Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because it brings real relief to the hundreds of thousands who are suffering income insecurity during this crisis. I am one of those people. No one should lose their home due to a pandemic. The federal stimulus bill does not even cover one month of living costs in urban areas like Chicago. For those of us who do not qualify for unemployment, we are struggling.
