

Name: John Skoubis

Representing: John Skoubis

Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I work an hourly job as well as my mom and brother. Both me and my brother support my mom with rent. With no help from unemployment and my mom being furloughed my brother and I are forced into an increased role with reduced work hours. I am in favor of the Emergency Renter and Homeowner Protection act because it will help me, my family, and thousands of chicagoans.
