**Testimony:**

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574. If we are forced not work, we should not have to pay rent! To expect us to stay home and not work yet somehow pay rent, and HAVE to pay rent is WRONG, outrageous, and illogical. I haven't even yet gotten my unemployment, have no savings, and now more debt and financial damage as it is from the pandemic and it's stay at home orders. Pass this act so we have some relief as we get through the pandemic & stay at home orders and recover from the damage it has caused.
