Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because it brings real relief to the hundreds of thousands who are suffering income insecurity during this crisis. No one should lose their home due to a pandemic. I am also coordinating aid in my neighborhood and hear the real desperation from people begging for help. One told me, "I am not a fighter, please." He has four kids at the school where I teach. This is their life, too. It's cruel. What is the purpose of legislators if not to protect the humanity of constituents?
