

**Name:** Erin Pleake

**Representing:** Erin Pleake

**Supporting:** HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

**Testimony:**

I support HB5574 - no one should lose their home from the fallout of an unforeseen pandemic. Not enough has been done to support the average American during this crisis. Support financially struggling Illinoisans, and stop anyone attempting to take advantage of those trying to survive this pandemic and it's aftermath.
