

**Name:** Aisha Naseem

**Representing:** Aisha Naseem

**Supporting:** HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

**Testimony:**

Without rent freeze those of us who do receive a stimulus check are just giving landlord's a bail out. We need flexible forbearance on mortgages as well. Housing is a human right and without it people cannot shelter in place, cause great danger of further spread of the pandemic. People over profit.
