Representing: Eleanor Anderson

Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony: I am writing as a member of the North Central Albany Park Mutual Aid Network. We get calls and messages every day from neighbors who cannot afford to pay rent, or purchase basic necessities. Our broader mutual aid network has raised more than \$30,000 and yet we still had to turn people away throughout the month of May because the number of families unable to pay rent so far outstripped the pace of what we could fundraise. I want to express my strong support of the Emergency Renter and Homeowner Protection Act, HB5574. We are doing all we can as individuals but its just not enough. We need the state to provide relie.
