Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because it brings real relief to the hundreds of thousands who are suffering income insecurity during this crisis. No one should lose their home due to a pandemic.

As a young resident of Chicago I ask our politicians to step into the shoes of myself: a trans 24 yr old with no family who has recently escaped housing insecurity and domestic violence. Step into my friends shoes who've had to spend nights on the street or compromising their health and safety otherwise. I have graduated from college and I still don't have any idea what I'm doing. I shouldn't have to worry about losing my apartment, too. Respond humanely to this world crisis. Help the residents who elected you. Pass HB5574.
