

**Name:** John Gorman

**Representing:** Self

**Supporting:** HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

**Testimony:**

The Emergency Renter and Homeowner Protection Act, HB5574, is necessary to prevent hundreds of thousands of Illinoisians from losing their homes or making the choice between feeding their children and paying their rent. This is a crisis that requires us to protect those in need, and this legislation must be a part of how we deal with COVID.
