Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because it brings real relief to the hundreds of thousands who are suffering income insecurity during this crisis. No one should lose their home due to a pandemic. The stimulus checks paused tax returns which has prevented me from receiving needed funds to survive. This is a time we need to rebuild and try to get back to normal, this shouldn't be a time where people go homeless and weaken their immune systems stressing out about income instability. Please have a heart and give us rent relief.
