, if any, of the common expenses for the unit which would have become due in the absence of any assessment acceleration for the 6 months immediately preceding the institution of an action to enforce the collection of assessments, and which remain unpaid. Deletes language providing that if the outstanding assessments are paid at any time during an action to enforce the collection of assessments, the purchaser shall have no obligation to pay any assessments which accrued before he or she acquired title. Provides that the notice of a foreclosure sale of a condominium unit shall state that a purchaser, other than a mortgagee, shall pay to the association any unpaid monthly assessments for the 9-month period preceding the sale, including attorney's fees and court costs. Provides that each notice of a judicial sale a condominium unit and each disclosure statement issued to a prospective purchaser shall list the required fees. Provides that in certain situations, the Board of Managers (instead of the owner) of a condominium unit must make specified information available within 21 days of the request if the association is self-managed, and within 14 days if managed by a community association management firm or a community association manager as those terms are defined in the Community Association Manager Licensing and Disciplinary Act (instead of "upon demand") and may do so either electronically or in writing. Makes other changes. Effective immediately.

105 ILCS 5/27-8.1 from Ch. 122, par. 27-8.1

Amends the School Code. Requires the State Board of Education to publish on its Internet website the exemption from immunization data it receives from schools. Provide that parents or legal guardians who object to health, dental, or eye examinations or immunizations on religious grounds must present to the appropriate local school authority a Department of Public Health objection form, detailing the grounds for the objection and signed by the parent or legal guardian, as well as a religious official attesting to a bona fide religious objection whose signature must be notarized (instead of presenting a signed statement of objection detailing the grounds for the objection). Requires the Department of Public Health to develop and publish a uniform objection form for this particular use. Provides that if the physical condition of a child is such that any one or more of the immunizing agents should not be administered, the child's parent or legal guardian must present to the appropriate local school authority a statement signed by the child's regular examining physician, advanced practice nurse, or physician assistant attesting to that fact. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the School Code. With respect to the Section requiring health examinations and immunizations, removes a provision concerning parents or legal guardians who object to the health, dental, or eye examinations or to immunizations on religious grounds. Provides instead that children of parents or legal guardians who object to health, dental, or eye examinations, or any part thereof, to immunizations, or to vision and hearing screening tests on religious grounds shall not be required to undergo the examinations,

tests, or immunizations to which they so object if such parents or legal guardians present to the appropriate local school authority a signed Certificate of Religious Exemption, created by the Department of Public Health, detailing the grounds for objection and the specific immunizations, tests, or examinations to which they object. Provides that the grounds for objection must set forth the specific religious belief that conflicts with the examination, test, immunization, or other medical intervention. Specifies other requirements for the signed certificate, and requires parents or legal guardians to submit the certificate to their local school authority annually for each child for which they are requesting an exemption. Contains provisions concerning the religious objection. Requires the local school authority to inform the parent or legal guardian of exclusion procedures, in accordance with the Department's rules, at the time the objection is presented. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Specifies that the health care provider's signature on the certificate reflects only that education was provided and does not allow a health care provider grounds to determine a religious exemption. Provides that those receiving immunizations shall be provided with the relevant vaccine information statements prior to administering a vaccine. Provides that a healthcare provider may consider including nationally accepted recommendations from federal agencies, the information outlined in the relevant vaccine information statement, and vaccine package inserts, along with the healthcare provider's clinical judgment, to determine whether any child may be more susceptible to experiencing an adverse vaccine reaction than the general population, and if so, the healthcare provider may exempt the child from an immunization or adopt an individualized immunization schedule. Requires parents or legal guardians to submit the certificate to their local school authority, prior to the dates of entering kindergarten, sixth grade, and ninth grade (instead of annually), for each child for which they are requesting an exemption.

Allows a law enforcement officer issuing a citation to a driver for operating an uninsured motor vehicle to authorize the removal and impoundment of the vehicle by a towing service if the driver has a prior conviction for driving without insurance in the past 12 months, unless the vehicle is exempt from the insurance requirements of the Code. Provides that law enforcement agencies patrolling highways in this State shall establish tow rotation lists of towing services, and requires officers of those agencies to utilize the tow rotation lists to select a towing service for officer initiated tows. Provides criteria for inclusion on a tow rotation list, including licensing, insurance requirements, and submission of fingerprints for the purpose of a criminal history check. Provides that a tower that stops for the purpose of soliciting a towing service transaction or without being summoned by a law enforcement officer shall be subject to a fine, shall have his or her driver's license suspended for 3 months, and shall not be reinstated until the payment of a reinstatement fee. If a person's license is already suspended at the time of the violation, his or her driver's license shall be suspended for 6 months, and shall not be reinstated until the

220 ILCS 5/16-103

Amends the Public Utilities Act. Provides that any residential or small commercial retail customer of an electric utility that on December 31, 2005 provided electric service to at least 2,000,000 customers in Illinois that has returned to that electric utility's bundled utility tariffed service offering may elect delivery services of electric power and energy supply service from an alternative retail electric supplier after at least 6 continuous monthly billing periods of electric power and supply service from that utility; however, the residential or small commercial retail customer shall not be permitted to return to the same alternative retail electric supplier within 2 billing cycles after the customer returned to that electric utility's bundled utility tariffed service other than in situations where the return was in error, inadvertent, or the result of any other unintended operational consequence. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Public Utilities Act. Allows electric utilities to impose the condition that customers may not be permitted to return to an alternative retail electric supplier within 2 billing cycles after the customer returned to bundled utility customer service if the customer has not elected delivery services within 2 billing cycles after returning to the electric utility's bundled utility tariffed service offering. Strikes language allowing the customer to return to the alternative retail electric supplier if the customer's return to bundled utility tariffed service was in error, inadvertent, or the result of any other unintended operational consequence. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the engrossed bill with the following changes: provides that, notwithstanding any other obligation of an electric utility, the electric utility shall be entitled, but not required, to impose the condition that a customer who has left delivery service for the electric utility's bundled service not be permitted (rather than to impose the condition that the customer may not be permitted) to return to the same alternative retail electric supplier within up to 2 billing cycles (rather than within 2 billing cycles) after the customer returned to bundled utility tariff service other than in situations, including, but not limited to, where the return was in error, inadvertent, or the result of any other unintended operational consequence. Effective immediately.

SB-1446 REZIN.

220 ILCS 5/16-115

Amends the Public Utilities Act. Provides that alternative retail electric suppliers may file commercially or financially sensitive information or trade secrets contained in specified reports or filings with the Commission without also filing a formal petition with the Chief Clerk of the Commission seeking a Commission order granting confidential treatment. Provides that, if an alternative retail electric supplier elects not to file a formal petition with the Chief Clerk of the Commission seeking such a Commission order, but still desires confidential treatment for the commercially or financially sensitive information or trade secrets submitted to the Commission, it must (1) provide the Commission contemporaneously with its filing an affidavit that sets forth both the reasons for the confidentiality and a public synopsis of the information for which confidential treatment is sought; and (2) provide the Commission contemporaneously with its filing both a "confidential" and a "public" version of the report, filing, or document for which it seeks confidential treatment with all confidential information marked "Confidential". Provides that the information identified as confidential by the alternative retail electric supplier shall be afforded proprietary treatment and shall be accessible only by the Commission and the Commission staff for a 2-year period from the date of submission to the Commission. Provides that nothing prevents the Commission (A) on its own motion, after reviewing the submittal of an alternative retail electric supplier pursuant to this subsection, from requiring the alternative

retail electric supplier to file a formal petition with the Chief Clerk seeking confidential treatment; (B) from entering an order expanding the list of recurring reports or filings eligible for the confidential treatment process; or (C) from entering an order adjusting the time period information may be treated by the Commission as confidential. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:
220 ILCS 5/19-110

Provides that alternative retail electric suppliers must file with the Illinois Commerce Commission both a confidential and public version of any report, filing, or document in which it has proprietary information it wishes to keep confidential. Provides that information marked as confidential shall be afforded proprietary treatment for a 2-year period from the date of submission to the Commission. Provides that the public version of the report, filing, or document shall be made available to the public upon request, subject to a case-by-case determination by the Commission. Further amends the Public Utilities Act. Provides that for certain routine reports filed by alternative gas suppliers, the gas suppliers need not also file a formal petition with the Chief Clerk of the Commission seeking a Commission order granting confidential treatment. Provides for certain requirements in order for an alternative gas supplier to file commercially or financially sensitive information or trade secrets with the Commission, including the filing of both a confidential and public version of the report. Provides that any confidential information submitted pursuant to the Act shall be afforded proprietary treatment for a 2-year period from the date of submission. Provides that public versions of the report, filing, or document shall be made available to the public upon request, subject to a case-by-case determination by the Commission. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Public Utilities Act. Provides that an alternative retail electric supplier may seek confidential treatment for the following information by filing an affidavit with the Commission: (1) the total annual kilowatt-hours delivered and sold by an alternative retail electric supplier to retail customers within each utility service territory and the total annual kilowatt-hours delivered and sold by an alternative retail electric supplier to retail customers in all utility service territories in the preceding calendar year; (2) the total peak demand supplied by an alternative retail electric supplier during the previous year in each utility service territory; and (3) an estimate of the amount an alternative retail electric supplier expects to be obliged to pay the utility under single billing tariffs during the next 12 months and the amount of any bond or letter of credit used to demonstrate credit worthiness to provide single billing services. Provides that an alternative gas supplier may seek confidential treatment for the reporting to the Commission of its total annual dekatherms delivered and sold by it to residential and small commercial customers by utility service territory during the preceding year via the filing of an affidavit. Requires that the affidavits must be filed contemporaneously with the information for which confidential treatment is sought and must clearly state that the affiant seeks confidential treatment and the information for which confidential treatment is sought must be clearly identified on the confidential version of the document filed with the Commission and that the affidavit be accompanied by a "confidential" and a "public" version of the document or documents containing the information for which confidential treatment is sought. Provides that the confidential treatment shall be afforded for a period of 2 years. Contains provisions concerning proceedings with the Commission. Effective immediately.

SB-1562 REZIN - BRADY.

225 ILCS 725/6 from Ch. 96 1/2, par. 5409

Amends the Illinois Oil and Gas Act. Establishes the criteria that the Department of Natural Resources may consider when making a determination that the oil and gas leases submitted with an application for a permit or transfer of a permit for a well are operative and that prior oil and gas leases covering the same lands have terminated due to non-development or non-production under the current permittee. Provides that the Department may rely upon affidavits of non-development and non-production from individuals familiar with the history of development and production of such lands in addition to other evidence. Requires that such testimony and evidence create a rebuttable presumption that there has been no development or production of oil or gas on the lands described in the prior leases for at least 24 consecutive months subsequent to the expiration of the primary term or any extension of the primary term as set forth in the leases. Further provides that a court order or judgment declaring the prior leases terminated is not required, except in extraordinary circumstances where such a determination cannot reasonably be concluded from the testimony and evidence submitted to the Department. Provides that, upon the Department's determination of a rebuttable presumption, the Department shall provide the current permittee with notice and a 30-day opportunity to request a hearing to rebut the presumption before a final determination on a lease is made. Further provides that, upon the Department's determination of a rebuttable presumption, if the applicant is not requesting a transfer of any existing permit, but is requesting a new permit, the permit shall be issued to the applicant. Provides that any determination made by the Department shall not diminish the rights or obligations of any current permittee of a well that are otherwise provided by statute or regulation of the Department. Further provides that any request for a determination by the Department or any subsequent hearing requires the payment of a nonrefundable fee of \$1000. Requires that the Department make a determination on a lease no later than 90 days after the Department's receipt of a valid request for a determination. Effective immediately.

Amends the Health Care Right of Conscience Act. Makes changes in the Section concerning findings and policy. Defines "access to care and information protocols" and "material information". Provides that notwithstanding any other law, a health care facility, or any physician or health care personnel working in the facility, may refuse to permit, perform, assist in, counsel about, suggest, recommend, refer for, or participate in health care services because of a conscience-based objection only if the refusal occurs in accordance with written access to care and information protocols designed to ensure that (1) the patient receives material information in a timely fashion; and (2) the refusal will not impair the patient's health by causing delay of or inability to access the refused health care service. Provides that nothing in the Act shall be construed to prevent a health care facility from requiring that physicians or health care personnel working in the facility comply with access to care and information protocols. Makes other changes in Sections concerning: (i) discrimination by employers or institutions; and (ii) liability.

SENATE COMMITTEE AMENDMENT NO. 2

Makes a change in the Section concerning findings and policy. Provides that the amendatory provisions are applicable notwithstanding other provisions of the Health Care Right of Conscience Act or any other law (rather than "notwithstanding any other law").

SENATE FLOOR AMENDMENT NO. 3

Deletes reference to:

745 ILCS 70/7

Adds reference to:

745 ILCS 70/6

from Ch. 111 1/2, par. 5306

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, but with the following changes: In a provision defining terms: (i) removes the terms "access to care and information protocols" and "material information" and their corresponding definitions; and (ii) defines "undue delay" as unreasonable delay that causes impairment of the patient's health. Makes changes to a provision concerning the duty of physicians and other health care personnel. Removes a provision concerning the duty to enact and comply with access to care and information protocols and instead provides that all health care facilities shall adopt written access to care and information protocols that are designed to ensure that conscience-based objections do not cause impairment of patients' health and that explain how conscience-based objections will be addressed in a timely manner to facilitate patient health care services. Provides that certain protections under the Act only apply if conscience-based refusals occur in accordance with these protocols. Provides that the protocols must, at a minimum,

address certain matters. Removes changes made to a provision concerning discrimination by employers or institutions. Adds a January 1, 2016 effective date.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

Does not create a State mandate.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with SB 1564. The bill would have no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in SB 1564; therefore, there are no appraisals to be filed.

PENSION NOTE (Government Forecasting & Accountability)

SB 1564 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 1564 as Engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will not have a fiscal impact to the State.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Dept. of Public Health)

SB 1564 has zero fiscal impact on the Department of Public Health.

FISCAL NOTE (Dept. of Healthcare & Family Services)

It is unclear if the passage of SB 1564 would jeopardize federal funding for the Illinois Medical Assistance Program. The Church Amendment codified at 42 U.S.C. § 300a-7, stipulates that for healthcare services funded in whole or in part by a program administered by the U.S. Department of Health and Human Services (HHS), no person may be required to "perform or assist in the performance of any sterilization procedure or abortion if his performance or assistance in the performance of such procedure or abortion would be contrary to his religious beliefs or moral convictions." The requirement in SB 1564 that the provider refer individuals to other providers who perform the procedure, especially if abortion or sterilization, violates the Church amendment; such referral could be interpreted as assistance with a morally objectionable procedure.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

HOUSE FLOOR AMENDMENT NO. 1

Removes the effective date Section.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

Would not affect the affect the level of State indebtedness.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1564 will not impact any public pension fund or retirement system in Illinois.

725 ILCS 5/115-6.1 new

Amends the Criminal Code of 2012. Provides that it is an affirmative defense to a charge of prostitution that the accused engaged in or performed prostitution as a result of being a victim of involuntary servitude or trafficking in persons as defined in the Code, or was a victim of trafficking as defined in the federal Trafficking Victims Protection Act of 2000. Amends the Code of Criminal Procedure of 1963. Provides that in prosecutions for prostitution, when the accused intends to raise at trial the affirmative defense of being a victim of involuntary servitude or trafficking in persons as defined in the Code, or was a victim of trafficking as defined in the federal Trafficking Victims Protection Act of 2000 and has reason to believe that the evidence presented in asserting that defense may jeopardize the safety of the accused, courtroom personnel, or others impacted by human trafficking, the accused may file under seal a motion for an in camera hearing to review the accused's safety concerns. Upon

receipt of the motion and notice to the parties, the court shall conduct an in camera hearing, with counsel present, limited to review of potential safety concerns. Provides that the court shall not consider the merits of the affirmative defense during the in camera review. Provides that if the court finds that the assertion of an affirmative defense by the accused in open court could jeopardize the safety of the accused, court personnel, or other persons, the court may clear the courtroom with the agreement of the accused, order additional in camera hearings, seal the records, prohibit court personnel from disclosing the proceedings without prior court approval, or take any other appropriate measure that in the court's discretion will enhance the safety of the proceedings and ensure the accused a full and fair opportunity to assert his or her affirmative defense. Provides that statements made by the accused during the in camera hearing to review safety concerns shall not be admissible against the accused for the crimes charged. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes from the new affirmative defense to a charge of prostitution that the accused engaged in or performed prostitution as a result of being a victim of trafficking as defined in the federal Trafficking Victims Protection Act of 2000. In the new amendatory changes to the Code of Criminal Procedure of 1963, provides that if an in camera hearing on the accused's safety concerns is held, the court shall cause an official record of the in camera hearing to be made, which shall be kept under seal. Provides that the court's determination of safety concerns must be by a preponderance of the evidence and that the assertion that presenting the affirmative defense to a charge of prostitution by the accused in open court would likely (rather than could) jeopardize the safety of the accused, court personnel, or other persons.

35 ILCS 735/3-3 from Ch. 120, par. 2603-3

Amends the Uniform Penalty and Interest Act. Provides that provisions imposing a penalty of \$100 for failure to file a transaction reporting return under the Retailers' Occupation Tax Act or the Use Tax Act apply only to transaction reporting returns that would not, when properly prepared and filed, result in the imposition of a tax (currently, those provisions apply regardless of whether a tax would be imposed). Provides that transaction reporting returns that would result in the imposition of a tax when properly prepared and filed are subject to the standard penalty for failure to file (2% of the tax required to be shown due on the return, up to a maximum amount of \$250). Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Adds reference to:

- 35 ILCS 200/18-155
- 35 ILCS 200/18-156 new

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, and adds language amending the Property Tax Code. With respect to taxing districts located in 2 or more counties, provides that, if the Department of Revenue determines that an over-apportionment has occurred resulting in any single county's share of an apportioned property tax levy being more than 105% of that county's correct apportioned share, then the Department shall notify the county clerk and county treasurer of each county affected by the correction and

shall provide them with correct apportionment data. Provides that a county treasurer who is notified of an over-apportionment prior to the due date of the final installment of property tax payments may issue refunds to correct the error. Provides that, if the county treasurer issues refunds, then the county treasurer of each other county affected by the correction shall issue a corrected final installment or an additional bill for the amount owed due to the under-apportionment of that county's share of the tax levy. Provides that any refund issued due to any over-apportionment may be made from funds held by the county treasurer for the specific taxing district that was the subject of the over-apportionment.

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Reinserts the provisions of the introduced bill with changes. Requires dealers of manufactured homes and community-based manufactured homes to be licensed in this State for the purpose of selling manufactured homes or park models (rather than only manufactured homes). Provides that an application for a community-based manufactured home dealer's license, when the applicant is selling 5 or more (rather than less than 5) manufactured homes during the calendar year not on behalf of a manufacturer of manufactured homes, but within a community setting, shall be accompanied by a license fee of \$500 for the applicant's established place of business, and \$50 for each additional place of business, if any to which the application pertains. Provides that monies received by the Secretary of State as license fees for issuance of manufactured home dealer's licenses and community-based manufactured home dealer's licenses shall be deposited into the General Revenue Fund and the Motor Vehicle License Plate Fund of the State treasury. 305 ILCS 5/5-30.2 new

305 ILCS 5/11-5.1

Amends the Illinois Public Aid Code. Provides that beginning July 1, 2015, the Department of Healthcare and Family Services shall publish monthly reports on its website on the enrollment of persons in the State's medical assistance program, and the enrollment of recipients of medical assistance into a Medicaid Managed Care Entity contracted by the Department. Provides that the monthly reports shall include certain information for the medical assistance program generally and, separately, for each Medicaid Managed Care Entity contracted by the Department, including: (i) total enrollment and (ii) the number of persons enrolled in the medical assistance program pursuant to the Patient Protection and Affordable Care Act. Requires the Department to annually publish on its website every Medicaid Managed Care Entity's quality metrics outcomes and to make public an independent annual quality review report on the State's Medicaid managed care delivery system. Requires the Department to compile on a monthly basis data on eligibility redeterminations of beneficiaries of medical assistance. Requires the data to be posted on the Department's website and to include certain information, including: (a) the total number of redetermination decisions made in a month and, of that total number, the number of decisions to continue benefits, the number of decisions to change benefits, and the number of decisions to cancel benefits; and (b) if a vendor is procured to assist the Department in the redetermination process, the total number of redetermination decisions made in a month with the involvement of the vendor and without the involvement of the vendor. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Changes the date upon which the Department of Healthcare and Family Services shall publish the monthly reports required under the introduced bill from "beginning July 1, 2015" to "as soon as practical if the data is reasonably available, but no later than January 1, 2017". In the list of information the monthly reports are required to contain, provides that the reports shall include the number of persons enrolled in the medical assistance program under specified

provisions of the Illinois Public Aid Code (rather than the number of persons enrolled in the medical assistance program pursuant to the Patient Protection and Affordable Care Act (Public Law 111-148)). In a provision concerning the percentage of persons enrolled in each Medicaid Managed Care Entity using an auto-assignment algorithm, provides that such percentages shall also report the type of enrollee assigned using an auto-assignment algorithm, including, but not limited to, persons enrolled in the medical assistance program in each of the groups listed in a specified provision of the introduced bill (rather than persons enrolled in the medical assistance program pursuant to the Patient Protection and Affordable Care Act (Public Law 111-148)). Provides that as soon as practical if the data is reasonably available, but no later than January 1, 2017, monthly enrollment reports for each Medicaid Managed Care Entity shall include a breakdown of language preference for enrollees by English, Spanish, and the next 4 most commonly used languages (rather than monthly enrollment reports for each Medicaid Managed Care Entity shall include a breakdown of language preference for enrollees). In a provision concerning compiled and reported data on eligibility redeterminations, provides that such data shall include, "if a vendor is utilized to provide services in support of the Department's redetermination decision process," the total number of redetermination decisions made in a month and, of that total number, the number of decisions to continue "or change" benefits, and the number of decisions to cancel benefits (i) with the involvement of the vendor and (ii) without the involvement of the vendor (rather than if a vendor is procured to assist the Department in the redetermination process, the total number of redetermination decisions made in a month and, of that total number, the number of decisions to continue benefits, the number of decisions to change benefits, and the number of decisions to cancel benefits (i) with the involvement of the vendor and (ii) without the involvement of the vendor). Makes other changes.

SENATE FLOOR AMENDMENT NO. 3

In the changes made to the Children and Family Services Act, delays the date upon which the Department of Children and Family Services is required to implement a 5-year pilot program of multi-dimensional treatment foster care to June 1, 2016 (rather than January 1, 2016). Removes a provision requiring the Department to contract with licensed private child welfare agencies to administer the program. In the changes made to the Child Care Act of 1969, provides that the Department of Children and Family Services' rules and procedures shall include provisions for when the Department learns of the child care facility's staff's failure to report suspected abuse or neglect of children and the actions the Department will take to (i) ensure that the child care facility takes immediate action with the individual staff involved and (ii) investigate whether the failure to report suspected abuse and neglect was a single incident or part of a larger incident involving additional staff members who failed to report, or whether the failure to report suspected abuse and neglect is a system-wide problem within the child care facility or child welfare agency (rather than the rules and procedures shall include provisions for when the Department learns of the child care facility's staff's failure to report suspected abuse or neglect of children and the actions the Department will take to ensure the child care facility takes immediate action with the individual staff involved, if the failure to report suspected abuse and neglect was a single incident or part of a larger incident involving additional staff members who failed to report, or if the failure to report suspected abuse and neglect is a system-wide

Amends the Juvenile Court Act of 1987. Eliminates provisions that require automatic prosecution of minors as adults. Eliminates mandatory and presumptive transfers to adult criminal prosecution. Provides that all transfers to adult criminal prosecution are discretionary transfers. Provides that if a petition alleges commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of the State and, on motion of the State's Attorney to permit prosecution of the minor under the criminal laws, a Juvenile Judge assigned by the Chief Judge of the Circuit to hear and determine those motions, after hearing but before commencement of the trial, finds that there is probable cause to believe that the allegations in the motion are true and that it is not in the best interests of the public to proceed under the Act, the court may enter an order permitting prosecution under the criminal laws. Provides that the factors that the court must consider for discretionary transfer apply to any act that if committed by an adult would constitute a crime that would subject a minor to juvenile jurisdiction if not transferred for adult criminal prosecution. Provides that the changes made to this provision by the amendatory Act apply to a minor who has been arrested or taken into custody on or after the effective date of the amendatory Act. Amends the Code of Criminal Procedure of 1963 to make a conforming change.

Provides that any insurer with less than \$100,000,000 in group surplus authorized to issue workers' compensation policies with a per-occurrence deductible of \$100,000 or greater shall report the outstanding obligations owed under the deductible as liabilities of the insurer, unless the obligation is fully collateralized, and limit per-occurrence deductible obligations. Effective July 1, 2015.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the introduced bill with the following changes: Defines "insurer" to mean an insurer authorized to issue a workers' compensation policy in this State that has an A.M. Best Company rating below "A-" and does not have at least \$200,000,000 in surplus (rather than less than \$100,000,000 in group surplus). Defines "large deductible agreement". Requires insurers to require full collateralization of outstanding obligations owed under large deductible agreements using certain methods. Provides that one method for collateralization is through cash or securities held in trust by a third party or by the insurer (rather than by a third party), provided that if the assets are held by the insurer those assets are not commingled with the insurer's other assets. Provides that insurers shall limit the size of the policyholder's obligations under a large deductible agreement to 20% of the total net worth of the policyholder at each policy inception (rather than 20% of full policy premium value or 10% of the total accounting net worth of the policyholder). Provides that an insurer determined to be in a financially hazardous condition under the Illinois Insurance Code by the Director of Insurance in this State or the equivalent in any other state is prohibited from issuing or renewing a policy that includes a large deductible agreement except when approved by the Director. Applies to large deductible agreements issued or renewed by any insurer on or after January 1, 2016. Effective July 1, 2015.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that insurers shall limit the size of a policyholder's obligations under a large deductible agreement to no greater than 20% (rather than to 20%) of the total net worth of the policyholder. In the definition of "large deductible agreement", includes security agreements which provide for the policyholder to bear the risk of loss of \$100,000 or greater (rather than a specified amount) per claim or occurrence.

Amends the Private Employment Agency Act. Makes changes to provisions concerning applications for original licensure, renewal of licenses, recordkeeping, definitions, investigative authority of the Department of Labor, grounds for discipline, and disciplinary proceedings. Provides that the Department shall provide on its website, accessible to the public, a list of all licensed employment agencies and all employment agencies whose license has been suspended or registration revoked. Provides that it is a violation of the Act for an employment agency to

violate certain provisions of the Illinois Minimum Wage Law and the Wage Payment and Collection Act. Provides that it is a violation of the Act for a private employment agency to interfere with the rights granted to an employee by any wage law in the State. Provides that it is a violation of the Act for an employer to accept a referral of an individual for employment from an employment agency not licensed under the Act. Eliminates criminal penalties; provides civil penalties for both employment agencies and employers for violating the Act. Provides that all fees and civil penalties collected under the Act shall be deposited into the Wage Theft Enforcement Fund.

SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

820 ILCS 205/17.3

from Ch. 48, par. 31.17-3

In provisions concerning employer violations of the Private Employment Agency Act, reorganizes the provisions and provides that, for a first violation by an employer, the Department of Labor shall provide notice of the violation. Provides that, for a second violation by an employer, or if the first violation is not remedied within 10 days of notice of the first violation, the Director of Labor may impose a civil penalty of up to \$500 for each referral of an individual for employment accepted from an employment agency not licensed under the Act. Provides that, for violations after the second violation, the Director may impose a civil penalty of up to \$1,500 for each referral of an individual for employment accepted from an employment agency not licensed under the Act. Provides that, if the first violation is not remedied within 30 days of notice by the Department, the Director may impose an additional civil penalty of up to \$1,500 for every 30 days that passes thereafter. Deposits all moneys received as fees and penalties under the Act into the Child Labor and Day and Temporary Labor Services Enforcement Fund (rather than the Wage Theft Enforcement Fund). Makes conforming changes to the Child Labor Law. Makes other changes.

HOUSE COMMITTEE AMENDMENT NO. 1

In provisions concerning applications for a license, provides that the Director of Labor shall adopt rules to establish a schedule of fees (rather than establishing fees in the provisions). In provisions concerning enforcement of the Private Employment Agency Act, provides that the Director of Labor shall have the power and authority to conduct hearings subject to appropriation. Removes requirements that the result of a hearing shall be rendered within 30 days from the time the matter is finally submitted.

625 ILCS 5/18c-7402 from Ch. 95 1/2, par. 18c-7402

Creates the Rail Crossing Blocking Act. Requires the Illinois Commerce Commission and the Department of Transportation to annually study railroad crossings in municipalities of 15,000 or more to identify crossings which if blocked for longer than 30 minutes would pose significant public safety concerns by impeding emergency, fire, and police. The Commission shall use the study to designate Essential Rail Crossings. Provides a municipality may, by ordinance, provide that a person or entity may not physically block an Essential Rail Crossing in a manner which obstructs traffic for a period in excess of a total of 30 minutes, unless the blocking of the crossing is by reason of circumstances over which the person or entity has no reasonable control, is necessary for maintenance of the crossing, is an emergency, or is otherwise allowed or required under State or federal law, rule, or regulation. Provides any municipality adopting an ordinance under the Act on an Essential Rail Crossing may impose, by ordinance, a fine for violation of this Act. Amends the Illinois Vehicle Code to make conforming changes.

Amends the Trusts and Trustees Act. Provides that instead of furnishing a copy of the trust instrument to a person other than the beneficiary, the trustee may furnish to the person a certification of trust containing specified information. Provides that a certification of trust may be signed or otherwise authenticated by any trustee and need not contain the dispositive terms of the trust. Includes other provisions governing the form and content of the certification of trust. Contains provisions concerning persons who act in reliance upon a certification of trust. Provides that the new provisions do not limit the right of a person to obtain a copy of the trust instrument in a judicial proceeding concerning the trust. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: (1) provides that the certification must (instead of "may") be signed or otherwise authenticated by one or more of the trustees (instead of "any trustee"), and that a third party may require that the certification of trust be acknowledged; (2) provides that the Attorney General's Charitable Trust Bureau is deemed to be acting in good faith when demanding a copy of the trust instrument; (3) changes the portion of the form certification

concerning the manner for taking title to trust property; (4) deletes language in the certification form that to the best of the trustee's knowledge, there is no claim, challenge of any kind, or cause of action alleged that contests or questions the validity of the trust or the trustee's authority to act for the trust; and (5) adds language to the form certification indicating that notarization of the certification is optional. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Provides that the new provisions do not modify or limit any obligation a trustee may have to furnish a copy of a trust instrument to the Attorney General under the Charitable Trust Act or the Solicitation for Charity Act.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Makes appropriations and reappropriations to various State agencies and educational institutions for specified purposes. Provides that all appropriation authority granted in the Act shall be used only for costs for services for which spending authority has not been authorized for fiscal year 2016 by any order of any court. Provides that the appropriation authority granted in the Act shall be valid for costs incurred prior to July 1, 2016. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Appropriates \$2 from the General Revenue Fund to the Board of Trustees of the Illinois State University for its FY 16 ordinary and contingent expenses.

HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Makes appropriations to: universities for specified purposes; the Illinois Community College Board for grants to community colleges; the Illinois Mathematics and Science Academy for ordinary and contingent expenses; and the Illinois Student Assistance Commission for grant awards to students eligible for the Monetary Award Program and agency administrative and operational costs. Provides that the appropriation authority is valid only for costs incurred before September 1, 2016. Effective immediately.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

SB 2059 (H-AM 3) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

SB 2059 (H-AM 3) will not impact any public pension fund or retirement system in Illinois.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Office of Management and Budget)

All appropriations in this bill are from the Education Assistance Fund and there are sufficient FY16 revenues for this fund to support these appropriations. The funds in the Education Assistance Fund can only be utilized for education funding and Senate Bill 2059 (H-AM 3) does not add to the FY16 budget deficit already projected by the Governor's Office of Management and Budget.

FISCAL NOTE (IL Board of Higher Education)

This amendment makes the following appropriations payable from the Education Assistance Fund (EAF) for costs incurred prior to September 1, 2016, as follows: (1) \$20,107,300 - Chicago State University; (2) \$6,974,400 - Governors State University; (3) \$74,142,300 - Illinois Community College Board; (4) \$6,000,000 - Illinois Mathematics and Science Academy; (5) \$10,695,100 - Northeastern Illinois University; (6) \$57,482,200 - Southern Illinois University; (7) \$168,989,500 - University of Illinois; (8) \$11,104,600 - University of Illinois, Hospital; (9) \$12,456,500 - Eastern Illinois University; (10) \$20,934,900 - Illinois State University; (11) \$169,798,700 - Illinois Student Assistance Commission, MAP Awards; (12) \$26,403,200 - Northern Illinois University; (13) \$14,911,400 - Western Illinois University. In total, the amendment appropriates \$600,000,100 from the Education Assistance Fund. According to the State Comptroller's Ledger website, the "ending daily balance" in the Education Assistance Fund on April 19, 2016 was \$302.7 million. Since the Illinois Board of Higher Education is not privy to fiscal information regarding all obligations anticipated to be payable from the EAF for Fiscal Year 2016, a budgetary balance statement cannot therefore be provided. However, pursuant to the Balanced Budget Impact Note filed on April 21, 2016 by the Governor's Office of Management and Budget, the office responsible for such monitoring such of state funds and recording obligations to be drawn accordingly, reports there will be sufficient revenues in the EAF to meet the appropriations provided in this legislation. Specifically, the Note states: "All appropriations in this bill are from the Education Assistance Fund and there are sufficient FY16 revenues for this fund to support these appropriations. The funds in the Education Assistance Fund can only be utilized for education funding and Senate Bill 2059 (H-AM 3) does not add to the FY16 budget

- deficit already projected by the Governor's Office of Management and Budget."

110 ILCS 805/3-65 new

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Amends various Acts relating to the governance of public universities in Illinois and the Public Community College Act. Sets forth provisions governing employment contracts of the president or all chancellors (rather than all employments contracts) entered into, amended, renewed, or extended after the effective date of this amendatory Act. With respect to employment contracts entered into with the president or all chancellors of a public university, sets forth provisions concerning severance, start and end date, and automatic rollover clauses. Provides that public notice given prior to action on the formation, renewal, extension, or termination of employment contracts must be compliant with the provisions of the Open Meetings Act and must include a copy of the governing board item or other documentation providing, at a minimum, a description of the proposed principal financial components of the president's or all chancellors' appointments. Provides that any performance-based bonus or incentive-based compensation to the president or all chancellors of the university or community college must be approved by the governing board in an open meeting. With respect to public community colleges, removes provisions concerning limitations of employment contracts entered into, amended, renewed, or extended after the effective date of this amendatory Act. Provides that severance payments or contract buyouts may not occur if there are pending criminal charges against the president or chancellors of the community college related to their employment. Provides that the criteria and goals upon which the bonus or incentive-based compensation for a president or all chancellors of a community college is based must be made available to the public no less than 48 hours before board approval of the performance-based bonus or incentive-based compensation. Makes related changes.

SENATE FLOOR AMENDMENT NO. 2

Amends the University of Illinois Act, Southern Illinois University Management Act, Chicago State University Law, Eastern Illinois University Law, Governors State University Law, Illinois State University Law, Northeastern Illinois University Law, Northern Illinois University Law, and Western Illinois University Law. Provides that notwithstanding any other provision of law to the contrary, a student who meets the requisite requirements concerning being deemed an

Illinois resident for tuition purposes is eligible to apply or receive consideration for any student aid or benefit funded or administered by the State, State agencies, public institutions, or the university, including scholarships, grants, awards, stipends, room and board, tuition waivers, or other financial or in-kind assistance, but excluding Monetary Award Program grants.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the amendatory language applies only to students who meet certain requirements for being a resident of Illinois but are not necessarily a citizen or permanent resident of the United States.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE (Dept of Corrections)

SB 2196 has no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

PENSION NOTE (Government Forecasting & Accountability)

SB 2196 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 2196 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (IL Student Assistance Commission)

The bill could have a small impact on the Illinois Veteran Grant (IVG) program. A federal pilot program has allowed some people with Deferred Action for Childhood Arrivals (DACA) status to enlist in the U.S. military. The Illinois Student Assistance Commission does not have information on how many, if any, Illinois residents have taken advantage of this option, but if so, and if SB 2196 were approved, these undocumented individuals might thereafter meet the requirements to qualify for IVG. If so, there could be a small increase in costs borne by public universities since they are not currently reimbursed for the tuition and mandatory fees waived under IVG. The total impact from this change on public universities, if any, would be expected to be small.

BALANCED BUDGET NOTE (Office of Management and Budget)

The bill does not have an impact on a balanced budget based on the assumption that there will be no changes to the current state funding levels.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Amends the Sexual Assault Evidence Submission Act. When a consistent DNA profile has been identified from submitted sexual assault evidence, the Department of State Police shall notify the investigating law enforcement agency of the match, and the Department shall track and maintain a record of its notification of, and the follow up by, the investigating law enforcement agency. The record maintained by the Department shall also document any written request, from the Department to the investigating law enforcement agency, seeking the submission of an additional DNA standard for a comparison analysis or confirmatory forensic analysis, and whether the investigating law enforcement agency has complied with those requests. If, after 60 days, the investigating law enforcement agency fails to comply with any request for an additional DNA standard, then the Department shall send a second written request to both the investigating law enforcement agency and the county Sheriff of the county where the agency is located. Beginning June 1, 2016, each law enforcement agency must conduct an annual inventory of all sexual assault cases in the custody of the law enforcement agency and provide written notice of its annual findings to the Department. The Department shall compile and report the findings of each inventory under the Act. New Act

5 ILCS 80/4.31

Creates the Plastic Bag and Film Recycling Act. Requires manufacturers of plastic carryout bags to register with the Illinois Environmental Protection Agency and pay to the Agency an initial registration fee and annual registration renewal fee. Prohibits a manufacturer from selling or offering to sell plastic carryout bag in the State unless the manufacturer is registered with the Agency and its name is printed on the plastic carryout bags it manufactures. Requires each manufacturer to develop, and submit to the Agency, a plan to support the collection and recycling of plastic carryout bags and plastic film product wrap. Prohibits retailers from purchasing plastic carryout bags from manufacturers under certain circumstances. Sets forth duties of the Agency. Creates penalties for violations of the Act. Encourages manufacturers to include recycled content in the plastic carryout bags that they produce. Requires certain reports to be filed with the General Assembly. Makes the Act inapplicable in units of local government with a population of over 2,000,000. Specifies that the Plastic Bag and Film Recycling Act controls in the event of a conflict with another Act. Denies home rule powers. Amends the Regulatory Sunset Act to provide for the repeal of the Plastic Bag and Film Recycling Act on October 1, 2017. Effective immediately.

Provides that units of local government (including school districts and public colleges and universities) shall limit contracts or appointments with auditors to 5 years and shall competitively bid auditor contracts or appointments. Provides that a unit of local government may not contract with or appoint an auditor or auditing firm who has done any audit of the unit of local government in the previous 5 fiscal years unless an auditing firm practices audit partner rotation. Allows the Comptroller to waive the limitation on the same auditor or auditing firm in certain circumstances. Amends the Counties Code, the Illinois Municipal Code, the Park District Code, the School Code, the Board of Higher Education Act, and the Public Community College Act making conforming changes.

Defines "audit partner", "CPA" or "C.P.A.", and "CPA firm". Changes references from "licensed public accountant" and "licensed public accounting firm" to "CPA" and "CPA firm", respectively. Provides for the appointment of auditors only after advertising for and following a competitive request for proposals process that solicits qualifications and proposals from interested parties (rather than appointing the lowest responsible bidder after advertising for bids). 310 ILCS 110/15

Amends the Comprehensive Housing Planning Act. Changes the date through which the State is required to prepare and be guided by an annual comprehensive housing plan that is consistent with the affirmative fair housing provisions of the Illinois Human Rights Act to December 31, 2026 (rather than June 30, 2016). Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

- 310 ILCS 110/5
- 310 ILCS 110/10
- 310 ILCS 110/15
- 310 ILCS 110/20
- 310 ILCS 110/25
- 310 ILCS 110/30 rep.

Replaces everything after the enacting clause. Amends the Comprehensive Housing Planning Act. Removes all references to the Executive Committee and its corresponding definition. Replaces all references to "Interagency Subcommittee of the State Housing Task Force" with "Interagency Committee of the State Housing Task Force" (Interagency Committee). Adds the Directors of the State Departments of Corrections, Emergency Management, and Juvenile Justice to the list of members on the Interagency Committee. Adds the Interagency Committee as a member of the State Housing Task Force and removes the following State Departments or their designees from the State Housing Task Force: the Secretaries of Human Services and Transportation; the Directors of the State Departments of Aging, Children and Family Services, Commerce and Economic Opportunity, Financial and Professional Regulation, Healthcare and Family Services, Human Rights, Natural Resources, Public Health, and Veterans' Affairs; the Director of the Environmental Protection Agency; and a representative of the Governor's Office of Management and Budget. Removes a provision permitting the Governor to invite and appoint a representative of the Illinois Institute for Rural Affairs of Western Illinois University to the State Housing Task Force; and provides that the Governor may invite and appoint a representative of the U. S. Department of Agriculture Rural Development (rather than a

representative of the U. S. Department of Agriculture). Makes changes concerning the codification of Executive Order 2003-18 into the Act. In provisions concerning the purposes of the Act, adds as a purpose, the maximization of federal funding opportunities for affordable housing or the services people need to maintain their housing with required State funding, such as, without limitation, for federal Continuum of Care networks and HOME Investment Partnerships Program project sponsors. Extends the date through which the State shall prepare and be guided by an Annual Comprehensive Housing Plan that is consistent with the affirmative fair housing provisions of the Illinois Human Rights Act. In a provision listing the underserved populations that shall be addressed in the Annual Comprehensive Housing Plan, adds to the list (i) low-income people residing in communities with ongoing community revitalization efforts; and (ii) other special needs populations, including people with criminal records and veterans experiencing or at risk of homelessness. Requires the Interagency Committee to deliver the Annual Comprehensive Housing Plan to the Governor and the General Assembly by January 15 (rather than January 1) of each year or the first business day thereafter; and requires the Illinois Housing Development Authority to prepare an Annual Progress Report by April 1 (instead of an interim report by September 30 and a final report by April 1) of the following year to the Governor and the General Assembly on the progress made toward achieving certain projected goals under the Act. Transfers certain duties of the Executive Committee to the State Housing Task Force. Makes changes concerning certain duties of the Interagency Committee and repeals a provision requiring the Illinois Housing Development Authority to annually issue a joint Notice of Funding Availability to notify potential applicants of funding for specific programs expected to be available through State agencies to meet housing and supportive service needs identified in the Annual Comprehensive Housing Plan. Effective immediately.

New Act

Creates the Citizen Privacy Protection Act. Provides that a law enforcement agency may not use a cell site simulator device, except to locate or track the location of a communications device or to identify a communications device. Except as provided in the Freedom From Location Surveillance Act, a court order based on probable cause that a person whose location information is sought has committed, is committing, or is about to commit a crime, is required for any permitted use of a cell site simulator device. Provides that an application for a court order to use a cell site simulator device, including an emergency application under the Freedom From Location Surveillance Act, must include a description of the nature and capabilities of the cell site simulator device to be used and the manner and method of its deployment, including whether the cell site simulator device will obtain data from non-target communications devices. Provides that an application for a court order to use a cell site simulator device, including an emergency application under the Freedom From Location Surveillance Act, must also include a description of the procedures that will be followed to protect the privacy of non-targets of the investigation, including the immediate deletion of data obtained from non-target communications devices. Provides that if the court finds by a preponderance of the evidence that a law enforcement agency used a cell site simulator to gather information in violation of the limits in the Act, then the information shall be presumed to be inadmissible in any judicial or administrative proceeding. Defines "cell site simulator device", "communications device", and "law enforcement agency".

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the bill as introduced with the following changes. Provides that if the cell site simulator device is used to locate or track a known communications device, all non-target data must be deleted as soon as reasonably practicable, but no later than once every 24 hours. Provides that if the cell site simulator device is used to identify an unknown communications device, all non-target data must be deleted as

soon as reasonably practicable, but no later than within 72 hours of the time that the unknown communications device is identified, absent a court order preserving the non-target data and directing that it be filed under seal with the court. Provides that the court may retain data obtained from a non-target communications device under a court order showing good cause for no longer than the period required under Supreme Court Rules. Provides that the law enforcement agency is prohibited from accessing data obtained from a non-target communications device for the purpose of any investigation not authorized by the original warrant. Provides that a court order issued may be sealed upon a showing of need, but for no more than 180 days, with any extensions to be granted upon a certification that an investigation remains active or a showing of exceptional circumstances.

SENATE COMMITTEE AMENDMENT NO. 2

Provides that the law enforcement agency is prohibited from accessing data obtained from a non-target communications device for the purpose of any investigation not authorized by the original court order (rather than warrant).

105 ILCS 125/5

Adds reference to:

105 ILCS 126/16 new

Replaces everything after the enacting clause. Amends the Childhood Hunger Relief Act. Creates the breakfast after the bell program. Requires the board of education of each school district in the State to implement and operate a breakfast after the bell program in the next academic year after the effective date of the amendatory Act, if a breakfast after the bell program does not already exist, in each school building (1) in which at least 70% or more of the students are eligible for free or reduced-price lunches based upon the current year's October claim (for those schools that participate in the National School Lunch Program); (2) in which at least 70% or more of the students are classified as low-income according to the Fall Housing Data from the previous year (for those schools that do not participate in the National School

Lunch Program); or (3) that has a claiming percentage for free or reduced-price meals of 70% or more (for those schools using Provision 2 under the federal Richard B. Russell National School Lunch Act or the Community Eligibility Provision under the federal Healthy, Hunger-Free Kids Act of 2010 to provide universal meals). Allows schools that fall below the threshold for 2 consecutive years to continue participating in the program, but does not require them to do so. Allows schools to determine the service model used.
