I strongly support HB 5574, HA1, COVID-19 Emergency and Economic Recovery Renter and Homeowners Protection Act, which would provide financial relief and protections to homeowners, renters and small landlords.

As such I am submitting this statement as a **PROPONENT of HB 5574.**

Please support the families in Illinois who need it most and help prevent them from being evicted from their homes for inability to pay during this pandemic.

Thank You,
Brian Elmore
