Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because it brings real relief to the hundreds of thousands who are suffering income insecurity during this crisis. The pandemic is no one's fault and we need a collective effort to help those whose life relied on income from currently suspended businesses. Many landlords seem to not care about well-being of millions of people. No one should lose their home due to a pandemic.
