SENATE COMMITTEE AMENDMENT NO. 2

Adds reference to:

New Act

Amends the Park District Code to provide that park districts are subject to the Act. Amends the School Code. Repeals provisions of the Code concerning concussions and head injuries and student athletes. Instead, sets forth provisions concerning concussions and head injuries and student athletes that apply to public and private elementary and secondary schools, including charter schools. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 3

Provides that a park district is subject to and shall comply with the Youth Sports Concussion Safety Act if the park district is directly responsible for organizing and providing a sponsored youth sports activity as a youth sports league by registering the players and selecting the coaches (instead of if the park district offers a sponsored youth sports activity as a youth sports league).

SENATE COMMITTEE AMENDMENT NO. 4

Removes a reference to a "licensed healthcare professional" otherwise holding a professional license from the Department of Financial and Professional Regulation in the field of healthcare. With respect to a student and the student's parent or guardian or another person with legal authority providing consent, adds a reference to an athletic trainer's written statement being disclosed to the appropriate persons. Makes other changes concerning athletic trainers.

SENATE FLOOR AMENDMENT NO. 5

Provides for a school-specific (rather than venue-specific) emergency action plan. Requires the plan to be posted at all venues utilized by the school (rather than all venues). Removes a provision requiring the school-specific emergency action plan to be rehearsed annually.

- 820 ILCS 175/95

Amends the Day and Temporary Labor Services Act. In the Section containing legislative findings, adds a finding that temporary laborers are vulnerable to discriminatory practices. Defines "day or temporary labor applicant". In a Section concerning recordkeeping, provides that the day and temporary labor service agency shall keep a record of the race, ethnicity, and gender of each day or temporary laborer or day or temporary labor applicant, as provided by the person who requests employment with or is contracted by the day and temporary labor service agency (instead of "the race and gender of each day or temporary laborer sent by the day and temporary labor service agency"). Provides that the day and temporary labor service agency shall provide each day or temporary labor applicant with and retain a copy of a written notice signed by an employee of the day and temporary labor agency and specifying the date, time, and location the applicant requested employment. Provides that at the time of annual registration, the day and temporary labor service agency shall submit to the Department of Labor, on a form created by the Department, a report containing the information required by the new provisions, grouped by branch office, in the aggregate for all day or temporary laborers assigned within this State in the prior year. Provides that in the case of a health and safety or notice violation, a private right of action exists for compensatory damages and an amount between \$50 and \$500 for each violation (instead of "up to \$500 for the violation"). Makes

corresponding changes.

SENATE FLOOR AMENDMENT NO. 1

Removes changes from the Section concerning legislative findings. Relocates certain provisions of the introduced bill. Provides that the records shall be open to inspection by the Department of Human Rights. HOUSE COMMITTEE AMENDMENT NO. 1

Excludes from the term "day or temporary labor applicant" a natural person who requests a job through an online application process.

HOUSE COMMITTEE AMENDMENT NO. 2

Provides that a day and temporary labor service agency shall keep records with respect to each person who applies in person to become a day or temporary laborer rather than with respect to each person.

New Act

Creates the Smart Phone Theft Protection Act. Requires wireless communications device dealers to maintain a written record of every purchase or acquisition of a used wireless communications device for resale. Sets forth information that must be included in the written record. Provides that a law enforcement agency that has probable cause to believe a device has been stolen or is evidence of a crime may place an investigative hold on or confiscate the device. Requires the installation of video security cameras at a dealer's physical location. Provides that a violation of the Act is a Class B misdemeanor. Provides exemption from the application of the Act, including dealers who acquire devices for trade-in, or repair and refurbishment programs.

SENATE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Adds definition for "appropriate law enforcement official". Makes changes in the definitions of "trade-in program" and "wireless communications device". Provides a wireless communications device dealer covered by the required recordkeeping provisions may maintain the records in an electronic form approved by the appropriate law enforcement official. Requires a law enforcement administrative hold on a wireless communications device to continue for 120 days (rather than 30 days) from date of initial notification, until cancelled or renewed, or notice to confiscate or release, whichever comes first. Requires a video recording of each seller of a wireless communications device at a dealer location to be retained for a minimum of 120 days (rather than 30 days). Changes the penalty for violation of the Act from a Class B misdemeanor to a business offense with a fine of more than \$500 but not more than \$1,000. Replaces provisions concerning the application of the Smart Phone Theft Protection Act to provide that the Act does not apply with respect to a wireless communications device returned pursuant to the return policies of the wireless communications device dealer, wireless telephone service provider, manufacturer, or retailer from whom it was originally purchased, to a wireless telephone service provider who acquires wireless communications devices as part of a trade-in or a repair and refurbishment program, to a manufacturer who acquires wireless communications devices as part of a trade-in program, or to wireless communications device dealers regulated under the Pawnbroker Regulation Act. Provides the Smart Phone Theft Protection Act does not alter or affect a dealer's separate obligations under the Resale Dealers Act, if applicable, except that any violation under the Smart Phone Theft Protection Act, by a person covered by the Resale Dealers Act, which has the same or similar elements as a violation under the Resale Dealers Act shall be punished as provided under the Resale Dealers Act.

SENATE FLOOR AMENDMENT NO. 3

Provides the Act does not apply to a retailer who has 25 or more locations in this State who acquires wireless communications devices as part of a trade-in or repair and refurbishment program or to an entity that complies with the requirements of the Resale Dealers Act and purchases used wireless communications devices for the purpose of recycling and refurbishment.

Amends the Animal Welfare Act. Provides that the definition of "kennel operator" does not include an animal control facility operated directly by a government agency; a veterinary hospital that does not board animals overnight for other than ongoing veterinary treatment; or a person who owns, has possession of, or harbors 5 or fewer females capable of reproduction, unless the animals are being kept overnight for a fee or compensation. Requires veterinary hospitals engaged in boarding services to obtain kennel operator licenses. Requires applicants for original licensure to provide proof of zoning compliance. Provides that the Illinois Department of Agriculture may refuse to issue a license if the applicant, or a known prospective employee of the applicant, has ever been convicted of violating an animal cruelty statute. Provides that the Department shall not (instead of may refuse to) issue or renew a license and shall (instead of may) suspend or revoke a license if an applicant or licensee has engaged in certain activities or made certain types of misleading statements. Increases licensing fees. Amends the Humane Care for Animals Act. Provides that the signature of one judge is binding if a decision is entered in a lapsed appropriation claim in which a motion or stipulation has been filed or a decision is entered on a Crime Victims Compensation Act claim. Deletes language providing that in matters involving the award of emergency funds under the Crime Victims Compensation Act, the decision of one judge is necessary to award emergency funds. Provides that from funds appropriated by the General Assembly, the court may direct immediate payment of claims against the State for unjust imprisonment. Provides that the court may direct payment of claims founded upon a contract entered into with the State without regard to whether sufficient funds remained available in the appropriation by which the contract was originally to be paid; however, the new provision does not apply to claims arising solely as a result of the lapsing of an

appropriation out of which the obligation could have been paid. Adds applicability language and makes other changes.

Replaces everything after the enacting clause. Creates the Bath Salts Prohibition Act. Provides that a person may not sell or offer for sale any bath salts in a retail mercantile establishment located within this State. Provides that a violation is a Class 3 felony for which a fine not exceeding \$150,000 may be imposed. Provides that in addition to any other penalty that may be imposed for a violation of the Act, the unit of local government that issued a retailer's license for the retail mercantile establishment whose merchant violated the Act may revoke the retailer's license of that retail mercantile establishment. Defines "bath salts" as any synthetic or natural material containing any quantity of a cathinone chemical structure, including any analogs, salts, isomers, or salts of isomers of any synthetic or natural material containing a cathinone chemical structure. Provides that this includes, but is not limited to, synthetic cathinones as defined in the Illinois Controlled Substances Act, and any related "controlled substance analog" as defined in the Illinois Controlled Substances Act, regardless of how the product is labeled or marketed. Amends the Illinois Controlled Substances Act. SENATE FLOOR AMENDMENT NO. 2

Deletes reference to:

115 ILCS 5/3

Adds reference to:

110 ILCS 947/62 new

Replaces everything after the enacting clause. Amends the Higher Education Student

Assistance Act. Provides for the issuance of grants to exonerated persons, subject to appropriation. Provides that recipients of grants issued by the Illinois Student Assistance Commission need not be Illinois residents at the time of enrollment in order to be eligible for a grant. Provides that recipients are entitled to either payment for the course of study needed for them to obtain a high school equivalency certificate or 8 semesters or 12 quarters of full payment of tuition and mandatory fees, provided that the recipients are maintaining satisfactory academic progress. Allows the funds from the grant to be used for obtaining a high school equivalency certificate or pursuing undergraduate or graduate study. Provides that benefits shall be administered by and paid out of funds available to the Commission and shall accrue to the bona fide applicant for a grant without the requirement of demonstrating financial need to qualify for the benefits.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by Senate Amendment No. 2 with the following changes: defines "exonerated person" as an individual who has received a pardon from the Governor of the State of Illinois (rather than the Governor) stating that such a pardon is issued on the grounds of innocence of the crime for which he or she was imprisoned or an individual who has received a certificate of innocence from a circuit court. Defines "satisfactory academic progress" as the qualified applicant's maintenance of minimum standards of academic performance, consistent with requirements for maintaining federal financial aid eligibility (rather than the qualified applicant's maintenance of minimum grade levels), as determined by the institution of higher learning. Removes a provision providing that recipients need not be Illinois residents at the time of enrollment in order to be eligible for a grant. Provides for the payment of tuition and fees only at a public university or community college. Makes changes to provide that an exonerated person who has not yet received a high school diploma or a high school equivalency certificate and completes a high school equivalency preparation course through an Illinois Community College Board-approved provider may use grant funds to pay the costs associated with obtaining a high school equivalency certificate, including payment of the cost of the high school equivalency test and up to one retest on each test module, and any additional fees that may be required in order to obtain an Illinois High School Equivalency Certificate or an official transcript of test scores after successful completion of the high school equivalency test. Removes a provision requiring funds for the grant to be paid out of funds available to the Commission.

Adds reference to:

105 ILCS 5/7-6 from Ch. 122, par. 7-6

105 ILCS 5/7-14 from Ch. 122, par. 7-14

Replaces everything after the enacting clause. Amends the School Code. With respect to a petition for a proposed change of school district boundaries, provides that the regional board of school trustees or regional boards of school trustees in cases of a joint hearing shall hear evidence as to the effect detachment will have on the school needs and conditions of the territory in the area within and adjacent thereto and shall determine whether it is to the best interests of the schools of the area and the direct educational welfare (instead of educational welfare) of the pupils that such change in boundaries be granted. Provides that in the instance of a change of boundaries through detachment, (1) when considering the effect the detachment will have on the direct educational welfare of the pupils, the regional board or regional boards shall consider a comparison of the school report cards for the schools of the affected districts and the school district report cards for the affected districts only if there is no more than a 3% difference in the minority, low socio-economic, and non-English speaking student populations of the relevant schools of the districts; (2) the community of interest of the petitioners and their

children and the effect detachment will have on the whole child may be considered only if the regional board or regional boards first determine that there would be a significant direct educational benefit to the petitioners' children if the change in boundaries were allowed; (3) the regional board or regional boards may consider the difference in the distances from the petitioning area to the current schools and the petitioned-for schools only if the difference is no less than 10 miles shorter to one of the petitioned-for corresponding current grade centers than it is to the corresponding current grade center; (4) the regional board or regional boards may not grant a petition if doing so will increase the percentage of minority, low socio-economic, or non-English speaking students at the school or the district from which the petitioning territory will be detached and will decrease the percentage of those students at the school or district to which the territory will be annexed; and (5) the regional board or regional boards may not consider whether changing the boundaries will increase the property values of the petitioners' property. Makes changes concerning the assumption of bonded indebtedness and financial obligations to the Capital Development Board and the tax rate for bonded indebtedness in cases in which the boundaries of a school district are changed by the attachment or detachment of territory.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the engrossed bill with the following changes: With respect to detachment, makes changes to provide that when petitioners cite an annexing district attendance center or centers in the petition or during testimony, the regional board of school trustees or the regional boards of school trustees may consider the difference in the distances from the detaching area to the current attendance centers and the cited annexing district attendance centers only if the difference is no less than 10 miles shorter to one of the cited annexing district attendance centers than it is to the corresponding current attendance center. Makes changes to provide that the regional board of school trustees or the regional boards of school trustees may not grant a petition if doing so will increase the percentage of minority or low-income students or English learners by more than 3% at the attendance center where students in the detaching territory currently attend, provided that if the percentage of any one of those groups also decreases at that attendance center, the regional board or boards may grant the petition upon consideration of other factors. Removes provisions providing that the annexing school district shall be liable for its financial obligations to the Capital Development Board. Makes other changes.

Provides that the members of the Task Force shall serve without compensation and are responsible for the cost of all reasonable and necessary travel expenses connected to Task Force business. Provides that the Task Force members shall not be reimbursed by the State for these costs. Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with the following changes: Provides that certain requirements for the preparation of an infusion apply to a retail licensee (instead of licensee). Further amends the Liquor Control Act of 1934. Prohibits the Illinois Liquor Control Commission from enforcing any trade practice policy or other rule that was not adopted in accordance with the Illinois Administrative Procedure Act. Provides that certain locations within or adjacent to a hotel shall be considered part of the hotel's licensed premises if those locations are owned and managed by the hotel operator and that those locations may be maintained and managed pursuant to a single retailer's license issued by the State Commission. In a provision that prohibits the issuance of a license within 100 feet of churches, schools, hospitals, or certain other buildings, provides that a local liquor control commissioner may grant an exemption to that prohibition if a local rule or ordinance authorizes the local liquor control commissioner to grant that exemption. In a provision of the Act that prohibits happy hours, removes certain prohibitions and requirements. Prohibits the sale of more than one drink of alcoholic liquor for the price of one drink of alcoholic liquor. Adds provisions concerning happy hours, meal packages, party packages, and entertainment packages. Repeals a provision that prohibits the sale of liquor on Sundays, except under certain circumstances, and makes a conforming change. Requires all alcohol servers (instead of only alcohol servers in Cook County) to complete responsible alcohol service server training and provides certain dates by which alcohol servers in certain counties must complete the training. Makes changes in provisions concerning product

sampling. Makes other changes. Effective immediately.

Provides that alcoholic liquors may be delivered to and sold at retail in any building owned by a public library district if the delivery and sale is approved by the board of trustees of that public library district and is limited to library fundraising events or programs of a cultural or educational nature. 25 ILCS 5/3 from Ch. 63, par. 3

Amends the General Assembly Organization Act. Makes a technical change in a Section concerning the deposit of books, bills, documents, and papers with the Secretary of State.

SENATE FLOOR AMENDMENT NO. 5

Deletes reference to:

25 ILCS 5/3

Adds reference to:

105 ILCS 5/27-8.1

from Ch. 122, par. 27-8.1

Replaces everything after the enacting clause. Amends the School Code. In provisions concerning health examinations and immunizations, requires an age-appropriate and developmentally appropriate social and emotional screening to be included as part of the examinations and procedures that constitute a health examination under rules of the Department of Public Health. Sets forth requirements with respect to the rules concerning social and emotional screening. With respect to the social and emotional screening portion of the health examination, requires each child to present proof before October 15th of the school year of having been examined by a physician licensed to practice medicine in all of its branches within the previous year; provides for a waiver and notice. Regarding social and emotional functioning, requires information to be shared in a manner consistent with laws and policies governing health care confidentiality.

SENATE FLOOR AMENDMENT NO. 6

Requires an age-appropriate developmental and social and emotional screening (instead of an age-appropriate and developmentally appropriate social and emotional screening) to be included as part of the examinations and procedures that constitute a health examination.

HOUSE FLOOR AMENDMENT NO. 1

Adds reference to:

105 ILCS 5/27A-5

Replaces everything after the enacting clause with provisions of the engrossed bill with the following changes: Provides that the health examination for school children shall include an age-appropriate developmental screening and a social and emotional screening (rather than an age-appropriate developmental and social and emotional screening). Requires the Department of Public Health to develop rules and appropriate revisions to the Child Health Examination form in conjunction with certain organizations and other individuals. Includes more items that rules must address. Allows physicians licensed to practice medicine in all of its branches, licensed advanced practice nurses, licensed physician assistants, and other professionals determined by rule to conduct the screenings (rather than just physicians licensed to practice medicine in all of its branches). Allows qualified school support personnel to offer, with the parent's or guardian's consent, the required screenings if a child fails to present proof of undergoing the screenings by October 15th of the school year. Allows schools to offer appropriate school personnel to work with parents and guardians regarding the screening. Provides that the confidentiality of the information and records relating to the developmental screening and the social and emotional screening shall be determined by the statutes, rules, and professional ethics governing the type of provider conducting the screening (rather than requiring that information must be shared in a manner consistent with laws and policies governing health care confidentiality). Makes other changes. Further amends the School Code. In the Charter Schools Law of the School Code, requires charter schools to require certain health examinations and immunizations.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with provisions of the bill as amended by House Amendment No. 1 with the following changes: Requires revisions to the Child Health Examination form developed by the Department of Public Health to recommend the use of validated screening tools appropriate to the child's age or grade, and, with regard to the social and emotional screening, require recording only whether or not the screening was completed (rather than tools appropriate to the child's age or grade level). Removes the authority for the Department of Public Health to designate by rule other professionals that may conduct the developmental screening and social and emotional screening beyond physicians licensed to practice medicine in all of its branches, licensed advanced practice nurses, and licensed physician assistants. Provides that with regard to the social and emotional screening, the examining health care provider shall only record whether or not the screening was completed. Provides that the duty to summarize certain information on the health examination form does not apply to social and emotional screenings. Provides that a child may (rather than shall) present proof of having completed the developmental screening and the social and emotional screening. Adds an effective date of June 1, 2017.

25 ILCS 5/3 from Ch. 63, par. 3

Amends the General Assembly Organization Act. Makes a technical change in a Section concerning the deposit of books, bills, documents, and papers with the Secretary of State.

SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:

25 ILCS 5/3

Adds reference to:

305 ILCS 5/9A-11 from Ch. 23, par. 9A-11

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. In a provision concerning eligibility for child care benefits under the Department of Human Services' child care assistance program, requires the State to serve all children who fall within the eligibility criteria established by the Department regarding income eligibility and meet the required work or school activity. Deletes a provision that (1) authorizes the Department of Human Services to lower income eligibility ceilings, raise parent co-payments, create waiting lists, or take such other actions during a fiscal year as are necessary to ensure that paid child care benefits do not exceed the amounts appropriated for those child care benefits and (2) permits such changes to be accomplished by emergency rule. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

Though the fiscal impact is indeterminable at this time, the amendment would provide the Department with little or no flexibility to manage the Child Care Program and live within established appropriations.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Provides that the Department of Human Services shall provide specified child care services (rather than providing those services to the extent resources permit). Adds, to the categories of families to which the Department of Human Services shall provide child care services, families that are income-eligible for child care assistance, are not recipients of TANF, and need child care assistance to participate in education and training activities. Provides that the eligibility requirements for child care assistance services shall be no more restrictive than the eligibility requirements in effect on June 30, 2015. Provides that the Department shall not condition eligibility for child care assistance services upon cooperation in establishing paternity of a child or cooperation with child support collection or enforcement for a child. Provides that, until the Department of Human Services establishes a new co-payment scale by rule, co-payments shall be equal to those in effect on June 30, 2015. Provides that co-payments for child care services may not be increased more than once every 6 months and may not be increased at a rate that exceeds the percentage increase in the Consumer Price Index for all Urban Consumers during the prior calendar year or 5%, whichever is less. Provides that co-payments shall not exceed 10% of family income. Provides that the Department may not adopt emergency rules relating to child care assistance services provided under specified provisions of the Code. Deletes language regarding: an income threshold for FY2007; a test program for certain families to participate in education and training activities; development of a plan to revise the child care assistance program's co-payment scale by February 1, 2008; and authorization to lower income eligibility ceilings, raise parent co-payments, create waiting lists, or other actions to ensure that child care benefits do not exceed the amounts appropriated for those benefits. Makes other changes. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

Though the fiscal impact is indeterminable at this time, the amendment would provide the Department with little or no flexibility to manage the Child Care Program and live within established appropriations.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Human Services)

Fiscal Impact Supplement for SB 580 (H-AM 1): The Direct Service Professional (DSP) rate increase to \$15/hour will cost the State an estimated annual increase of \$330M; (1) The current CILA rate model includes \$10.71/hour for DSP wage rates. The proposed legislation would increase the DSP rates by 40.1%, increasing from \$10.71 to \$15.00. ICF/ DD DSP current wage is \$11.05/hour, an increase to \$15 would be a 35.7% cost to the program liability; (2) The legislation does not only impact DSP, also requires commensurate rate increases across all staffing levels within the affected categories. As a result, all Community Integrated Living Arrangements (CILA) and Developmental Training (DT) staffing categories would increase by 40.1% above current rates. Categories impacted by the proposed rate increase include DSP, Supervisors, Qualified Intellectual Disabilities Professional Course Coordinator (QIDP), Licensed Practical Nurses (LPN), and registered Nurses (RN).

New Act

Creates the Hepatitis C Screening Act. Provides that every individual born between the years of 1945 and 1965 who receives health services from a hospital as an inpatient or in the emergency department of a hospital or who receives primary care services in an outpatient department of a hospital or who receives health services from a health care practitioner providing primary care shall be offered a hepatitis C-related test, unless the health care practitioner providing the services reasonably believes that certain conditions are present. Effective January 1, 2016.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

5 ILCS 375/6.11

55 ILCS 5/5-1069.3

65 ILCS 5/10-4-2.3

105 ILCS 5/10-22.3f

215 ILCS 5/356z.23 new

215 ILCS 125/5-3

from Ch. 111 1/2, par. 1411.2

215 ILCS 165/10

from Ch. 32, par. 604

305 ILCS 5/5-16.8

Replaces everything after the enacting clause with the introduced bill with the following changes: Provides that hepatitis C testing requirements do not apply if: the health care practitioner reasonably believes that testing is contraindicated for the patient; it would interfere with appropriate care; or the patient is being seen for an acute ailment, illness, or condition. Amends the Illinois Insurance Code. Provides that every insurer that amends, delivers, issues, or renews a group or individual major medical policy of accident and health insurance in this State providing coverage for hospital or medical treatment shall provide coverage for hepatitis C screening and confirmatory testing consistent with reasonable medical standards. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with the bill as amended by Senate Amendment No. 1, but removes provisions requiring the Department of Public Health to conduct a public education campaign concerning hepatitis C.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will likely have a significant fiscal impact to the State's Medicaid and Group Health Insurance programs due to increased screening and treatment of Hepatitis C. The anticipated costs are not available at this time. Passage of this bill without an accompanying source of revenue will result in an unbalanced budget.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with SB 661. The bill would have no fiscal or population impact on the Department of Corrections.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 0661 as Engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

SB 661, as engrossed, will have no impact on any public pension fund or retirement system in Illinois.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in SB 661; therefore, there are no appraisals to be filed.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Dept. of Healthcare & Family Services)

For purposes of this analysis, it is assumed that primary care providers are offering and/or recommending testing to at-risk populations based on sound medical reasoning. However, there may be an indirect impact to the Department from the publicity of hepatitis C legislation and the new hepatitis C drugs. Increased awareness of those in an at-risk population coupled with a mandate is likely to increase testing utilization. In FY14 and FY15, the Department did and is estimated to spend about \$1.5 million for testing. A 10% increase in FY16 testing utilization would increase liability by \$150,000 thousand. Additional testing would potentially double the population receiving treatment. This would result in an added pharmaceutical cost of \$8.5 million annualized.

New Act

Creates the Genetically Engineered Food Labeling Act. Provides that beginning on the effective date of the Act, any food offered for retail sale in this State is misbranded if it is entirely or partially produced with genetic engineering and that fact is not disclosed in a certain manner. Provides that the Act shall not be construed to require either the listing or identification of any ingredient or ingredients that were genetically engineered, nor that the term "genetically engineered" be placed immediately preceding any common name or primary product descriptor of a food. Provides that until the effective date of the Act, any processed food that would be subject to the provision concerning the labeling of genetically engineered foods solely because it includes one or more materials produced by genetic engineering is not misbranded provided that the engineered materials in the aggregate do not account for more than a certain amount of the total weight of the processed food. Sets forth provisions concerning applicability and the right of action for violations, damages, and attorneys' fees. Provides that the Department of Public Health shall adopt rules necessary to implement the Act. Defines terms. Contains a severability provision. Effective January 1, 2017.

Amends the Rental Housing Support Program Act. In a provision concerning the Rental Housing Support Program, provides that the Illinois Housing Development Authority shall distribute amounts for the Program solely from annual receipts on deposit in the Rental Housing Support Program Fund that are appropriated in each year for distribution by the Authority for the Program, and not from any other source of funds for the Authority (rather than the Authority shall distribute amounts appropriated for the Program from the Rental Housing Support Program Fund and any other appropriations provided for the Program). Defines "annual receipts" to mean revenue derived from the Rental Housing Support Program State surcharge from July 1 to June 30. Provides that the Authority shall perform annual reconciliations of all distributions made in connection with the Program and may offset future distributions to balance geographic distribution requirements. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In a provision requiring the Authority to distribute amounts for the Rental Housing Support Program solely from annual receipts on deposit in the Rental Housing Support Program Fund that are appropriated in each year for distribution by the Authority for the Program, and not from any other source of funds for the Authority, provides (i) that a proportionate share of annual receipts on deposit appropriated to the Fund each year (rather than a proportionate share of annual receipts) shall be distributed to municipalities with a population greater than 2,000,000; (ii) that of the remaining annual receipts on deposit appropriated to the Fund each year (rather than of the remaining annual receipts) the Authority shall designate at least 10% in areas of the State not covered as specified under the Rental Housing Support Program Act; and (iii) that the remaining annual receipts on deposit appropriated to the Fund each year (rather than the remaining annual receipts) after the distributions in the previous provisions shall be distributed in areas of the State not covered as specified under the Act. Provides that in order to plan for periodic fluctuations in annual receipts on deposit appropriated to the Fund each year (rather than for periodic fluctuations in annual receipts), the Authority shall establish by rule a mechanism for establishing a reserve fund and the level of funding that shall be held in reserve either by the Authority or by local administering agencies. Effective immediately.

110 ILCS 205/3 from Ch. 144, par. 183

Amends the Board of Higher Education Act. Makes a technical change in a Section concerning terms.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

110 ILCS 205/3

Adds reference to:

New Act

Replaces everything after the enacting clause. Creates the Career and Workforce Transition Act. Requires a public community college district to accept up to 30 credit hours transferred from a non-degree granting institution (regulated and approved by the Board of Higher Education under the Private Business and Vocational Schools Act of 2012 and nationally accredited by an accreditor approved by the U.S. Department of Education) that has been approved by the Board as an institution from which credits may be transferred if a student has completed a medical assisting program, a medical coding program, a dental assisting program, a heating, ventilation, and air conditioning program, a welding program, or a pharmacy technician program. Provides that the program must, at a minimum, be a 9-month program and use a credit-hour system. Contains provisions conditioning Board approval.

SENATE FLOOR AMENDMENT NO. 2

Requires an institution to have successfully completed a full term of national accreditation without probation (instead of without probation, a warning, or the denial of a substantive change in an application) in order to be approved as an institution from which credits may be transferred. Makes a grammatical change.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill as engrossed, with the following changes. Provides that "Board" means the Illinois Community College Board instead of the Board of Higher Education. With respect to Board approval, (i) requires an institution to submit all application materials that the Board requests, (ii) removes the requirement that the institution pay a fee to the Board, and (iii) removes the requirement that the institution complete all of the necessary requirements to be approved by the Board of Higher Education under the Private Business and Vocational Schools Act of 2012 (but defines "institution" in part as a non-degree granting institution that is regulated and approved by the Board of Higher Education under the Private Business and Vocational Schools Act of 2012).

40 ILCS 5/7-109.3 from Ch. 108 1/2, par. 7-109.3

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, but with the following changes: Amends the Emergency Medical Services (EMS) Systems Act. Requires the Department of Public Health to issue an annual Freestanding Emergency Center (FEC) license to a facility located within a municipality with a population in excess of 1,000,000 inhabitants if the facility has, by January 1, 2016, filed a letter of intent to establish a Freestanding Emergency Center and meets certain requirements. Adds provisions concerning transfer agreements; observation beds; and other matters. Further amends the Illinois Public Aid Code. Adds services delivered by facilities licensed under the Specialized Mental Health Rehabilitation Act of 2013 to the list of services covered under the Medical Assistance Program. Permits the Department to contract with a third-party vendor to supply durable medical equipment in a more cost effective manner. In provisions concerning kidney transplantation coverage for noncitizens with end-stage renal disease, restricts coverage to persons receiving emergency renal dialysis services covered by the Department for at least 2 years. In a provision concerning payments to nursing facilities, permits the Department to contract with a third-party auditor to perform auditing to determine the accuracy of resident assessment information transmitted in the MDS that is relevant to the determination of reimbursement rates. In a provision concerning care coordination, provides that for Accountable Care Entities (ACEs) with a contract with the Department as of January 1, 2015, their 18 month period of operation shall begin on January 1, 2015 and the Department shall pay a care coordination fee on a per member per month basis at a rate no less than the amount paid as of January 1, 2015. Requires the Department to evaluate the ACE readiness to accept capitation. Adds provisions concerning care coordination enrollment choices for children with complex medical needs; and

care coordination fees for care coordination entities for seniors and persons with disabilities and for pediatric care coordination entities for children with complex medical needs. Provides that notwithstanding any other provision of the Code to the contrary, and subject to rescission if not federally approved, providers of certain services shall have their reimbursement rates or dispensing fees reduced for State fiscal year 2016 by an amount no greater than the equivalent to a 2.25% reduction in State fiscal year 2015 appropriations from the General Revenue Fund, with certain exceptions. Requires the Department to seek a waiver from the federal Centers for Medicare and Medicaid Services to allow wards of the Department of Children and Family Services access to mandatory Medicaid managed care. Provides that services delivered by facilities licensed under the Specialized Mental Health Rehabilitation Act of 2013 shall be a covered Medicaid service for eligible Medicaid enrollees; and that the Department shall ensure that all residents of facilities licensed under the Specialized Mental Health Rehabilitation Act of 2013 who are eligible for Medicaid are enrolled in Medicaid managed care. Requires the Department to, by January 1, 2016, make available on its website a managed care policy manual for providers that must be updated no less than annually. In a provision concerning certain annual assessments on inpatient services, provides that in lieu of a reduction in the reimbursement rates paid to hospitals, for State fiscal year 2016, the amount of \$218.38 used to calculate a specified assessment shall, by emergency rule, be increased by a uniform percentage to generate \$20,250,000 annually in the aggregate from all hospitals subject to the annual assessment. Makes other changes to provisions concerning hospital access payments; the aggregate amount of all increased capitation payments to managed care organizations (MCOs); adjustments to the capitation payments made to MCOs for adults eligible for medical assistance pursuant to the Affordable Care Act; and emergency rules. In a provision concerning an annual assessment imposed on supportive living facilities, provides that the Department must contest the interpretation of federal regulations on permissible provider taxes made by the federal Centers for Medicare and Medicaid Services as stated in correspondence dated January 20, 2015 and that the Department shall submit a report to the General Assembly no later than January 1, 2016 detailing all actions taken. In a provision concerning the Inspector General, provides that the Office of Inspector General must realign its resources toward activities with the greatest potential to reduce or avoid unnecessary, wasteful, or fraudulent expenditures. Changes a provision concerning the recoupment of advance payments made to nursing facilities with significant outstanding Medicaid liability. Adds a provision concerning temporary medical assistance coverage for long-term care services when an individual's application for such services is not timely processed under State and federal law and the individual did not cause the delay. Adds a provision requiring the Department to convene a working group in consultation with the Office of the Governor to discuss the development of a revised proposal for the research and demonstration project waiver proposal submitted to the U.S. Department of Health and Human Services on June 4, 2014. Makes changes to a provision concerning payments authorized under the Illinois Administrative Code and initially paid out to hospitals in State fiscal year 2015. Provides that the Governor's Office shall direct the Department of Healthcare and Family Services, in conjunction with other specified agencies, to initiate a review of all case management, care coordination programs, and public health programs for potential duplication of services; that each agency shall provide the Department with a copy of its internal review by October 1, 2015; that the Department shall provide the Governor and the General Assembly with a report of its findings by January 1, 2016; and that if duplicative services are identified, the Department shall work in conjunction with the agencies providing duplicative services to develop a policy or policies to ensure efficient expenditure of State resources, to be completed by December 31, 2016. New Act
30 ILCS 805/8.39 new

Creates the Student Transfer Achievement Reform Act. Provides that a public community college student who earns an associate degree for transfer granted pursuant to the Act is deemed eligible for transfer into the baccalaureate program of a State university if the student (1) completes 60 semester units or 90 quarter units that are eligible for transfer to a State university and (2) obtains a minimum grade point average of 2.0 on a 4.0 scale. Requires a community college district to develop and grant associate degrees for transfer that meet the requirements of the Act. Requires a State university to guarantee admission with junior status to any community college student who meets all of the requirements of the Act. Provides that a State university shall grant a local community college student priority admission and admission to a program or major that is similar to his or her community college major or area of emphasis. Provides that a student admitted under the Act shall receive priority over all other community college transfer students. Sets forth provisions concerning coursework, reviews and reports by the Board of Higher Education, and implementation of the Act. Amends the State Mandates Act to require implementation without reimbursement.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes: Provides that a community college student who earns an associate degree for transfer, an Associate of Arts, or an Associate of Science that is consistent with degree requirements of the Illinois Community College Board and the Board of Higher Education and aligned with the policies and procedures of the Illinois Articulation Initiative (rather than an associate degree for transfer), is deemed eligible for transfer. Removes provisions providing that a community college student is deemed eligible for transferring into the baccalaureate program of a State university upon completion of 60 semester hours or 90 quarter units and a minimum of 18 semester units or 27 quarter units in a major or area of emphasis. Provides that without the approval of the Illinois Community College Board and the Board of Higher Education, a community college district may not impose any requirements for a student to be eligible for an associate degree for transfer and subsequent admission to a State university. Provides that non-transfer coursework must not be counted as part of the transferrable units required. Provides that a State university shall admit and grant junior status in a program, subject to available program capacity, to any Illinois community college student who meets Act requirements, who has completed all lower-division prerequisites, and who meets the admission requirements of the State university's program or major (rather than a State university shall guarantee admission with junior status to any community college student who meets Act requirements). Removes provisions providing that a State university shall grant a local community college student priority admission and admission to a program or major that is similar to his or her community college major or area of emphasis. Provides that a State university may not require a transferring student to take more than 60 additional semester units beyond the lower-division major requirements for majors requiring 120 semester units, provided that the student remains enrolled in the same program of study and has completed university major transfer requirements. Removes provisions providing that a State university may require a transferring student to take additional courses at the State university so long as the student is not required to take any more than 60 additional semester units or 90 quarter units at the State university. Provides that a State university may not require transferring students to repeat courses that are articulated with (instead of similar to) those taken at the community college and counted toward an associate degree for transfer. Provides that the General Assembly encourages State universities and community colleges to facilitate the seamless transfer of credits toward a baccalaureate degree.

Amends the Respiratory Care Practice Act. Changes references from the Director of Professional Regulation to the Secretary of Financial and Professional Regulation. Makes changes in provisions regarding definitions, exemptions, restrictions and limitations, powers and duties of the Department of Financial and Professional Regulation, the Respiratory Care Board, examinations, license restoration, grounds for discipline, notice of hearings, transcript of formal hearings, hearing officer proceedings, restoration of suspended or revoked licenses, summary suspension of licenses, administrative review, costs, and the Illinois Administrative Procedure Act. Adds provisions concerning durable medical equipment use and training. Provides that parties involved in disciplinary or other proceedings may enter into negotiated consent orders. Provides that all information collected by the Department in the course of examination or investigation of a licensee or applicant shall remain confidential. Makes other changes. In provisions concerning durable medical equipment use and training, provides that only a licensed respiratory care practitioner or other authorized licensed personnel (rather than other licensed health care professional) may deliver and set up mechanical ventilators.

HOUSE FLOOR AMENDMENT NO. 3

Provides that members of the Respiratory Care Board shall be immune from suit in any action based upon disciplinary proceedings or other activities as members of the Board, except for willful and wanton misconduct (rather than activities performed in good faith as members of the Board).

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:
 210 ILCS 45/2-217
 210 ILCS 85/6.22

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes: In a provision under the Nursing Home Care Act concerning ambulance transportation orders for nursing home residents, and in a provision under the Hospital Licensing Act concerning ambulance transportation arrangements for hospital patients: (i) provides that, beginning for dates of service no later than 90 days after the effective date of the amendatory Act, the nursing facility or hospital shall utilize the uniform certification of medical necessity for non-emergency ambulance transportation pursuant to the Illinois Public Aid Code for all non-emergency ambulance transportation, regardless of whether the payer for the transport is a governmental payer or a non-governmental payer and regardless of the type of health care program or insurance the individual participates in; (ii) provides that the State action exemption shall be available to the Department in relation to federal and State antitrust statutes; (iii) provides that it is the policy of the State that certain powers may be exercised by the Department of Public Health, its vendors, agents, designees, and facilities, and all employees, officers, subsidiaries, and designees thereof, notwithstanding the effects on competition and notwithstanding any displacement of competition; (iv) requires the Department to supervise the

authorized activities of certain non-Department individuals or entities; and (v) removes all references to "Physician Certification Statement or equivalent form" under the Hospital Licensing Act and instead uses the term "uniform certification of medical necessity for non-emergency ambulance transportation". Further amends the Illinois Public Aid Code. Makes changes to the definitions of "ground ambulance services", "ground ambulance services provider", and "payment principles of Medicare". Deletes "rural county" and its definition. Defines "medi-car services provider", "medi-car services", "service care services", and "emergency and urgently needed services". Provides that for ground ambulance services and medi-car services provided to recipients covered by a medical assistance program administered by the Department, payment shall be based upon the zip code of the point of pick-up of the recipient by the ground ambulance services provider or medi-car services provider (rather than for ground ambulance services provided to a recipient of aid under the Medical Assistance Article on or after January 1, 2016, the Department shall provide payment to ground ambulance services providers for base charges and mileage charges based upon the lesser of the provider's charge, as reflected on the provider's claim form, or the Illinois Medicaid Ambulance Fee Schedule payment rates calculated in accordance with a specified provision of the Code; and that the Department shall establish the transition from the current payment system to the Illinois Medicaid Ambulance Fee Schedule by implementing certain payment rates adjusted for the 4 Medicare Localities in Illinois). Provides that due to the unique mobile nature of ambulance and medi-car services, ground ambulance services providers and medi-car services providers are required to only submit enrollment applications for the primary office location where the provider's business is headquartered. Adds language concerning payments for emergency and urgently needed services. Deletes a provision concerning payments for ground ambulance services provided to a recipient enrolled in a Medicaid managed care plan by a ground ambulance services provider that is not a contracted provider to the Medicaid managed care plan in question. Makes changes concerning Department rules by which ground ambulance services providers (rather than ground ambulance service providers) and medi-car services providers of non-emergency medical transportation may appeal any decision by the Department or its agent for which certain denials were not received prior to the time of transport. Adds provisions concerning (1) uniform certification of medical necessity for non-emergency ambulance transportation of patients covered by a medical assistance program administered by the Department or by the federal Medicare program; (2) certain powers that may be exercised by the Department; (3) the Department's supervision of certain activities of non-Departmental individuals; (4) the Department's exemption from State and federal antitrust statutes; and (5) the Department's establishment of a technical advisory group to collaborate with and assist in the development of the regulations, policies, or procedures necessary to implement this amendatory Act. Changes the effective date to immediate (rather than effective July 1, 2015).
