Representing: Myself

Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because it brings real relief to the hundreds of thousands who are suffering income insecurity during this crisis. No one should lose their home due to a pandemic. As a social worker working in housing, I am concerned about my clients ability to afford their rent. I am also concerned about my neighbors - we are about to have our third month of rent due since the state shut down with no meaningful relief.
