HB-3824 BRADLEY - MADIGAN - FRANKS - WALLACE, MOYLAN, WALSH, PHELPS, YINGLING, TABARES, WILLIS, CONROY, BEISER, LILLY AND SCHERER.

New Act

35 ILCS 5/208 from Ch. 120, par. 2-208

30 ILCS 105/5.866 new

30 ILCS 105/6z-101 new

Creates the Property Tax Refund Act. Provides that the Department of Revenue shall issue a property tax refund of \$500 each year for each parcel of qualified property for which an eligible homeowner paid property taxes. Contains provisions concerning applications. Provides that the Department may request certain information from each county assessor or supervisor of assessments. Provides that, if a county fails to submit the required information, the Department shall not certify to the State Comptroller the amount of the Local Government Distributive Fund

allocated to that county until that information is submitted. Provides for implementation without reimbursement by the State. Amends the Illinois Income Tax Act to provide that the tax credit for residential real property taxes applies only for taxable years ending prior to December 31, 2015. Effective immediately.

FISCAL NOTE (Dept. of Revenue)

To estimate the cost the Department added to the estimate the number of senior homeowners who did not file an income tax return and the number of homeowners under the age of 65 who did not file an income tax return. Not all non-filers are homeowners. The Department estimated that between 40 percent and 70 percent of non-filers are also homeowners. The Department also added back the number of income tax filers that paid property tax but did not claim the property tax credit. This gives a potential range of refund claims between 2,634,360 and 2,851,638. The total cost of the credits is each end of the range multiplied by the \$500 refund. The total cost estimate is between \$1,317,000,000 and \$1,430,000,000. To calculate the marginal cost of the refund we must back out to cost of the current credit leaving us with a marginal (or budgetary) cost of between \$760 million and \$873 million. The theoretical maximum cost of the credit can be arrived at by taking the total number of homestead exemptions multiplied \$500 by less than the current credit cost (3,185,765 * 500) - 556,000,000 = \$1,036,333,660. The final annual cost range is between \$760 million and \$1.036 billion.

Amends the Access to Justice Act. Makes changes in the Section concerning legislative findings. Defines "Foundation" and "Illinois Access to Civil Justice Council". Provides that the Illinois Access to Civil Justice Council shall develop (instead of the "General Assembly encourages the Supreme Court to develop") specified pilot programs. Provides that moneys in the Access to Justice Fund shall be directed to and used by the Attorney General for grants to the Illinois Equal Justice Foundation (instead of the Supreme Court) for specified purposes. Provides that grants made under the Act to the Foundation are subject to the requirements of the Illinois Grant Funds Recovery Act. Provides that the Foundation may make grants, enter into contracts, and take other actions recommended by the Council to effectuate the pilot programs and comply with the other requirements of the Act. Contains reporting and administration provisions. Provides that the Council (instead of the Supreme Court) shall study the effectiveness of the pilot programs and submit a report to the Governor and General Assembly by June 1, 2021 (instead of June 1, 2017). Amends the Clerks of Courts Act. Provides that on and after September 1, 2015 (instead of "[i]f the Supreme Court develops a pilot program to provide court-based legal assistance in accordance with the Access to Justice Act"), the clerks of the circuit court shall collect specified fees for deposit into the Access to Justice Fund. Repeals the Section concerning these fees on September 1, 2020 (instead of August 15, 2018). Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause and reinserts provisions substantially similar to those of the bill, amending the Access to Justice Act and the Clerks of Courts Act, but with changes that include the following: (1) provides that moneys in the Access to Justice Fund shall be appropriated to (instead of directed to and used by) the Attorney General for disbursements (instead of grants) to the Illinois Equal Justice Foundation; (2) provides that the Foundation shall use the moneys to make grants and distributions for the administration of the pilot programs created under the Access to Justice Act; and (3) provides that fees received by circuit clerks in connection with the access to justice pilot programs shall be remitted by the clerks to the State Treasurer (instead of to the Attorney General). Effective immediately.

HOUSE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes: Deletes a provision requiring the Illinois Access to Civil Justice Council (Council) to develop a pilot program to provide court-based legal assistance within a circuit court in each appellate district of this State. Provides that the Supreme Court Access to Justice Commission may develop a pilot program to provide court-based legal assistance services. Provides that the moneys in the Access to Justice Fund shall be appropriated to the

Attorney General for disbursements to the Foundation and that the Foundation shall use the moneys to make grants and distributions for the administration of the pilot programs created under the Act (rather than moneys in the Access to Justice Fund shall be directed to and used by the Attorney General for grants to the Foundation for the administration of the pilot programs created under the Act). Provides that grants or distributions (rather than grants) made under the Act to the Foundation are subject to the requirements of the Illinois Grant Funds Recovery Act. Adds the Supreme Court to the list of persons and entities the Council is required to report to on the effectiveness of the pilot programs. Provides that the report "shall include the number of people served by the veteran and active military legal hotline and pro bono program and data on how the pilot programs expanded access to justice and the impact on government programs and community resources" (rather than "shall include the number of people served in each pilot program and data on the impact of varying levels of legal assistance on access to justice, the effect on fair and efficient court administration, and the impact on government programs and community resources"). Provides that this report shall describe the benefits of providing legal assistance to those who were previously unrepresented, both for the clients, "the military and veteran service organizations, and civil legal aid programs" (rather than "for the clients and the courts"). Makes the fee for filing certain documents with the clerks of the circuit court \$2 (rather than \$10). Provides that such fees shall be remitted to the clerk of the circuit court to the State Treasurer (rather than the Attorney General) as provided under the Act. Effective immediately.

- 225 ILCS 605/3.6 new
- 225 ILCS 605/3.7 new

from Ch. 8, par. 310

Replaces everything after the enacting clause. Amends the Animal Welfare Act. In provisions concerning the transfer of animals between shelters, provides that an animal shelter or animal control facility may not release any animal to an individual representing an animal shelter unless the individual is a representative of a not-for-profit, out-of-state organization who is transferring the animal out of the State (rather than just a representative of a not-for-profit, out-of-state organization). Provides that no animal shelter may accept a stray dog or cat unless the animal reported by the shelter to the animal control or law enforcement of the county in which the animal is found by the next business day. Provides that shelters may accept animals from certain organizations. Requires shelters to scan for the presence of a microchip or other currently-acceptable methods of identification within 24 hours of the intake of each dog or cat. Requires shelters to make reasonable attempts to contact the owner, agent, or caretaker of an animal as soon as possible, and to give notice by mail to the last known address of not less than 7 business days before disposing of the animal. Prior to disposal of the animal, requires the shelter to scan for identifying information a second time. Prohibits representatives of an animal shelter from entering private property to remove an animal and from directing other individuals to enter private property and remove an animal unless the individuals are approved humane investigators. Allows animal shelters to charge owners for certain expenses when reclaiming a stray dog or cat. Exempts feral cats from certain provisions. Provides that if the Department of Agriculture revokes a license, the licensee and any individuals associated with that license shall be prohibited from applying for or obtaining a license under the Act for at least 3 years.

SENATE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause with the bill as amended by Senate Amendment No. 1 with the following changes: Removes references to feral cats. Provides that no representative of an animal shelter may enter private property and remove an animal without permission from the property owner and animal owner, nor can any representative of an animal shelter direct another individual to enter private property and remove an animal unless that individual is an approved humane investigator (rather than no representative of an animal shelter may enter private property and remove an animal, nor can any representative of an animal shelter direct another individual to enter private property and remove an animal).

HB-4205 FORD - FLOWERS.

110 ILCS 947/65.47 new

Amends the Higher Education Student Assistance Act. Requires the Illinois Student Assistance Commission to award grants to applicants who are teachers licensed under the School Code and are employed by a school district within an area designated as a poverty area by the Department of Commerce and Economic Opportunity to obtain additional course credit or an additional degree at a public university located in this State. Provides that the amount of the grant shall equal 50% of the tuition and other necessary fees required of the teacher by the public university at which the teacher enrolls. Requires grant recipients to contract with the Commission to teach for an additional 2 years in the school district in which they were employed at the time of application for the grant. Sets forth provisions concerning this commitment.

PENSION NOTE (Government Forecasting & Accountability)

HB 4205 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 4205 would not change the amount of authorization for any type of State-issued or

State-supported bond, and, therefore, would not affect the level of State indebtedness.
STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

FISCAL NOTE (Illinois Board of Higher Education)

The Illinois Student Assistance Commission estimate uses the percentage of the school eligible for Free or Reduced Lunch as a proxy, not knowing how The Department of Commerce and Economic Opportunity would define a poverty area. About 61,000 teachers work in schools with at least 40% of students eligible for free or reduced price lunch, and around half of teachers already hold a master's degree, leaving roughly 30,000 teachers who might be eligible for the program. According to College Navigator data, the weighted average tuition and fees for undergraduate school in Illinois is about \$13,000. The weighted average for graduate school at Illinois public universities is about \$13,509. The bill proposes covering half the cost. If most teachers wanted to attend graduate school parttime, then the average cost per participant using graduate tuition and fees is $\$13,509 \times 0.5 \times 0.5$, or \$3,377 per participant. Determining participation is more complicated. If half of the eligible teachers chose to participate, the cost would be $15,000 \times \$3,377$, or about \$50 million. If 10% wanted to participate it would be $3,000 \times \$3,377$, or about \$10 million.

HB-4217 FORD - FLOWERS.

New Act

Creates the Universal Child Care Demonstration Program Act. Requires the Department of Human Services to establish and administer a 5-year statewide Universal Child Care

Demonstration Program to provide grants to eligible entities to develop, expand, and provide high-quality and affordable child care services for children age 0 to 6 years old regardless of family income. Provides that grants awarded under the Demonstration may be used to renovate or convert existing child care facilities to meet the goals of the Demonstration Program; to construct and maintain child care facilities in geographical areas with a demonstrated need for safe, affordable, and high-quality child care services; to train and pay child care providers, teachers, and staff; and to provide meal services to children receiving child care services. Provides that the ultimate goal of the Demonstration shall be to develop and evaluate the costs, impact, and quality outcomes of child care services and programs in order to establish an effective expansion toward universal child care services for children from birth to 6 years of age. Contains provisions concerning eligible entities, funding, reporting requirements, defined terms, and Department rules.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in HB4217; therefore, there are no appraisals to be filed.

PENSION NOTE (Government Forecasting & Accountability)

HB 4217 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 4217 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will have an extraordinary fiscal impact to the State of Illinois. The Governor's Office of Management and Budget estimates that this bill could potentially increase spending in the State's child care program in excess of \$8 Billion. This increase in spending will result in an unbalanced budget.

FISCAL NOTE (Dept. of Human Services)

Currently, the State does not have sufficient resources to fully fund existing programs. Expanding to families regardless of income is not aligned with the Department's mission of serving those most in need. The number of children in Illinois ages 0-6 is approximately 800,000. The average cost of quality child care is \$10,000 annually. A universal program cost estimate, therefore, is \$8.0 billion.

CORRECTIONAL NOTE (Dept of Corrections)

HB 4217 has no fiscal impact or population impact on the Department of Corrections.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Admin Office of the Illinois Courts)

This legislation would have no fiscal impact on the State appropriation to the judicial branch.

105 ILCS 5/10-23.8 from Ch. 122, par. 10-23.8

Amends the School Code. In provisions requiring a school board (other than the Chicago school district) to employ a superintendent, allows the school board in a school district with boundaries that lie in 3 counties, one county of which has a population exceeding 1,000,000 inhabitants, that has on staff properly licensed assistant superintendents or directors in the areas of instruction, finance, special education, assessments, and career and technology education, to instead appoint a chief executive officer to serve as its superintendent. Requires this chief executive officer to be a person of recognized administrative ability and management experience, hold a master's degree, have been employed with the school district for a minimum of 5 years in an administrative capacity, be responsible for the management of the district, and have all other powers and duties of a superintendent. Exempts the chief executive officer from provisions of the School Code concerning educator qualifications for a period of 5 years. Allows the school board to reappoint the chief executive officer after the 5-year period if the chief executive officer has made substantial progress towards a standard or alternative administrative license, if a program for such is available. Makes related changes.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill as introduced, but requires the school district to have an enrollment of more than 35,000 students in order for the school board to appoint a chief executive officer to serve as its superintendent and removes the amendatory language allowing a school board to reappoint the chief executive officer if the chief executive officer has made substantial progress towards a standard or alternative administrative license.

New Act

Creates the Heroes Way Designation Program Act. Allows a person who is related to a member of the United States Armed Forces who was killed in action while performing active military duty to apply for a designation allowing the placement of an honorary sign along designated Illinois roads. Provides that honorary signs may be placed upon interstate or state-numbered highway interchanges or upon bridges or segments of highway on the State highway system. Provides requirements for petition and approval of applications by the General Assembly to designate a specified road. Provides that no interchange, bridge, or highway may be named or designated after more than one member of the United States Armed Forces killed in action, nor may a designated member of the United States Armed Forces be eligible for more than one interchange, bridge, or highway designation. Provides that any highway signs erected for any designation shall be erected and maintained for a 20-year period, after which the signs shall be subject to removal, and the interchange, bridge, or highway may be subject to a new designation, absent an application to retain designation. Defines "Department", "Secretary", and "United States Armed Forces".

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced with changes. Provides that honorary signs may be placed upon interstate or state-numbered highway interchanges or upon bridges or segments of highway under the jurisdiction of the Department of Transportation (rather than on the State highway system). Modifies the

requirements for petition, approval of applications, and notice by the General Assembly to designate a specified road. Provides that no interchange, bridge, or segment of highway may be named or designated if it carries an existing designation (rather than being named or designated after more than one member of the United States Armed Forces killed in action). Removes language requiring that any highway signs erected for any designation be erected and maintained for a 20-year period, after which the signs shall be subject to removal, and the interchange, bridge, or highway may be subject to a new designation.

Amends the Illinois Act on the Aging, the Disabled Persons Rehabilitation Act, and the Illinois Public Aid Code. Regarding services provided under the Community Care Program, the Home Services Program, the supportive living facilities program, and the nursing home prescreening project, provides that individuals with a score of 29 or higher based on the determination of need assessment tool are eligible to receive institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool. Requires the Department on Aging, the Department of Human Services, and the Department of Healthcare and Family Services to promulgate rules regarding the updated assessment tool, but prohibits those Departments from promulgating emergency rules regarding the updated assessment tool. Provides that the State shall not implement an updated assessment tool that causes more than 1% of then-current recipients to lose eligibility; and that anyone determined to be ineligible for services due to the updated assessment tool shall continue to be eligible for services for at least one year following that determination and must be reassessed no earlier than 11 months after that determination. Further amends the Illinois Public Aid Code by deleting a provision requiring the Department of Healthcare and Family Services to, subject to federal approval, on and after July 1, 2012, effectuate an increase in the determination of need scores from 29 to 37 for applicants for institutional and home and community-based long term care. Amends the Nursing Home Care Act. Provides that no individual receiving care in an institutional setting shall be involuntarily discharged as the result of the updated assessment tool until a transition plan has been developed by the Department on Aging or its designee and all care identified in the transition plan is available to the resident immediately upon discharge. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Further amends the Illinois Act on the Aging. Removes a provision requiring the Department on Aging to establish eligibility standards for services provided under the Community Care Program and instead sets forth the criteria individuals must meet to have equal access to services under the Community Care Program. Makes changes to provisions added to the Act concerning the eligibility of individuals with a determination of need score of 29 or higher for institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool; and adds a provision requiring service cost maximums to be set at levels no lower than the service cost maximums that were in effect as of January 1, 2016 and to be increased accordingly to reflect any rate increases. Makes changes to provisions added to the Rehabilitation of Persons with Disabilities Act and the Illinois Public Aid Code concerning the eligibility of individuals with a determination of need score of 29 or higher for institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool. Further amends the Illinois Public Aid Code by providing that no individual receiving care in an institutional setting shall be involuntarily discharged as the result of the updated assessment tool until a transition plan has been developed by the Department on Aging or its designee and all care identified in the transition plan is available to the resident immediately upon discharge. Effective immediately.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. on Aging)

This cost estimate is predicated upon an unaltered continuation of the current service structure under CCP, which would result from the enactment of HB 4351 into law. In its proposed FY17 budget, Illinois Department on Aging seeks to secure considerable cost savings by creating a new program, the Community Reinvestment Program (CAP), designed to provide a multitude of flexible services for non-Medicaid individuals

currently being served under CCP. The estimated cost of \$200 million is in addition to the Governor's introduced budget for CAP and CCP. These savings amount to \$197 million during the next fiscal year. The program will ensure sustainable spending levels and that essential community services remain available for the approximately 44,000 non-Medicaid persons now served by CCP.

Adds provisions regarding used motor vehicle dealers and auction companies. Provides that used motor vehicle dealers and certain auction companies may not exclude, modify, or disclaim an implied warranty of merchantability before the expiration of the 15th calendar day after delivery of the used motor vehicle or before the used motor vehicle is driven 500 miles after delivery, whichever occurs first. Provides that an implied warranty of merchantability does not extend to damage that occurs after the sale of the used motor vehicle that results from certain conduct, including: off-road use, racing, neglect, and failure to perform regular maintenance. Sets forth remedies and defenses.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the introduced bill with the following changes: Provides that any retail sale of a used motor vehicle made to a consumer by a licensed vehicle dealer within the meaning of certain provisions of the Illinois Vehicle Code or by an auction company at an auction that is open to the general public (instead of any retail sale of a motor vehicle made to a consumer by a used motor vehicle dealer within the meaning of certain provisions of the Illinois Vehicle Code) is made subject to the provisions limiting modifications to or a disclaimer of an implied warranty of merchantability. Provides that if the implied warranty of merchantability is breached, the consumer shall give reasonable notice to the seller no later than 5 business days after the end of the statutory warranty period (instead of if the implied warranty of merchantability is breached, the consumer shall give reasonable notice to the seller within 15 days after the date of the breach). Provides that an implied warranty of merchantability is met if a used motor vehicle functions free of a defect in a Power Train component (instead of an implied warranty of merchantability is met if a used motor vehicle functions substantially free of a defect that significantly limits the use of the used motor vehicle for the ordinary purpose of transportation on any public highway). Defines "Power Train component". Makes changes to provisions concerning: (i) the language required in a disclosure statement within an agreement for the sale of a used motor vehicle and (ii) express or implied warranties other than the 15 day, 500 mile implied warranty of merchantability. Removes a provision concerning remedies for an aggrieved consumer or seller.

SENATE COMMITTEE AMENDMENT NO. 1

HB-4380 MCSWEENEY, KAY, PHILLIPS, IVES, FRANKS, DAVIDSMEYER AND MORRISON.

105 ILCS 5/2-3.64a-5

Amends the School Code with respect to State goals and assessment. Provides that the provision requiring the State Board of Education to administer no more than 3 assessments, per student, of English language arts and mathematics for students in a secondary education program applies until the expiration of any contracts entered into before the effective date of the amendatory Act between the State Board and the company or companies that operate the PARCC (Partnership for Assessment of Readiness for College and Careers) tests. Provides that after the expiration of any such contracts, the State Board shall enter into 2 separate contracts to administer 2 college and career ready determination examinations, including, but not limited to, one that is accepted by all of this State's public and private institutions of higher education, for the purpose of student application or admissions consideration. Specifies that each student must be offered the opportunity to choose between the 2 examinations. Sets forth provisions providing that the State Board is required to cover all expenses for each student to take one of the 2 examinations for the purpose of college application or admissions consideration. Provides that no State assessments other than these 2 examinations may be administered to students in a secondary education program after the expiration of any contracts entered into before the effective date of the amendatory Act between the State Board and the company or companies that operate the PARCC tests. Effective July 1, 2016.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Requires the State Board of Education to enter into 2 separate contracts, one to administer the ACT and one to administer the SAT (instead of entering into 2 separate contracts to administer 2 college and career ready determination examinations). Specifies that each school district (instead of each student) must be offered the opportunity to choose between the 2 examinations. Provides that this examination shall constitute a secondary education program annual assessment for the purpose of implementing State assessments. Provides that the State Board shall take whatever may be appropriate ways and means, including a request for a federal waiver or waivers if required, to ensure that, should a waiver or waivers be granted pursuant to this request, no State assessments other than these 2 examinations may be administered to students in a secondary education program (instead of just providing that no State assessments other than these 2 examinations may be administered to students in a secondary education program). Provides that, notwithstanding the mandate to administer these 2 examinations, should the PARCC test continue to be required of Illinois high schools by federal mandate, the PARCC test shall continue to be administered to students in a secondary education program. Effective July 1, 2016.

Provides that the Department shall issue additional copies of the written notification upon the applicant's, student's, or employee's request.

SENATE COMMITTEE AMENDMENT NO. 1

New Act

Creates the Public University Uniform Admission Act. Requires each public university in this State to admit first-time freshman applicants as undergraduate students if the applicant graduated with a grade point average in the top 10% of the student's high school graduating class in one of the 2 school years preceding the academic year for which the applicant is applying for admission and (1) the applicant graduated from an accredited public or private high school in this State or from a high school operated by the United States Department of Defense; (2) the applicant successfully completed the minimum college preparatory curriculum requirements for admission to the university or satisfied the ACT's College Readiness Benchmarks on the ACT college admission assessment applicable to the applicant or earned on

the SAT college admission assessment a score of at least 1,500 out of 2,400; and (3) if the applicant graduated from a high school operated by the United States Department of Defense, the applicant is a State resident or is entitled to pay tuition fees at the rate provided for State residents. Provides that the University of Illinois at Urbana-Champaign is not required to offer admission to applicants who qualify for automatic admission in excess of the number required to fill 75% of the university's enrollment capacity designated for first-time resident undergraduate students in an academic year. Sets forth other provisions concerning the University of Illinois at Urbana-Champaign. Sets forth other provisions concerning admissions. Provides for additional preparation for college, student outreach, and rulemaking.

FISCAL NOTE (IL Board of Higher Education)

Assuming the provisions of House Bill 4565 would operate under existing capacity levels, it appears that the increased number of mandated entering freshmen students would off-set other eligible entering freshmen and the cost of instruction would generally remain the same. However, depending on the financial profile of the freshmen included under the guidelines presented in House Bill 4565, financial aid costs could increase, although specific estimates are undeterminable at this time. Illinois Board of Higher Education's FY 2016 Weighted Average Tuition report indicated an entering freshmen class of 34,760 for the current academic year.

Creates the Unclaimed Life Insurance Benefits Act. Removes provisions concerning partial matches. Makes changes to the procedure for potential matches and searches an insurer must perform. Provides that nothing in the Act shall be construed to amend, modify, or supersede the Uniform Disposition of Unclaimed Property Act. Requires the Department of Insurance to develop and implement a lost policy finder to assist requesters with locating unclaimed life insurance benefits. Provides that the Department may limit an insurer's Death Master File comparisons to the insurer's electronic searchable files or approve a plan and timeline for conversion of the insurer's files to searchable electronic files upon a demonstration of hardship by the insurer. Replaces everything after the enacting clause with the introduced bill with the following changes: Removes provisions amending the Animal Welfare Act. In provisions amending the Animal Control Act, provides that if no placement of a dog or cat is made by an animal control facility, the animal may be (rather than shall) dispatched pursuant to the Humane Euthanasia in Animal Shelters Act. Provides that nothing in the Act shall be construed or interpreted to place a limitation on the time frame that an animal pound or animal shelter may humanely house an animal prior to placement. In provisions concerning dog or other animal bites, provides that when evidence is presented that the animal was inoculated against rabies within the time prescribed by law, it may (rather than shall) be confined in a house, or in a manner which will prohibit it from biting any person for a period of not less than 10 days from the date the bite occurred, if the Administrator, Deputy Administrator, or his or her

725 ILCS 5/121A-1 new

725 ILCS 5/121A-2 new

725 ILCS 5/121A-3 new

Amends the Code of Criminal Procedure of 1963. Any party who learns of the death of a defendant in a criminal case that is pending on appeal shall promptly notify the other party and file a certificate of notice of the defendant's death with the court before which the appeal is pending. If the appeal is by the State, upon the filing of the certificate, the court shall vacate the judgment and sentence of the trial court and the cause shall be forever abated. If the appeal is by the defendant, upon the filing of the certificate, the court shall immediately stay further action in the proceeding for 28 days. During the stay, the executor or administrator of the defendant's estate, the defendant's attorney on appeal, the Office of the Appellate Defender, or the Public Defender in the county in which the defendant was convicted, or other successor in interest shall have standing to petition the court for leave to intervene in the appeal for the purpose of pursuing the appeal in place of the defendant. If the court receives a timely petition for leave to intervene, the court shall permit the petitioning party to intervene in the appeal in place of the defendant and the appeal shall proceed in the same manner as if the defendant were still alive. If, after intervention, the appeal results in: (1) the entry of an order affirming the decision of the trial court, the intervenor may continue to pursue the appeal on the behalf of the defendant or seek post-conviction relief to the extent that further appellate or post-conviction relief would have been available to the defendant were he or she still alive; (2) a finding of error by the court resulting in the reversal of a defendant's conviction, the court shall vacate the judgment and sentence of the trial court and the cause shall be forever abated; or (3) a finding of error which would require the trial court to resentence the defendant, but does not require reversal of the defendant's sentence, the court shall vacate the sentence imposed by the trial court and the conviction shall stand. If no petition for leave of the court to intervene is filed, the court shall dismiss the appeal without disturbing the decision of the trial court or sentence it imposed.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill with the following changes. Removes the attorney for the defendant representing the defendant on an appeal, the Office of the State Appellate Defender, and the county public defender from any obligation to file a certificate of notice of the defendant's death in a pending criminal appeal of the defendant, and removes their standing to continue to pursue a criminal appeal on behalf of the deceased defendant. Provides an executor or administrator of the defendant's estate or other successor in interest shall have standing to file a certificate of notice of the defendant's death with the court before which the appeal is pending to initiate vacating an appeal brought by the State or obtain a stay for intervention or ultimate dismissal in an appeal brought by the defendant.

Provides whenever the prosecuting attorney in a criminal case learns of the death of the defendant prior to the entry of a final and appealable judgment in the case, he or she shall promptly notify the other party and file a certificate of notice of the defendant's death with the circuit court before which the case is pending. Upon filing of the certificate, the court shall enter an order abating the proceedings entirely. Creates a new Article in the Code for pending direct appeal after the defendant's death. Provides whenever the prosecuting attorney learns of the death of the defendant following the entry of a final and appealable judgment but prior to the conclusion of the defendant's direct appeal from the conviction, he or she shall promptly

notify the other party and file a certificate of notice of the defendant's death with the reviewing court before which the direct appeal is pending. Provides unless the executor or administrator of the defendant's estate or other successor in interest files a verified motion to intervene in the direct appeal within 30 days of the filing of a certificate of notice of the defendant's death, the reviewing court shall dismiss the direct appeal without disturbing the judgment of the circuit court. SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with the provisions of Senate Amendment No. 1, and makes the following changes: provides that if the Attorney General (instead of "Public Access Counselor") issues a binding opinion and the public body does not file for administrative review of or comply with the binding opinion within 35 (instead of 30) days

after the binding opinion is served on the public body (instead of issuance of the opinion), the requester may file an action and there shall be a rebuttable presumption that the public body willfully and intentionally failed to comply with the Act.

Replaces everything after the enacting clause. Amends the Hearing Screening for Newborns Act. Changes the short title to the Early Hearing Detection and Intervention Act. Defines terms. Replaces current provisions related to mandatory hearing screening with provisions that provide each medical care facility shall conduct bilateral hearing screenings for each newborn infant prior to discharge unless there is a medical contraindication or the infant is transferred before a screening can be completed. Contains provisions concerning infants that are transferred, requiring all medical care facilities to make provisions for outpatient screenings for infants born outside medical care facilities, and reporting and follow-up requirements for hearing screenings. Provides that for infants born outside a medical care facility, the newborn's primary care provider shall make a referral to a medical care facility for a hearing screening. Provides that specified providers and programs (rather than hospitals) shall report all hearing testing, medical treatment, and intervention outcomes related to newborn hearing screening or newly identified hearing loss for children birth through 6 years of age (rather than positive hearing screening results) to the Department of Public Health. Provides that the Department shall maintain a registry documenting screening, diagnosis, and intervention of cases of positive hearing results. Adds provisions concerning information sharing. Repeals provisions concerning a hearing screening advisory committee. Effective immediately.

HB-4954 FORD - FLOWERS - WELCH - MAYFIELD.

20 ILCS 2630/5.2

Amends the Criminal Identification Act. Provides that records of charges that result in an acquittal or dismissal with prejudice, except for minor traffic offenses, may be immediately sealed after the final disposition of the case. Upon entry of judgment, the defendant shall be informed of this right and the proper procedures to follow to have records that are eligible be immediately sealed. A petition may be filed on behalf of the defendant by his or her attorney at the final disposition hearing, or by the defendant at any time. The State's Attorney may not object to an immediate sealing petition, and the presiding trial judge shall enter an order granting or denying the petition during the hearing in which the petition is filed. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in HB4954; therefore, there are no appraisals to be filed.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 4954 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSE FLOOR AMENDMENT NO. 1

Deletes language providing that no fees shall be charged by the circuit court clerk or the Department of State Police for processing a sealing petition for an arrest or charge not initiated by arrest that resulted in acquittal, dismissal, or a conviction when the conviction was reversed or vacated. Deletes language providing that the State's Attorney may not object to an immediate sealing petition.

PENSION NOTE (Government Forecasting & Accountability)

HB 4954 will not impact any public pension fund or retirement system in Illinois.

CORRECTIONAL NOTE (Dept of Corrections)

HB 4954 has no fiscal or population impact on the Department of Corrections.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Illinois State Police)

If HB 4954 were to become law, the estimated fiscal cost would be \$211,152 per fiscal year. This estimated loss of revenue is based upon Fiscal Year 2015 numbers. In Fiscal Year 2015 the Illinois State Police collected an estimated \$211,152 for seal orders. The Illinois State Police does not have a separate line item for expungements and seal orders. Illinois State Police collected a total of \$527,880 in sealing and expungement fees in Fiscal Year 2015. Seal orders average approximately 40 percent of the workload (\$527,880 x .40 = \$211,152). It should be noted, the \$527,880 collected in fees fund the salary of 10 of the 13 employees in this unit. These costs would no longer be supported by fee funds collected and would have to be shifted to General Revenue. The revenue stream that supports the functions of this unit would no longer exist. While

preparing this fiscal note, House Amendment 1 was filed. House Amendment 1 would restore the Illinois State Police's ability to collect fees for most seal orders.

BALANCED BUDGET NOTE (Office of Management and Budget)

House Bill 4954 would eliminate the current process in which the Illinois State Police collect fees for processing petitions and orders to seal records. These fees are used to fund the technology and support staff that implement and maintain the expungement and sealing system. While any costs for implementing this new process would be minimal the Illinois State Police would lose revenue generated from the current process at an estimated \$211,000 per year into the State Police Services Fund.
