35 ILCS 200/15-175

Amends the Property Tax Code. In a Section concerning the general homestead exemption, provides that, in counties with 3,000,000 or more inhabitants, if a property is not occupied by its owner as a principal residence as of January 1 of the current tax year, then the property owner shall notify the chief county assessment officer by April 1 of the current tax year that the property was not occupied by the owner as a principal residence as of January 1 of the current tax year. Provides that, if such a notification is made and a general homestead exemption is granted for the property, that homestead exemption shall not be considered an erroneous homestead exemption. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with changes. In provisions requiring the property owner to notify the chief county assessment officer if the property is not occupied by the property owner as a principal residence as of

January 1, provides that the notice must be provided by March 1 of the next year (in the engrossed bill, April 1 of that year). 775 ILCS 5/7-109.1 from Ch. 68, par. 7-109.1

Amends the Illinois Human Rights Act. Provides that the Department of Human Rights shall administratively close specified types of charges that are pending before the Department if the issues that are the basis of the charge are being litigated in court or another administrative forum. Corrects a grammatical error.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes the provision that the Department of Human Rights shall administratively close specified types of charges that are pending before the Department if the issues that are the basis of the charge are being litigated in court or another administrative forum. Provides instead that for specified types of charges pending before the Department, if the charging party has initiated litigation in a State or federal court or an administrative proceeding before a local government administrative agency, and if a final decision on the merits in that litigation or administrative proceeding would preclude the charging party from bringing another action based on the pending charge, the Department shall cease its investigation and administratively close the pending charge. Provides that the Department may continue to investigate an allegation in a charge that is unique to the Act or otherwise could not have been included in the litigation or administrative proceeding. Provides that for charges relating to real estate transactions, the Department may administratively close a charge pending before the Department if the issues that are the basis of the charge are being litigated in a State or federal court proceeding.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

775 ILCS 5/7A-102

from Ch. 68, par. 7A-102

775 ILCS 5/8-103

from Ch. 68, par. 8-103

Replaces everything after the enacting clause. Amends the Illinois Human Rights Act. Provides that for specified types of charges pending before the Department of Human Rights, if the charging party has initiated litigation for the purpose of seeking final relief in a State or federal court or before an administrative law judge or hearing officer in an administrative proceeding before a local government administrative agency, and if a final decision on the merits in that litigation or administrative hearing would preclude the charging party from bringing another action based on the pending charge, the Department shall cease its investigation and dismiss the pending charge by order of the Director, who shall provide the complainant notice of his or her right to commence a civil action in the appropriate circuit court or other appropriate court of competent jurisdiction. Provides that the Director shall also provide the complainant notice of his or her right to seek review of the dismissal order before the Human Rights Commission. Provides that any review by the Commission of the dismissal shall be limited to the question of whether the charge was properly dismissed under the new provisions. Provides that the Department may continue to investigate an allegation in a charge that is unique to the Act or otherwise could not have been included in the litigation or administrative proceeding. Provides that for charges relating to real estate transactions, the Department may administratively close a charge pending before the Department if the issues that are the basis of the charge are being litigated in a State or federal court proceeding. Deletes language providing that the Department shall stay any administrative proceedings after the filing of a civil action by or on behalf of the aggrieved party under any federal or State law seeking relief with respect to the alleged civil rights violation. Makes other changes.

SENATE FLOOR AMENDMENT NO. 3

Provides that the Director shall provide the charging party (instead of "complainant") notice of his or her right to commence a civil action in the appropriate circuit court or other appropriate court of competent jurisdiction. Provides that the Director shall also provide the charging party (instead of "complainant") notice of his or her right to seek review of the dismissal order before the Human Rights Commission. Deletes language providing that requests for review of dismissals ordered pursuant to the new provisions shall have priority over all other requests for review and shall be resolved as quickly as possible.

Amends the Liquor Control Act of 1934. Provides that a craft distiller license allows the manufacture of up to 100,000 gallons (instead of 35,000 gallons) of spirits by distillation per year and the storage of those spirits. Provides that a craft distiller license holder may store those spirits at a non-contiguous licensed location, but at no time shall a craft distiller license holder, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative, employee, agent, or shareholder of that craft distiller license holder directly or

indirectly produce in the aggregate more than 100,000 gallons of spirits per year. Requires a craft distiller to affirm in its application that it does not produce more than 100,000 gallons of distilled spirits annually and that it does not sell more than 2,500 gallons of spirits to non-licensees. Prohibits craft distillers from being affiliated with directly or indirectly any other alcoholic liquor manufacturer licensed by any licensing authority. Prohibits distributors, importing distributors, and retailers from being licensed as a craft distiller. Amends the Video Gaming Act. In the definition of "licensed establishment", provides that "licensed establishment" does not include the premises of any manufacturer's licensee, wine maker's premises licensee, or brew pub licensee and adds a cross-reference to a provision in the Liquor Control Act of 1934 that describes a retailer's license. Removes provisions amending the definition of "licensed establishment" in the Video Gaming Act. Further amends the Liquor Control Act of 1934. Deletes a provision that prohibits a craft distiller license holder from being affiliated with any other alcoholic liquor manufacturer licensed by any other licensing authority. Makes changes to provisions that prohibit certain persons affiliated with a craft distiller license holder from producing more than 100,000 gallons of spirits per year. Authorizes a craft distiller licensee to hold more than one craft distiller license. Provides that a craft distiller that holds more than one craft distiller license shall not manufacture, in the aggregate, more than 100,000 gallons of spirits by distillation per year and shall not sell, in the aggregate, more than 2,500 gallons of such spirits to non-licensees. Establishes a craft distiller tasting permit license that allows an Illinois licensed craft distiller to transfer a portion of its alcoholic liquor inventory from its craft distiller licensed premises to the premises specified in the craft distiller tasting permit license and to conduct a sampling of the transferred alcoholic liquor. Provides that the transferred alcoholic liquor may not be sold or resold in any form. Requires an applicant for the craft distiller tasting permit license to submit with the application proof that the applicant will provide dram shop liability insurance to the maximum limits and have local authority approval. CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept of Corrections)
This bill has no fiscal or population impact on the Department of Corrections.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Admin Office of the Illinois Courts)

SB 2814 (H-AM 3) would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Illinois Power Agency)

SB 2814 (H-AM 3) will result in an estimated expenditure increase to the Illinois Power Agency Operations Fund of \$1to 2 million in the first year, but that amount may decrease in subsequent years. These costs will be recovered by the Agency through fees collected by the Agency which will make this cost neutral to the Agency. The Bill will also increase expenditures from the Renewable Energy Resources Fund at levels to be determined at a later date through the development of a Long-term Renewable Resources Plan. Those expenditures will be supported by funds that have already been collected, or are anticipated to be collected.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

SB 2814 (H-AM 3) will have no impact on any public pension fund or retirement system in Illinois.

Amends the bill AS AMENDED by House Amendment No. 3. Removes findings related to the filing of tariffs. Further amends the Illinois Power Agency Act. Clarifies a reference to procurement processes. Provides that the definitions of "community renewable generation project" and "distributed renewable energy generation device" apply to municipal utilities that own or operate electrical distribution facilities (currently all municipal utilities). Provides for the coordination of procurement processes, and for the coordination of job training opportunities with job training programs. Provides that the initial forward procurements for renewable energy credits from solar and wind projects shall be conducted, regardless of whether a long-term renewable resources procurement plan has been approved. Provides for the qualification of renewable energy credits facilities located in other states, where resources are not available in Illinois. Further amends the Illinois Procurement Code. Adds a cross-reference. In a Section regarding energy efficiency and demand-response measures, moves language concerning the meaning of amount per kilowatthour for purposes of that Section, and modifies the language regarding megawatt hours and deemed electric power and energy sales along with the deemed value of cumulative persisting annual savings from implemented energy efficiency measures and programs. Provides that except as provided otherwise, annual increases in cumulative persisting annual savings goals during the applicable 4 or 5 year plan period shall not (rather than, in no event shall) be reduced to amounts that are less than the maximum amount of cumulative persisting annual savings that is forecast to be cost-effectively achievable during the 4 or 5 year plan period. Modifies language regarding the Commission's review of any proposed goal reduction based upon certain specified calculations. Removes language allowing an exception to an electric utility that serves less than 3,000,000 retail customers but more than 500,000 retail customers in the State, and does not achieve an applicable annual incremental goal. Requires that a utility issue a rebate under its tariff no later than 60 days after receiving a rebate application (rather than no later than 180 days). Changes the spending by an electric utility for a

utility job training program from \$10,000,000 per year over 5 years to \$10,000,000 per year in 2017, 2021, and 2025. Changes the spending by an electric utility for a solar training pipeline program from \$3,000,000 annually over 5 years to \$3,000,000. Changes the discretionary goal for a utility to hire persons who are or were foster children and persons with a criminal record to a mandatory goal of creating 2000 jobs for those persons. Lowers the maximum length of a utility's apprenticeship program from 5 years to 4 years and funding multi-cultural jobs programs from a maximum of 5 years to 4 years. Further amends the Public Utilities Act. In the provisions for certification of installers, maintainers, and repairers also includes within the term "entities installing distributed generation facilities" any entity installing a new wind project or a new photovoltaic project as defined in the Illinois Power Agency Act. Creates a new provision for certifying the installation of energy efficiency measures by qualified energy efficiency installers. Makes other changes.

Deletes reference to:

220 ILCS 5/20-101

Adds reference to:

220 ILCS 5/2-202

from Ch. 111 2/3, par. 2-202

Adds the following provisions to the bill as amended. Amends the Public Utilities Act. In a provision concerning the Public Utility Fund, requires the Illinois Commerce Commission to make certain calculations related to the Public Utility Fund during the month of October of each year. Provides that if the Commission determines that amounts appropriated from the Public Utility Fund exceed the amounts in the Fund, the Commission may assess electric utilities and gas utilities for the difference between the amount appropriated for the ordinary and contingent expenses of the Commission and the amount derived pursuant to a tax imposed upon public utilities, and such proceeds shall be deposited in the Public Utility Fund in the State treasury. Provides that the Commission shall apportion that amount among those public utilities on the basis of each utility's share of the total intrastate gross revenues of the utilities subject to the tax. Provides that the required payments shall be made in the time and manner directed by the Commission. Provides that the Commission shall permit utilities to recover Illinois Commerce Commission assessments through an automatic adjustment mechanism that is incorporated into an existing tariff that recovers costs, or through a supplemental customer charge. Provides that within 6 months after the first time assessments are made, the Commission shall initiate a docketed proceeding in which it shall consider, in addition to assessments from electric and gas utilities, the raising of assessments from, or the payment of fees by, water and sewer utilities, entities possessing certificates of service authority as alternative retail electric suppliers, entities possessing certificates of service authority as alternative gas suppliers, and telecommunications carriers providing local exchange telecommunications service or interexchange telecommunications service. Provides that the amounts so determined shall be based on the costs to the agency of the exercise of its regulatory and supervisory functions with regard to the different industries and service providers subject to the proceeding. Provides that no less often than every 3 years after the end of a proceeding, the Commission shall initiate another proceeding for that purpose. Provides that the Commission may use this apportionment method until the docketed proceeding in which the Commission considers the raising of assessments from other entities subject to its jurisdiction under this Act has concluded. Provides that no credit memoranda shall be issued pursuant to another provision of the Public Utilities Act if the Commission determines that amounts appropriated from the Public Utility Fund exceed the amounts in the Fund.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Illinois Commerce Commission)

This legislation ensures that revenues collected by the Public Utility Fund are sufficient to pay the expected expenditures as appropriated by the General Assembly. In recent years, the Public Utility Fund has not received adequate revenues to afford necessary expenditures; therefore, the State has relied upon transfers of cash from other state funds in order to pay the approved expenses. There would be no additional workload on the State as a result of this Amendment. There is no fiscal impact on the State General Revenue Fund; the fiscal impact on the state is to ensure that the Public Utility Fund is self-supporting by ensuring adequate revenues to pay expenses.

105 ILCS 5/3-15.12 from Ch. 122, par. 3-15.12

Amends the School Code. With respect to the High School Equivalency Testing Program, requires a regional superintendent of schools to waive required fees for an applicant who (i) qualifies as a homeless person, child, or youth as defined in the Education for Homeless Children Act, (ii) has not attained 25 years of age as of the date of the scheduled test, and (iii) can verify his or her status as a homeless person, child, or youth. Provides that a homeless services provider that is qualified to verify an individual's housing status, as determined by the Illinois Community College Board, and that has knowledge of the applicant's housing status may verify the applicant's status.

SENATE FLOOR AMENDMENT NO. 1

In provisions concerning trial procedure, permits the Adjutant General to adopt rules in accordance with the Illinois Administrative Procedure Act which establish pretrial, trial, and post-trial procedures for courts-martial cases and for courts of inquiry (rather than permitting the Governor or the Adjutant General to prescribe pretrial, trial, and post-trial procedures for courts-martial cases, and for courts of inquiry, by Executive Order or regulations). Provides that the Attorney General may appoint a judge advocate nominated by the senior force judge advocate as a Special Assistant Attorney General to act as appellate government counsel to represent the State. Removes a provision requiring the appellate government counsel to be a member in good standing of the bar of the highest court of the state to which the appeal is taken. Replaces everything after the enacting clause. Amends the Workers' Compensation and Employer's Liability Rates Article of the Illinois Insurance Code. Provides that a rate is excessive if it is likely to produce a long run profit that is unreasonably high for the insurance provided or if expenses are unreasonably high in relation to the services rendered (instead of providing that a rate in a competitive market is not excessive and a rate in a noncompetitive market is excessive if it is likely to produce a long run profit that is unreasonably high for the insurance provided or if expenses are unreasonably high in relation to the services rendered). Provides for prefiling (rather than filing) of rates with the Director of Insurance and makes other changes regarding rate filings and disapproval of rate filings. Provides that, if an insurer has no legally effective rates as a result of the Director's disapproval of rates or other act, the Director shall, on request of the insurer, specify interim rates for the insurer that are high enough to protect the interests of all parties and may order that a specified portion of the premiums be placed in an escrow account approved by the Director, and, when new rates become legally effective, the Director shall order the escrowed funds or any overcharge in the interim rates to be distributed appropriately, except that refunds to policyholders that are de minimis shall not be required. Provides for a review of workers' compensation premium rates by the Director of Insurance and for a refund of excessive premium. Repeals provisions regarding presumptions that a competitive market exists, determining whether a competitive market exists, and disapproval of rates under specified circumstances. Amends the Workers' Compensation Act. Provides that accidental injuries sustained while traveling to or from work do not arise out of and in the course of employment. Defines "in the course of employment" and "arising out of the employment". Provides that, in determining whether an employee was required to travel away from his or her employer's premises in order to perform his or her job, certain factors may be considered, including whether the employer had knowledge that the employee may be required to travel to perform the job; whether the employer furnished any mode of transportation to or from the employee; and whether the employee received, or the employer paid or agreed to pay, any remuneration or reimbursement for costs or expenses of any form of travel. Permits an employer to file with the Illinois Workers' Compensation Commission a workers' compensation safety program or a workers' compensation return to work program implemented by the employer. Provides that the Commission may certify any such safety program as a bona fide safety program after reviewing the program for certain minimum requirements and that upon receipt of a certification notice from the Commission, the Director of Insurance shall immediately direct in writing the employer's workers' compensation insurer to recalculate the workers' compensation premium rates so that those rates incorporate and take into account the certified program. In a provision concerning compensation for the period of temporary total incapacity for work resulting from an accidental injury, provides that (i) injuries to the shoulder shall be considered injuries to part of the arm and (ii) injuries to the hip shall be considered injuries to part of the leg. Contains provisions concerning repetitive and cumulative injuries; permanent partial disability determinations; electronic claims; additional compensation awards in cases where there has been an unreasonable or vexatious delay of authorization of medical treatment; new penalties for violations involving fraudulent statements with regard to entitlement to workers' compensation benefits, counterfeit certificates of insurance, and other fraudulent acts; investigations of insurance non-compliance and fraud; annual reports by the Commission concerning the state of self-insurance for workers' compensation in Illinois; additional duties for the Workers' Compensation Premium Rates Task Force; and other matters. Effective immediately.

Adds reference to:

- 20 ILCS 105/4.03 from Ch. 23, par. 6104.03

Replaces everything after the enacting clause. Amends the Illinois Act on the Aging. In provisions requiring case coordination units to prescreen certain individuals for home and community based services, requires the units to also: (i) inquire if the individual is in need of assistance with the cost of nursing home care and (ii) provide assistance if the individual is unable to secure financial documents to prove financial eligibility. Provides that the units shall be reimbursed for such services on a per client basis at a rate established by the Department on Aging. Amends the Hospital Licensing Act. In a provision requiring hospitals to notify a case coordination unit prior to discharging patients to a nursing home, requires the case coordination unit to notify the Department on Aging when the unit is unable to complete an assessment prior to a patient's hospital discharge; and requires the Departments of Healthcare and Family Services and Aging to adopt rules to ensure patients in similar circumstances are able to access nursing home care. Amends the Illinois Public Aid Code. Permits payment under the medical assistance program for obligations incurred by an individual whose application for benefits is pending.

HOUSE COMMITTEE AMENDMENT NO. 2

Deletes reference to:
 20 ILCS 105/4.03
 305 ILCS 5/5-6

Replaces everything after the enacting clause. Amends the Hospital Licensing Act. In provisions concerning the pending discharge of an aged patient or patient with a disability from a hospital to a skilled nursing facility, requires the case coordination unit to provide a copy of the required assessment documentation directly to the nursing home to which the patient is being discharged prior to discharge (rather than requiring the case coordination unit to provide the discharge planner with prescreening information and accompanying materials, which the discharge planner shall transmit when the patient is discharged to a skilled nursing facility). Requires the Department on Aging to provide notice of this requirement to case coordination units. Provides that when a case coordination unit is unable to complete an assessment in a hospital prior to the discharge of a patient, 60 years of age or older, to a nursing home, the case coordination unit shall notify the Department on Aging which shall notify the Department of Healthcare and Family Services. Requires both Departments to adopt rules to address these instances to ensure that the patient is able to access nursing home care, the nursing home is not penalized for accepting the admission, and the patient's timely discharge from the hospital is not delayed, to the extent permitted under federal law or regulation. Provides that nothing shall preclude federal requirements for a pre-admission screening/mental health (PAS/MH) as required under the Nursing Home Care Act or State or federal law or regulation.

30 ILCS 577/35-11 new

Amends the State Construction Minority and Female Building Trades Act. Provides that the failure to submit required apprenticeship reports is a violation of the Act. Creates penalties for violation of the Act. Provides that an entity that violates the provisions of the Act or any rule adopted under the Act shall be subject to a civil penalty not to exceed \$1,000 for each violation found in the first audit by the Department of Labor. Provides that following a first audit, an entity shall be subject to a civil penalty not to exceed \$2,000 for each repeat violation found by the Department within a 5-year period. Provides that each violation of the Act for each day the violation continues shall constitute a separate and distinct violation. SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions of the introduced bill with the following changes: Provides that if the Department of Labor determines that an entity has violated certain provisions of the State Construction Minority and Female Building Trades Act, it shall provide the entity reasonable notice of noncompliance for a first violation and inform the entity that it has 45 days to provide the information required under provisions of the Act without penalty, and then if the violation is not remedied within 45 days of notice, the entity shall be subject to a civil penalty not to exceed \$100 for each day after the 45th day following notice that the entity is in violation of the Act (rather than an entity that violates any of the provisions of the Act or any rule adopted under the Act shall be subject to a civil penalty not to exceed \$1,000 for each violation found in the first audit by the Department). In imposing penalties, requires the Director of the Department of Labor to consider the appropriateness of the penalty to the entity (rather than to consider the gravity of the

violations).

New Act

Creates the Tuition Reduction Act. Beginning with the 2016-2017 academic year, requires each public university located in this State to reimburse its full-time resident undergraduate students a portion of the tuition charged in the form of a grant applied directly to a student's financial aid account. Provides that to determine the per-pupil grant amount, the university shall calculate the difference, if any, between the current fiscal year's aggregate appropriations to the university and the previous fiscal year's aggregate appropriations to the university and divide that amount by the number of students enrolled in the previous academic year. Provides that 50% of this calculation then equals the per-pupil grant amount, to be awarded to currently enrolled students to reduce their tuition costs (unless the current fiscal year's aggregate appropriations to the university are equal to or less than the previous fiscal year's aggregate appropriations). Requires each university to annually report updated estimates of the total amount in grants awarded in an academic year to the Governor and the appropriate committees of the General Assembly. Effective immediately.

730 ILCS 5/5-8-8

Amends the Unified Code of Corrections. Provides that in imposing a sentence of imprisonment or periodic imprisonment for an offense for which a sentence of probation or conditional discharge is an available sentence, if the defendant has no prior sentence of probation or conditional discharge and no prior conviction for a violent crime, the defendant shall not be sentenced to imprisonment before review and consideration of a presentence report and determination and explanation of why the particular evidence, information, factor in aggravation, factual finding, or other reasons support a sentencing determination that one or more of specified statutory aggravating factors apply and that probation or conditional discharge is not an appropriate sentence. Provides that the Sentencing Policy Advisory Council shall publish a report on the trends in sentencing for these offenders, the impact of the trends on the prison and probation populations, and any changes in the racial composition of the prison and probation populations that can be attributed to the changes made to sentencing by the amendatory Act.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the amendatory changes apply only to sentences for Class 3 or Class 4 felonies (rather than for any offense) for which a sentence of probation or conditional discharge is an available sentence.

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1, but with the following changes: Further amends the Open Meetings Act by exempting meetings or portions of meetings of the peer review subcommittee created under the Illinois Controlled Substances Act. Further amends the Alcoholism and Other Drug Abuse and Dependency Act as follows: Provides that the Director of the Division of Alcoholism and Substance Abuse shall (rather than may) publish annually a report on drug overdose trends statewide that reviews State death rates from available data to ascertain changes in the causes or rates of fatal and nonfatal drug overdose (rather than from available data to ascertain changes in the causes or rates of fatal and nonfatal drug overdose for the preceding period of not less than 5 years). Requires the report to include an analysis of drug overdose information reported to the Department of Public Health pursuant to the Counties Code and the Hospital Licensing Act. Provides that the report may include a description of efforts undertaken to educate the public about unused medication and about how to properly dispose of unused medication, including the number of registered collection receptacles in this State, mail-back programs, and drug take-back events. Defines "opioid antagonist" (rather than "opioid antidote"). Changes all instances of "opioid antidote" to "opioid antagonist" and makes corresponding changes in various laws. Exempts health care professionals who prescribe or dispense an opioid antagonist in certain situations from criminal liability, except for willful and wanton misconduct. Adds pharmacists to the list of persons the Director of the Division of Alcoholism and Substance Abuse shall consult with when developing and disseminating to health care professionals information on drug overdose prevention and recognition and other matters. Provides that every publicly or privately owned ambulance, special emergency medical services vehicle, non-transport vehicle, or ambulance assist vehicle, as described in the Emergency Medical Services (EMS) Systems Act, which responds to requests for emergency services or transports patients between hospitals in emergency situations must possess opioid antagonists (rather than requiring every publicly or privately owned provider of pre-hospital and inter-hospital emergency medical services to possess opioid antagonists and to establish a policy to control the acquisition, storage, transportation, and administrations of such opioid antagonists and to provide training in the administration of opioid antagonists). Makes changes to a provision concerning immunity from prosecution. Amends the Department of Human Services Act. Provides that the Illinois Environmental Protection Agency shall establish, by rule, a medication take-back program to allow for the collection and disposal of unused controlled substances (rather than unused medications); and makes other changes. Further amends the Illinois Fire Protection Training Act. Provides that the Office of the State Fire Marshal shall distribute (rather than conduct or approve) an in-service training program for fire fighters in the administration of opioid antagonists that is developed by the Department of Human Services. Amends the Illinois Criminal Justice Information Act. Provides that moneys in the Prescription Pill and Drug Disposal Fund shall be used for grants by the Illinois Criminal Justice Information Authority to municipalities or organizations that establish containers designated for the collection and disposal of unused controlled substances and that conduct the collection of unused controlled substances through mail-back programs. Further amends the School Code. Changes the definition of "asthma medication" to add a physician assistant who has been delegated prescriptive authority (rather than the authority to prescribe asthma medications) by his or her supervising physician to the list of asthma medication prescribers. Makes a change to the definitions of "standing protocol" and "undesignated epinephrine auto-injector". Requires the State Board of Education to submit a report to the General Assembly and the Department of Public Health (rather than the General Assembly) identifying the frequency and circumstances of opioid antagonist administration during the preceding academic year. Makes changes to the Hospital Licensing Act requiring health care professionals to report drug overdose cases to the

Department of Public Health within a specified time period. Removes changes made to the Medical Practice Act of 1987 concerning mandatory continuing education hours on the abuse of controlled substances for licensed physicians. Further amends the Emergency Medical Services (EMS) Systems Act by requiring the EMS Medical Directors Committee to address regional standing medical orders for the administration of opioid antagonists and by granting the Department of Public Health the authority to prescribe education and training requirements in the administration and use of opioid antagonists for all levels of EMS personnel based on the National EMS Educational Standards and any modifications to those curricula specified by the Department through rules adopted pursuant to the Act (rather than the Department shall have the authority to prescribe education and training requirements for EMT and EMR personnel in the administration of opioid antagonists). Further amends the Illinois Insurance Code. Provides that coverage for opioid antagonists must include refills for expired or utilized opioid antagonists. Makes changes to the definition of "opioid antagonist". Provides that an individual or group health benefit plan amended, delivered, issued, or renewed on or after the effective date of the amendatory Act shall offer (rather than provide) coverage for medically necessary acute treatment services and medically necessary clinical stabilization services (rather than coverage for medically necessary acute treatment services and medically necessary clinical stabilization services for up to a total of 21 days before initiating utilization review procedure and shall not require preauthorization prior to obtaining acute treatment services or clinical stabilization services). Removes amendatory changes concerning external independent review decisions and appeals; uncertainty or disagreement with the enforcement of the provisions of a parity law; annual reports on the percentages of premiums spent on reimbursement for clinical service; annual reports on the percentage of capitated payments for mental health and substance use disorder services; and other matters. Adds a provision concerning the availability of plan information. Makes changes to the definition of "treatment limitation". Amends the Pharmacy Practice Act. Provides that notwithstanding any general or special law to the contrary, a licensed pharmacist may dispense an opioid antagonist in accordance with written, standardized procedures or protocols developed by the Department of Financial and Professional Regulation with the Department of Public Health and the Department of Human Services if the procedures or protocols are filed at the pharmacy before implementation and are available to the Department of Financial and Professional Regulation upon request. Requires a pharmacist to complete a training program approved by the Department of Human Services before dispensing an opioid antagonist. Further amends the Illinois Public Aid Code. Provides that notwithstanding any other provision of the Code to the contrary, on or after July 1, 2015, injectable naltrexone prescribed for the treatment of alcohol dependence or the prevention of a relapse to opioid dependence (rather than prescribed by a physician for the treatment of alcohol dependence or the prevention of a relapse to opioid dependence) shall be covered under the medical assistance program. Provides that on or after July 1, 2015, methadone prescribed for the treatment of opioid dependence (rather than prescribed by a physician for the treatment of opioid dependence) shall be covered under the medical assistance program. Provides that on or after July 1, 2015, opioid antagonists prescribed for the treatment of an opioid overdose (rather than opioid antidotes prescribed by a physician for the treatment of an opioid overdose) shall be covered under the medical assistance program. Provides that all moneys and sale proceeds of property forfeited and seized under specified provisions of the Code may be used to provide to the Department of Human Services funds to develop and implement the educational programs required pursuant to certain provisions under the Alcoholism and Other Drug Abuse and Dependency Act and the School Code. Further amends the Criminal Code of 2012 by renumbering certain provisions, removing amendatory changes concerning criminal or civil forfeitures, and removing an amendatory change extending the repeal date of the Illinois Street Gang and Racketeer Influenced and Corrupt Organizations Law Article to June 11, 2022. Further amends the Cannabis Control Act. Provides that before a person is (rather than may be) sentenced to probation, the court may (rather than shall) refer the person to drug court. Provides that if the drug court team finds that the person suffers from a substance abuse problem (rather than a severe substance abuse problem) that makes him or her substantially unlikely to successfully complete a sentence of probation, then the drug court shall set forth its findings in the form of a written order, and the person shall not be sentenced to probation, but may be considered for the drug court program. Makes similar changes in the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, and the Unified Code of Corrections. Removes amendatory change imposing a \$25 monthly fee on the person sentenced to probation. Further amends the Illinois Controlled Substances Act as follows: (i) makes a change to the definition of "prescription"; (ii) removes a provision concerning pain

clinic registration and licensing; (iii) adds a provision requiring a physician to document in the medical record of a patient the medical necessity for the amount and duration of the 3 sequential 30-day prescriptions for Schedule II narcotics; (iv) removes a provision permitting pharmacies to fill a 10-day supply of a Schedule II controlled substance at one time subject to prescriber authorization and removes a provision requiring a prescriber to conduct an assessment of the patient regarding possible addiction tendencies and predisposition for substance abuse before issuing the first prescription in a single course of treatment for a Schedule II controlled substance; (v) removes language concerning certain actions a prescriber must take upon receipt of an unsolicited report issued by the Prescription Monitoring Program; (vi) adds a provision prohibiting the use of patient feedback as the basis of any adverse action, evaluation, or any other type of negative credentialing, contracting, licensure, or employment action taken against a prescriber or dispenser; (vii) restores language providing that nothing shall create a requirement that any prescriber, dispenser, or pharmacist request any patient medication disclosure, report any patient activity, or prescribe or refuse to prescribe or dispense any medications; (viii) removes a provision requiring the Department of Financial and Professional Regulation to adopt rules on or before January 1, 2016 regarding the oversight of prescriber practices as reported to the Prescription Monitoring Program; (ix) changes provisions concerning the prescription monitoring program and the central repository for the collection of certain information transmitted under the Act; (x) adds provisions requiring the Prescription Monitoring Program: to automatically create a log-in to the inquiry system when a prescriber or dispenser obtains or renews his or her controlled substance license; to maintain an Internet website in conjunction with its prescriber and dispenser inquiry system; and to regularly send electronic updates to the registered users of the Program; (xi) requires the Department of Financial and Professional Regulation to adopt rules concerning certain matters; (xii) creates the Prescription Monitoring Program Advisory Committee to assist the Department of Human Services in implementing the Prescription Monitoring Program (rather than the Secretary of the Department of Human Services must appoint an advisory committee to assist the Department of Financial and Professional Regulation in implementing the controlled substance prescription monitoring program); (xiii) in a provision requiring the Clinical Director of the Prescription Monitoring Program to select 5 members to serve on a peer review subcommittee, requires the peer review subcommittee to prepare an annual report starting on July 1, 2017; (xiv) makes it a Class A misdemeanor to knowingly withhold information requested from a practitioner, with the intent to obtain a controlled substance that has not been prescribed, by misrepresentation, fraud, forgery, deception, subterfuge, or concealment of a material fact; and (xv) makes other changes. Further amends the Unified Code of Corrections by increasing the fee amount for certain drug and methamphetamine related offenses. Further amends the Good Samaritan Act in a provision exempting pharmacists from civil liability for the dispensing of an opioid antagonist to individuals who may or may not be at risk for an opioid overdose. Adds an immediate effective date.

Amends the Code of Civil Procedure. Provides that, among other discovery, the physical and mental examinations of parties and other persons, the taking of depositions, and interrogatories (rather than "answers to interrogatories") shall be in accordance with court rules. Deletes language providing that: (1) the taking of depositions, whether for use in evidence or for purposes of discovery in proceedings in this State or elsewhere, and fees and charges in connection therewith, shall be in accordance with rules; (2) a party shall not be required to furnish the names or addresses of his or her witnesses, except that upon motion of any party disclosure of the identity of expert witnesses shall be made to all parties and the court in sufficient time in advance of trial so as to insure a fair and equitable preparation of the case by all parties; (3) whenever the defendant in any litigation in this State has the right to demand a physical or mental examination of the plaintiff pursuant to statute or Supreme Court Rule, relative to the occurrence and extent of injuries or damages for which claim is made, or in connection with the plaintiff's capacity to exercise any right plaintiff has, or would have but for a finding based upon such examination, the plaintiff has the right to have his or her attorney, or such other person as the plaintiff may wish, present at such physical or mental examination; and (4) no person or organization shall be required to furnish claims, loss or risk management information held or provided by an insurer described in a specified Section of the Illinois Insurance Code.

Provides that the report shall include the individual placement plan for the minor, as well as a detailed report of services and planning provided by the Department, and the steps the Department is taking to place the minor in a less restrictive setting. Provides that a copy of the report shall be provided to the minor's parents and guardian, if the Department has a record of the address of the parents and guardian. Provides that a copy of the report shall be provided to the minor's guardian ad litem and attorney. Provides that upon receipt of the report, the court shall review the report and determine whether a hearing would serve the minor's best interests. Provides that the minor's parents or guardian or attorney may request that the court conduct a hearing. Provides that the decision as to whether a hearing is to be conducted shall be in the sound discretion of the court. Notice of the hearing shall be provided to the Director of Juvenile Justice and the minor's parent and guardian and attorney. Provides that if the court determines that a hearing would serve the

minor's best interests and the minor does not have an attorney, an attorney shall be appointed for the minor. Provides that if after receiving evidence, the court determines that the services contained in the placement plan are not reasonably calculated to prepare the minor for reentry into the community, the court shall put into writing the factual basis supporting the determination and enter specific findings based on the evidence. Provides that the court also shall enter an order for the Department to develop and implement a new placement plan or to implement changes in the current placement plan consistent with the court's findings. STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (Dept. of Public Health)

The fiscal impact on the Illinois Department of Public Health for implementing the provisions of HB 127 would be primarily related to staff time to establish the pilot program and the development of guidelines, training materials, and the review and approval of a provider for the sudden cardiac arrest training course required for all coaches annually. The estimated staff time allocation would be 1/2 FTE or approximately \$75,000 annually. An additional \$10,000 is estimated to collect and analyze data from the pilot program. The bill does not provide any funding resources for implementation of the pilot program by the Department or by the Illinois State Board of Education. The Department does not currently have staff or fiscal resources to implement the proposed pilot program.

410 ILCS 620/12.2 new

Amends the Illinois Food, Drug and Cosmetic Act. Provides that any label of fresh, frozen, or processed fish or shellfish, wild or farm raised, offered for sale at wholesale or retail shall clearly identify (1) the species of fish or shellfish by its common name, (2) whether the fish or shellfish was farm raised or wild caught, and (3) whether the fish or shellfish was caught domestically or imported. Provides that a retail food facility that sells or offers for sale any fresh, frozen, or processed fish or shellfish, wild or farm raised, may not knowingly misidentify or misbrand (1) the country of origin of the fish or shellfish or (2) whether the fish or shellfish was farm raised or wild caught. Sets forth provisions concerning misbranding and the presumption of knowledge.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: removes processed fish from the provisions of the amendatory Act. Defines "market name" instead of "common name" to mean the market name for any seafood species identified in the Seafood List issued by the federal Food and Drug Administration. Requires any label of fresh or frozen fish or shellfish to include the country of origin of the fish or shellfish. Defines "farm raised" and "wild caught" fish and shellfish. Adds a penalty provision. Provides that the provisions of the amendatory Act shall become operative 18 months after the effective date.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

This bill will have a significant fiscal impact on the State of Illinois budget. The Department of Public Health has the ability to levy fines for non compliance with the bill, but the upfront costs of developing rules, procedures, and initial testing before any fines are collected will require significant resources that the Department and State of Illinois do not have. The Department of Public Health and the Governor's Office of Management and Budget estimate that it will cost approximately \$150 per sample of fish tested but current estimates of the amount of samples that will need to be genetically tested are not available at this time.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Public Health)
 HB 133 (H-AM 1) would have a significant fiscal impact to the Illinois Department of Public Health even with the collection of fees for permits and fines for violations.

Amends the Illinois Pension Code. Creates a Tier III benefit package applicable to persons who first begin participating in one of the State-funded retirement systems on or after July 1, 2015. Provides for retirement benefits and certain employee contribution changes that supersede the corresponding provisions of the applicable retirement system. Provides that those retirement benefits may be annually increased or decreased in response to the retirement system's investment earnings. Changes the amount of the required State contributions and, in the State Universities and Downstate Teacher Articles, requires the actual employers to make contributions to amortize any unfunded liabilities arising out of their employees who are Tier III participants. Provides that, when the State's total debt service obligation for certain pension bonds has ended, any funds remaining available for the payment of that debt service shall be distributed to the 5 State-funded retirement systems, to be used to reduce their unfunded actuarial liabilities. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

As of June 30, 2014, the 5 State Retirement Systems have \$104.619 billion in combined unfunded liabilities at Market Value, making for a cumulative funded ratio of 42.9%. Unfortunately, the fiscal impact on HB 134 is presently indeterminable. This impact note will be updated when an actuarial cost study becomes available.

New Act

30 ILCS 105/5.866 new

Creates the Family Leave Insurance Program Act. Requires the Department of Labor to establish and administer a Family Leave Insurance Program that provides family leave insurance benefits to eligible employees who take unpaid family leave to care for a newborn child, a newly adopted or newly placed foster child, or a family member with a serious health condition. Sets forth eligibility requirements for benefits under the Act including that the employee must (i) establish that he or she has been employed for at least 680 hours in employment during the employee's qualifying year and (ii) document that he or she has provided the employer with written notice of the employee's intention to take family leave. Defines "employer" to mean (a) any person, partnership, corporation, association, or other business entity that employs 50 or more employees for each working day during each of 20 or more calendar workweeks in the year in which the leave is to be taken or in the year immediately preceding the year in which the leave is to be taken; and (b) the State of Illinois and any other unit of local government. Contains provisions concerning disqualification from benefits; premium payments; the amount and duration of benefits; the recovery of erroneous payments; hearings; defaulted premium payments; elective coverage; employment protection; coordination of family leave; defined terms; and other matters. Amends the State Finance Act.

Creates the Family Leave Insurance Account Fund.

HOUSE COMMITTEE AMENDMENT NO. 3

Excludes the State from the scope of the term "employer". Provides for the Act to be administered by the Department of Employment Security (rather than the Department of Labor).

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 3 (Dept. of Employment Security)

Initial Start-Up Costs: Estimated at \$75 million to \$100 million, based on startup experience of our IBIS (Illinois Benefit Information System) which serves as the Illinois Department of Employment Security's benefit management platform for unemployment insurance. IBIS took multiple years to set up at a total cost of \$125 million. It would be reasonable to expect a similar time frame for the UI-like benefit aspect of the FLIP program. Unlike the prior IBIS work, however, development of FLIP would also entail a revenue collection component. Cost incurred would also include the efforts of an estimated 5 to 10 full-time equivalents for the creation and establishment of rules, policies, procedures, etc. for reporting, claims-taking, adjudication and appeals. Ongoing Costs: Expected to be at least \$46 million annually. Roughly 400 full time equivalents would be needed to administer the program, based on the staffing levels for similar programs as reported by New Jersey and California. The vast majority of the ongoing costs would be for the salary, benefits and administrative overhead for these positions. A significant amount of these costs (\$6 million) are the estimated annual system-related costs. Two other cost categories of significance that are NOT included above are the costs of any new equipment and the postage costs for the program. Specific cost estimates for those components are difficult to estimate without a more specific program structure.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Dept. of Commerce & Economic Opportunity)

Does not create a State Mandate under the State Mandates Act.

Amends the Juvenile Court Act of 1987. Eliminates provisions that require automatic prosecution of minors as adults. Eliminates mandatory and presumptive transfers to adult criminal prosecution. Provides that all transfers to adult criminal prosecution are discretionary transfers. Provides that if a petition alleges commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of the State and, on motion of the State's Attorney to permit prosecution of the minor under the criminal laws, a Juvenile Judge assigned by the Chief Judge of the Circuit to hear and determine those motions, after hearing but before commencement of the trial, finds that there is probable cause to believe that the allegations in the motion are true and that it is not in the best interests of the public to proceed under the Act, the court may enter an order permitting prosecution under the criminal laws. Provides that the factors that the court must consider for discretionary transfer apply to any act that if committed by an adult would constitute a crime that would subject a minor to juvenile jurisdiction if not transferred for adult criminal prosecution. Provides that the changes made to this provision by the amendatory Act apply to a minor who has been arrested or taken into custody on or after the effective date of the amendatory Act. Amends the Code of Criminal Procedure of 1963 to make a conforming change.
